Welcome to the Simon & Schuster Children's Books complete illustrated stocklist 2013.

2013 sees the launch of many exciting additions to our publishing list, including some stunning UK debut authors and illustrators across both picture books and fiction. Look out for these throughout the stocklist – ranging from British-born YA dystopian, and historical romance by C.J. Flood, C.J. Harper and Sarah Naughton, to hilarious younger fiction and picture books from Benji Davies, David Tazzyman, and more.

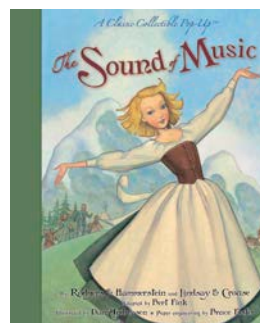

Our big brands continue to grow in 2013 - *Princess Evie's Ponies* will continue to canter across the shelves, plus there are more hilarious adventures from *Dork Diaries*. A brand new thriller from Sophie McKenzie will keep pages turning, and the ZOM-B series from Darren Shan will continue with a seriously scary new horror every three months. Philippa Gregory's second title in the epic *Order of Darkness* series is out in June. We can't wait to get reading.

We also welcome exciting new licensing and media tie-in brands to the list, such as movie blockbusters *Rise of the Guardians* and *City of Bones*, the fun and zany *Fight My Monster*, addictive mobile phone app *Cut The Rope*, and beautiful classic editions of Frank L. Baum's tales of Oz. Meanwhile, there will be more adventures from brave *Mike the Knight* and his friends, and underwater heroes the *Octonauts*.

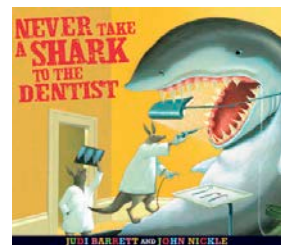

We'll be continuing to celebrate all our upcoming reads with our newsletter initiatives: The Picture Book Den and The Blurb. You can sign up to both using the links on this page to receive quarterly updates including exclusive features and artwork from authors and illustrators, and recommendations from the Simon & Schuster Children's Team.

Everybody here at Simon & Schuster Children's Books is really excited about 2013. It promises to be another year of rising stars and supernovas!
