Grand Ambition: Paul Keating's global vision for Australia
Curran, James

Written with never-before-seen documents from Paul Keating's archive, and drawing on long conversations and interviews with him over many years, this book explores the ambitions for Australia and its place in the world that guided Keating: arguably the last Prime Minister with a compelling long-term vision for the country.

Great and Unfortunate Things
Arday, Jason

With the power of *Educated* and the emotional sweep of *When Breath Becomes Air*, *Great and Unfortunate Things* is the inspiring, underdog story of how an autistic, non-verbal boy who society had given up on, found his voice, literally and figuratively, became one of the youngest professors in the University of Cambridge's history.
