We Create Connections

Andrews McMeel Universal is an independent, global media company that partners with and supports a world-class roster of creative and diverse talent. Through publishing, syndication, entertainment and interactive experiences, we connect audiences to universal messages of truth, humor and hope that have the power to connect people and change lives.

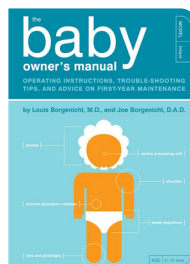

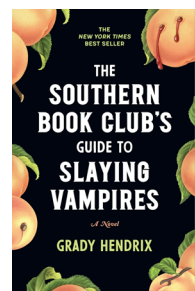

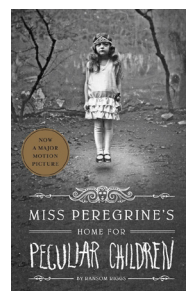

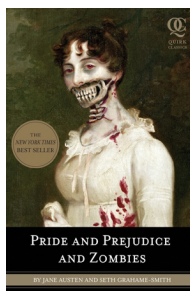

Quirk Books Is Now an Imprint of Andrews McMeel

We have some exciting news to share: Quirk Books is now part of the Andrews McMeel family as one of our newest imprints — and frankly, we're kind of giddy.

If you're not already familiar with Quirk, allow us to introduce you to one of publishing's most genuinely fun and original voices. Founded in 2002 in Philadelphia by Dave Borgenicht, Quirk has spent more than two decades doing exactly what its name promises: publishing books that are bold, playful, and just a little bit unexpected.

Quirk has a remarkable knack for the book you didn't know you needed until you saw it — the kind that makes you laugh and immediately want to hand it to someone else. Over the years, they've given us books that took on a life of their own: *Pride and Prejudice and Zombies*, the deeply beloved *Miss Peregrine's Home for Peculiar Children*, Grady Hendrix's genre-bending horror novels, and the wildly practical-meets-hilarious *Baby Owner's Manual*. Oh, and *The Worst-Case Scenario* series has sold over 10 million copies.

We've been fans for years. Now we get to say we're family.

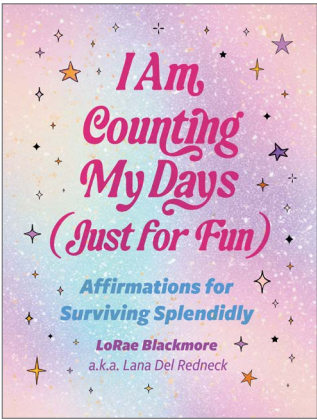

I Am Counting My Days (Just for Fun)

Affirmations for Surviving Splendidly

LORAE BLACKMORE A.K.A. LANA DEL REDNECK

This collection by LoRae Blackmore—otherwise known as social media darling Lana Del Redneck with more than 250K followers across platforms—is delightfully offbeat, genuinely funny, and actually useful. Plus, this beautifully designed gift book sparkles with glitter.

Man-thology

365 Alpha Maxims Quaranteed to Help You Know Everything, Feel Nothing, Get Jacked & Never Die

CHUD BUFFLY AS TOLD TO TOM ELLISON

A full year of elite wisdom from Alpha Master Chud Buffly, who has hunted and gathered 365 of his deepest, sweatiest secrets of manliness. Nutrition. Fitness. Finance. Females. Khakis (never). This razor-sharp satire skewers hustle-culture machismo with a straight face and a very firm handshake—and it is extremely, gloriously funny. Pick it up. Stop waiting. Start dominating.

The Worst-Case Scenario Pocket Guide: Bridesmaid

JOSHUA PIVEN, DAVID BORGENICHT, AND SARAH JORDAN

Something always goes sideways at a wedding and now there's a guide for it. This compact, laugh-out-loud survival manual covers everything a bridesmaid might face, from wardrobe malfunctions and venue disasters to emotional meltdowns and impossible timelines. Breezy enough to read in one sitting, useful enough to actually pack in your bag.

The Worst-Case Scenario Survival Handbook: Midlife

DAVID BORGENICHT, JOSH PIVEN, AND DON STEINBERG

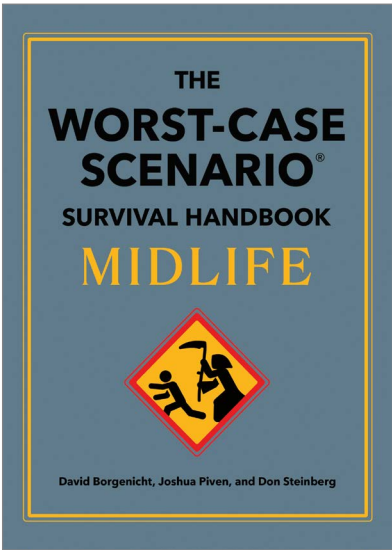

Career pivots, body surprises, kids leaving, parents aging, and the sudden awareness that you own a lot of cardigans. Midlife is a lot and this handbook tackles it head-on with the same humor and practical wisdom that made this series sell over 10 million copies.

HOW TO DETERMINE THE SEVERITY OF YOUR CRISIS

- Use this midlife Crisis-o-Meter.

Identify how far along you have progressed toward full-on midlife crisis by consulting this handy chart that correlates the expense, needlessness and desperation of your purchases and tastes with specific midlife stages.

	blue zone (early onset)	yellow zone (midlife advisory)	orange zone (midlife warning)	red zone (midlife crisis)
vehicle	John Deere riding lawn tractor	Harley-Davidson motorcycle	Mazda Miata	Tesla Cybertruck
apparel	leather jacket	skinny jeans	Rolex watch	gold chains
kitchen appliance	Instant Pot electric pressure cooker	KitchenAid stand mixer with attachments	Nespresso home espresso maker	Mugnani wood-fired pizza oven
favorite movie	Con Air	Blazing Saddles	Saving Private Ryan	Field of Dreams
amusements	internet-linked garage-door opening system	Fender Stratocaster	Titleist Scotty Cameron putter	Pappy Van Winkle Family Reserve 23yr bourbon
games	basement pool table	PlayStation 5 console	backyard batting cage	lap pool
body modification	teeth whitening procedure	tattoo of a butterfly or skull	tattoo of pro sports team mascot	implant surgery

Don't Go There

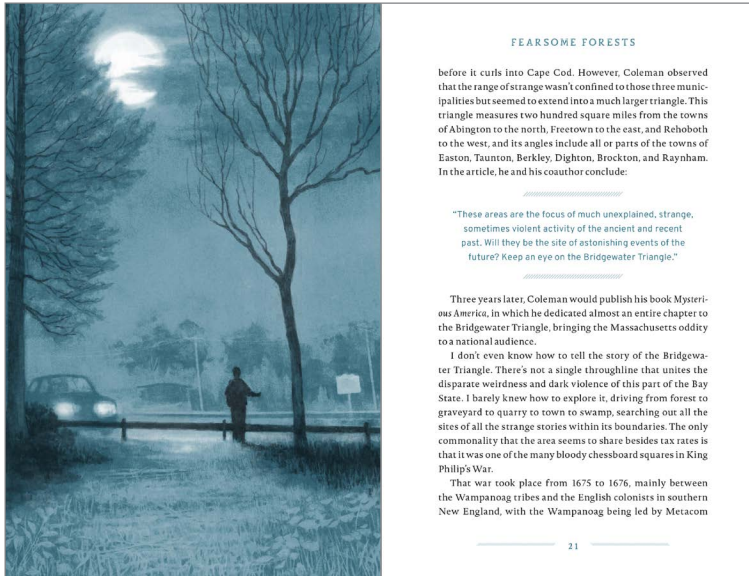

A Tour of the World's Most Sinister Spots

J. W. OCKER

Bermuda Triangle. Dyatlov Pass. Places where something happened that nobody can explain. J. W. Ocker is an exceptional guide to the world's most unsettling locations—part travel writer, part storyteller, entirely unafraid. If you've ever slowed down driving past a creepy old building, this book is for you. The book is beautifully packaged in a hardcover case with eye-catching foil on the cover. The interiors feature 2-color designed sidebars and 10+ full-page illustrations to complete this eerily gorgeous, highly giftable book.

Stuff Every Whiskey Lover Should Know

GABRIELLE NICOLE PHARMS

Everything you need to hold your own in any whiskey conversation—history, production, regional styles, tasting notes, and how to actually choose a bottle without feeling lost. No pretension, no gatekeeping. Just a genuinely useful little book that fits in a pocket and punches well above its size.

From Grain to Glass: A Whiskey Origin Story

Every spirit has a nuanced story that's rooted in place, tradition, and multifaceted transformation.

Before your favorite boozy liquid reaches your glass, it begins merely as a grain—often malted barley, corn, rye, or wheat. From its humble beginnings, it embarks on a meticulous journey through mashing and fermentation, distillation, and aging before it's finally bottled. The spirit's tale is essentially crafted by the distiller's choices and the character of its environment. The result is a complex spirit layered with history, science, and a touch of alchemy.

A lot goes into bringing whiskey to life—from the scrupulous selection of raw ingredients to the stills that shape a whiskey's soul and the oak barrels that deepen its flavor over time.

Whether you're new to whiskey or simply curious about what makes each sip so special, this infographic breaks its journey down step-by-step in a way that's easy to follow and even easier to appreciate.

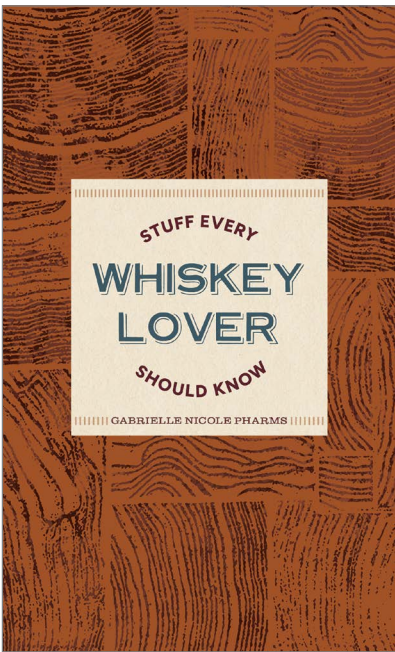

The infographic illustrates the six steps of whiskey production in a circular flow:

- Malting:** Represented by an illustration of grain stalks.
- Mashing:** Represented by an illustration of a mash tun.
- Fermentation:** Represented by an illustration of a fermentation vat.
- Distillation:** Represented by an illustration of a still.
- Maturation:** Represented by an illustration of an oak barrel.
- Bottling:** Represented by an illustration of a whiskey bottle.

Arrows connect the steps in a clockwise cycle, with a final arrow pointing from Bottling back to Malting.

The Murder Mystery Club Puzzle Book

A Front-Page Crime

DR. GARETH MOORE AND LAURA JAYNE AYRES

A proven performer in the puzzle and gift category, this latest installment from bestselling authors Dr. Gareth Moore and Laura Jayne Ayres taps into the enduring appetite for interactive mysteries. With a festive setting, this third in series is perfect for adult puzzle fans, cozy crime readers, and holiday shoppers seeking engaging, screen-free entertainment.

Chapter 1: All Is Calm

Noteworthy News

Winfred's distraction worked, and soon the whole group were animatedly solving puzzles together. The session was rounded off with a good old-fashioned cryptogram, which had been solved to reveal a list of items you might find in a bakery. It was all very cozy, and the five puzzlers left The Good Innings with a warm, fuzzy sense of satisfaction, as well as some inspiration for breakfast the next day.

In addition, Rosa was leaving with something else that she hadn't arrived with. Inside the pocket of her winter coat was a note that someone had slipped in while the group had been busy solving puzzles. Somewhat appropriately the note had been cryptically encoded, though it didn't take Rosa long to work out what its true message was.

Use your code-cracking skills to work out what the note spelled out. In this note, each letter has been substituted for another letter in some way.

Hint: If you get stuck, take a look at the brief sign-off at the bottom of the note and consider what it could mean.

The Calvin and Hobbes Portable Compendium Set 7

BILL WATTERSON

The final volume in the *Calvin and Hobbes Portable Compendium* series, collecting Bill Watterson's timeless *Calvin and Hobbes* comics in a new, more accessible format, brings the finale of one of the greatest comics of all time into the eager hands of the next generation of comic readers. Featuring the complete final year of strips alongside curated classic stories, poems, and full-color artwork, this collection of author-selected content is the ultimate definitive edition. Portable, brightly colored, and complete with a protective slipcase, these two books fit easily into backpacks or travel bags and will also look outstanding on a collector's shelf. When lined up together, the entire *Portable Compendium* series captures every color of the rainbow while Calvin and Hobbes themselves dance across the spines.

Beetle Moses

A Comics Menagerie

HARRIS FISHMAN

This breakout webcomic has quickly built momentum: an initial self-published 1K-copy zine sold out immediately, a first print run sold out almost as fast, and an engaged Instagram fandom rapidly grew from 200K to 470K in just six months. This debut collection combines a bold, neon art style with an ironic and ridiculous sense of humor and includes over 30 pages of new comics and artwork never seen online.
