THE FAR SIDE® 2027 OFF-THE-WALL CALENDAR

Do not adjust your set! We're winding up the wayback machine to proudly present *The Far Side® 2027 Off-The-Wall Calendar*, fresh from the time warp where it's still 1993. And the brilliantly bizarre work of Gary Larson still resonates just as weirdly, hilariously, and freshly as it did more than three decades ago! Featuring 52 weekend cartoons in full color—reminiscent of the Sunday comics in the newspaper—but with an extra burst of vibrancy! The vivid, beautifully painted renderings make the weekend cartoons pop like never before.

- **UNPARALLELED CARTOON PHENOMENON:** With over 41 million books and 80 million calendars sold (let's just round up to a bajillion), *The Far Side®* is unrivaled.
- **CONSISTENT BESTSELLER:** *The Far Side® Off-The-Wall Calendar* has been the world's bestselling calendar for twenty-three years, and *The Far Side® 2021, 2022, 2023, 2024, and 2025 Off-The-Wall Calendars* were the No. 1 bestselling calendars in the U.S. per Bookscan.
- **UNIVERSAL APPEAL:** Popularity of *The Far Side®* has surged again with the continued success of the book collections and calendar reissues, with older fans sharing the work of Gary Larson with their younger family and friends. Larson's genius is now being celebrated by a whole new generation and the renewed enthusiasm for *The Far Side® 2027 Off-The-Wall Calendar* confirms the brand's iconic status with fans of all ages.
- **PLASTIC-FREE DESIGN:** In keeping with *The Far Side®*'s long history of utilizing the most sustainable and eco-friendly materials possible on their products, *The Far Side® Off-The-Wall Calendar* features a sturdy chipboard easel instead of a plastic one, making the entire calendar 100% fully recyclable!

DID YOU KNOW?

Given that chilblains are caused by exposure to cold conditions, it may not surprise you to know that the first element of this word comes from the noun *chill*. The second element, *blain*, may be less familiar, though the word *blain* ("an inflammatory swelling or sore") is still used by English speakers. Both elements of *chilblain* have Anglo-Saxon roots. *Chill* comes from Old English *ciele* ("frost" or "chill"), which is akin to *ceald*, an Old English ancestor of the modern *cold*. *Blain* comes from Old English *blegen* (of the same meaning as *blain*). These two words were first brought together (as the compound *chyll blayne*) in the 1500s.

- William Shakespeare's works remain among the most studied and frequently performed in literary history. According to the Royal Shakespeare Company, Shakespeare's plays are performed in over 100 countries every year, and it's estimated that half the world's schoolchildren study his work as part of their education.
- Adapted from the insightful collection by famed scholar and poet Allie Esiri, this daily calendar invites readers to revel in the masterful wordplay of William Shakespeare.
