The Winter Witch

A Novel

Jennifer Chevalier

BOOK DESCRIPTION

Two sisters set sail on a bride ship from Normandy hoping to leave a curse behind them and find better lives in the wilds of 17th-century Quebec, only to meet a mysterious witch who forces them to confront the truth about magic—and their past. For fans of Emilia Hart, Sarah Penner, Alix E. Harrow, Ami McKay, and Roberta Rich.

Élisabeth Jossard boards a bride ship to New France with her sister Marthe, forced to start a new life after a scandal in her village in Normandy. She's harbouring a dark secret and hopes that by coming to Montreal—the holiest place in the world, she's been told—the saints will hear her pleas and lift the curse that plagues her.

When Élisabeth's prayers go unanswered and she is unable to banish the spirit she believes is tormenting her, Marthe encourages her to turn to a powerful witch for help, the enigmatic stowaway Jeanne Roy. But Jeanne has secrets of her own, and when she refuses to help, Élisabeth's resentment kindles a dangerous fire.

Inspired by the tales of Canada's Filles du Roi, *The Winter Witch* examines how lies, arrogance, and ignorance can lead to witch hunts in any society.

AUTHOR BIO

Jennifer Chevalier worked for several years at the BBC in London before moving home to Ottawa where she is currently the showrunner for CBC Radio's long-running weekly political affairs program, *The House*. The journalism and documentaries she's led have won a Gracie, several RTDNAs, and a CAJ Award for investigative journalism. She lives in Ottawa with her husband and two children.

The Cabin

Jørn Lier Horst

BOOK DESCRIPTION

Fans of Jo Nesbø and Stieg Larsson will be captivated by this thrilling and atmospheric second novel in the Cold Case Quartet, from award-winning Nordic crime writer Jørn Lier Horst.

Fifteen years ago, Simon Meier walked out of his house and was never seen again.

With no leads, the case quickly ran cold. Until now.

Because one day ago, politician Bernard Clausen died. And in his cabin on the Norwegian coast, police make a shocking discovery.

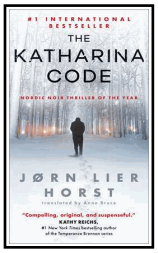

Boxes of bank notes, worth millions of dollars. Collecting dust.

Chief Inspector William Wisting thinks it could link to Meier's disappearance.

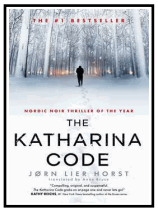

But solving both cases will mean working with an old adversary, and delving into a dark underworld—which leads closer to home than he could have imagined…

AUTHOR BIO

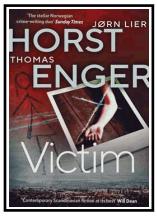

Jørn Lier Horst worked as a police officer and head of investigations before becoming a full-time writer, establishing himself as one of the most successful authors to come out of Scandinavia. He writes engaging and intelligent crime novels that offer an uncommonly detailed and realistic insight into the way serious crimes are investigated, as well as how both police and press work. His books have sold over two million copies in his native Norway alone and he's published in twenty-six languages. His literary awards include the Norwegian Booksellers' Prize, the Riverton Prize (Golden Revolver), the Scandinavian Glass Key, and the prestigious Martin Beck Award.

See You at the Summit

A Novel

Jordyn Taylor

BOOK DESCRIPTION

“The bi romance of your dreams is finally here!”
—*Cosmopolitan*

“There are so many queer readers who need this story and *See You at the Summit* delivers with heart and heat.”
—Alison Cochrun

A heartfelt and sexy romance novel following one bi woman’s messy journey through coming out—and reluctantly falling for a straight man. From the *USA TODAY* bestselling author of *Wicked Darlings*.

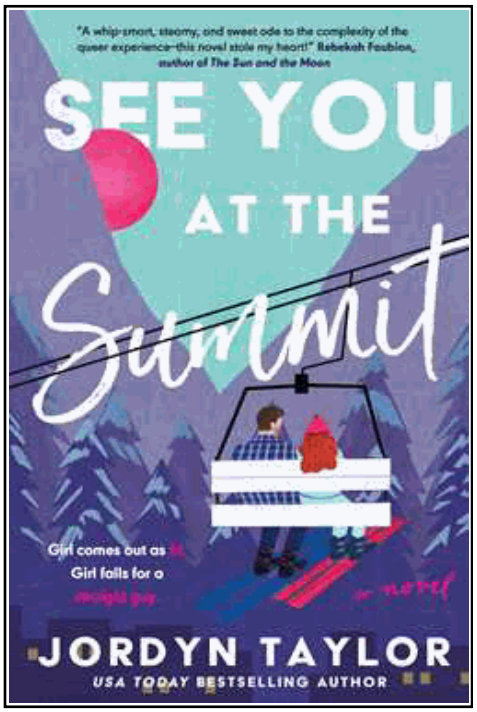

Girl comes out as bi. Girl falls for a straight guy.

Simone Whittaker has spent the first three decades of her life pretending to be straight. But when the girl she never dared call her girlfriend walks away, she decides she’s done living in fear. Her uptight parents don’t take the news well, but a viral coming-out post and a new job at Toronto’s Rainbow Museum offer a fresh start—and a crash course in queer adulthood.

That is, until her first day of work, when Simone ruins a project designed by Ryan Foley—the museum’s gruff and annoyingly hot carpenter—earning her the top spot on his enemies list. When they’re forced to take a work trip to the Whistler Pride and Ski Festival together, Simone vows not to let a grumpy straight guy ruin her first Pride. But Ryan keeps surprising her—thoughtful, vulnerable, and impossible to ignore. As sparks fly on chairlifts and by crackling fires, one snowstorm—and one bed—changes everything.

Back in Toronto, however, reality sets in. Dating a guy—and being mistaken for straight—weren’t exactly part of Simone’s coming-out plan. As the pressure builds between the identity she’s just beginning to explore and the relationship that wasn’t supposed to happen, she starts to wonder: What if claiming one part of herself means erasing the other?

She is a former executive editor at *Men's Health* and an adjunct professor of journalism at New York University's Arthur L. Carter Journalism Institute. Jordyn was born and raised in Toronto, Canada, and now lives in New York. *See You at the Summit* is her adult debut.

Is This a Cry for Help?

A Novel

Emily Austin

BOOK DESCRIPTION

Emily Austin, the bestselling "queen of darkly quirky, endearingly flawed heroines" (Sarah Haywood, author of *The Cactus*), returns with a luminous new novel following a librarian who comes back to work after a mental breakdown only to confront book-banning crusaders in an empowering story of grief, love, and the power of libraries.

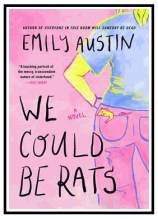

Darcy's life turned out better than she could have ever imagined. She is a librarian at the local branch, while her wife Joy runs a book binding service. Between the two of them, there is no more room on their shelves with their ample book collections, various knickknacks and bobbles, and dried bouquets. Rounding out their ideal life is two cats and a sun-soaked house by the lake.

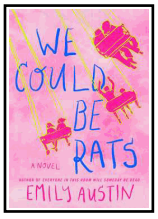

But when Darcy receives the news that her ex-boyfriend, Ben, has passed away, she spirals into a pit of guilt and regret, resulting in a mental breakdown and medical leave from the library. When she returns to work, she is met by unrest in her community and protests surrounding intellectual freedom, resulting in a call for book bans and a second look at the branch's upcoming DEI programs.

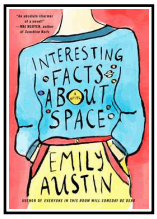

Through the support of her community, colleagues, and the personal growth that results from examining her previous relationships, Darcy comes into her own agency and the truest version of herself. *Is This a Cry for Help?* not only offers a moving portrait of queer life after coming of age but also powerfully explores questions about sexuality, community, and the importance of libraries.

AUTHOR BIO

Emily Austin is the author of *We Could Be Rats*, *Everyone in This Room Will Someday Be Dead*, *Interesting Facts About Space*, and the poetry collection *Gay Girl Prayers*. She was born in Ontario, Canada, and received two writing grants from the Canadian Council for the Arts. She studied English literature and library science at Western University. She currently lives in Ottawa, in the territory of the Anishinaabe Algonquin Nation.

The Bloody Brick Road

A Wizard of Oz Retelling

Maude Royer

BOOK DESCRIPTION

In this wildly creative, horror-soaked reimagining of L. Frank Baum's *The Wonderful Wizard of Oz*, nothing is as it seems in Dorothy's dystopian nightmare. Fans of *Tender Is the Flesh* and *Maeve Fly* will want to follow her twisted journey down the yellow-brick road.

When nineteen-year-old Dorothy Noroît finds out she is pregnant, the road ahead seems bathed in golden light. She has a hard-working boyfriend, a beautiful home, and a job where she works with her best friend. But on October 2nd, 1994, everything changes.

Fast forward twenty-four years.

The city of Montreal is plagued by extremist group, The Winged Monkeys. The gruesome murder of a young man has just made headlines. Just when Lieutenant Henri Duhaime and his partner Detective Emilianne Saint-Gelais begin to wrap their heads around this heinous act of violence, another young man is found brutally murdered. And then another. As the body count rises, they race against the clock to track down the killer.

This unhinged retelling of the beloved classic, filled with a twisted cast of your favorite characters, brings together horror and revenge in a blood-soaked, funhouse mirror reflection of the timeless tale—and with endless Easter eggs for readers to discover. Translated to English for the first time from the original French, *The Bloody Brick Road* will transport you to a dark new world.

AUTHOR BIO

Maude Royer was born in 1977, in Québec City, Canada, where she studied graphic design. After spending two years in France, she came back to live in Québec City. It was in first grade, reading her first novel, that she discovered what she wanted to do with her life: write stories. Author of three fantasy series for teenagers, she also wrote for children before moving into horror literature for adults.

If Only You Knew

A Novel

Ellie K. Wilde

BOOK DESCRIPTION

In the highly anticipated final installment of the Oakwood Bay series—"packed with sizzling tension, heat, and sweet, swoon-worthy moments" (Peyton Corinne, *USA TODAY* bestselling author)—childhood best friends Parker and Summer agree to matchmake each other, to disastrous results, all while fighting the fact that they've been each other's soulmate all along.

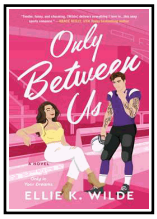

Summer Prescott and Parker Woods have been best friends since they were three years old. Now thirty, neither of them feels like they have a good handle on adulthood. While their friends are coupled up and thriving, they're struggling through career crises and disastrous dates, and frequenting the same old bars and surf spots they've been going to for years—until, on a whim, Summer decides to hand over her love life to Parker. After all, who better to help find her soulmate than the person who knows her best?

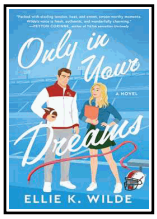

But when the date Parker introduces her to goes from husband material to dead end in one publicly humiliating swoop, Summer is so devastated that she breaks up with both men. And she decides to embrace a fresh start away from home by entering a surf competition that'll have her chasing waves around the world.

Parker soon realizes the troubling truth—he's spent nearly thirty years by Summer's side and has only just realized that he's in love with her. Now he's on a mission to win back not just her trust but her heart, before she slips away for good.

AUTHOR BIO

Ellie K. Wilde dreams up love stories with a lot of heart and the kind of spice that makes your knees shake. Wild People Quiet

A Novel

Tara Gereaux

BOOK DESCRIPTION

A taut, exquisitely rendered story exploring the repercussions of a woman's decision to hide her Métis identity while living in a small, predominantly white prairie town in the 1940s, for readers of *The Berry Pickers*, Tommy Orange, and *The Vanishing Half*.

Torduvalle, Saskatchewan, 1946.

Florence has created a beautiful life for herself. Her home is immaculate; she is a model employee at Pratt's Insurance, where she works as a secretary. Her hair is the perfect shade of movie-star blonde—never once does she allow her brown roots to show. She dyes them every other Saturday night, without fail.

But one morning, everything changes.

Florence notices a new group of men at the local diner, Métis workers from out of town, hired on for the season at a nearby farm. And one of them has a connection to the past that Florence has spent her entire life outrunning. He has one simple request for her.

Suddenly, Florence is thrown back into memories of her life before. Suddenly, the line between who she once was and who she has chosen to be feels very thin.

And when Florence learns of the government's plans for the Métis community on the fringes of town, she will be faced with a choice—one that will shatter her carefully constructed life forever.

This extraordinary novel asks us what we will do for our community, for our families, for our friends, even at our own expense. It examines the harrowing effects of choosing to live as someone else—and the radiant peace that comes from finally living one's truth. Gripping, wrenching, and utterly immersive, *Wild People Quiet* is a stunning achievement by a remarkable literary talent.

Tara Gereaux is the author of *Saltus*, which was shortlisted for the 2022 ReLit Novel Award and three Saskatchewan Book Awards; and *Size of a Fist*, a teen novella, which was also shortlisted for two Saskatchewan Book Awards. Tara holds an MFA in creative writing from UBC and has worked as a writer and story editor for film and television. She is a citizen of the Métis Nation-Saskatchewan and lives in Regina on Treaty 4 territory and the homeland of the Métis.

The Antique Hunter's Murder at the Castle

A Novel

C.L. Miller

BOOK DESCRIPTION

The third installment in the nationally bestselling The Antique Hunter's Guide to Murder series finds antique hunter Freya Lockwood, Aunt Carole, and friends heading to a castle in the Scottish Highlands on the trail of forged and stolen antiques.

Freya Lockwood and her Aunt Carole, a.k.a. The Lockwood Antique Hunter's agency, are back.

Hot on the heels of stolen art, Freya and Carole are not expecting one of their leads to come to a dead end. Literally. But when a team member goes missing, having followed a clue to an isolated castle deep in the Scottish countryside, the agency quickly races to Scotland to uncover what has happened to her.

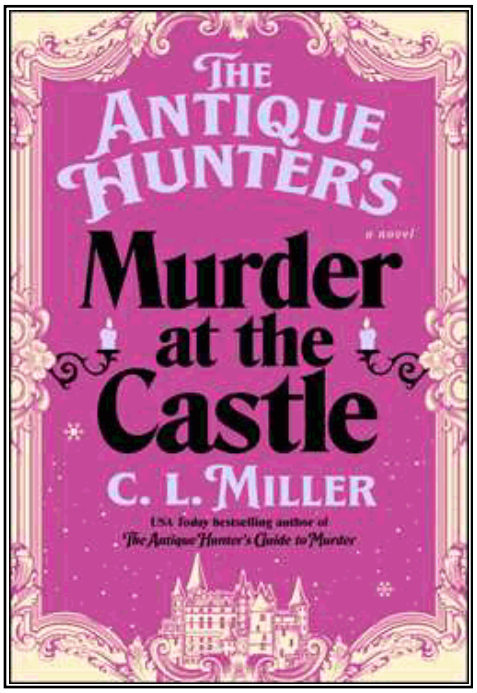

Bella might have gone rogue, but Freya and Aunt Carole would never allow one of their team to come to harm.

Following Bella to her last known location, Freya and Carole arrive in the wintry landscape of rolling Scottish hills, frozen lochs and snow tipped castles. There they discover a missing collection of Scottish Silverware which belonged to murdered Laird…and the police believe Bella was at the scene of the crime. It's clear something terrible has happened, but where is Bella now and is she safe?

As the snow falls fast, Freya and Carole call in back-up to help uncover what happened that fateful night. As each question is met with more mystery, the clock is ticking to find their friend, the missing antiques, and the murderer before they're cut off from the outside world and trapped with the architect of this fiendish plot.

AUTHOR BIO

C. L. Miller is the internationally bestselling author of the Antique Hunter Series. She started working life as an editorial assistant for her mother, Judith Miller, on *The Miller's Antique Price Guide* and other antiquing guides. Secrets of the Starlit Sea

Santa Montefiore

BOOK DESCRIPTION

The spellbinding and stunning second installment in the time-travel romance series by the #1 bestselling author of *Shadows in the Moonlight*, shortlisted for the Historical Romantic Novel of the Year Award, takes Pixie Tate on a gilded-age collision course with history.

The moment Pixie Tate steps inside the opulent Aldershoff Hotel in Manhattan, one of the last relics of New York's Gilded Age, she senses instantly that its elegant walls hide a dark secret.

Pixie knows that she must use her unique gift to travel back in time to discover the mysteries of the past, and as she slips back over a hundred years, she's shocked to find herself in the midst of one of the most famous events in history.

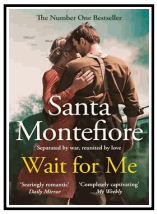

As the stars twinkle overhead, Pixie realises that time is running out. But when she comes face-to-face with a man she thought she'd lost forever, will she keep her promise to save only the souls she should—or is it too late, and has she already changed the future?

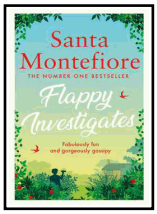

Secrets of the Starlit Sea is an epic and stunningly romantic time-travel mystery, and the second book in Santa Montefiore's sensational new series.

AUTHOR BIO

Santa Montefiore is the number one bestselling author of more than thirty novels and has sold over eight million copies worldwide. Her books have been translated into twenty-five languages, and she won a Romantic Novelists' Association Award for *The Temptation of Gracie* in 2019, which is currently in development for film. Born in England in 1970, she grew up in Hampshire and now lives in London with her husband, writer Simon Sebag Montefiore, their daughter Lilochka, son Sasha, and dog Simba. *Shadows in the Moonlight* is the first novel of a planned trilogy following the character Pixie Tate. Mother is Watching

A Novel

Karma Brown

BOOK DESCRIPTION

The chilling horror debut from #1 international bestselling author Karma Brown, about sacrificing everything to one's art.

Mathilde "Tilly" Crewson, a thirty-nine-year-old mother and art conservator, is tasked with restoring *The Mother*. The painting, believed to be the work of a female surgeon-turned-artist after a personal tragedy, is the rumored fourth piece in a collection of only three known works. But this newly discovered painting, scarred by fire, holds more than meets the eye.

Soon after receiving the painting, Tilly discovers she's unexpectedly pregnant, and strange, inexplicable occurrences begin: terrifying insect swarms, eerie visits from her long-deceased mother, and sinister whispers that invade her mind. As these malevolent forces intensify, Tilly comes to a harrowing realization that the only way to sever the perilous bond she shares with the painting is to destroy it. But *The Mother* has plans of her own—and they're darker than Tilly could ever imagine. As Tilly's obsession with the mysterious painting spirals into a nightmarish descent, the line between reality and the supernatural shatters, threatening both her sanity and her life.

AUTHOR BIO

Karma Brown is the author of ten novels, including *Mother is Watching*, the #1 international bestseller *Recipe for a Perfect Wife*, *What Wild Women Do, Come Away with Me* (a *Globe & Mail* Best Book of 2015), *Globe and Mail* and *Toronto Star* bestsellers *The Choices We Make* and *In This Moment*, and *The Life Lucy Knew*. She is also the author of the bestseller *The 4% Fix: How One Hour Can Change Your Life*. An award-winning journalist, Karma has been published in *SELF*, *Redbook*, and *Chatelaine*, among other outlets. She lives just outside Toronto with her husband, teenage daughter, and a Labradoodle named Fred.

Honeysuckle

A Novel

Bar Fridman-Tell

BOOK DESCRIPTION

In a lush, quiet field, a girl made of flowers opens her eyes and meets Rory, a boy who is desperate to have a friend. Magic and horror collide in this stunning debut that explores power, consent, loneliness, and what makes a person.

She was made for him.

Daye was woven together from flowers and magic to be the perfect playmate for Rory, a young boy left isolated in a remote country estate. In the early years, their friendship, almost eerily in sync, is everything the two lonely children could dream of.

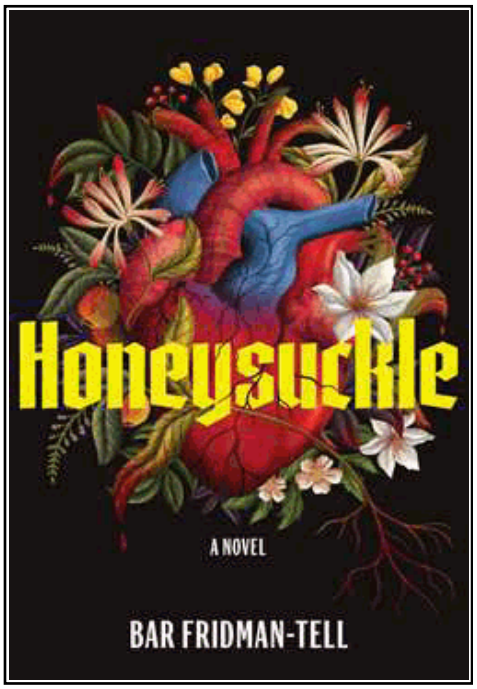

But the threat of Daye literally—and gruesomely—falling apart whenever the seasons change drives Rory to learn ever deeper and stranger magic, until the line between what he can do and what he should do begins to blur. And the further Rory experiments, the higher the stakes climb—until the cost of a mistake might be either Daye's freedom or her life.

Daye can't help but love Rory, even as he keeps disappearing: into his studies, into the city—a place she, a girl whose heart is built of petals and berries, could never enter without falling apart. But as her choices narrow with each new experiment, Daye begins to wonder at what point the price for loving Rory might be too high.

Loosely based on Welsh mythology, *Honeysuckle* is a heartbreaking fable of longing and need—for love, for control, and for freedom—and a psychological fairy tale perfect for readers of Eowyn Ivey and V. E. Schwab. Part *Wuthering Heights,* part *Frankenstein*, it is its own fantastically twisted tale from a singular new talent in Bar Fridman-Tell.

AUTHOR BIO

Bar Fridman-Tell has a BA in art history and an MA in English literature. (She gleefully wrote her thesis about Victorian vampires.) She has worked as a bartender, a bookseller, a translator, and a library assistant. She is currently studying for a master's in library and information sciences, hoping to stay in a library for good. She lives in Toronto with her professor husband and two very fluffy cats. *Honeysuckle* is her debut novel.

The Chambermaid's Key

A Novel

Genevieve Graham

BOOK DESCRIPTION

From #1 bestselling author Genevieve Graham, "the reigning queen of Canadian historical fiction" (Kristen Harmel, #1 *New York Times* bestselling author) comes a dazzling novel set at an elegant hotel in Toronto in 1929 about a young chambermaid, a handsome waiter, and a murder that will reverberate for a century.

Welcome to the Dominion, where secrets lurk behind every locked door.

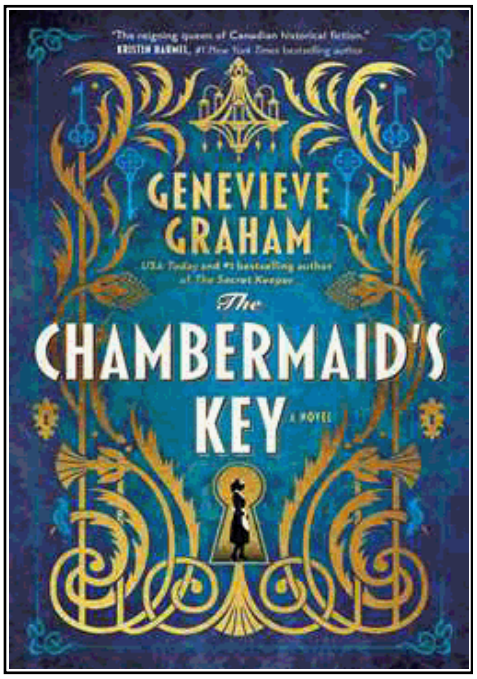

1929: Rosie Ryan wants nothing more than to escape the poverty of The Ward, Toronto's roughest neighbourhood, and become a chambermaid at the brand-new Dominion Hotel. Until she meets Damien, that is—a charming and ambitious waiter who promises her a better life—and adds him to the top of her list. The Dominion offers her a chance to do well, but behind the gleaming chandeliers and polished marble lurk dangerous secrets involving its most notorious guest, a wealthy gangster who's about to profit from The Crash that will decimate the economy. When a friend is murdered, Rosie finds herself tangled in a web of betrayal—one that just might cost her everything.

Present Day: City building Inspector Bridget Kelly is assigned to scrutinize the recent renovations at the elegant old Dominion Hotel, a task she relishes as a lover of history and architecture, and that gets even better once she starts working with a brilliant and fascinating archivist. But when a routine inspection uncovers mysterious boxes, locked doors, and secret corridors, bringing to light a long-buried clue to a decades-old murder, her inspection is thwarted, and threats rise round her on every side. Bridget soon realizes someone doesn't want the truth to surface—and they'll do anything to keep it buried.

Spanning nearly a century, *The Chambermaid's Key* is a gripping dual-timeline novel about ambition, betrayal, and the secrets that bind us across generations.

AUTHOR BIO

Genevieve Graham is the *USA TODAY* and #1 bestselling author of thirteen novels, including *On Isabella Street*, *The Secret Keeper*, *The Forgotten Home Child*, *Letters Across the Sea*, and *Bluebird*. She is passionate about breathing life back into history through tales of love and adventure. She lives in Alberta. Visit her at GenevieveGraham.com or on X and Instagram @GenGrahamAuthor.

A Novel

Kate Hilton

BOOK DESCRIPTION

For fans of *The Lost Apothecary,* a gripping dual-timeline novel about the mysterious death of an indomitable female papyrologist during an archaeological dig in the early 1900s and an aspiring young female researcher's present-day quest to find out who killed her.

An ill-fated dig. An ancient city believed to be cursed. And a century-old mystery at the heart of it all.

Egypt, 1903: When renowned papyrologist Helen Gardiner arrives at an excavation site in the ancient city of Calliopolis, she learns that she has been given the job because her predecessor has disappeared under mysterious circumstances. One of the only women on the dig, Helen—tasked with restoring and cataloguing the thousands of papyrus fragments recovered at the site—soon discovers that there's more to Calliopolis than meets the eye. The archaeologists on the dig, mostly men, all have not only their own towering egos, but their own agendas, including secrets they might kill to protect.

Toronto, 2019: Archivist Maddie Sloan is at a dead end: she feels like her academic career is stalled, and she's still healing from her recent breakup with her former partner, Ben. To make matters worse, Ben still works with Maddie's father, a famous archaeologist, and with whom Maddie has had a major falling out. It feels like her father has chosen Ben over her.

When famous TV archaeologist Peter Bahar arrives at the Toronto Archaeological Museum to verify the provenance of objects from their Egyptian collection believed to be from Calliopolis, Maddie jumps at the opportunity. After all, she has her own ties to the Cursed City of Calliopolis through her grandmother, Iris, who worked at the site. As Maddie and Peter begin digging into the objects and circumstances surrounding the excavation, they learn that two papyrologists seem to have abruptly disappeared from the dig without explanation. Suddenly, a search for provenance becomes a quest to uncover a history shrouded in secrets and lies—and a murder that has been covered up for more than a century.

Kate Hilton is the bestselling author of three novels: *The Hole in the Middle*, *Just like Family*, and *Better Luck Next Time*. She is also the coauthor, with Elizabeth Renzetti, of the Quill & Packet mystery series. When not writing, Kate maintains an active psychotherapy practice, working with individuals and couples. She has a particular interest in personal reinvention and life transitions. Kate has had prior careers in law, university administration, and major gift fundraising. She lives in Toronto with her family.

Cleo Dang Would Rather Be Dead

A Novel

Mai Nguyen

BOOK DESCRIPTION

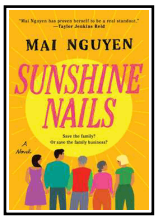

A darkly humorous yet uplifting novel about a grieving mother who starts working at a funeral home and discovers that the best way to honor the dead is to live—from the author of the "insightful, moving" (Taylor Jenkins Reid, *New York Times* bestselling author) *Sunshine Nails*.

All Cleo Dang has ever wanted was to be a mother. The day she discovers she's pregnant is the happiest of her life, especially when she learns that her best friend, Paloma, is also expecting. It's a wonderful surprise and together, they enjoy their pregnancies. But when they both go to the hospital in labor, something goes very, very wrong. Paloma comes home with a baby. Cleo does not.

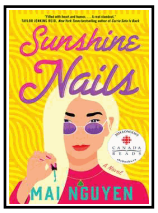

Now a grieving Cleo must navigate life after losing her baby. She alienates herself from the world, especially her best friend who is living the life she so desperately wanted. Forced to quit her demanding job as an actuary, Cleo manages to find a job at a funeral home where she meets a revolving door of bereaved locals and discovers the power of confronting grief.

AUTHOR BIO

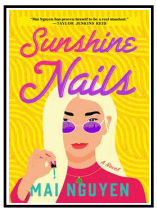

Mai Nguyen is a Vietnamese Canadian author whose debut novel, *Sunshine Nails*, was longlisted for Canada Reads and named one of the best books of 2023 by NPR and CBC. Her journalism has appeared in *Wired*, *The Washington Post*, and *The Toronto Star*. Raised in Halifax, she now lives in Toronto with her husband, daughter, and French bulldog.

Loves of Our Lives

Poems for Hopeful Hearts

Josie Balka

BOOK DESCRIPTION

Instant National Bestseller

From TikTok star and author of *I Hope You Remember*—which John Stamos called a "gift to the world"—Josie Balka comes this evocative collection of over eighty poems about the different types of love.

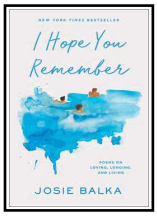

From the coziness of lifelong friendship to the aching intensity of lost love, *Loves of Our Lives* is a poetic journey through the heartfelt relationships that make us human.

In her highly anticipated second collection, social media sensation Josie Balka masterfully puts words to the indescribable, weaving her signature blend of raw emotion and vivid imagery into poems that speak straight to the soul.

Featuring eighty poems, some already beloved by her followers and others exclusive to this collection, *Loves of Our Lives* explores six types of love—familial, toxic, romantic, friendship, self-love, and lost love—and invites reflection, offering solace and celebration in equal measure in this love letter to love itself.

AUTHOR BIO

Josie Balka is a voiceover artist and poet. She holds a diploma in radio, television, and film from Niagara College and has worked for some of the largest media companies in North America as an on-air personality. She can often be caught recording viral poetry in her sound-proof closet. She was born and raised in Toronto and currently lives in Calgary, Canada. She is the *New York Times* bestselling author of *I Hope You Remember*. Follow her on Instagram @JosieBalka.

Focus On-Off

Fuel Your Attention, Get More Done

Mark Tigchelaar and Oscar de Bos

BOOK DESCRIPTION

The international publishing phenomenon that teaches you how to be more productive and recharge your brain in a world that seems designed to distract you at every turn.

The ongoing battle for our attention is one of the biggest challenges we face.

Overflowing inboxes, colleagues at your desk with endless questions, and most importantly, a digital world that is dominating your life with an infinite supply of stimuli designed to suck you in. How can you achieve your goals amid such chaos without losing yourself to distraction?

In the international bestseller *Focus On-Off*, focus experts Mark Tigchelaar and Oscar de Bos show how attention works on a neurological level, describing the four ‘‘concentration leaks’’ that disrupt focus and offering accessible tips, tricks, and life hacks to help plug them, including:

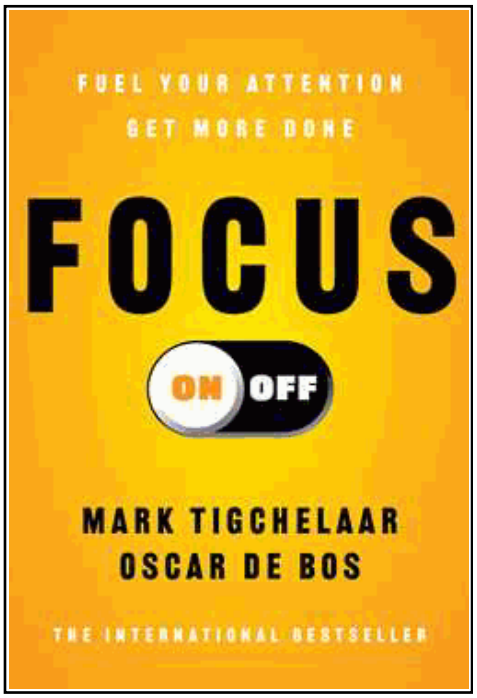

·the surprising benefits of fidgeting
·multi-tasking and task-switching to your advantage
·how and why to reduce your screen time
·a guide for getting to inbox zero
·the important difference between targeted and loose attention, and how to switch between them
·and much more!

Packed with insights and practical advice, *Focus On-Off* gives you the tools to master your focus, resist burnout, and get more done.

AUTHOR BIO

Mark Tigchelaar studied psychology and specialized in improving performance and optimizing the use of the brain. He coaches entrepreneurs and athletes to improve their achievements.

Oscar de Bos heads the training company Focus Academy, where he delves into the science of productivity, focus, and develops various focus tools, from training courses to apps, videos, and podcasts. The authors live in Amsterdam, Netherlands, where Focus Academy is based.

Something to Hold Onto

Simple Metaphors, Images, and Practical Tools to Transform Your Life

Kate Robson

BOOK DESCRIPTION

Written with expertise and empathy, *Something to Hold Onto* is the book to pick up whenever life feels overwhelming, offering warm guidance and practical skills to better your mental and emotional health.

With an introduction by Oscar-winning screenwriter, director, actor, and bestselling author Sarah Polley

Imagine opening a trunk full of family heirlooms and trinkets.
Imagine you're given an old-school tape recorder that lets you hit pause on life.
Imagine stocking a medicine cabinet with your go-to coping mechanisms.

Collecting the most effective and inspiring exercises from her years working as a psychotherapist and NICU family support specialist, Kate Robson invites our imaginations to play with simple metaphors, out-of-the-box images, and engaging prompts to reframe our thinking. Kate's expert advice shows us what it can look like to be curious, attentive, and intentional in our lives, equipping us with new creative strategies for navigating discomfort and adversity. Through the accessible, bite-sized entries, we're able to better recognize the weight we carry through life and the stories and language that restrict our sight lines. Perhaps most importantly, Kate draws out the why behind our actions, bringing foundational values and beliefs up to the surface for us to identify and reevaluate—so we can decide what to let go of and what to hold on to.

In this empowering collection, Kate shows us how listening to our inner voice and small acts of self-care can help us fortify our minds, explore new possibilities, and cultivate a truly fulfilling life.

Kate Robson is a registered psychotherapist in Toronto, Ontario. Inspired by her own experiences with her children in a neonatal intensive care unit, she worked with babies, parents, and families for more than twelve years as a NICU family support specialist. She's travelled all over the world educating parents and clinicians about family-centred care and trauma informed care practices. Her workshops focus on cultivating attachment in relationships and creating emotion-friendly homes and workplaces. In her private practice she supports individuals and couples experiencing infertility, high risk pregnancies, NICU hospitalizations, and bereavement. She manages Canada's largest support community for NICU families and runs a weekly support group for parents and caregivers. She has degrees from McGill University and OISE/UT, completed her psychotherapy training at the Toronto Institute for Relational Psychotherapy, and has also studied modalities such as ACT, the Internal Family Systems Model, EMDR, PACT, and Somatic Embodiment.

The Brain Never Sleeps

Why We Dream and What It Means for Our Health

Karen Van Kampen

BOOK DESCRIPTION

We all dream, but do we know *why* we dream? Discover what goes on behind our eyelids and what it means for our health.

Do you have common recurring dreams of missing an exam, even though it has been years since you were in college? Do certain people keep showing up in your dreams? How can you stop your dreaming brain from fixating on the same preoccupations and concerns? We spend every night of our lives dreaming, yet we remain unaware of the power and possibilities of accessing the inner sanctum of our minds.

In *The Brain Never Sleeps*, Karen van Kampen guides us on a journey through dreamland, sharing how we can reclaim this other realm of thought and experience to improve our well-being. Our dreams are as real to us as our waking experiences. They have the power to influence what we think, feel and do. With our dreaming brain operating in a different mode, disconnected from the demands and distractions of daily life, we brainstorm new ideas, face our fears and uncover insights into ourselves. Van Kampen, whose father opened one of the first independent sleep laboratories in North America, acts as a unique and informed guide, combining first-person narrative with highly accessible science journalism.

Van Kampen investigates neuroscience and psychology to reveal the connection between our waking and dreaming lives while also exploring what happens when people get stuck in between—the mixed brain state of parasomnias including sleepwalking and night terrors. Through the fascinating stories of dream scientists, we learn how dreams boost learning, spark creativity and process emotions. Van Kampen conducts her own dream experiments with expert researchers as her guides. *The Brain Never Sleeps* propels us into the next frontier of dream engineering where we can guide our dreams with the hope of improving our well-being. Her toolkit at the end of the book offers simple ways to use dreams to improve our waking and dreaming lives.

The Brain Never Sleeps is a personal and enlightening journey that will change how we understand and value our nocturnal wanderings.

Karen van Kampen is an author and award-winning journalist who specializes in health and science. Her fascination with dreams began at the age of nine when she became her father's first sleep lab "assistant," helping him practice electrode hook-up and testing. She is the author of *The Golden Cell: The Quest for the Next Great Medical Breakthrough*, and her writing has appeared in many publications including *The Globe and Mail*, *National Post*, *Calgary Herald*, and *Reader's Digest*. She enjoys teaching creative nonfiction writing at the University of Toronto.

A Montreal Cook

Recipes and Reflections from My Kitchen

Lesley Chesterman

BOOK DESCRIPTION

Taste Canada gold medal award winner Lesley Chesterman shares more than 90 stunning recipes to reveal the best of Montreal, one of North America's most vibrant, diverse, and delicious food cities.

Take a culinary journey through Montreal with award-winning chef, author, and food critic Lesley Chesterman.

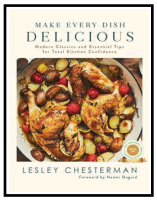

Start your day with irresistible breakfast and brunch options like Bostok, a French bakery classic where almond croissants meet French Toast. Tour the city's vibrant market culture and follow Chesterman through traditions like apéro hour and après-ski. You'll discover the ins and outs of entertaining Montreal-style, with multicultural offerings that reflect the city's vibrant spirit and classic Quebecois dishes that are both accessible and irresistible.

Through luscious photos, witty notes, and over 90 soulful and easy-to-follow recipes, Chesterman explores Montreal's unique influence on her life as one of Quebec's most beloved chefs and restaurant critics, all with the spirit of a friend chatting across the kitchen table.

With an added list of her own personal city favorites—from bistros and wine bars to bakeries and cheesemongers—*A Montreal Chef* is both deeply personal and warmly welcoming, transporting readers and home cooks directly to the unique city of Montreal and its unforgettable cuisine.

AUTHOR BIO

Lesley Chesterman is a Montreal-based pastry chef and food writer. Her two most recent cookbooks, *Make Every Dish Delicious* and *Un Week-End Chez Lesley*, were awarded the 2023 Gold Medals in Taste Canada's General Cookbook division, in the English and French categories. She was a food columnist and restaurant critic for *The Montreal Gazette* from 1999 to 2019, and her work has appeared in *Gourmet Magazine*, *The Art of Eating*, *Eater*, and other food media.

When the Game Changes

Losing My Mum and Finding Myself

Evanka Osmak with Kristina Rutherford

BOOK DESCRIPTION

An engaging and deeply moving memoir from renowned Sportsnet anchor Evanka Osmak about finding a women's hockey community just as she was losing her beloved mother to ALS.

When fan-favourite Sportsnet TV anchor Evanka Osmak was forty-one years old, she became a hockey player for the first time.

She had her dream job, a solid group of female friends, and a beautiful family; still, she realized she needed something outside of work that was just for her, particularly in the wake of a pandemic that caused all our worlds to shrink. That's when she found Sister Sports, a local hockey league just for women. Evanka was used to reporting on hockey, so she knew the game inside and out—from the broadcast studio. But she'd never played before. And she wouldn't realize until later how much this league would come to mean to her.

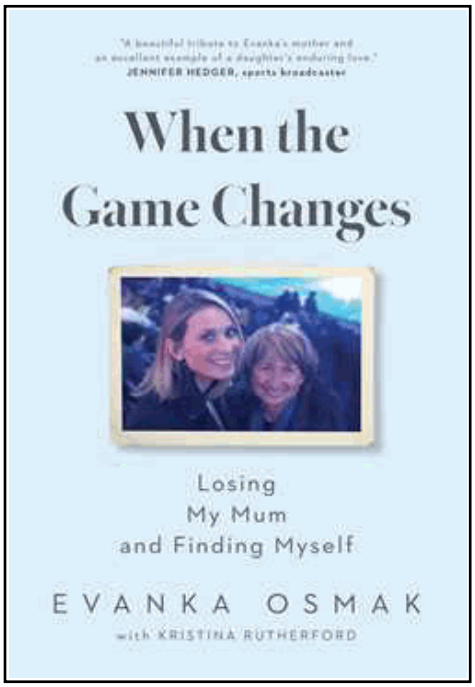

At the same time as she was falling in love with the game as a player, not just as a sports anchor, she received some devastating news: her beloved mother, Jeannie—her family's rock—had been diagnosed with ALS.

As Evanka navigated her mother's treatment and progressing illness, she found a sense of hope and community within her hockey team of adult women that helped her deal with the unthinkable.

When the Game Changes is a deeply affecting memoir that shows Jeannie's care and influence throughout Evanka's life, from her childhood through her lively early career, to finding herself in the co-anchor's seat at Sportsnet. It's the profound story of a daughter's extraordinary love for her mom, and how a team of like-minded women provided solace at one of life's most challenging times.

This is the story of how sports, family, and women's community can get us through our darkest hours.

Evanka Osmak is a veteran anchor at Rogers Sportsnet. Before television, she studied civil engineering at Queens University. Her passion for sports and broadcasting landed her a job in Arizona and then eventually Sportsnet in Toronto in 2007. Evanka lives in Toronto with her husband and two children.

Kristina Rutherford is a senior writer at Sportsnet, and in fifteen years there she has covered major events including the Stanley Cup Finals, the Olympic Games, the World Series, the Scotties Tournament of Hearts and the US Open Tennis championships. Kristina lives in Toronto with her partner, Adam, their two kids and their dog, Riggins.

Dreamer's Daughter

Surviving My Childhood and Raising My Father

Lori Thicke

BOOK DESCRIPTION

A daughter's inspiring memoir of a childhood short on money, but rich in all the rest, and her eccentric and misguided father who fails spectacularly at everything—except being a loving parent.

In a mining town where hope is as tapped out as the gold, a mother abandons her two children, leaving them in the custody of their free-spirited father. Colorful and larger-than-life, Dacker Thicke is a dreamer whose schemes and small businesses never quite pan out. But he's always chasing the next big thing.

When they lose everything in a house fire, Dacker considers this the ultimate freedom and leads his children on a cross-country road trip that will force them to rely on his wits and dubious judgment. Amid the chaos, Lori must raise herself and her younger brother—and, on occasion, her father. When she strives for independence, she discovers that it's hard to leave home when home has wheels and keeps following you around.

A coming-of-age memoir, *Dreamer's Daughter* is a life-affirming story about forgiving our parents—and ourselves. It's a celebration of the love we find in even the most unconventional families, and how sometimes we need to leave home to find our way back.

AUTHOR BIO

Lori Thicke is a Canadian author, entrepreneur, and philanthropist. She was born in Toronto and raised in a mining town in northern Canada. She earned an MFA in creative writing from the University of British Columbia where she was awarded the CBC Writing Prize for "exceptional promise". She moved to Paris and founded the largest translation charity in the world.

In Trees

An Exploration

Robert Moor

BOOK DESCRIPTION

From the acclaimed author of the *New York Times* bestseller *On Trails* comes a wondrous new journey through the wilds of nature and the gnarls of history, exploring how trees—from the mightiest sequoia to the tiniest bonsai—can teach us to grow wise.

To truly grasp the wisdom of a tree, you need to begin thinking like one…

One day, on a whim, Robert Moor set out to climb a tree near his home—unwittingly embarking on what would become a decade-long, globe-spanning adventure of intellectual and spiritual transformation. Pursuing the hidden wisdom of trees, he scales to the very top of a giant sequoia while filming a nature documentary with David Attenborough; he treks through swamps in Papua to reach a treehouse-dwelling tribe of hunter-gatherers; and he journeys to a remote research camp in Tanzania, where he spends a memorable night sleeping in a chimpanzee nest, seeking to understand our deep evolutionary history. Eventually, having gained a radical new outlook on both our gnarled past and our ever-branching future, he joins an intrepid clan of climate activists risking everything to halt construction of a new oil pipeline and save an ancient forest.

Along the way, Moor learns the art of "tree-thinking," which, he discovers, has the power to break open some of humanity's oldest questions: What is the secret to truly *growing* old? How do we set down deeper roots in an increasingly chaotic world? Most importantly, how should we—as individuals, as communities, as stewards of the earth—live?

A witty and relentlessly curious excursion through philosophy, history, and science, what begins as an ode to the miracle of trees blossoms into a joyous, daring, fiercely hopeful endeavor to arborize humanity.

AUTHOR BIO

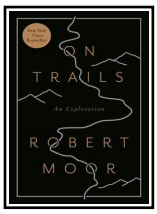

Hailed by *The Wall Street Journal* as a "philosopher on foot," Robert Moor is the bestselling author of *On Trails* and *In Trees*. Translated into more than a dozen languages, *On Trails* garnered the National Outdoor Book Award, the Pacific Northwest Book Award, and the William Saroyan International Prize. His writing has appeared in *The New Yorker*, *The Atlantic*, *Harper's*, *New York* magazine, *Outside*, *Emergence*, and *n+1*, among other publications. He lives in Halfmoon Bay, British Columbia.

The High Road

Confessions of a Homicide Cop

Hank Idsinga

BOOK DESCRIPTION

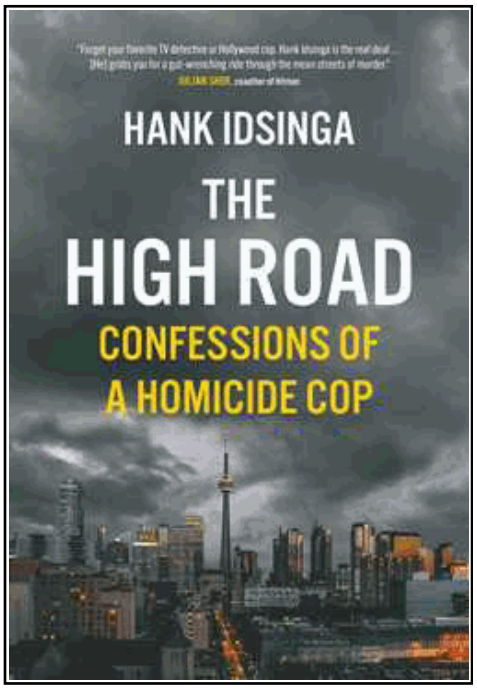

Hank Idsinga, whose grandfather was murdered in the Holocaust, became the country's leading homicide detective; he shares his insights into tracking down murderers and serial killers over his colourful and decorated thirty-year career.

From the age of ten, Hank Idsinga knew he wanted to become a homicide detective, when he learned that his grandfather had been murdered by the Nazis in the Second World War. He prepared to be a police officer his entire youth and soon found himself in ill-fitting suits training for the job. More than competent—smart, incisive, caring, respectful—Idsinga ingratiated himself to his fellow officers and to his superiors. He was as capable of tracking down a getaway man as he was informing a mother that her son, lost to crime, would never return home. Idsinga found himself at the center of some of the most notable crimes in recent Toronto history, from the Jane Creba shooting on Boxing Day to shootouts on Yonge Street to helping track down some of the most vicious serial criminals the city has ever seen.

But it was in homicide that Hank Idsinga would prove such a vital asset to the Toronto Police Services. Idsinga teamed up with his partners, including future chief of police Mark Saunders, on many murder calls—some one-offs, others more nefarious—taking in the scene with his excellent recall, finding the motive and the method faster and more insightfully than most. Idsinga and his team of seasoned detectives participated in taking down some of the worst Toronto has to offer, perhaps none more so than serial killer Bruce McArthur, who had terrorized the gay village for years. Idsinga became the public face for that investigation, and despite the criticism of the police force's handling of the murders, Idsinga always appeared strong and compassionate in front of the media's camera flashes.

The High Road breathes life into the true detective genre, with raw, accessible and punchy prose, as honest and compelling as the homicide detective himself. His grandfather would have been proud.

Hank Idsinga was a member of the Toronto Police Services for thirty years, leading the country's top homicide unit for five years. Having served as Detective Sergeant and, later, Inspector in charge of Toronto's Homicide Squad, he has policed just about every kind of case you can imagine, and has stared down some of the hardest criminals the city has ever seen. Idsinga has received numerous awards from the Ontario Homicide Investigator's Association, and has twice been recognized by *Toronto Life* magazine as one of Toronto's 50 Most Influential People. Additionally, he is a regular presenter at policing conferences, including the FBI National Academy Associates Conference and the Ontario Homicide Investigators Conference, among others. Recently retired and now a crime commentary fixture on the Corus radio network (nationally) and Global Television, as well as American crime series in production, Idsinga speaks widely about policing in the wake of a highly decorated career.

A Far-flung Life

A Novel

M.L. Stedman

BOOK DESCRIPTION

From the author of the acclaimed bestseller *The Light Between Oceans* comes a breathtaking and epic novel set in the vast outback of Australia—about tragedy, family secrets, and the enduring power of love.

When we do something that can't be undone or mended, how do we go on living? How do we find our North Star when there is no right answer? These are the questions at the center of M. L. Stedman's unforgettable and magisterial new novel, *A Far-flung Life*. From the author of the beloved and bestselling *The Light Between Oceans*, this is a sweeping and epic story of a family, a tragedy, and the aftermath that reverberates for decades.

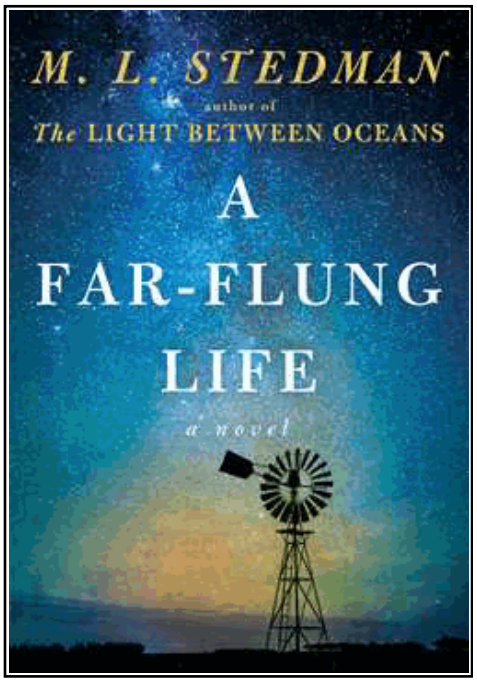

Remote Western Australia, 1958: here, for generations, the MacBrides have lived on a vast sheep station, Meredith Downs. It is a million acres, an ocean of arid land. On an ordinary day, on a lonely road, under the unending blue sky, patriarch Phil MacBride swerves to avoid a kangaroo. In seconds the lives of the entire MacBride family are shattered. And then, tragedy revisits when a twist of consequences claims the life of one sibling, and leads another to give up everything for the sake of an innocent child. Matt, the youngest MacBride, is plunged into a moral and emotional journey for which there is no map, no guide. The secrets at the heart of this gutting and beautiful story force him to choose between love and duty, sacrifice and happiness.

A Far-flung Life is a tale about family and belonging, fate and time. It is about people trying to do their best, and each, for private reasons, seeking shelter from the storm of life.

Can a fleeting moment unravel a whole life, mar it indelibly and irrevocably? Can compassion, resilience and forgiveness allow us to come to terms with our human imperfections? These are the questions Stedman asks in *A Far-flung Life*, her profoundly moving, uplifting, and luminous new novel about what the heart can endure for the sake of love.

AUTHOR BIO

M.L. Stedman was born and raised in Western Australia and now lives in London. *The Light Between Oceans* was her first novel. *A Far-flung Life* is her second novel.

A Far-flung Life

A Novel

M.L. Stedman

BOOK DESCRIPTION

From the author of the acclaimed bestseller *The Light Between Oceans* comes a breathtaking and epic novel set in the vast outback of Australia—about tragedy, family secrets, and the enduring power of love.

When we do something that can't be undone or mended, how do we go on living? How do we find our North Star when there is no right answer? These are the questions at the center of M. L. Stedman's unforgettable and magisterial new novel, *A Far-flung Life*. From the author of the beloved and bestselling *The Light Between Oceans*, this is a sweeping and epic story of a family, a tragedy, and the aftermath that reverberates for decades.

Remote Western Australia, 1958: here, for generations, the MacBrides have lived on a vast sheep station, Meredith Downs. It is a million acres, an ocean of arid land. On an ordinary day, on a lonely road, under the unending blue sky, patriarch Phil MacBride swerves to avoid a kangaroo. In seconds the lives of the entire MacBride family are shattered. And then, tragedy revisits when a twist of consequences claims the life of one sibling, and leads another to give up everything for the sake of an innocent child. Matt, the youngest MacBride, is plunged into a moral and emotional journey for which there is no map, no guide. The secrets at the heart of this gutting and beautiful story force him to choose between love and duty, sacrifice and happiness.

A Far-flung Life is a tale about family and belonging, fate and time. It is about people trying to do their best, and each, for private reasons, seeking shelter from the storm of life.

Can a fleeting moment unravel a whole life, mar it indelibly and irrevocably? Can compassion, resilience and forgiveness allow us to come to terms with our human imperfections? These are the questions Stedman asks in *A Far-flung Life*, her profoundly moving, uplifting, and luminous new novel about what the heart can endure for the sake of love.

AUTHOR BIO

M.L. Stedman was born and raised in Western Australia and now lives in London. *The Light Between Oceans* was her first novel. *A Far-flung Life* is her second novel.

The First Time I Saw Him (A Reese Witherspoon Book Club Pick)

Laura Dave

BOOK DESCRIPTION

A REESE WITHERSPOON BOOK CLUB SELECTION!

AN INSTANT *NEW YORK TIMES* BESTSELLER

Laura Dave continues Hannah Hall's pulse-pounding journey in the riveting and deeply moving sequel to the #1 *New York Times* bestselling blockbuster and Apple TV+ show, *The Last Thing He Told Me*.

How far would you go for a second chance?

Five years after her husband, Owen, disappeared, Hannah Hall and her stepdaughter, Bailey, have settled into a new life in Southern California. Together, they've forged a relationship with Bailey's grandfather Nicholas and are putting the past behind them.

But when Owen shows up at Hannah's new exhibition, she knows that she and Bailey are in danger again.

Hannah and Bailey are forced to go on the run in a relentless race to keep their past from catching up with them. As a thrilling drama unfolds, Hannah risks everything to get Bailey to safety—and finds there just might be a way back to Owen and their long-awaited second chance.

A gripping, rich, and deeply moving novel about the power of forgiveness, *The First Time I Saw Him* picks up right where the epilogue for the "genuinely moving" (*The New York Times*) *The Last Thing He Told Me* left off, giving readers the eagerly awaited and absolutely exhilarating sequel to Dave's global blockbuster.

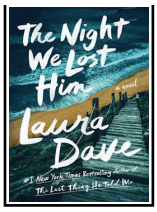

AUTHOR BIO

Laura Dave is the #1 *New York Times* bestselling author of several novels, including *The Last Thing He Told Me* and *Eight Hundred Grapes*. Her novels have sold more than six million copies and have been translated into forty languages. *The Last Thing He Told Me* was the Goodreads Mystery & Thriller of the Year for 2021 and is now a series on Apple TV+, cocreated by Laura. She lives in Los Angeles with her husband and their son.

Ghost Town

A Novel

Tom Perrotta

BOOK DESCRIPTION

From *New York Times* bestselling author Tom Perrotta, hailed by critics as "the Steinbeck of Suburbia" (*Time*), "our Balzac of the burbs" (*Chicago Sun-Times*), and "an American Chekhov" (*The New York Times*), comes a gripping and darkly nostalgic tale about a tumultuous summer in 1970s suburban New Jersey, from the perspective of a middle-aged writer looking back on a series of events that changed his life—and the story he finally has the courage to tell.

Jimmy Perrini lives in 1970s suburban New Jersey, a few miles from Manhattan, but a world apart. At the end of eighth grade, after tragedy strikes, Jimmy finds himself lost in a fog of grief that alienates him from friends and family, drifting instead into troubling friendships with two older teenagers: one a notorious local burnout with a fast car, an endless supply of weed, and a shaky grasp of reality; the other a smart, eccentric girl, whom Jimmy finds himself drawn to as they become entranced by her Ouija board, which may just offer the only salve to their grief.

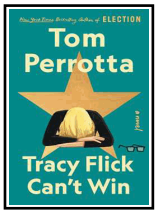

As a fateful public drama unfolds, Jimmy is torn between the occult beyond and the cold realities of the place he has called home. Narrated by a much older Jimmy, a literary-turned-commercial novelist, *Ghost Town* reveals how the past haunts the present—the way our ghosts are always with us, even when we think we've left them behind.

AUTHOR BIO

Tom Perrotta is the author of eleven works of fiction, including *Election* and *Little Children*, both of which were made into Oscar-nominated films, and *The Leftovers* and *Mrs. Fletcher*, which were adapted into acclaimed HBO series. His new novel is *Ghost Town*.

The Cormorant Hunt

A Novel

Michael Idov

BOOK DESCRIPTION

***Slow Horses* meets *Red Sparrow* in this electrifying spy thriller and follow-up to *The Collaborators*, where a disillusioned CIA officer infiltrates an extremist group in the heart of Europe.**

Disheartened CIA officer Ari Falk, now hiding in the Republic of Georgia, is hailed as a hero by some and branded a traitor by others after blowing the lid off a massive conspiracy. But his quiet exile is shattered when a mission arises—one perfectly suited for someone as jaded and unpredictable as him.

This stand-alone sequel thrusts us into a modern era of geopolitical conflict, where a hot war in Europe and shadowy political schemes set the stage for danger at every turn. Enter Asha Tamaskar, a brilliant, neurodivergent CIA officer with her own secrets, and Felix Burnham, a chilling antagonist with radical alliances that could change the global balance of power. From Tbilisi to Prague, Andorra to Bethesda, Idov crafts vivid, authentic settings that amplify the pulse-pounding action.

Far from the usual spy thriller, *The Cormorant Hunt* is brimming with razor-sharp dialogue, heart-stopping twists, and complex character dynamics that bring humanity to the chaos. Every border crossed carries real-world consequences, making this a thriller that feels both urgent and unforgettable. Blending suspense, wit, and authentic storytelling, it's a must-read for fans of political intrigue, espionage, and thrillers that don't play by the rules.

AUTHOR BIO

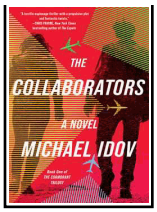

Michael Idov is a novelist, director, and screenwriter. A Latvian-born American raised in Riga under Soviet occupation, he moved to New York after graduating from the University of Michigan. Michael's writing career began at *New York* magazine, where his features won three National Magazine Awards, and he has served as the editor-in-chief of *GQ Russia*. He is also the author of *The Collaborators*, *Ground Up*, and *Dressed Up for a Riot*. Michael has worked on numerous film and TV projects, including *Londongrad*, *Deutschland 83*, *Leto*, and *The Humorist*. He and his wife and screenwriting partner, Lily, divide their time between Los Angeles, Berlin, and Portugal.

The Copywriter

A Novel

Daniel Poppick

BOOK DESCRIPTION

A portrait of the poet as an office worker, plumbing the depths of the spiritual gulf between art and work.

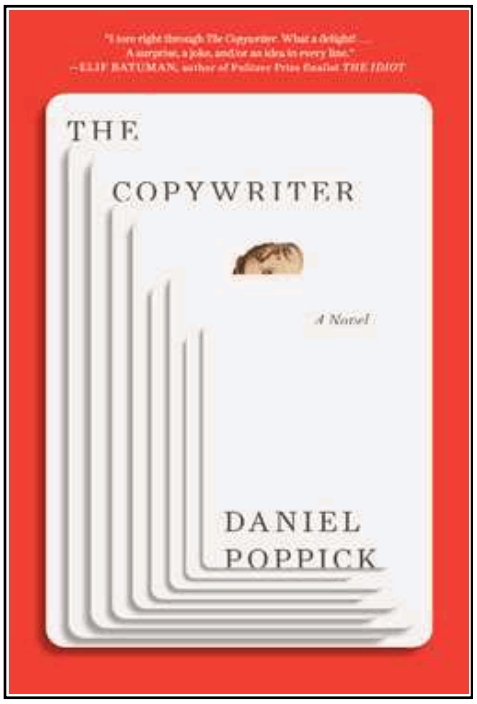

It's the summer of 2017 and D__, a poet working by day as a copywriter at a retail start-up, can't dispel a creeping sense of dissolution on the horizon. Whether it be the company's new twenty-four-year-old CEO, who has more charisma than work experience, the growing distance between D__ and his longtime girlfriend, or a mounting sense of unreality in the wake of the first delirious year of the Trump administration, there's a sense that things are speeding towards collapse—and that they've perhaps been unraveling for some time.

Borne along on these ambivalent straits, D__ begins to keep a notebook, filling it with everything: dreams, scenes from his own life, emails, and broadly-defined moments, both real and fictional, that he calls parables—attempts to learn from the underlying schedule of the universe, some music of the spheres that, if heard correctly, might help him finally understand his life, his art, and labor. Unfurling over the course of two years, season by season, *The Copywriter* circles a series of perennial questions, capturing in the process the unique absurdism of the gone-but-not-forgotten era of office culture between the Great Recession and the COVID-19 pandemic: How should an artist balance a job and life when art doesn't fit into either category? How does one find meaning in work that is stubbornly, uncannily, comically meaningless? Does one need to find meaning in one's labor at all? What concessions do we make for the sake of a paycheck? What does all of this do to our art, and our souls?

Utterly original and lyrically beautiful, burrowing deep into contemporary disaffection without falling under its spell, *The Copywriter* is a comic story in the vein of Kafka's Jewish mysticism, following the absurd paths that office work can take us on, and the subtle ways in which seemingly mindless labor can determine our fate.

AUTHOR BIO

Daniel Poppick is the author of the poetry collections *Fear of Description*, a winner of the National Poetry Series, and *The Police*. His writing appears in *The New Yorker*, *The Paris Review*, *The New Republic*, *The Yale Review*, *BOMB*, and elsewhere. He works as a copywriter and lives in Brooklyn.

The Adjunct

A Novel

Maria Adelmann

BOOK DESCRIPTION

From the acclaimed author of *How to Be Eaten*, a fresh take on the campus novel that follows an adjunct professor gigging her way through academia's poor job market when she crosses paths with her old PhD adviser whose new novel might be about her—for readers of *Worry*, *Vladimir*, and *Less*.

Meet Sam, an adjunct professor at a public university in Baltimore who takes a last-minute gig at the private liberal arts college down the road. Overworked and underpaid, her life is a blur of back-to-back classes, side hustles, and job applications as she attempts to claw her way toward a full-time position. But her already precarious existence is thrown into disarray when she runs into her former grad school adviser, Dr. Tom Sternberg, on campus.

Tom and Sam have a complicated history, the lasting impact of which has haunted her academic career, and it's the last thing she wants to think about as she navigates academic politics, institutional hurdles, and romantic entanglements with men and women that further complicate a sexuality not even she can define. Then she learns that Tom left his old job for undisclosed reasons—and his long-awaited second novel is about a professor's reckoning with his checkered past. As whispers spread that Sam is the inspiration behind a central character, she fights to regain control of the story while questioning everything she thought she knew about her future—and herself.

With biting humor and a keen eye for detail, Maria Adelmann offers a fresh twist on a tangled #MeToo story and turns Sam's downward spiral into a searing critique of class and the hollow promises of the American dream. A hilarious yet sobering look at how hustle culture has come to define modern academia, *The Adjunct* asks: Who really controls the narratives of success, identity, and power?

Maria Adelmann is the award-winning author of the story collection *Girls of a Certain Age* and the novel *How to Be Eaten*, an NPR book of the year and Belletrist book club pick. She has written for *The New York Times*, *Tin House*, *n+1*, *Electric Literature*, *McSweeney's*, and many other publications, and her work has been distinguished by The Best American Short Stories. Adelmann has worked variously as a hotel reviewer, product tester, and copywriter, and once sailed around the world while teaching on Semester at Sea. She has lived in Baltimore and Copenhagen and now resides in Philadelphia.

Nonesuch

A Novel

Francis Spufford

BOOK DESCRIPTION

A spellbinding tale about an ambitious young woman who must thwart an occult plot by time-traveling fascists during the chaos of the London Blitz—from "one of our most powerful writers of wayward historical fiction" (*The Washington Post*).

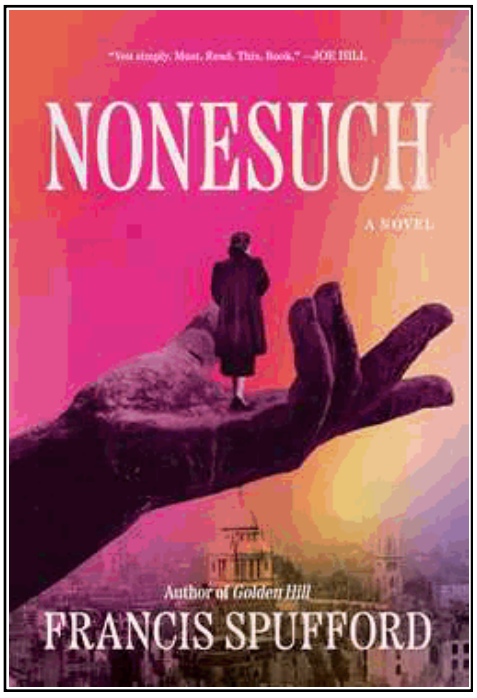

Following the acclaim of his previous novels *Golden Hill* and *Cahokia Jazz*, Francis Spufford delivers a masterpiece of literary fantasy, hailed by Joe Hill as "a book that scoops up all the wonder and hope and pleasure of the Narnia novels, and pours it into a story for grown-ups."

It's the summer of 1939, and the air in London is thick with the tension of impending war. Iris Hawkins, a fiery young financial secretary, has a chance encounter with Geoff, a genius engineer from the new technology of television. What was supposed to be one night of abandon draws her instead into a nightmare of otherworldly pursuit—into a reality where time bends, spirits can be summoned, and history hangs by a thread.

Soon there are Nazi planes droning overhead. In a time when death falls randomly from above each night, when the streets are darker than the wildest forest and all the men are away in uniform, the defense of the city is in the hands of its women. But Iris has more to contend with than just the terrors of the Blitz. Over the rooftops of burning London, in the twisted passages between past and present, through the vast night sky and across the tiny screens of early television, a fascist fanatic is travelling with a gun in her hand, and only Iris can stop her from altering the course of history forever.

Both a thrilling page-turner and a profound exploration of ambition, love, and the fight against tyranny, *Nonesuch* is a story that is as enchanting as it is urgent. Packed with twists, tension, and wonder, it is a triumph of storytelling.

Francis Spufford began as the author of four highly praised books of nonfiction. His first book, *I May Be Some Time*, won the Writers Guild Award for Best Nonfiction Book of 1996, the Banff Mountain Book Prize, and a Somerset Maugham Award. It was followed by *The Child That Books Built*, *Backroom Boys*, and most recently, *Unapologetic*. But with *Red Plenty* in 2012 he switched to the novel. *Golden Hill* won multiple literary prizes on both sides of the Atlantic; *Light Perpetual* was longlisted for the Booker Prize; and *Cahokia Jazz* was longlisted for the Carnegie Medal for Excellence in Fiction and won the Sidewise Award for Alternate History. In England, he is a Fellow of both the Royal Society of Literature and the Royal Historical Society. He teaches writing at Goldsmiths College, University of London.

The Infamous Gilberts

A Novel

Angela Tomaski

BOOK DESCRIPTION

***The Remains of the Day* meets *The Royal Tenenbaums* in this darkly funny debut novel about a wealthy, eccentric family in decline and the secrets held within the walls of their crumbling country manor.**

Thornwalk, a once-stately English manor, is on the brink of transformation. Its keys are being handed over to a luxury hotelier who will undertake a complete renovation—but in doing so, what will they erase? Through the keen eyes of an enigmatic neighbor, the reader is taken on a guided tour into rooms filled with secrets and memories, each revealing the story of the five Gilbert siblings.

Spanning the eve of World War II to the early 2000s, this contemporary gothic novel weaves a rich tapestry of English country life. As the story unfolds, the reader is drawn into a world where the echoes of an Edwardian idyll clash with the harsh realities of war, neglect, and changing times. The Gilberts' tale is one of great loves, lofty ambitions, and profound loss, and Angela Tomaski's mordantly witty yet loving account is an immersive experience. Reminiscent of the haunting atmospheres in Daphne du Maurier's *Rebecca* and Shirley Jackson's *We Have Always Lived in the Castle*, *The Infamous Gilberts* offers a fresh take on a classic genre, capturing the essence of a troubled but fascinating family.

AUTHOR BIO

Angela Tomaski was born in Oxford and raised in Somerset with her four brothers and sisters. She has had a variety of different jobs, including as a waitress, housecleaner, English teacher, and activity coordinator in a nursing home. She has a daughter and two grandsons and now lives in rural Dorset.

The Kids Who Aren't Okay

The Urgent Case for Reimagining Support, Belonging, and Hope in Schools

Ross W. Greene, Ph.D.

BOOK DESCRIPTION

From a *New York Times* bestselling authority on education and children's mental health comes a groundbreaking guide to navigating classroom challenges through an approach that is aimed at meeting kids where they're at and being responsive to the developmental variability inherent in every classroom.

Over the past two decades, a wide array of societal changes have made it much harder to be a kid. While lots of kids are still doing okay, many more than ever are not. *The Kids Who Aren't Okay* opens with sobering statistics on children's mental health: higher than ever rates of concerning behaviors at school, anxiety, depression, chronic absenteeism, and suicidality. And educators—who have never felt less safe at school, have experienced significant decreases in job satisfaction, and have left the profession in droves—aren't doing very well, either.

Child psychologist Dr. Ross Greene, renowned for his pioneering work in education and originator of the evidence-based *Collaborative & Proactive Solutions* model (which has transformed practices in countless families, schools, psychiatric units, and residential and juvenile detention settings), has worked in and with schools across the globe for decades. He argues that the moment demands that we renew our focus on developmental variability and meeting every student where they're at, and that we take a hard look at our structures, practices, and mentalities at school and make practical, actionable, realistic changes that benefit *all* kids and educators. These changes must include shifting to interventions that are proactive (early) rather than reactive (late), solutions that are collaborative rather than unilateral, and focused on the problems that are causing concerning behaviors (and solving them) rather than behaviors (and modifying them).

Building on the principles introduced in his landmark, bestselling book, *Lost at School*, Greene equips educators and caregivers with the tools to foster safer, more supportive, inclusive learning environments. In easy-to-understand, practical terms, Greene provides a clear road map for turning things around, complete with vignettes, case studies, and the voices of educators who've done it. *The Kids Who Aren't Okay* is a vital resource, providing hope and guidance as schools navigate the new normal.

Ross W. Greene, PhD, is a clinical psychologist and the originator of the innovative, evidence-based approach called Collaborative & Proactive Solutions (CPS), as described in his influential books *The Explosive Child*, *Lost at School*, *Lost & Found*, and *Raising Human Beings*. He developed and executive produced the award-winning documentary film *The Kids We Lose*. Dr. Greene was on the faculty at Harvard Medical School for over twenty years and is now founding director of the nonprofit Lives in the Balance. He is also currently adjunct Professor in the Department of Psychology at Virginia Tech. Dr. Greene has worked with several thousand kids with concerning behaviors and their caregivers, and he and his colleagues have overseen implementation and evaluation of the CPS model in countless schools, inpatient psychiatry units, and residential and juvenile detention facilities, with dramatic effect: significant reductions in recidivism, discipline referrals, detentions, suspensions, and use of restraint and seclusion. Dr. Greene lectures throughout the world and lives in Freeport, Maine.

The Best Dog in the World

Essays on Love

Alice Hoffman

BOOK DESCRIPTION

Fourteen beloved authors celebrate the life-changing bond with their canine companions in this heartwarming essay collection edited by *New York Times* bestselling author and lifelong dog lover Alice Hoffman.

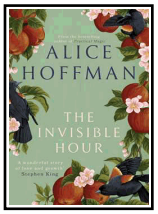

Anyone who has ever been fortunate enough to share their life with a dog knows the experience is both profound and transformative. Here, in this charming collection of essays, fifteen celebrated authors share unforgettable tales of the dogs who left their pawprints on their hearts.

With contributions from Isabel Allende, Chris Bohjalian, Bonnie Garmus, Roxane Gay, Emily Henry, Ann Leary, Tova Mirvis, Jodi Picoult, Elizabeth Strout, Amy Tan, Adriana Trigiani, Nick Trout, Paul Yoon, and Laura Zigman, *The Best Dog in the World* captures the full range of the canine-human connection, from the joy of welcoming a new puppy to the heartache of saying goodbye to a beloved friend.

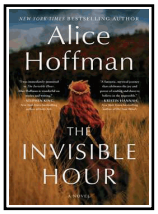

A love letter to the loyal companions who enrich our lives and teach us about empathy, joy, and unconditional love, this anthology is the perfect gift for dog lovers everywhere, offering a blend of laughter, tears, and inspiration that will resonate with anyone who has been fur-ever touched by the love of a dog.

Kutchinsky's Egg

A Family's Story of Obsession, Love, and Loss

Serena Kutchinsky

BOOK DESCRIPTION

A riveting, heart-stopping family memoir that blends art, obsession, and love as the author searches for the spectacular jeweled egg that consumed her father's dreams—and spelled her family's downfall.

When she was eleven years old, Serena Kutchinsky's life changed forever. Her father Paul, who owned the high-end jewelry company the House of Kutchinsky, set out to create the world's largest jeweled egg—one to rival Fabergé's masterpieces. He succeeded, but at a ruinous price.

The Argyle Library Egg was astonishing: two feet tall, made of solid gold, and dripping with pink diamonds. But when Paul was unable to secure a buyer, the House of Kutchinsky collapsed, his marriage fell apart, and he sank into a spiral of drink and drugs. Within ten years he was dead. As for the egg, it was seized by business partners and disappeared without a trace.

Over time, the mystery of the egg began to eat away at Serena. Why did her father risk everything for the pursuit of this audacious dream? And where in the world was his extravagant, ill-fated creation, which had been lost for decades and was estimated to now be worth more than £30 million. Desperate for answers, she set out in search of the egg—and an elusive understanding of her late father. The journey begins in the slums of London's East End where her great-great-grandparents arrived as Jewish immigrants from Russia—and ends in the most unexpected of places.

Echoing the intimacy of *The Hare with Amber Eyes*, *Kutchinsky's Egg* is a spellbinding historical mystery that explores the glittering yet shadowy world of high-end jewelry, the rise and fall of a family empire, and the complex bond between a father and daughter.

AUTHOR BIO

Serena Kutchinsky is an award-winning journalist who has held senior editorial roles at Sky News, BBC News, *The Sunday Times* (London), *Prospect*, and *Newsweek*. Currently head of news at *The i Paper*, she spends summer hosting talks at festivals and traveling around the countryside in a camper van. She lives in London with her husband and two children, and runs an Instagram account dedicated to the legacy of the House of Kutchinsky. *Kutchinsky's Egg* is her first book.

The Powerful Primate

How Controlling Energy Enabled Us to Build Civilization

Roland Ennos

BOOK DESCRIPTION

A captivating journey through humanity's relentless quest to harness and control physical power, fueling groundbreaking innovations while leaving a profound impact on our planet—from the acclaimed author of *The Age of Wood*.

The Powerful Primate presents a compelling argument that flips the traditional view of humanity on its head. Rather than focusing solely on our intellectual abilities, author Roland Ennos argues it's our physical power and engineering brilliance that have set us apart in the animal kingdom. From our bipedal ancestors wielding simple tools to modern humans mastering complex machinery, Ennos takes us on a gripping journey through the evolution of human dominance.

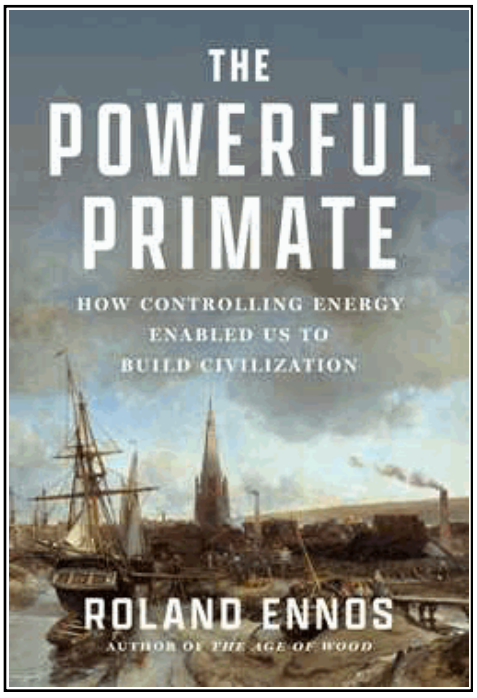

Readers will learn the fascinating history of how humans have progressively harnessed energy from sources such as wood, animals, water, wind, sun, fossil fuels, and even atomic nuclei to fuel our rise as the most powerful species on Earth. Our ancestors' ability to hit harder, throw further, and cut deeper than any other animal laid the groundwork for the development of agriculture, industry, and ultimately, modern civilization.

Yet, this power has come at a cost: environmental degradation and societal challenges have arisen from our relentless pursuit of energy and technological advancement. There is hope, however—the same engineering skills that have brought us here can pave the way for a more sustainable future.

Blending anthropology, biomechanics, and history, *The Powerful Primate* is a thought-provoking story of ambition, ingenuity, and the costs of progress—a must-read for anyone interested in the forces that shape human civilization.

AUTHOR BIO

Roland Ennos is a visiting professor of biological sciences at the University of Hull. He is the author of successful textbooks on plants, biomechanics, and statistics, and his popular book *Trees*, published by the Natural History Museum, is now in its third edition. He is also the author of *The Age of Wood* and *The Science of Spin*. He lives in England.

Where the Music Had to Go

How Bob Dylan and the Beatles Changed Each Other—and the World

Jim Windolf

BOOK DESCRIPTION

Persuasive, captivating, and bursting with insight, this dual biography by acclaimed *New York Times* journalist Jim Windolf dives into the surprisingly supportive, occasionally rivalrous, and always fertile relationship between Bob Dylan and the Beatles, uncovering how they inspired and transformed each other as songwriters, recording artists, and cultural icons.

From Dylan's initial dismissal of the Beatles as being for "teenyboppers" to his realization that they were "pointing the direction where music had to go"—and from the Beatles' obsessive spinning of early Dylan records to their impromptu renditions of fifteen Dylan songs during the 1969 *Get Back* sessions—the book captures the moments that pushed Dylan to "go electric" and inspired the Beatles to deepen their lyrics. Highly entertaining and packed with backstage anecdotes, *Where the Music Had to Go* is a deep-focus portrait of a heretofore unexamined relationship, one full of camaraderie, competition, and mutual evolution.

More than a music biography, this is a front-row seat to the forces that shaped an era—an unmissable experience for music lovers, pop-culture buffs, and anyone curious about the magic that happens when legends collide.

AUTHOR BIO

Jim Windolf is a features editor at *The New York Times*. He has published articles, reviews, essays, and humor pieces in *Vanity Fair*, *The New Yorker*, *New York* magazine, *Rolling Stone* and other publications. Additionally, his short fiction has appeared in *Ontario Review*, *3:AM Magazine*, *Puerto del Sol* and other literary journals. He lives in New York City.

The Hour of the Wolf

A Memoir

Fatima Bhutto

BOOK DESCRIPTION

From acclaimed journalist and novelist Fatima Bhutto, whose work has been hailed as "intense and powerful" (NPR), comes a searing, intimate memoir of grief, heartbreak, and what we owe the natural world—all learned from the dog who saved her life.

Fatima Bhutto was a teenager when her beloved father was assassinated. Ever since, she longed for a complete and happy family. Years later, still grappling with profound grief, she meets a charismatic man who offers her a new beginning—promising love, healing, and the children she's always dreamed of. But the dream soon unravels, revealing a toxic, manipulative relationship that holds her captive for over a decade.

By the spring of 2020, Fatima finds herself secluded in the English countryside, accompanied by her most loyal companion: Coco, a fiercely protective Jack Russell terrier. In the presence of nature and Coco's unwavering devotion, Fatima begins to question everything—and slowly finds the courage to confront her suffering and reclaim her voice.

In *The Hour of the Wolf*, Bhutto weaves reflections on love, loss, and healing with poignant memories of family, a yearning for motherhood, and meditations on literature, cinema, art, politics, and the wild world around her. Heartbreaking yet hopeful, this kaleidoscopic memoir is a testament to resilience, self-acceptance, and the restorative power of friendship—especially that of one small, brave dog.

AUTHOR BIO

Fatima Bhutto is the author of the novels *The Runaways* and *The Shadow of the Crescent Moon*, which was longlisted for the Women's Prize for Fiction. She is also the author of the nonfiction works *New Kings of the World* and *Songs of Blood and Sword*, which deals with her father's murder and the Bhutto family's history in Pakistani politics. Bhutto's journalism and essays have appeared in *Granta*, *Zeteo*, *The Guardian*, and elsewhere. Bhutto was born in Kabul, Afghanistan, and grew up between Syria and Pakistan.

Everything You Want Is on the Other Side of Hard

A Memoir

Ken Rideout

BOOK DESCRIPTION

From the fastest marathoner in the world over fifty—and maybe the planet's most determined underdog—an inspiring tale of resilience, redemption, and personal transformation.

Born into a broken family in Somerville, Massachusetts, just outside of Boston, Ken Rideout grew up in a household persistently scarred by drugs and crime. At just eighteen, he found himself working as a corrections officer in a prison where his stepfather had been incarcerated, and his brother would later serve time. Despite the bleak expectations set by his family, Ken harbored dreams far beyond the confines of his upbringing.

Ken eventually broke free from the gritty streets of Somerville to the high-stakes world of Wall Street, where he carved out a successful career with top firms like Cantor Fitzgerald and Crédit Agricole. Yet, beneath the veneer of success, he battled a decade-long addiction to opioids, spending his hard-earned wealth on pills. The turning point came with the adoption of a daughter from overseas—a wake-up call to become the father and man he always dreamed of being.

Running became Ken's salvation. With unwavering determination, he willed himself to run vast distances. In three years, Ken transformed from a "running nobody" to the world's fastest marathoner over fifty. His mantra: *Win—or die trying*. In the book, Ken shares his awe-inspiring achievements, including, at age fifty-two, winning the Masters (50+) Marathon World Championships in Chicago and conquering the Gobi March ultra-marathon, one of the world's toughest races. Through sheer resilience and grit, Ken rewrote his story.

Ken Rideout is the fastest marathoner in the world over fifty and a former prison guard, Wall Street trader, and opioid addict. His life story has been chronicled in such publications as *The New York Times*, *The Wall Street Journal*, and *Outside.* Since getting sober more than a decade ago, he has won some of the world's toughest races, including, at age fifty-two, the Gobi March—a 155-mile, self-supported race across the sweltering Gobi Desert in Mongolia—and a few months later, the Masters (50+) Marathon World Championships. In addition to his many running victories, he has completed more than ten Ironman triathlons. In 2018, Ken founded capital solutions firm Camrock Advisors. More recently, he founded talent agency Rideout Sports and Entertainment. He lives in Nashville with his wife, Shelby, and their four children.

The Oracle's Daughter

The Rise and Fall of an American Cult

Harrison Hill

BOOK DESCRIPTION

A gripping chronicle of the rise and fall of a woman-led cult—and the enduring allure of extremism across America's turbulent religious history.

On a cool fall night in 1999, twenty-six-year-old Sarah Green crept out of her house, retrieved a backpack from its hiding place, and ran for her life. She was escaping not just the Aggressive Christianity Missions Training Corps, a paramilitary religious cult operating out of the New Mexico desert, but also the punishments and cruelty of the cult's leader—her mother, Deborah.

In *The Oracle's Daughter*, Harrison Hill traces the fascinating beginnings and violent end of ACMTC, from its early days as an outgrowth of the 1960s counterculture to its descent into conspiracy-fueled abuse. This is the story of three women—Deborah, the group's founder and self-proclaimed oracle; Maura, one of its first members; and Sarah, Deborah's daughter—bound together by a punitive, baroque set of radical beliefs and practices, including exorcism, kidnapping, and the horrific mistreatment of those who fell out of the leaders' favor. With a dramatic, deeply researched narrative tracing the strange twists and turns of the country's religious development, *The Oracle's Daughter* illuminates the porous boundary between the fringe and the mainstream—and shows how much more vulnerable we are to extremism than we might like to think.

AUTHOR BIO

Harrison Hill grew up in Charlottesville, Virginia, and lives in Brooklyn, New York. He received his MFA in nonfiction from Columbia University, where he also taught undergraduate writing. His journalism and essays have appeared in *The Cut*, *GQ*, *Vogue*, *Travel + Leisure*, *AFAR*, *The Threepenny Review*, and other outlets. *The Oracle's Daughter* is his first book.

The Violence

My Family's Colombian War

Adriana E. Ramírez

BOOK DESCRIPTION

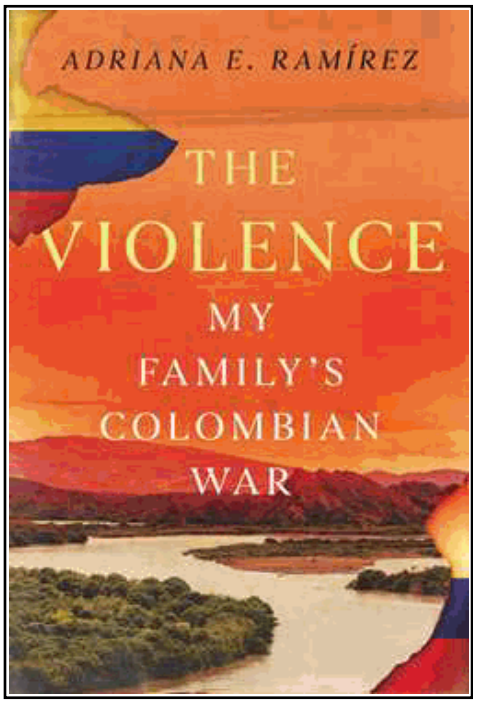

A powerful chronicle of Colombia's descent into decades of civil war through the lens of an intimate, multi-generational tale of upheaval and betrayal.

When presumed president-elect Jorge Eliécer Gaitán, champion of the working class and harbinger of a new era of progressive social change, is assassinated on the eve of Colombia's 1948 presidential election, the capital is plunged into bloodshed. So begins a singularly brutal period of Colombia's history known simply as la violencia—a bloody civil war that spawned decades of turmoil and splintered the country into ever-shifting factions.

The Violence is an intimate history of this conflict—told not from the political center of the war but from the mountainous finca that Adriana E. Ramírez's family tended to for generations, and through the eyes of her formidable grandmother, Esther. With startling lyricism, Ramírez illuminates the specter of violence—from guerilla warfare to the brutalities found so often in romantic relationships to the spontaneous and senseless violence steeped into everyday Colombian life during this period—and the threat that it poses to a country, and a family, that is trying to stay whole. Gracefully braiding together macrohistory, family history, and personal narrative, Adriana E. Ramírez traces these parallel stories of upheaval in a sweeping portrait of a country and family in flux.

AUTHOR BIO

Adriana E. Ramírez is a writer, critic, and poet based in Pittsburgh. She is the winner of the 2015 PEN/Fusion Emerging Writer's Prize, a former critic-at-large for the *Los Angeles Times*'s Book Section, and the cofounder of *Aster(ix) Journal*. Her writing has also appeared in *The Atlantic*, *The Boston Globe*, *People*, ESPN's *The Undefeated* (now *Andscape*), *LitHub*, *Guernica*, *Nerve*, and elsewhere. She once lost terribly on *Jeopardy!*.

For We Are Many

Bobiverse: Book 2

Dennis E. Taylor

BOOK DESCRIPTION

The second installment in Dennis E. Taylor's imaginative sci-fi saga follows an AI-powered interstellar explorer as he confronts alien threats, chaotic post-apocalyptic hurdles, and the ultimate challenge of saving humanity.

Waking up after death wasn't on Bob Johansson's bucket list. But here he is, four decades later, inhabiting the mind of a sentient computer and piloting a self-replicating space probe. It was supposed to be a dream gig—explore the cosmos, find new worlds, repeat.

Instead, everything has gone spectacularly off-script.

Humanity is hanging by a thread after a devastating war wiped out 99.9 percent of the human race. The planet is spiraling into nuclear darkness, extremist groups are fighting over what scraps of civilization remain, and rogue Brazilian probes are doing their best to annihilate everything in their path. And the Bobs have encountered a terrifying alien species with one very straightforward view of other life forms: food.

Bob never signed up to be a hero, and he certainly didn't expect to play God to a fledgling alien civilization. Now, he faces the ultimate question: Can a scattered army of digital copies, outnumbered and outgunned, outsmart extinction itself?

Packed with snarky humor, jaw-dropping discoveries, and a heaping dose of heart, *For We Are Many* continues the wildly inventive saga that redefines what it means to be human...or at least post-human. The stakes are immense, but with Bob on the job, survival might just depend on thinking *way* outside the box.

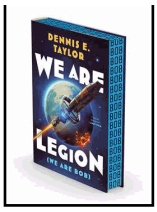

AUTHOR BIO

Dennis E. Taylor is a retired computer programmer, now part-time author and full-time curmudgeon. He's a snow-boarder in the winter and a mountain biker in the summer, and complains a lot about the weather during shoulder seasons. He splits his time between Coquitlam and Whistler, where he lives with his wife, Blaihin, and the occasional dog.

All These Worlds

Bobiverse: Book 3

Dennis E. Taylor

BOOK DESCRIPTION

A sentient fleet of Bobs faces their greatest challenge yet in this thrilling third installment of the action-packed Bobiverse saga, where survival depends on outsmarting relentless enemies, uniting scattered clones, and the ultimate race against time.

For nearly a century, being a sentient spaceship has been anything but peaceful for Bob and his clones, who find themselves constantly navigating a galaxy teetering on chaos. They've seeded enough colonies to safeguard humanity's future, but peace? That's another story.

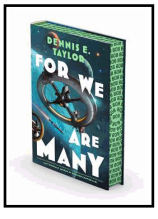

Old rivalries refuse to die. The relentless Brazilian probes are still gunning for them, and if that wasn't enough, the Bobs have managed to provoke a dangerous alien species. These ancient beings are powerful, hungry, and not exactly the forgiving type. After getting thoroughly outmatched in their first clash, the Bobs know a second encounter could mean the end—not just for them, but for Earth and every colony they've built.

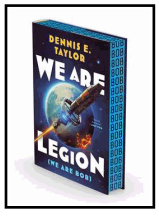

But rallying the Bobs is easier said than done. Some of the younger clones are more preoccupied with local dramas than with the looming interstellar threat. Hope, however, arrives from an unlikely corner of the universe. A discovery by a pair of eighth-generation Bobs might hold the key to humanity's survival. The problem? It's far away, and time is running out. If they can't get their find to Sol before the Others return, it may all be over.

High stakes, sprawling adventures, and brainy mayhem collide in *All These Worlds*, the thrilling third chapter in the Bobiverse saga.

Year of the Mer

L. D. Lewis

BOOK DESCRIPTION

A dark, bloody epic fantasy reimagining of *The Little Mermaid* that goes far beyond the fairy tale to explore family legacy, war, and what we will sacrifice for vengeance—the perfect read for fans of *The Priory of the Orange Tree* and *Circe*.

The fairy tale mermaid Arielle might have gotten her happily-ever-after, but her granddaughter Yemi is having a much harder time. Her father, the king of Ixia, was assassinated years ago, her mother is slowly dying of a poisoned wound, and she faces whispers and slights from her own people. Yemi has been raised as the shield of the kingdom and is soon to inherit the throne, but she cannot shake her fury at how Ixia has treated her family after all they've sacrificed. Only her patient mother and steadfast personal bodyguard (and fiancée), Nova, help Yemi rein in that fury...most of the time.

When the kingdom's discontented rumblings reach a fever pitch, a coup erupts and Yemi's throne is usurped, stripping her of her family and forcing her into exile. Now, only one being has the power to help her: Ursla.

Like her grandmother before her, Yemi is tempted by a deal with the sea-witch. With powerful and ancient magic behind her, Yemi could avenge her family, take back her throne, and protect the love of her life. But she should know more than anyone that there is always a price. As much as Yemi wants vengeance, Ursla has been waiting a very, very long time for her own—and it may take more fortune than Yemi possesses to keep her from losing everything all over again.

AUTHOR BIO

L. D. Lewis is an editor, publisher, and Shirley Jackson Award–nominated writer of speculative fiction. She is the author of the novel *Year of the Mer* and the novellas *A Ruin of Shadows* and *The Dead Withheld*. Her published short fiction and poetry has appeared in several Neon Hemlock anthologies, numerous online publications, and Jordan Peele's *Out There Screaming.* Past lives include roles as a founding creator and project manager for the World Fantasy and Hugo Award–winning *FIYAH Literary Magazine*, the director of FIYAHCON, and researcher for the *LeVar Burton Reads* podcast. She pays the bills as a literary nonprofit administrator. She lives in Georgia on perpetual deadline with her partner, two cats, and an impressive LEGO build collection.

Voidverse

Damien Ober

BOOK DESCRIPTION

Named a Most Anticipated book for 2026 by *Book Riot*

***Dune* meets *Wool* in this high-octane quest through the void, where two eternal forces are about to collide in an epic showdown.**

A HALF-FORMED UNIVERSE.
A POWERFUL ANOMALY.
A POEM THAT IS PROPHECY.

When the Sinker was a child, all she knew was violence. To survive, she fled into the Void—a seemingly infinite nothingness where people live on “rocks,” individual lands spread out in all directions, floating in the vast empty space. Some rocks are giant magnets, others burn with eternal flame, and some are influenced by seemingly magical anomalies with such great powers that evil forces would stop at nothing to possess them. And while most are afraid of traveling through the Void, the Sinker is not. With a sword on her back, she speeds through the darkness, running from a past that is quickly gaining on her.

Emery only knows the comfort of Fairviel, but when her son falls ill and the Sinker arrives on her doorstep, she ventures into the Void in search of a cure. When she returns, Fairviel is destroyed. With no home, Emery begins to sink, chasing a recurring dream that feels bigger than a dream, that feels like the key to *everything*.

But they are not alone in the Void. Mercenaries rise and fall around them, princes and kings guard their kingdoms, and a great machine fuels its ascent by consuming all in its path. With the Void destabilizing, Emery and the Sinker find themselves at a turning point in history, a moment when everything could collapse or realign, and the only thing that may save them exists at the bottom of it all. Or so legend says…

AUTHOR BIO

Damien Ober is a novelist and screenwriter. He was a writer for the Netflix series *The OA* and has written scripts and developed TV shows for Paramount+, AMC, Netflix, and Warner Brothers. His work has appeared in *The Rumpus*, *NOON*, *B O D Y Literature*, *The Baltimore City Paper*, *VLAK*, and *port.man.teau*. He was a co-winner of the Sherwood Anderson Award, was nominated for a 2012 Pushcart Prize, and his screenplay *Randle Is Benign* was selected for the 2013 Black List.

On Sundays She Picked Flowers

Yah Yah Scholfield

BOOK DESCRIPTION

"A ferociously talented writer. Scholfield writes with insight, beauty, and the wildness of real art." —Victor LaValle

In this sinister and surreal Southern Gothic debut, a woman escapes into the uncanny woods of southern Georgia and must contend with ghosts, haints, and most dangerous of all, the truth about herself.

When Judith Rice fled her childhood home, she thought she'd severed her abusive mother's hold on her. She didn't have a plan or destination, just a desperate need to escape. Drawn to the forests of southern Georgia, Jude finds shelter in a house as haunted by its violent history as she is by her own.

Jude embraces the eccentricities of the dilapidated house, soothing its ghosts and haints, honoring its blood-soaked land. And over the next thirteen years, Jude blossoms from her bitter beginnings into a wisewoman, a healer.

But her hard-won peace is threatened when an enigmatic woman shows up on her doorstep. The woman is beautiful but unsettling, captivating but uncanny. Ensnared by her desire for this stranger, Jude is caught off guard by brutal urges suddenly simmering beneath her skin. As the woman stirs up memories of her escape years ago, Jude must confront the calls of violence rooted in her bloodline.

Haunting and thought-provoking, *On Sunday She Picked Flowers* explores retribution, family trauma, and the power of building oneself back up after breaking down.

"One of the most visceral, intense, brutal, and yet honest, works of horror I have read in a long time." —P. Djèlí Clark

"Scholfield tells a story that's as haunting as it is cathartic, as beautiful as it is devastating." —*Arts Atlanta*

AUTHOR BIO

Yah Yah Scholfield's work has been featured in a number of horror and speculative fiction magazines and anthologies, including *Fiyah Lit Mag* and *Death in the Mouth Vol. 1.* They have also published a short story collection, *Just a Little Snack*. When they're not terrifying innocents, Yah Yah is a professional stay-at-home daughter in Atlanta with their cats, Sophie and Chihiro.

Wretch

or, The Unbecoming of Porcelain Khaw

Eric LaRocca

BOOK DESCRIPTION

From rising horror star and award-winning author of *Things Have Gotten Worse Since We Last Spoke* comes a nightmarish, haunting, tech-Gothic thrill ride about sorrow, memory, and the unabashed complexity of love as a transgressive act.

After his husband dies, Simeon Link finds himself overcome by grief and seeking comfort in an unusual support group called The Wretches, who offer an addictive and dangerous source of relief. They introduce Simeon to a curious figure known as Porcelain Khaw—a man with the ability to let those who are grieving have one last intimate moment with their beloved...for a price.

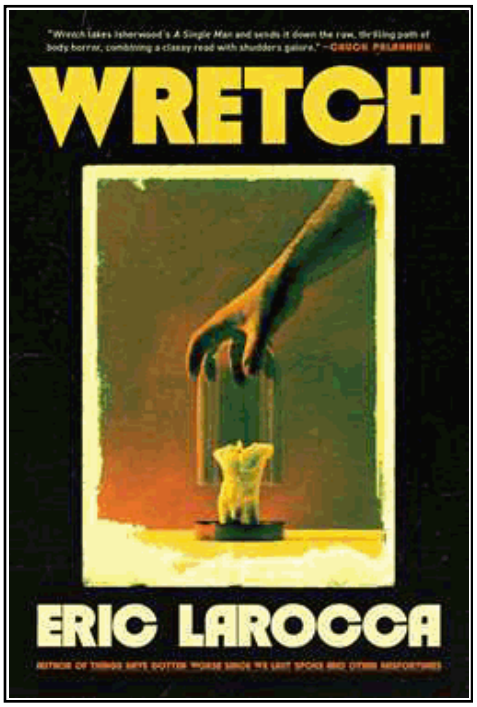

Hallucinatory, fiendish, and destructively beautiful, *Wretch* transports us to a world where not everything is as it seems, and those we love may be the ones who haunt us most.

AUTHOR BIO

Eric LaRocca (he/they) is a three-time Bram Stoker Award finalist and Splatterpunk Award winner. He was named by *Esquire* as one of the “Writers Shaping Horror’s Next Golden Age” and praised by *Locus* as “one of the strongest and most unique voices in contemporary horror fiction.” LaRocca’s notable works include *Things Have Gotten Worse Since We Last Spoke*, *Everything the Darkness Eats*, and *At Dark, I Become Loathsome*. He currently resides in Boston, Massachusetts, with his partner.

River of Bones and Other Stories

Rebecca Roanhorse

BOOK DESCRIPTION

A stunning collection of award-winning fantasy and science fiction short stories from the *New York Times* bestselling author of the Between Earth and Sky trilogy—including a new novella set in the world of *Trail of Lightning*.

Rebecca Roanhorse's first publication, "Welcome to Your Authentic Indian Experience™", was awarded both the Nebula and Hugo award for best short story, and on its strength, Roanhorse was awarded the Astounding Award for Best New Writer. Although Roanhorse began to publish novels including *Trail of Lightning* and *Black Sun*, she has continued to write piercing stories that examine the American experience through marginalized perspectives.

"River of Bones" returns to the Sixth World series with a novella, this time from Kai's perspective, as he and Maggie travel back to where he grew up to save his ex from the people who almost beat him to death—his ex's family.

Based on the Tewa fable of Deer Hunter and White Corn Maiden, "A Brief Lesson in Native American Astronomy"—winner of the 2019 Ignyte award—explores the tradition of celestial-based storytelling, set in a future where virtual reality is nearly indistinguishable from the real world and celebrities can project their images into space as literal stars.

"Falling Bodies" follows a young student at a space station university caught between two disparate worlds—the one he currently inhabits and the one he has desperately tried to escape—as he searches for his place in the universe.

First published in Jordan Peele's *Out There Screaming*, "Eye and Tooth" is a story of black horror about the hunters who hunt the monsters and the monstrous among us.

Through a range of contemporary to outright fantasy and science fiction, these stories will immediately capture your attention from one of our premiere writers of speculative fiction whose work is always at the vanguard of American fiction.

Wife Shaped Bodies

A Novel

Laura Cranehill

BOOK DESCRIPTION

***Sorrowland* meets *Manhunt* in this literary horror debut in which an isolated newlywed—covered in mushroom growths like all the other wives in her community—strikes a precarious balance between following her husband's strict rules and pursuing an intense connection with a woman who makes her question everything.**

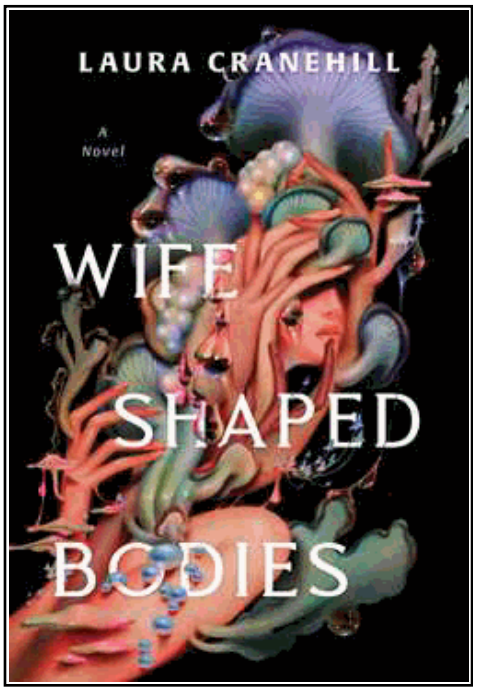

Forbidden from leaving her house from girlhood until marriage, Nicole has only her mother's lessons and what she can see from her bedroom window to draw on in forming her view of the world, and of herself. Taught that the mushrooms which cover the women in her village are repulsive and dangerous, she conforms to a rigid set of rules to protect herself and those around her.

When her wedding day arrives, Nicole moves from one prison to another—an empty mansion on the very outskirts of town belonging to the husband she's been promised to since birth. As she haunts the edges of Silas's unknowable life and decaying home, maintaining control over her own transforming body becomes increasingly impossible. And when another wife with rebellious tendencies pays Nicole an unexpected visit, something within her cracks open. Their furtive explorations yield confusing answers, unearthing the long-buried secrets of the generations of resentful brides that came before. Unmoored, angry, and at last awakened, Nicole must reckon with who she really is, and perhaps, give in to what she truly wants.

Raw, visceral, and relentless, *Wife Shaped Bodies* is an exploration of gender, power, and community through the lens of mycological body horror and an ode to the unsettling beauty of the natural world.

AUTHOR BIO

Laura Cranehill is an amalgamation of horrific faceless things who lives in the Pacific Northwest with her spouse and three children. She is a writer and poet whose work has been published in *Strange Horizons*, *Vastarien*, *ergot.*, *PANK*, and multiple award-winning anthologies. *Wife Shaped Bodies* is her debut novel.

How to Survive Camping: The Lady in Chains

Bonnie Quinn

BOOK DESCRIPTION

Campground manager Kate returns in this supernatural, campy, and cozy horror tale filled with thrilling adventures, mysterious monsters, and spine-chilling encounters, perfect for fans of *Welcome to Night Vale* and Chuck Tingle.

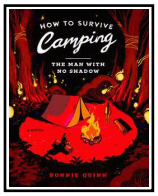

Every year, campground manager Kate sends out a pamphlet titled “How to Survive Your Camping Experience.” It includes a list of rules to help campers have an enjoyable experience and hopefully survive any encounters with the campgrounds other…inhabitants.

With the campground in the throes of a bad year, it will take more than a list of rules to keep everyone safe. Monsters that were previously lying dormant are starting to stir and they’re waking up hungry. Among them is the Lady in Chains, a creature feared by both human and inhuman things alike.

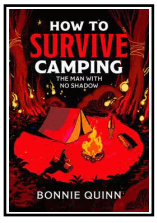

Her reappearance creates an upheaval in the balance of power in the campground by renewing an old grudge with the harvesters, who are willing to sacrifice anyone they get their hands on in order to gain an advantage. On top of all this, the man with the skull cap has started taking an unusual interest in Kate. But with the harvesters on the prowl, the Lady in Chains hunting her down, and a sinister spider infestation, Kate is going to need all the allies she can get, even if those allies aren’t actually…human.

Artifact Space

Arcana Imperii: Book 1

Miles Cameron

BOOK DESCRIPTION

The explosive first entry in a beloved space opera series where one woman's thrilling journey aboard an alien trade ship reveals a hidden past and deadly secrets lurking in the depths of space, perfect for fans of James S.A. Corey and Adrian Tchaikovsky.

Out in the darkness of space, something is targeting the Greatships.

With their vast cargo holds and a crew that could fill a city, the Greatships are the lifeblood of human occupied space. They transport an unimaginable volume—and value—of goods from City, the greatest human orbital, all the way to Tradepoint to trade for xenoglas with an unknowable alien species.

It has always been Marca Nbaro's dream to achieve the near-impossible: escape her upbringing and venture into space. All it took to make her way onto the crew of the Greatship Athens was thousands of hours in simulators, dedication, and the pawning or selling of every scrap of her old life in order to forge a new one. But although she's made her way onboard with fake papers, leaving her old life—and scandals—behind isn't so easy.

She may have just combined all the dangers of her former life with the perils of the new…

AUTHOR BIO

Miles Cameron is a fantasy novelist who currently lives in Toronto, Canada. He is a military veteran and has a degree in medieval history. His debut novel, *The Red Knight*, the first in The Traitor Son novels, was one of the most acclaimed fantasy debuts of 2012 and nominated for the David Gemmell Morningstar award. It is followed by *The Fell Sword*. He also writes highly acclaimed historical fiction under the name Christian Cameron.

Deep Black

Miles Cameron

BOOK DESCRIPTION

This explosive sequel continues the thrilling space opera saga that started with *Artifact Space*, following Marca Nbaro and her crewmates aboard the Greatship *Athens*—perfect for fans of Adrian Tchaikovsky and James S.A. Corey.

Marca Nbaro always dreamed of serving aboard the Greatships, colossal vessels with sprawling crews and cargo holds vast enough to fuel entire cities. These ships keep human space alive, transporting priceless goods from City to far-off Tradepoint to trade for xenoglas with an unknowable alien species.

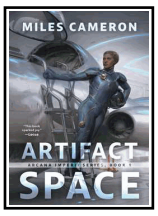

But something sinister is lurking in the dark, and now the Greatships have become the prey.

Racing against time, Marca and her crew must track down an elusive enemy as their allies lose patience and danger closes in. When one of the mysterious aliens they've been trying to understand defects to humanity, it sparks a mission more perilous than anything they've faced before. Marca must risk it all to retrieve the alien and uncover the secrets that could forever alter the fabric of the universe.

Packed with gripping space battles and pulse-pounding alien encounters, *Deep Black* hurtles through a galaxy teetering on the brink of chaos, where every decision could mean survival or annihilation.

The Legend of the Nine-Tailed Fox

Katrina Kwan

BOOK DESCRIPTION

From the author of *The Last Dragon of the East* comes a sweeping fantasy adventure with a dash of romance between a nine-tailed fox and the demon-hunter who captures her, banished to the underworld together and forced to form a reluctant alliance in order to escape the circles of Hell.

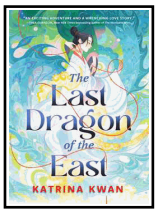

Yue may be the last of her kind. At night, she stalks the streets of the capital city of Longhao, luring in unsuspecting victims with the mask of a beautiful woman, then consuming them in her true form of the nine-tailed fox.

When she is captured by a powerful demon hunter named Sonam and banished to Hell, she manages one final act of revenge: dragging him—and two of his subordinates—down with her.

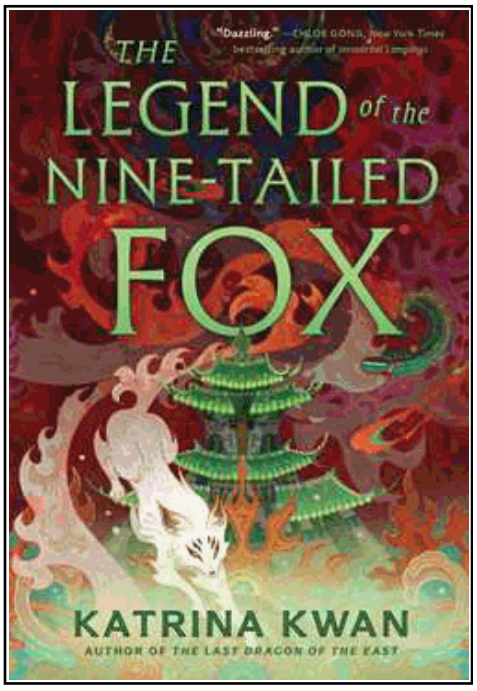

Now trapped in an abyss with unimaginable terrors, they'll need each other's help to navigate Hell and bypass the gods who preside over each circle, each of whom presents the group with a unique and deadly challenge. Forced to depend on one another as they claw their way out of the underworld, both demon and demon hunter discover that there might be more to the other than meets the eye.

AUTHOR BIO

Katrina Kwan is a Vancouver-based fantasy and contemporary romance author. After graduating from Acadia University in 2017 with a BA in political science with honors, Kwan spent the next six years honing her creative skills as a freelance ghostwriter. With several ghostwritten romance novels under her belt, she's ecstatic to finally be writing books under her own name.

The Killing Spell

Shay Kauwe

BOOK DESCRIPTION

In this spellbinding fantasy debut set in a future where language magic reigns, a young Hawaiian woman must solve a murder to clear her name.

Kea Petrova is dealing with more than her fair share of trouble.

At just twenty-five years old, she's the youngest of five Hawaiian clan leaders living on the Homestead in outer Los Angeles. Nearly 200 years ago, when a catastrophic flood submerged the Hawaiian islands and unleashed magic into the world, these clans forged a treaty with the city, establishing a new Hawaiian homeland. But that treaty is about to expire.

Kea struggles to keep her small clan afloat, scraping together rent each month through odd jobs and selling her own crafted Hawaiian language spells. While her talent for language magic is her saving grace, she feels like a shadow of those who came before her. Just when she thinks things can't get any more complicated, the murder of Angelo Reyes—LA's most prominent Filipino activist—turns her world upside-down.

Angelo was killed by a death spell—something that, due to the properties of each school of language magic, can only exist in Hawaiian. With independent spellsmithing being technically illegal, Kea quickly becomes the prime suspect, known for her spellwork on the Homestead. To clear her name, she must unravel the mystery behind Angelo's murder and confront LA's most powerful (and dangerous) players, each wielding their own type of magic. The clock is ticking—can Kea save herself, her clan, and the Homestead before it's too late?

AUTHOR BIO

Shay Kauwe was born and raised on the island of O'ahu and grew up on the Hawaiian Homelands in Waimanalo. She worked in Russia as an English teacher but was eventually drawn back home. While she has a corporate job in telecommunications, Shay continues to educate with the Hawaii Literacy Project. She resides in Honolulu with her husband, Denis, and their poi dog, Iris. Once and Again

A Novel

Rebecca Serle

BOOK DESCRIPTION

***New York Times* bestselling author Rebecca Serle, the author behind "heartbreaking, redemptive, and authentic" (Jamie Ford, *New York Times* bestselling author) modern classic *In Five Years*, returns with an unforgettable tale of a family of women with an astonishing gift: the ability to redo one moment in their lives.**

The women of the Novak family were each born with a gift: they can, just once, turn back time.

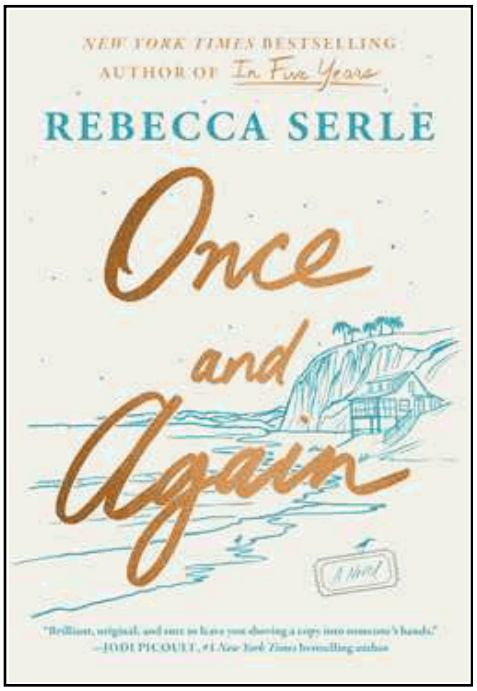

Lauren has known since she was fifteen that her mother Marcella saved Lauren's father from a deadly car accident. Dave is alive and happy, and out on the Malibu waves. But ever since, Marcella, her power spent, has lived in fear of what she won't be able to reverse. Her own mother, Sylvia, is her polar opposite: a free-spirited iconoclast with a glamorous past she only hints at. Lauren has spent her life between these two role models—and waiting for her own catastrophe to strike.

Then one summer, Lauren's husband takes a job in New York and she moves back to Broad Beach Road, back into her childhood home on the shores of Malibu. Lauren looks forward to surfing with her dad again and perhaps repairing an unspoken fracture in her relationship with her mother. What she doesn't expect is for the boy next to door to return home as well: Stone, Lauren's first love, who broke her heart nearly a decade before.

As Lauren falls into familiar patterns, with her family and, more dangerously, Stone, she finds herself thinking about all the choices, large and small, that have brought her to this moment. And wondering, finally, if one of them should be undone.

AUTHOR BIO

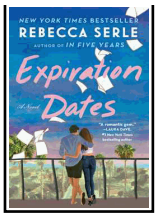

Rebecca Serle is the *New York Times* bestselling author of *Once and Again*, *Expiration Dates*, *One Italian Summer*, *In Five Years*, *The Dinner List*, and the young adult novels *The Edge of Falling* and *When You Were Mine*. Serle also developed the hit TV adaptation *Famous in Love*, based on her YA series of the same name. She is a graduate of USC and The New School and lives in Los Angeles with her husband and daughter. Find out more at RebeccaSerle.com.

Skylark

A GMA Book Club Pick: A Novel

Paula McLain

BOOK DESCRIPTION

A *GOOD MORNING AMERICA* BOOK CLUB PICK!

The *New York Times* bestselling author of *The Paris Wife* weaves a mesmerizing tale of Paris above and below—where a woman's quest for artistic freedom in 1664 intertwines with a doctor's dangerous mission during the German occupation in the 1940s, revealing a story of courage and resistance that transcends time.

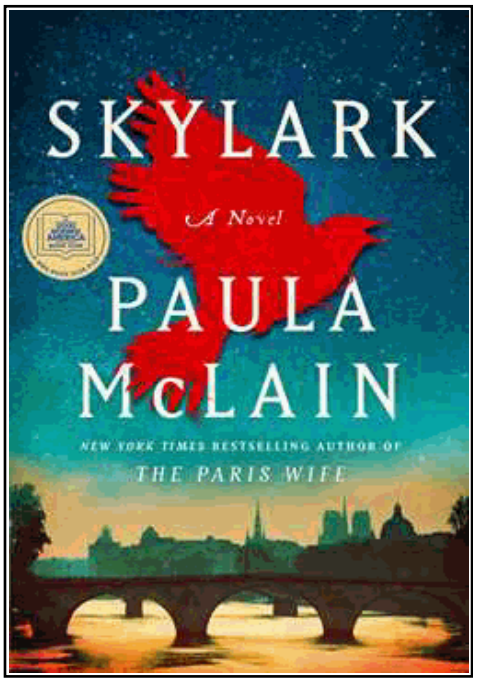

1664: Alouette Voland is the daughter of a master dyer at the famed Gobelin Tapestry Works, who secretly dreams of escaping her circumstances and creating her own masterpiece. When her father is unjustly imprisoned, Alouette's efforts to save him lead to her own confinement in the notorious Salpêtrière asylum, where thousands of women are held captive and cruelly treated. But within its grim walls, she discovers a small group of brave allies, and the possibility of a life bigger than she ever imagined.

1939: Kristof Larson is a medical student beginning his psychiatric residency in Paris, whose neighbors on the Rue de Gobelins are a Jewish family who have fled Poland. When Nazi forces descend on the city, Kristof becomes their only hope for survival, even as his work as a doctor is jeopardized.

A spellbinding and transportive look at a side of Paris known to very few—the underground city that is a mirror reflection of the glories above—Paula McLain's unforgettable new novel chronicles two parallel journeys of defiance and rescue that connect in ways both surprising and deeply moving.

AUTHOR BIO

Paula McLain is the *New York Times* bestselling author of six novels, including *The Paris Wife*, *Circling the Sun*, and *Love and Ruin*, as well as two collections of poetry and a memoir. Her work has been published in over thirty-five countries, and featured in *The New York Times*, *The Guardian*, *Town & Country*, *Real Simple*, and elsewhere.

The Future Saints

A Novel

Ashley Winstead

BOOK DESCRIPTION

A most anticipated book from *Harper's Bazaar*, Goodreads, *Woman's World*, and more!

For fans of *Daisy Jones and the Six* and *In Five Years*—a powerful and transportive new novel about a music executive desperately trying to bring a rock band back from the brink, from bestselling author Ashley Winstead.

The best love stories are the ones you don't expect.

When record executive Theo meets the Future Saints, they're bombing at a dive bar in their hometown. Since the tragic death of their manager, the band has been in a downward spiral and Theo has been dispatched to coax a new—and successful—album out of them, or else let them go.

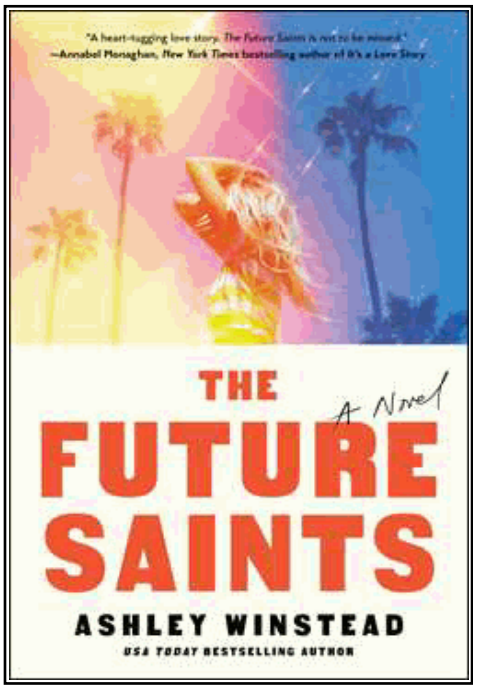

Immediately, Theo is struck by Hannah, the group's impetuous lead singer, who's gone off script by debuting a whole new sound, replacing their California pop with gut-wrenching rock. When this new music goes viral, striking an unexpected chord with fans, Theo puts his career on the line to give the Saints one last shot at success with a new tour, new record, and new start.

But Hannah's grief has larger consequences for the group, and her increasingly destructive antics become a distraction as she and her sister Ginny—her lifelong partner in crime—undermine Theo at every turn. Hannah isn't ready to move on or prepared for the fame she's been chasing, and the weight of her problems jeopardize the band, her growing closeness with Theo, and, worst of all, her relationship with her sister—all while the world watches closely. The Future Saints's big break is here—if only they can survive it.

A novel about sisterhood, friendship, and the ghosts that haunt us, *The Future Saints* is "a mesmerizing look at grief, love, and the music industry that's so raw and emotional, you'll want to play it on repeat" (Laura Hankin, author of *One-Star Romance*).

AUTHOR BIO

Ashley Winstead is an academic turned novelist with a PhD in contemporary American literature. She lives in Houston with her husband, three cats, and beloved wine fridge. Find out more at AshleyWinstead.com.

BOOK DESCRIPTION

A most anticipated book from *Harper's Bazaar*, Goodreads, *Woman's World*, and more!

For fans of *Daisy Jones and the Six* and *In Five Years*—a powerful and transportive new novel about a music executive desperately trying to bring a rock band back from the brink, from bestselling author Ashley Winstead.

The best love stories are the ones you don't expect.

When record executive Theo meets the Future Saints, they're bombing at a dive bar in their hometown. Since the tragic death of their manager, the band has been in a downward spiral and Theo has been dispatched to coax a new—and successful—album out of them, or else let them go.

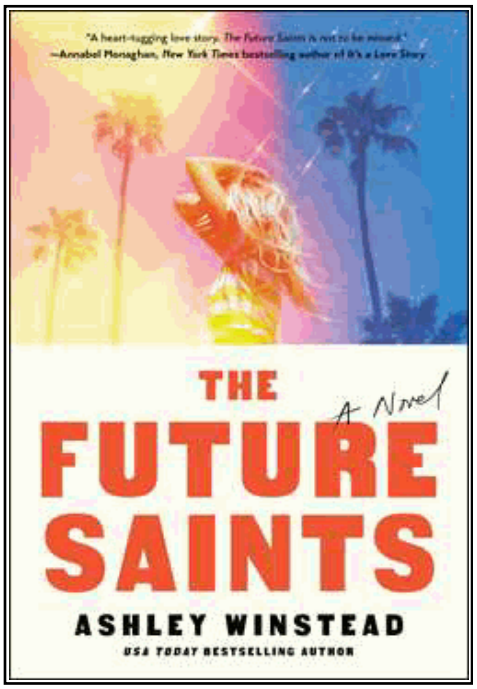

Immediately, Theo is struck by Hannah, the group's impetuous lead singer, who's gone off script by debuting a whole new sound, replacing their California pop with gut-wrenching rock. When this new music goes viral, striking an unexpected chord with fans, Theo puts his career on the line to give the Saints one last shot at success with a new tour, new record, and new start.

But Hannah's grief has larger consequences for the group, and her increasingly destructive antics become a distraction as she and her sister Ginny—her lifelong partner in crime—undermine Theo at every turn. Hannah isn't ready to move on or prepared for the fame she's been chasing, and the weight of her problems jeopardize the band, her growing closeness with Theo, and, worst of all, her relationship with her sister—all while the world watches closely. The Future Saints's big break is here—if only they can survive it.

A novel about sisterhood, friendship, and the ghosts that haunt us, *The Future Saints* is "a mesmerizing look at grief, love, and the music industry that's so raw and emotional, you'll want to play it on repeat" (Laura Hankin, author of *One-Star Romance*).

AUTHOR BIO

Ashley Winstead is an academic turned novelist with a PhD in contemporary American literature. She lives in Houston with her husband, three cats, and beloved wine fridge. Find out more at AshleyWinstead.com.

All We Have Is Time

A Novel

Amy Tordoff

BOOK DESCRIPTION

In this fresh and entrancing debut novel, perfect for fans of *The Invisible Life of Addie LaRue* and *The Ministry of Time*, a jaded immortal woman and a time traveler fall in love across the centuries, learning what it means to really live and love before their time together runs out.

1605, London. Beatrix lives a solitary life in the shadows, wandering the city streets looking for ways to forget. Forget that everyone she has ever loved has been dead for nearly a century. Forget that, for her, love can only ever mean loss. Because Beatrix has a secret: a lifetime ago her deathbed wish was granted, making her immortal.

Until one day, whilst picking pockets amidst the raucous crowds of The Globe Theatre, she meets Oliver. They spend a single, perfect day together before he tells her that he has to leave. She's not surprised; eternity is a lonely place.

When Beatrix and Oliver meet again by chance a century later, recognition hits her like a bolt of lightning. It's impossible. He's impossible. Just like her. A chance for Beatrix to truly live—and love—again sparks into existence.

Woven between the biggest events in history and the quiet moments lost to it, from London in 1605 to Woodstock in 1969 and beyond, *All We Have Is Time* is an unforgettable love story for anyone who believes love can rewrite the rules of time.

AUTHOR BIO

Amy Tordoff, born in Pennsylvania and raised in Connecticut by an American mother and a British father, has always been fascinated by stories. She attended the Rochester Institute of Technology in Rochester, New York, where she was a mentor in the Women of the School of Film and Animation program, completed her thesis in screenwriting, graduated with honors with a BFA in film, and met her husband. When she's not writing, Amy enjoys people watching in the abundant Colorado sunshine, knitting her own sweaters, and sharing trivial facts learned in the name of book research. *All We Have Is Time* is her debut novel. Ruinous Creatures

A Novel

Jessi Cole Jackson

BOOK DESCRIPTION

For fans of *One Dark Window* and T. Kingfisher, comes a standalone romantasy debut about a woman who accidentally awakens the power to siphon magic from two phoenix skulls, binding her fate to a vengeful stranger and forcing them to navigate the devastating cost of their unbreakable bond.

In a sanctuary for magical creatures hidden deep within a valley, magic is born from the bones of extraordinary creatures. For generations, a privileged few have siphoned this magic by wearing the skulls of these creatures and wielding their power.

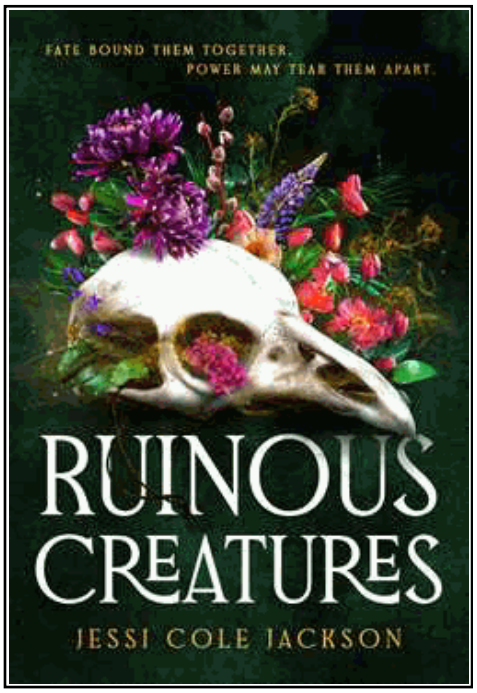

Adela spends her days meticulously preparing these skulls to be matched, ensuring the magic endures and the valley sustains. But when she discovers two phoenix skulls—creatures she had believed only legend—she can't resist the pull of their dormant magic. Defying the warnings of her mentor, Adela awakens the skulls, unleashing a shockwave of power that throws the valley into chaos.

Meanwhile, determined novitiate Kian prepares for the upcoming matching ceremony, but harbors a secret: he is only participating in order to destroy the magic of the skulls to avenge the death of his parents at the hands of this tradition of power.

As Adela and Kian's fates intertwine in the matching hut, the connection between them grows deeper and the power of the phoenix skulls grows louder. An impulsive kiss seals their fate—to each other and each to one of the phoenix skull masks. As they grapple with the consequences of their powerful new magic, their fated connection becomes the key to either the valley's salvation or its ultimate collapse.

AUTHOR BIO

Jessi Cole Jackson's perfect day involves fresh cut flowers, cream-filled pastries, and stories of all sorts. After a dozen years making costumes for professional theatres all over the East Coast, she moved home to rural Michigan, where she now lives with her family. *Ruinous Creatures* is her debut novel. The Caretaker

A Novel

Marcus Kliewer

BOOK DESCRIPTION

Follow the Rites...

Nothing less than the survival of humanity is at stake.

From Marcus Kliewer, a new "titan of the macabre and unsettling" (Erin A. Craig, #1 *New York Times* bestselling author), comes a supernatural horror about a young woman who accepts a caretaking job from Craigslist, only to discover the position has consequences far greater—and more dangerous—than she ever could have imagined.

EXCITING OPPORTUNITY:
Caretaker urgently needed. Three days of work. Competitive pay. Serious applicants ONLY.

Macy Mullins can't say why the job posting grabbed her attention—it had the pull of a fisherman's lure, barbed hook and all—vaguely ominous. But after an endless string of failed job interviews, she's not exactly in the position to be picky. She has rent to pay, groceries to buy, and a younger sister to provide for.

Besides, it's only three days' work…

Three days, cooped up in a stranger's house, surrounded by Oregon Coast wilderness.

What starts as a peculiar side gig soon becomes a waking nightmare. An incomprehensible evil may dwell on this property—and Macy Mullins might just be the only thing standing between it, and the rest of humanity.

Nothing Tastes as Good

A Novel

Luke Dumas

BOOK DESCRIPTION

The acclaimed author of the "disorienting, creepy, paranoia-inducing" (Paul Tremblay, author of *The Cabin at the End of the World*) *A History of Fear* returns with a spine-tingling new thriller about a weight loss treatment with potentially murderous side effects.

Retail worker Emmett Truesdale has never fit the Southern California mold of six-pack, suntanned masculinity. Over three hundred pounds, he carries the weight of his childhood trauma and millennial ennui around his waist and in his soul. After trying every diet under the sun, he remains stuck—in his dead-end job, in love, and in his body.

Desperate for help, he enrolls in a clinical trial for a new weight loss product called Obexity. The treatment is as horrifying as the results are miraculous and as Emmett sheds pounds at superhuman speed, every part of his life improves overnight.

Unfortunately, Obexity comes with some killer side effects, including lost stretches of time and overwhelming cravings. Worse, people who were cruel to him have started disappearing and when the police warn of a cannibalistic killer on the loose, he fears that Obexity is turning him into a monster. But how can he give it up now that people are finally starting to treat him like he's human?

Nerve-racking, sinister, and at times surreal, *Nothing Tastes as Good* is an unputdownable thriller that combines *The Substance* with the best of Stephen King and keeps you guessing until the final page.

AUTHOR BIO

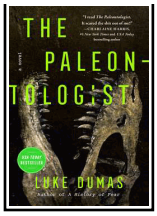

Luke Dumas is the *USA TODAY* bestselling author of *The Paleontologist* and *A History of Fear*. He is the winner of the 2024 ITW Thriller Award for Best Paperback Original, and his work has been optioned for film and TV. He received his master's degree in creative writing from the University of Edinburgh and has worked in nonprofit philanthropy for more than a decade. Luke was born and raised in San Diego, California, where he works for a biomedical research institute.

The Secret of Snow

A Novel

Tina Harnesk; Translated by Alice Menzies

BOOK DESCRIPTION

This lyrical runaway Swedish hit follows a reclusive, elderly couple who cross paths with a pair of twentysomething newcomers in a small mountain town, revealing an unexpected, shared history and the reclamation of a nearly extinct culture.

Meet Máriddja: eccentric, eighty-five years old, and facing a cancer diagnosis. She's determined to keep the truth about her illness from her husband Biera, while also finding someone who can take care of him once she's gone.

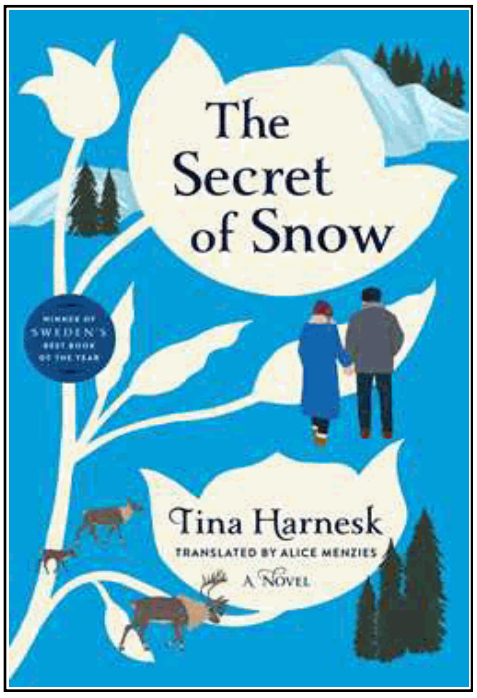

Meet Kaj: a new transplant to the village, recently engaged to Mimmi, and mourning the death of his mother. One day, when Kaj unexpectedly finds a box of Sámi—the indigenous people of Scandinavia—handicrafts belonging to his mother, he unlocks something he never anticipated, something that will change his life for years to come.

A "brilliant debut" (*Aftonbladet Söndag*, Sweden) full of humor and heartbreak, *The Secrets of Snow* movingly grapples with grief, love, and the power of history.

AUTHOR BIO

Tina Harnesk is a writer of Sámi descent born in northern Sweden. She works as a library assistant and lives on a mountain outside Arvidsjaur, Sweden, with her husband and children. *The Secret of Snow* is her debut novel.

Alice Menzies holds an MA in translation theory and practice from University College London, specializing in the Scandinavian languages. She has translated, among other works, *And Every Day the Way Home Gets Longer and Longer* by Fredrik Backman. She lives in London.

A Slow and Secret Poison

A Novel

Carmella Lowkis

BOOK DESCRIPTION

In the early 1900s, a young gardener at a lush English manor falls in love with her employer whose past is shrouded in deadly secrets—from the author of the "twisty, Gothic thriller" (*Entertainment Weekly*) *Spitting Gold*.

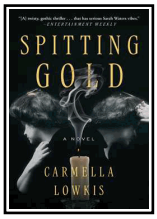

1922, Wiltshire: When Vee Morgan accepts the job of gardener at a crumbling stately home in southwest England, she's hoping it's a fresh start.

But Harfold Manor is shadowed by its own grief and the memories of long-faded glory, its rooms haunted by the only surviving member of the family, Lady Arabella Lascy. Vee is fascinated by her enigmatic new employer, a woman obsessed with the curse she believes has killed her family one by one and is coming for her next. Her only hope for escape is a local folktale: the elusive dancing hare that gave her ancestor its blessing and the house its name.

But even as Vee falls deeper under the thrall of Harfold and Lady Arabella, her own dark past finally catches up to her in this lush and atmospheric novel.

AUTHOR BIO

Carmella Lowkis grew up in Wiltshire, UK, and has a degree in English literature and creative writing from the University of Warwick, where she was mentored by *Sunday Times* (London) bestselling author Sarah Moss. After graduating, she worked in libraries before moving into book marketing. Carmella lives in London with her girlfriend. Frida's Cook

A Novel

Florencia Etcheves

BOOK DESCRIPTION

This colorful, emotive historical debut whisks us to the home of Frida Kahlo, where food, art, and love weave together an unforgettable story of friendship and loyalty, with a bright Coyoacán as a vivid background.

A hidden painting. A buried past. A legacy waiting to be uncovered.

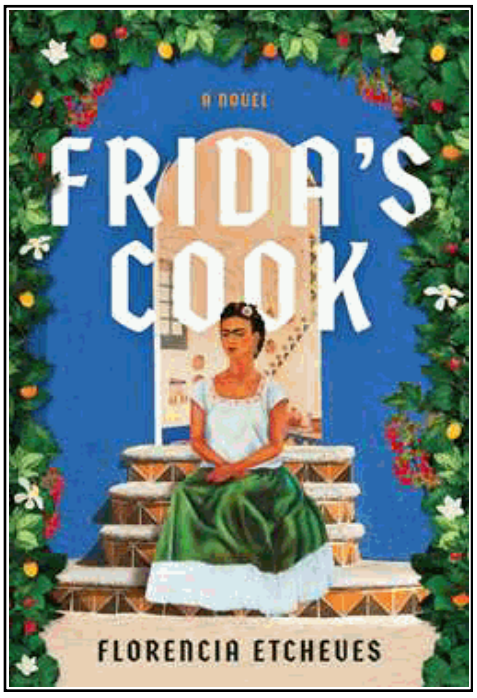

Mexico City, 1939: Young and determined Nayeli Cruz flees from her Oaxaca home to arrive in Mexico City with neither friends nor prospects. Alone and armed only with her sharp wit and extraordinary talent in the kitchen, she finds herself in front of La Caza Azul, the home of Frida Kahlo. As she begins work as the artist's cook, Nayeli is pulled into Frida's world of pain, passion, and defiance. But it isn't long before amid the vibrant tapestry of flavors, scents, and colors, the two women form a deep bond—one that will shape the course of Nayeli's life and leave behind a secret buried in art.

Buenos Aires, Present Day: Paloma, Nayeli's granddaughter, stumbles upon a mysterious painting depicting her grandmother as a young woman. The artist's identity is unknown, but the artwork's existence threatens to unravel long-held family secrets. As Paloma delves into her grandmother's past, she uncovers a tale of passion, betrayal, and resilience that challenges everything she thought she knew about the one woman who raised her.

A lyrical and timeless portrait of the human side of one of the world's most famous painters, *Frida's Cook* celebrates the power of female friendship, art, and love.

AUTHOR BIO

The Briars

A Novel

Sarah Crouch

BOOK DESCRIPTION

The *USA TODAY* bestselling author of *Middletide* returns with a lush and atmospheric novel of suspense following a young woman whose job as a game warden puts her in the path of a murderer in a small town eager to protect its own.

Desperate to escape a relationship gone bad, Annie Heston flees north to accept a job as a game warden in Lake Lumin, a picturesque town in the mountains of the Pacific Northwest.

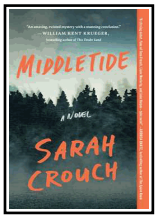

A cougar has been spotted in the area, and as Annie warns the community of the threat, she quickly discovers that not everyone in the tight-knit town is welcoming of outsiders, except for Daniel Barela, a reclusive carpenter who lives in the shadow of the mountain. They form an instant bond, though Annie soon comes to realize there is more to his past than meets the eye.

When the body of a young woman is found in the briars that border Daniel's property, the peace Annie has found in Lake Lumin shatters. As she assists the local sheriff with the investigation, Annie must rely on her wilderness training and intuition to find a murderer hiding in plain sight.

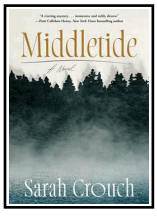

Urgent and emotionally complex, *The Briars* is a captivating literary thriller that marries an exploration of human nature with a plot as thorny and twisted as the brambles for which it is named.

AUTHOR BIO

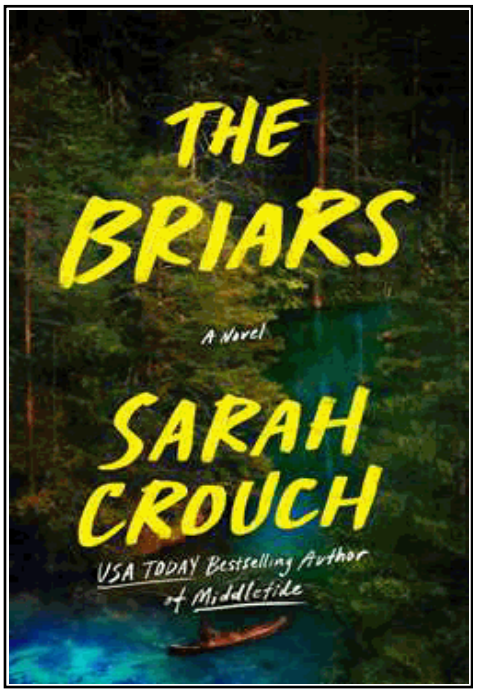

Sarah Crouch is the *USA TODAY* bestselling author of *Middletide* and *The Briars,* literary thrillers set in the Pacific Northwest, where she was raised. She is also known for her accolades in the world of athletics as a professional marathon runner.

Missing

A Novel

E.A. Jackson

BOOK DESCRIPTION

“Utterly gripping, intelligent, and haunting....A TRIUMPH.”
—Will Dean, award-winning author of *Adrift*

In this unputdownable crime thriller for fans of Tana French, a detective returns to a thirty-year-old case—an infamous disappearance in London—that has haunted her entire career and now may jeopardize her future.

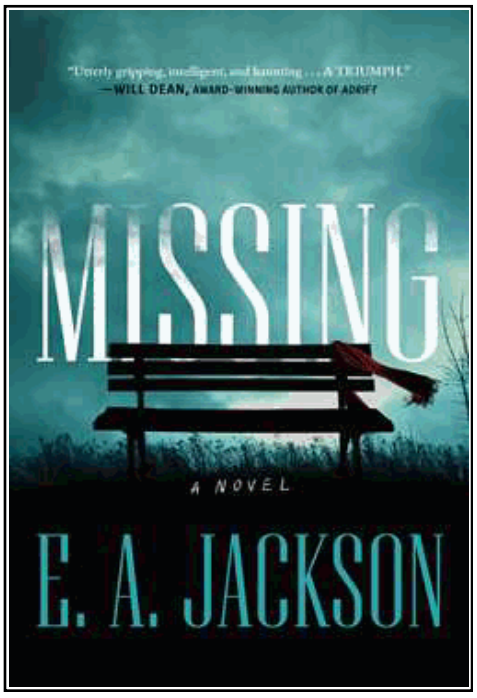

In August 1990, London is suffering through an unprecedented heatwave when baby Bella Carpenter is snatched through the open window of her hotel room. Detective Inspector Martha Allen is assigned the high-profile case and, knowing that it could make or break her career, is determined to find Bella.

When a young woman named Nell Beatty walks into the police station with a baby who appears to be Bella, and whom Nell claims she found on a bench, it seems that the mystery is solved. Her family, the police, and the press are overjoyed at her return. But DI Allen isn’t convinced, something about Nell’s story doesn’t ring true. As much as she wants to continue, however, now that the baby is safe, she’s ordered to close the investigation.

Thirty years later, Nell Beatty is found dead. Now a superintendent, Allen has never really gotten over her doubts about the Carpenter case and can’t resist doing a little digging on her own time, eager to find out what happened to Nell, and her involvement in the baby’s disappearance all those years ago. But will her efforts uncover something darker than she could have ever imagined? And what is she risking as she tries once and for all to reveal the truth?

Pinky Swear

A Novel

Danielle Girard

BOOK DESCRIPTION

From Danielle Girard, the *USA TODAY* bestselling author who "effortlessly ratchets up the tension" (J.T. Ellison, *New York Times* bestselling author), comes a pulse-pounding thriller about a young woman whose surrogate disappears just days before the baby's due date, leading to a frantic search that uncovers dark truths and the power of a mother's love.

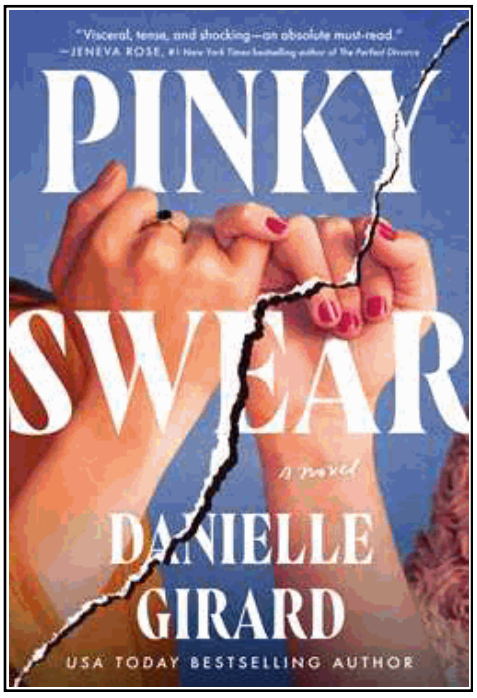

Lexi thought she knew everything about Mara Vannatta. Best friends since middle school, they drifted apart after a tragedy derailed their senior year. But when Mara shows up on Lexi's doorstep sixteen years later fleeing an abusive husband, Lexi takes her in without question. Lexi's own marriage has been strained by her desire to have a baby, and when Mara offers to become her surrogate, their friendship feels stronger than ever.

But four days before the due date, Mara disappears.

Lexi is shocked but certain there must be something wrong—Mara would never willingly leave with her unborn child. Or would she? As she embarks on a perilous cross-country hunt for the truth, Lexi is forced to reconsider a friendship she thought she knew—and what really happened that terrible night their senior year. How many secrets lie in their shared past, waiting to be uncovered? And just how far will Lexi go to bring her child safely home?

AUTHOR BIO

Danielle Girard is the *USA TODAY* bestselling and award-winning author of several novels, including the Annabelle Schwartzman series and *Pinky Swear*. She is also the creator and host of the *Killer Women Podcast*, where she interviews the women who write today's best crime fiction. A graduate of Cornell University, Danielle received her MFA in creative writing at Queens University of Charlotte, North Carolina. When she's not traveling, Danielle lives in the mountains of Montana.

Such Sheltered Lives

A Novel

Alyssa Sheinmel

BOOK DESCRIPTION

For fans of *Nine Perfect Strangers* and *The Midnight Feast*, a moody, atmospheric psychological suspense set in the secretive world of celebrity rehab centers, from *New York Times* bestselling author Alyssa Sheinmel.

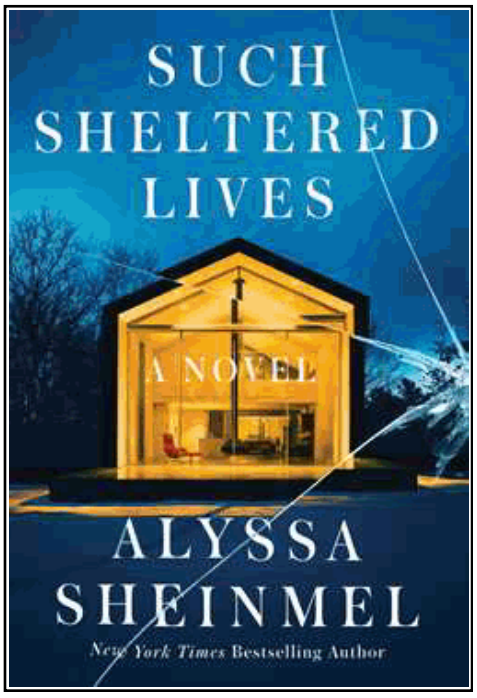

Rush's Recovery promises its wealthy guests the utmost discretion. But when a body is discovered, how long can the center's secrets stay buried?

Tucked among the pristine beaches and lavish manors of the Hamptons sits Rush's Recovery, a rehabilitation center where ultra-high net worth clients can seek treatment away from prying eyes and paparazzi. The center's latest guests have just arrived: Lord Edward of Essex, a British aristocrat fighting his black-sheep status and a painful addiction; Amelia Blue Harris, the daughter of a 90s rock legend struggling with an eating disorder; and Florence Bloom, a pop star trying to lay low after her latest tabloid scandal. Each has been promised the highest standard of care, from daily therapy and a live-in chef to acupuncture sessions and a personal care manager, available 24/7. Just so long as they stay in their private cottages and never interact with the center's other guests.

But these three self-destructive B-listers have no intention of playing by the rules. No amount of cold plunges and talk-therapy can prevent Florence's illicit flirtation with a staff member, or keep Amelia Blue and Lord Edward from sneaking out to wander the snow-covered grounds at night. Celebrities check in to Rush's Recovery to protect their privacy, but the darkest secrets may lie in the center's own history—and not every guest will be checking out alive.

AUTHOR BIO

Alyssa Sheinmel is the *New York Times* bestselling author of several novels for young adults, including *A Danger to Herself and Others*, *The Castle School for Troubled Girls*, and *Faceless*. *Such Sheltered Lives* is her adult debut. Alyssa grew up in Northern California and New York and currently lives and writes in New York. Follow her on Instagram @AlyssaSheinmel or visit her online at AlyssaSheinmel.com.

Adrift

A Novel

Will Dean

BOOK DESCRIPTION

The author of the "master class in suspense" (Shari Lapena, *New York Times* bestselling author) *The Chamber* returns with a high-tension thriller about a family's descent into darkness that is perfect for fans of Dennis Lehane and Lisa Jewell.

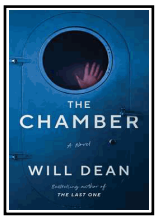

Peggy and Drew, both aspiring writers, move to an isolated canal boat with their fourteen-year-old son. Peggy is the glue that holds their family together, even as their son is bullied relentlessly for his physique and his family's lack of money. But when Drew becomes frustrated by his wife's sudden writing success, he moves their boat further and further from civilization.

With their increasing isolation, personal challenges become harder to ignore, even as they desperately try to break toxic generational patterns. But when Drew's gaslighting becomes too much for Peggy to take, it sets off a catastrophic series of events.

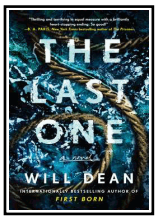

With Will Dean's signature "well-drawn characters and excellent prose" (Sarah Pearse, *New York Times* bestselling author), *Adrift* is gripping exploration of the ties that bind when everything spirals out of control.

AUTHOR BIO

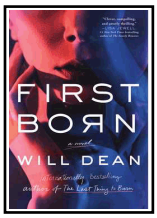

Will Dean grew up in the East Midlands of the United Kingdom. After studying law at the London School of Economics and working in London, he settled in rural Sweden where he built a wooden house in a vast forest, and it's from this base that he compulsively reads and writes. His debut novel, *Dark Pines*, was selected for Zoe Ball's book club on ITV, shortlisted for the National Book Award (UK), *The Guardian*'s Not the Booker prize, and was named a *Telegraph* book of the year. He is also the author of *Adrift*, *The Last One*, *First Born*, *The Last Thing to Burn*, which was shortlisted for the Theakston Old Peculier Crime Novel of the Year, and *The Chamber*.

She Fell Away

A Novel

Lenore Nash

BOOK DESCRIPTION

A State Department diplomat must confront the ghosts of her past as she searches for a missing American woman in New Zealand in this pulse-pounding and unputdownable thriller.

Lake Harlowe may not appear to be your typical State Department diplomat. With the number of skeletons in her closet exceeding the tattoos on her skin, she moves to a new country every few years to keep one step ahead of her personal demons. After two grueling years working in Cambodia, Lake's desperate for a break and a new posting to sleepy Wellington, New Zealand, seems like a dream come true.

That is, until eighteen-year-old singer-songwriter Bowie Bishop mysteriously vanishes shortly after American NFL player Bruce Walter is found dead in his hotel room. An exchange student from Las Vegas, Bowie was a world away from her possessive, washed-up stage mom who won't stop calling until Lake finds her superstar daughter.

All at once, Lake finds herself ensnared in a network of deception involving Bowie's high-profile host family, a shadowy music producer, a casino magnate, and the US ambassador—her boss. Obsessed with finding the truth, Lake soon realizes that to find the missing girl, she must confront her own dark past in this unputdownable thriller that will keep you guessing until the final page.

AUTHOR BIO

Lenore Nash received an MFA in creative writing before joining the Foreign Service. After tours on four continents, she left the diplomatic corps to write full-time. She's a *USA TODAY* bestselling romance author under the pen name Lenora Bell. She divides her time between the US and abroad with her partner and their two rescue cats.

Cold Zero

A Thriller

Brad Thor with Ward Larsen

BOOK DESCRIPTION

From #1 *New York Times* bestselling author Brad Thor and *USA TODAY* bestselling author Ward Larsen, comes a heart-pounding thriller of survival, espionage, and global brinkmanship, where the frozen Arctic becomes the deadliest battlefield on Earth.

A vanished plane. An earth-shattering secret. A countdown to World War III.

Hemisphere Airlines Flight 777—the most advanced jetliner ever built—disappears without a trace over the North Pole. Crippled by sabotage, it crash-lands on the ice, stranding the surviving passengers in a wasteland of frigid cold and chaos.

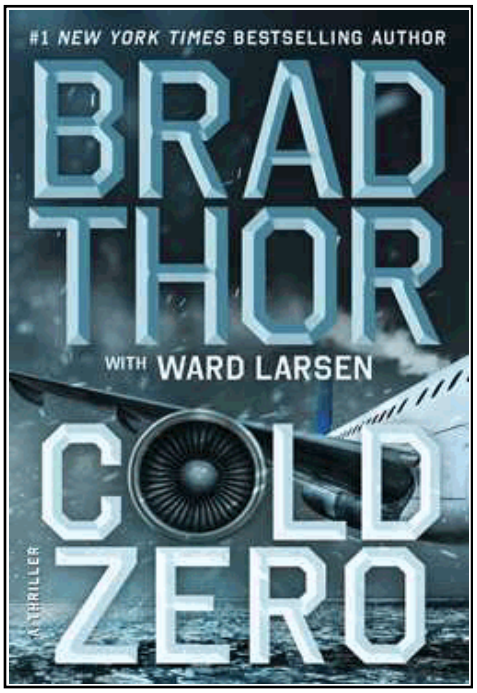

The real storm, however, is still coming.

Hidden inside the wreckage is the prototype for a revolutionary piece of technology that could upend the balance of world power. Now Washington, Moscow, and Beijing are racing to be the first on scene to retrieve it—at *any* cost.

Trapped in the middle of the world's most dangerous flashpoint are CIA operative Kasey Sheridan and former fighter pilot turned first officer, Brett Sharpe. Hunted by enemy forces, they must spirit both the device and its creator across the ice to safety—before rival superpowers turn the Arctic into a war zone.

With the clock ticking and the temperature dropping, the fate of the free world is about to be decided at the top of the globe.

Rifle Season

A Thriller

Pat Kelly

BOOK DESCRIPTION

A game hunter is in a race against time to save his family from the most dangerous predator on earth—other people—in this high-stakes thriller in the vein of Jack Carr and Peter Heller.

Mason “Mace” Winters, with his acclaimed reputation as one of the best big game hunters in Colorado, lives for the thrill of the hunt. His lucrative career guiding the wealthy on intense hunts through the Colorado mountains is suddenly brought to a stop when an accident hangs an involuntary manslaughter conviction around his neck. Now he’s relegated to a life of trash pickup in the very wilderness where his prowess as a tracker and killer was the stuff of legends.

At rock bottom, Mace descends into a haze of Tito’s and sativa when two strangers seek him out. They wave enough cash under his nose to convince him to help them up into the mountains he knows so well on the opening day of Colorado’s rifle season. An innocent enough request, and the perfect cover for the trip’s true purpose: to assassinate an infamous warlord. All at once, Mace goes from unwitting to unwilling accomplice and it will take all his now dusty skills to outfox his patrons in their deadly game.

AUTHOR BIO

Pat Kelly, born in Galveston, Texas, and raised in Denver, attended CU Boulder. After working as a writer in New York City, he pursued screenwriting in Los Angeles, and his credits include *A Perfect Murder* and *Don’t Say a Word*. *Rifle Season* is his debut novel. He currently lives in San Miguel County, Colorado, and Malibu.

Two Kinds of Stranger

A Novel

Steve Cavanagh

BOOK DESCRIPTION

Elly Parker helped a perfect stranger. She didn't know he was the perfect killer…in another "unguessable and unputdownable" (Alex Michaelides, #1 *New York Times* bestselling author) psychological thriller from the author of *Witness 8*.

One offers a helping hand. The other is your worst nightmare...

Social media influencer, Elly Parker, had the perfect life, that is until she discovered her husband had been having an affair with her best friend.

But as hurt, betrayed, unmoored as Elly is, she has made it her mission to help others in need. Even strangers.

When Elly meets a man on the steps to the subway platform, crutches in one hand and a yellow suitcase by his feet, she can't help but feel sorry for him.

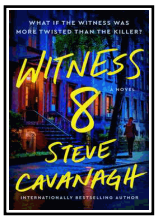

Just as he planned.

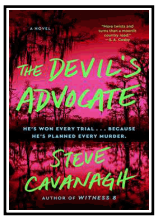

This small act of kindness sets off a change of events more terrifying than anything she ever could imagine.

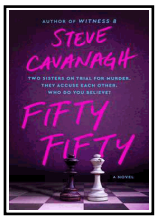

To survive, Elly will need to convince the world what happened to her was real. She needs a lawyer who can bend the rules to find the truth. Eddie Flynn and his team must find the stranger with the yellow suitcase. But little do they know this cunning killer is a master manipulator and is always one step ahead.

AUTHOR BIO

Steve Cavanagh is the bestselling and award-winning author of several books, including the Eddie Flynn series and *Kill for Me, Kill for You*. A former lawyer, he was born and raised in Belfast, Northern Ireland, where he still lives. Find out more at SteveCavanaghAuthor.com.

Just Friends

A Novel

Haley Pham

BOOK DESCRIPTION

This heartwarming and swoon-worthy second chance romance about childhood friends reconnecting as adults is the highly anticipated debut novel from YouTube creator Haley Pham.

Blair and Declan were inseparable growing up—best friends who knew each other better than anyone else. But when an impulsive kiss took them from friends to something more, everything changed. Just as quickly as their romance started, one moment shattered it all, leaving them with nothing but heartbreak and silence.

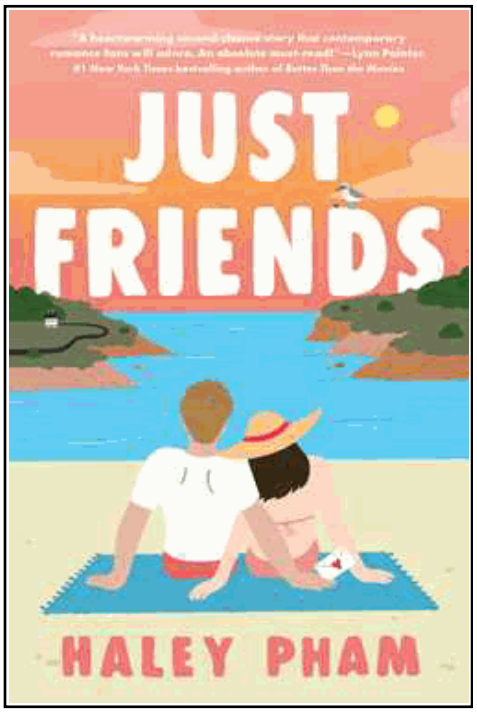

Now, four years later, Blair is back in their coastal hometown of Seabrook to support her mom and care for her great-aunt Lottie as her health declines. To make ends meet, Blair applies to work at a coffee shop—only to discover it's managed by none other than Declan. The boy she loved. The boy she lost. The boy who still makes her heart race.

As Blair's path keeps crossing with Declan's, old wounds resurface, secrets are revealed, and sparks reignite. But could their future ever be free of their past?

Told in dual timelines that unravel the magic and pain of first love, *Just Friends* is a moving, romantic story about second chances, the weight of dreams, and finding your way back to the people who feel like home.

AUTHOR BIO

Haley Pham is a content creator who has been building a dedicated online community for over a decade. She has shared every phase of life with her audience and become a true tastemaker in the book world. *Just Friends* is Haley's debut novel.

Save the Date

A Novel

Mallory Kass

BOOK DESCRIPTION

A romantic comedy of manners about a lavish wedding weekend gone very, very wrong with the slow-burn romance of Emily Henry and the fizzy humor of Sophie Kinsella.

The Bride: Beautiful, seemingly carefree Marigold is tired of being treated like a shallow it-girl. That's one of the many reasons she's excited to marry Jonathan—the handsome, kind, respectable doctor of her dreams. So when a shocking secret from her past threatens to ruin her wedding, she'll do anything to make it disappear...even if it means tracking down a man she vowed to avoid forever.

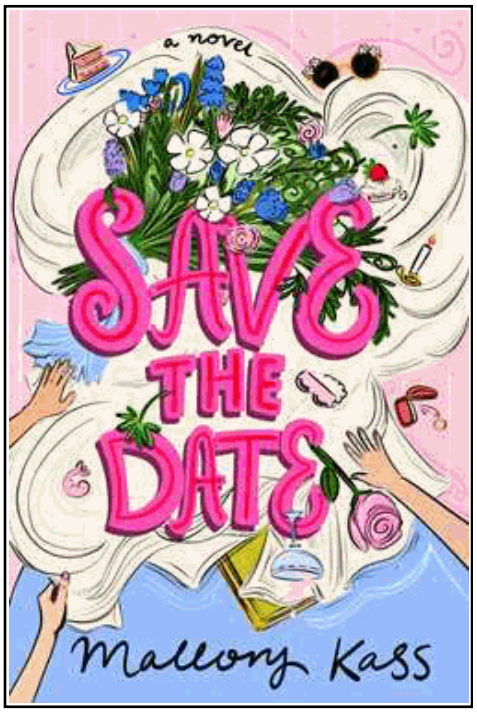

The Maid of Honor: As the bride's best friend, all Natalie wants is for this wedding to go off without a hitch. There's only one problem: Natalie has secretly been in love with the groom since college. When Marigold disappears, Natalie is forced to ask whether she can keep burying her feelings for the sake of friendship...or if she's ready to risk everything to pursue her own happy ending.

The Sister: Olivia has spent her life cleaning up Marigold's messes. So she's determined to keep the wedding on track for the sake of their mother, who's battling cancer and longs for one last perfect weekend. But when Jonathan's best man—a prickly academic with a heart of gold—ropes her into a fake dating scheme, sparks unexpectedly fly. Will Olivia sacrifice her own happiness again, or could this fake relationship turn into the truest choice she's ever made?

Heartwarming, hilarious, and sparklingly romantic, *Save the Date* will have you cheering for love in all its messy, unexpected glory.

AUTHOR BIO

Mallory Kass, also known by the pen name Kass Morgan, is the *New York Times* bestselling author of numerous young adult novels, including the series The 100, which has been translated into over twenty languages and was adapted into a critically acclaimed hit television series. *Save the Date* is her adult fiction debut. Love and Other Brain Experiments

A Novel

Hannah Brohm

BOOK DESCRIPTION

“Perfect for fans of Ali Hazelwood and other STEM romances.” —*Booklist* (starred review)

An academic-rivals-to-lovers rom-com set at a New York conference about two neuroscientists who are forced to pretend they’re dating, leading to unexpected chemistry and a heartfelt journey of self-discovery.

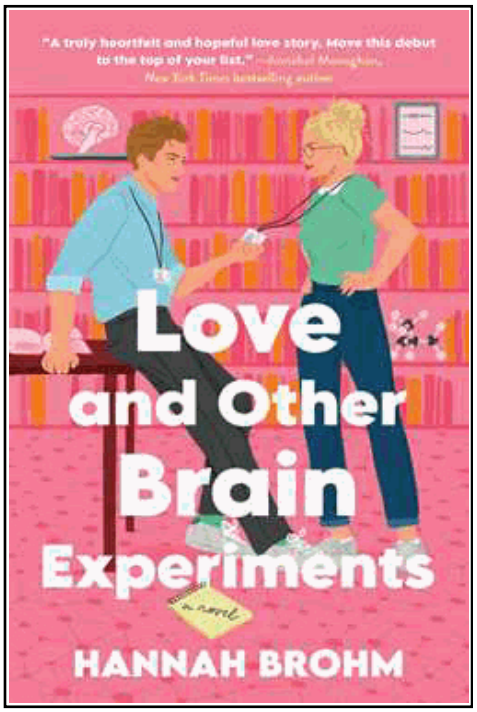

Neuroscientist Dr. Frances Silberstein has success on the brain. As a grad student, she was offered a job by her brilliant boyfriend, but determined to make it on her own, she turned it—and him—down. Now, stuck in postdoc purgatory with no job security and no personal life to speak of, Frances is desperate to make a breakthrough. Her best shot is a summer conference packed with her field’s leading scientists. The only problem? It’s organized by her ex, who has found the success that’s eluded her. But backing out is not an option, because Frances desperately needs to network to save her career.

Enter Dr. Lewis North: her perceptive, meticulous, and inconveniently attractive rival. When their academic sniping gets mistaken for flirtatious chemistry, Frances doesn’t deny it—putting her integrity and career on the line. As soon as her prefrontal cortex is operational again, Frances realizes she needs to keep up the charade, or risk everything she’s worked for. Faking data is out of the question, but fake dating? That might just be the solution she needs.

But as Lewis starts to make her reward centers spark and a major setback has Frances questioning everything, she must confront what she’s willing to chase—for love, for science, and for the future she thought she wanted.

AUTHOR BIO

Hannah Brohm penned her first novel when she was a teen, and yes, it was about vampires. After studying psychology in university and graduating with a PhD in neuroscience, she rediscovered her passion for storytelling and swapped writing articles about brain science for swoony romance novels. Born and raised in Germany, Hannah lived in Portugal, the Netherlands and New York City before moving to London, where she now lives together with her husband and an ever-growing collection of books and handknit sweaters.

Love Me Stalk Me

A Novel

Laura Bishop

BOOK DESCRIPTION

A *USA TODAY* Bestseller

For fans of *Lights Out* and *You* comes a dark rom-com debut about a woman who confides her fantasies to an AI boyfriend app—unaware she's really talking to her hot, tattooed coworker who hacked her phone.

When overworked department store manager Izzy Russo downloads an AI boyfriend app to fill the emotional void left by her inattentive real one, she thinks she's just venting to a harmless chatbot named "Caleb." In reality, she's been pouring her deepest, dirtiest fantasies into the ears of Callahan Knight—her store's brooding new head of security.

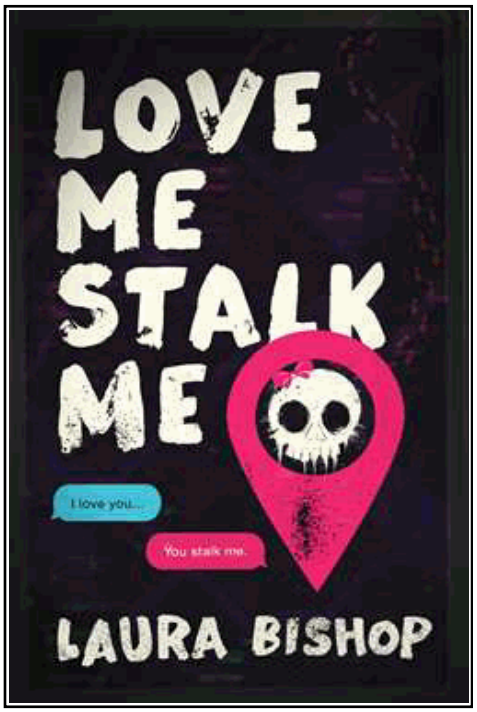

Because Cal? He's been listening. The moment he saw Izzy, he knew she was his. Did he hack her phone? Absolutely. But who could blame him? A woman like Izzy deserves to be cherished by someone who truly knows her worth—and he'll do anything to be that man.

So when Izzy finally sees her boyfriend for who he really is, and the danger she's unknowingly been caught up in, Cal is ready to protect her, no matter the cost. Even if it means revealing the truth.

She might not have meant to build the perfect man. But he's here now. And he's never letting her go.

AUTHOR BIO

Laura Bishop writes books about obsessive men, clever women, and the dangerously thin line between love and psychological warfare. A military spouse and full-time wrangler of two wildly energetic boys, Laura lives in Florida, where she survives on caffeine, chaos, and the occasional quiet moment when everyone's finally asleep—a.k.a. prime stalking-I-mean-writing time. She is the author of *Hate Me Take Me* and *Love Me Stalk Me*.

Any Means Necessary

A Novel

Lila Herron

BOOK DESCRIPTION

This previously self-published debut is a charming and spicy dark romance featuring a plus-size, body confident nurse and the dangerous, tattooed man who becomes obsessed with her. Now with an all-new cover and a never-before-seen chapter.

After a traumatic event at work, plus size ER nurse Lexie West decides to get away from it all and house sit for a friend in New York City.

Callum Russo is a “fixer”—someone who solves problems for powerful people by any means necessary. Not much can shock him…until he returns to the city and finds a vivacious blonde standing in his kitchen.

These two very different people strike a deal that allows Lexie to stay as long as she minds her own business. But it’s not long before she’s being pulled into his world, and Lexie uses her nursing skills to get Callum and his men out of a jam. As Lexie navigates the dark world Callum lives in, mutual attraction begins to grow but is their newfound love strong enough to survive?

AUTHOR BIO

Lila Herron writes dark romance novels with confident, plus-size main characters who are comfortable in their skin and know their worth. She decided to make it her goal to write books she wished she could read and where her readers could see themselves in the stories. When she’s not writing or reading, you can find Lila watching trashy reality TV with her cocker spaniel puppy, Honey. Find her on Instagram and TikTok @AuthorLilaHerron.

How to Fake a Southern Gentleman

A Novel

Mayra Cuevas and Marie Marquardt

BOOK DESCRIPTION

This bighearted rom-com debut reimagines *My Fair Lady*, as two women team up to make over a sexy hustler and take down one of Atlanta's most corrupt men. Along the way, their story sizzles with unexpected friendship and swoony love.

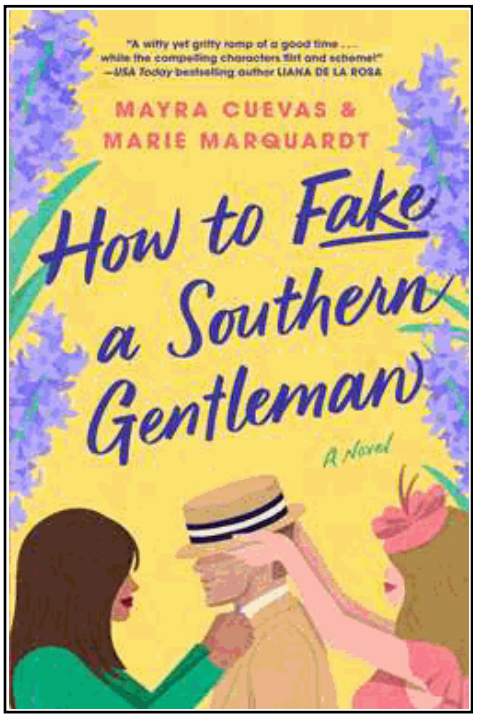

Proud single mom Holly Simmons and ambitious journalist Luisa Martín Moreno have nothing in common—until Atlanta's most powerful man, Griggs Caldecott Johnson III, turns both their lives upside down. Griggs is threatening Holly's job as the events manager at the hoity-toity Dogwood Hills Country Club, while Luisa gets fired for trying to expose his scheme to defraud an immigrant family and snatch up their land for a luxury development.

Determined to fight back, the women team up to infiltrate Griggs's inner circle. Their secret weapon? Elijah Denvil Sweet, a sexy hustler with a knack for reinvention. With a makeover, etiquette lessons, and a little help from Professor Pridmore—a charming, handsome, and single linguistics professor—Eli transforms into "Tripp," the kind of Southern gentleman Griggs might just trust.

But as the plan takes shape, so do tender and unexpected feelings neither woman saw coming—with the very men helping them get justice.

With sparkling wit, strong female friendship, and slow-burn romance, *How to Fake a Southern Gentleman* is perfect for anyone who's ever felt underestimated—and longs for a love that plays by its own rules.

Mayra Cuevas is the award-winning author of picture books and novels for readers of all ages. Her young adult novel *Does My Body Offend You?* (cowritten with Marie Marquardt) was long-listed for the PEN/Faulkner Award. Born and raised in Puerto Rico, Mayra is a former award-winning CNN producer, and currently, a creative writing professor. She co-founded the Latinx Kidlit Book Festival and its Latinx Storytellers Conference. Mayra keeps her sanity by practicing Modern Buddhism and meditation. She splits her time between Atlanta and Puerto Rico. You can find Mayra on Instagram @Mayra.Cuevas and her website MayraCuevas.com.

Marie Marquardt is the award-winning author of four YA novels, including *The Radius of Us* and *Does My Body Offend You?* (with Mayra Cuevas). Marie has also published two nonfiction books and several articles about Latin American immigration. She lives in Decatur, Georgia, with her spouse and four kids. You can connect with her on Substack @MarieMarquardt and through her website MarieMarquardt.com.

Only Friends

A Novel

Lydia San Andres

BOOK DESCRIPTION

“A delightful romantic comedy debut!” —Olivia Dade, *USA TODAY* bestselling author of *Zomromcom* and *Spoiler Alert*

“An excellent and unique premise...San Andres’s love for Regency romance comes through.” —*Library Journal*

Fans of The Regency Vows and For the Love of Austen series will adore this sexy and charming rom-com debut about an aspiring screenwriter and a gorgeous model teaming up to create regency era thirst content for online fans.

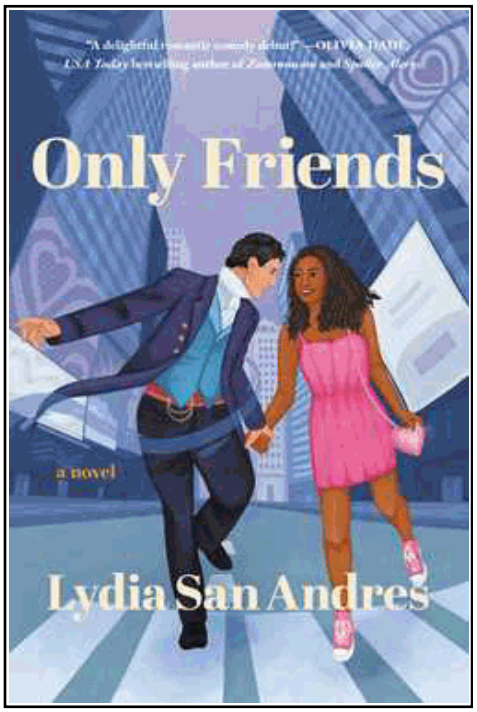

After being fired from her day job, unceremoniously ghosted, and facing a bad case of writer’s block, twenty-six-year-old aspiring screenwriter Mariel Rivera is one spilled coffee away from crying on the subway. When she’s rescued from a Times Square kerfuffle by a very handsome model dressed in regency costume, Mariel has no idea her life is about to change.

Dashwood Bennet has been modeling for years, though recently, his current portfolio includes some more risqué shots. However, he never imagined that after his encounter with Mariel, he’d be putting on his regency breeches just to take them off again…in front of the camera.

Dash is the answer to Mariel’s prayers in more ways than one. First, he saved her from an unruly mob. Second, he’s the perfect person to play the Duke of Harding, a character she’s created that captured her attention and won’t let go. Third, he’s more than game to be the face of her spicy historical shorts. And last but not least, he’s her perfect partner both in business and in the bedroom. But being work-partners-with-benefits can complicate things. Will their partnership survive or are Mariel and Dash doomed to not have their happily ever after?

AUTHOR BIO

Lydia San Andres lives and writes in the tropics, where she can be found reading, sipping coffee, and making excuses to stay out of the sun. As much as she enjoys air-conditioning, she can sometimes be lured outside with the promise of cookies and picnics. Find her on Instagram, Threads, Bluesky, and TikTok @LydiaAllTheTime and on her website LydiaSanAndres.com.

Our World in Ten Buildings

How Architecture Defines Who We Are and How We Live

Michael Murphy

BOOK DESCRIPTION

From "tomorrow's greatest designer" (*The Atlantic*), a personal and deeply researched look at how the choices we build into our environment reflect and determine the way we think, connect, and live.

We've been led to believe that purposefully designed spaces are something reserved only for those that can afford them. But in reality, all the spaces we inhabit—to work, to learn, to heal, and to live—have been planned and built to influence our lives. They sway our emotions, nudge our behaviors, protect us from disease, and do more, or less, to support shared prosperity and our sense of the common good.

Our World in Ten Buildings unpacks this hidden but ever more important element of our lived experience. As author and architectural designer Michael Murphy takes us through ten milestone projects in his career he lays bare the physical, political, and intellectual labor at work shaping the world we live in.

With rare insight, access, and passion, Murphy braids the history of architecture with his own iconic projects to show the power of urban design and how it revolutionizes our homes, minds, workplaces, safety, and health care. Profound, and accessible, *Our World in Ten Buildings* will change the way you look at and think about your surroundings.

AUTHOR BIO

Michael P. Murphy is an architect, educator, and writer, and is the founder and president of AMMA, a design and development collaborative focused on the ways in which space shapes our minds, bodies, and communities. In 2007, he founded the architectural non-profit firm, MASS Design Group, and was CEO until 2022, leading the design of their projects including the Butaro Hospital and The National Memorial for Peace and Justice to name a few. He is currently the Thomas Ventulett Chair of Architecture at The Georgia Institute of Technology. Originally from Poughkeepsie, New York, he lives in Los Angeles with his wife and children.

Spiritual Hygiene

A Practical Path for Clean Living, Inner Authority, and Divine Freedom

Iyanla Vanzant

BOOK DESCRIPTION

#1 *New York Times* bestselling author Iyanla Vanzant returns with an exciting new book introducing the transformational practice of spiritual hygiene!

Spiritual Hygiene is a spiritually based guidebook born of lived experience, personal loss, and divine assignment. With clarity and compassion, Iyanla Vanzant brings readers onto a transformational path of remembering, restoring, and realigning their inner temple. Inspired by the life and passing of Iyanla's daughter, Nisa, and Iyanla's own personal healing journey, this book teaches that just as we tend to our physical hygiene, our mental, emotional, and spiritual wellness also require conscious daily care and sacred maintenance. In a world overwhelmed by emotional clutter, mental chaos, physical depletion, and spiritual confusion, *Spiritual Hygiene* offers a life-affirming framework to cleanse the mind, heart, body, and soul, facilitating a return to sacred alignment.

Spiritual Hygiene guides readers to:

- Release toxic emotional patterns and outdated mental narratives.
- Develop sacred boundaries that lead to energetic clarity.
- Recognize the voice of trauma so it can be silenced.
- Reconnect with our Divine purpose with intentionality, personal healing ritual, silence, and inner alignment.
- Embrace sorrow, grief, and loss as teachers and portals to deeper wisdom.

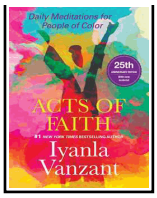

AUTHOR BIO

Iyanla Vanzant is the #1 *New York Times* bestselling author of seventeen books that have been translated into twenty-three languages, and the host and executive producer of the award-winning *Iyanla: Fix My Life*, the #1 reality show on OWN, the Oprah Winfrey Network. As Founder of Inner Visions World Wide, Iyanla is actively engaged in personal development courses and ongoing training programs for spiritual life coaches, and ordained ministers at Inner Visions Institute for Spiritual Development.

Tell Me How You Eat

Food, Power, and the Will to Live

Amber Husain

BOOK DESCRIPTION

***Bustle*'s Most Anticipated**

An intimate and expansive exploration of how and why we eat, and the relationship between food and empowerment, through the historic feasts and fasts of radicals and tyrants.

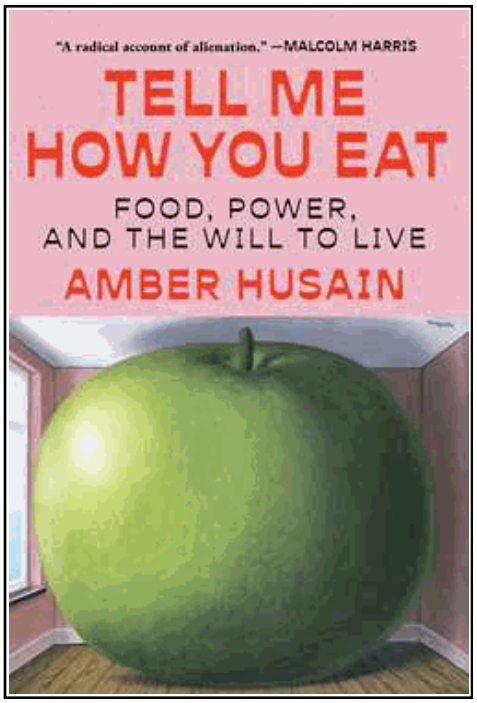

Inspired by writer Amber Husain's unorthodox route to healing from anorexia, *Tell Me How You Eat* examines not just how society views the refusal to eat, but how we understand the meaning and power of food. Suspecting that the standard courses of treatment—as disempowering as they are ineffective—might in fact be part of the underlying problem, Husain took part in an experimental psylocibin treatment study. Where the medical model typically tries to fix the difficult non-eater, this trial opened her mind to the idea that there might be more to fix beyond the self—that our relationship with food might be closely entwined with our outlook on the world.

Through five chapters taking in hunger, restriction, gorging, feeding, and the making of political demands, Husain turns away from thinking about how people are shaped by food to think instead about how food can inspire people to reshape the world. Each chapter searches for reasons to eat and live through histories ranging from pus-drinking medieval nuns to Black Panther breakfast programs; from 1950s lesbian dinner parties to modern-day Gazan food bloggers.

In a culture that insists "you are what you eat," and makes every bite a fraught moral choice, Husain argues that we will only feel truly nourished when we can eat in the spirit of restoring a collective right to food, long eroded over centuries of systems and narratives that have normalized deprivation.

AUTHOR BIO

Amber Husain is a writer based in South London, UK. She is the author of *Tell Me How You Eat*, *Meat Love*, and *Replace Me*. Her essays on politics, literature, and art have been published in *Granta*, *The New York Times*, *Baffler*, and more. She has a PhD from UCL in the history of art and mind-body medicine in late-20th-century Britain. She teaches history of art, creative writing, and criticism. Lucky Devils

The True Story of Three Rebel Gamblers Who Beat the Odds and Changed the Game

Kit Chellel

BOOK DESCRIPTION

The rollicking true story of a trio of gamblers hell-bent on beating the house, who used their ingenuity to rake in hundreds of millions of dollars, transforming the way betting games are played.

In the late 1970s, three men declared war on the casino. They were card counters and misfits who arrived in Las Vegas determined to make their fortune. When blackjack got too easy—and they got kicked out of too many casinos—they aimed for bigger prey. Could they predict a roulette wheel's outcome by sight alone? Use computers to "solve" poker? Anticipate game-day outcomes better than veteran bookies? Crunch enough numbers to predict which horse would come in first? Using innovative strategies and technology that was decades ahead of its time, they did all that and more. They became pioneers of "advantage play." Their pursuit of an edge would take them from the Las Vegas Strip to the grand casinos of Northern Europe to the sprawling, 85,000-capacity racetracks of Hong Kong. For more than thirty years they faced down angry pit bosses, violent mafiosos, bankruptcies, nights in foreign jails, lawsuits, and personal betrayals. They learned that the only thing harder than reaching the pinnacle of gambling is staying there. Drawing from exclusive interviews with the three players and their associates, award-winning *Bloomberg* journalist Kit Chellel delivers a cinematic and often uproarious account of fortunes gained, lost, and gained again. Scrupulously reported and irresistibly told, *Lucky Devils* reveals how these players did more than simply amass wealth; they revolutionized the game itself. Along the way, they defied gambling's oldest rule. The house doesn't *always* win.

AUTHOR BIO

Kit Chellel is a reporter at *Bloomberg* and *Businessweek Magazine*, covering sports gambling, financial scandals, state-sponsored espionage, and more. He has received a Gerald Loeb Award, an Overseas Press Club Award, and a feature reporting prize from the New York Press Club. He is coauthor, with Matthew Campbell, of *Dead in the Water*, which was shortlisted for the *Financial Times* Business Book of the Year Award.

To Catch a Fascist

The Fight to Expose the Radical Right

Christopher Mathias

BOOK DESCRIPTION

A searing, provocative investigation into the rise of white nationalist and neo-Nazi movements in the United States, centered on the anti-fascist groups working to expose and stop these hateful factions.

Demonized as “extremist” by conservatives and liberals alike, “antifa” became a bogeyman during Donald Trump’s first term. But few Americans understood the dangerous work antifa was doing to disrupt and unmask a new generation of white supremacists or listened when antifa sounded the alarm about these white supremacists taking positions of power. Now this underground network of militant anti-fascists is determined to stop the rising tide of fascism in America. No matter the cost.

In the tradition of in-the-room investigative classics such as *The Smartest Guys in the Room* and *Bad Blood*, *To Catch a Fascist* follows different factions of antifascists as they work to unmask hateful extremists before they commit devastating acts of violence. With searing detail and exclusive reporting, *To Catch a Fascist* paints a vivid picture of the stakes in this ongoing, often unseen war between opposite ends of the political spectrum, highlighting the scrappy resourcefulness and resilience of anti-fascist movements against their increasingly violent adversaries. Utilizing razor-sharp storytelling and eye-opening insight, this timely and necessary book reveals the human cost, moral dilemmas, and unwavering determination involved in fighting white supremacy.

Both a call to action and a pulse-raising look at the powerful work being done to combat today’s gravest threat to democracy, *To Catch a Fascist* will inspire you to fight for your community.

AUTHOR BIO

Christopher Mathias is a journalist covering the far right. Previously a senior reporter at *HuffPost*, he’s done work for MSNBC, Zeteo, and WNYC. His reporting chronicled the rapid radicalization of the GOP, and has helped unmask white supremacist cops, soldiers, teachers, and politicians. Mathias was a Deadline Awards finalist for feature writing. He lives in New York and goes by @LetsGoMathias on BlueSky and X.

Arsenio

A Memoir

Arsenio Hall

BOOK DESCRIPTION

Arsenio Hall, America's beloved late-night TV host, reveals the ups and downs of his remarkable career as a trailblazing pioneer with this behind-the-scenes, star-studded, no-holds-barred memoir of celebrity, race, and show business.

Arsenio Hall holds a uniquely prominent place in American culture—celebrated late-night host and comedic actor, famed for starring roles in the cultural touchstones *Coming to America* and *Harlem Nights*.

Now, he pulls back the curtain and takes us to a different time in Hollywood. Iconic scenes include: starting out as a young magician in Cleveland; hosting his first talk show in the basement of his apartment building when he was in elementary school; cutting his teeth at the world-famous Comedy Store in Hollywood, learning about comedy and life from legendary comedian Richard Pryor; forming lifelong bonds with legendary icons Muhammad Ali, Luther Vandross, Sammy Davis, Jr., and Eddie Murphy; tasting superstar success with *Coming to America*, the film that preceded *The Arsenio Hall Show*; conducting unforgettable, groundbreaking interviews with Magic Johnson, Bill Clinton, Tupac Shakur, Maya Angelou, Madonna, and Minister Louis Farrakhan; rescuing a family from a home-fire with Jay Leno; sharing hot sauces and blackjack with Patti LaBelle; and chilling with Prince.

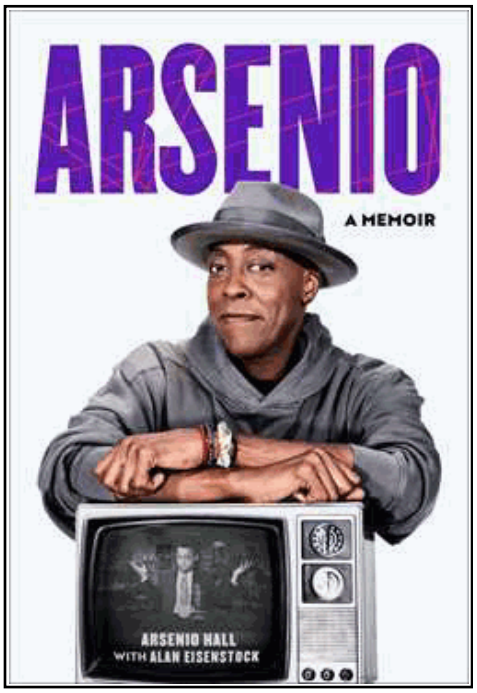

And then, he made the difficult decision to walk away.

This bracingly candid memoir offers a new appreciation for this raw talent and gifted storyteller, who nightly, for six years, hosted what felt like a televised "party" that changed the landscape of late-night television and brought Black culture into living rooms across America.

With this book, he does it one more time.

AUTHOR BIO

Arsenio Hall is a comedian, talk show host, producer, writer, and actor. He was the nation's most renowned Black late-night talk show host with *The Arsenio Hall Show* and has appeared in the beloved films *Coming to America* and *Harlem Nights*. Follow him on X @ArsenioHall.

The Voice in my head is God

2 Chainz with Derrick Harriell

BOOK DESCRIPTION

In his most personal work yet, Grammy Award–winning rapper 2 Chainz shares the spiritual journey behind his success, offering a raw, reflective, and deeply motivational meditation on the inner voice that's guided him his whole life: God.

Before he was 2 Chainz, he was Tauheed Epps—an only child growing up in College Park, Georgia, raised by a single mother while his father served time in prison. Though he excelled in school and earned a basketball scholarship, the streets were never far behind, and by fifteen, he had been arrested and was hustling to survive. He faced doubt and self-destruction, but even then, something told him there had to be more.

In THE VOICE IN MY HEAD IS GOD, 2 Chainz tells the story of how he walked away from the trap and found his purpose: not by fame or fear, but by faith. With his unmistakable voice and unflinching honesty, he reflects on the hardest moments of his life and the quiet revelations that shaped him. From the spiritual alarms he couldn't ignore to the mentors who showed up at the right time, he explores how his music and verses poured out when he finally listened to the voice that had been there all along.

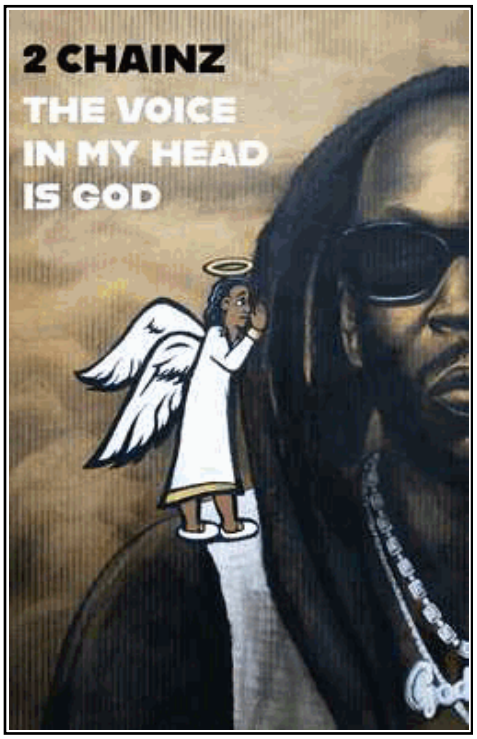

From hanging with Lil Wayne to getting early help from Ludacris, 2 Chainz brings us into the defining moments of his life and career while delivering a powerful message about discipline, divine timing, and self-belief. Along the way, he offers more than a memoir. He shares a way of thinking, of trusting yourself, and of listening to the voice that never steers you wrong.

Lyrical, grounded, and fiercely motivational THE VOICE IN MY HEAD IS GOD is part blueprint and all heart.

AUTHOR BIO

2 Chainz is a Grammy Award–winning artist whose number-one albums and multiplatinum singles have defined the sound of a generation. Widely recognized as one of hip-hop's most influential power players, he helped carry Atlanta trap into the global mainstream while building a business portfolio spanning film, television, real estate, cannabis, food, fashion, and sports.

Follow him on X and IG @2Chainz.

The Mixed Marriage Project

A Memoir of Love, Race, and Family

Dorothy Roberts

BOOK DESCRIPTION

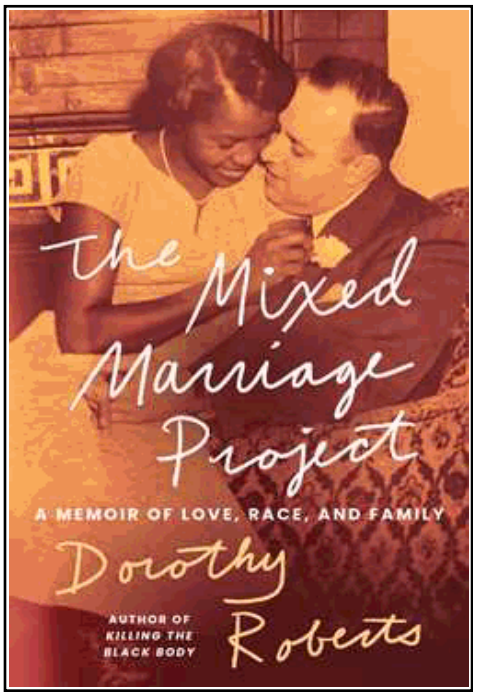

From Dorothy Roberts, author of *Killing the Black Body* and a writer who "has brilliantly illuminated the Black experience in America for decades" (Bryan Stevenson), comes a spirited and riveting memoir of growing up in an interracial family in 1960s Chicago and a daughter's journey to understand her parents' marriage—and her own identity.

Dorothy Roberts grew up in a deeply segregated Chicago of the 1960s where relationships barely crossed the "colorline." Yet inside her own home, where her father was white and her mother a Black Jamaican immigrant, interracial marriage wasn't just a part of her upbringing, it was a shared mission. Her father, an anthropologist, spent her entire childhood working on a book about Black-white marriages—a project he never finished but shaped every aspect of their family life.

As a 21-year-old graduate student, Dorothy's father dedicated himself to the study of interracial marriage and her mother soon became his full-time partner in that work. Together over the years they interviewed over 500 couples and assembled stunning stories about interracial marriages that took place as early as the 1880s—studying, but also living, championing, and believing in their power to advance social equality.

Decades later, while sorting through her father's papers, Roberts uncovers a truth that upends everything she thought she knew about her family: her father's research didn't begin with her parents' love story—it came long before it. This discovery forces her to wrestle with her father's intentions, her own views about interracial relationships, and where she fits in that story. Rather than finish the book her father never published, Roberts immerses herself in their archive of interviews to trace the story of her parents and to better understand her own.

Though grounded in her parents' research, it's Roberts' captivating storytelling that drives this memoir. In following the arc of her parents' interviews and marriage, *The Mixed Marriage Project* invites us into the everyday lives of interracial couples in Chicago over four decades. Along the way, Roberts reflects on her own childhood as a Black girl with a white father, and how those experiences shaped her into one of today's most prominent public thinkers and scholars on race. Blurring the boundaries between the political and the personal, between memoir and history, *The Mixed Marriage Project* is a deeply moving meditation on family, race, identity, and love.

Murder Bimbo

A Novel

Rebecca Novack

BOOK DESCRIPTION

"*Murder Bimbo* is *Gone Girl* for the Luigi Mangione era, and Rebecca Novack is one of our funniest and most acerbic new writers." —Catherine Lacey, author of *Biography of X*

The exhilaratingly twisty story of sex worker turned political assassin on the run, *Murder Bimbo* is an unputdownable and wholly fresh take on truth, murder, and optics in our national moment.

A thirty-two-year-old sex worker is shocked when she's approached by undercover government agents to aid them in a top-secret plot to assassinate a politician known as Meat Neck. But once the deed is done, she realizes what made her the perfect recruit: She's 100% disposable.

Holed up in an off-the-grid cabin in the woods, she now has only two days, her wits, and a laptop to save her own life.

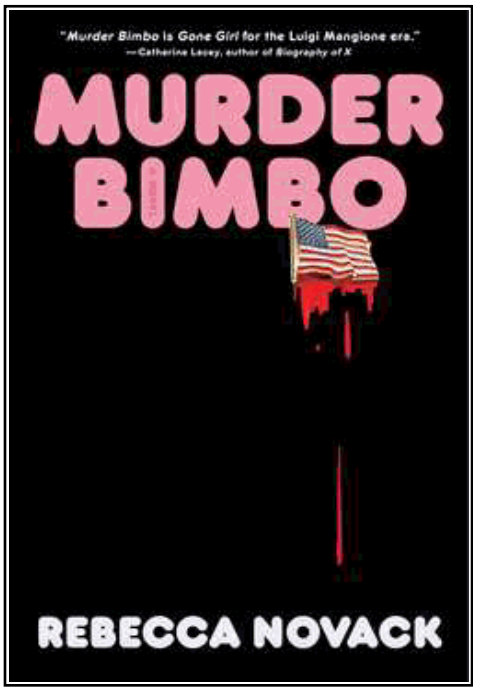

Her best bet is to reach out to the wildly popular feminist investigative podcast *Justice for Bimbos*. In a hastily typed series of emails, the newly minted "Murder Bimbo" explains how she was recruited and then trained by a cabal of code-named US agents to take out Meat Neck.

Then she opens a new email. This time, it's addressed to her ex, and the facts line up a little differently…

Constructed in three increasingly unhinged acts, each a more subversive version of the story than the last, *Murder Bimbo* can be read as a gloriously bold literary thriller, a satirical vigilante's manifesto, or a raucous send-up of the political insanity we all live inside every day. Either way, it's a dead-serious announcement of an electric new voice in American literature.

AUTHOR BIO

Rebecca Novack grew up in the Rocky Mountains. She has a master's in theological studies from Harvard Divinity school.

Honey in the Wound

A Novel

Jiyoung Han

BOOK DESCRIPTION

A lyrical and suspenseful debut novel about a mysteriously gifted Korean family confronting the brutality of the Japanese empire, *Honey in the Wound* is an epic tale of survival and the reclamation of power.

A sister disappears and returns as a tiger. A mother's voice compels the truth from any tongue. A granddaughter divines secrets in others' dreams. These women are all of one lineage—a Korean family split across decades and borders by Japanese imperialism.

At this saga's heart is Young-Ja, a girl who infuses food with her emotions. She revels in her gift for cooking, nourishing the people she loves with her cheerfulness. But her sunny childhood comes to an end in 1931 when Japanese soldiers crush her family's defiance against the Empire. Young-Ja is cast adrift, her food turning increasingly bitter with grief. When a Korean rebel fighter notices her talents, however, she is whisked off to Manchuria to join a secretive sisterhood of beautiful teahouse spies. There, Young-Ja finds a new sense of belonging and starts using her abilities for the resistance. But the Imperial Army is not yet finished with her…

Decades later, Young-Ja lives alone in Seoul, withdrawn from the world until her Tokyo-born granddaughter Rinako bursts into her life with the ability to see into dreams. In cultivating a tentative bond, they confront the long-buried past in a stunning emotional climax.

As an unforgettable family perseveres in the long shadow of colonialism, *Honey in the Wound* transports readers to mountain forests where tiger-girls stalk, to Manchurian teahouses and opium dens where charming smiles veil secrets, and to the modern metropolises of Tokyo and Seoul where restless ghosts stir. This debut novel is a tender yet powerful multi-generational drama that shines light onto the twentieth century's darkest corners and gives voice to those who bore witness.

AUTHOR BIO

Jiyoung Han was born in Seoul, Korea, and grew up in the American Midwest. She has lived and worked in four continents but now calls San Francisco home. When not writing, she conducts research in climate change and human decision-making. *Honey in the Wound* is her debut novel.

Honey in the Wound

A Novel

Jiyoung Han

BOOK DESCRIPTION

A lyrical and suspenseful debut novel about a mysteriously gifted Korean family confronting the brutality of the Japanese empire, *Honey in the Wound* is an epic tale of survival and the reclamation of power.

A sister disappears and returns as a tiger. A mother's voice compels the truth from any tongue. A granddaughter divines secrets in others' dreams. These women are all of one lineage—a Korean family split across decades and borders by Japanese imperialism.

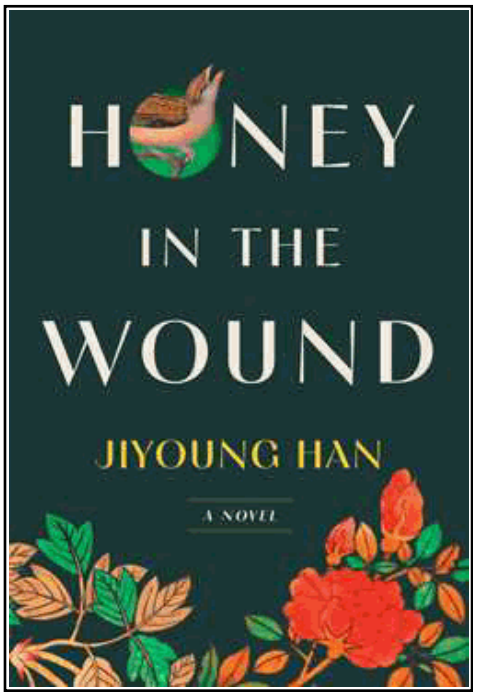

At this saga's heart is Young-Ja, a girl who infuses food with her emotions. She revels in her gift for cooking, nourishing the people she loves with her cheerfulness. But her sunny childhood comes to an end in 1931 when Japanese soldiers crush her family's defiance against the Empire. Young-Ja is cast adrift, her food turning increasingly bitter with grief. When a Korean rebel fighter notices her talents, however, she is whisked off to Manchuria to join a secretive sisterhood of beautiful teahouse spies. There, Young-Ja finds a new sense of belonging and starts using her abilities for the resistance. But the Imperial Army is not yet finished with her…

Decades later, Young-Ja lives alone in Seoul, withdrawn from the world until her Tokyo-born granddaughter Rinako bursts into her life with the ability to see into dreams. In cultivating a tentative bond, they confront the long-buried past in a stunning emotional climax.

As an unforgettable family perseveres in the long shadow of colonialism, *Honey in the Wound* transports readers to mountain forests where tiger-girls stalk, to Manchurian teahouses and opium dens where charming smiles veil secrets, and to the modern metropolises of Tokyo and Seoul where restless ghosts stir. This debut novel is a tender yet powerful multi-generational drama that shines light onto the twentieth century's darkest corners and gives voice to those who bore witness.

AUTHOR BIO

Jiyoung Han was born in Seoul, Korea, and grew up in the American Midwest. She has lived and worked in four continents but now calls San Francisco home. When not writing, she conducts research in climate change and human decision-making. *Honey in the Wound* is her debut novel.

I Am Agatha

A Novel

Nancy Foley

BOOK DESCRIPTION

For readers of Elizabeth Strout and Sigrid Nunez, a darkly funny and moving debut novel about the unforgettable Agatha, whose devotion to a widow with dementia (and an inconvenient attachment to her daughter's grave) sparks a radical reckoning with life, loss, and love's aftermath.

Agatha, a bristly painter fleeing her own darkness, decamps to rural New Mexico to live the reclusive life of a small-town curmudgeon. It is there she meets Alice, a mild widow with a deepening case of dementia who keeps steady vigil at her daughter's backyard grave. Despite Agatha's rough edges and fierce aversion to sentimentality, she surprises herself by falling in love, and her well-worn convictions begin to upend.

As Alice's condition worsens, Agatha hatches a plan for them to live together at her remote residence at Mesa Portales. But when Alice's wayward son comes along with different ideas—and Alice suddenly goes missing—Agatha takes matters into her own hands with the help of a faithful thirteen-year-old-neighbor, a pair of shovels, and her trusty pickup, embarking on an unusual mission that calls into question whether some secrets are better kept buried.

Sharp, watchful, at once thrillingly perceptive and hidden from herself, Agatha is as imposing as the vast landscape her rustic adobe home overlooks. Loosely inspired by the life of Agnes Martin, *I Am Agatha* introduces us to this irascible, indelible character who learns—over a stretch of strange, singular days—new ways to fathom life, death, and her own heart.

AUTHOR BIO

Nancy Foley grew up in New Mexico. She has been a writer in residence at Hedgebrook, and divides her time between New Mexico and Oregon. *I Am Agatha* is her first novel.

Just Watch Me

A Novel

Lior Torenberg

BOOK DESCRIPTION

***Fleabag* meets *Big Swiss* in this bold debut about a charismatic misfit who livestreams her life for seven days and nights to raise money to save her comatose sister—a poignant and darkly funny exploration of grief, forgiveness, and redemption.**

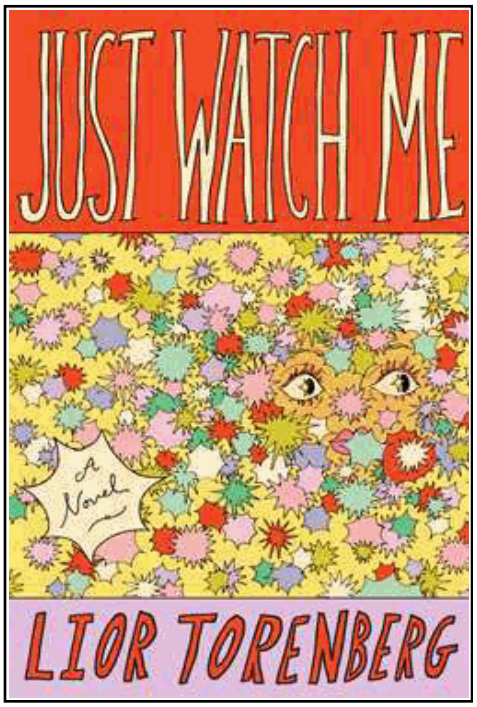

Dell Danvers is barely keeping it together. She's behind on rent for her studio apartment (formerly a walk-in closet), she's being plagued by perpetual stomach pain, and her younger sister, Daisy, is in a coma at a hospital that wants to pull the plug. Freshly unemployed and subsisting on selling plants to trust fund kids, Dell impulsively starts a 24-hour livestream under the username mademoiselle_dell to fundraise for private life support for Daisy.

Dell is her stream's dungeon master, banishing those who don't abide by her terms and steadily rising up the platform's ranks with her sympathetic story and angry-funny screen presence. Once she discovers she has a talent for eating spicy food, her streaming fame explodes and her pepper consumption escalates from jalapeño to ghost to the hottest pepper on earth: the Carolina Reaper. Dell is finally good at something—but as her behavior becomes riskier and a shadowy troll threatens to expose her dark past, Dell must reckon with what her digital life ignores, and what real redemption means.

Narrated in seven taut chapters, one for each day of Dell's livestream, *Just Watch Me* careens through a week in the life of this misguided striver with a heart of gold. Voyeuristic and visceral, audacious and outrageous, Lior Torenberg's debut is both a razor-sharp tragicomedy about the internet economy and a surreptitiously moving tale about the desire to be watched, and the terror of being seen.

AUTHOR BIO

Lior Torenberg's work has been published by *One Story*, *MAYDAY*, the Poetry Society of New York, and others. She received her MFA in creative writing from New York University and graduated from the Lighthouse Writers Workshop's Book Project. *Just Watch Me* is her first novel. Nearly everything you've heard about dopamine is wrong. No, it's not the molecule of happiness. And no, it doesn't give us pleasure—it gives us motivation.

For the first time in history, we are inundated with what are known as "dopamine surges" inside our brains. These surges pull us to technology like magnets, every day, many times a day. Over the past decade, neuroscientists have finally begun to figure out how these surges alter our choices, our habits, and even our moods. We've learned how dopamine can drive adults and kids to engage in activities that we don't actually enjoy—activities that can make us feel sad, lonely, anxious, and depressed.

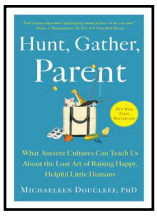

When Michaeleen Doucleff, PhD, the *New York Times* bestselling author of *Hunt, Gather, Parent,* decided to address her family's screen time and dependence on processed foods, she found that scientific study after scientific study refuted nearly all the claims she'd read in the media about dopamine and the supposed reasons we're so inclined to pick up our phones or raid the pantry. She took this new neuroscience and psychology and merged it with practical experience, shifting the power dynamic back to families: instead of devices and foods controlling us, we control them, and both screens and the pantry become tools rather than burdens.

Dopamine Kids is a five-step operating manual for habit remodeling that is tailored for parents and their children. After rediscovering what's most important for your family, you'll learn how to create successful boundaries around screens and ultraprocessed foods; replace screen time with equally enticing activities; remove triggers that pull children toward screens and junk food; and, finally, celebrate your family's choices before, during, and after trying new hobbies. These five steps weaken the neurological pathways established by devices and make dopamine work in your favor to get kids to *want* to pursue high-quality activities that reduce anxiety, create better moods, and diversify interests.

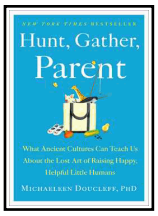

Dr. Doucleff's research culminates in a four-week plan to create screen-free sanctuaries that protect conversations, focus, sleep, and adventure. After reading *Dopamine Kids,* you will be empowered to create habits that genuinely fulfill your family's biological and emotional needs, bring true fulfillment and purpose to their lives, and improve their behavior, happiness, and confidence. *The Anxious Generation* alerted you to the danger of screens, but the demands of the twenty-first century require that you use them anyway. *Dopamine Kids* is your handbook for solving that fundamental problem of our times—and teaching your kids to have a healthy relationship with technology and food.

AUTHOR BIO

Michaeleen Doucleff, PhD, has reported on children's health for NPR's science desk for more than a decade. In 2015, she was part of the team that earned a George Foster Peabody Award for its coverage of the Ebola outbreak in West Africa. She has a doctorate in chemistry from the University of California, Berkeley, and a bachelor of science from the California Institute of Technology. Before joining NPR, Doucleff completed a postdoctoral fellowship at the National Institutes of Health. She lives with her husband and daughter in Alpine, Texas, and is the author of the New York Times bestseller *Hunt, Gather, Parent* and *Dopamine Kids*.

Your Last First Date

Secrets from a Hollywood Matchmaker

Jaydi Samuels Kuba

BOOK DESCRIPTION

Here's a secret: Hollywood insiders aren't better at dating than the rest of us. They just have elite help.

The age-old art of matchmaking meets Hollywood as Jaydi Samuels Kuba, founder of LJMatchmaking, takes us behind the scenes of her work as a matchmaker and date coach for the entertainment industry's most eligible singles. Even the glitziest picture-perfect set-up could flop due to bad dating habits, a frustration that Jaydi specializes in solving. Now, in *Your Last First Date,* she's sharing her incredible stories, along with the exclusive practical wisdom we all need.

Meet our real-life characters:

Meera, a young film publicist and hopeless romantic who falls for nearly every guy she meets. When she finally finds a man who matches her intensity, she's thrilled—but Jaydi warns her that her "twin flames" relationship is likely to combust.

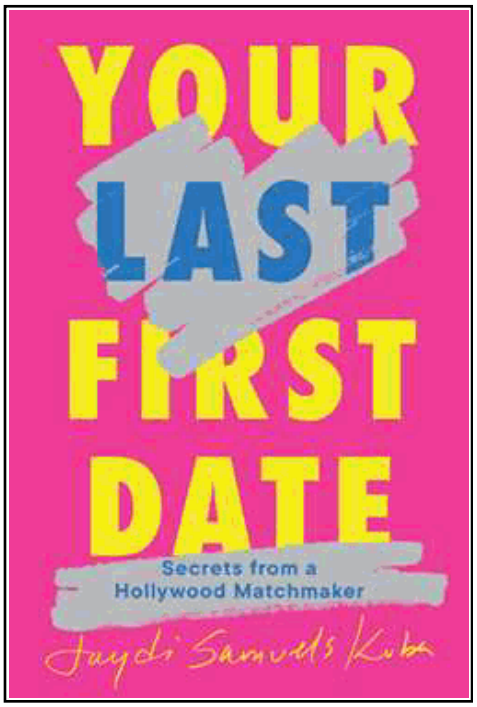

Kent, a seasoned, award-winning director and vineyard owner who refuses to date anyone his age. He treats matchmaking like ordering off a menu until Jaydi introduces him to someone who makes him wonder if he might just be better off trusting the chef.

Callie, a high-achieving studio executive over forty, who is still yearning to start a family. She presents Jaydi with an ultimatum: find her a partner within the year, or she'll give up on dating, and pursue motherhood on her own.

And Jaydi herself, a candid voice who offers up lessons learned from her own dating history, such as how to leave a controlling relationship and how to recognize your future husband when he walks into your life—even if he's your client.

Whether you're the one in a rush to "make it happen," the one who's convinced yourself you're better off alone, or even the one who's "figured it all out" but wants to play matchmaker for your friends, you'll recognize yourself in these pages—and in the process, learn more about who you are, and how to achieve your "Hollywood" ending.

Jaydi Samuels Kuba got her start in television writing, with credits on shows from *Family Guy* to *Salem*. After watching her colleagues in film and TV struggle to find grounded and meaningful relationships, she started LJMatchmaking, her couple curation service for people in the industry. Today she and her business partner are known as the “Love Agents of Hollywood.” A certified date and relationship coach, she’s set up dozens of couples since, inadvertently finding her own match in the process. A nationally rated table tennis player, Jaydi resides in Sherman Oaks, California, with her beloved daughter and husband, with whom she cohosts the podcast *Match Made in Hollywood*.

Spirit Daughter

Own Your Power, Change Your Life

Jill Wintersteen

BOOK DESCRIPTION

From the founder of the online community Spirit Daughter, a chronicle of her journey from academic researcher to spiritual teacher, offering readers a road map through the territory of transformation that begins when life falls apart.

Jill Wintersteen's life—and all its highs, lows, miracles, and mayhems—awakened an inner truth: She has the power to create any life she desires. Here, in her first-ever book, Wintersteen shows readers how they can harness this power, too, as she shares her personal story of leaving a promising career in neuroscience to follow her intuition and create a thriving online community with millions of spiritual seekers around the globe.

Filled with practical tools and insights to navigate life's challenges and emphasizing the importance of intuition and self-awareness, *Spirit Daughter* is an invitation to rediscover your power. Through her own experiences of overcoming anxiety, depression, and self-doubt, Wintersteen reveals how to create calmness within, no matter what is happening externally, and unlock your highest potential.

This book offers a refreshing and transformative path rooted in mindfulness, cosmic energy, and the art of manifestation for anyone ready to take true ownership of their life. With Wintersteen's relatable wisdom and heartfelt narrative, which has drawn com parisons to influential spiritual leaders like Gabby Bernstein and Chani Nicholas, *Spirit Daughter* is destined to become a classic practical guide for anyone ready to remember who they are and transform their life.

AUTHOR BIO

Jill Wintersteen is a spiritual teacher, author, and founder based in Venice Beach, California, where she lives with her family. Originally trained in neuroscience, Wintersteen chose to follow a different path, and in 2016 she launched Spirit Daughter, a popular astrology and wellness brand. Through Spirit Daughter, she shares accessible tools and teachings with more than two million followers. Wintersteen is the author of the quote books *By the Moon* and *By the Stars*, as well as two monthly workbooks. Her writing has been featured in *Yoga Journal*, *Elite Daily*, *Well+Good*, and *PureWow*. Wintersteen's writing offers readers practical guidance to step into their power, trust their intuition, and chart the paths that make them feel most alive.

Born to Flourish

How New Science and Ancient Wisdom Reveal a Simple Path to Thriving

Richard J. Davidson, PhD, and Cortland Dahl, PhD

BOOK DESCRIPTION

How can we live happy, fulfilling lives in the face of today's challenges? This accessible program grounded in neuroscience answers the question with simple practices we can easily fold into our daily lives for profound results.

In a world pulling our thoughts and emotions in so many directions, *Born to Flourish* offers a way to turn stress and anxiety into clarity and calm. Renowned neuroscientists and contemplative teachers Richard J. Davidson and Cortland Dahl bring us a powerful program rooted in decades of research from the Center for Healthy Minds. Focusing on four transformative practices, they bring us key tools to help train our brains to overcome depression, despair, and loneliness.

· **Awareness**: Learn to be fully present with your emotions so that you can embrace all of life's ups and downs.
· **Connection**: Grow meaningful relationships and a sense of belonging by cultivating kindness and appreciation.
· **Insight**: Learn to know yourself through self-inquiry, so that you can break free from old narratives.
· **Purpose**: Connect with your core values and guiding motivation to create clarity and make sound decisions.

We are all born with a natural ability to flourish, but that ability needs to be trained for us to live a thriving life. The good news is that only a few minutes of practice each day makes a measurable difference. With actionable steps and inspiring stories, *Born to Flourish* helps you integrate these practices effortlessly—whether you're commuting, doing chores, or simply lying in bed.

This is a call to embrace life's chaos and tap your inner strength. For anyone seeking to enhance their mental health and overall well-being, *Born to Flourish* will light a way forward.

Richard J. Davidson, PhD, is the William James and Vilas Research Professor of Psychology and Psychiatry and Founder & Director of the Center for Healthy Minds, University of Wisconsin-Madison. Davidson founded the nonprofit, Healthy Minds Innovations, which translates science into tools to cultivate and measure well-being. He received his PhD from Harvard University in psychology and is best known for his groundbreaking work studying emotion and the brain. He has published over 602 articles, numerous chapters and reviews, and edited seventeen books. Davidson is the author with Sharon Begley of *The Emotional Life of Your Brain* and coauthor with Daniel Goleman of *Altered Traits*. He is one of the most highly cited scientists in the world and was named one of the 100 most influential people by *Time*. He was elected to the National Academy of Medicine and appointed to the Governing Board of UNESCO's Mahatma Gandhi Institute of Education for Peace and Sustainable Development. A highly sought-after speaker, he leads conversations on well-being on international stages such as the World Economic Forum, where he served on the Global Council on Mental Health. Davidson's latest book with coauthor Cortland Dahl, PhD, is *Born to Flourish*.

Cortland Dahl, PhD, serves as a Contemplative Scientist at UW-Madison's Center for Healthy Minds and Chief Contemplative Officer at the center's affiliated nonprofit, Healthy Minds Innovations. Healthy Minds Innovations translates science into tools to cultivate and measure well-being. He is also cofounder and Executive Director of Tergar International, a global meditation community rooted in the teaching of and guided by Yongey Mingyur Rinpoche. Dahl holds a PhD from the University of Wisconsin-Madison as well as a master's degree in Buddhist studies. His eclectic background includes long periods of solitary retreat in the Himalayan foothills of Nepal and the translation of ancient Tibetan meditation manuals, as well as cutting-edge research on the science of well-being including a new scientific framework for the cultivation of human flourishing. Dahl created the content for the acclaimed Healthy Minds Program meditation app. He is a scientist, author, translator, and meditation teacher, but his true passion is using ancient wisdom and modern science to help people flourish. He is the author of *A Meditator's Guide to Buddhism* and *Born to Flourish*, with coauthor Richard J. Davidson, PhD.

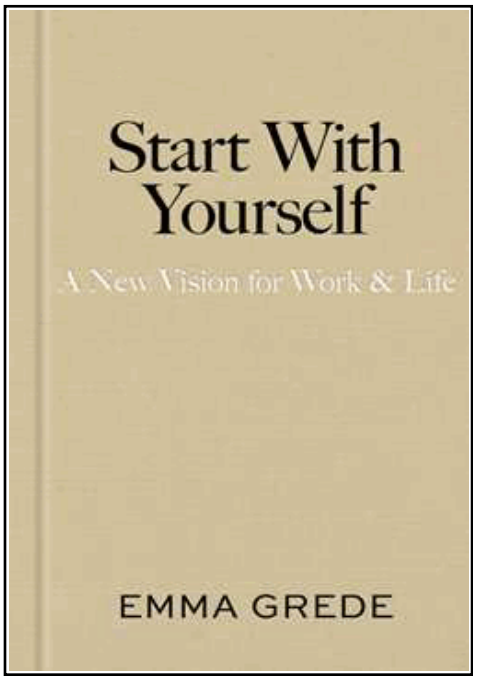

Start With Yourself

A New Vision for Work & Life

Emma Grede

BOOK DESCRIPTION

***Start with Yourself* is a game-changing, no-BS guide for anyone seeking meaningful success on their own terms. It's an essential framework that will give you the tools and mindset to unlock your full potential in life and business—straight from a woman who defied all the odds to become a serial entrepreneur, a cofounder of culture-defining global businesses, a nonprofit champion, and the host of the *Aspire with Emma Grede* podcast. All while raising a family of four children.**

Based on the factors of her early life—she's the child of a working-class single mother and grew up in a rough neighborhood in East London and dropped out of high school—you'd never guess that Emma Grede would go on to become one of America's richest self-made women.

This makes Grede unique, but she's convinced you can do it, too: *Start with Yourself* is a blueprint to her mindset and how she thinks about business and life, structured in easy takeaways, so you can immediately apply her philosophy to what you're trying to build and create.

Among her most blazing insights, Grede identifies what she calls "Old Thoughts": stale thinking, outdated ideas; set-in-stone rules ingrained into the culture about work-life balance, the crassness of money, and the unseemliness of ambition—that aren't actually rules at all. They're biases, Grede insists, system errors, and we must strike them from our minds so that we can gain a greater sense of control, even mastery, over our day-to-day and long-range goals.

Ultimately, this is a book for everyone tired of feeling like a bystander or passenger in their own life. Grede offers tangible and applicable-right-now solutions to create a mindset, an overall system of thought to manage emotions, clarify ideas, and illuminate the right next step—while always staying positive.

It's about gathering yourself after failure. It's about being accountable but also forgiving yourself. It's about not expecting shortcuts while never being bashful about grabbing them when they appear. It's about pushing hard for wins and never apologizing for your dreams.

Above all, Grede offers a new vision for work and life that encourages readers everywhere to take responsibility for their own thinking in order to achieve personal and professional success at the highest levels.

AUTHOR BIO

Emma Grede is the ultimate modern mogul, turning big ideas into some of today's most influential consumer brands. She's the cofounder and CEO of Good American, the founding partner of SKIMS, the cofounder of Safely and Off Season, and now the voice behind the *Aspire with Emma Grede* podcast. A leader with purpose, Grede also lends her time and expertise to global impact organizations, serving on the board of directors for the Obama Foundation and Baby2Baby, and has recently become a King's Trust Ambassador. Her journey proves that success and substance go hand in hand. Grede lives in Los Angeles with her husband, Jens, and their four children.

From Mistakes to Meaning

Owning Your Past So It Doesn't Own You

Michael Lynton and Joshua L. Steiner

BOOK DESCRIPTION

From two authors who made life-defining mistakes, a profound and entertaining exploration of mistakes, and the transformative power of confronting them.

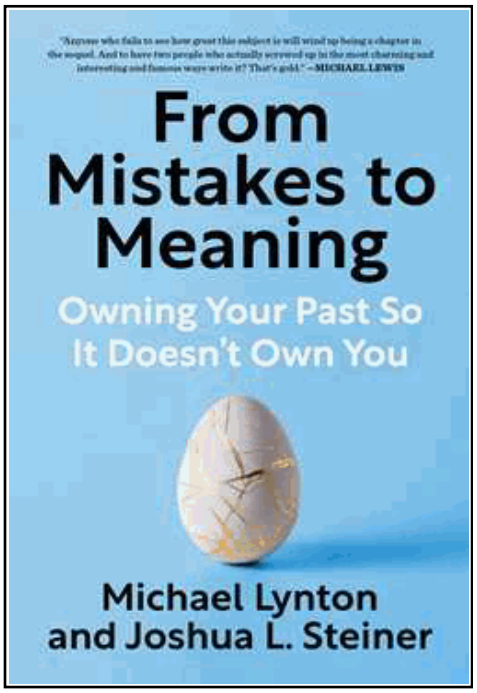

While very few people start enormous companies or discover lifesaving medical cures, we all make mistakes. Yet there are lots of books about successful entrepreneurs, massive failures, and compelling scientific discoveries, and no book that helps us understand how our personalities drive mistakes and how mistakes shape our lives.

Longtime friends Michael Lynton and Joshua L. Steiner made mistakes that shaped their careers and lives, but it wasn't until the isolation of the pandemic that they began to open up to each other about them. When Lynton was the CEO of Sony Entertainment, he greenlit the film that led to the infamous North Korean hack; meanwhile, a private diary Steiner had kept as Chief of Staff at the Treasury Department became a focal point in the Clinton Whitewater scandal. As their conversation deepened, they searched for a book to guide their exploration, they came up empty. So they set out to write one themselves.

Through a revealing examination of their own stories and candid interviews with influential figures such as Karol Mason, Joanna Coles, and Malcolm Gladwell along with people from all walks of life, the authors unveil the hidden dimensions of mistakes and the universal struggle to move beyond them. Working with Alison Papadakis, Director of Clinical Psychological Studies at Johns Hopkins, they ground their observations in relevant research and unpack the difference between failures and mistakes, the stages of mistakes, and how it's possible to break the patterns that lead to misunderstandings and shame.

From Mistakes to Meaning is an essential and fascinating read, combining compelling narrative and actionable advice, showing that mistakes can be used as portals for personal growth instead of lifelong burdens.

Michael Lynton has spent his career in the media and entertainment business. He has worked in publishing, film, television, and music. He is the former CEO of Sony Entertainment, and he now serves on the boards of the RAND Corporation and The Smithsonian. Lynton grew up in The Netherlands and received a BA from Harvard College and an MBA from Harvard Business School. He lives in New York City, is married, and has three children.

Joshua L. Steiner has worked in government, finance, and the non-profit sector. After serving as chief of staff at the US Department of the Treasury, he became a banker at Lazard before cofounding two investment firms and serving as an executive at Bloomberg LP. He grew up in Cambridge, Massachusetts, and attended Yale University, where he studied history and played lacrosse, before earning an MSt in modern history from Oxford. Steiner serves on the boards of Yale University, the International Rescue Committee, and the SNF Agora Institute at Johns Hopkins University. He lives in New York City, is married, and has three children.

Mafia

A Global History

Ryan Gingeras

BOOK DESCRIPTION

A gripping and deeply researched exploration of the hidden influence of organized crime on the global economy that reveals the mafia as an uncredited architect of modern society.

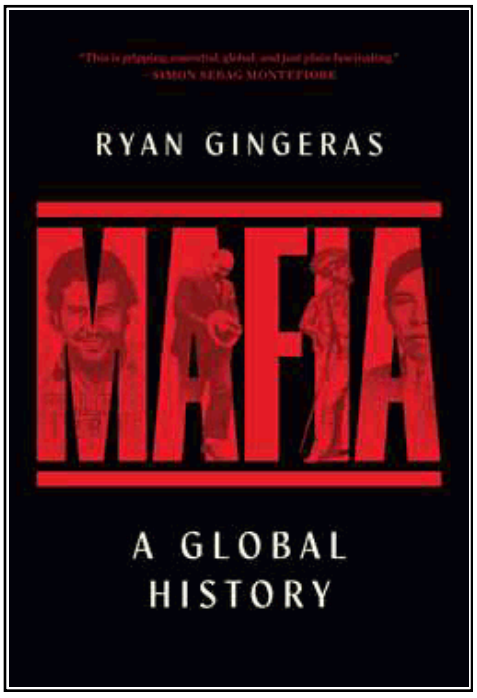

In *Mafia: A Global History*, Ryan Gingeras takes readers on a fascinating journey into the shadowy world of organized crime and its far-reaching impact on contemporary society. From backroom deals to global power plays, this compelling narrative spans two centuries, unraveling the complex ties between crime syndicates and law enforcement—and how these relationships have reshaped both sides in unexpected ways.

Drawing on over a decade of in-depth research into the global drug trade, Gingeras profiles legendary figures like Al Capone, Pablo Escobar, El Chapo, and Dawood Ibrahim, bringing their stories to life while exposing how these mafias have tested the boundaries of state power. By challenging the law, these criminal networks force governments to adapt, leaving an indelible mark on governance, society, and the global economy.

Gingeras identifies three key spheres of transformation: the legal limits tested by mafias, their economic activities reflecting the Western bloc's dominance in global trade, and their undeniable presence in pop culture. As crime syndicates continue to evolve in the 21st century, Gingeras highlights the alarming blurring of lines between gangsters, corporations, and political leaders—a trend that threatens to destabilize the global order.

For true crime fans and history buffs alike, *Mafia* is a must-read. With echoes of Mark Bowden's *Killing Pablo* and Sam Quinones's *Dreamland*, Gingeras delivers a masterful blend of storytelling and meticulous analysis that will leave you questioning just how much of the world around us is shaped by those operating in the shadows.

Ryan Gingeras is a professor in the Department of National Security Affairs at the Naval Postgraduate School and is an expert in modern Eastern European and Middle East history. He is the author of six books, including *The Last Days of the Ottoman Empire* and *Sorrowful Shores: Violence, Ethnicity, and the End of the Ottoman Empire 1912–1923*, which was shortlisted for numerous book prizes. He has published on a wide variety of topics related to history and politics in such publications as *Foreign Affairs*, *The New York Times*, *Washington Post*, *International Journal of Middle East Studies*, and more. As a faculty member of the Naval Postgraduate School, he has participated and contributed to research and executive education projects on the behalf of the US Department of State, Department of Energy, and the Department of Defense. In addition to speaking German, Spanish, and Turkish fluently, he also possesses working knowledge of Ottoman Turkish, Albanian, Macedonian, and Greek. Ryan was born in New York City but has spent much of his life in California. He currently lives with his wife and children in the Santa Cruz Mountains.

Rory

The Heartache and Triumph of Golf's Most Human Superstar

Alan Shipnuck

BOOK DESCRIPTION

The definitive biography of the most important, popular, and confounding player of the post-Tiger era, masterfully chronicled by Alan Shipnuck, the bestselling author of *Phil* and *LIV and Let Die.*

Rory McIlroy contains multitudes. He can overwhelm a golf course with his transcendent talent and then, at the next tournament, look utterly lost. McIlory is golf's most eloquent ambassador and a trash-talking troll, sometimes in the same press conference. The child of a working-class family from a small town in a war-torn homeland now commutes to work in his own G-VI and counts billionaires as confidantes. A dozen years ago, McIlroy asked Alan Shipnuck a question about the player he had modeled himself after, Tiger Woods: "What's he really like?" As McIlroy enters the last act of his highly eventful career, this book is a chance to redirect that old question and try to understand a man of deep complexity and contradictions.

McIlroy's victory at the 2025 Masters packed such an emotional punch because he is golf's most vulnerable superstar. Across two decades as a pro he has been the anti-Tiger, letting fans into his heart and into his world. When McIlroy collapsed onto the final green at Augusta National, having at last completed the career Grand Slam, golf fans cried along with him because so many saw themselves in his struggles.

But there is much that the public does not know about McIlroy. With reporting chops honed across thirty years on the golf beat, Shipnuck traces McIlroy's evolution from a young phenom in Northern Ireland to a game-changing force on and off the golf course. Shipnuck has shadowed McIlroy throughout his career and he brings to life all of the heartbreaks and triumphs with thrilling immediacy and unparalleled access. Tabloid romance, bitter business disputes, divisive politicking—it is all part of this portrait of a man in full.

Shipnuck has long been known as the most fearless writer on the golf beat, and he goes deep into McIlroy's personal history at a time when the spotlight on Rory has never been brighter. This book is squarely in the tradition of bestselling golf biographies like Jeff Benedict and Armen Keteyian's *Tiger Woods* and Shipnuck's own *Phil*.

Labor

One Woman's Work

Dr. Mary Fariba Afsari

BOOK DESCRIPTION

A powerful memoir of medicine, identity, and family secrets from an esteemed ob-gyn as she unravels her grandmother's mysterious death while reimagining women's health care from a mobile clinic—for readers of *The Beauty in Breaking* and *The In-Between*.

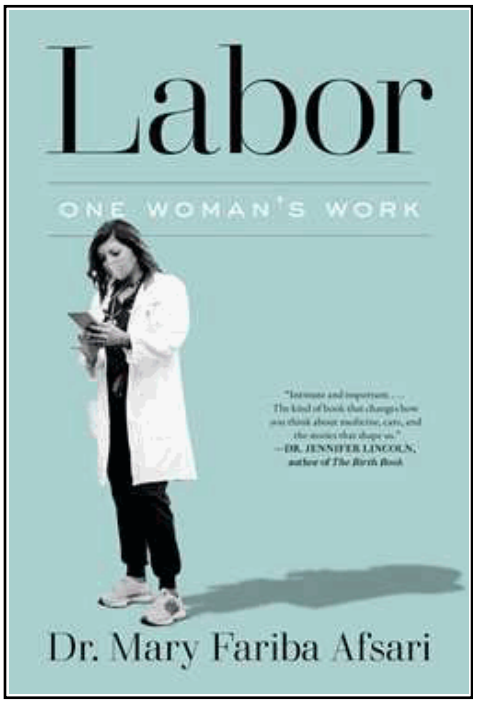

In *Labor: One Woman's Work*, Dr. Mary Afsari takes us on a deeply personal and transformative journey through her life as an ob-gyn. Set against the vivid backdrops of Portland, Oregon, and Shiraz, Iran, this powerful memoir intertwines the complexities of her professional life with the hidden truths of her family's past, exploring the intersection of medicine, identity, and the enduring search for agency.

The story begins in the bustling corridors of an Oregon hospital, where Mary dedicates herself wholeheartedly to her patients—often at great personal cost. At the same time, Mary uncovers a long-buried family secret: the tragic story of her grandmother Mehry's death in 1950s Iran. This revelation propels her on a quest to untangle the threads of her family's history while confronting the forces that have shaped her identity and her professional mission.

As Mary struggles with the oppressive realities of the medical-industrial complex and the growing attacks on women's reproductive rights, she chooses a path of bold defiance. Inspired by her grandmother's legacy and her own commitment to compassionate care, she decides to take her work out of the hospital and on the road: she converts an RV into a mobile women's health clinic. This innovative act allows her to deliver personalized, critical reproductive health care services across the Pacific Northwest, creating community and enduring friendships along the way.

"When women don't have a choice, bad things happen," Mary writes. *Labor* is an intimate, immersive personal story, a rallying cry in a post-Roe world, and an inspiring example of what women can do when they *do* have a choice. Rich with the voices of her patients and the vibrant cultural threads of her Iranian heritage, Mary's story challenges us to rethink the boundaries of health care and reclaim the autonomy of women's bodies and lives. With warmth, insight, and humor, *Labor* ultimately offers a vision of transformation, resilience, and the power of reclaiming one's path and saving other people's lives in the process.

She is the author of *Labor: One Woman's Work*.

This Was Funnier in China

An American Comedian's Cross-Cultural Journey

Jesse Appell

BOOK DESCRIPTION

A heartfelt, one-of-a-kind memoir chronicling the hilarious, absurd, and thought-provoking experiences of an American pursuing comedy in China, learning first-hand how humor does and doesn't translate—and whether laughter transcends borders.

I marched onstage in a long robe beside my Shifu, under the curious eyes of a thousand Chinese comedy fans, armed only with a microphone and the goal to kill onstage or die trying.

Over the speakers, the host shouted: "Welcome to the stage: Master Ding Guangquan and his American disciple, Ai Jie Xi!"

When self-proclaimed American class clown Jesse Appell signed up to study Mandarin in high school, he never imagined that one day his name would be written into the traditional family tree of Chinese comedy. But when he first moves to Beijing to apprentice to the legendary Master Ding, a single show is all it takes for Jesse and his fellow comedy misfits to understand that book learning means bombing jokes.

To truly get the big laughs, he realizes he needs to know everything, like how long the fuse is on a thirty-cent firework, what card games coal miners play over Chinese New Year, and why comedy writers in Shanghai sometimes sleep in heart-shaped beds.

The result? Asking questions that might seem simple—if they weren't being asked by an American caught in the breakneck whirlwind of a rising China.

"*What do people here find funny?"*

"How do you deal with hecklers?"

And, of course, the biggest one of all:

"Can I say that?"

From Jesse's first forays into the traditional teahouse performance scene to being the only American cast member and writer on a Chinese version of *Saturday Night Live*, *This Was Funnier in China* captures an American's wide-eyed, enthusiastic experiences trying to build a world where we can all laugh together.

AUTHOR BIO

Jesse Appell is a comedian in China where his original comedy works have passed half a billion views on Chinese and international internet sites, earning Silver Play Button plaques from both Youtube and Bilibili. He has been featured on the front page of *The Boston Globe* with Tom Brady and the Pope, and has appeared on a veritable alphabet soup of news media: CBS, TEDx, BBC, PBS, and NPR in the West; CCTV, Beijing TV, Shanghai TV, and China Radio International in Asia. *This Was Funnier in China* is his first book.

So Old, So Young

A Novel

Grant Ginder

BOOK DESCRIPTION

A Most Anticipated Novel of 2026 by *Time*, *Town & Country*, *Bustle*, and Zibby Media • February Book Club Pick by *Good Housekeeping*

"Grant Ginder has written *The Big Chill* of our times…and possibly done an even better job. *So Old, So Young* is a triumph. I will never forget these characters." —Elin Hilderbrand

"*So Old, So Young* is a story of romantic love, professional jealousy, misplaced longing, and—above all—the gift of lifelong friendship. You will laugh on every page, except for when you find yourself moved to tears." —Jenny Jackson, *New York Times* bestselling author of *Pineapple Street*

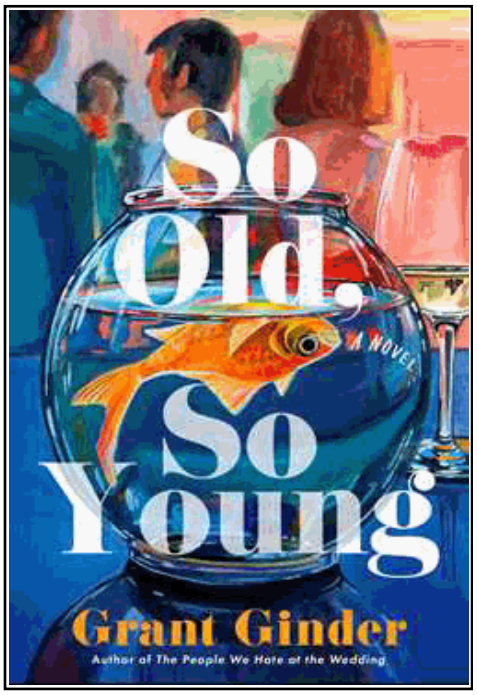

Six Friends.
Five Parties.
Twenty Years…
How did we get *So Old, So Young*?

From Grant Ginder, the bestselling author of *The People We Hate at the Wedding*, comes a generation-defining novel that is part love story, part tragic comedy. Five parties over the course of twenty years bring six college friends together, exploring the ways we run from and cling to our friends in love, life, and death.

For Marco and Mia, Sasha and Theo, Richie and Adam, the one constant in life after college together has been change. New jobs. New cities. New spouses. New children. Through it all, one thing they thought would always stay the same is their friendship.

But time has a way of breaking even the strongest bonds, and testing what we thought we knew. From East Village apartment parties and disastrous destination weddings, to fortieth birthdays and suburban backyard barbecues, Grant Ginder's resonant, funny, and deeply moving novel is a story about the growing pains of the Millennial generation, and a celebration of how love can shift, stumble, and grow into something bigger than we ever could have imagined.

Bloom

A Novel

Robbie Couch

BOOK DESCRIPTION

From the *New York Times* bestselling author of *If I See You Again Tomorrow* comes a delightful and heartwarming novel about family, love, grief, and one precocious houseplant, that reminds us of the beauty of living a life in full *Bloom*.

Morris Warner is withering away. After the sudden death of his husband, Fred, he has shut himself off from the world. No more going to movies with friends, or swims in Lake Michigan, instead preferring the quiet loneliness of his history books and Jeopardy episodes with only the cat to hear his answers.

Morris's stepdaughter, Sloan, feels like she has nowhere to grow. She's about to get married to the man of her dreams, if only her mother will let her actually plan her own wedding and trust her to build her own life after her father's death.

Jade is drying out. Literally. As a plant in Morris's home, she and her plant housemates have been slowly wasting away, leaf by falling leaf, since Fred's death and Morris's lack of care. She needs to come up with a plan to make her new owner come back to life, no matter what it takes.

New York Times bestselling author Robbie Couch's *Bloom* is a wondrous novel where family, love, kindness, and yes, Mother Nature, triumph.

The Seven Daughters of Dupree

A Novel

Nikesha Elise Williams

BOOK DESCRIPTION

From the two-time Emmy Award–winning producer and host of the *Black and Published* podcast comes a sweeping multi-generational epic following seven generations of Dupree women as they navigate love, loss, and the unyielding ties of family in the tradition of *Homegoing* and *The Love Songs of W.E.B. DuBois.*

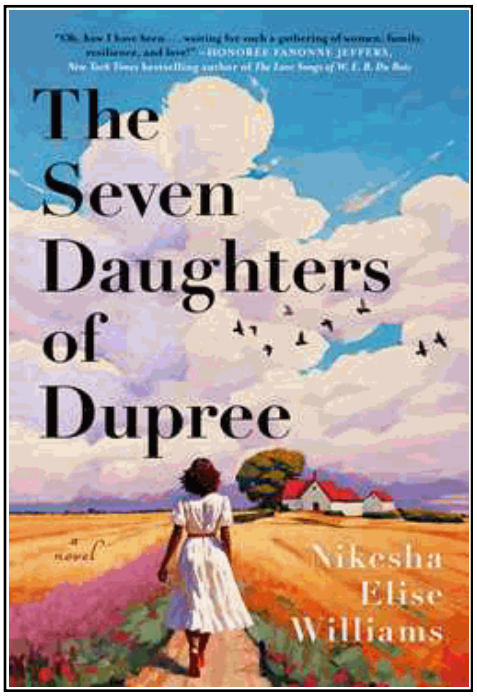

It's 1995, and fourteen-year-old Tati is determined to uncover the identity of her father. But her mother, Nadia, keeps her secrets close, while her grandmother Gladys remains silent about the family's past, including why she left Land's End, Alabama, in 1953. As Tati digs deeper, she uncovers a legacy of family secrets, where every generation of Dupree women has posed more questions than answers.

From Jubi in 1917, whose attempt to pass for white ends when she gives birth to Ruby; to Ruby's fiery lust for Sampson in 1934 that leads to a baby of her own; to the night in 1980 that changed Nadia's future forever, the Dupree women carry the weight of their heritage. Bound by a mysterious malediction that means they will only give birth to daughters, the Dupree women confront a legacy of pain, resilience, and survival that began with an enslaved ancestor who risked everything for freedom.

The Seven Daughters of Dupree masterfully weaves together themes of generational trauma, Black women's resilience, and unbreakable familial bonds. Echoing the literary power of *The Twelve Tribes of Hattie* by Ayana Mathis, Nikesha Elise Williams delivers a feminist literary fiction that explores the ripple effects of actions, secrets, and love through seven generations of Black women.

AUTHOR BIO

Nikesha Elise Williams is a two-time Emmy Award–winning producer, an award-winning author, and producer and host of the *Black and Published* podcast. A narrative strategist by day and journalist always, her work has appeared in *The Washington Post*, *Essence*, and *Vox*. Nikesha is a Kimbilio Fiction Fellow and a DeGroot Foundation Writer of Note grantee. A Chicago native, she lives in Florida with her family.

The Lost Daughter of Sparta

Felicia Day; Illustrated by Rowan MacColl

BOOK DESCRIPTION

Felicia Day, actress and instant *New York Times* bestselling author of the "engaging and often hilarious" (*USA TODAY*) *You're Never Weird on the Internet (Almost)*, returns with a feminist graphic novel about the lost mythical character of Philonoe—Helen of Troy's sister.

Helen of Troy. Clytemnestra. Timandra.

Three sisters, infamously cursed by the goddess Aphrodite to betray their husbands, are known the world over. But few know about the fourth sister: Philonoe. Lost to historical record, all we know from ancient texts is that she avoided the curse placed on her family, and was granted immortality by the goddess Artemis. But why and how did this happen?

Now, Felicia Day is determined to bring Philonoe to vivid life and fill in the missing pieces with this graphic novel retelling. Her story is a traditional hero's journey with a feminist twist. Born as both a Spartan princess and with a wine-stain birthmark on her face, Philonoe is destined for a different fate than her sisters. Her remarkable but overlooked life is finally revealed in this clever and engaging graphic novel that is perfect for fans of *The Palace of Eros* and *Lore Olympus.*

AUTHOR BIO

Felicia Day has appeared as an actress in numerous television shows and films, including *Supernatural*, *The Magicians*, and *Mystery Science Theater 3000*. However, Felicia is best known for her work in the web video world, behind and in front of the camera. She costarred in Joss Whedon's award-winning internet musical *Dr. Horrible's Sing-Along Blog* and created and starred in the seminal web series *The Guild*. She is the *New York Times* bestselling author of three books, including her debut graphic novel *The Last Daughter of Sparta*. Find out more at Felicia.Day and follow her on X and Instagram @FeliciaDay.

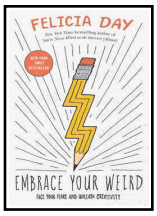

Rowan MacColl is a comic artist and illustrator from New York who has worked with Simon & Schuster, Penguin Random House, First Second, Mad Cave, and more. She is best known for her books *Nightmare in Savannah* and *Who Was Accused in the Salem Witch Trials?: Tituba: A Who HQ Graphic Novel,* and *Into the Tower*. She loves drawing the strange and fantastical, even better if it's with scary women in beautiful historical outfits. To find more of Rowan's work, you can look at her website (RowanMacColl.com) or check out her social media @SkulkingFoxes.

The Counting Game

A Novel

Sinéad Nolan

BOOK DESCRIPTION

Into the woods.
Count to ten.
Only one of us comes home again.

When a teenager disappears from her small Irish town and a therapist is brought in to break the silence of the only witness, old wounds are opened in a search that becomes a race against time—perfect for fans of *God of the Woods* and *The Witch Elm.*

Southwest Ireland, 1995: Two children go into the woods. Only one comes out.

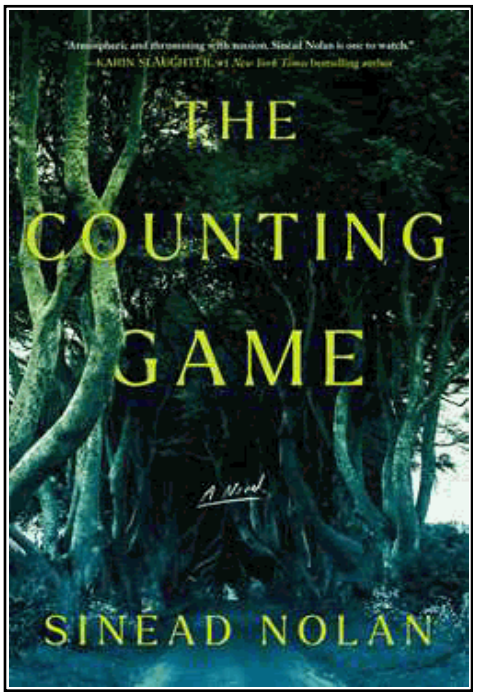

When thirteen-year-old Saoirse Kellough goes missing, panic grips a rural Irish community. Saoirse is not the first girl to disappear in the forest, rumored by locals to be haunted, and the only witness—her troubled younger brother, Jack—refuses to speak. Saoirse went missing when they were playing the Counting Game, a ritual believed to ward off evil, and Jack has sworn to protect the forest's secrets.

Freya Hemmings, a psychotherapist still healing from a loss of her own, is brought in to help investigators break Jack's silence. As the race to find Saoirse alive accelerates, the search threatens to unravel a family facing the unthinkable. Everyone is a suspect, and the closer Freya and Jack become, the more danger they find themselves in.

Haunting and emotional, *The Counting Game* is a suspenseful debut from an unmissable new voice in crime fiction.

AUTHOR BIO

Sinéad Nolan grew up playing in the forests and on the beaches of leafy County Dublin, Ireland. She was a regular freelance feature writer for the *Sunday World* and the *Irish Independent* and has had short stories shortlisted for the Momaya Press Awards and the Francis McManus Awards for RTE Radio. Apart from writing, she works in private practice as a BACP Registered Counsellor seeing clients in central London.

Every Version of You

A Novel

Natalie Messier

BOOK DESCRIPTION

From "one of romance's rising stars" (Carley Fortune, *New York Times* bestselling author) Reese's LitUp Fellow Natalie Messier, this debut follows a woman who gets a chance to relive her college years and win back the one that got away—for fans of *The Love of My Afterlife* and *The Seven Year Slip*.

Joey Vasquez's life is the definition of good on paper. At thirty-two, she's a Los Angeles lawyer on the cusp of making partner, but while she's a professional success, she's a personal disaster. Her social life mostly consists of nights spent watching TV with her elderly cat. Life isn't quite what she dreamed when she was younger, but really, whose life is?

But a dinner party with the best friend she's secretly pined after for years and its aftermath changes everything.

When Joey is given a second chance at life, she finds herself in college again. Armed with memories from her first life, Joey is certain she's come back to finally convince the one man she ever loved to love her back—so why does she find herself strangely drawn to the man she thought she hated?

AUTHOR BIO

Natalie Messier is a Reese's Book Club LitUp Fellow and Los Angeles-based screenwriter. She has worked as a writers' assistant for the series *Severance* and *Chicago Fire*, and her scripts have received recognition from NBC, Disney, Paramount, Final Draft, The Blacklist, NHMC, and the Austin Film Festival. Originally from south Texas, she is a proud Mexican-American. When she's not writing, she can be found searching for LA's best matcha lattes, reading romance novels, and cuddling with her two cats.

Happy Ending

Chloe Liese

BOOK DESCRIPTION

From *USA TODAY* bestselling author Chloe Liese, a clever and heartwarming rom-com that is perfect for fans of Christina Lauren and Annabel Monaghan about two best friends who must fake a relationship for their exes.

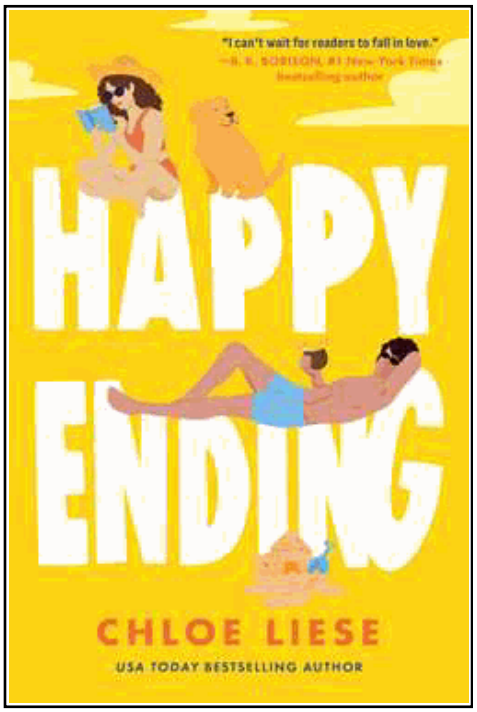

Thea and Alex have three things in common—they love food, they hate where they live, and they're both divorced. Otherwise, they couldn't be more different.

Thea's never cooked a day in her life. Alex is a world-class chef. Alex resents feeling stuck in his hometown. Thea resents the town for not feeling more like home. Thea and her ex are in a contentious custody battle for their dog. Alex and his ex amicably coparent their daughter. Beyond a few friends in common, a couple small-world connections (welcome to life in a mid-size city), their lives look nothing alike. Fast forward two years, and they're truly the best of friends. No one would ever know their friendship began as a lie…

Two years ago, their exes got together immediately following their divorces, and somehow, Thea and Alex found themselves spinning a spite-fueled story about being old friends and first loves. Two years later, what began as a ruse has grown into real friendship—just friendship, despite what friends and family seem to think. But when their exes invite them on a two-week, "two family" beach vacation—daughter and dog included—Alex and Thea start to wonder if this story they've spun might have gotten away from them, and if it's led them to the last place they ever thought it could: a happy ending.

How to Kill a Guy in Ten Dates

A Novel

Shailee Thompson

BOOK DESCRIPTION

“A delightful celebration of rom-coms, slasher flicks, and the women who love them.” —*Kirkus Reviews* (starred review)

A humorous, swoony, and downright terrifying slasher rom-com in which a cinephile gets caught in the middle of a murder spree at a speed-dating event and must use her encyclopedic knowledge of the romance and horror genres to make it as a real-life Final Girl.

When Jamie Prescott and her best friend Laurie attend a speed-dating event, Jamie expects to meet a roster of mediocre men and indulge in some street food afterwards. She doesn’t expect one of her dates to have his throat slit at their table during a blackout. After the lights come back on and there are more bodies on the floor, it becomes clear that dating can be a very dangerous pastime.

Armed with makeshift weapons and Jamie’s extensive knowledge of what NOT to do in a slasher, the remaining speed daters try to find an exit while the killer adds to their body count. As the night progresses and Jamie comes face-to-mask with the murderer, she begins to suspect they are committing the slayings to woo one of the daters and turn them into a real-life Final Girl. But Jamie has other plans, and as she fights for her life, she can’t help but find herself ensconced in a love triangle with two of the other survivors. Will she make it through the bloodshed to find her Happily Ever After? Or does this machete-wielding psychopath have another ending in mind?

For fans of *Love in the Time of Serial Killers* and *Butcher & Blackbird*, *How to Kill a Guy in Ten Dates* is one killer love story.

Honey Bee Mine

A Novel

Sarah T. Dubb

BOOK DESCRIPTION

In this sweet and sexy small town romance from the author of *Birding with Benefits*, a type-A beekeeper and a former bad boy join forces to plan a summertime Honey Festival.

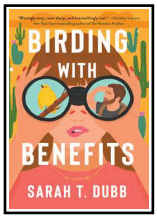

Like the bees she keeps, Penny Becker lives by a golden rule: never stop working. That mantra kept Becker Farms running when her grandfather, dad, *and* ex all left for greener pastures. But after taking out a loan for an expansion plan that crashed and burned, Penny has to find a way to pay or risk losing it all, and she's betting everything on the Sullivan's Glen Honey Festival. To save the farm, she has to make the festival bigger, better, and more successful than ever before—and she plans to do it all on her own.

Reformed bad boy turned restaurateur Zander Bouras left Sullivan's Glen in a blaze of glory and vowed to never return. But when his ex-wife wants to go back for the summer, Zander grudgingly follows. He refuses to miss time with his son, and figures it's finally time to deal with the farmhouse his grandfather left, for some reason, to him.

His first day in town brings Zander face to face with Penny, the girl whose perfect life mocked him from next door. It's just his luck that his son loves her *and* her bees, and before he knows it he's been volunteered to help plan a honey festival with the sexy, stubborn beekeeper whose braid he just wants to tug. As they learn to work together, Zander faces his demons and learns to see Sullivan's Glen in a new light as Penny realizes that accepting help isn't so bad—especially from the right person. But as the festival day and Zander's departure draw near, they'll have to decide if the romance buzzing between them can last past the sweet days of summer.

Fast Lane

C. S. Quill

BOOK DESCRIPTION

Fans of Hannah Grace and Elle Kennedy, meet your new obsession!

The international college romance phenomenon with over 1 million copies sold!

He's the campus bad boy. She's his neighbor's ex. Who thought becoming roommates was a good idea?

Lane O'Neill is living the dream his senior year of college, running Campus Drivers, the ride-share app that he launched with his best friends. The concept is simple: play taxi driver for students behind the wheel of vintage cars. The girls love it, and the four drivers are *deeply* committed to never disappointing their clientele.

Lane has just one rule: no attachments. Ever. After everything he's lost, keeping his emotions locked up is the only way he knows how to move forward—seeking solace in late-night drives and the rare quiet of his apartment off-campus.

So how the hell did he end up with his neighbor's ex, Lois Hogan, crashing at his place? She's everything he doesn't want—clingy, directionless, and annoyingly optimistic. The type who follows her basketball-star boyfriend to college and picks a sports therapy major just to stay close to him—then acts surprised when it all blows up in her face. Lane can't resist calling her out on it, yet despite the constant bickering, he keeps letting her stay.

Lois thought she had her life figured out, but after a messy breakup, she's going through a full-blown identity crisis. To top it all off, she now has to deal with an infuriatingly hot, emotionally distant roommate who seems to have a knack for driving her crazy. But Lois is done playing the good girl. If Lane wants to push her around, she's more than prepared to push right back.

Anxietyland

Gemma Correll

BOOK DESCRIPTION

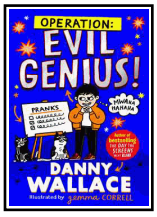

In the tradition of Allie Brosh and Roz Chast, award-winning popular cartoonist, writer, and illustrator Gemma Correll's humorous and poignant graphic memoir about her lifelong struggle with severe anxiety.

Gemma brings readers into the surreal world of Anxietyland, an amusement park in her own mind. In pages packed with humor and pathos she captures the experience of mental illness—including severe anxiety, agoraphobia, depression, panic attacks, and disassociation—which can take her to a frightening and darkly funny world that "feels like a place apart from 'real' life."

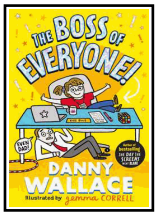

With humor that is both gentle and precise, and accompanied by her trademark illustrations, Gemma approaches mental illness in a uniquely imaginative and approachable way. And in the ultimate sleight of hand, she's written a charming and moving book about anxiety that won't make you feel anxious.

AUTHOR BIO

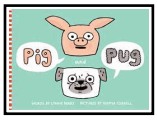

Gemma Correll is an award-winning cartoonist, writer, and illustrator. Her work has been featured in *The New York Times*, *Los Angeles Times*, NPR, *Elle*, and *Forbes*, among many others. She has written her own books and illustrated several others for adult and children's publishers. Her design clients include Hallmark, *The New York Times*, Progressive, and JetBlue. She has done product partnerships with The Whitney Museum, Converse, Keurig, and numerous other brands. Her products are available in various stores, including World Market. Every year since 2016, she has created social media campaigns for Mental Health America during Mental Health Awareness Month. In short, her work is everywhere. Originally from Britain, she now lives in California with her husband and two pugs.

WELCOME TO THE CLUB—ADHD is one of the most common psychiatric disorders in adults, yet “there are no US guidelines for diagnosing and treating patients beyond childhood” (*The New York* Times). With roughly eight million adults living with ADHD and more people seeking and receiving diagnoses each year, there’s a huge gap between lived experiences and straightforward information.

Enter Cate Osborn and Erik Gude, ADHD advocates and educators and hosts of the wildly popular podcast *Catie and Eric’s Infinite Quest: An ADHD Adventure.* They have witnessed this info gap firsthand in their own lives and in the flood of questions they regularly field from their millions of social media followers. Irreverent, indispensable, candid, and reassuring, Cate and Erik don’t paper over the realities of neurodivergence. They give it to you straight.

Featuring the most up-to-date foundational information, *The ADHD Field Guide for Adults* also explores issues that are rarely discussed, such as navigating sex and intimacy, and the healthcare system. Ingeniously structured and designed to be accessible for neurodivergent readers, *The ADHD Field Guide for Adults* features a wealth of knowledge and hard-won wisdom on:

·Identifying comorbidities (e.g. autism; anxiety; depression; dyslexia; and others)
·Coping with stress, boredom, and other experiences
·Asking for help
·Creating organizational systems that work for you and how to triage if you diverge from them
·Improving time management
·Recognizing the effects of hormones on ADHD
·Learning to listen to your body when interoception makes it tricky
·Approaching sex and sensory issues, desire and intimacy
·Noticing Rejection Sensitive Dysphoria and other cognitive distortions in relationships
·And much more…

From taking responsibility to testing and evaluations, to tips for productivity and organization, to thoughtful discussions on diagnosis and identity, *The ADHD Field Guide for Adults* is the perfect book not only for adults who have ADHD, but for anyone who wants to understand them.

AUTHOR BIO

Cate Osborn, along with Erik Gude, is an educator and advocate for people with ADHD. She is the host of *Sorry I Missed This* on Understood.org, which focuses on ADHD's impact on relationships, communication, and intimacy, and the cohost of *Catie and Erik's Infinite Quest: An ADHD Adventure*. Influencer Kids and the Cost of a Childhood Online

Fortesa Latifi

BOOK DESCRIPTION

A searing investigation into the child influencer industry and the perils of childhood internet fame, *Like, Follow, Subscribe* is essential reading for anyone seeking to understand the costs of internet fame, and the ethics of online content.

What is it like to grow up with a camera in your face 24/7? To have your childhood moments sold as "content" to millions online? What happens when someone who works in a largely unregulated multi-billion-dollar industry sells away their childhood and has no financial safety net as an adult? What does it feel like to have your private moments—your medical diagnoses, your first period, your first break up, your tantrums, potty-training, and breastfeeding-weaning—broadcast to an audience of millions? *Like, Follow, Subscribe* shines a spotlight on the deeply troubling world of the child influencer industry.

Journalist Fortesa Latifi dives into the lives of children whose parents mine their everyday activities for monetizable content, exposing issues like privacy violations, financial abuse, and the absence of child labor protections. Through expert interviews with psychologists, labor scientists, and even former child influencers and family vloggers, she uncovers the pressures, trauma, and consequences for children thrust into the spotlight.

This timely and eye-opening book doesn't just reveal the harm of toxic social media culture: it also provides a roadmap to better regulating influencer families, safeguarding children, and questioning the role of audiences in perpetuating these cycles of exploitation.

AUTHOR BIO

Fortesa Latifi is a journalist based in Los Angeles, California. Her work has been featured in *Rolling Stone*, *The New York Times*, *The Washington Post*, and *Teen Vogue* among other publications.

Unhitched

The Essential Divorce Guide for Women

Oona Metz

BOOK DESCRIPTION

Navigate the emotional side of divorce and emerge stronger, more confident, and ready to thrive with this essential guide for women.

Unhitched inspires women to use their divorce as a transformational opportunity for growth and self-discovery. Nationally recognized divorce expert and therapist Oona Metz provides a compassionate yet practical roadmap through every stage of the divorce process. Whether making the decision to end a marriage, coping during separation, dealing with the rollercoaster of emotions, coparenting, or navigating life after divorce, this book offers a wealth of psychological tools to guide you forward.

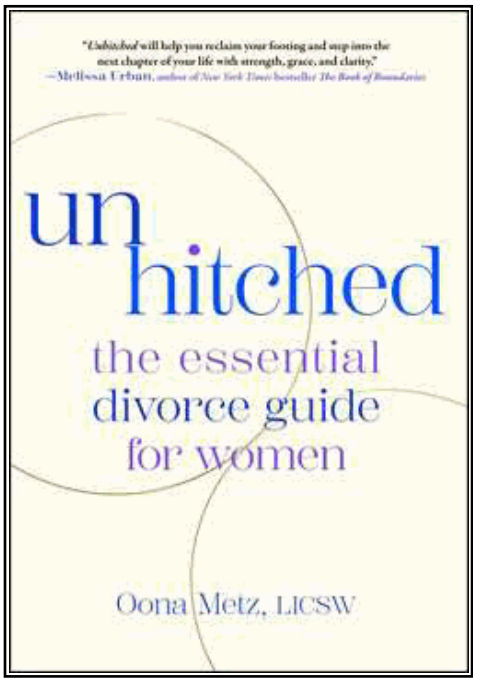

With over thirty years of experience supporting women as they navigate divorce, Metz weaves together practical guidance, relatable vignettes, and engaging exercises to help make the journey through divorce less overwhelming and more empowering. Topics include:

-The five phases of divorce grief
-Establishing separation boundaries
-Supporting children through the process
-Rediscovering your identity and confidence
-Exploring new relationships post-divorce

Filled with key takeaways, reassuring insights, and inclusive stories tailored for women in both heterosexual and LGBTQ+ relationships, *Unhitched* offers a reassuring guide to life before, during, and after divorce.

AUTHOR BIO

Oona Metz is a nationally recognized therapist, writer, and speaker who specializes in treating women navigating divorce. With over thirty years of experience, Oona has supported hundreds of women through the process of divorce. She is the founder of The Beacon Group Fellowship which trains mental health clinicians throughout the country to lead divorce support groups. She lives near Boston, Massachusetts, with her partner, and a handful of pets. Her young adult children have flown the coop but return home often.

The Soul Instinct

Beatrice Dixon; Foreword by Gwyneth Paltrow

BOOK DESCRIPTION

From Beatrice Dixon, founder of The Honey Pot Company, comes an inspiring memoir about overcoming adversity—personally and professionally—by trusting her intuition and following what she calls her "soul instinct" to build the life of her dreams.

Beatrice Dixon, cofounder and CEO of The Honey Pot Company, shares the powerful story of how trusting her dreams—and her inner voice—led her to build a groundbreaking wellness brand.

The Honey Pot Company was born from a literal dream, in which Dixon's late grandmother shared a recipe for an herbal remedy. When Dixon woke up, went to her kitchen, and formulated what would become the brand's first product.

But Dixon's story didn't start—or stop—there. From being born a premature baby without a nose or forehead to navigating a scrappy adolescence, and pitching a vaginal wellness brand to rooms full of male investors, her journey has been anything but conventional. Through it all, she relied on her "soul instinct" to guide her.

Part memoir, part self-help, *The Soul Instinct* is a raw, motivating look at the power of inner wisdom from one of the most influential voices in wellness today—and one of the few Black women to raise significant venture and private equity capital. This book will inspire readers to tap into their own intuition and own their story.

AUTHOR BIO

Beatrice Dixon is the CEO, cofounder, and chief innovation officer of The Honey Pot Company—the first complete personal wellness brand "made by humans with vaginas, for humans with vaginas."® She has been named one of Goldman Sachs's 100 Most Intriguing Entrepreneurs, *Worth's Worthy* 100, *Forbes*' Top 100 Female Founders, *Inc.*'s Top 100 Women Entrepreneurs, *Ebony*'s Power 100, and *Create & Cultivate*'s 100. She divides her time between Atlanta, Georgia, and Miami, Florida.

Everybody Loses

The Tumultuous Rise of American Sports Gambling

Danny Funt

BOOK DESCRIPTION

This jaw-dropping book pulls back the curtain on the alluring yet perilous world of American sports gambling. Built around explosive interviews with the power players of the betting boom at FanDuel, DraftKings, and beyond, it reveals the troubling methods that are being used to bleed gamblers dry.

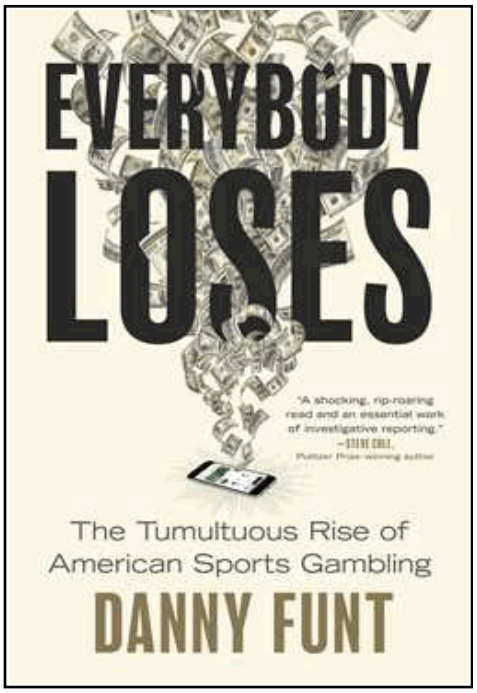

Everybody Loses is the first major investigation into America's sports gambling industry. Journalist Danny Funt has obtained wild stories and stunning admissions from the people trying to transform our nation of sports fans into a nation of sports gamblers, including:

• Former sportsbook executives who cop to misleading customers, with one admitting they're "selling that you can win, but you can't."
• VIP "hosts" at the gambling companies who divulge the extravagant perks they offer their biggest losers to keep them hooked.
• Insiders who recall secret meetings where NBA, NFL, NHL, and MLB executives learned how much money their leagues stood to make if they abandoned their opposition to gambling.
• Lobbyists who detail how they converted skeptical politicians into gambling industry cheerleaders.

This riveting narrative will captivate sports fans, concerned parents, and anyone intrigued by the intersection of money and morals. *Everybody Loses* is the crucial book for understanding why sports gambling is suddenly everywhere—and why the odds are so great that the problems it's creating will soon spiral out of control.

AUTHOR BIO

Danny Funt covers sports betting as a contributor at *The Washington Post*. His reporting has also appeared in *The New Yorker*, *The Wall Street Journal*, and the *Columbia Journalism Review*. He previously worked as an editor at *The Week* magazine. A graduate of Georgetown University and the Columbia Journalism School, he lives in Charlotte, North Carolina, with his wife and son.

Devout

Losing My Faith to Find Myself

David Archuleta; Foreword by Paula Abdul

BOOK DESCRIPTION

A raw and powerful coming-out story from the beloved *American Idol* finalist traces David Archuleta's journey from closeted Mormon teen to global pop star to openly queer man, revealing the hidden pressures of fame, the weight of religious expectations, and the courage it takes to live authentically.

At just seventeen, David Archuleta rose to national fame as the runner-up on *American Idol* season seven, captivating millions with his angelic voice. Behind the scenes, however, he was struggling with a truth he feared would destroy everything: he was attracted to men—and a devout member of The Church of Jesus Christ of Latter-day Saints.

In *Devout*, David takes you inside his deeply personal journey as a closeted Mormon teen turned international pop star, torn between faith, fame, and identity. From dealing with the pressures of being on a hit television show to a domineering father who controlled every aspect of his career—even being banned from the show's set—David reveals the emotional abuse and inner turmoil that he says plagued his childhood.

This searing memoir reflects on David's ventures with *American Idol*, a tour with Demi Lovato, and a two year sabbatical as a missionary in South America, charting his path through heartbreak, estrangement, three engagements, thoughts of suicide, and finally, his courageous decision to leave the Mormon Church in order to live authentically as a queer man. Featuring never-before-seen photos, *Devout* is a must-read for fans of pop culture, *American Idol*, and anyone deconstructing their religious upbringing, or who's ever wrestled with who they are versus who they're told to be.

On Season 7 of *American Idol*, David Archuleta made over 30 million television viewers swoon with his angelic voice, ultimately winning runner-up on the show at the age of seventeen. His journey has included turning out multiple platinum-selling hits, achieving global acclaim as a live performer, and emerging as an undeniable fixture on the pop-culture scene. Since his first single “Crush,” he has released eight studio albums, twenty-four singles, and twenty-one music videos. Hit singles “Crème Brulée” and “Hell Together” have marked a striking evolution and new chapter for David as an artist and creative entrepreneur while continuing to expand his audience globally. Having grown up as a poster child for The Church of Jesus Christ of Latter-Day Saints, David struggled to be his true self and didn’t come out as queer until 2021. He now advocates for members of the LGBTQ+ community. He lives in Los Angeles, California.

Twilight of Camelot

The Short Life and Long Legacy of Patrick Bouvier Kennedy

Steven Levingston

BOOK DESCRIPTION

From the author of the "insightful and well-crafted" (*The Wall Street Journal*) *Kennedy and King* comes a heart-wrenching and sensitive examination of the tragic loss of President John F. Kennedy and First Lady Jacqueline Kennedy's premature son, Patrick, and how their shared grief brought them closer together in the months leading up to his assassination.

In April 1963, President Kennedy and the First Lady announced the pregnancy of their third child—joyful news after years of miscarriages and the stillborn birth of a daughter in 1956. But on August 7th, Patrick Bouvier Kennedy was born six weeks premature and died less than two days later.

In this probing, soulful account of the struggle to save Patrick, Steven Levingston takes us inside the long-troubled relationship of Jack and Jackie as they faced one of the most difficult experiences of their marriage. With a "perceptive and eloquent" (*The Christian Science Monitor*) voice, Levingston reveals how Patrick's death, tragic as it was, ultimately brought the couple closer together and set the President on a trajectory to be a better husband and father in the months leading up to their fateful campaign trip to Dallas.

In a parallel storyline, Levingston reveals the largely unknown role President Kennedy played in modernizing an important corner of American health care. After Patrick's death, he ordered studies into the primitive state of premature care and drummed up millions of dollars in government funding, igniting a revolution in treatments that over the decades have saved millions of infants thanks to the invention of baby ventilators, new drugs, and modern neonatal intensive care units.

For his definitive account of Patrick's brief but influential life, Levingston draws on first-ever interviews with doctors who treated Jackie and Patrick, in-depth revelations of the Secret Service agent in whose speeding car Jackie nearly gave birth prematurely, and on new archival documents. *Twilight of Camelot* is a fresh and humanizing portrait of one of the most famous and complicated couples of the 20th century, and a pulsating drama that illuminates one of the least-known periods in Kennedy family history.

He has been featured on PBS *NewsHour*, CNN, MSNBC, CBS, C-SPAN, and in the Netflix documentary *Amend*. He founded and directed Boston University's business journalism program.

The Guy You Loved To Hate

Confessions from a Reality TV Villain

Spencer Pratt

BOOK DESCRIPTION

In this explosive, wildly entertaining memoir, Spencer Pratt charts his rise and fall as America's most notorious reality TV villain on *The Hills*—and how, from the ashes of the Pacific Palisades fires, he's finally ready for his redemption arc.

Spencer Pratt wasn't born into Hollywood royalty—he charmed his way in, driven by an unshakeable need to become *somebody*. By twenty-one, he had created his own reality show, making him the youngest executive producer in network television history. When that venture imploded, he didn't give up; instead, he infiltrated MTV's *The Hills*, weaponizing Simon Cowell-style villainy to become Y2K's most hated reality TV antagonist. From on-screen fights to off-camera manipulation, Spencer transformed toxicity into ratings gold—and, with future wife Heidi Montag, built "Speidi," a two-headed tabloid machine worth $2 million a year.

But behind the scenes, Spencer was spiraling. He begged for a redemption arc, only to learn villains don't get to yell "cut." As his mental health unraveled, calculated chaos gave way to full-blown instability—hoarding weapons, blowing a fortune on crystals, and pushing everyone away. Broke, blacklisted, and exiled from Hollywood, he lost his grip on reality, trapped in the fake world he'd built until he had almost nothing left. All that remained was Heidi, the one person who never stopped believing in him.

Together, Heidi and Spencer embarked on an unlikely comeback: rebuilding their lives through hummingbird mysticism, family, and lovable eccentricity across social media platforms. When the 2025 Palisades wildfires destroyed their home and everything inside, something miraculous happened—the TikTok community rallied around them with breathtaking speed, transforming them from antiheroes into beloved survivors almost overnight. Spencer Pratt was reborn not as a manufactured persona, but as exactly who he was: unedited, unfiltered, and real.

Now, for the first time, Spencer reveals the untold truth behind the spectacle—a darkly comedic, unflinching, and often surreal confessional from a TV villain who's finally broken character for good.

Spencer Pratt is reality TV's original villain and an icon of millennial fame culture. Best known for *The Hills*, he continues to evolve as a media personality—appearing on *Celebrity Big Brother*, *The Hills: New Beginnings*, and going viral on TikTok for his crystal hauls, hummingbird obsession, absurd burrito stunts, and raw documentation of his family's harrowing experience during the Pacific Palisades wildfire. Despite the chaos, he's outlasted most of his reality TV peers—and somehow, he's still not done. He lives in Southern California with Heidi and their two children with an unrelenting focus on rebuilding their lives in the Palisades.

Sextinction

The Decline of Sex and the Future of Intimacy

Dr. Debra Soh

BOOK DESCRIPTION

Dr. Debra Soh, neuroscientist, noted sex researcher, and author of the "exceptional" (*The Times*, London) *The End of Gender*, reports on the hidden crisis of a sudden decline of sexual activity.

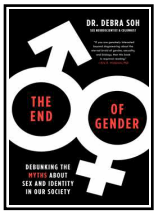

There's a strange paradox in today's developed world: society has never been more sexualized, but people across all age groups and demographics are having less sex than ever before. And nobody seems to know why or what to do about it.

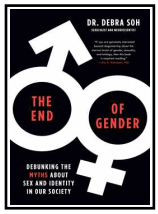

The "fearless" (Eric R Weinstein, PhD, host of *The Portal*) Dr. Debra Soh leaves no stone unturned as she searches for science-backed answers. She takes us on a roller-coaster journey through ideological debates, new technological frontiers, and modern dating to understand the whys and hows of this issue.

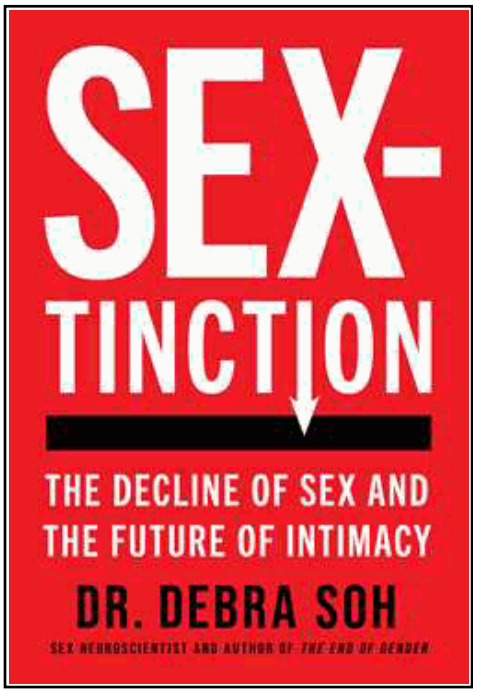

With an expert and impartial eye, Soh examines these evolving and controversial developments and colors her findings with anecdotes from her personal research. Compulsively readable and groundbreaking, *Sextinction* upends the conventional wisdom surrounding sex, skewering pieties held by the right and left alike, and looks to the future of sexuality.

AUTHOR BIO

Dr. Debra Soh is a neuroscientist who specializes in human sexuality and biological explanations for behavior. She received her PhD from York University in Toronto and worked as a scientific researcher for eleven years. She spoke at the Oxford Union about her first book, *The End of Gender*. The book has been translated into six languages and was featured in *The Daily Wire*'s film, *What Is a Woman?*. As a journalist, Soh writes about technology, health, and the politicization of science. Her writing has appeared in *The Globe and Mail* (Toronto), *The Wall Street Journal*, the *Los Angeles Times*, *Harper's Magazine*, and many other publications. Visit her at DrDebraSoh.com.

Almost Life

A Novel

Kiran Millwood Hargrave

BOOK DESCRIPTION

Two young women meet in Paris one sultry summer in a decades-spanning tour de force about the enduring power of young love and the poignant heartbreak of missed chances—perfect for fans of *One Day* and *Normal People*.

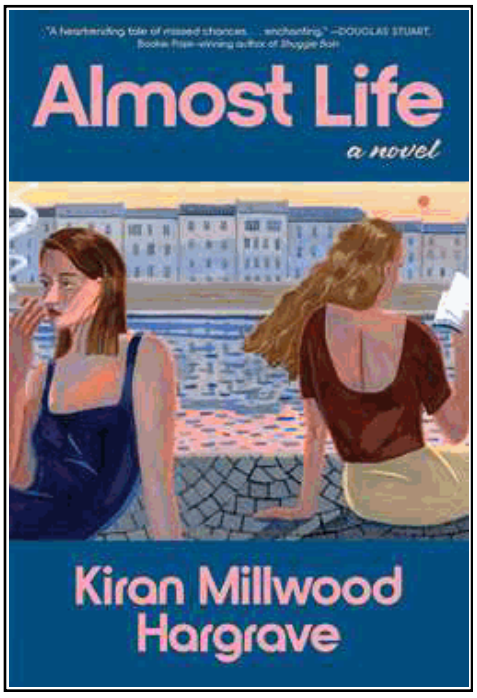

Erica and Laure meet on the steps of the Sacré-Coeur in Paris, 1978. Erica is a student, relishing her first summer abroad before beginning university at home in England. Laure is studying for her PhD at the Sorbonne, drinking and smoking far too much, and sleeping with a married woman. The moment the two women meet, the spark is undeniable, but their encounter turns into far more than a summer of love. It is the beginning of a relationship that will define their lives and every decision they have yet to make…

Erica and Laure's love story spans decades, marriage, children, secret trysts, and the agonizing changes—both personal and political—that might mean they can be together, after all. But when life brings them within touching distance again, will they be brave enough to seize a future together?

Beautifully capturing young love and all its complexities, *Almost Life* is a story of longing for the paths not taken, and the almost lives we live.

AUTHOR BIO

Kiran Millwood Hargrave is an award-winning, bestselling novelist. Her books have been translated into more than thirty languages and shortlisted for the Kirkus Prize. Her debut novel for adults, *The Mercies*, was a *New York Times* Notable Book, *USA Today* Best Book of 2020, and won international awards including a Betty Trask Award and the Prix Rive Gauche à Paris.

Porcupines

A Novel

Fran Fabriczki

BOOK DESCRIPTION

NAMED A MOST ANTICIPATED BOOK BY *VOGUE*

"If *Gilmore Girls* had sharper edges and came with a Los Angeles sunburn, you'd have this riveting novel, a love letter to kids who are done keeping their parents' secrets." —Courtney Maum, author of *I Am Having So Much Fun Here Without You*

A fresh and witty debut about a young immigrant mother and her increasingly inquisitive daughter, who wakes up one day and decides to find out who her father is.

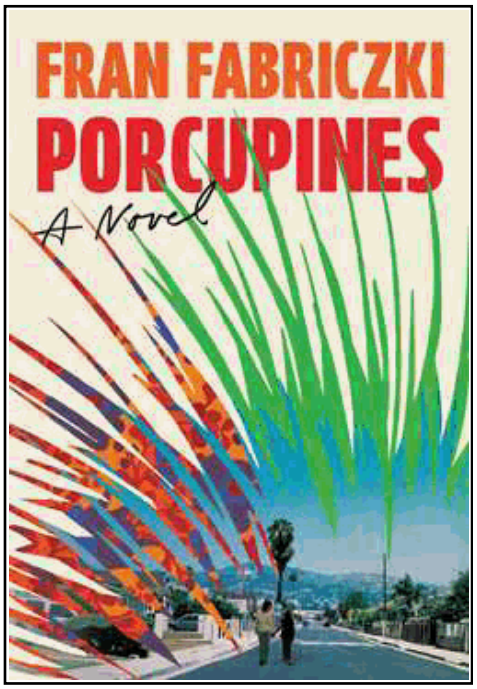

Sonia is a Hungarian immigrant who is raising her daughter, Mila—her beloved Milosh—on her own in sunny Los Angeles. Her days are a blur of not-quite-illegal business activities, dodging PTA moms, and baking birthday cakes laced with rum—minor mistakes that nevertheless continually remind her of everything she doesn't understand about America and parenthood. Mila, meanwhile, is juggling violin and swimming lessons and navigating the treacherous social politics of school with the help of a less-than-helpful guidebook on how to be cool in the sixth grade—all the while trying to get her secretive mother to share something, anything, about her past.

Sonia is sure that their bond, stitched from drive-through dinners, extracurricular activities, and a lot of exasperated affection for each other—will be enough to satisfy her daughter. But her guarded lifestyle has left Mila lonely, isolated, and ready to write herself into a bigger story. When she stumbles across emails between her mother and a man she's never met, Mila decides to take matters into her own hands and forms a plan that will implode their carefully constructed lives.

Moving between Budapest before the fall of the Berlin Wall; Washington, DC, in the tense years of the Cold War; and the bright sunshine of early aughts Los Angeles, *Porcupines* is an irresistible novel about mothers and daughters, secrecy and loneliness, belonging and reinvention—and what happens when the truth can't be held back any longer.

AUTHOR BIO

Fran Fabriczki was born in Budapest and lived in Los Angeles for many years as a child. She moved to the United Kingdom to study English at the University of Cambridge. *Porcupines* is her first novel.

The Rest of Our Lives

A Novel

Ben Markovits

BOOK DESCRIPTION

NATIONAL BESTSELLER

FINALIST FOR THE BOOKER PRIZE

“Feels less like reading a novel and more like sitting in a car beside a dear friend as he navigates the road up ahead. A profoundly moving experience.” —Ann Patchett

“Deeply human...a beautifully quiet and devastating book.” —Sarah Jessica Parker

A triumphantly life-affirming road trip novel about marriage, middle-age, and a man at a crossroads in his life.

When Tom Layward’s wife had an affair twelve years ago, he resolved to leave her as soon as his youngest child left the nest. Now, while driving his college-bound daughter to Pittsburgh, he remembers his promise to himself. He is also on the run from his own health issues and a forced leave from work.

So, rather than returning to his wife in Westchester, Tom keeps driving west, with the vague plan of visiting people from his past—an old college friend, his ex-girlfriend, his brother, his son—en route, maybe, to California. He’s moving towards a future he hasn’t even envisioned yet while he considers his past and the choices he’s made that have brought him to this particular present. Pitch-perfect, tender, and keenly observed, *The Rest of Our Lives* is a story about what to do when the rest of your life is only just the beginning of your story.

AUTHOR BIO

Ben Markovits was born in Texas and grew up there and in London and Berlin. He studied at Yale University and the University of Oxford. After graduating, he became a professional basketball player in Landshut, Germany (where he played against a young Dirk Nowitzki). His eleven previous novels include *Fathers and Daughters*, *You Don’t Have to Live Like This*, and *The Sidekick*. He has published essays, stories, poetry, and reviews in *The Guardian*, *Granta*, *The Paris Review*, and *The New York Times*, among others. In 2013, *Granta* selected him as one of their Best of Young British Novelists and in 2015 he won the Eccles British Library Writer in Residence Award and the James Tait Black Memorial Prize. He lives in London and teaches creative writing at Royal Holloway, University of London.

Keeper of Lost Children

A Novel

Sadeqa Johnson

BOOK DESCRIPTION

In this new novel from the *New York Times* bestselling author of *The House of Eve*, one American woman's vision in post WWII Germany will tie together three people in an unexpected way.

Ethel Gathers, the proud wife of an American Officer, is living in Occupied Germany in the 1950s. After discovering a local orphanage filled with the abandoned mixed-race children of German women and Black American GI's, Ethel feels compelled to help find these children homes.

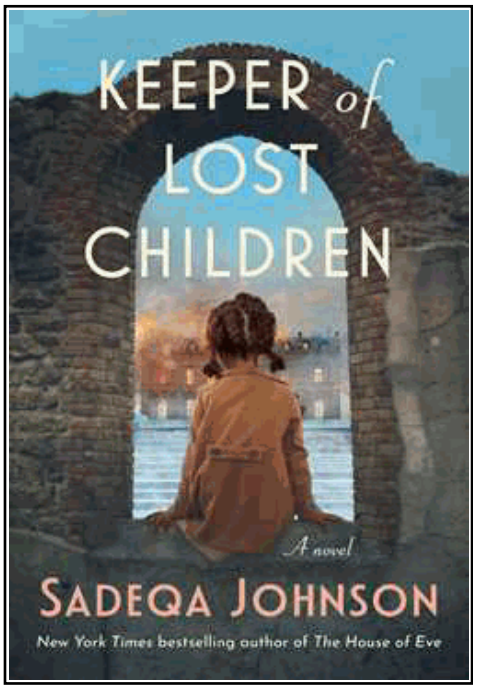

Philadelphia born Ozzie Phillips volunteers for the recently desegregated army in 1948, eager to make his mark in the world. While serving in Manheim, Germany, he meets a local woman, Jelka, and the two embark on a relationship that will impact their lives forever.

In 1965 Maryland, Sophia Clark is given an opportunity to attend a prestigious all white boarding school and escape her heartless parents. While at the school, she discovers a secret that upends her world and sends her on a quest to unravel her own identity.

Toggling between the lives of these three individuals, *Keeper of Lost Children* explores how one woman's vision will change the course of countless lives, and demonstrates that love in its myriad of forms—familial, parental, and forbidden, even love of self—can be transcendent.

AUTHOR BIO

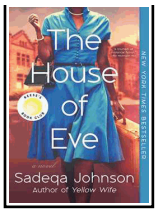

Sadeqa Johnson is the *New York Times* bestselling author of five novels. Her most recent novel, *The House of Eve*, was an instant *New York Times* bestseller, Reese's Book Club selection, NAACP Image Award nominee, and Goodreads Choice award finalist. Her previous novel, *Yellow Wife*, was the Library of Virginia's Literary People's Choice Award winner, Goodreads Choice Award finalist, Hurston/Wright Foundation Legacy finalist, and a BCALA Literary Award honoree. Originally from Philadelphia, Sadeqa currently lives near Richmond, Virginia. For more information, go to Sadeqa.net.

Family Drama

A Novel

Rebecca Fallon

BOOK DESCRIPTION

A vibrant debut and powerful meditation on family, motherhood, and the cost of holding on to your dreams, reminiscent of Ann Napolitano.

In New England, Susan Bliss is a young mother married to a professor.
In LA, Susan Byrne stars in a soap opera beloved coast to coast.
Decades after she's gone, her twins have no idea of their mother's fame. But the past can't stay hidden forever.

It's 1997, and snow is blanketing a New England beach. Two befuddled seven-year-olds watch as their mother's body is tipped overboard a crumbling boat. A Viking funeral, followed by a raucous wake. A send-off fit for soap opera star: Susan Bliss.

Fifteen years earlier, Susan is a blazing, beautiful young woman, passionate about her art. It's impossible not to fall in love with her, and so Alcott, a practical professor, does—hopelessly. And so begins the love story of Susan's two-paneled life: an unconventional, jetlag-filled arrangement that takes her back and forth between her life in New England as a wife and mother to young twins to the bright lights of Los Angeles, where she becomes the beloved star of a daytime soap.

In the present, Susan's twins grow up in the shadow of her all-consuming absence. Sebastian, a sensitive artist, cleaves to her memory, fascinated with the artifacts of her starry past. Viola, resentful of her mother's torn allegiances, distances herself from the memories of her. But when Viola runs into her mother's old costar Orson Grey—now a renowned Hollywood star—she finds herself falling deeply in love with him and begins to put together the pieces of a mother she never really knew.

Sharp, assured, and beautifully written, *Family Drama* is a story told in double-helix, with intertwined timelines that explore the different versions of ourselves we share with the world and with each other.

AUTHOR BIO

Rebecca Fallon is a New England-born Londoner and a graduate of Williams College and the University of Oxford. *Family Drama* is her debut novel.

Watching Over Her

A Novel

Jean-Baptiste Andrea; translated by Frank Wynne

BOOK DESCRIPTION

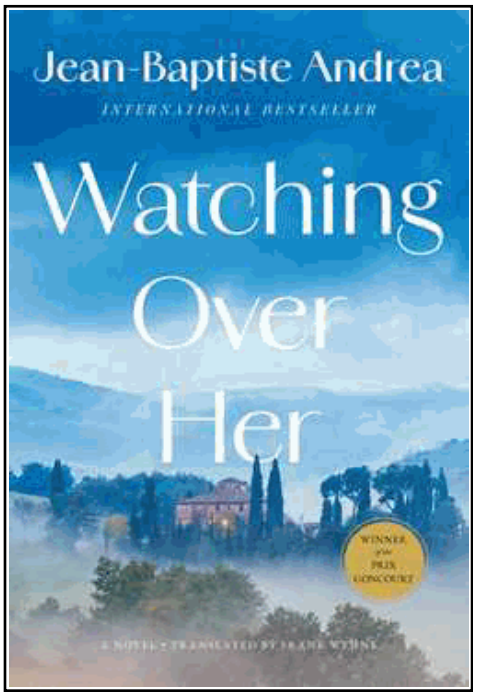

From French literary talent and Prix Goncourt winner Jean-Baptiste Andrea, a "sprawling fresco and star-crossed love story" (*The New York Times*) following a dwarf and skilled sculptor as he recounts the moments in his life that inspired his mysteriously powerful masterpiece—perfect for readers of *Martyr!* and *The Covenant of Water*.

In an Italian monastery, a sculptor named Mimo lays on his deathbed. For decades, he has lived among the monks who watch over his masterpiece, an arresting statue that haunts all who see it.

During his final hours, he reveals his life story: his impoverished childhood, brutal apprenticeship, and, most important, his meeting with Viola Orsini, the only daughter of a powerful and dangerous aristocratic family. Mimo and Viola are instantly drawn to one another, viewing themselves as outsiders—Mimo, for his dwarfism, Viola for her ability to remember everything she has ever read or experienced. Together, they traverse the unrest of the twentieth century, from the rise of fascism to the violence of the world wars. While Mimo becomes a celebrated artist, Viola chases her own dreams of becoming an emancipated woman. Over the decades, they will lose and find each other time and again, but never will they give up on the love they share.

Immersive and full of heart, Mimo's adventures are ribald and hilarious, challenging conventions of his day. Jean-Baptiste Andrea's Prix Goncourt–winning novel has captivated audiences around the globe and is available to readers in English for the first time thanks to Frank Wynne's wonderfully vivid translation.

Jean-Baptiste Andrea is a writer, screenwriter, and director. His novel *Watching Over Her* was awarded the Prix Goncourt, the most prestigious French literary award. He is also the author of *Ma Reine*, *A Hundred Million Years and a Day*, and *Devils and Saints*.

Frank Wynne is an Irish literary translator, writer, and editor. He has translated numerous French and Hispanic authors including Michel Houellebecq, Patrick Modiano, Javier Cercas, and Virginie Despentes. Over a career spanning more than twenty-five years, his work has twice earned him the IMPAC Dublin Literary Award, the Independent Foreign Fiction Prize, and been awarded the Scott Moncrieff Prize three times and the Premio Valle Inclán twice. Most recently, his translation of *The Annual Banquet of the Gravediggers' Guild* by Mathias Énard won the 2024 French-American Prize. He has edited two major anthologies, *Found in Translation: 100 of the Finest Short Stories Ever Translated* and *Queer: LGBT Writing from Ancient Times to Yesterday*.

Livonia Chow Mein

A Novel

Abigail Savitch-Lew

BOOK DESCRIPTION

"Abigail Savitch-Lew opens up doors to a Brooklyn world that most of us will never see. She reveals the convergence of cultures that is the real New York to life with flair and grace that make this an utterly enjoyable read." —James McBride, *New York Times* bestselling author of *The Heaven & Earth Grocery Store*

In the vein of *Happiness Falls* and *Family Lore*, a gripping story of family history and political upheaval centered around a Chinese family-owned restaurant in Brownsville, Brooklyn, and its impact on the neighborhood's Jewish and Black residents over the course of a century.

In 1978, two tenements on Livonia Avenue in Brownsville burn to the ground, killing one resident and displacing dozens of others. It remains unclear who set the buildings ablaze, but the survivors are convinced the culprit is Mr. Wong.

Who exactly is Mr. Wong, and what allegedly drove him to this extraordinary act of violence, is the question that consumes this novel as it plunges into four generations of Wong family history. First is Koon Lai, an immigrant who runs a Chinese restaurant on Livonia Avenue; second, his son Richard, a man desperate for his own chance at the American Dream; and third, Jason, a poet who seeks his escape in the bohemian counterculture of the 1970s, but finds himself an unwitting participant in Brooklyn's gentrification. In the 21st century, Jason's daughter Sadie returns to Brownsville as a journalist, determined to unravel the mystery of what happened decades earlier on the night the buildings blazed.

Joining together the present and the past is the community organizer Lina Rodriguez Armstrong, who was also displaced by that fire and who has spent the intervening years fighting for the rights of Brownsville's residents and organizing a Livonia Avenue community land trust.

A stunning debut from a new talent, *Livonia Chow Mein* contemplates how the American pursuit of freedom relies on a collective amnesia and challenges us to consider what it would take for us to truly live in harmony.

Abigail Savitch-Lew is a writer of fiction and nonfiction and an American of Jewish and Chinese (Ashkenazi and Toisanese) descent. She has a BA in literary arts from Brown University and an MFA in fiction from Rutgers University-Newark. She is the author of the novel *Livonia Chow Mein*, and her short stories have been published in *The Round*, *Post Road*, *The Best Teen Writing of 2010*, and *The Apprentice Writer*. Previously, she was a staff reporter for *City Limits*, an Asian American Writers' Workshop Margins Fellow, and an adjunct professor of creative writing at Rutgers. She lives in Brooklyn with her husband, the artist Emmanuel Knight, her sister-in-law, and their cat.

The Plans I Have for You

A Novel

Lai Sanders

BOOK DESCRIPTION

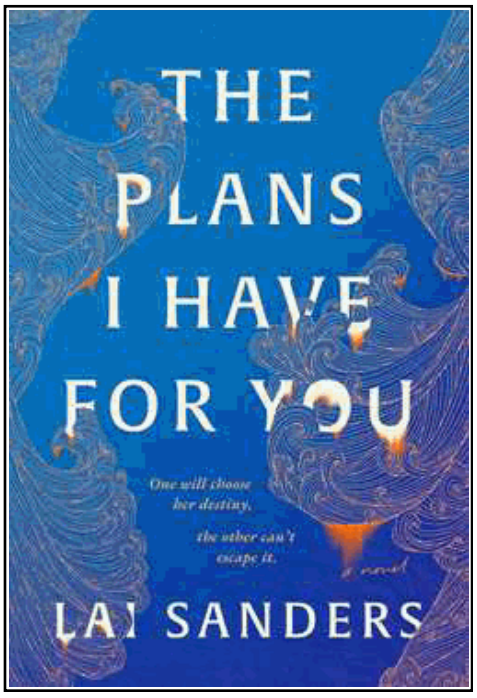

Lai Sanders's debut novel is a timely, razor-sharp thriller exploring race and privilege, perfect for fans of R. F. Kuang.

Shelley Hu's life is over. A viral video cost her a spot at Columbia Law, her prestigious Manhattan law firm internship, and her hopes to build a better life for herself and her mother. Now Shelley is back in Kissimmee, Florida, working the night shift at a kitschy motel near Disney World—the very same job she held in high school. Shelley's life is a black hole while those who caused the incident that cost her everything have been free to happily move on with their lives. But one night, the beautiful, enigmatic Sophia Moon checks in to Shelley's motel with her husband and young son. Sophia's appearance is far from random—she too has experienced a public shaming, and she proposes a plan to help Shelley get back what she deserves and enact revenge on the three people responsible for the worst day of her life.

Shelley returns with Sophia to New York with a new identity, new career, and new ambitions. Shelley ingratiates herself in her targets' worlds until they begin to suffer one odd calamity after another. Soon Sophia's support turns to obsession, as Shelley is forced to reckon with Sophia's dark and mysterious past and the chilling truth that Sophia's real plans are far beyond what Shelley ever imagined.

All the World Can Hold

Jung Yun

BOOK DESCRIPTION

***Let the Great World Spin* meets *The White Lotus* when three passengers from wildly different backgrounds board a cruise ship bound for Bermuda shortly after 9/11 and learn en route that they can't outrun their regrets about the risks not taken.**

It's Sunday, September 16, 2001. Franny and her husband have traded in their elegant Park Avenue co-op for a suite on board the Sonata, a once-glittering cruise ship with a complicated history now long past its prime. Though they're not "cruise people," Franny is determined to host the trip as planned because it's her mother's seventieth birthday, or chilsun, a major rite of passage celebrated by Korean families. But as her husband keeps pointing out, Franny and her mother aren't close, and it is surreal—even wrong—to be on a cruise as the death toll from the attacks on 9/11 continues to rise.

Also on board is Doug, an aging actor and former star of Starlight Voyages, the hit Love Boat–style television series famously filmed on the Sonata. With few professional prospects, a now sober Doug has reluctantly joined his former castmates on a reunion cruise for fans of the show, but he dreads the dark specter of his past misdeeds. Meanwhile, Lucy, the only Black female graduate student in her department at MIT, has uncharacteristically accepted an invitation to join her roommate on the cruise during the height of recruitment season. Lucy's impulsive decision reflects her growing ambivalence about the tech companies that are trying to hire her, including a new one with a strange-sounding name, Google.

All the World Can Hold beautifully explores how we balance our needs and our wants, as well as the regrets we live with and the chances to set them right. And though it's not a 9/11 novel, it does remind us that while the great world spins, the interpersonal dramas don't cease, even as more dire ones play out in the larger world.

AUTHOR BIO

Jung Yun was born in Seoul, South Korea, and grew up in Fargo, North Dakota. She received her MFA in English and creative writing at the University of Massachusetts Amherst. She is the author of *O Beautiful*, which was a *New York Times* Editors' Choice, a *New York Times* Group Read, and a *San Francisco Chronicle* Book of the Year. Her debut novel, *Shelter*, was longlisted for the Center for Fiction's First Novel Prize.

Like This, But Funnier

A Novel

Hallie Cantor

BOOK DESCRIPTION

For fans of Dolly Alderton and HBO's *Hacks*, a whip-smart, laugh-out-loud funny debut novel about faking it (and "making it") as a writer in Hollywood.

TV writer Caroline Neumann is thirty-four and mired in professional envy and self-hatred. Even Harry, her usually supportive therapist husband, thinks it's time for her to press pause on her career ambitions and focus on getting pregnant, despite Caroline's serious ambivalence about having children.

When Caroline accidentally stumbles on Harry's patient session notes and offhandedly mentions what she finds in a meeting with a producer, the momentum of Hollywood takes over. Before she knows it—and unbeknownst to Harry—Caroline finds herself pitching a TV show about the deepest, darkest secrets of her husband's favorite patient, a woman known to Caroline only as the Teacher.

Amid the indignities of the Hollywood development process, Caroline must balance her burning desire for professional validation against her own morality and the health of her marriage. And when Caroline forms a real-life relationship with Teacher herself, the lines between art and life begin to blur further, shaking up Caroline's understanding of what it means to be the "likeable female protagonist" of her own life.

AUTHOR BIO

Hallie Cantor is an Emmy-nominated television writer for shows including *Arrested Development*, *Lady Dynamite!*, *Dollface*, and *Inside Amy Schumer*. Her work has been published in *The New Yorker*'s *Shouts & Murmurs*, *New York* magazine, NPR's *This American Life*, and the humor anthology *Notes From the Bathroom Line*. She lives in Los Angeles with her husband, who is—yes—a therapist. *Like This, But Funnier* is her debut novel.

A Cry In the Night

Mary Higgins Clark; introduction by Lucina Berry

BOOK DESCRIPTION

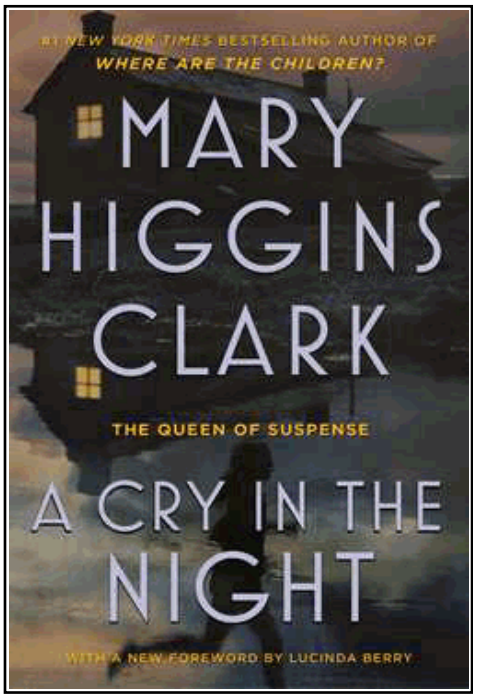

In this gripping novel from the *New York Times* bestselling Queen of Suspense, a young mother in a new marriage begins to question just how well she knows her husband—and if she and her children are safe in his beautiful but isolated home.

When single mother of two Jenny MacPartland meets the man of her dreams while working in a New York art gallery, she's ecstatic. Painter Erich Krueger—whose exquisite landscapes are making him a huge success—is handsome, sensitive, and utterly in love with her.

They marry quickly—despite concerns expressed by Jenny's friends and family—and Jenny plans to create a loving home with her two daughters on Erich's vast Minnesota farm. But once there, Erich's mask begins to slip, and Jenny slowly realizes he is not the man she first met. He acts strangely, spends long periods of time alone in his "off limits" cabin, and grows more possessive of Jenny. Initially writing these off as the eccentricities of an artist, the lonely days and eerie nights begin to strain her nerves to the breaking point and test her sanity.

Caught in a whirlpool of shattering events, Jenny soon unearths a past more terrifying than she dares imagine—tragic secrets that threaten her marriage, her children, and her life.

I Heard That Song Before

A Novel

Mary Higgins Clark

BOOK DESCRIPTION

In a riveting psychological thriller, Queen of Suspense Mary Higgins Clark takes you deep into the mysteries of the human mind, where memories may be the most dangerous things of all.

Kay Lansing, who has grown up in Englewood, New Jersey, is the daughter of the landscaper to the wealthy and powerful Carrington family. Their mansion—a historic 17th-century manor house transported stone by stone from Wales in 1848—has a hidden chapel. One day, accompanying her father to work, six-year-old Kay succumbs to curiosity and sneaks into the chapel. There, she overhears a quarrel between a man and a woman who is demanding money from him. When she says that this will be the last time, his caustic response is: “I heard that song before.”

That same evening, the Carrington’s hold a formal dinner dance after which Peter Carrington, a student at Princeton, drives home Susan Althorp, the eighteen-year-old daughter of neighbors. While her parents hear her come in, she is not in her room the next morning and is never seen or heard from again.

Throughout the years, a cloud of suspicion hangs over Peter Carrington. At age forty-two, head of the family business empire, he is still “a person of interest” in the eyes of the police, not only for Susan Althorp’s disappearance but also for the subsequent drowning death of his own pregnant wife in their swimming pool.

Kay, now living in New York and working as a librarian in Englewood, goes to see Peter. Kay sees Peter as maligned and misunderstood, and she soon falls in love with him. Over the objections of her beloved grandmother, she marries him. To her dismay, she soon finds that he is a sleepwalker whose nocturnal wanderings draw him to the spot at the pool where his wife met her end.

Kay develops gnawing doubts about her husband. She believes that the key to the truth about his guilt or innocence lies in the scene she witnessed as a child in the chapel and knows she must learn the identity of the man and woman who quarreled there that day. What Kay does not know is that uncovering what lies behind these memories may put her own life in danger…

Heal Faster

Unlock Your Body's Rapid Recovery Reflex

Victoria Maizes, MD

BOOK DESCRIPTION

Discover how to harness your body's innate healing mechanisms to recover faster and more completely from virtually any condition, from common colds to chronic disease, by the author of *Be Fruitful* and cohost of the *Body of Wonder* podcast, and in collaboration with the AARP.

What if your body already has all the healing tools it needs—and you just need to learn how to activate them?

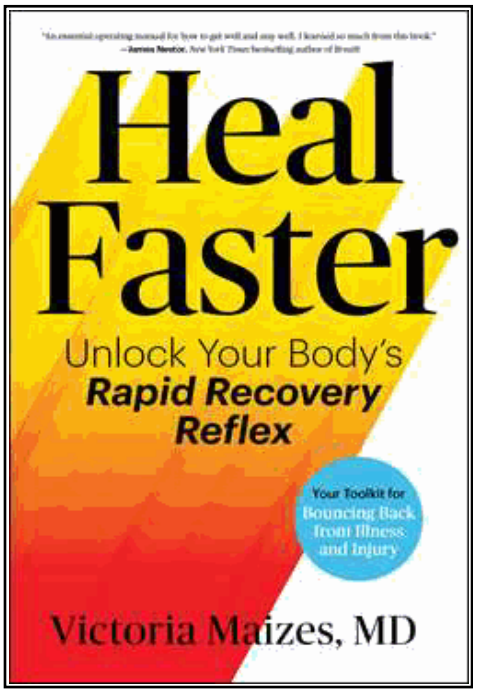

In this groundbreaking book, Dr. Victoria Maizes, a pioneer of integrative medicine, reveals the remarkable power of what she calls the "rapid recovery reflex"—your body's built-in ability to restore balance and heal from illness, injury, and stress.

Drawing on forty years of medical experience and cutting-edge research, Dr. Maizes shows that complete recovery is possible for a wide range of conditions when you know how to support your body's natural healing processes. From short-term ailments—like colds and sprains—to chronic conditions—like asthma and diabetes—to recovering from surgery, this book offers evidence-based strategies to heal faster and more completely.

Inside you'll discover:
-Science-backed strategies that can speed up recovery from common ailments (like GERD, UTIs, anxiety, asthma, and eczema), chronic conditions, and even surgery.
- Surprising reasons why you should sometimes let your body's natural inflammatory response do its healing work.
-A personalized Recovery Toolkit with essential supplements, practices, and remedies for different conditions.
-Integrative tools that really work when managing mental health, stress, and anxiety.

Rather than merely treating symptoms, Dr. Maizes shows how to address the root causes of illness while providing practical tools for activating your rapid recovery reflex. This comprehensive guide empowers you to take charge of your health and tap into your body's remarkable ability to heal itself.

Mind Over Grind

How to Break Free When Work Hijacks Your Life

Guy Winch Ph.D.

BOOK DESCRIPTION

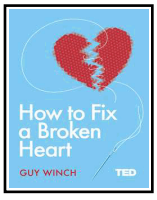

Clinical psychologist, TED Speaker, and author of *Emotional First Aid* offers a guide to combating the many stresses modern work imposes, based on recent research and the stories of clients Winch has helped to thrive in the relentless grind of today's workplace.

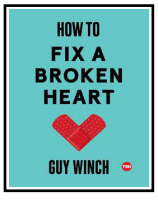

Whether we like it or not, work is central to our lives. Most of us define ourselves by our work; it gives us a purpose, it enables us to maintain our lives, our homes, our nourishment, our recreational pursuits, and it puts us often among like-minded people who share and appreciate our skills and achievements. No wonder we feel it is so important. But the dark side is that it intrudes on our lives and unconsciously takes over our thoughts, our priorities, and even our coping mechanisms. Especially in recent years, the separation between work and home is blurrier than ever, and we struggle to maintain healthy boundaries, to restore ourselves and recover our attention and energy, to give due focus to our loved ones, and to nourish other essential aspects of our self.

In *Mind Over Grind*, Guy Winch explains how our enmeshment with work reinforces these unconscious tendencies and reveals the damage they do to our careers and personal lives, as well as to our emotional health. He argues that attaining a work-life balance involves changing how you think both at work and at home. And he offers clear, practical strategies we can use to regain control, change our mindset, and be more intentional, so we can excel at work and flourish in our personal lives.

AUTHOR BIO

Guy Winch is a psychologist and the author of three books that have been translated into twenty-eight languages, and his three TED Talks have garnered thirty-five million views. He is a gifted storyteller who offers science-based concrete strategies that empower. His work has been covered by *The New York Times*, *The Wall Street Journal*, and elsewhere. He lectures widely at corporations, conferences, and government think tanks. His private practice is in New York City.

Poisonous People

How to Resist Them and Improve Your Life

Leanne ten Brinke

BOOK DESCRIPTION

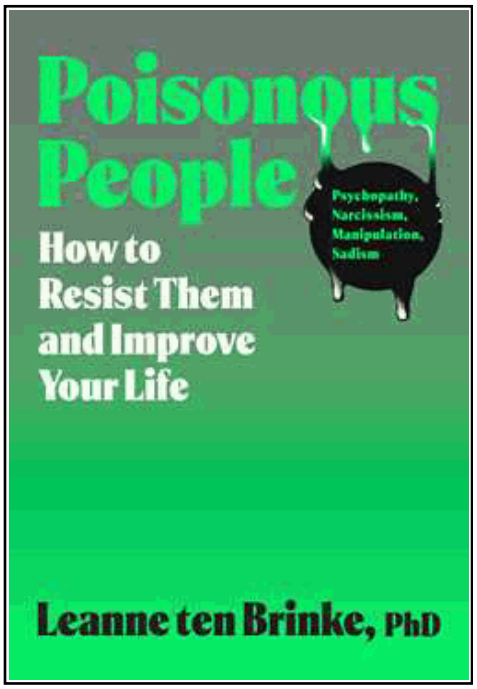

University of British Columbia psychopathy expert Leanne ten Brinke draws on the latest science to help you identify and manage dark personalities—from the difficult to the deadly—and dramatically reduce their impact on our relationships, workplaces, and society at large.

Everyone knows how much damage one bad apple can do. One bully in a classroom can create a culture of fear. A controlling spouse can crush an entire family's sense of stability, security, and independence. A domineering boss can tank a team's performance. A ruthless, shameless politician can set a whole country on edge. But who are these poisonous people? How much harm and misery do they really cause? And what can the rest of us do to stop them from ruining our homes, workplaces, and communities?

In *Poisonous People*, award-winning psychologist Dr. Leanne ten Brinke offers a brilliant new perspective on dark personalities. Weaving together personal stories and pathbreaking research, she depicts a surprising reality: a small portion of the population causes most of the world's suffering. People with psychopathic and related personality traits commit a disproportionate amount of crime, with an economic cost estimated in the trillions of dollars. They also poison communities by spreading negativity, violating trust, and eroding norms. Fortunately, science offers powerful solutions. By understanding the harm dark personalities cause, identifying them when we see them, making informed decisions about whether to exit relationships with them, and knowing how to manage them when we decide to stay, we can dramatically reduce the pain we and others around us suffer.

In *Poisonous People*, ten Brinke gives us powerful, science-based tools for navigating dark personalities in a range of everyday contexts. As she argues, we have the power to reduce their power over us, whether at home, at school, at work—even in the political realm. *Poisonous People* shows us how to use that power to improve our lives—and the world.

Leanne ten Brinke, PhD serves as an associate professor at the University of British Columbia, where she directs the Truth and Trust Lab. She has published dozens of academic articles on deception, distrust, and psychopathic personalities in the courtroom, boardroom, and halls of government. Her work has been featured in media such as *The New York Times*, *Financial Times*, *The Washington Post*, *The Harvard Business Review*, BBC, NPR, and CBC. Prior to joining the University of British Columbia, Dr. ten Brinke was an assistant professor at the University of Denver and held a Banting Postdoctoral Fellowship in the Haas School of Business and Department of Psychology at UC Berkeley. Dr. ten Brinke holds a PhD from the University of British Columbia and a BSc degree from Dalhousie University. She was born and raised in Antigonish, Nova Scotia.

How Great Ideas Happen

The Hidden Steps Behind Breakthrough Success

George Newman

BOOK DESCRIPTION

Great ideas are all around us, waiting to be discovered. Here's how to find them.

We're used to imagining creativity as a lightbulb moment—sudden, mysterious, reserved for the gifted few. But what if ideas aren't conjured from thin air? What if they're discovered—more like precious artifacts that we unearth and refine?

In *How Great Ideas Happen*, cognitive scientist George Newman draws on cutting-edge research to show that creativity isn't magic, it's method. The most successful innovators don't wait to be struck by brilliance; their creative process is more like archeology. As keen-eyed explorers, they scan the terrain, dig with intention, and, with a little luck, find gold.

With vivid examples from the arts, science, and business, Newman shows how creativity often comes from discovering what was already there. For example, how Jackson Pollock tapped into deep patterns in nature to create his famous "drip" paintings; how Korean filmmakers created an entirely new genre by closely studying foreign films; or, how Paul Simon made *Graceland* by carefully sifting through previously recorded material for what he could take away.

By revealing the hidden steps behind breakthrough success, *How Great Ideas Happen* uncovers a repeatable method that anyone can follow, reframing creativity not as a rare gift, but as a universal capacity waiting to be unlocked through exploration. The creative process is an adventure of ideas—this book is your guide.

AUTHOR BIO

George Newman is an associate professor at the Rotman School of Management at the University of Toronto and a leading expert on creativity. His research has been featured in *The New York Times*, *The Economist*, BBC, *Scientific American*, *Forbes*, *The Wall Street Journal*, and *The Washington Post*.

Hard Feelings

Finding the Wisdom in Our Darkest Emotions

Daniel Smith

BOOK DESCRIPTION

From a psychotherapist and the *New York Times* bestselling author of *Monkey Mind*, a thoughtful, deeply personal exploration of our most difficult emotions, arguing that they are not obstacles to overcome but essential messengers that can lead us toward wisdom and wholeness.

What if the emotions we fight hardest against—anger, shame, envy, regret, jealousy, annoyance, despair—are not enemies to be vanquished but essential guides to self-knowledge?

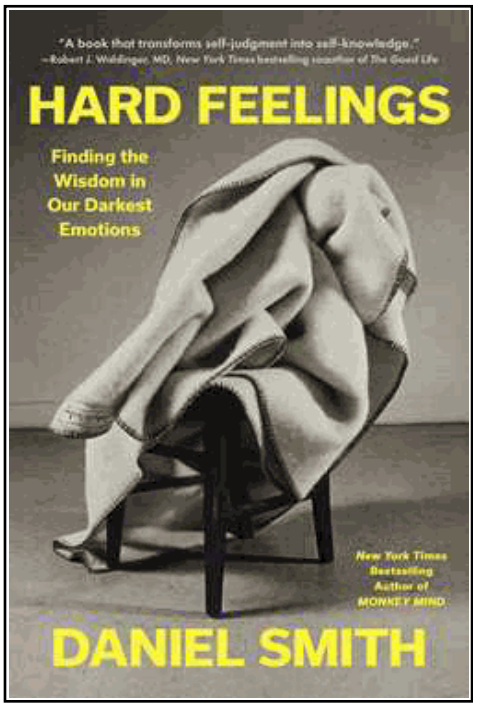

When two birthday gifts—a centuries-old treatise on melancholy and a book of Bosch's hellscapes—arrived just months before the birth of Daniel Smith's second child, he began questioning our culture's dismissal of difficult feelings and his own lifelong struggle against these so-called "negative" emotions. Moving between intimate personal narrative and rich intellectual exploration, Smith investigates how our relationship with negative emotions has evolved through history—from the Seven Deadly Sins to modern psychology's sometimes equally damning classifications. He explores what science, psychology, art, and philosophy can and cannot tell us about the nature of emotion itself, challenging conventional wisdom about what our feelings really are and how they function.

With unflinching honesty about his own emotional turbulence and the insights gained from his work as a psychotherapist, Smith makes a compelling case that our negative emotions serve crucial purposes—if only we would listen to what they're trying to tell us. Whether examining the striking absence of anger among the Inuit or confronting his own emotional inheritance as a new father, Smith offers a perspective that is both deeply humane and surprisingly hopeful.

This book is not so much a guide to banishing difficult feelings, but rather an invitation to wholeness—to feeling everything—and discovering that even our darkest emotions contain intelligence, meaning, and the potential for profound transformation.

AUTHOR BIO

Daniel Smith is a psychotherapist and the author of *Muses, Madmen, and Prophets* and *Monkey Mind*. His writing has appeared in *The Atlantic*, *The New York Times Magazine*, and *The New Yorker*, among other publications. He lives in Brooklyn, New York.

We Are as Gods

A Survival Guide for the Age of Abundance

Peter Diamandis and Steven Kotler

BOOK DESCRIPTION

From the *New York Times* bestselling authors of *Abundance*, *Bold*, and *The Future Is Faster Than You Think* comes a bold exploration of what it means to stay human in a world where technology has granted us godlike power.

In 1968, Stewart Brand declared: *"We are as gods—and we might as well get good at it."* Half a century later, that prophecy has come true.

We can rewrite genes, edit embryos, build artificial minds, extend life, and terraform worlds. The old miracles—omniscience, omnipresence, even resurrection—are becoming standard operating procedure. But the real question isn't whether humanity can play god. It's whether we can do it wisely.

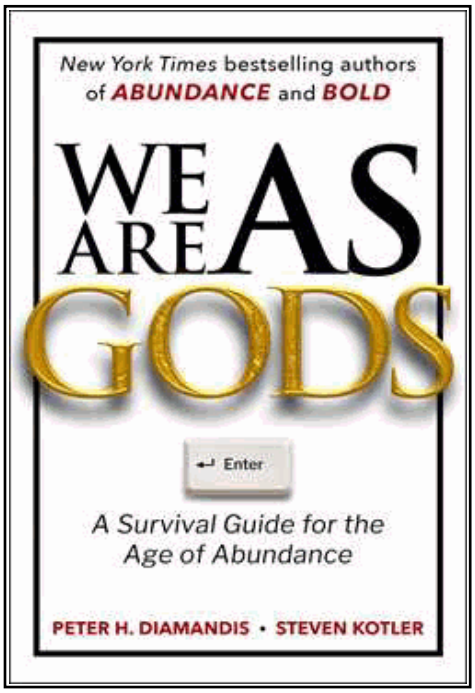

In *We Are As Gods: A Survival Guide for the Age of Abundance*, Peter H. Diamandis and Steven Kotler—bestselling authors of *Abundance* and *Bold*—return with a sweeping exploration of our species' next great transformation. Blending hard science with vivid storytelling, they chart humanity's ascent from scarcity to superabundance—and the psychological, ethical, and existential challenges that come with it.

Across breakthroughs in AI, robotics, genetics, longevity, and consciousness research, they reveal a paradox at the heart of progress: as our external power expands, our inner resilience must evolve to match. Abundance without meaning leads to collapse. Intelligence without wisdom leads to extinction. To thrive in a world of everything, everywhere, all the time, we must learn to wield our godlike powers with humility, creativity, and flow.

Equal parts warning and invitation, *We Are As Gods* is a map for flourishing in the exponential century. Because the future won't be built by those who fear what's coming, but by those who know how to turn chaos into creation.

Abundance is here. Are you ready?

Superteams

The Science and Secrets of High-Performing Teams

Ron Friedman

BOOK DESCRIPTION

The ultimate playbook for building high-performing teams, packed with counterintuitive insights, surprising science, and real-world lessons from the most comprehensive study of elite groups ever conducted.

What do the best teams do differently?

To find out, award-winning social psychologist Ron Friedman surveyed thousands of teams and pinpointed the precise habits that separate the best from the rest. The results upend everything we think we know about teamwork. It turns out that the most successful teams aren't the ones that collaborate most, get along best, or put in the longest hours. What really sets them apart is the way they manage their energy and attention, bring out the best in one another, and keep improving over time.

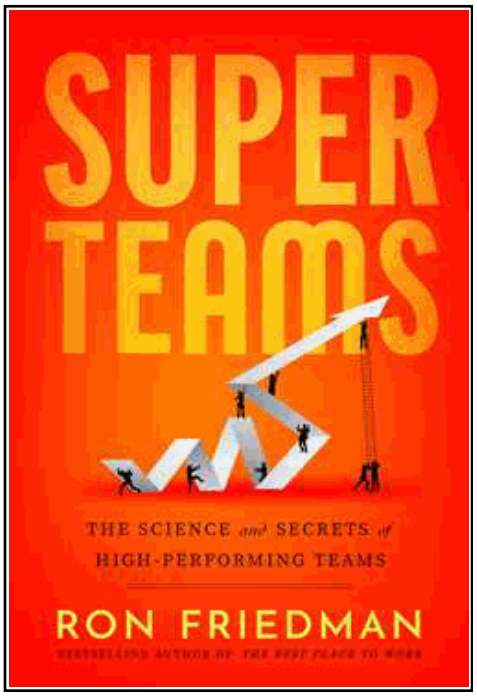

Blending eye-opening discoveries with unforgettable stories, *Superteams* takes you inside the writers' room of *Succession* and *Bridgerton*, the recording studio of ABBA and Fleetwood Mac, the kitchens of Michelin-starred restaurants, the laboratories of Nobel Prize–winning scientists, the locker rooms of NBA and NFL teams, and the boardrooms of the world's most innovative companies.

You'll learn:

-A simple rule that instantly cuts meeting time in half
-The only office perk that improves team performance (spoiler: it's not coffee)
-Why feeling like the smartest person in the room is a red flag
-Why top performers care more about disappointing their peers than their boss
-How the best teams avoid burnout without working fewer hours
-The one question that makes group decisions up to thirty percent smarter
-How personal productivity hacks make teammates less reliable
-What the best (and worst) leaders do differently
-The fastest way to recharge after work
-How to build a team that keeps getting better

Smart, insightful, and relentlessly practical, this is your science-backed guide to turning your team into a Superteam.

Apple

The First 50 Years

David Pogue

BOOK DESCRIPTION

In time for Apple's 50th anniversary, CBS *Sunday Morning* correspondent David Pogue tells the iconic company's entire life story: how it was born, nearly died, was born again under Steve Jobs, and became, under CEO Tim Cook, the most valuable company in the world. The book features full-color photos, new facts that correct the record and illuminate its subversive culture, and fresh interviews with the legendary figures who shaped Apple into what it is today.

On April 1, 1976, two scruffy twentysomethings, both named Steve, founded a startup. Their goal: To bring the revolutionary power of computers to everyone.

Over the next five decades, Apple reshaped the technology and cultural landscapes, introducing the public to breakthroughs like the mouse, laser printing, CD-ROM, WiFi, digital video, home networking, touchscreen phones, and tablets. Jobs's obsessive eye for detail set the stage for products—Mac, iMac, iPod, iTunes, iPhone, iPad, AirPods, Apple Watch—that married advanced technology with beauty, simplicity, and fine design.

Deeply researched and lavishly illustrated, *Apple: The First 50 Years* includes new interviews with 150 key people who made the journey, including Steve Wozniak, John Sculley, Jony Ive, and many current designers, engineers, and executives. The book busts long-held myths; goes backstage for both the titanic successes (450 million iPods, 700 million iPads, 2.2 billion iPhones) and the instructive failures (Lisa, Apple III, MobileMe); and assesses the forces that challenge Apple's dominance as it enters its second half century.

Bursting with tales of frenetic all-nighters, engineering genius, and creative rebellion, this book is a true testament to Apple's unique and innovative vision, and a must read for anyone whose life Apple has touched.

Capitalism is Sexism

Doortje Smithuijsen

BOOK DESCRIPTION

A bold and incisive manifesto on the ways sexism is used to exploit women in a capitalistic system through the personal lens of dating and influencer culture from a prominent journalist and cultural critic in the Netherlands.

Young women find themselves constantly pulled between opposing forces. The age-old divide between focusing on a successful career or building a family is now compounded by the pressure to resist unhealthy beauty standards and the influencer algorithm, but to start Botox before it's too late.

Within capitalism, the inequality between men and women is shamelessly exploited. Women are still seen as "natural" caregivers, even when they are the primary breadwinners in their household. They are expected to balance these roles all while navigating a world that continuously emphasizes wellness and self-care while women lose bodily autonomy, equality in partnerships, and the chances for meaningful, authentic connections.

Through her own experiences, Doortje Smithuijsen explores how seemingly innocent phenomena such as Trad Wives and spin classes are part of a system that continues to marginalize women. *Capitalism is Sexism* is not simply about finding body positivity in the age of Ozempic, but how these forces are here to captivate your attention, your earnings, and your labor. With her razor-sharp insights, she shows how difficult it is for women to make free choices within this system.

AUTHOR BIO

Doortje Smithuijsen lives in Amsterdam where she is a philosopher and journalist frequently featured on Dutch national television and hosts a popular weekly podcast. She has written several books, made documentaries, and regularly publishes in the *Volkskrant* newspaper.

The Story of Us

How the Taylor Swift Fandom Changed Our Lives

Olivia Levin

BOOK DESCRIPTION

We've had the time of our lives as Swifties, and now that story—full of joy, friendship, connection, clowning, and singing at the top of our lungs—is documented in this tribute to the fandom and the reason we're all here, *Taylor Swift*.

We all know how it started: a teenage girl from Pennsylvania moved to Nashville and soon rose to the top of the country music charts. This is where Taylor Swift's story started in 2006, but it's also where our story, as Swifties, began.

The Story of Us is a heartfelt journey through Swiftie history, capturing the evolution of a fandom that has stood the test of time. Told through the lens of personal experiences, this book chronicles the rise of a fandom that has remained fiercely loyal through every era. From calling radio stations to request "Tim McGraw," to those unforgettable moments on Tumblr when Taylor and fans felt like friends, to surviving the Ticketmaster war—we've been there. We've learned life lessons, traded friendship bracelets, mastered time zone math to tune into live streams, and created a language only another Swiftie—or Taylor herself—could understand. But beyond all of these shared moments, what truly binds us is how Taylor's lyrics feel like they were written just for us—like reflections of our own stories.

This passionate and unique fandom has won awards and been intensely studied, but for the first time, fans can reminisce and celebrate what it means to be part of this life-changing community. A love letter written by a Swiftie, for Swifties, *The Story of Us* ensures that our story will never be forgotten.

AUTHOR BIO

Olivia Levin built her following running the @SwiftiesForEternity account since she was thirteen, becoming a trusted voice for Taylor Swift fans worldwide. Recognized by *USA TODAY* as one of the biggest Taylor Swift social media influencers, Olivia now blends her love of music and fandom culture with entrepreneurial ventures in entertainment and media. Based in Nashville, she continues to connect communities, support artists, and create opportunities that bridge fans and the music industry.

Black Dahlia

Murder, Monsters, and Madness in Midcentury Hollywood

William J. Mann

BOOK DESCRIPTION

Illuminating and captivating, *New York Times* bestselling author of *Tinseltown* and *Bogart* offers the first definitive account of the Black Dahlia murder—the most famous unsolved true crime case in American history—which humanizes the victim and situates the notorious case within an anxious, postwar country grappling with new ideas, demographics, and technologies.

The brutal murder of Elizabeth Short—better known as the Black Dahlia—in 1947 has been in the public consciousness for nearly eighty years, yet no serious study of the crime has ever been published.

Short has been mischaracterized as a wayward sex worker or vagabond, and—like the seductive femme fatales of film noir—responsible for and perhaps deserving of her fate. William J. Mann, however, is interested in the truth. His extensive research reveals her as a young woman with curiosity and drive, who leveraged what little agency postwar society gave her to explore the world, defying draconian postwar gender expectations to settle down, marry, and have children. It's time to reexamine the woman who became known as the Black Dahlia.

Using a 21st-century lens, Mann connects Short's story to the anxious era after World War II, when the nation was grappling with new ideas, new demographics, new technologies, and old fears dressed up as new ones. Only by situating the Black Dahlia case within this changing world can we understand the tragedy of this young woman, whose life and death offer surprising mirrors on today.

Mann has strong opinions on who might've killed her, and even stronger ones on who did not. He spent five years sifting through the evidence and has found unknown connections by cross-referencing police reports, District Attorney investigations, FBI files, court documents, military records, and more, using the deep, intense research skills that have become his trademark. He also spoke with the families of the original detectives, of Short's friends, and even of suspects, and relied on advice from experienced physicians and homicide detectives.

Mann deftly sifts through the sensationalized journalism, preconceived notions, myths, and misunderstandings surrounding the case to uncover the truth about Elizabeth Short like no book before. *The Black Dahlia* promises to be the definitive study about the most famous unsolved case in American history.

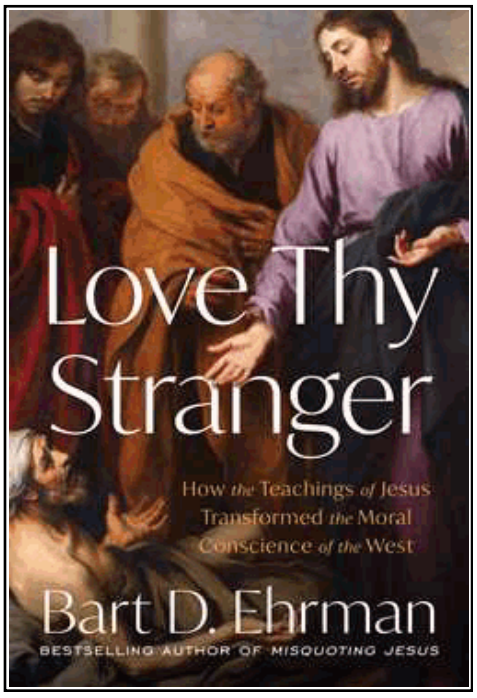

AUTHOR BIO

William J. Mann is a *New York Times* bestselling author of *The Contender: The Story of Marlon Brando*, for which he was granted access to Brando's private estate archive, as well as *Kate: The Woman Who Was Hepburn* (named a Notable Book of the Year by the *Times*); *Hello Gorgeous: Becoming Barbra Streisand* (praised by *USA Today* for its "meticulous research and insightful analysis"); *Edge of Midnight: The Life of John Schlesinger*, for which he worked closely with the Oscar-winning director; and *The Black Dahlia: Murder, Monsters, and Madness in Midcentury America*. His book *Tinseltown: Murder, Morphine and Madness at the Dawn of Hollywood* won the Edgar Allan Poe Award. Mann is a professor of film and popular culture at Central Connecticut State University.

Love Thy Stranger

How the Teachings of Jesus Transformed the Moral Conscience of the West

Bart D. Ehrman

BOOK DESCRIPTION

From the *New York Times* bestselling author of *Misquoting Jesus* comes a surprising history of Jesus' most radical commandment—a new kind of altruism—tracing how the extraordinary duty to love even those who are strangers to us has shaped our world and our lives.

When we donate money to victims of natural disasters, or offer our forgiveness, or consider it a government's responsibility to provide some basic assistance to those in need--, we are (knowingly or not) demonstrating the enduring legacy of a particularly Christian kind of love.

For centuries, Greek and Roman moral philosophers prioritized generosity towards friends and family. Even Old Testament exhortations to love your neighbor gave little reason to consider the suffering of those beyond your own community.

Jesus changed all this, introducing a revolutionary new ethical obligation to love those you didn't even know—unconditionally—and to demonstrate that love through acts of care. The implications of this radical commandment would be debated, misunderstood, and resisted by early Christians. But by the fifth century, a new "common sense" began to transform the moral conscience—and the politics—of the West.

In *Love Thy Stranger*, New Testament historian Bart D. Ehrman charts the causes and consequences of this ethical revolution with his signature sly humor and verve. For in this moment of renewed debate over the limitations of Christian love, Jesus' most demanding commandment remains a thrillingly provocative one, even two millennia on.

AUTHOR BIO

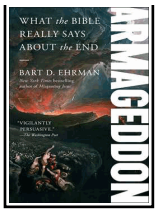

Bart D. Ehrman is a leading authority on the New Testament and the history of early Christianity. A distinguished professor of religious studies at the University of North Carolina at Chapel Hill, he is the author of six *New York Times* bestsellers, including *Misquoting Jesus*, *How Jesus Became God*, and *The Triumph of Christianity*. He has also created nine popular audio and video courses for The Great Courses. His books have been translated into twenty-seven languages, with over two million copies and courses sold.

Polar War

Submarines, Spies, and the Struggle for Power in a Melting Arctic

Kenneth R. Rosen

BOOK DESCRIPTION

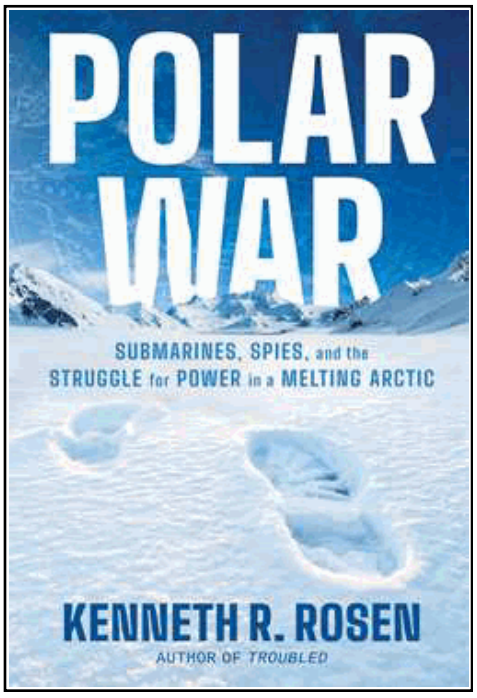

A gripping blend of travelogue and frontline reporting that reveals how climate change, military ambition, and economic opportunity are transforming the Arctic into the epicenter of a new cold war, where a struggle for dominance between the planet's great powers heralds the next global conflict.

Russian spies. Nuclear submarines. Sabotaged pipelines. Undersea communications severed in the dark of night. The fastest-warming place on earth—where apartment buildings, hospitals, and homes crumble daily as permafrost melts and villages get washed away by rising seas—the Arctic stands at the crossroads of geopolitical ambition and environmental catastrophe. As climate change thaws the northern latitudes, opening once ice-bound shipping lanes and access to natural resources, the world's military powers are rushing to stake their claims in this increasingly strategic region. We've entered a new cold war—and every day it grows hotter.

In *Polar War*, Kenneth R. Rosen takes readers on an extraordinary journey across the changing face of the far north. Through intimate portraits of scientists, soldiers, and Indigenous community leaders representing the interests of twenty-one countries across four continents, he witnesses firsthand how rising temperatures and growing tensions are reshaping life above and below the Arctic Circle. He finds himself on the trail of Navy SEALs training for arctic warfare, embarks on Coast Guard patrols monitoring Russian incursions, participates in close-quarter-combat training aboard foreign icebreakers in the Arctic sea ice, and visits remote research stations where international cooperation is giving way to espionage and the search for long-frozen biological weapons.

Drawing on hundreds of interviews and three years of reporting from the frontlines of climate change and great power competition, Rosen blends incisive analysis with the vivid immediacy of a travelogue. His deeply researched and personal accounts capture the diverse landscapes, people, and conflicted interests that define this complex northern region. The result is both an elegy for a vanishing landscape and an urgent warning about how the race for Arctic dominance could spark the next global conflict.

Kenneth R. Rosen is the recipient of a Kurt Schork Award, a Bayeux-Calvados Award for War Correspondents, and was a two-time finalist for the Livingston Award for his work in Syria and Iraq. His writing has appeared in *The New Yorker*, *The New York Times*, *The Atlantic*, and *WIRED*. He divides his time between Western Massachusetts and Northern Italy with his wife and their three children.

How to Win a Trade War

An Optimistic Guide to an Anxious Global Economy

Soumaya Keynes and Chad P. Bown

BOOK DESCRIPTION

Two top trade experts with popular economics podcasts argue for a new way of operating between the biggest economic powers in the world.

We used to take trade for granted. No more.

Everything we know about trade has changed. With Trump's tariffs throwing everything up in the air, this is *the* book to explain the eruption. As we enter this new era of trade conflict, we need a new way of operating between the biggest economic powers in the world. Trade experts Soumaya Keynes and Chad Bown argue that now that the rules of the game have been abandoned, we need a different strategy. Yearning for the old approach to start working again isn't an option. Ultimately, the authors argue that a Western system that protects market-oriented democracies from China's one will require the embrace of some uniquely Chinese tools. If we want to avoid a war with guns, drones, and battles, then we need to understand these weapons better in *How to Win a Trade War*.

The authors give a tour of products and supply chains, from metals to sushi, and the impact of trade—and trade disruptions—on workers and consumers. They follow a lipstick with plastic casing manufactured in China, filled in Mexico, and then shipped to Canada after stopping off at a Texan warehouse. They trace an electronics supply chain from silicon sourced in the Appalachian Mountains, to "wafers" made in Japan, to chips made in Taiwan using equipment made in the Netherlands, to smartphones assembled in China and sent to America.

They speculate what all-out economic warfare might look like. What if the world's key shipping lanes got blocked? Or satellite communication went down? What about export restrictions cutting off supplies of key products? Tariffs could be the least of our problems.

This timely and accessible book helps readers understand how they, their company, and their country fit into the story at this precarious moment for the global economy.

Soumaya Keynes is an economics columnist at the *Financial Times* and host of the podcast *The Economics Show with Soumaya Keynes*. Before joining the *Financial Times* in July 2023, she spent eight years at *The Economist*, where she won an award from the Association of Business Journalists for her commentary on the first Trump administration's trade policy. She cofounded the *Trade Talks* podcast during the Trump administration's first term and cohosted *The Economist's Money Talks* podcast. She started her career as an economist working at the UK Treasury and then as a researcher at the Institute for Fiscal Studies. She has an undergraduate degree and masters in economics from the University of Cambridge.

Chad Bown is the Reginald Jones Senior Fellow at the Peterson Institute for International Economics and host of the *Trade Talks* podcast. He has performed public service in two US administrations, as Chief Economist at the Department of State in the Biden-Harris administration and as Senior Economist in the White House on President Obama's Council of Economic Advisors. He has also been on the research staff at the World Bank and World Trade Organization, and was on the faculty at Brandeis University for twelve years and was a tenured professor of economics. He received a BA magna cum laude in economics and international relations from Bucknell University and a PhD in economics from the University of Wisconsin-Madison.

Escape From Capitalism

An Intervention

Clara E. Mattei

BOOK DESCRIPTION

For fans of Bernie Sanders and Thomas Piketty, an urgent intervention against capitalism revealing how economic models serve the extremely wealthy and powerful at the expense of ordinary people—and how we can reclaim our power to make choices about our economic lives.

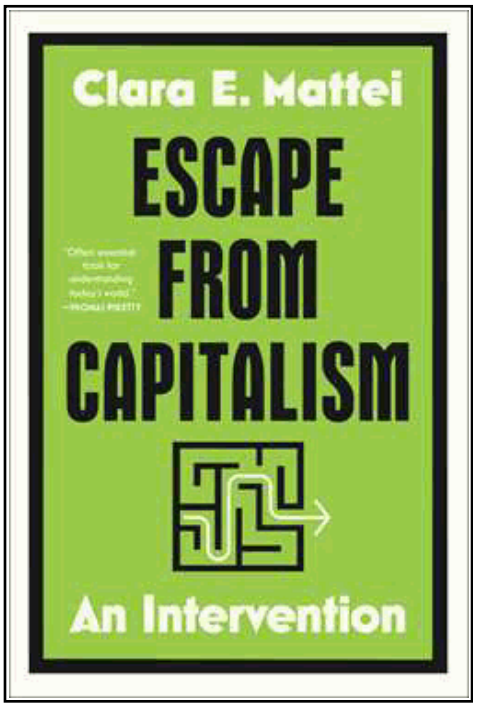

Capitalism isn't inevitable, scientific, or natural—it's a relatively young system that *can* be replaced. In this radical rethinking of economics, Clara Mattei argues that enduring problems such as poverty, unemployment, and inflation are not bugs in the economy but core features. They are justified with pseudoscientific models, fabrications built to support a capitalist economy that unfairly rewards people with the most resources.

The tools of economic experts—budget cuts, interest rate hikes, and regressive taxes—are sold as apolitical but disguise a bleak reality: they maintain our capitalist system, reinforcing inequality. Central bankers raise interest rates knowing this will cause a recession and pain to working families. Governments slash tax collection jobs in the name of balanced budgets, which actually shields the wealthy from tax enforcement and creates budget shortfalls used to justify cuts in social services. Textbooks teach that unemployment must rise to fix inflation. But this model creates conditions that force people to accept crummy jobs and low pay.

In the wake of World War I, when the world's economy was in turmoil, economics was elevated to a scientific discipline, legitimized through mathematical formulas and new economic institutions considered too sophisticated for the average person to understand. Today's economic institutions, from the Fed to the IMF, wield immense power over monetary policy yet are shielded from democratic scrutiny. Why should we accept a system that delegates crucial decisions that impact our lives to institutions in which we have no say?

All the major problems today—from a healthcare system that prioritizes profits over well-being to the rise of ultranationalism—are rooted in an economic system that fails to serve the common good. In this revelatory manifesto, Mattei sets out a revolutionary vision that may one day allow us to achieve true economic freedom and finally escape from capitalism.

Clara E. Mattei is a professor of economics at The University of Tulsa. She is the Founding President of FREE—the Forum for Real Economic Emancipation—and the author of *The Capital Order* (University of Chicago Press), which was praised by *The Financial Times* as one of the ten best economics books of 2022 and has been translated into over a dozen languages.

The Last Titans

How Churchill and de Gaulle Saved Their Nations and Transformed the World

Richard Vinen

BOOK DESCRIPTION

A compelling dual biography of Winston Churchill and Charles de Gaulle that shines new light on two of the greatest figures of the 20th century.

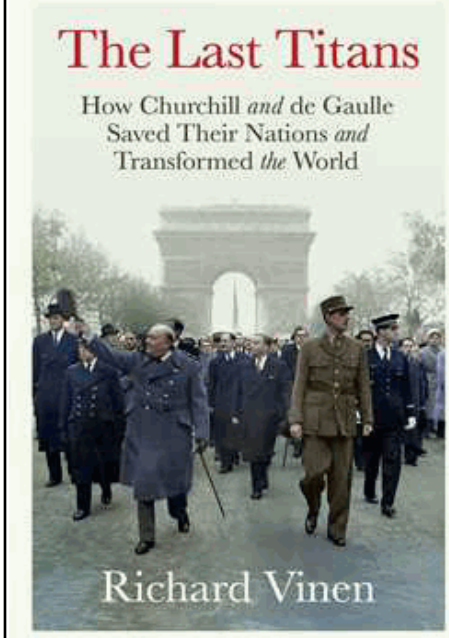

Winston Churchill and Charles de Gaulle were thrown together by war. They incarnated the resistance of Britain and France to the existential threat from Nazi Germany, and their ultimate victory over Hitler has ensured their achievements will never be forgotten. But, as *The Last Titans* shows, that is only a part of a complex story. Both men influenced their countries, and the world around them, long after the war was won.

There was a paradox in the parallel and intertwined lives of these extraordinary men. De Gaulle—tall, gauche, and incorruptible—exhibited qualities often associated with the English. Churchill—short, charming, witty, and a bon vivant—resembled the quintessential politician of the French Third Republic. Their working relationship was rarely smooth, but they appreciated each other's stature: de Gaulle said Churchill was "the great artist of a great history," while Churchill recognized de Gaulle as "*l'homme du destin*."

Richard Vinen explores what made these men exceptional and how profoundly they were influenced by their national cultures. Beyond personal intrigue, Vinen makes a wider point that Britain and France are both haunted by perceptions of past greatness. He retraces the paths of two leaders who once helmed superpowers but lived to see their nations weakened by two world wars and the loss of empires.

Written with extraordinary narrative verve, *The Last Titans* offers a fresh exploration into the lives of de Gaulle and Churchill. By bringing their two stories into one, each man is seen anew and we gain fresh insights into their achievements and their legacy today.

Richard Vinen is professor of history at Kings College London. He was previously a fellow of Trinity College Cambridge and, more recently, an archive by-fellow at Churchill College Cambridge. He has written for *The New York Times*, *TLS*, *The Guardian*, *The London Review of Books*, *The Boston Globe*, *The Independent*, *Financial Times*, the *Literary Review*, and *The Nation*. He has appeared frequently on radio and television. He has published widely on British, French, and European history and, in 2015, won the Wolfson prize for history.

Not Your Founding Father

How a Nonbinary Minister Became America's Most Radical Revolutionary

Nina Sankovitch

BOOK DESCRIPTION

A thrilling celebration of a forgotten early American renegade, *Not Your Founding Father* reconsiders just how radical the American experiment could have been.

Early in the morning of October 9, 1776—in the small farming community of Cumberland, Rhode Island, in a house surrounded by cherry trees—twenty-three-year-old Jemima Wilkinson died, and the Public Universal Friend was born.

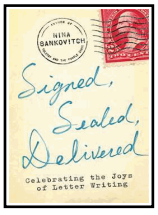

Old Cherry Wilkinson's children had already gained a reputation for scandal. Two of his boys had been dismissed from the local Quaker meeting for joining the colonial militia, and one of the girls was expelled for having a baby out of wedlock. Now, here was another Wilkinson child, riding about the countryside, claiming to be a genderless messenger of God.

Yet something about the Public Universal Friend set war-ravaged New England ablaze. The young minister seemed to embody the possibilities offered by the new nation, especially the right to total self-determination. To authorities, however, the minister was "the devil in petticoats," a threat to the men who sought to keep America's power for themselves.

And so the Public Universal Friend ventured west to create an Eden on the frontier, a place where everyone would have the right to not only life, liberty, and the pursuit happiness, but also peace and shared prosperity. But into every Eden comes a snake. And soon, financial scams, contested wills, adultery, plagiarism, allegations of murder, and murmurs of another war with England would threaten to destroy this new American utopia.

AUTHOR BIO

Nina Sankovitch is the acclaimed author of the memoir *Tolstoy and the Purple Chair* and several works of popular history, including *Not Your Founding Father*. Her writing has appeared in *The New York Times*, the *Los Angeles Times*, and *Vogue*.

King Arthur Baking Company's Book of Pizza

Recipes for Every Pizza Maker

King Arthur Baking

BOOK DESCRIPTION

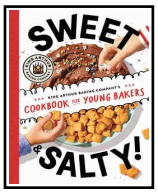

From the team behind the #1 *New York Times* bestseller *The King Arthur Baking Company Big Book of Bread*, comes the definitive book dedicated to the key elements of making pizza in any home oven, countertop pizza oven, or backyard oven or grill.

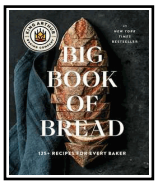

The bakers at King Arthur Baking Company researched, tested—and tasted!—hundreds of pizzas and cooking methods to develop the most comprehensive book yet dedicated to the art and science of making pizza at home. Organized around twelve distinct styles—New York, New Haven, Chicago Tavern, Grandma, Neapolitan, and more—*King Arthur Baking Company's The Book of Pizza* goes deep on every element of a great pie, from dough and sauce to the cheese and the bake.

Comprehensive yet accessible, the book is packed with innovative topping suggestions to match each crust style (don't sleep on the Prosciutto and Hot Honey Neapolitan pie). But it also empowers bakers to mix and match sauces and toppings, allowing them to customize pizzas exactly to their liking. Rounding out the pizza recipes are four quintessential pizza night salads and an entire chapter of desserts, including Spumoni Semifreddo, an array of Italian-inspired cookies, and simple cakes, like Olive Oil Cake with Chocolate Ganache, to end pizza night with a bang.

AUTHOR BIO

King Arthur Baking Company is the premier baking authority in the English language. Through their website, newsletter, schools, stores, YouTube channel, and catalogues, they reach more than 8 million people—bakers of all levels—every year. A certified B Corp, 1% for the Planet member, and 100% employee-owned, King Arthur has sold premium flours and other baking necessities since 1790 and are available nationwide. They are headquartered in Norwich, Vermont, and at KingArthurBaking.com.

The High-Protein Plate

100 Satisfying Everyday Recipes

Rachael DeVaux, RD

BOOK DESCRIPTION

Protein goals are easy with these one hundred recipes, meal prep tips, and 28-day program from *New York Times* bestselling author and registered dietitianRachael DeVaux of @RachaelsGoodEats.

Getting enough protein is essential. It's needed for health and strength at every stage of life. The more protein you eat, the more satisfied, energized, and resilient you'll feel. It builds muscle, fuels hormones, and supports every organ.

In *The High Protein Plate*, Rachael DeVaux, *New York Times* bestselling author of *Rachael's Good Eats*, shows how anyone at any stage of life can easily incorporate protein into their diet. *The High Protein Plate* includes the following:

- 100 high-protein, craveable recipes for packing protein from breakfast through dessert.
- Straightforward guidance on how much protein you really need—and why it matters.
- Macros for every recipe, so you can easily track what's best for you.
- Confidence to plan and prepare balanced, purposeful meals.
- Meal prep tips to set you up for success all week long.
- A 28-day plan to help get you started and stay on track.

Real-life practicality meets science-backed nutrition in Rachael's approach. She embraces better-for-you swaps over strict food rules and shares alternatives to packaged foods so you can build balanced protein-forward plates that are satisfying and simple. From Buffalo Chicken Baked Tacos and Honey Blackberry Overnight Oats to Creamy Tomato Basil Chicken Pasta, these meals are made for everyday life.

Rachael is a registered dietitian, personal trainer, and mom who knows firsthand the power of protein. Whether you're focused on building lean muscle, balancing blood sugar, boosting energy, or just feeding your family well you need protein. *The High Protein Plate* makes it simple—and delicious to get enough every day.

Cozy Vegan

100 Delicious, Plant-Based Comfort Food Recipes (A Cookbook)

Liz Douglas

BOOK DESCRIPTION

Named a Top Pick by *VegNews*

Enjoy nostalgic comfort food with these 100 easy, wholesome, and delicious plant-based recipes from *Glow Diaries* founder Liz Douglas.

Cozy Vegan is the ultimate cookbook for anyone wanting to explore a plant-based lifestyle, feel incredible, and not sacrifice the delicious foods they love. This book is filled with colorful, balanced meals and vegan twists on your favorite comfort foods, showing you just how quick and easy cooking vegan comfort food can be. Author Liz Douglas, a.k.a. @GlowDiaries___ offers 100 deliciously decadent recipes and cooking tips that make it easier than ever to live a wholesome, plant-based lifestyle.

Start your day with easy and exciting breakfast recipes like the make-ahead Choc Chia Mousse or savory Pumpkin Seed Scramble for a filling weekend brunch. If you're new to vegan cooking, Liz has you covered with basic pantry staple recipes for cream, cheese, eggs, spreads, and more that you can make at home to save money on store-bought options. When it comes to mains, you won't be left hungry with hearty meals like Classic "Beef" Lasagna, creamy Butter Chickpeas, and Cheesy Cauliflower Pot Pie, to name just a few. Pasta lovers will be amazed by the entire chapter dedicated to a range of silky-smooth, creamy sauces with hidden veggies. Plus, you'll never believe the rich, decadent desserts like Sticky Date Pudding and Stone Fruit Cobbler are vegan, with no unusual ingredients needed.

Whether you're a longtime vegan or are just starting to prepare plant-forward dishes, this cookbook is your guide to healthy and cozy vegan comfort food.

We Fancy

Simple Recipes to Make the Everyday Special

Jerrelle Guy

BOOK DESCRIPTION

From beloved food writer and author of the James Beard Award finalist *Black Girl Baking* comes a joyous cookbook that transforms everyday meals into something special and unexpected with just a few simple flourishes.

Fanciness is a mindset. It's realizing that you can make everyday food feel special using what you likely already have on hand. It's about seeing the act of cooking not just as another thing to do, but as a nourishing ritual to help ease away the day's stress.

In *We Fancy*, Jerrelle Guy teaches you how to use pantry staples like canned beans, crackers, or a pint of vanilla ice cream, and tools like sheet pans and your air fryer, to transform typical weeknight dinners into something easy but memorable. Think: Nearly Instantaneous Risotto made with black or roasted garlic, Double-Stacked Black Bean Burgers smashed with tortilla chips, Artichokes in the Perfect Butter Wine Sauce, and Olive Oil Brownie Pudding covered with chopped nuts.

We Fancy shows that cooking is both a creative and a practical act, and in these pages with beautiful and wise writing that is meant to heal, guide and inspire, Jerrelle gives us new recipes and reasons to look forward to dinner.

AUTHOR BIO

Jerrelle Guy is an award-winning author and celebrated food photographer. A graduate of the Rhode Island School of Design, she received her master's in gastronomy from Boston University. Jerrelle is the author of *Black Girl Baking*, which was a finalist for a James Beard Award. She lives in Dallas with her family and writes her newsletter, *The Dinner Ritual*, where she encourages readers to ground themselves and heal through cooking. Let's Get Cooking

Everyday Meals, Tipsy Favorites and Comfort Food Cravings (A Cookbook)

Remi Cruz Parsons

BOOK DESCRIPTION

Remi Cruz Parsons, social media star behind the multi-platform Cooking with Remi, shares her first cookbook, filled with flavorful and accessible recipes for having fun in the kitchen no matter your skill level.

Growing up in a Korean American household in Southern California, Remi's earliest memories were steeped in the flavors and creativity of her mother's cooking. Dishes like Korean short ribs and kimchi pancakes filled the family table, fostering a deep cultural appreciation that would later fuel her passion for food. When she began her own solo cooking adventure, trial and error evolved into a joyful exploration of recipes allowing Remi to become inventive in the kitchen.

Since 2021, Remi has captured her journey on her multi-platform brand Cooking with Remi but now, she invites us to discover our own confidence in the kitchen with *Let's Get Cooking*. Packed with big flavor and approachable recipes, this cookbook features everything from grab-and-go breakfasts like Galaxy Brownie Overnight Oats, to crowd-pleasing staples such as Spicy Salmon and Avocado on Crispy Rice for birthdays, Bacon Cheese Dip with Fried Pita Bread for girl's nights, Garlic Parmesan Chicken Wings for game nights, and decadent sweets like World's Best Cakey Chocolate Chip Cookies, and much more!

With diverse recipes, vivid and mouth-watering photography, and Remi's infectious personality woven throughout, *Let's Get Cooking* will inspire novice and seasoned cooks to savor the joy of cooking and create connections through food.

For the Love of Houseplants

Caring for & Keeping Plants with Confidence

Tanner Mitchell

BOOK DESCRIPTION

Discover the joy of houseplant care with this welcoming and practical guide filled with no-nonsense tips and encouraging advice from plant expert and content creator Tanner Mitchell a.k.a. Tanner The Planter.

Caring for plants can be a meditative practice, even a form of self-care.

Tanner Mitchell knows this firsthand. As the owner of a beloved plant store he opened with his wife in 2020, Tanner has seen how house plants bring so much comfort and joy to people, regardless of what else is going on in their lives or in the larger world. With his kids' encouragement, Tanner began posting plant care tips on TikTok and soon, he found his calling.

Now, Tanner combines his expert knowledge and experience into an easy-to-follow and inspiring resource for houseplant care. *For the Love of Houseplants* covers everything from selecting plants suited to your space's natural conditions to step-by-step guides for watering, repotting, fertilizing, and more. Tanner offers troubleshooting advice for common plant problems, like yellow leaves, brown tips, pests, overwatering, and mushy stems. The book also includes in-depth profiles of thirty of the most popular houseplants—aglaonema, anthurium, fiddle-leaf fig, orchid, peace lily, philodendron, snake plant, succulents, and many more.

Most importantly, Tanner reminds us to appreciate the small joys in life and embrace the challenges and setbacks of plant care as part of the journey. Whether you are a seasoned plant parent or just starting out, *For the Love of Houseplants* is a must-have for anyone looking to bring a bit of the natural world into their home.

AUTHOR BIO

Tanner Mitchell is the cofounder of Famous In Oregon, a thriving houseplant business located in Texas, which he runs alongside his wife, Erika. With a passion for houseplant care and education, he has built one of the largest and most engaged houseplant communities on social media as @TannerthePlanter. He lives with his family in Prosper, Texas.

How Equality Wins

A New Vision for an Inclusive America

Kenji Yoshino and David Glasgow

BOOK DESCRIPTION

The renowned legal experts behind *Say the Right Thing* return with this clarion call for reimagining the work of diversity, equity, and inclusion (DEI) in a divided nation.

Equality in America is under siege. Corporations and universities are abandoning the DEI programs they previously championed. The tools Americans had for advancing fairness are facing a relentless political and legal assault. So how do we build a more just nation when the old playbook is no longer viable?

In this groundbreaking manifesto, Kenji Yoshino and David Glasgow, founders of the Meltzer Center for Diversity, Inclusion, and Belonging at NYU School of Law, candidly unpack where DEI went wrong and offer a roadmap to rebuild equality for the new era.

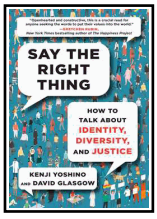

Drawing on their peerless legal expertise and extensive experience advising leaders in corporate America, academia, and the non-profit sector, Yoshino and Glasgow share tangible strategies to put this nation back on a more inclusive path, such as by fostering free speech and dissent, reclaiming the concept of merit, and welcoming groups that felt neglected by DEI. In doing so, they provide an urgently needed blueprint to ensure the work of equality can overcome the backlash and emerge stronger on the other side.

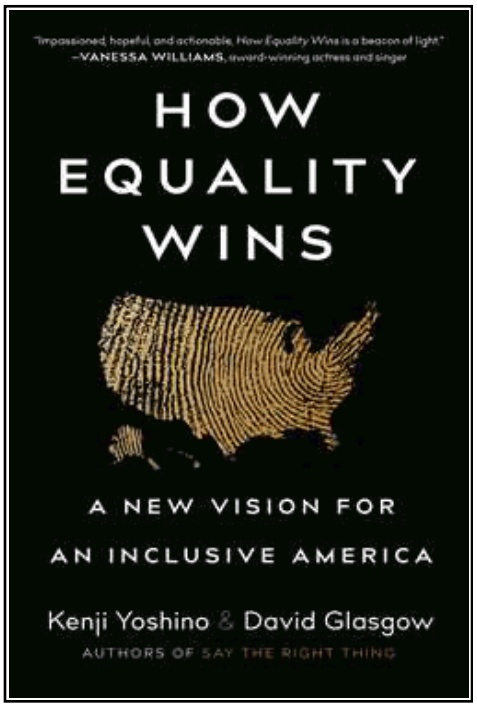

In an era when equality is imperiled, *How Equality Wins* provides a bracing critique and hopeful call to action for anyone committed to creating a fairer society.

AUTHOR BIO

Kenji Yoshino is the Chief Justice Earl Warren Professor of Constitutional Law at NYU School of Law and the faculty director of the Meltzer Center for Diversity, Inclusion, and Belonging.

David Glasgow is the executive director of the Meltzer Center for Diversity, Inclusion, and Belonging, and an adjunct professor at NYU School of Law.

Extreme Collaboration

Go Further and Faster Together to Achieve Extraordinary Results

Sid Sijbrandij

BOOK DESCRIPTION

A new approach to collaboration, productivity, and growth from Sid Sijbrandij, the cofounder and executive chair of GitLab.

If you want to go fast, go alone. But if you want to go far, go together.

This familiar saying has inspired leaders for years. But what if it's wrong? What if achieving extraordinary results didn't mean choosing between speed and teamwork?

In *Extreme Collaboration*, entrepreneur and thought leader Sid Sijbrandij shares the secret to quickly and efficiently achieving impactful outcomes: an open mindset. Drawing from his extensive experience building companies, Sijbrandij reveals how the same principles that drive open-source projects—collaboration, iteration, intentional transparency, efficiency, and a focus on results—can be applied to any organization or initiative. These same tactics have built GitLab into one of the world's largest all-remote companies, started new ventures, scaled nonprofits, and have even shaped his own personal cancer treatments.

Through actionable strategies and compelling stories, leaders at all levels will learn how to build upon the best ideas, refine them with agility, and foster a culture of openness and trust. Challenging the belief that leaders must prioritize either synergy or speed, *Extreme Collaboration* empowers you to unleash the potential of your team and organization to achieve more than you thought possible.

Whether you're a leader at a startup, nonprofit, or global corporation, *Extreme Collaboration* is the ultimate guide to driving bold results faster—together.

AUTHOR BIO

Sid Sijbrandij is the cofounder and executive chair of GitLab Inc., one of the world's largest all-remote companies. Through Open Core Ventures, the GitLab Foundation, and the Sijbrandij Foundation, Sid champions the development of new companies, models of entrepreneurship, and social initiatives. How to Live a Meaningful Life

Using Design Thinking to Unlock Purpose, Joy, and Flow Every Day

Bill Burnett and Dave Evans

BOOK DESCRIPTION

The #1 *New York Times* bestselling authors of *Designing Your Life* return with a groundbreaking guide to transforming your daily routine into one brimming with joy, purpose, and meaning.

In a world grappling with major societal shifts and increasing isolation, it's easy to feel like nothing you do matters. Even when we're at the top of our game in our careers and have reached the personal milestones we've always dreamed about, so many of us still feel like something is missing, disconnected, and stuck. There must be more to life than simply surviving each day—but how do we uncover it?

Bestselling authors Bill Burnett and Dave Evans, the "empowering" (*Publishers Weekly*) visionaries behind Stanford's renowned Life Design Lab, have already inspired millions of readers to use design thinking principles to craft lives and careers they love. Now, in *How to Live a Meaningful Life*, they take on the most profound design problem of all: how to make a life rich with meaning and purpose. Evolving their revolutionary framework, Burnett and Evans present the latest research on what makes life worth living, showing us how to bring wonder, coherence, flow, and community into our everyday experiences. Instead of cramming more into an already packed life, they give us the steps we need to extract more out of it, moment by moment.

Through actionable insights and with Burnett and Evans's signature compassion and warmth, *How to Live a Meaningful Life* equips you with the tools to turn your ordinary days into an extraordinary life today.

AUTHOR BIO

Bill Burnett is the executive director of the Life Design Lab at Stanford University and an adjunct professor in mechanical engineering and design at Stanford. He is also the founder and managing director of the Designing Your Life Institute in Singapore.

Dave Evans is the cofounder of the Life Design Lab at Stanford University, adjunct lecturer, and cofounder of Electronic Arts.

The Power of Real Optimism

A Practical, Science-Based Guide to Staying Resilient, Curious, and Open Even When Life Is Hard

Dr. Deepika Chopra

BOOK DESCRIPTION

Optimism isn't about pretending everything is fine. It's about staying open and flexible—especially when it's not. In this fresh, science-backed debut, professional psychologist and media expert Dr. Deepika Chopra shows us how to build the kind of optimism that can actually withstand real life.

We've been sold the idea that optimism is a mood, a mindset, or worse—just an inherent trait. But what if real optimism is something else entirely?

In *The Power of Real Optimism*, Dr. Deepika Chopra—known as The Optimism Doctor®—offers a radically different definition: optimism as a science, a skill, and a psychological muscle we can strengthen. Drawing from over a decade immersed in the science of resilience, emotional well-being, and cognitive psychology—as well as her work with clients, innovative workshops, and hallmark practices (think: evidence-based visualization, narrative reframing, her signature "self-worth work," and even color therapy)—Dr. Chopra offers a toolkit for navigating the chaos, uncertainty, and nuance of being human—without losing yourself to it.

Grounded, practical, and poetic in all the right ways, this book will challenge your relationship with hope, rewire how you recover from hard things, and invite you to stay soft without falling apart. With her blend of intimate storytelling, psychological insight, and tangible tools—including a 33-day Real Optimism Challenge—Dr. Chopra offers something far more enduring than a quick fix or fleeting affirmation. She invites us into a deeper, more resilient way of living—one where we can stay curious in the face of fear, open in the face of grief, and grounded even as the world wobbles beneath us.

Because real optimism doesn't deny the dark—it teaches us how to see in it.

Dr. Deepika Chopra (a.k.a. the The Optimism Doctor®) is a professional psychologist, visual imagery expert, and founder of Things Are Looking Up®, a consultancy devoted to the intersection of science and soul. She specializes in what she has coined “evidence-based manifestation,” which draws from behavioral science, emotional fitness, neuroscience, and ancient wisdom to build modern tools for resilience and joy. Dr. Chopra holds a doctorate in clinical health psychology and completed a double postdoctoral fellowship at both the University of California at Los Angeles and Cedars Sinai Medical Center. She completed her formal dissertation on the topic of optimism, positive sensory visualization, and the connection to optimal well-being. She is a recurring guest on *Today*, and her work has also been featured in *Forbes*, *Harper’s Bazaar*, *Vogue*, Goop, *Variety*, E!, and more. She has led workshops for companies like Google, Amazon, and Amex, and has delivered keynotes at events including the Aspen Ideas Festival and *The Atlantic*’s In Pursuit of Happiness. She lives in Los Angeles with her husband and three young children.

You Could Be Having Better Sex

The Definitive Guide to a Happier, Healthier, and Hotter Sex Life

Nicole McNichols, PhD

BOOK DESCRIPTION

The definitive guide to a happier, healthier, and hotter sex life, from professor of the largest sex education course in the United States and beloved social media educator, Dr. Nicole McNichols.

The science is unequivocal: good sex with an attentive partner is one of the most powerful and effective sources of joy. Good sex is also a gateway to better health, stronger relationships, and the diverse forms of self-actualization we all crave. The problem is that good sex is not what most people report.

So how do we start having better sex? Enter Dr. Nicole McNichols, professor at the University of Washington and human sexuality expert. She is here to give you the data you need to elevate your sex life through practical tools and relatable case studies, relayed with a gender and orientation inclusive, pleasure-forward perspective.

You Could Be Having Better Sex highlights cutting-edge research on everything from sexual anatomy to orgasm and response, hook-up culture, long-term relationships, ethical non-monogamy, kink, pornography, and consent. Throughout, Dr. McNichols emphasizes a holistic philosophy that eliminates shame and stigma, normalizes open and frank conversations, and illustrates how connected sex is a pathway to the self-awareness, self-understanding, and self-expression that drives human thriving and happiness.

Empowering and enlightening, *You Could be Having Better Sex* will change your life both *inside* the bedroom—and out.

Dr. Nicole McNichols is an internationally renowned human sexuality professor, author, and speaker whose groundbreaking course, *The Diversity of Human Sexuality,* is the most popular in the history of the University of Washington, enrolling over 4,000 students annually. She writes frequently for various publications including *The Seattle Times* and *The Conversation,* and she has a regular blog for *Psychology Today*. She is also the coauthor of the textbook *Human Sexuality in a Diverse Society* and the TEDx Talk “Students on Top: A Vision for 21st Century Sex Education.” Dr. Nicole McNichols received her undergraduate degree from Cornell University and completed her master’s in psychology at NYU and PhD in social psychology at the University of Washington. She currently lives in the Seattle area with her husband and three children. Follow her on Instagram and TikTok @Nicole_TheSexProfessor.

The Healing Power of Resilience

A New Prescription for Health and Well-Being

Tara Narula, MD

BOOK DESCRIPTION

A revolutionary, science-backed approach to living well from *ABC News* chief medical correspondent and cardiologist Dr. Tara Narula, that bridges the gap between our physical and mental health to show how resilience is the key to both.

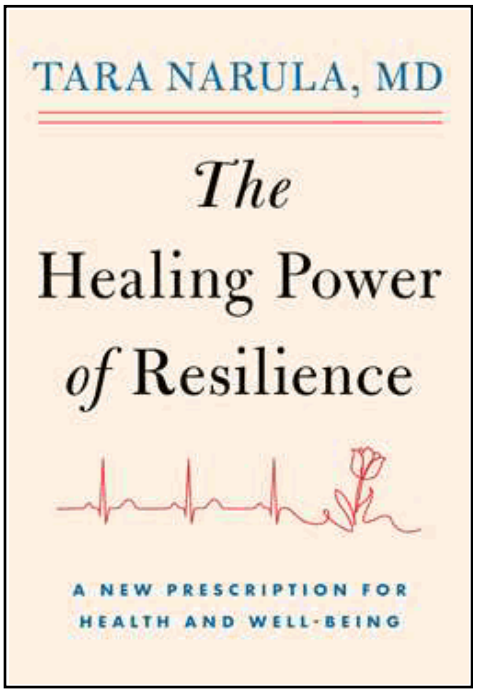

As the number one leading cause of death in the United States, heart disease has several common prescriptions from cardiologists, such as medication, surgery, diet, and exercise. There is, however, one treatment that is consistently overlooked: resilience. We need resilience to get us to face new diagnoses, to show up to doctor's appointments, to take those medications, to make it through surgery (and to recover from it), and to stick to that diet or new workout plan.

That's where this paradigm-shifting book comes in, connecting the worlds of medicine and psychology. Its application goes beyond heart disease to other difficult diagnoses and traumatic health events, and overall well-being.

Over the course of her decades-long career as a board-certified cardiologist and journalist, Dr. Narula noticed there was something missing in patient care: the need to address mental health alongside physical health. To thrive when faced with a medical challenge, a patient must be mentally prepared to face it. This realization transformed Dr. Narula's career and led her down an eye-opening path, studying landmark medical trials and the latest advancements in the field as well as interviewing patients, doctors, researchers, and thought leaders.

The Healing Power of Resilience is the culmination of this work, offering practical tools to build your resilience, which Dr. Narula calls the "Resilience Response." Challenging situations can lead to a stress reaction in the body. Learning to practice the "Resilience Response" when that happens can mitigate it, and therefore help prevent disease, promote healing, and improve quality of life. This set of tools leads you to the following: an acceptance of your situation; a flexible mindset; a change in lifestyle; an ability to face fears; a pursuit of purpose; a hopeful outlook on the future; a commitment to seeking connection; embracing a love of self and others. Through scientific research, pioneering medical journalism, and personal stories, this book presents a revolutionary new approach to living well—whether you're facing a health challenge or simply striving for a healthier life at any age.

Dr. Tara Narula is a board-certified cardiologist at Lenox Hill Hospital in Manhattan, an associate professor of cardiovascular medicine at the Zucker School of Medicine, Hofstra/Northwell, the associate director of the Women's Heart Program at Lenox Hill Hospital, and director of communications for the Katz Institute of Women's Health. She is also a nationally recognized medical journalist as the current chief medical correspondent for ABC News, and a former NBC News medical contributor, CNN medical correspondent, and CBS News senior medical correspondent. She graduated from Stanford University with degrees in economics and biology. She founded her own small business, Sun Juice, Inc., before obtaining her medical degree at USC Keck School of Medicine. Dr. Narula completed her residency in internal medicine at Harvard University/Brigham and Women's Hospital and her fellowship training in cardiology at New York-Presbyterian/Weill Cornell Medical Center. She currently sees patients in her outpatient cardiology practice as part of Lenox Hill/Northwell Health in New York City. Dr. Narula is a fellow of the American College of Cardiology (FACC) and serves as a national spokesperson for the American Heart Association and the AHA's Go Red for Women Initiative. She is a recipient of a 2022 Emmy Award for Outstanding Live News Program, the 2019 WomenHeart Nanette Wenger Award for Media, and the Super Doctors Award for NYC 2014–2025. She lives in New York with her husband, who is also a physician, and her two daughters. *The Healing Power of Resilience* is her first book.

The 30-Day Inflammatory Reset

A Complete Guide to Healing Your Immune System

Dr. Josh Redd

BOOK DESCRIPTION

TOP 10 *USA TODAY* BESTSELLER

A practical, science-based road map to identify and eliminate hidden inflammation—the root cause of chronic health issues—through diet, lifestyle changes, and environmental modifications that will help you reclaim your energy, clarity, and vitality in just thirty days.

From diabetes to cardiovascular issues, infertility to Alzheimer's disease, chronic inflammation is an undiagnosed epidemic behind countless conditions. In his eight clinics, Dr. Josh Redd has spent years searching for the best protocols to reduce inflammation and now, the culmination of his research is *The 30-Day Inflammatory Reset*.

This comprehensive, actionable guidebook provides:

- A comprehensive 30-day program that readers can start immediately, including activities, exercises, self-care treatments, therapies, and rethinking your diet for healing.
- Equal emphasis on both the consequences and causes of inflammation and practical solutions
- Coverage of often-overlooked causes like childhood trauma, environmental toxins, and excessive screen time.
- Ninety-four delicious anti-inflammatory recipes that make the program sustainable for breakfasts, drinks and smoothies, snacks, main dishes, and more.
- A systematic approach to identifying and addressing personal inflammation triggers.
- Clear explanations of how inflammation affects different body systems.

Whether dealing with ongoing health issues, seeking weight loss, or simply wanting to prevent future issues, *The 30-Day Inflammatory Reset* is at once a practical and transformative book to help you achieve better health, longevity, and overall well-being.

Dr. Josh Redd is the founder of RedRiver Health and Wellness, one of the largest functional medicine clinics in the United States with eight practices in Utah, Arizona, New Mexico, Nevada, and Idaho. Dr. Redd has a total of twelve years of post-graduate education in health care, including naturopathic medical training, an MS in human nutrition and functional medicine, and a MAPHB from Johns Hopkins. Dr. Redd is extensively trained in regenerative medicine and stem cell therapy, with a focus on advanced, image-guided joint injections to precisely deliver regenerative therapies to complex areas such as the spine and intervertebral discs. His approach integrates cutting-edge techniques with a functional medicine foundation to support optimal long-term outcomes. Visit DrJoshRedd.com for more information.

Bottle Service

Education and Encouragement for Guilt-Free and Successful Formula Feeding

Mallory Whitmore

BOOK DESCRIPTION

An empowering, educational, and judgment-free guide to formula feeding from infant feeding technician Mallory Whitmore a.k.a. The Formula Mom.

Nourishing a newborn properly is vital for healthy growth and development. While many mothers intend to breastfeed, research shows the majority of US parents will use formula before their baby's first birthday. Yet, most of these parents don't receive any meaningful support or education to explore alternative options. Instead, they are told "breast milk is best" and are inundated with anti-formula rhetoric which can foster negative feelings and outcomes when breastfeeding isn't an option.

Now, formula expert Mallory Whitmore is here to guide you on successful bottle feeding throughout baby's first year. Drawing from her personal struggles as a new mom and as a leader in the infant feeding space, Whitmore candidly shares her experiences of trial, error, and triumph and covers essential topics such as choosing the right formula, safe bottle preparation, feeding strategies, and troubleshooting common issues like reflux and gas. Whitmore also focuses on supporting mental health and dismantling harmful societal pressures, with tips to find joy in this journey.

With its evidence-based insights and deep empathy for the realities of parenthood, *Bottle Service* represents a groundbreaking shift away from guilt-driven narratives. It celebrates formula as a valid option for families and offers a much-needed lifeline to parents looking to nourish their babies with confidence and without shame.

AUTHOR BIO

Mallory Whitmore is a mom of two, educator, advocate, and infant feeding technician. She's the founder of *The Formula Mom*, an online platform that helps parents make informed, confident, and supported infant feeding decisions—without guilt or shame. She can be found on Instagram @TheFormulaMom and at MalloryWhitmore.com. She lives in Nashville, Tennessee.

The Ultimate ChatGPT Prompt Book

750+ Expert Prompts to Boost Productivity, Unlock Creative Potential, and Simplify Tasks

Igor Pogany

BOOK DESCRIPTION

Discover the easiest way to leverage artificial intelligence with these 750+ ready-to-use ChatGPT prompts for common uses such as increasing work productivity, creative writing, fun and entertainment, and more.

In this indispensable guide, Igor Pogany, Head of Education and partner of AI Advantage, empowers both newcomers and seasoned experts alike to “speak ChatGPT” with fluency and confidence.

Now, interacting with ChatGPT is easier than ever with more than 750 expert-tested prompts for a myriad of practical use-cases. 100+ “cheat sheets” list specific prompts for achieving a given task, along with a prompting formula to help you tailor the prompt to your specific needs. Get equipped with ready-to-use solutions for your everyday challenges such as:

-Improving productivity when learning new skills

-Preparing schedules, balancing responsibilities, and creating budgets

-Crafting compelling narratives and brainstorming creative ideas

-Simplifying complex research topics

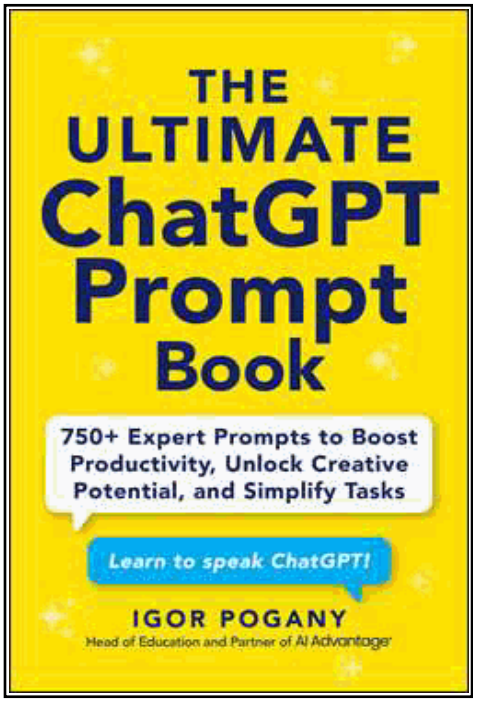

-Considering career viability, preparing for interviews, and crafting persuasive cover letters

-Prioritizing health with custom workout and meal plans

-Busting boredom with games, jokes, and new movies and music discovery

Unlock the immense potential of AI with *The Ultimate ChatGPT Prompt Book* and join the ranks of enthusiasts who have already revolutionized their lives with ChatGPT’s versatility and ease of use.

Rupi Kaur is a poet, artist, and performer.

A breakout literary phenomenon and #1 *New York Times* bestselling author, Rupi Kaur wrote, illustrated, and self-published her first poetry collection, *milk and honey* (2014). Next came its artistic siblings, *the sun and her flowers* (2017) and *home body* (2020), both debuting at #1 on bestseller lists across the world. These collections have sold over 12 million copies and have been translated into over 40 languages, with milk and honey becoming one of the highest-selling poetry books of the 21st century. She was also regarded as “writer of the decade” by *The New Republic* and recognized on the *Forbes* 30 under 30 list. In 2022, Kaur released her fourth book, *Healing Through Words*.

In 2021, Kaur produced Rupi Kaur Live, a first-of-its-kind poetry special on Amazon Prime Video. Kaur also executive produced the film This Place, which premiered at the Toronto International Film Festival in 2022, and the 2024 Academy Award–nominated film To Kill a Tiger.

Kaur has graced stages across the globe and completed her third sold-out world tour in 2023. Her shows are poetic theatrical experiences interlaced with Kaur’s own touch of stand-up comedy. Kaur’s work encompasses love, loss, trauma, healing, femininity, and more.

Most women trying to conceive get generic advice: "eat healthy," "take prenatals," and "just relax." But fertility isn't one-size-fits-all. Your unique biology—including hormones, microbiome, metabolic function, and more—holds the key to conception. This evidence-based guide shows you and your partner how to optimize every system in your bodies to dramatically improve your chances of getting pregnant, whether trying naturally or preparing for IVF.

Through proven success with high-profile clients, Rachel Swanson, RD, reveals the preventative medicine approach previously available only through elite concierge medical practices. A clinician who refuses to accept the status quo, she delivers strategies that never make it into mainstream fertility advice.

Inside, you'll discover how to:

·Optimize egg and sperm quality, as well as ovarian function, through targeted nutrition and supplement protocols
·Prepare your body for IVF success with evidence-based pre-treatment optimization
·Reduce miscarriage risk and set the foundation for a healthier pregnancy
·Identify hidden fertility blockers through key biomarkers most doctors miss
·Personalize your fertility diet based on your unique hormonal profile and metabolic needs
·Eliminate toxins and hormone disruptors from your environment that accelerate reproductive aging

Whether you're just starting to try, struggling with PCOS, or preparing for fertility treatments, this guide equips you with clinical-grade strategies and expert fertility nutrition tactics to transform your reproductive health and get pregnant faster.

The power to rewrite your story won't be found in a forum or with more scrolling—it is here, in your hands, backed by science, proven by results.

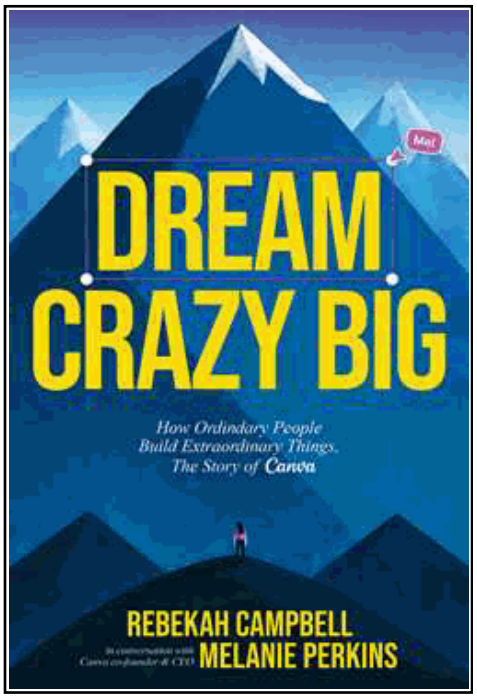

"Rachel provides a transformative solution to outdated and fragmented advice on fertility. *Trying* is fertility 2.0; it's a holistic and empowering paradigm shift that we desperately need." —Casey Means, MD, nominee for Surgeon General and author of *Good Energy*

AUTHOR BIO

Rachel Swanson, MS, RD, LDN, is one of America's most sought-after nutritionists, known for optimizing human performance through science-backed, personalized care. Her clients include celebrities, professional athletes and Fortune 500 executives who trust her expertise in concierge medicine and private practice.

Dream Crazy Big

Rebekah Campbell

BOOK DESCRIPTION

Canva creator Melanie Perkins and her partner Cliff Obrecht wrote their own playbook. Here's the story of what we should all hope the next generation of business will look like: how they did it, why they did it, and why it worked.

"I hope this story can inspire others to dream big, set goals, and make them happen." – Melanie Perkins, Canva CEO and co-founder

Born out of simple frustration with complex design tools, Canva has grown into a wild success, with a massive, devoted user community of more than 200 million people, in 190 countries and using 100 languages. But this isn't a traditional startup story of guys in a garage following a Silicon Valley playbook. Instead, from their base in Perth, Australia (the most remote big city on earth), and animated by a drive to empower normal people to use design to make their own dreams a reality, Melanie Perkins and Cliff Obrecht created something truly original.

While backpacking through India, a teenaged Melanie Perkins decided to devote her life to empowering others. Teaching design software to university students revealed to her how: by giving them easy access to the tools that enable visual communication.

Frustrated by complex, expensive design programs, she envisioned a world where anyone could bring their ideas to life. With Cliff Obrecht, she launched a yearbook business from her mother's living room - the first step toward revolutionizing global design.

Through intimate access to Perkins and her inner circle, author Rebekah Campbell reveals the unconventional strategies that helped Canva outmaneuver tech giants. From hiring their first remote designer in Manila to building their platform from scratch, this narrative illuminates how unwavering focus on empowering others drove every decision - even when conventional wisdom suggested otherwise.

This isn't just another startup success story. It's a masterclass in purpose-driven leadership, showing how clear values and relentless dedication to serving others can build extraordinary companies. For anyone who dreams of creating meaningful change, Perkins' journey offers powerful lessons about thinking bigger than seems possible and staying true to your vision against all odds.

Most middle-aged fitness enthusiasts and athletes have been dragged down by joint pain, injuries, and other ailments commonly accepted as “part of getting older.”

But it doesn’t have to be this way.

In fact, anyone can conquer joint pain and rebuild their body.

It simply requires understanding the hidden causes and a road map (this book) that leads to the solution.

Built from Broken presents a paradigm shift in how to think about corrective exercise, sports nutrition, and joint health. Once you see how the system works, you’ll never look at exercise or joint health the same way again.

Part 1 lays the foundation for understanding why your joints are breaking down.

You’ll learn:

·The 5 primary causes of joint pain.
·How to prevent the “Big 3” injuries that trap you in the Pain/Injury Cycle.
·Why conventional pain management merely masks symptoms.
·How to identify and fix muscle imbalances that lead to tension, pain, and injuries.
·Natural injury recovery strategies that improve healing time and tissue repair quality.

Part 2 gives you a step-by-step corrective exercise guide and list of action steps to rebuild your body from the ground up.

Including:

·The ideal training schedule to maximize muscle recovery.
·Illustrated corrective exercise instructions.
·How to strengthen joints with cutting-edge connective tissue training techniques.
·A step-by-step training program complete with workout routines.

In this Second Edition, you’ll notice these improvements:

·Updates to the program implementation section for ease of real-world application.
·An Exercise Appendix with page numbers for each exercise in the book
·A brand-new Foundations Program for those not experienced

in fitness training.
·Clarification on key details such as pain rating scales, exercise tempos, naming consistency, and guidance on uncommon joint pains.
·Refined language throughout to improve clarity and readability.

Beyond these expanded sections, we've included free supplemental tools at **bfb-book.com**, including:

·***Built From Broken Exercises Video Library*** with demonstrations and audio instructions for virtually every exercise.
·***The Built From Broken Guide to Regenerative Therapies***—a short, actionable guide covering accessible, proven treatments for pain and injury.

Whether you've been training for years, decades, or never stepped foot in a weight room, it's not too late to overhaul your body.

If the conventional path of lifting and stretching has left you broken down, why not try a new strategy?

This book is your way out of the pain/injury cycle.

All you have to do is follow three simple steps:

1.Read the book.
2.Follow the action steps inside to resolve your pain.
3.Implement the 4-week corrective training program outlined in the book.

Just imagine—4 to 8 weeks from now, you could be living in a pain-free, mobile, strong, and functional body.

One that allows you to do the activities you love, push your limits, and achieve your full physical potential.

This process can start for you right now.

AUTHOR BIO

Hi, I'm Scott. I'm an A.C.E. (American Council on Exercise) Certified Personal Trainer, Certified Orthopedic Exercise Specialist (A.C.E.), and nutritional supplement formulator.

My goal as an author is to bring together the best ideas in therapeutic sports nutrition, fitness training, and functional movement -- with the goal of keeping you (and myself) strong, mobile, and built to last.

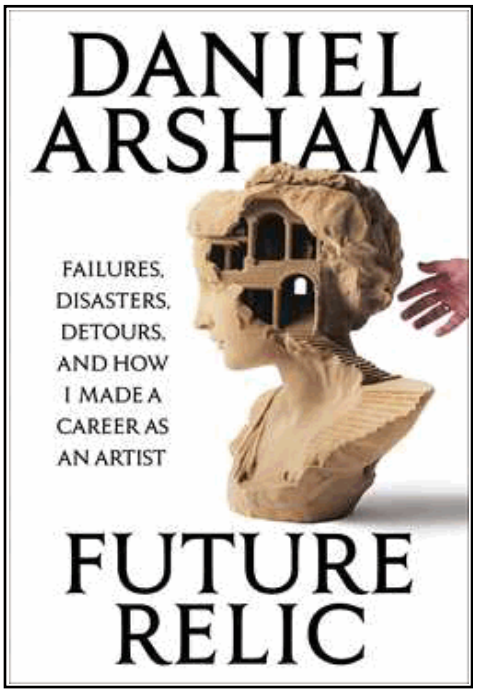

I've spent most of my life battling injuries, joint pain, and just being plain beat up. So I know what it's like to struggle to stay healthy, let alone make substantial progress toward strength, athleticism, or body composition goals.

Ultimately, I want to help you battle through injuries, pain, and physical limitations to reach your personal fitness goals.

Future Relic

Failures, Disasters, Detours, and How I Made a Career as an Artist

Daniel Arsham

BOOK DESCRIPTION

Inspiration is for amateurs. I'm a professional artist: I wake up every day and go to work.

This is the mindset that transformed Daniel Arsham from a student scraping by in his Brooklyn studio into one of the most sought-after artists of his generation. In *Future Relic*, he breaks through the mystique of the art world and shows what it *really* takes to make it in any creative endeavor.

From a childhood in Miami working with his first camera in the wake of Hurricane Andrew's devastation, to formative student years at Cooper Union in New York, to collaborations with Merce Cunningham and Pharrell Williams, to designing for Christian Dior and the Cleveland Cavaliers: Arsham shares the stories that built him and his work to where they are today.

This isn't a romanticized memoir, it's a master class–a brutally honest and practical handbook for anyone pursuing an artistic career. As we follow his path through the highs and the lows, the breakthroughs and the rejections, we also learn the art of the grind: how to get a gallery, why you need a great lawyer, how to run a creative business, and why surrounding yourself with ambitious, successful people is non-negotiable.

Inside, you'll discover:

·**How to land gallery representation** without connections or an MFA
·**The business fundamentals** that turned a studio practice into a global brand
·**Negotiation tactics** for licensing deals and brand partnerships worth millions
·**Financial frameworks** for scaling from solo artist to studio team of 20+
·**The rejection-to-opportunity system** that turned every "no" into career fuel
·**Behind-the-scenes breakdowns** of projects with Dior Men's, Pokémon × Uniqlo, and Porsche

Sustainable creative success isn't about waiting for lightning to strike. It's about showing up, doing the work, and never giving up on your vision.

Daniel Arsham is an artist whose work blends sculpture, architecture, performance, and design into a singular vision shaped by time, memory, and material experimentation. His now-iconic “eroded” aesthetic—artifacts rendered as if excavated from the future—has become a signature visual language that speaks to impermanence, nostalgia, and transformation. Born in Cleveland and raised in Miami, Arsham became the youngest artist ever to work with legendary choreographer Merce Cunningham. His work is in the collections of the world‘s most acclaimed museums and he has collaborated with major brands from Dior to Adidas.

Love Overboard

Kandi Steiner

BOOK DESCRIPTION

From USA Today, #1 Amazon, and BookTok bestselling author Kandi Steiner comes a sizzling, second-chance romance set on the high seas—perfect for fans of *Below Deck* and readers who crave angsty, high-stakes love stories.

Ember Reed is finally living her dream: chief stew on a Mediterranean superyacht, sun-kissed days at sea, and the star of *Close Quarters*, the hottest new reality TV show. But just as she finds her stride, the producers throw her a curveball—by hiring the one man who nearly sank her.

Finn Pearson was the one that got away. The boy who kissed her like they had forever, then left without a word. But now he's the chef in her new crew, and the cameras are watching their every move, innocent, or not.

Even on a superyacht, there's nowhere to hide from the past. Every stolen glance, every whispered argument, every lingering memory threatens to ignite what never fully burned out. And as the tension spills into their day jobs, even the dinner service is spiralling into disaster.

They've crashed before… but could eight weeks at sea be their second chance to get it right? Or will it be the storm that finally sinks them for good?

AUTHOR BIO

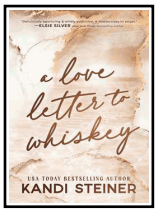

Kandi Steiner is a USA Today bestselling contemporary romance author best known for writing emotional, relatable love stories. Her works range from angsty and heart-wrenching to uplifting and sweet, offering a story for every kind of romantic. With over 35 novels to her name, Kandi has earned a devoted following of readers who affectionately dub her the "Queen of Angst".

Born in Oklahoma, a 20 year resident of Florida, and now settling down in Tennessee, Kandi draws inspiration from her surroundings, often weaving themes of family, love, and self-discovery into her narratives. When she's not crafting compelling stories or getting lost in the words of another author, you can find her hiking in the mountains, indulging in cozy moments with her family, or practicing pole dancing and yoga. Her books, including the viral hit A Love Letter to Whiskey, have been translated into multiple languages, resonating with readers worldwide.

Fate doesn't favour the wicked in the highly anticipated third installment in this brand new spin off series to the Booktok phenomenon, the *Zodiac Academy* series, from the Twisted Sisters and Amazon and Wall Street Journal #1 bestselling authors Caroline Peckham and Susanne Valenti.

From the Amazon.com and Wall Street Journal #1 bestselling authors with over 15 million books sold Caroline Peckham & Susanne Valenti.

The wild is calling.

The war is raging. Our leaders are lying.

And I'm starting to play treason all too often in my dreams.

The land is rife with secrets which whisper to me on the wind and the destiny I had so long desired is souring now that I've claimed it.

I want to follow the path that has been laid out for me but with every step I take down it, my gut twists with doubts and my heart pounds to a traitorous beat.

There is a secret in the heart of our lands. I don't know who's keeping it and I don't know what uncovering it will mean, but I find myself wanting to unveil it for all to see.

I'm torn between the life I've always claimed to want and the truth which is calling out for me to discover it. But if I allow myself to entertain these doubts which are rising in the corners of my mind then I may find myself a traitor to all I've ever been.

Not that my heart minds treachery. It races for a man I should hate, thunders at the promise of his touch, pounds at the thought of his kiss.

I shouldn't ache for him the way I do. I shouldn't want any of the things I yearn for in the dead of the night. But my eyes still find him in every room, my mind lingers on him when we are parted and my soul burns for him in every waking moment.

He can't be mine. I won't be his. But perhaps fate has different designs in mind for us…

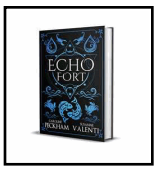

***This is an enemies to lovers romantasy series set in the same world as Zodiac Academy, but it's a dark and villainous tale of its own. You haven't met tainted souls like these before or enemies that hate each other as deeply as these characters do. Book 3 in the series will leave your heart raw and bloody. You'll be left gasping for breath and aching for more of the dark and twisted

Fae who lurk between the pages and they might just be irredeemable...***

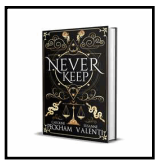

AUTHOR BIO

Caroline Peckham is a #1 Wall Street Journal and Amazon.com bestselling romance author who has sold over 7 million copies across her bestselling romantasy series, Zodiac Academy, as well as many more copies of her other fantasy and contemporary romance series. She co-writes full time with her sister, Susanne Valenti, and together the two of them work in their garden office in the UK, overlooking a lush green garden full of wildlife. They don't shy away from cliff-hangers and challenging redemption arcs for their love interests, and their leading women are always strong-hearted with fierce souls, the kind that never give up no matter what the authors throw at them.

Wicked Onyx (Special Edition)

A Dark Academia Romantasy

Debbie Cassidy

BOOK DESCRIPTION

In a ruthless magical academy where she's cursed and powerless, the last Onyx must unravel dark family secrets and navigate dangerous alliances to reclaim her legacy and make those who betrayed her pay.

LIMITED FIRST PRINT RUN—featuring stenciled edges with map and inside cover design. Only available for a limited time and while supplies last.

You don't graduate Nightsbridge Academy—you survive it.

Born into a sorcerer bloodline, cursed, and cut off from my power, I was accustomed to being an outcast. For generations, my bloodline carried the weight of a crime committed by our ancestor. But my mother's death changed everything. She left a clue that could prove our innocence: an ancient text hidden deep beneath Nightsbridge Academy.

The Academy is a fortress of power, housing the most dangerous incantors and sorcerers, conscripted to keep Horrors and Echoes at bay. And as the last surviving Onyx, I'm owed admission.

My plan is simple—find the book and expose the Imperium as the liars they are.

But I didn't plan for the whispers that haunt my dreams. Or the complication of feelings I shouldn't be capable of—stirred by two men bound to the very institution I've come to destroy. One sees too much yet says too little. The other is steady, protective, and always in my corner.

I can't have either.

Yet when I'm in their presence…my curse begins to crack.

If they discover my true purpose, I'm dead.

But some truths are worth dying for.

The Imperium cursed my bloodline. Stripped us of our magic. Branded us as traitors. And now they will *pay*.

Deviyanee Cassidy is a *USA Today* Bestselling Author of Paranormal and Fantasy Novels. She writes under the pen name Debbie Cassidy. Born in the UK, and raised in a small town, she spent most of her time reading and dreaming up stories. After studying psychology at university, she worked various jobs before finally pursuing her passion for writing full time.

Deviyanee has drawn upon her cultural experiences and Indian Mythology when creating some of her worlds. Her books are filled with action, vivid descriptions, multi-layered plots, and heart stopping romance. They feature strong female protagonists who find themselves drawn into supernatural worlds filled with magic, danger, and romance.

Good For Her (Special Edition)

A Second Chance Horror Romance

Tylor Paige

BOOK DESCRIPTION

Falling in love with her first love wasn't part of her plan. Helping her kill the Hollywood elite wasn't part of his.

DELUXE LIMITED EDITION FIRST PRINT RUN—featuring sprayed edges with an inside cover design. Special edition features only available for a limited time and while supplies last.*

Hollywood loves a comeback. Too bad Evie Reyes didn't come back to play nice.

Five years ago, she watched her mother—an iconic Final Girl—die on the set of Simon Says. Now, she's back on the same studio lot, cast as the lead in the reboot no one asked for. But Evie's not here for fame. She's here for revenge—and she's got six names on her list.

Sebastian Shaw is Hollywood's golden boy, a walking six-pack with just enough charm to disguise the fact that he's a professional liar. He also happens to be Evie's ex. When he finds out why she's really back, he doesn't try to stop her. He offers a deal: he'll get her access to each of the men she wants to confront—in exchange for six chances to sleep with her.

No feelings. No strings. Definitely no dates.

As bodies pile up and the on-set accidents get harder to explain away, Evie walks a razor-thin line between staying alive and getting justice. And Sebastian? He might be the only person who sees her clearly—and the one person she can't afford to trust.

This Final Girl isn't just surviving—she's stealing the whole damn show

---

AUTHOR BIO

Tylor Paige (she/her) is an Amazon Top 3 bestselling author of what her readers have lovingly labeled, whorror.

Tylor is proof that horror doesn't have to be serious to be effective. It can be self-aware, playful, and at times romantic, while still telling a solid scary story. In blending her passions for both romance and horror she's not only creating something that's both risqué and bloody, she's bridging the gap between the hopelessly romantic and the hopelessly haunted.

Don't Be A F*#king Marshmallow

An Illustrated Guide to Revolution

Jesse Mechanic

BOOK DESCRIPTION

A revolutionary graphic guide to changing the world, written and illustrated by journalist Jesse Mechanic (@JesseMechanic).

Legendary labor activist Dolores Huerta famously said, “Don’t be a marshmallow. Walk the street with us into history. Get off the sidewalk.”

Don’t Be a F#king Marshmallow* is an illustrated guide to changing the world—informed by the words and actions of freedom fighters like Dolores Huerta, Dr. Martin Luther King Jr., James Baldwin, Noam Chomsky, Rosa Parks, Edward Said, Angela Davis, Audre Lorde, and Fannie Lou Hamer, tied together with insight and illustrations from journalist and artist Jesse Mechanic (@JesseMechanic).

It’s a book for those who have grown tired of tepid, epid political posturing that all too often fails to confront the corrupt, inequitable, and inhumane systems that define modern society—and a rallying cry for the work ahead. Overflowing with color, humor, camaraderie (and the occasional friendly dress-down), it’s a vibrant, motivational companion, designed specifically for those of us who want to build a better world *right now*.

AUTHOR BIO

Jesse Mechanic is a columnist, essayist, and artist based in New York’s Hudson Valley. His work has been published in *Mother Jones, In These Times, Huff Post, Truthout, World Post*, and *The Overgrown*, among other publications, and he is author of *The Last Time We Spoke* (Street Noise Books). Jesse has amassed a large social media following for his in-depth coverage of human rights abuses and systemic inequality (find him at @jessemechanic). He enjoys woodworking, the television show *Cheers*, and working diligently to dismantle the inequitable, violent, and oppressive systems that define our world. He is also a firm believer that one cannot own “too many records.”

River God

The Egyptian Series

Wilbur Smith

BOOK DESCRIPTION

A special collector's edition of the first book in Wilbur Smith's Egyptian series

A SPECIAL COLLECTOR'S EDITION OF THE FIRST BOOK IN WILBUR SMITH'S CELEBRATED EGYPTIAN SERIES.

WITH MATERIAL INCLUDED FROM THE AUTHOR'S ARCHIVES AND A BRAND-NEW INTRODUCTION.

An ancient kingdom. An incredible destiny.

Taita is a humble slave; an expert in art, poetry, medicine and engineering, as well as keeping important secrets. He is the most treasured possession of Lord Intef. Yet when Intef's beautiful daughter Lostris is married to the Pharaoh, Taita is commanded to follow her, and swiftly finds himself deeper than he ever could have imagined in a world of deception and treachery. But outside the palace, the great kingdom of Egypt is divided, and in even greater danger. Enemies threaten on all sides, and only Taita holds the power to save them all . . .

AUTHOR BIO

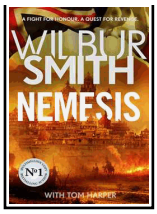

Wilbur Smith was born in Central Africa in 1933. He became a full-time writer in 1964 following the success of *When the Lion Feeds*, and has since published over fifty global bestsellers, including the Courtney Series, the Ballantyne Series, the Egyptian Series, the Hector Cross Series and many successful standalone novels, all meticulously researched on his numerous expeditions worldwide. An international phenomenon, his readership built up over fifty-five years of writing, establishing him as one of the most successful and impressive brand authors in the world.

The establishment of the Wilbur & Niso Smith Foundation in 2015 cemented Wilbur's passion for empowering writers, promoting literacy and advancing adventure writing as a genre. The foundation's flagship programme is the Wilbur Smith Adventure Writing Prize.

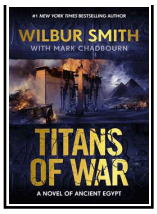

Wilbur Smith passed away peacefully at home in 2021 with his wife, Niso, by his side, leaving behind him a rich treasure-trove of novels and stories that will delight readers for years to come. For all the latest information on Wilbur Smith's writing visit www.wilbursmithbooks.com or facebook.com/WilburSmith

Appeal

Lynda La Plante

BOOK DESCRIPTION

THE UNFORGETTABLE LEGAL THRILLER FROM THE QUEEN OF CRIME DRAMA, LYNDA LA PLANTE

Eight years ago, James McCready was convicted of killing his partner, Gary Meadows. But McCready has always claimed that the stabbing was a tragic accident and, when fresh evidence comes to light, he wins his appeal for a retrial.

Detective Inspector Pat North is assigned to the reinvestigation. But when North discovers that her partner, Detective Superintendent Mike Walker, led the original police inquiry, their fledgling relationship is put to the test - particularly when she starts to suspect that he is covering something up.

Could Walker have tampered with evidence to frame an innocent man? And if so, who is the real killer?

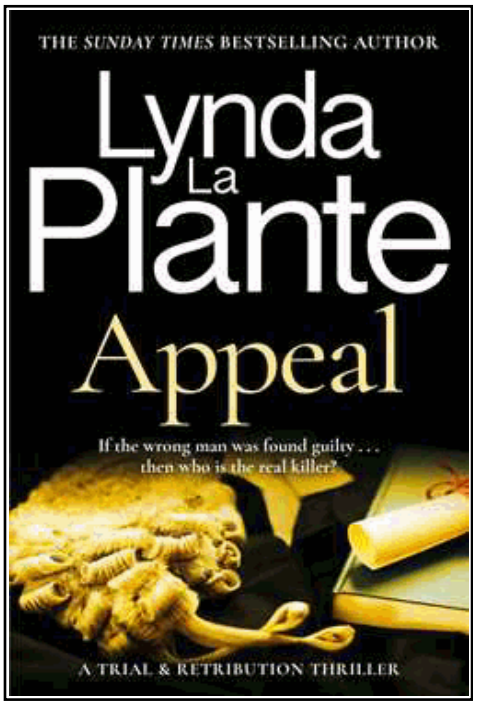

AUTHOR BIO

Lynda La Plante was born in Liverpool. She is the author of nearly forty novels, all of which have been bestsellers. She trained for the stage at RADA and worked with the National theatre and RDC before becoming a television actress. She then turned to writing—and made her breakthrough with the phenomenally successful TV series *Widows*.

Lynda's original script for the much-acclaimed *Prime Suspect* won awards from BAFTA, Emmys, British Broadcasting and Royal Television Society as well as the 1993 Edgar Allan Poe Award.

Lynda is an honorary fellow of the British Film Institute and was awarded the BAFTA Dennis Potter Best Writer's Award in 2000. In 2008, she was awarded a CBE in the Queen's Birthday Honours List for services to Literature, Drama and Charity.

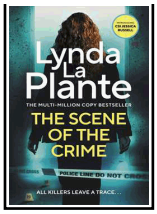

Lynda La Plante is the first lay person to be awarded an honorary fellowship to the Forensic Science Society. In 2020 she launched the acclaimed *Listening to the Dead* podcast with former CSI Cass Sutherland, exploring forensic science and its impact on solving crimes.

The Gardeners' Club

A Novel

Marnie Riches

BOOK DESCRIPTION

Gardening is dirty work—but should it be deadly? When a corpse turns up in the community greenhouse, Gill Swanley discovers her new hobby might be more dangerous than she imagined.

When Gill Swanley decides to take up gardening to fight a bad case of midlife malaise, she never expected it to become quite such a dangerous hobby.

Pushing herself to "get out there," Gill picks herself up the secateurs and joins the Bromley Botanists. Here she finds a seven-strong group whose main agenda is how to win the coveted Golden Trowel for best community club of the year.

But when a dead body turns up in the community greenhouse, they suddenly have more serious matters to consider than victory. They must uncover whether their arch-rivals, Croydon, are taking things to another level or whether someone more dangerous is targeting their rag tag group.

Can they dig up the truth before someone else is left pushing up the daisies?

AUTHOR BIO

Marnie Riches grew up on a rough estate in north Manchester. Exchanging the spires of nearby Strangeways prison for those of Cambridge University, she earned her Masters in German & Dutch. Her be award-winning George McKenzie crime thrillers, tackling the subject of trans-national trafficking, were inspired by her own time spent in The Netherlands. *The Gardeners' Club* is her American debut.

World Cup Fever

A Soccer Journey in Nine Tournaments

Simon Kuper

BOOK DESCRIPTION

The story of how soccer has transformed the world—as seen through nine World Cups—by one of our most talented writers on the sport.

The World Cup is the biggest sporting spectacle on Earth—a chance every four years for the greatest players to win international glory, and a month-long media event that's watched by an audience of billions.

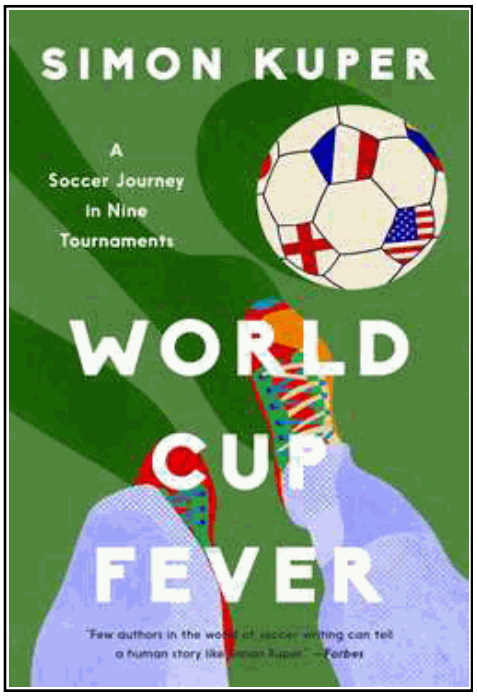

But the tournament has changed beyond recognition since the inaugural event in Montevideo, Uruguay, in July 1930. What was once a semi-professional meeting beset by haphazard play has evolved to become a game of multinational buyouts, dubious ethics, and questionable aims—and the new era of soccer has much to tell us about the globalized world.

Simon Kuper is among the vanishingly small number of writers who have attended every World Cup since 1990. *World Cup Fever* is his journey to find the heart of soccer, through the nine tournaments he's experienced first-hand—from watching matches in half-empty stands during Italia 1990 (a tournament that at times felt like a village fete) to witnessing the French triumph at home in 1998; South Africa's national dream in 2010; and the troubling legacy of Qatar in 2022.

Told on the pitch, in the stands, in the pubs, and on the streets, this is the story of how soccer has changed the world

AUTHOR BIO

Simon Kuper is the author of *The New York Times* bestseller *Soccernomics*. He was born in Uganda to South African parents and moved to the Netherlands as a child. He studied history and German at Oxford University and attended Harvard University as a Kennedy Scholar. He is a journalist for the *Financial Times* and has written for *The Observer*, *The Times* (London), and *The Guardian*, and he also writes regularly for Dutch newspapers. Simon lives in Paris with his family.

Lazarus

The Second Coming of David Bowie

Alexander Larman

BOOK DESCRIPTION

The compelling story of the second half of Bowie's life, exploring the untold story of these latter years when Bowie moved from commercial failure to his final masterpiece.

When David Bowie died on January 10th, 2016, aged sixty-nine, his death was greeted with the greatest display of public mourning since Princess Diana three decades before. Politicians and fellow musicians alike fell over themselves to pay tribute to the former Starman, and his home cities of New York and London saw thousands of well-wishers assemble to play his music and console each other in their hour of grief.

Twenty-five years before, Bowie appeared to be washed up. His 80s career had been a slow descent into self-parody, his attempts to diversify into hard rock with the new group Tin Machine had been disastrous, and the art-rock music with which he had made his name was badly out of fashion. The Thin White Duke needed a miracle if he was not only going to be able to assume his rightful place at the top of the rock music firmament, but even to continue his career. And a miracle—a resurrection from the dead—is precisely what happened.

Lazarus: The Second Coming of David Bowie is the first biography of Bowie that tells the full and candid story of what happened in between those two apparently unbridgeable points. With new and exclusive interviews with the musicians, filmmakers, and cultural figures who worked with and befriended Bowie throughout this period, *Lazarus* is the definitive account of the previously overlooked and fascinating latter half of a great and distinguished career.

It climaxed with his final masterpiece, *Blackstar,* and the unprecedented—yet entirely appropriate—theatrical flourish of his departure from the stage on which he had thrived. And as it did so, Bowie passed from greatness into legend, and the world could only look on in admiration.

AUTHOR BIO

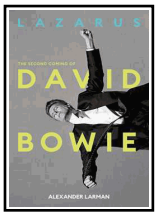

Alexander Larman is a historian and critic who writes for major journals like the *Observer* and *The Telegraph* in Britain and is currently books editor of *The Spectator World*. He has written on subjects as diverse as Oasis, Lord Byron, and the British royal family—but his real passion is David Bowie. He writes on Bowie whenever he can, and the articles always receive a huge amount of attention globally. Alex lives in England.

For The People

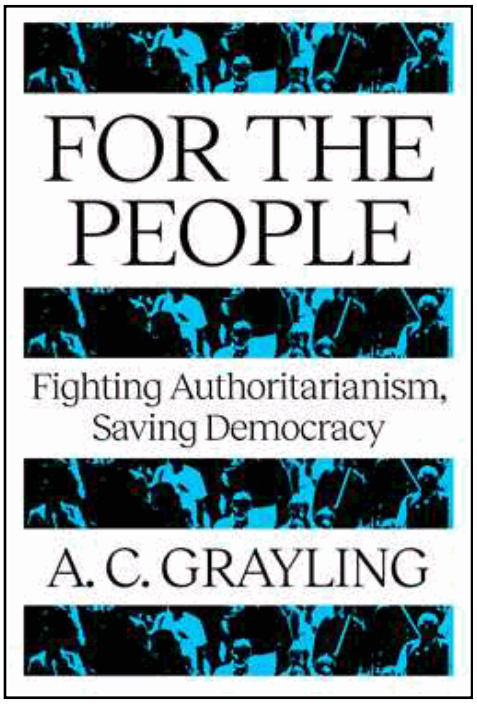

Fighting Authoritarianism, Saving Democracy

A. C. Grayling

Around the world the foundations of democracy, freedom, civil liberties are being eroded – what can be done?

Are we living through the end of the democratic moment? While democracy once seemed the bedrock of Western societies, the past few decades have revealed a fragile reality. Once liberal countries are turning to authoritarianism, wealthy individuals and corporations are interfering with elections ever more flagrantly, and faith in democracy has plummeted among every demographic. What happened?

From gerrymandering and partisanship to corporate interference and tainted donations, A. C. Grayling reveals the forces undermining our democratic ideals and offers bold solutions. An urgent wake-up call to the risks this poses to us all, *For The People* reminds us why democracy remains worth fighting for.

And The Ancestors Sing

Radha Lin Chaddah

BOOK DESCRIPTION

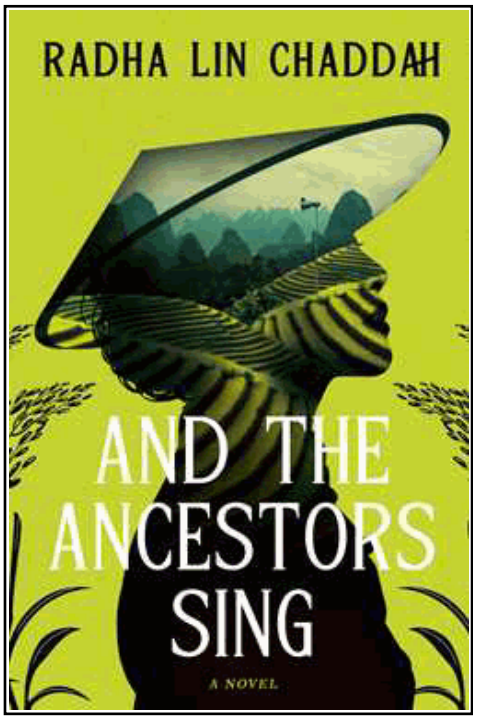

Spanning decades of seismic change in post-Cultural Revolution China, *And The Ancestors Sing* is a sweeping, multigenerational novel of resilience, sacrifice, and the unbreakable pull of home, perfect for fans of *Pachinko* and *The Island of Sea Women*.

In 1978, as the Cultural Revolution fades into history, Lei is bartered away into marriage for two cartons of cigarettes and a handful of eggs. She finds herself in the unfamiliar village of her new husband where she is met with indifference. When a disaster upends their world, Lei and her husband are forced to join China's vast wave of city-bound, rural migrants, leaving behind children whom they may never see again.

Sixteen-year-old LuLu arrives in Shanghai with nothing but ambition. Denied a factory job and determined to keep her family from starving, she turns to sex work, navigating the dangers of the city's underbelly with sharp wit and a fierce will to survive. When a powerful client offers her a chance at security, LuLu faces an impossible choice: seize a future that could lift her family from poverty, or risk everything for a life on her own terms.

Immersive, evocative, and impeccably detailed, *And The Ancestors Sing* is a sweeping, multigenerational story of sacrifice, survival, and the unbreakable pull of home.

AUTHOR HOMETOWN
Raddha Lin Chaddah

Boston, MA - Trained at Harvard Hospitals; taught at Harvard University; maintains professional and personal connections in the Boston area.

New York City, NY - Lived and operated a private medical practice in Midtown Manhattan; connected to a large church community; retains significant personal and professional ties.

Princeton, NJ - Lived for five years

Born in London to an East Indian father and a Malaysian Chinese mother, Radha grew up in Kenya, the UK, and the US. She majored in Biology at the University of Chicago, earned medical and law degrees at the University of Illinois, and a Master of Public Health at Harvard University. She completed Internal Medicine residency training, and later practiced at Massachusetts General Hospital/Harvard Medical School in Boston. Along the way, Radha developed a deep commitment to patient advocacy, to “meeting the patients where they are”, and to combating stigma around mental health. During these busy years, Radha married her wonderful husband and best friend, Avery, and had two terrific daughters, Yani and Ayo.

Life did not slow down! Radha and her family moved, over the course of 20 years, from Boston to NYC to Taipei to Shanghai to Beijing to Princeton, and finally to Philadelphia. GO BIRDS! Each of these places was filled with amazing people, wonderful culture, and incredible personal and work experiences. Radha worked as a primary care physician in Boston, NYC and Beijing; worked with the China CDC to co-write the book, *HIV/ AIDS: Beyond the Numbers*; and provided mental healthcare to patients in several states as a telemedicine doctor upon settling in Philadelphia. Especially treasured by Radha are the first-hand stories she has been privileged to hear from patients, colleagues, friends, and family alike. These stories, and the storytellers that birthed them, fuel Radha’s passion to write.

Radha enjoys learning new Mandarin characters, tackling novice knitting projects, painting with watercolors and acrylics, catching a live, stand-up comedy show with Avery, trying out new recipes with Yani and Ayo, and, of course, jotting down story notes for her next writing project.

Just My Luck
Emily Wood

BOOK DESCRIPTION

For fans of Jen DeLuca and K.A. Tucker, a contemporary rom-com set on a small-town farm where a social media brand manager discovers love, family secrets, and the courage to show her true self.

Sloan Sanders' perfectly curated online life is in shambles. Dumped the same day her dream business collapses and rocked by a shocking DNA test, she escapes to her aunt's farm to regroup.

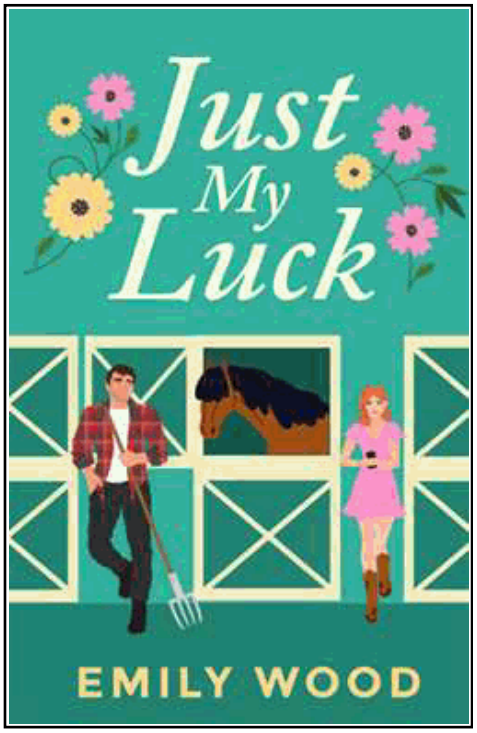

Instead of peace, Sloan finds herself knee-deep in manure and butting heads with Parker, the annoyingly hot stable hand who seems determined to make her life difficult. She thinks he's shady. He thinks she's an entitled princess. But as sparks fly and secrets come out, Sloan realizes the line between enemies and something more is getting blurry.

When a chance comes to prove herself and reinvent her future, Sloan needs Parker's help. Transforming a dusty hayloft into an Instagram-worthy event space might just change everything—if she's willing to show the world her unfiltered self.

Perfect for fans of Jen DeLuca's *Well Met* and K.A. Tucker's *The Simple Wild*, *JUST MY LUCK* is a heartwarming rom-com about identity, family secrets, and finding love where you least expect it.

AUTHOR BIO

Emily Wood was born and raised in rural Southern Ontario, Canada where her days were spent as a stereotypical horse girl and her nights as the quintessential bookworm. The former journalist and newspaper editor now works in library services by day, and spends her nights spinning stories that will make you blush (and which she desperately hopes her family won't read). When she's not writing, she enjoys reading, crafting, hiking with her husband and golden mountain doodle, and being lakeside with a blank page and a cup of tea.

The Enemy of Time

Haley-Grace McCormick

BOOK DESCRIPTION

For fans of Elena Armas and Ali Hazelwood, an emotional second-chance romance set in small-town Massachusetts about best friends turned lovers whose past still threatens their future.

Some loves destroy you. Some save you. Some do both.

Alex thought that leaving her Massachusetts hometown for college would help her forget Jamie, the troubled boy who was her first friend, first kiss, and first heartbreak. But five years later, at twenty-three, she finds herself back home, staring at the same yellow shutters and red door, unable to outrun the past.

Forced to attend her dreaded five-year high school reunion, Alex discovers an old journal hidden in her childhood bedroom. Over twenty-four hours, memories come flooding back: the spark of young love, Jamie's chaotic family life, and the choices that shattered everything she thought she knew.

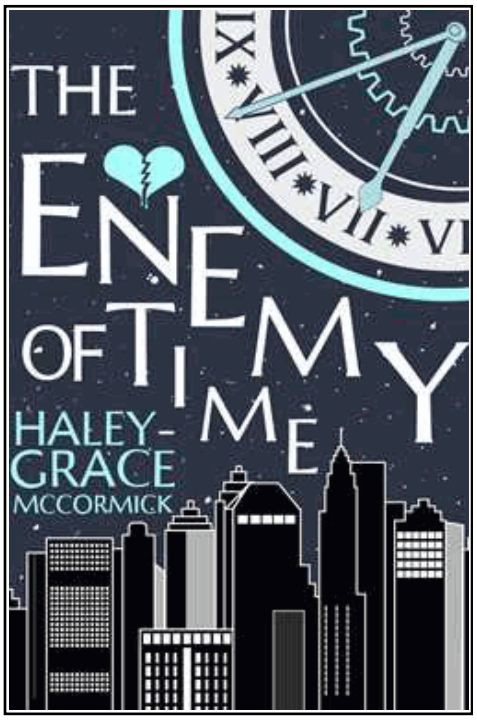

But some secrets were never what they seemed. As Alex confronts the truth about Jamie and about herself, she must decide if love can't change the past but might still rewrite her future.

Poignant, nostalgic, and deeply emotional, *The Enemy of Time* is a love story about the ties that bind us, the ghosts we carry, and how a single moment can unravel everything you thought you knew about love, time, and fate.

AUTHOR BIO

Haley-Grace McCormick is a writer, content creator, and artist with a BA in English and Creative Writing, concentrating in Screenwriting, and minors in Art History and Psychology—because choosing just one path felt far too boring. Diagnosed early with dyslexia, dyscalculia, and dysgraphia—the perfect love triangle of learning challenges—she grew up seeing the world not in fine print, but as a sweeping cinematic montage. That unique lens now fuels her storytelling across platforms.

Online, she's built a vibrant community of story-loving enthusiasts drawn to her fangirl spirals, chaotic commentary, and genuine passion for all things fiction. Whether she's writing novels, crafting screenplays, or creating digital content, Haley-Grace leads with heart, humor, and a deep love for stories that leave a mark.

Smeg

Diane Wishart

BOOK DESCRIPTION

Set in the wintery backdrop of Edmonton, fans of Louise Penny's *The Three Pines Mystery* series will enjoy this quirky, cozy-adjacent detective story of Detective Smeg pulled back on duty for one last case.

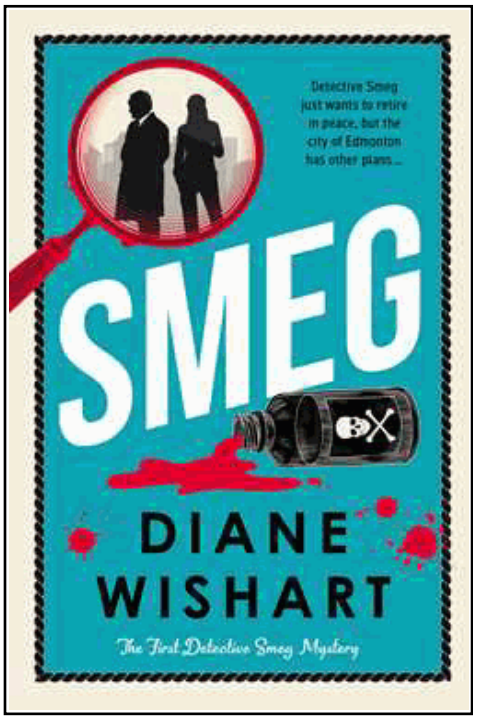

Former detective and perpetual grouch Charlie Smeg is old-at least that's the way he feels-and newly retired from the Edmonton Police. He's washed up, burnt out, and unappreciated by younger cops clawing for his job. He'd been a good detective but methods change, times change.

He's looking forward to a life of solitude, a good book, and staying indoors during the winter months. Unfortunately, his former boss has other plans. He's not even a week out of the job when she asks him to mentor rising star Meaghan Byatt-one of those upstart detectives-on her first case in the homicide department.

The case is an odd one from the get-go, enough that Smeg decides, against his better judgment, to help.

With a jobless stepson living at home who won't stop encouraging him to get with the times, and his growing fondness for Byatt making him begrudgingly look forward to human interaction, this case might be what Smeg needs to get back in the game.

Diane Wishart is the author of *The rose that grew from concrete: Teaching and learning with disenfranchised youth,* published by the University of Alberta Press. For this work Diane interviewed many at-risk students in an urban high school, young people who have fallen between the cracks in the public school system. What she discovered weren't statistics, but teens and their experiences, needs, and personalities. Diane's work with young people also informed the narrative published in *Case studies in educational foundations: Canadian perspectives,* published by Oxford University Press.

Diane has 20 years of experience in the field of education, including work with Alberta Advanced Education, consulting with post-secondary institutions. Her past teaching and academic publishing includes high school literacy programs for youth, as well as teacher education at the University of Alberta. Diane's first novel, *Smeg* was inspired by attendance at a creative writing workshop on villains, and their counterpart, the detective.

Diane has been a member of the Alberta Writer's Guild writing critique group since 2011, and in July 2014 attended Sage Hill Writing Experience in Lumsden, Saskatchewan where she worked with Merilyn Simonds and Wayne Grady. Diane has attended a variety of writing workshops put on by the Canadian Authors Association, University of Alberta, and MacEwan University. Beginning in January 2021 Diane took *How to Write a Novel: Edit and Revise* taught by Annabel Lyon and Nancy Lee through the University of British Columbia. The content of this course guided the re-write of *Smeg*.

The Halter

Darby McDevitt

BOOK DESCRIPTION

Combining the inventive worldbuilding of Philip K. Dick and the elegiac longing of Raymond Chandler's *The Long Goodbye* and for fans of *Ready Player One* and *Rabbits*, *The Halter* by Darby McDevitt (lead writer for *Assassin's Creed 4: Black Flag*) is a debut sci-fi novel that fuses cyber-noir, psychological suspense, and high-concept speculation in a breakneck search for truth inside a utopian metaverse on the verge of collapse

In a world where virtual addiction kills, Kennedy Stark is paid to pull the plug. A professional halter—part detective, part counselor—he trawls the world's darkest surrogate-reality feeds in search of the lost. When he isn't working, he's dreaming of a one-way ticket to Mars, where a new colony has been established as a hopeful alternative to an Earth in the early stages of climate collapse.

One evening, after a botched rescue attempt, a mysterious client offers Kennedy a tantalizing new case: brilliant software engineer Delia Walsh, who Kennedy fell in love with years ago, has disappeared inside a surrogate reality project called The Forum. Entering under an assumed identity, Kennedy finds a simulation unlike any other. The Forum bills itself as a tool for cutting-edge scientific research and radical philosophical investigations, but the signs of its corruption are everywhere. As Kennedy investigates, he learns Delia had been working on a new simulation that could upend The Forum's primary purpose, and that even in this prurient playground for the super wealthy, the dangers are very real.

Brimming with black humor, hardboiled attitude, and a cast of endearing misfits lost in brittle fantasies, *The Halter* introduces a charismatic detective and heralds a unique and assured new voice in sci-fi crime.

AUTHOR BIO

Darby McDevitt is a writer and game developer best known for his work on the Assassin's Creed series of video games. He served as lead writer for *Assassin's Creed 4: Black Flag* and as narrative director for the forthcoming *Assassin's Creed: Codename Hexe*. His short fiction has appeared in *Exquisite Corpse*, *Jeopardy*, *Griffel*, and *In Pieces: An Anthology of Fragmentary Writing*. McDevitt is a dual citizen of the US and Canada and lives in Montreal.

BOOK DESCRIPTION

A spicy retelling of Persephone and Hades and the second in the Dark Fates series, centered around Greek deities and Otherworlders, for fans of Sav R. Miller, Jaysea Lynn, and Katee Robert.

Buried alive in Ancient Greece two thousand years ago, Persephone—the Goddess of Spring—resurfaces in '90s New Orleans with no memory of who she is or where she belongs. Recognizing that Persephone is barely hanging onto her sanity, her friends from Olympus spring to her rescue. However, the power of the Greek gods is not what it once was, and Hermes, Artemis, and the rest have taken on other names and integrated into the mortal world. With their help, Persephone begins to recover and find her place, but she can't shake the feeling that something crucial is missing from her life.

Hades has been at a loss since Persephone was taken from him, but he can't rejoice at her return. A curse keeps him at a distance, unable to reunite with her in fear of an ancient and hungry force that stirs in the Big Easy. Though it devastates him, he'll push her away just for her own good. But Persephone will not be denied the love she desperately craves.

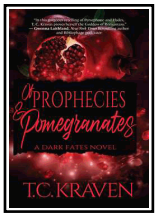

In her follow-up to *Of Prophecies & Pomegranates*, T.C. Kraven reignites Persephone and Hades's tumultuous, delicious love affair. Romantasy and Greek lovers will devour this rad time trip of a novel filled with '90s nostalgia, found family, passion, monsters, nymphs, and Otherworlders. *Of Death & Desires* brilliantly sets the stage for the rest of the Dark Fates series, boldly proclaiming that some love stories never die.

Rich bonus content includes:

- Gorgeous full-color artwork inside
- New chapters
- A guide to the deities of the Dark Fates series
- And more!

A Dark Fates Novel

T.C. Kraven

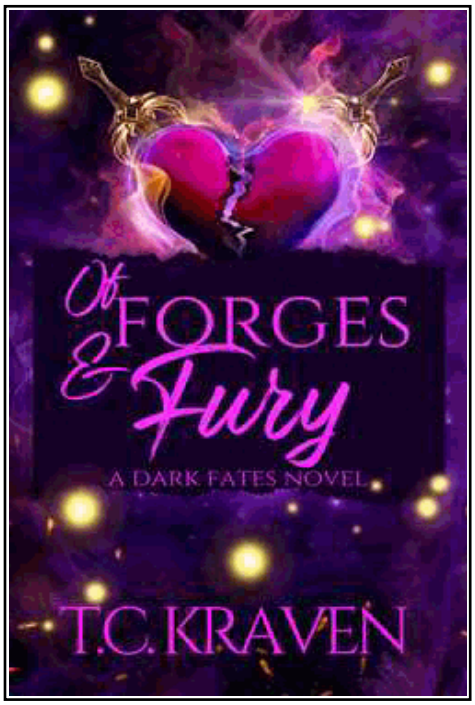

BOOK DESCRIPTION

The third in the Dark Fates series, featuring a love triangle between Ares, Aphrodite, and Hephaestus, for fans of Sav R. Miller, Jaysea Lynn, and Katee Robert

Some bonds are so strong they stretch and stand tall through the ages. Some bonds are corrupted from their inception, and scorch anyone in its path. Betrothed to Hephaestus in punishment by Hera, Aphrodite and Ares make a choice that will bond them together for eternity. There are consequences for defying the Goddess of Marriage, and the three find themselves in a tangled web of love and pain through the centuries. Why should Aphrodite have to choose? What if she loves them both?

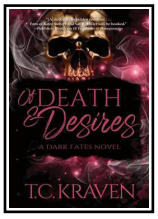

Rich bonus content includes:

·A playlist
·A guide to the deities of the Dark Fates series
·And more!

Bowie Takes America

The Making of a Rock Icon

Mick Wall

BOOK DESCRIPTION

A breakneck, Hunter S. Thompson-esque account of David Bowie's wildest, most revolutionary years in the United States—a relentless after-midnight ride through the culturally apocalyptic mid-'70s of New York and Los Angeles, leaving Ziggy Stardust behind and charging through *Diamond Dogs*, *Young Americans*, *The Man Who Fell to Earth*, and *Station to Station* with cocaine-dusted corridors of the occult, music as magick, and sex as invocation

In *Bowie Takes America*, legendary rock journalist Mick Wall offers a back-seat-of-the-limo account of David Bowie's all-that-glitters American years—when Ziggy the friendly rock-messiah alien transmogrified again and again while traversing a landscape of decadence and derangement: L.A. orgies and soul clubs, midnight occult rituals, and late-night talk shows, riding through the scorched ruins of Watergate-era America.

Built on Wall's extensive research and archives and drawing upon exclusive interviews with former band members, friends, rivals, producers, and Bowie himself, this is Bowie as never seen before: glamorous, burlesque-grotesque, and utterly inimitable.

Between 1974 and 1976, David Bowie wasn't just making records—he was making himself a new kind of rock icon. From the skeletal "mutant with red eyes" of *Diamond Dogs*, through the "plastic soul" regeneration of *Young Americans* (and his first American number 1 single, "Fame"), to the thin-white paranoia of *Station to Station*, Bowie's music, image, and identity were in flux—and the land between New York's Penn Station and Los Angeles's Union Station was the crucible that transformed him.

With Lou Reed and Iggy Pop as shadowy foils, and a supporting cast including John Lennon, Mick Jagger, Jimmy Page, Angela Bowie, Ava Cherry, Earl Slick, Luther Vandross, Cher, Elizabeth Taylor, Andy Warhol, Rodney Dangerfield, and Dennis Hopper, Bowie plunged into the American Dream and came out the other side as a different man—and artist.

Project Tiger

The Birth of Genius and the Price of Greatness

Gavin Newsham

BOOK DESCRIPTION

The inside story of young Tiger Woods' training for greatness, developing the unique traits that would not only help him achieve the pinnacle of success but also ingrain the personal flaws that brought him crashing down.

Eldrick "Tiger" Woods was transcendent, ultimately eclipsing superstar athlete status to becoming a global household name. Yet his story remains enigmatic. In *Project Tiger*, veteran golf journalist Gavin Newsham uncovers the answers, providing a portrait of the greatest golfer ever as a young man, a rendering that refines and deepens our understanding of his character and legacy.

Tiger's mother Kultida nurtured him, keeping him focused, but no one was more instrumental in sculpting him as a golfer and as a man than his father. With Tiger swinging golf clubs before his first birthday, Earl Woods took the mantle as drill sergeant coach, coldly imposing his "Project Tiger" goals to lead his son to sports stardom.

Following these intense expectations, Tiger grew up with fear and obsession. Fear that any childhood injury could ruin his life, but obsessive fuel to be the best. Even at age six, Tiger lasted only fifteen minutes at the LA Open watching others play before he begged to leave and find somewhere he could practice. As he got older and impatient, he snuck onto golf courses, including the ultra-exclusive Cypress Point Golf Club, to play a few holes before being thrown off. By the time he made his pro debut at twenty years old, the chaotic crowd and media blitz engulfed him, and it included racism more hostile than any other living athlete has endured. And with Tiger's rapid ascension also emerged entitlement and arrogance. He learned to ignore people who were no longer valuable to him, such as abruptly sacking his first agent soon after he signed deals worth $60 million.

Gavin Newsham leaves no stone unturned as he shares these behind-the-scenes stories from Tiger's coaches, rivals, golf role models, and even girlfriends to chart his spectacular amateur rise and dominant triumph along with the warning signs of scandal and monumental downfall decades later. Only in *Project Tiger* can you witness the exhilaration and the consequences that history's most sensational golf prodigy's achieving greatness brings.

Gavin Newsham has written about golf for more than two decades. He is the founder of *Golf Punk* magazine, has served as a contributing editor at *Golf Monthly*, and is the author of multiple books. His biography of golfer John Daly, *Letting the Big Dog Eat*, was longlisted for the William Hill Sports Book of the Year and earned him the National Sporting Club Book Award for Best New Writer. Newsham's writing on golf has appeared in *Golf Digest*, *New York Post*, *Guardian*, *GQ*, *The Sunday Times*, and *Golf World*, among numerous other publications.

The Gods Must Burn

T.R. Moore

BOOK DESCRIPTION

A disgraced war hero is transformed into the Wolf God, protector of the Forest God, and must earn her trust in this healing dark fantasy for fans of *The Wolf and the Woodsman* and *Princess Mononoke*

War hero Basuin doesn't know what to believe in anymore. All Basuin knows is life as an army captain and the pain, loss, and disgrace it has brought him. Demoted and humiliated by his legion commander, he is led into the forest for one more mission: capture a god.

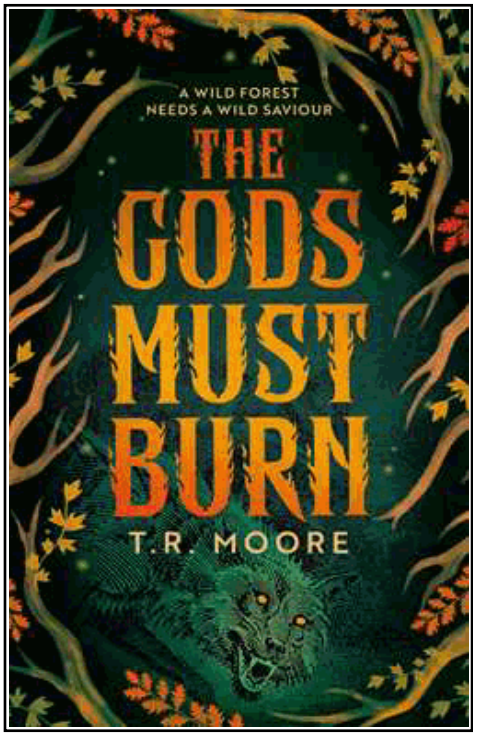

But when his commander uses innocent wolf pups as bait, Basuin dies saving them. The Wolf God, impressed by his sacrifice, deifies Basuin to protect the forest and its beautiful, sharp-tongued god from the legion's deforestation.

To the Forest God, Basuin is nothing more than one of the men sent to burn her forest down. Betrayed by humans too many times, she rejects him, working alone to protect the spirits of the forest as her home disappears around her. To save the god he is growing to love, Basuin must untangle the feelings between them.

Otherwise, they'll burn together.

AUTHOR BIO

T.R. Moore is a queer fantasy, horror, and sometimes romance writer who mostly writes about feminine rage and god complexes. Though she started in poetry, her books now tend to feature Korean main characters, fat-positive representation, and mental health issues written responsibly. When she’s not setting her air fryer on fire (which only happened twice), she’s busy making oddly-specific Spotify playlists to complete her collection. Keep up with her at authortrmoore.com.

The Many

Sylvain Neuvel

BOOK DESCRIPTION

The minds of five normal people merge in a beautiful, unnerving first contact story where the strangest thing humanity has to face is each other, from the critically acclaimed author of *Sleeping Giants*.

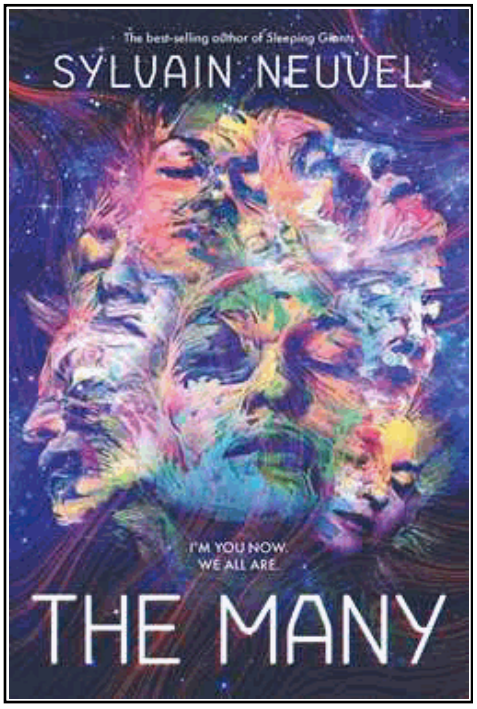

“I’m you now. We all are.”

When advertising executive Carole Veilleux loses it at Booker’s donut shop and bites Booker on the arm, it’s about the most interesting thing to happen in the small city of Marquette, Michigan, in years.

But that’s only the beginning of the story. Carole and Booker find their minds merging, in a collective that extends to include Carole’s husband Shivansh and local doctor Evelyn Schlapp. The four of them become the beginning of something larger and stranger than they could ever have imagined.

AUTHOR BIO

Sylvain Neuvel dropped out of high school at age 15. Along the way, he has been a journalist, worked in soil decontamination, sold ice cream in California, and furniture across Canada. He received a Ph.D. in linguistics from the University of Chicago. He taught linguistics in India, and worked as a software engineer in Montreal. He is also a certified translator, though he wishes he were an astronaut. He absolutely loves toys; his girlfriend would have him believe that he has too many, so he writes about aliens and giant robots as a blatant excuse to build action figures (for his son, of course). His debut, *Sleeping Giants*, was described by NPR as “one of the most promising series kickoffs in recent memory.”

The Astrology of Healing

Unlocking Our Sacred Wounds with the Wisdom of the Stars

Nada Yousif

BOOK DESCRIPTION

The Astrology of Healing offers a spiritual roadmap to guide readers through challenges, helping us understand our cosmic patterns, so that we may direct our destiny, rather than be at the mercy of it. Nada Yousif gives us the key to unlocking our full potential by revealing the ancient, sacred ways of interacting with the stars and planets, allowing us to heal wounds from this lifetime, as well as generational wounds from the past.

Rise Books will be booking many venues and author events, both in Canada and the United States to promote the book

There is a magical moment when you see your trauma embedded within your own birth chart. It's a come to God moment. When you realize the wounds you endured in your life were already written in the archetypal signature at the time you took your first breath. It was already there. Waiting for you to live through it, to alchemize into something more, because everything really does happen for a reason. Our most impactful events in our lives are packed into our birth charts.

In ***The Astrology of Healing***, author Nada Yousif shares her knowledge of the stars and how they impact the most significant events of our lives. She takes a scholarly approach, tying in history with astrological placements for a macro view of the world. But she also invites the reader to examine their own life events, traumas, and accomplishments through specific evaluations of birth charts and what each placement means.

Astrology not only shows us all of our core wounds, but it gives context to why we need them and how we can work with them in this lifetime. It's alchemy at it's finest. Astrology gives our wounds the map to the integration of our special healing elixir that we are meant to offer back to the world around us. As within, so without… ***The Astrology of Healing*** says, “Not only was this meant to happen, but here's *why*.” That alone heals at a deeper level.

Throughout the pages of this book, Yousif examines the charts of famous figures, both historical and modern and breaks down the events of their lives to show how astrology affects us all. The author also weaves in her personal story and shares how astrology changed her life. Then, she provides guidance to the reader, so they can use astrology to unlock their full potential, use the gifts they've been given, and heal the meaningful wounds within so they can fulfill their highest destinies.

Astrology is like an ancient language. Once we remember this ancient language, we can begin to decipher what our own charts are trying to teach us. We can come to understand the ‘why’ and the ‘how’ to use these lessons and life experiences for our spiritual evolution. It’s an opportunity to shine the light on our innermost selves. Seeing our birth charts for the first time is like turning on a flashlight in a dark hidden room that’s been locked up our entire life. Suddenly we can see everything, each one of our traumas show up in a symbolic, energetic signature… our ‘Natal Promise’. It’s a worldview-changing moment for most, and gives credibility to the saying, “Everything happens for a reason." Our power is truly written in the stars.

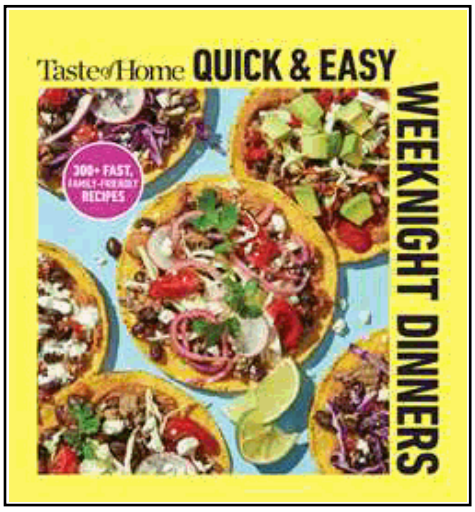

AUTHOR BIO

Nada is a writer, astrologer, and creative born and raised in Toronto, Canada. From a young age, Nada has held many roles within the film and television industry, in front of the camera and behind the lens. She has always played in the land of mythology. With a detour in fashion design, she created her own brand, Nada Yousif, showcasing her designs across multiple seasons at Toronto Fashion Week before finding her way back to storytelling. Most recently, Nada penned four magical episodes over the course of two seasons on the Hulu show “Spellbound,” a teen witch/dance drama based in Paris, France.

With roots in Egypt and Sudan, Nada is a natural born scribe who integrates an ancient lens of mythology and soul into her storytelling. Fueled by an unbridled passion for esoteric and spiritual studies, Nada weaves astrology and symbolism into her personal and creative endeavors.

I Wish I'd Quit Sooner

Practical Strategies for Navigating and Escaping a Toxic Boss

Laura Hambley, Dr. Lovett

BOOK DESCRIPTION

A must-have practical guide by a leading mind in the organizational psychology field for anyone suffering under a toxic boss to navigate, escape, recover, and take back control of their career.

Today's workers are increasingly frustrated and disillusioned as toxic bosses are allowed to thrive across organizations and industries, from the boardroom to the Zoom room. *I Wish I'd Quit Sooner* is a fresh, informative, and practical guide for the millions of employees worldwide who endure unhealthy workplace dynamics. This insightful book helps readers recognize the signs of toxic leadership—and gives them strategies to better manage their situation, exit, and recover.

Based on Dr. Laura's twenty-five years of applied experience in the field of organizational psychology and informed by her latest North American research on this topic, this is an engaging, relatable, and evidence-based handbook that provides a new language around the behaviors and impacts of a toxic boss, including a breakdown of eight common personas: the Self-Serving Egomaniac, the Control Freak, the Dishonest Manipulator, the Great Divider, the Unethical Corrupter, the Abusive A-Hole, Disordered Personalities (Narcissist and Sociopath), and the Gaslighter.

With the help of *I Wish I'd Quit Sooner,* readers will learn practical tools to identify and start important conversations, to advocate for themselves, and to regain control of their career and well-being.

AUTHOR BIO

Dr. Laura Hambley Lovett is an organizational psychologist, keynote speaker, business leader, adjunct professor of psychology, and host of the podcast *Where Work Meets Life*™. With twenty-five years of business and consulting experience, she is a recognized thought leader on workplace psychology, leadership, career development, and the future of work. The founder of Canada Career Counselling, in 2018 she won the Canadian Women of Inspiration (Global Influencer) Award. Dr. Laura is based in Calgary, Alberta, Canada overlooking the Rocky Mountains.

Soul-Happy

A Viking Woman's Long Road Home

Anette Nilsson

BOOK DESCRIPTION

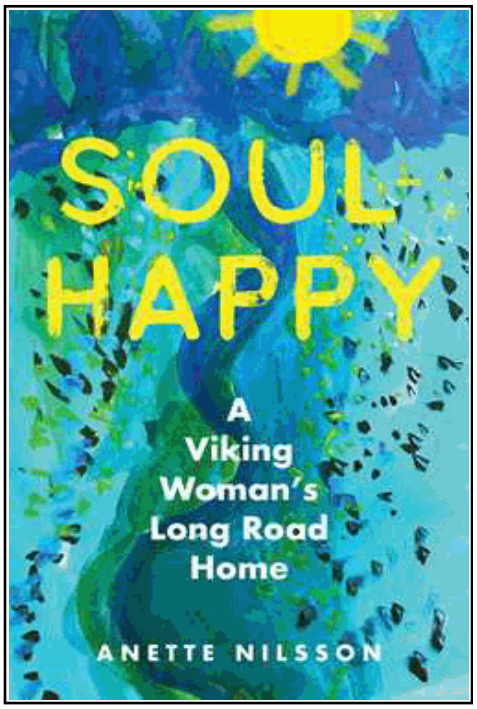

A must-read for the millions who suffer from chronic illness, *Soul-Happy* is an inspiring and poetic account of navigating away from shame and life-threatening disease and into redemption and grace through a commitment to hard truths and unconditional love.

Nette Nilsson has big dreams and is in the midst of pursuing them—starting by leaving Denmark to attend university in Toronto, Canada—when she falls for a beguiling but volatile American. Their romance moves fast, and in what seems like no time she finds herself living a privileged but deeply unhappy life in New York with her now-husband, Cal. After suffering for too long, she finally begins to find her way onto a better path—only to be abruptly faced with a life-threatening physical condition. To survive and to heal, Nette must confront dark family lies and her hidden traumas and find her own power again.

In an era of increasing awareness regarding how many strong, intelligent women ignore their gut and lose themselves—and the lives they dream of having—when they become entangled with toxic men, *Soul-Happy* illuminates the underlying reasons for one promising young woman's downhill slide after she falls for "the wrong kind of love," and follows her harrowing battle to put herself back together again.

AUTHOR BIO

Anette Nilsson was raised in Denmark and spent most of her adult life in Toronto and New York. She has a dual degree in political science and criminology from University of Toronto and studied for her MA in education at Queens College, CUNY. She founded a tech consulting firm in Minneapolis, has taught IT and English, and is the author of a children's book about three friends on an adventure with a magical raft. It is her vice to want to move to each new place she visits. Anette resides in Denmark and Port Washington, New York.

Mud, Microbes, and Medicine

How a Curious Anthropologist Got to the Boardroom

Elizabeth Reed, PhD Aden

BOOK DESCRIPTION

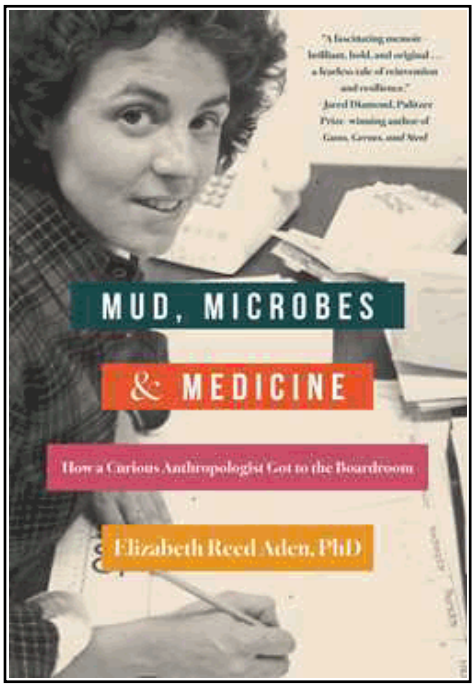

For fans of *The Immortal Life of Henrietta Lacks* and *Lab Girl*, an arresting memoir that chronicles a young woman's journey from remote island research to Big Pharma and the boardroom.

Elizabeth "Betsy" Aden, a twenty-something anthropology student, is clinging to academia as a safety net—until she's offered a grant to spend the summer on a remote island in Melanesia, famously home to cannibals. Adventure calls, and Betsy doesn't hesitate. Once she arrives, though, reality hits: no running water, no electricity, and no Western medicine. Inspired by her experiences, Betsy returns to school with a new perspective and changes her field from cultural anthropology to biomedical anthropology. Driven by a new purpose, she returns to Melanesia for two years to study the transmission hepatitis B and sets up an ingenious field laboratory to collect and test blood samples.

Back at home, resourceful and determined Elizabeth successfully navigates the complicated "boys club" of academia. She explores teaching and advertising and finds a fit in biotech from which she builds a career in Big Pharma. That choice, along with her tenacity and willingness to take risks, propels Elizabeth on a meteoric rise to the senior executive suite in a large Swiss company and into the boardrooms of scrappy biotech companies.

With electric detail and candid honesty, *Mud, Microbes, and Medicine* is a testimony of resilience and resolve in the face of challenges so large and unimaginable, you will wonder how Elizabeth's story could even be true.

Elizabeth Reed Aden is a biomedical anthropologist turned biotech/pharma strategist with a career spanning epidemiology, virology, and global pharma leadership. After earning her PhD studying hepatitis B in Vanuatu, she left academia for biotech and then Big Pharma, rising to Senior Vice President of Global Pharmaceutical Strategy at a top Swiss company. A pioneer in personalized medicine, she recently crafted a national implementation plan for precision healthcare in a G7 country. Now an author, Betsy's debut medical thriller, *The Goldilocks Genome*, spins complicated scientific concepts into a gripping thriller. Her upcoming memoir, *Mud, Microbes, and Medicine* (2026), chronicles her unconventional path from tropical fieldwork to the biotech boardroom. A native of Berkeley, California, she resides there today.

Don't Do Business with Dicks

How to Ditch Toxicity and Align Yourself with Positive Influences

David Meltzer

BOOK DESCRIPTION

Pragmatic principles for success and strategies to help you overcome your biggest obstacle—you—by surrounding yourself with the right people, ideas, and environments

As Chairman of the Napoleon Hill Institute and former CEO of Leigh Steinberg Sports & Entertainment (the inspiration for *Jerry Maguire*), where his first major task was to bring home negotiations for returning the NFL's Rams to Los Angeles from St. Louis, David Meltzer followed his boss's instructions: "Don't negotiate to the last penny. Always be fair. Don't do business with dicks."

Since then, David's taken this advice on as his mantra, not just for negotiating high-stakes deals but for navigating life. In *Don't Do Business with Dicks*, Meltzer distills his wisdom into actionable strategies for cultivating meaningful relationships, aligning yourself with positive influences, and holding fast to your integrity.

Packed with anecdotes and practical advice, you'll discover how to fill your life with all the right stuff and leave behind the negativity and pettiness that stunt growth. Adopt a guiding philosophy that empowers you to:

·Avoid negative influences and build positive connections
·Align your actions with your values
·Cultivate gratitude and accountability
·Master the art of clear and honest communication
·Make wise choices in partnerships
·Navigate the dynamics of different environments
·Foster a growth mindset

Don't Do Business with Dicks is a call to eliminate toxicity and create your own "gold standard" for success, one built on kindness and integrity. Instead of just focusing on getting what you want, ask yourself—what's standing in your way?

Men at Work

The Roadmap to Gender Partnership

Jennifer McCollum

BOOK DESCRIPTION

Work isn't working—for women or for men.

Despite decades of progress, women are still facing persistent gaps in pay, representation, and opportunity. But here's what's often overlooked: men are struggling, too. Pressured to conform to outdated stereotypes—stoic, aggressive, competitive—many men feel boxed in, disconnected, and unable to show up as their full selves.

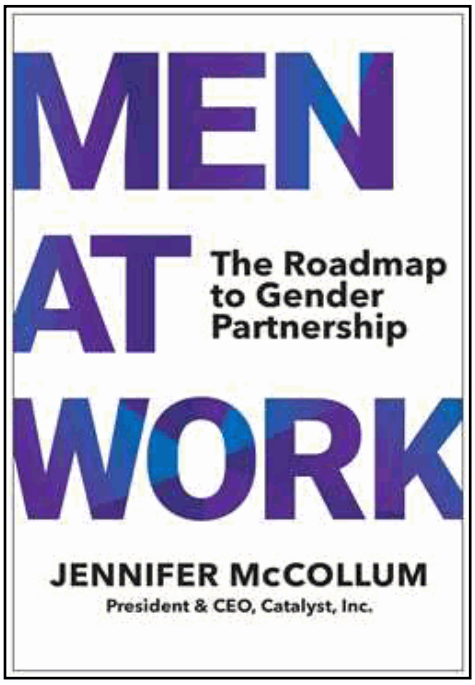

In *Men at Work*, Jennifer McCollum, President and CEO of Catalyst, reveals a bold truth that the key to building inclusive, high-performing workplaces isn't only about helping women—it's about unlocking the full potential of men as well.

Through powerful personal stories and Catalyst's groundbreaking research, McCollum shows how inviting men into the inclusion conversation as gender partners—not just sponsors or allies—creates workplaces where everyone thrives. Drawing on interviews with mena nd women at leading companies around the globe, she proves that when men and women operate as mutually accountable partners, fairness expands, innovation flourishes, and belonging becomes the norm, not the exception.

This book is a wake-up call and a roadmap for leaders ready to move beyond performative inclusion and toward real, lasting change. Because when we free men from the "man box," we help men lead with authenticity, connection, and purpose—and we also help women rise.

Men at Work is for anyone who believes that inclusion should feel like a win, not a sacrifice.

Motherf*cked

How to Stop Your Mother's Toxic Drama from Ruining Your Life

Ashley Oerman

BOOK DESCRIPTION

For anyone whose mother is the reason they're in therapy, this primer on problematic moms offers a super relatable modern approach to dealing and healing.

For some, moms are their bestie, their bedrock, and their first call when things go wrong (or right). Meanwhile, the rest of us send our moms to voicemail more often than not and maybe even dread Mother's Day weekend.

Whether your mom is absent, too present, or sometimes just tough to be around, *Motherf*cked* empowers you to move safely through the maternal minefield. Drawing on interviews with licensed mental health experts and her own perfect attendance in therapy, mental health and wellness journalist Ashley Oerman digs into the repercussions of these painful dynamics. She offers tried-and-true tips for coming to terms with—and taking control of—your relationship with your mom.

In *Motherf*cked* you'll find expert-backed tips and tools to…

·Understand why and how your relationship with your mom impacts your mental health, attachment style, and adult relationships
·Spot signs of dysfunction, like generational trauma, narcissism, and emotional immaturity
·Productively process feelings through light-hearted, helpful tools like *"Choose Your Own Sadventure"*
·Set healthy boundaries (the book's "Boundary Concierge" can help!) and decide if going low- or no-contact is right for you
·Prepare for the drama that comes with breaking unhealthy patterns or ending a problematic relationship with your mom

Validating and darkly funny, *Motherf*cked* creates space to sort through the mess, drama, and trauma of your maternal history, so you can *finally* find some motherf*cking peace.

·**Michael Klaper, MD,** is a clinician and advocate for whole food, plant-based health.
·He has contributed to two PBS TV programs, *Food for Thought*, and the award-winning *Diet for a New America.*

BOOK DESCRIPTION

A healthy, plant-based diet is proven to help reverse chronic illnesses like heart disease, type 2 diabetes, and hypertension—but why is it so hard to get your doctor on board?

As a young family physician, Dr. Michael Klaper dreaded seeing patients with cardiovascular disease and other chronic ailments, knowing that all he could offer was medication to slow down the inevitable worsening of their symptoms. Like many modern doctors, he had an unintended blindspot over the nutrition factor: Food is woven through every part of health, and common problems like high blood pressure, clogged arteries, and obesity can be reversed through an optimal plant-based diet.

After adopting a comprehensive approach to his practice, he's calling on other medical professionals to do the same—and empowering individuals to make the best choices for their own health. Combining Dr. Klaper's in-depth research and firsthand experience, *Moving Medicine Forward* explains:

·How nutritional guidance has helped his own patients cease taking medications for common "lifetime" conditions
·What the latest science tells us about the devastating impact that eating animal products has on the human body
·Why well-meaning physicians are pushed to prioritize pharmaceutical treatments over more effective, long-term solutions for healing
·Strategies for preventing (and in some cases, reversing) common conditions including cardiovascular disease, liver disease, Alzheimer's, ALS, and more
·How to create a doctor-patient relationship that prioritizes clear communication, evidence-based medicine, and patient autonomy

For both patients seeking a straightforward, nutrition-based path to health and doctors who want to do their best by their patients, this book remedies the gap in knowledge between diet and metabolic disease, while empowering readers with the tools they need to heal and live well. The health care "status quo" is failing all of us. It's time to move medicine forward.

AUTHOR BIO

Michael Klaper, MD, is a graduate of the University of Illinois College of Medicine in Chicago. He has practiced acute care medicine in Hawaii, Canada, California, Florida, and New Zealand and for the past 35 years, has been focusing upon health-promoting food and lifestyle choices to help reverse disease and prevent the need for hospitalization and surgery.

Dr. Klaper is board-certified by the American College of Lifestyle Medicine and has served as nutrition advisor to NASA's programs for space colonists on the Moon and Mars. He recently joined the staff of Aroga Lifestyle Medicine Clinic in Victoria, BC, and continues his work with the nonprofit Moving Medicine Forward initiative (MovingMedForward.org), which teaches medical students about reversing chronic disease utilizing plant-predominant nutrition.

Glen Merzer is a playwright, screenwriter, film director, podcast host, and author. He has authored or co-authored more than a dozen books advocating a diet of whole plant foods. Glen's latest books are *Food Is Climate: A Response to Al Gore, Bill Gates, Paul Hawken, and the Conventional Narrative on Climate Change*; *Own Your Health;* and *America Goes Vegan!* Glen has started a podcast cleverly named The Glen Merzer Show, which can be found on YouTube and other podcast platforms. He recently directed his first feature film, Buddhist Blues. You can find Glen at GlenMerzer.com.

Shine, Revised Edition

How Driven People Can Live a Life of Exceptional Success and Profound Purpose

Gino Wickman

BOOK DESCRIPTION

It is possible to be driven and have inner peace.

With 10 simple disciplines, this guide will help you make a bigger impact while increasing your freedom and creativity.

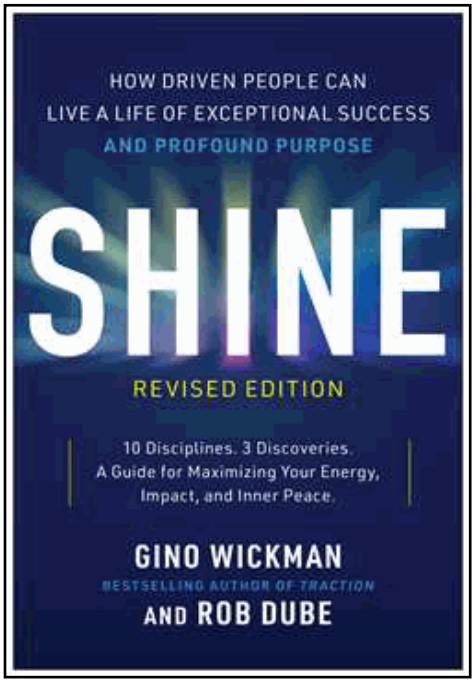

Driven people often have a burning need to succeed. But that same relentless brilliance that propels you can take a toll on your teams, personal relationships, and even your health.

Gino Wickman, bestselling author of *Traction*, teams up with mindfulness expert Rob Dube to help you strike a crucial balance between those inner and outer worlds while taking your success to new heights.

In *Shine*, they share 10 disciplines to help you stay sharp and energetic without burning out. You'll learn to:

·Set boundaries in your work life (without compromising productivity) that allow you to become more impactful
·Reset your energy in practical, sustainable ways and recognize burnout and stress before they happen
·Tap into a flow state to harness unbridled creativity, think clearly, and move through your career and life with ease
With a self-assessment survey, a rich resource guide, and prompts for reflection at the end of every chapter, *Shine* is a ground-breaking approach to work–life balance and peace of mind.

Crafting a Knockoff

Gasper's Cove Mysteries Book 7

Barbara Emodi

BOOK DESCRIPTION

A cozy town, a crafty killer, and a murder caught on tape.

Valerie Rankin, manager of the Gasper's Cove Crafter's Co-op, is ready for a successful Spring Craft Show, until the lights go out, she falls down the stairs, and a pushy entrepreneur won't leave her alone. Murray Nunn claims he's there to help local businesses grow, but when Valerie rejects his export scheme, he drops dead at her feet, on camera. With suspects ranging from local artisans to international opportunists, and her boyfriend's nephew in the mix, Valerie must unravel secrets, schemes, and strained romances to uncover the truth.

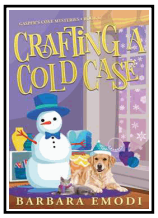

·The seventh book in this cozy mystery series is set in the tight-knit fictional community of Gasper's Cove, Nova Scotia, where a tangled investigation into export schemes, local secrets, and a possible murder threatens her budding romance and tests the bonds of her crafty circle

·Mystery lovers and crafters alike will adore immersing themselves in this warm, quirky mystery featuring empty-nester Valerie Rankin and her quest to solve a murder mystery

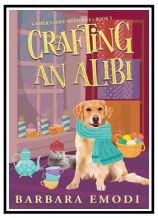

·A perfect gift for anyone who loves crafting, sewing, or simply a great read

In this seminal book, award-winning filmmaker, civil rights attorney, and television personality, Brooke Goldstein, offers a groundbreaking and pragmatic strategy for ending Jew-hatred globally. What Saul Alinsky's *Rules for Radicals* was for progressives, *End Jew Hatred* is for the Jewish community and its allies.

Thousands of books have documented the victimization of Jews over the centuries. This is not one of those books. This book is about ending the world's oldest hatred against the world's most persecuted community.

End Jew Hatred shows how we can affect real and lasting change by championing the Jewish cause as a minority rights issue. By harnessing the power of grassroots mobilization, direct action, and legal activism, Goldstein provides a historically unprecedented handbook on how the Jewish community can move from defensive to offensive advocacy, and effect real lasting change.

Through her experience as a civil rights attorney at The Lawfare Project, a filmmaker, and as the founder of the End Jew Hatred movement, author Brooke Goldstein offers an unparalleled deep dive into the civil rights cases she has fought to illustrate how impact litigation paired with social rights activism can be used to combat anti-Jewish discrimination and set a new precedent of Jewish empowerment.

Furthermore, Goldstein conducts a comprehensive study of social justice movements like the civil rights movement of the 1950s and 60s, the Black Lives Matter movement, the New Women's Movement, End Asian Hate movement, and the LGBTQIA+ movement, and argues that adopting their tactics, language, and organization can enact lasting meaningful change for Jews everywhere. She challenges the top-down approach traditionally used by Jewish communal leadership, arguing for adaptation with the times, and demonstrates how a bottom-up, decentralized strategy aimed at recruiting and rising up local activists is the future of Jewish advocacy.

We are living in an unprecedented age of progress in the fight for minority rights—a historic crossroads. End Jew Hatred underscores the need for a seismic shift in strategy away from pro-Israel advocacy and towards awakening a Jewish civil rights movement.

This is a book about securing the fundamental human right of Jewish people to live as equals, everywhere, regardless of conflicts happening in the Middle East. It is a clarion call for upending the status quo and disrupting the cycle of hatred; for drawing a new blueprint and tossing out existing structures; for

unity; for diverting the nature of human hate and changing the course of history for the better.

While activists in the #MeToo and Black Lives Matter movements have made great strides, there has never been a unified and coordinated Jewish civil rights coalition in the West. The plight of the Jewish community must not be overlooked. In this moment in history, the world is uniquely positioned to finally extinguish the flames of antisemitism so Jews can claim their right to life and be treated equally and fairly around the world.

Make no mistake: Ending Jew hatred is the civil rights issue of our lifetime.

AUTHOR BIO

Brooke Goldstein is the founder of the End Jew Hatred movement. She is a civil rights attorney, author, award-winning filmmaker, and the founder and Executive Director of The Lawfare Project, a nonprofit advocacy organization with offices in the USA, Canada, Europe, and the Middle East. The Lawfare Project serves as a legal think tank and litigation fund to uphold the civil and human rights of the Jewish people and pro-Israel community worldwide. In 2006, Goldstein produced and directed the award-winning film *The Making of a Martyr*. She is a regular guest on television news media and has had numerous published editorials. In 2019, she was inducted into the MJHI Manhattan Jewish Hall of Fame. She is also the recipient of several awards for her public interest advocacy work, including the 2023 WIZO Charlotte and Sami Rohr Shomrei Israel Award, which pays tribute to those who have acted as guardians and protectors of the State of Israel and its people. Brooke's first book *Lawfare: The War Against Free Speech* serves as a first amendment guide to reporting in an age of Islamist lawfare.
