Homebound

A Novel

Portia Elan

BOOK DESCRIPTION

Five interlocking lives. One beloved story. A dazzling adventure across centuries and continents in search of the things that hold us together.

“A joy—at once a gripping mystery that confidently spans centuries, and a hauntingly beautiful exploration of what makes us human...It kept me up all night!” —Madeline Miller, #1 *New York Times* bestselling author of *Circe* and *Song of Achilles*

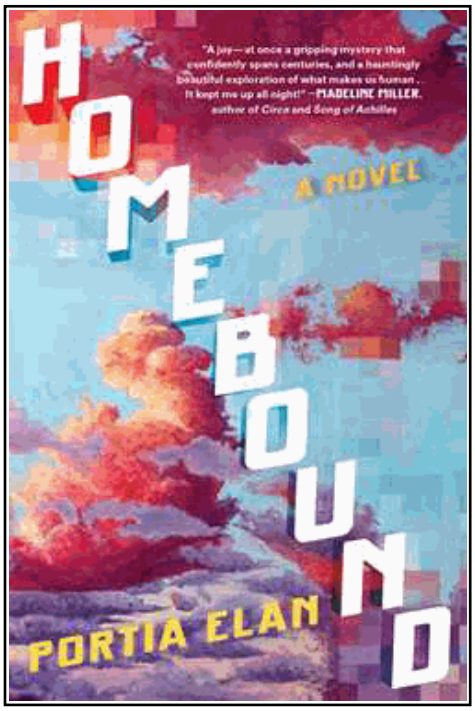

It’s 1983 and Becks can’t wait to get the hell out of Cincinnati. She’s nineteen, blasting her Walkman, and hiding from the fact that her beloved uncle, the only person who understood her, is dead. But she has work to do: he left her a half-finished game to complete—one last collaboration to find her way out of loneliness.

Little does she know, what Becks is making will echo far into the future and shape the lives of a scientist, a sentient automaton, and a flinty sea captain in ways she cannot imagine. All are bound together by their search for connection—and by a futuristic traveler on a mysterious mission through space.

A novel about our deep interconnectedness, *Homebound* is a clear-eyed, hopeful adventure into humanity’s future and capacity for love.

AUTHOR BIO

Portia Elan studied history at Stanford University and earned an MFA from the University of Victoria, British Columbia, before returning to California, where she has worked as a teacher and public librarian. A former Lambda Literary Fellow, she lives in the San Francisco Bay Area with her wife and an abundance of cats. *Homebound* is her first novel.

Fever Dream

A Novel

Elsie Silver

BOOK DESCRIPTION

From #1 *New York Times* bestselling author Elsie Silver comes a small-town, forbidden, rivals-to-lovers romance, the first book in the brand-new Western romance series Emerald Lake.

Professional bull rider Emmett Bush is not looking for love. He's looking for a paycheck to save his family's farm from bankruptcy. So, when he agrees to be the leading man on a hot new reality dating show, *Romance Ranch*, he's already decided it's all one big performance.

Until Julia Silva walks onto his property. Smart, snarky, beautiful, and off-limits in more ways than one. As the location consultant on set and the little sister of his most bitter professional rival, she's the last woman who should pique his interest.

Julia has been warned about Emmett. She knows better than to fall for his cocky swagger, broad shoulders, and smoldering good looks. Plus, she's sworn off relationships.

But as Julia and Emmett work together, mutual distaste grows into an unexpected connection and then… something more.

Soon, they find themselves searching for excuses to spend time together and out of reach of the cameras. Knowing glances. Stolen kisses. Secret rendezvous.

Still, Emmett signed up to play the role of an eligible bachelor searching for *the one*. His family's land and legacy depend on him completing the show.

The problem is, he's already fallen in love.

Just not with a contestant.

AUTHOR BIO

Elsie Silver is a #1 *New York Times* bestselling author of sassy, steamy, small town romance. She's a born and raised Canadian girl who loves a good book boyfriend and the strong heroines who bring them to their knees. Her books promise banter, tension, and a slow burn that comes to a screeching halt.

Nymph

A Novel

Sofia Montrone

BOOK DESCRIPTION

***Call Me By Your Name* meets Elena Ferrante in this debut coming-of-age novel about a young girl who spends summers working at her family's timeworn Italian agriturismo, the tragedy that rends her life into "before" and "after," and her romance with an American girl, which has unexpected consequences**

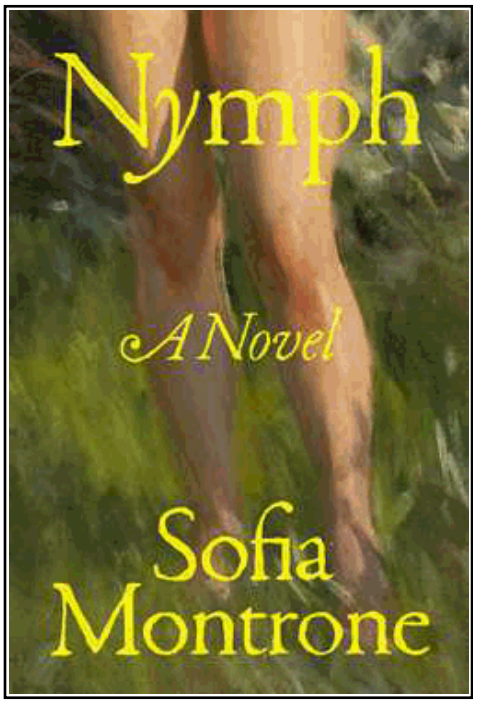

To ten-year-old Leo, life is a collection. She spends her mornings tidying the rooms of her Nonna Tina's timeworn Italian agriturismo, carefully accumulating the curious bits of left-behind detritus from guests—a pearl earring, a lock of hair. Her nights are suffused with gathering the stories that flow from her father's lips—liquor-spun tales of Odysseus and the Trojans in secret battle. But when an accident rips the gentle membrane of Leo's childhood, she is left vulnerable to the pains and pleasures of growing up.

Years later, in a sultry summer not unlike the many that came before, the agriturismo is the only thing that remains the same. Nonna Tina has grown older, Leo's brother Max is intractable and mercurial, and the curiosity Leo so loved to feed as a child has turned into something more confusing. When she meets Dolores, an American girl made brilliant by Leo's perception of her, she can't help but gather all the experiences first love promises, while shedding parts of the past she no longer fits into.

Embroidering the atmospheric yearning of *Call Me By Your Name* with the precise, elevated prose of Elena Ferrante, Sofia Montrone's jaw-dropping debut revels in the exuberant highs and awkward lows of girlhood and captures the universal experiences of trying to hold on to what is elusive, to deny what cannot be faced, and to say what cannot be said.

AUTHOR BIO

Sofia Montrone is as an adjunct assistant professor in Columbia's undergraduate writing program, and formerly served as editor-in-chief of *The Columbia Review* and the director of Columbia Artist/Teachers. Her short fiction and criticism have appeared in *The Columbia Review*, *Quarto*, and *Adroit*. She holds an MFA from Columbia University. *Nymph* is her first novel.

Dangerland!

A Novel

Erin Singer

BOOK DESCRIPTION

“I couldn’t put this book down. It’s so funny and vivid—and completely engaging.” —Rainbow Rowell, #1 *New York Times* bestselling author of *Cherry Baby*

A screwball romantic comedy and big-hearted family drama set in Las Vegas, about a will-they, won’t-they couple who have spent years trying (and failing) to figure out whether to roll the dice on love—it’s *When Harry Met Sally* meets *The Hangover*.

At the annual Fourth of July barbecue in Alluvian—a once-luxurious gated community in the dusty suburbs of Las Vegas—Kurt Richter has decided he’s in love with Eugenie Zepp.

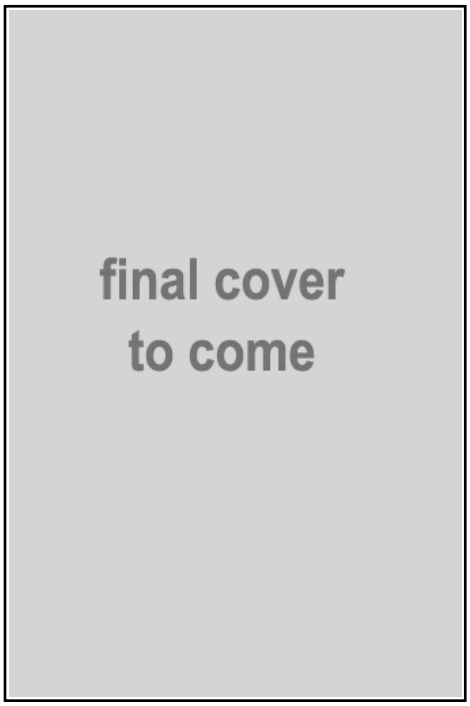

Well, he’s been in love with her since he was eight years old. But now he’s in his fifties, divorced twice, with four kids. The entire neighborhood is suing him, and he’s been estranged from Eugenie for a decade. It’s the perfect time to declare his love.

Eugenie and Kurt were two kids raised in Vegas, always loyal to Vegas, with all its glamor and seediness, its slot machines in pharmacies and desert heat and off-the-strip tiki bars. As they built families and careers and homes, as they lived real life in a place filled with transient visitors and quicksilver hopes and dreams, they’ve made a wreckage of their own lives and the lives of their families while trying to figure out who and what they are to each other.

This summer, Kurt’s adult daughter Brianna comes back to town, determined to uncover the secrets in her family and seek revenge on those who she believes have wronged her. Eugenie’s adult son Austin is back, too, trying to become a professional poker player and heal himself after a bad break-up. Bodybuilder Chad collides with the Richter family’s long-suffering, beloved nanny Nellie who has decided she’s finally quitting.

Will this be the right time for Eugenie and Kurt, after everything they’ve been through? In this deliciously, darkly funny, romantic comedy, everyone is looking for love in all the wrong places and gambling on the biggest games in life—but in Dangerland, there’s always one more chance to win.

The Truth About Ruby Cooper

Liz Nugent

BOOK DESCRIPTION

“I couldn’t stop reading! Absolutely a triumph!” —Freida McFadden

From the internationally bestselling author of *Strange Sally Diamond* comes a twisted and brilliantly observed new novel about two sisters and the lies that shape their lives.

If my sister hadn’t been beautiful, none of it would have happened.

Ruby Cooper and her sister, Erin, live an idyllic life in their close-knit church community in Boston. But when Ruby is sixteen, she is involved in an incident that causes her family’s world to implode.

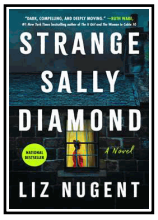

Across decades, the fallout leaves a wake of destruction behind Ruby in Dublin and Erin in Boston.

Not that Ruby wants to think about the past.

But it can’t stay a secret forever.

AUTHOR BIO

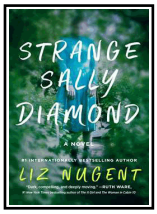

Before becoming a full-time writer, Liz Nugent worked in film, theatre, and television. Her five novels—*Unravelling Oliver*, *Lying in Wait*, *Skin Deep*, *Our Little Cruelties*, and *Strange Sally Diamond*—have each been Number One bestsellers and she has won five Irish Book Awards, as well as the James Joyce Medal for Literature. She lives in Dublin. Visit her at LizNugent.com or follow her on X at @LizzieNugent.

Wildwood

A Novel

Elinor Florence

BOOK DESCRIPTION

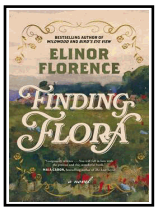

A single mother, an abandoned farmhouse, and an epic battle with the northern wilderness. Rediscover the Canadian classic by the #1 bestselling author of *Finding Flora*.

Broke and desperate, Molly Bannister accepts the ironclad condition laid down in her great-aunt's will: to receive her inheritance, Molly must spend one year in an abandoned, off-the-grid farmhouse in the remote backwoods of northern Alberta. If she does, she will be able to sell the farm and fund her four-year-old daughter's badly needed medical treatment.

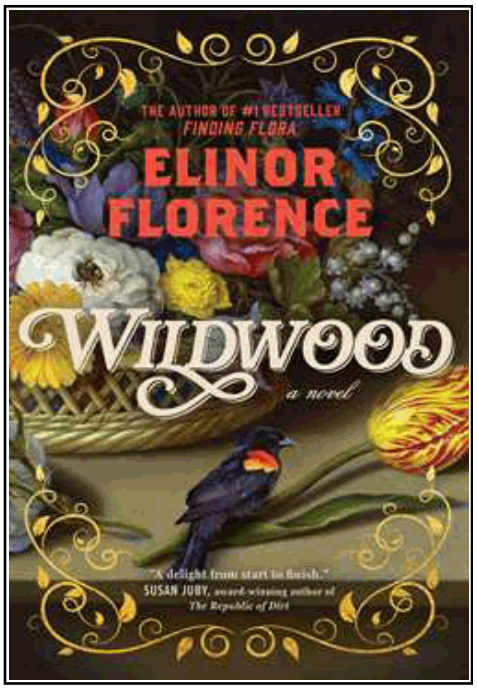

With grim determination, Molly teaches herself basic homesteading skills. But her greatest perils come from the brutal wilderness itself, from blizzards to grizzly bears. Will she and her child survive the savage winter? Will she outsmart the idealist young farmer who would thwart her plan to sell the farm? Not only their financial future, but their very lives are at stake. Only the journal written by Molly's courageous great-aunt, the land's original homesteader, inspires her to struggle on.

AUTHOR BIO

Elinor Florence grew up on a Saskatchewan farm and earned degrees in English and journalism. She worked for newspapers in all four Western provinces, spent eight years writing for Reader's Digest Canada, and even published her own award-winning community newspaper. Her first novel, *Bird's Eye View*, was a national bestseller, while the second, *Wildwood*, was named one of Kobo's Hundred Most Popular Canadian Books of All Time. *Finding Flora*, an instant #1 national bestseller and a Heather's Pick, was inspired by her own Scottish homesteading and Indigenous ancestors. She is a member of the Métis Nation of British Columbia and makes her home in the mountain resort of Invermere.

Things to Do When It's Raining

A Novel

Marissa Stapley

BOOK DESCRIPTION

From *New York Times* bestselling author Marissa Stapley comes a sweeping family drama anchored by an enduring love story. Set in a small Canadian river town where long-held secrets linger, it's perfect for fans of Carley Fortune and *These Summer Storms.*

When the past resurfaces, can love survive the truth?

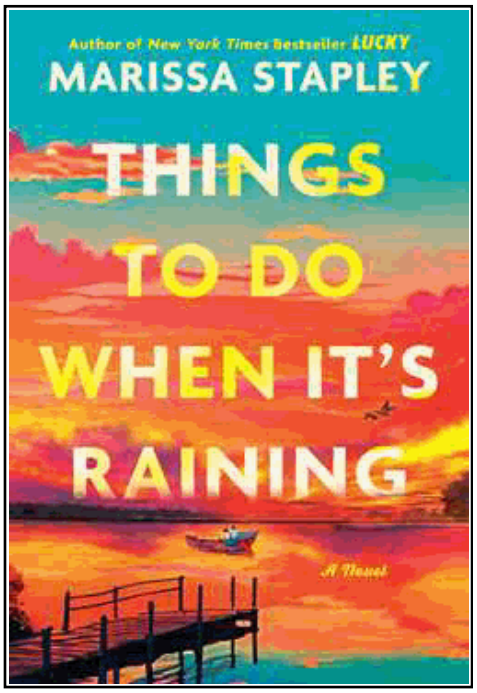

Mae Summers and Gabe Broadbent grew up together at Summers' Inn, perched on the edge of the St. Lawrence River. Orphaned at six, Mae was raised by her grandparents, Lilly and George, alongside Gabe, who needed refuge from his alcoholic father. What began as childhood companionship deepened into first love — until Gabe's sudden departure fractured their shared world.

More than a decade later, Mae is pulled back to Gananoque after her carefully constructed life in Toronto collapses. She returns expecting comfort but instead finds her grandparents faltering and long-suppressed family secrets beginning to emerge. As Mae confronts the tangled legacy of love, betrayal, and sacrifice that has shaped her family, the reappearance of Gabe forces her to face a past that was never as simple as she believed, and a history she has never been able to leave behind.

This multi-generational story of loss and inheritance explores the ways family binds and shapes us, the enduring pull of home, and the cost — and necessity — of being brave enough to reckon with the past.

AUTHOR BIO

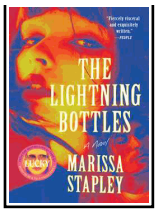

Marissa Stapley is the bestselling author of the novels *Lucky*, soon to be an Apple limited series starring Anya Taylor-Joy; *Mating for Life*; *Things to Do When It's Raining*; and *The Last Resort*. Nourishing Menopause

Powerful Nutrition and Lifestyle Strategies to Feel Your Best

Andrea Donsky

BOOK DESCRIPTION

From beloved nutritionist and TikTok sensation Andrea Donsky comes a fresh and relatable take on all the stages of perimenopause and menopause, offering practical and research-based nutrition and lifestyle tips for those experiencing these stages in life.

Champion your nutrition and lifestyle during your most powerful years with expert, research-backed tips from a trusted voice.

The conversation about menopause is everywhere, but the information is often overwhelming, and it can be difficult to know how to best support your own health, particularly in the areas of nutrition and lifestyle. What does healthy eating look like at this stage of life? What choices can you make to improve your mental health? And what about sleep?

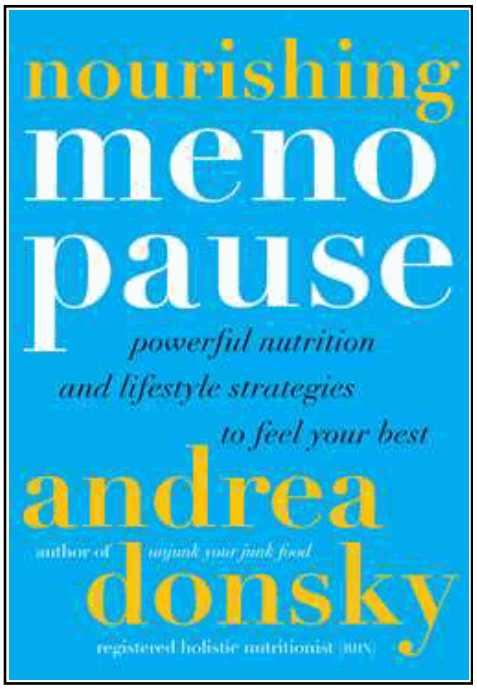

In this book, Andrea Donsky, a Registered Holistic Nutritionist, brings her more than twenty years of experience to the topic of perimenopause and menopause, teaching you how to take charge of your own wellbeing with simple, straightforward changes to your lifestyle. In this book, she covers:

·All the menopause symptoms you may already know about—and many you may not!
·Optimal nutrition choices in perimenopause and menopause to support your changing body.
·Key vitamins and minerals that supplement a healthy, balanced diet.
·Tips for optimizing sleep, exercise, mindset, and stress management.
·Easy recipes and meal plans that support a healthy life—and so much more!

Fresh, relatable, and from the voice of an active and trusted advocate in this space, *Nourishing Menopause* is the go-to book for women who are approaching perimenopause, those in perimenopause, and menopause itself—and all the years beyond.

This is a guidebook for the rest of your life.

Nation of Strangers

Rebuilding Home in the 21st Century

Ece Temelkuran

BOOK DESCRIPTION

From the internationally acclaimed Turkish author of *How To Lose a Country: The 7 Steps from Democracy to Fascism*: A personal exploration of exile and a galvanizing new vision of home.

Dear stranger. Are you home? Do you feel at home? For how much longer?

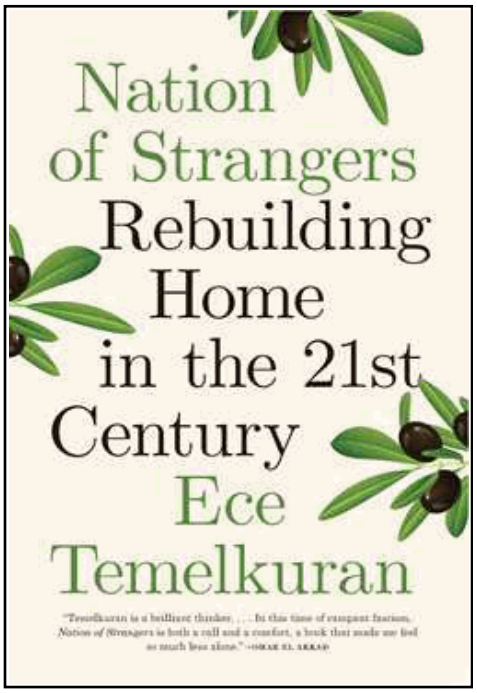

Across the world the number of refugees and exiles, the dispossessed and displaced, the politically homeless and the economically excluded is growing. In the decade since she left her own home, Ece Temelkuran has been a political Cassandra, warning those convinced it couldn't happen in their country that fascism is coming.

Now, as oppression spreads and temperatures rise—as we face competing crises and learn, again and again, that no institution is so concrete it can't turn to dust, and no home is too strong to be destroyed—she has written *Nation of Strangers*: a series of letters from one stranger to another.

Politically attuned and deeply personal, this extraordinary, heartening correspondence is a gift to treasure in uncertain times. As poetic as it is precise, it is a book for anyone who feels alienated by an ever-more monstrous world. It shows how, as we all become strangers, our home will depend on the strength we find with one another.

AUTHOR BIO

Ece Temelkuran is an award-winning Turkish writer, political thinker, and public speaker whose work has been published worldwide. Her novels, *Women Who Blow on Knots* and *The Time of Mute Swans*, have been published in several languages and adapted to the stage. Temelkuran's two political essays, *Deep Mountain: Across the Armenian–Turkish Divide* and *Turkey: The Insane and Melancholy*, explore the connection between the personal and political. After she left her country in 2016, Temelkuran began writing in English. Her first book in this language, *How to Lose a Country*, received international praise. Her second, *Together*, offers "a way out from the political and moral insanity" that is ushered by the global rise of fascism. Ece Temelkuran has lived in Beirut, Tunis, Oxford, Paris, and Zagreb. She is currently based in Berlin and is on the advisory board of Progressive International and DemocracyNext.

The First Lady Next Door

A Canadian's Memoir of Iceland, Identity, and Unexpected Adventure

Eliza Reid

BOOK DESCRIPTION

An inspiring memoir by the Canadian-born former First Lady of Iceland that asks the question: What if the life you didn't plan is the one where you find your voice?

In early 2016, Canadian-born Eliza Reid's biggest daily goals were modest but meaningful: showering without one of her four kids bursting into the bathroom, juggling clients without dropping a deadline, and growing the writers' retreat she was building from scratch. What wasn't on her bingo card? That her husband—a bookish, cardigan-wearing history professor—would run for president of Iceland. . . and seven weeks later, actually win.

Suddenly, Eliza was catapulted into a new life as First Lady of her adopted country, with the eyes of a nation watching her every move—as someone's wife. Absent an instruction manual (she googled how to curtsy before meeting the Queen of Denmark), she decided to do what she'd always done: figure it out on her own terms.

Part fish out of water and part fairy tale, *The First Lady Next Door* takes you from rural Ontario to Timbuktu, to the White House and Buckingham Palace. Eliza shows how embracing authenticity in all its messiness can become your greatest strength, even when the world expects polished perfection. After all, our everyday moments are what create the roadmap for making the unexpected count.

AUTHOR BIO

Eliza Reid is a bestselling writer, public speaker, gender equality advocate, and cofounder of the acclaimed Iceland Writers Retreat. She was born and raised in Canada but has lived in Iceland for over twenty years. Her first book, *Secrets of the Sprakkar: Iceland's Extraordinary Women and How They Are Changing the World*, was an instant bestseller in Canada and Iceland, and a *New York Times Book Review* Editors' Choice. Her debut mystery, *Death on the Island*, was an instant national bestseller in Canada, Iceland, and the United States, is the first of a series, and has been optioned for television. From 2016 to 2024, Eliza served in the unofficial role of First Lady while her husband was President of Iceland. She lives in the outskirts of Reykjavík with her husband and four children.

Cut to Black

A Legendary Life in Sports (and Maybe a Few Beers)

Rod Black with Jim Lang

BOOK DESCRIPTION

Rod Black shares all the stories, all the fun, and all the inside scoops in this revelatory book about his forty years in Canadian sports broadcasting.

Foreword by Joe Carter

For more than four decades, Rod Black has been one of Canada's most versatile sportscasters. He has either hosted or called play-by-play for practically every sport there is. Rod broadcasted some pivotal Blue Jays games in 1992 and 1993, when the team won the World Series. He was on the ice with Nancy Kerrigan and Tonya Harding. He lived with a Toronto Maple Leaf and partied with the teammates until legendary Leafs coach Pat Burns told him to cut it out. He was around for Ben Johnson's fabled win and disastrous fall from grace. He was live on air during 9/11. He captures all of these stories and a lot more in the pages of this book, showing how the business of broadcasting could truly be a blast and also cutthroat.

After years at CTV, Rod Black moved to TSN, where he evolved into broadcasting game-a-day Black. It wasn't unusual for Black to call five different sporting events in a single week, sometimes more than one a day. Rod Black has two families: his own, and his work family. Black's work family is a result of his years on the road calling every sport imaginable. He was even a DJ at a roller-skating rink in Winnipeg, a rather inauspicious start to a stellar broadcasting career.

Cut to Black is funny, engaging, warm, and revelatory—the perfect gift for anyone who wonders how sports broadcasts are made (sometimes by the seat of the broadcaster's pants).

Rod Black reported sports stories for CTV and TSN for four decades. A devoted family man, Rod has spent countless hours giving back to numerous charities around the world, including the Special Olympics, the Giants of Africa, Canadian Men's Health Foundation, Children's Aid Foundation, SickKids, and Plan International Canada. Rod Black is a sportscaster, host, emcee, and a philanthropist. Black was awarded the Queen Elizabeth II Diamond Jubilee Medal for his volunteer work. He lives outside Toronto with his wife, Nancy. Follow him on Instagram @RodBlackTV.

Jim Lang is a sportscaster, journalist, and the coauthor of hockey memoirs by Tie Domi, Max Domi, Wendel Clark, and Bryan Berard, as well as *Everyday Hockey Heroes* Volumes I and II with Bob McKenzie, *Everyday Hockey Heroes III* and *My Day with the Cup*. He lives outside Toronto with his wife and kids. Follow him on Instagram @LangersWorld.

Every Field a Battlefield

Firsthand Accounts of Women in Ukraine

Janice Dickson

BOOK DESCRIPTION

***Globe and Mail* journalist Janice Dickson tells the story of Russia's ongoing war in Ukraine through the experiences of women—soldiers, nuclear workers, and others—across the country.**

On February 24, 2022, Ukrainians were jolted awake by the sound of explosions. Russia had launched a full-scale invasion of their country, sending missiles crashing into homes and soldiers pouring across the border. But as the world watched in horror, Ukrainians remained defiant.

Over the course of half a dozen reporting trips to Ukraine, *Globe and Mail* journalist Janice Dickson met women who took up combat positions, those who worked to disrupt Russian advances while living under occupation and women who continued to fight despite enduring heartbreaking loss.

Dickson travelled extensively throughout the country and spoke with dozens of women, meeting combat medics near the front line in Kharkiv, teachers in an underground school in Zaporizhzhia, and a woman demining a village outside of Kyiv. She met others in their homes, cafes, or the place she rented in Kyiv. Many spoke for hours, casting their mind back to recount battles or the early days of the full-scale invasion.

Told in sequence, readers are taken on an emotional journey, with stories that span more than three years of war and come together to form a gripping account of bravery and humanity.

AUTHOR BIO

Janice Dickson covers international affairs for *The Globe and Mail* and has reported from more than a dozen countries, covering the biggest stories in the world. Recently, Janice's work has brought her to Israel, Ukraine, and across the United States. Before joining *The Globe*'s foreign desk in 2023, Janice spent nearly five years in *The Globe*'s Ottawa bureau, covering politics. In 2022, Janice joined a small team of reporters covering Russia's invasion of Ukraine and she's made half a dozen reporting trips to the country since then.

The Liar's Playbook

A Memoir of Family and Crime

Leslie Bradford-Scott

BOOK DESCRIPTION

The remarkable, true story of an unusual childhood, complete with gangsters, guns, diamonds, drug smuggling, and fraud—just like any other little girl's life.

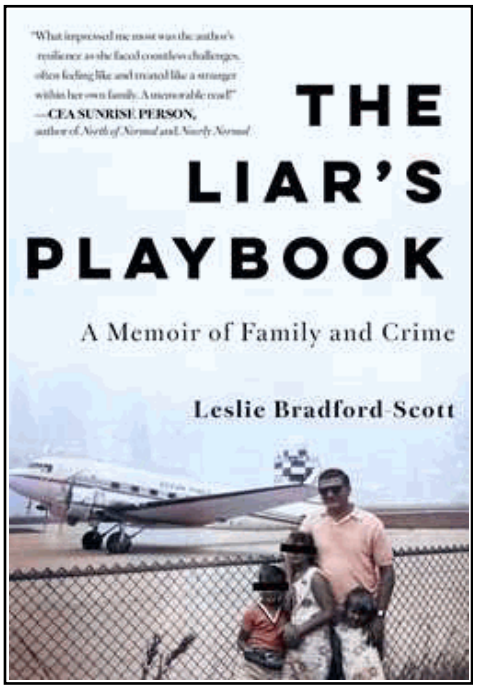

At twelve years old, Leslie Bradford-Scott watched police cars swarm her family's suburban home in Ontario. Hours later, she, her mom, and her grandmother were fleeing across the border into Florida with no explanation and no questions allowed. In an instant, her idyllic childhood turned into a maelstrom of grift, guns, and tragedy.

Decades later, Leslie's mother handed her a blue binder—her father's secret prison manuscript dubbed the Liar's Playbook. Inside was a confession to trafficking goods, running arms, and playing both sides between international intelligence and the mafia. For most of her life, Leslie believed her father was a drug dealer with delusions of grandeur. Instead, she discovered a shadow world of espionage, organized crime, and explosive family secrets, including her father's claim that he smuggled jewels to fund CIA-backed operations for the Contras. Her investigation leads to Hamilton's violent "Bomb City" era, where mobsters like the Musitanos settled scores with dynamite, and some of the blood trails lead straight to her family.

Part true-crime thriller, part intimate memoir, *The Liar's Playbook* tracks a daughter's search for truth through unreliable memories, corrupt intelligence agents, and the long echo of her father's double life. As she pieces together what really happened, Leslie must ask the one question that still haunts her: Can you forgive someone whose actions nearly destroyed you?

AUTHOR BIO

Leslie Bradford-Scott is an award-winning writer, entrepreneur, and podcaster, and the founder of WaltonWoodFarm.com. She grew up in Grimsby, Ontario, and Florida.

Daughters of the Sun and Moon

A Novel

Lisa See

BOOK DESCRIPTION

Beloved *New York Times* bestselling author Lisa See draws on the vibrancy and turmoil of post-Civil War Los Angeles to tell the story of three Chinese women who managed to survive and, eventually, thrive, despite all odds.

In 1870, three Chinese women arrive in the small, dusty, and violent pueblo of Los Angeles. Dove, the bound-footed daughter of an imperial scholar, is entrancing and innocent. These characteristics should bring her great rewards, beginning with her arranged marriage to a much older merchant. Petal, the big-footed daughter of peasants, has grown up hungry and with dirt between her toes. In a moment of desperation, Petal's father sells her to buy money for rice seed, and she is loaded onto a ship to the Gold Mountain—America—where she is once again sold. Moon is married to a doctor of traditional Chinese medicine. She is educated, speaks fluent English, and has been endowed with a face of great beauty, yet her failed footbinding as a child has left her with a limp that lessens her value in the eyes of many.

Each woman has her own desires. Dove wants to love and be loved, Petal desires freedom, and Moon seeks justice. Together they face a larger society that wishes them not one ounce of good will. Anti-Chinese sentiment is strong in Los Angeles, and this eventually leads to the Night of Horrors during which all three women are challenged in ways they could not have imagined. Brought together by hardship and heartbreak, they must use their bravery, endurance, and ability to "eat bitterness" to discover their voices, find freedom, and connect through solace and friendship. Together they are daughters of the sun and moon.

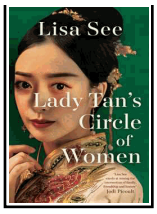

AUTHOR BIO

Lisa See is the *New York Times* bestselling author of *Lady Tan's Circle of Women*, *The Island of Sea Women*, *The Tea Girl of Hummingbird Lane*, *Snow Flower and the Secret Fan*, *Peony in Love*, *Shanghai Girls*, *China Dolls*, and *Dreams of Joy*, which debuted at #1. She is also the author of *On Gold Mountain*, which tells the story of her Chinese American family's settlement in Los Angeles. See was the recipient of the Golden Spike Award from the Chinese Historical Association of Southern California and the Historymaker's Award from the Chinese American Museum. She was also named National Woman of the Year by the Organization of Chinese American Women.

Helpless

A Novel

Jessica Knoll

BOOK DESCRIPTION

From the *New York Times* bestselling author of *Luckiest Girl Alive* and *Bright Young Women* comes a smoldering psychological thriller with a singular, mind-bending ending.

It's been twelve years since Faye Heron broke Henry Spalding's heart. Henry was her college boyfriend, her first intense love, but Faye was in danger of being subsumed by him.

Now, Faye is one half of a power-producing duo with her Hollywood husband. Henry is a married father running the family business. Both of their lives have essentially gone to plan.

When a former and beloved college professor suddenly passes away, Faye and Henry find themselves back on campus for the funeral, circling something old and dangerous. Something, if Faye is honest with herself, she has been trying to duplicate for years. But Henry is one of a kind.

The kind who delivers a hypnotic apology for the way things ended.
The kind who suggests they go back to the hotel for a drink.
The kind who drugs and kidnaps her.

When Faye comes to Henry's remote mountain cabin, she's beside herself. Has Henry brought her here to punish her? She did, after all, write and star in a lauded episode of television based on their indelicate appetites and vicious breakup. As her week of captivity unfolds, Henry's wanton demands intensify, and a sprawling, years-old mystery begins to take shape—one that will rewrite history as Faye remembers it and reveal an astounding, cataclysmic truth.

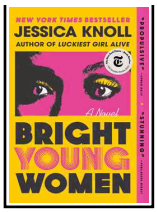

AUTHOR BIO

Jessica Knoll is the *New York Times* bestselling author of *Bright Young Women*, *The Favorite Sister*, *Helpless*, and *Luckiest Girl Alive*—now a major motion picture from Netflix starring Mila Kunis. The Witches of Cambridge

A Novel

Alice Hoffman

BOOK DESCRIPTION

The brand-new series from the bestselling author of *Practical Magic*, following two brilliant young women in 1950s Cambridge, Massachusetts, as they become immersed in a mysterious secret group of witches at Radcliffe known as the Lilith Society.

Once upon a time, women were drowned in the river and the only witnesses were the crows in the trees. The Puritans blamed Eve for the sins of the world. That was when we began to meet in the name of Lilith, Adam's first wife—banished for refusing to do as she was told.

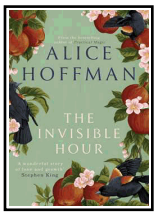

We Fly Together…

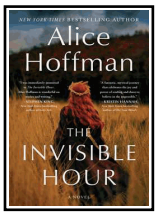

By the 1950s, Cambridge, Massachusetts feels far removed from the legendary witch trials that marked its early days as a colony. Ava, a bright young woman from a small town in Maine, arrives for her first year at Radcliffe College. There, she meets Lauren, her opposite in every way—the wild and brazen daughter of a wealthy and well-established Cambridge family. But the two have more in common than they think. Both are recruited by the Lilith Society, a secret organization of witches at Radcliffe dating back to colonial times. As they learn more about their legacy, Ava and Lauren form a close bond that is put to the test as they learn to navigate their new power, friendship, and love.

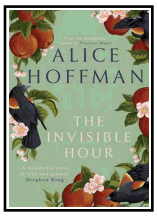

While Radcliffe seems like a safe haven, the shadow of McCarthyism looms large, an ever-present threat to the flourishing creative and intellectual life in Cambridge. And as girls from the Lilith Society begin to go missing, Ava and Lauren realize the witch trials of the past may not be as deeply buried as they once believed.

The Daffodil Days

A Novel

Helen Bain

BOOK DESCRIPTION

A stunningly inventive and poignant historical novel that follows Sylvia Plath through the final year of her life, told through the eyes of the people who knew her during her time in the English countryside.

In the early 1960s in a small English town, the church bells ring. The people go about their days, catching glimpses of one another.

There's the local doctor, who knows more about his patients than he would sometimes prefer. There's the young assistant at the dress shop, who understands that the ladies who come there for a new outfit are often hoping to find a new self. There are the men who ring the tower bells at the church three times a week, the notes, harmonious and clashing, rippling out across the rooftops of the town.

Among all these lives, one young couple moves into focus. New to the town with their small daughter, they have escaped London for a quieter existence at Court Green, the thatched house beside the church. The life they intend to build—out of secondhand furniture stenciled with hearts and flowers, expertly cooked suppers for weekend guests, and devotion to the work that matters to them both—will be a good and happy one.

The Daffodil Days depicts a pivotal year in the marriage of 20th-century literature's most infamous couple, primarily the wife: Sylvia Plath. It is a kaleidoscopic portrait of this enigmatic writer, refracted through the rich inner lives of a rural community caught, if only for a moment, in her light. Here, Sylvia is capable and charismatic, vulnerable but strong, full of spirit.

For fans of literary and historical fiction, *The Daffodil Days* offers a poignant glimpse of a life reimagined. The lasting impression is not of what breaks us but what binds us: resilience, creativity, and love.

Helen Bain received her PhD in creative writing from King's College London and has master's degrees in modern and contemporary literature and creative writing from Birkbeck, University of London. She was selected for The London Library Emerging Writers' Program 2020–21 and The Genesis Foundation Emerging Writers' Program 2022–23. In 2024, she won The People's Friend Comedy Fiction Prize. Currently at the *Financial Times*, she has worked for *British Vogue* and *The Guardian*, and she also teaches creative writing at the university level. Helen lives in Sussex. *The Daffodil Days* is her first novel.

All That is Left of Life

A Novel

Roberta Recchia; translated by Antonella Lettieri

BOOK DESCRIPTION

Three generations of the Ansaldo family grapple with the aftermath of a tragic murder in this sweeping, cinematic debut set in 1980s Rome, for fans of Elena Ferrante and Liz Moore.

It's a sultry August night when sixteen-year-old Betta Ansaldo convinces her cousin Miriam to sneak out to the local beach for a party. Only Miriam returns. Traumatized by the violence she's witnessed, she remains silent. The small community is riven with grief, none more so than the Ansaldos, who search for answers they cannot find. Who did Betta cross paths with on that fateful night? What was she doing there? And how could such a horrific crime happen in such a peaceful place?

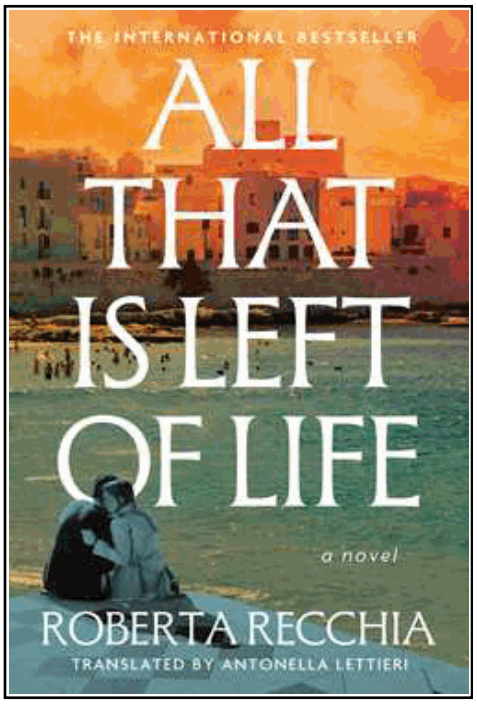

As the years pass, and Betta's murder goes unsolved, the Ansaldo family fractures under the weight of their loss. When Miriam meets Leo, a sweet-natured young man with a dark past, their romance seems to turn her life around. But when Leo starts to pull loose the threads of Betta's story, determined to find out what really happened, his search for the truth risks unraveling everything.

With more than 200,000 copies already sold in Italy, *All That Is Left of Life* is a deeply atmospheric and unputdownable family saga that explores love, loss, and the secrets we carry, from a riveting new voice in international fiction.

AUTHOR BIO

Born in Rome in 1972, Roberta Rossella Recchia lived for a time in Lille, France, where she earned a master's degree in international relations and cultures. She worked for ten years for a big company and then quit office work to devote herself to teaching. She currently teaches English in a high school in Rome. She is passionate about film and literature, especially Russian and French. She lives with her chihuahua, Claudio, in a small town on the coast of Lazio, Italy.

Antonella Lettieri is a London-based translator with over ten years of experience working in English and Italian. She was the 2023 NCW Emerging Translator Mentee for Italian and was awarded first prize in the 2023 John Dryden Translation.

Hocus Pocus

Brinda Charry

BOOK DESCRIPTION

A young magician travels across the world seeking fame and fortune all the while hiding a secret, in a novel based on the renowned, real-life Indian stage magicians performing in the United States in the 1800s.

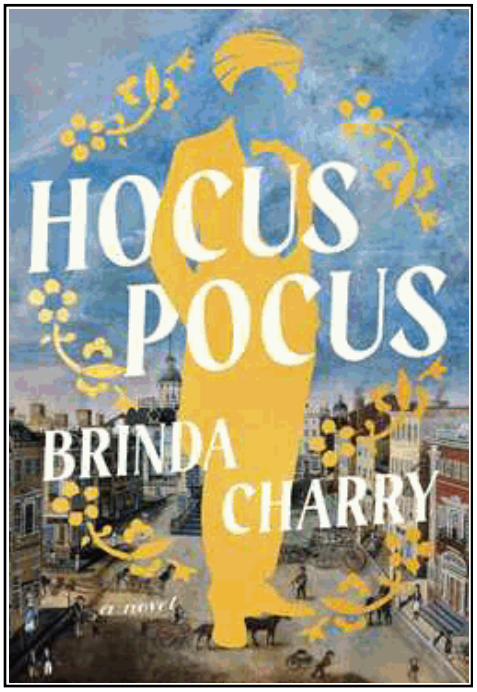

Samuel Thomas, a man of uncertain parentage, is a young magician convinced that he is destined for greatness in a far-off land. Seeking honor and acclaim, he journeys across the globe—from India to London to the fog-shrouded streets of Boston in 1816, the infamous Year Without a Summer. In this season of unrelenting cold, Samuel arrives in a city alive with ambition, contradiction, and tension.

Enter Nathaniel Mepham: in some ways a world away from Samuel, hailing from the upper echelons of Boston society, but also nursing a problem of his own. Proprietor of the New Boston Museum which is on the brink of bankruptcy, Nathaniel is desperate to find ways to keep it open—and Samuel is the ideal fit for the first live addition to the collection.

While the perfect solution to each other's problems, the relationship between the two men quickly becomes complicated as Nathaniel grows more and more fascinated, and even obsessed, with the young foreigner. As Samuel becomes subsumed within the museum and dependent on Nathaniel, he must reckon with just how much he's willing to give up to achieve success. Richly detailed and vividly conjured, *Hocus Pocus* is a story about art, ambition, and desire, and captures the crackling energy and wonder of a bygone era through the eyes of a young performer.

AUTHOR BIO

Brinda Charry came to the United States from India as a graduate student in 1999 and has been living here since. She is a novelist-turned-academic-returned-novelist. A specialist in English Renaissance literature (Shakespeare and contemporaries), she has published numerous books and articles in that field. *The East Indian* was her first work of fiction published in the United States. She's also the author of *Hocus Pocus*. She currently lives in Keene, New Hampshire, with her husband and dogs.

They All Fall in Love at the End

A Novel

Haili Blassingame

BOOK DESCRIPTION

Cat St. Clair is ready for her messy love triangle era now that she's in an open relationship. But she didn't foresee a *forbidden* love triangle with the only two people who are off-limits: her boyfriend's best friend and his girlfriend. Being a twenty-something writer who lives for plot, she falls for them anyway, with deliciously disastrous consequences, in this electric literary debut for fans of Xochitl Gonzalez, Coco Mellors, Lily King, and Raven Leilani.

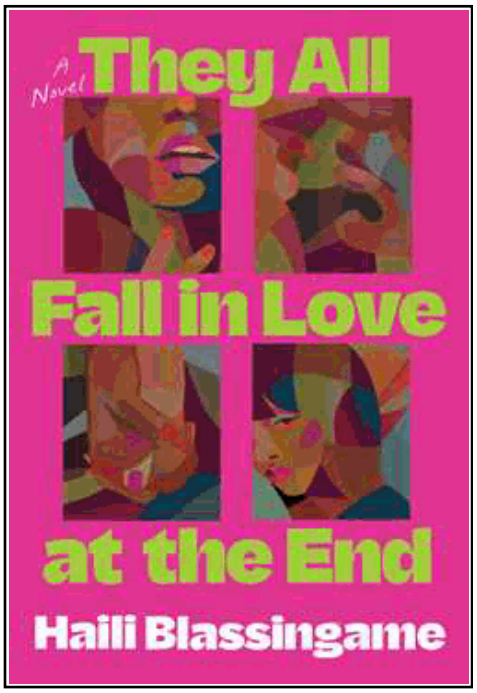

It's the fall of 2024, and twenty-four-year-old Cat isn't asking for too much: all she wants is three boyfriends, to write her little novels, and to survive another chaotic presidential election. She's in an open relationship with her college sweetheart Jay, but nonmonogamy isn't just a hot trend she's trying. It's her sliver of freedom in a world eager to wrestle it from her for being a Black woman going after what she wants with reckless abandon.

While political tensions roil the campus where Cat is slowly earning her creative writing degree, she finds herself drawn to Jay's best friend, Tristan, who's smart, super hot, and…in a monogamous relationship. And then she meets Tristan's girlfriend, Nia, a captivating art student with her own gravitational pull.

Friends and family urge her to just be happy with Jay, but Cat is determined to have it all—or blow up her life trying. As she falls for all the wrong people, racking up lies, betrayals, and terrible drafts of her novel, she tries to write her way to a happy ending. But in art, politics, and love, true liberation may take more than rewriting the old scripts. It may mean inventing something entirely new.

AUTHOR BIO

Haili Blassingame is a producer for the NPR program *1A*. She has written for publications like *The New Republic* and *The New York Times*, in which she published the viral "My Choice Isn't Marriage or Loneliness" for "Modern Love". She was one of twelve essayists selected to write a follow-up piece for the column's 20th anniversary in October 2024. She's also been a guest on the *Modern Love* podcast, NPR's *Life Kit*, and NPR's *1A*. She previously worked on NPR's *Code Switch* and *Weekend Edition*. She is pursuing an MFA in creative writing from American University. She lives in Washington, DC.

Few and Far Between

A Novel

Jan Carson

BOOK DESCRIPTION

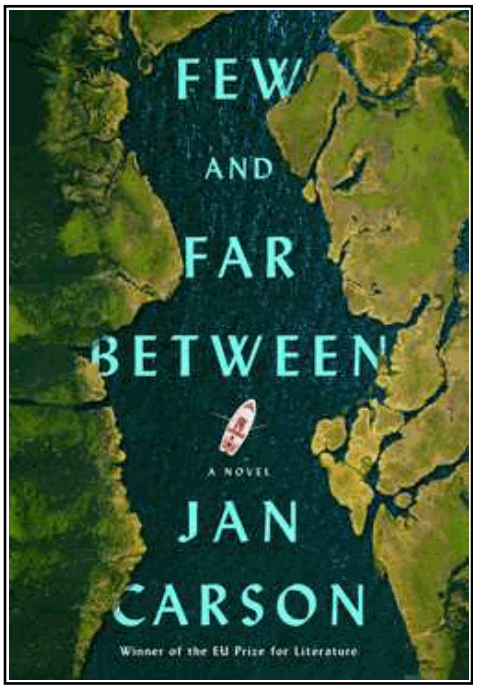

From a "deeply talented" (*The New York Times Book Review*), award-winning writer comes an alternate history of Northern Ireland's recent past that follows the last remaining residents of a haunted archipelago at risk of losing their home forever.

In 1958, soon-to-be Northern Irish Prime Minister Terrence O'Neill proposed draining Lough Neagh—the largest lake in Ireland—to create a seventh county for the North. O'Neill was widely mocked for his ludicrous idea, but in *Few and Far Between*, Belfast-based writer Jan Carson imagines a timeline in which the scheme proceeded, exposing an archipelago of tiny islands that became a refuge for those intimidated out of their homes during The Troubles.

Marion and Robert-John Connolly grew up on what's colloquially known as "The Ark," their father being a prominent anthropologist sent to study the unique community that sprung up there in the '70s. Though most residents drifted back to the mainland after the '98 Peace Agreement, the novel opens in summer 2017 with the siblings still living on the Ark as its caretakers, sheltered from modernity. They monitor the mysterious Far Side islands where ghostly figures linger and the land swallows secrets whole. Though with harmful algae blooming out of control and rising public sentiment against the cost of maintaining the Ark, rumors abound that the government plans to flood the lough. When a young anthropologist arrives for field research, the Connollys wonder if this up-and-coming scholar can help them win preservation status for the Ark before their home is submerged and they're forced back to the Mainland.

Written with dark humor and a distinctive Northern voice, *Few and Far Between* is a novel about family and memory, toxic masculinity and modern womanhood, and the legacy of trauma that offers an illuminating look into the history of a complex place.

The Top of the World

A Novel

Ethan Joella

BOOK DESCRIPTION

A heartbreaking, life-affirming new novel by Ethan Joella—author of the Read with Jenna Bonus Pick *A Little Hope*—about a young woman searching for answers about her brother's last days.

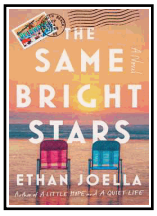

June 1975. Maggie Bishop has just graduated high school, the future hers to embrace—but she's still reeling from the death of her older brother, Chip. A devastating diagnosis the summer before prompted Chip to leave home for a few months, never revealing where he went. Maggie's search for clues leads her to The Red Maple Inn, a mountaintop resort in the Poconos.

At the Red Maple, Maggie is welcomed into a tight-knit community. As she unravels secrets about her brother's final days, she begins to connect with the people he loved, and whose lives he touched. Through the warmth of strangers, Maggie begins to heal and is able to help others cope with loss.

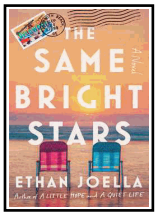

Set in a nostalgic resort town over two transformative summers, this dual-narrative novel explores sibling relationships, coming of age, and the quiet power of human connection. Perfect for fans of emotional storytelling and small-town summer books, *The Top of the World* is a timeless story about memory, grief, second chances, and hope.

Jolt

My Electric Journey Out of Darkness

Ted Scheinman

BOOK DESCRIPTION

In the tradition of Susannah Cahalan's *Brain on Fire* and William Styron's *Darkness Visible*, an evocatively written memoir of riding the depression roller coaster, choosing electroconvulsive therapy (ECT), and regaining equilibrium, with fascinating side-journeys into the nature of identity and memory—by the celebrated Smithsonian editor, memoirist, and essayist.

Sitting in a circle on the seventh floor at Sibley Memorial Hospital in Washington, DC, Ted Scheinman, thirty-five years old, remembered why he was there. His lifelong battle with depression, beginning at age eight, had returned more punishingly than ever—and he was running out of options. After enduring a range of increasingly colorful therapies, including nearly every SSRI and SSNI on the market and two months of ketamine infusions, he'd checked himself into a psychiatric ward to undergo an aggressive course of electroconvulsive therapy (ECT)—better known as "shock treatment." ECT was his desperate last resort. Miraculously, it worked.

But it did exact a price: Ted was now missing episodes of his memory going back a year or more. Even after that first zap, as he recovered back in the ward, he could recollect little immediately preceding that morning's treatment. He couldn't remember the names of the patients with whom he was now playing slapjack, or the phone call last night to his mom, or even what his last meal had been.

In *Jolt*, Ted's riveting account of his descent into—and emergence from—major depression, and his accompanying memory loss, opens an utterly original window onto the surprising connections between memory, identity, and mental illness. *Jolt* asks: How much can any of us trust our memories, and how can we adapt when memories fail? How do our memories form who we are, for good and ill? What happens when we forget too much—or too little?

Lyrical and rigorous, intimate and universal, *Jolt* is about depression, memory, and how we reconstitute ourselves following identity-obliterating hardships. Most of all, it's about what we're willing to sacrifice to have a chance at life.

Ted Scheinman is a senior editor at *Smithsonian* magazine and contributing editor at the *Los Angeles Review of Books*. His 2018 debut, *Camp Austen: My Life as an Accidental Jane Austen Superfan*, garnered enthusiastic praise on both sides of the Atlantic and beyond. Scheinman has interviewed politicians and celebrities from Tilda Swinton to Debbie Harry, his projects have received funding from such institutions as the Pulitzer Center and the Andrew W. Mellon Foundation, and his essays and reporting have appeared in such publications as *The Atlantic*, *The Chronicle of Higher Education*, *GQ*, *The New Republic*, *The New York Times*, *The Paris Review*, and *Slate*.

This Is Also a Love Story

Searching for Goodness in a Cruel World

Sally Hayden

BOOK DESCRIPTION

An acclaimed reporter takes us on an unforgettable journey, capturing the human capacity for love and connection against all odds.

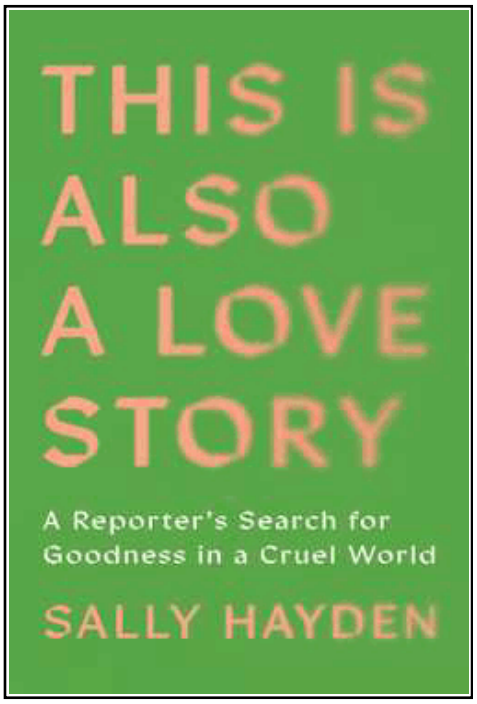

We live in an era defined by crisis—whether it be war and displacement, climate collapse, or growing inequality, and how the powerful profit from violence and exploitation. Celebrated foreign correspondent Sally Hayden has spent her career on the frontlines, uncovering some of the darkest moments of our time. Yet even in the face of unimaginable adversity, she's witnessed the incredible goodness of regular people.

In *This Is Also a Love Story*, Hayden reexamines catastrophe through the love stories she has come across. She introduces us to a mother in northeast Nigeria who risks everything to save her daughter from forced marriage to Boko Haram militants, and to a group of Syrian women who have tirelessly searched for their missing spouses and children, while launching a call for justice. We meet a couple separated by the Russian invasion of Ukraine and read letters from the bereaved to the dead, still being written over a decade after the tsunami that devastated Japan. Through these stories, which crisscross the globe, from Uganda to Lebanon, Ghana, Rwanda and Iraq, she challenges us to reconsider what it means to be alive on this planet today.

What if news was recounted through the prism of the actions and decisions people take for those they love? Would it become harder to dehumanize those who seem different to us? *This Is Also a Love Story* dares us to recognize how innate generosity and self-sacrifice can be found in even the most difficult of times, and—as a result—to question what might be needed to create a better world.

AUTHOR BIO

Sally Hayden is an Irish journalist focused on migration, conflict, and humanitarian crises. Sally's work has been featured by *The New York Times*, the *Irish Times*, *The Washington Post*, *Financial Times*, *The Guardian*, Channel 4 News, CNN International, *Al Jazeera*, *Time*, BBC, *Die ZEIT*, *Der Spiegel*, *The Sunday Times* (London), and other outlets across the world. Sally is the winner of the Orwell Prize and the Irish Book of the Year, and she was a finalist for the Baillie Gifford Prize and the New York Public Library's Helene Bernstein Book Award for excellence in journalism.

The Next China is Still China

An Insider's Playbook for Winning in the New Era

Joe Ngai and Nick Leung

BOOK DESCRIPTION

Both a revelatory, insight-filled playbook for doing business in China and a probing look at why the country, despite the challenges it faces, still possesses unrivaled prospects for growth and entrepreneurial opportunity—by two leaders who, over the course of decades, have taken turns helming McKinsey's China-based management consulting.

In just forty years, China has transformed from a closed economy into a global powerhouse. Riding the tailwinds of its massive labor supply, aggressive infrastructure investment, and ingrained work ethic, the nation became a haven of opportunity. However, more recently, shifting demographics, less torrid growth, and an increasingly complex geopolitical environment have caused some to wonder: Where lies the next China? The authors of this book have a bold and unequivocal answer: the next China is *still* China.

There is no substitute for the Chinese market. China accounts for a staggering 30% of global manufacturing and 18% of global GDP, surpassing the European Union and trailing only the United States. Even if China's real GDP only grows at a modest 2% annually over the next decade, it would still contribute nearly 30% to global growth. With 4.7 million STEM graduates each year (more than the total number of US degree graduates across all fields), China is well-positioned in an era of technological automation, artificial intelligence, and data-powered innovation. However, the strategies that once propelled businesses to success in China are no longer sufficient. A new playbook is needed.

The Next China Is Still China will answer a range of provocative questions, including:

·Will China with its aging population fall into a Japan-style stagnation, or can it maintain its superpower trajectory?
·What is unique about China's supply chain and how has that uniqueness contributed to Chinese companies' global competitiveness?
·What makes profitability in China uniquely challenging, despite its scale?
·Considering the United States's massive investment in cutting-edge technology and AI, can China's fast-adapting innovation ecosystem keep up?

The Next China Is Still China upends conventional wisdom, providing fresh actionable strategies for winning in the years ahead.

AUTHOR BIO

Joe Ngai is a McKinsey senior partner and chairman of the firm's offices in Greater China. He has led large-scale transformations for Chinese and multinational organizations and advises many of the top corporate leaders in the region. A go-to source for international media such as CNBC and Bloomberg, he has been named one of *Forbes China*'s 100 Most Influential Chinese. He has an AB, JD, and MBA from Harvard University.

Nick Leung is a McKinsey Senior Partner and member of McKinsey's global board of directors. He is also a lead-director of the McKinsey Global Institute, the firm's independent research arm, where he directs research on macroeconomics, global trade, and geopolitics. Based in Asia since 1997, Nick served for twelve years as chairman of McKinsey's offices in Greater China, where he led the region through its fastest growth period. He has a BA and MA from the London School of Economics.

Sub War

The New Struggle to Dominate the Deep Sea and Reshape World Order

Bruce D. Jones

BOOK DESCRIPTION

From a leading Brookings Institution fellow and author of *To Rule the Waves* comes a vivid and bracing examination of today's most secretive geopolitical conflict: the battle for dominance beneath the oceans.

Sub War explores a high-stakes, largely invisible race that is reshaping global power—a modern naval arms race unfolding in the deep. This is geopolitics at its most urgent: a strategic competition to control the undersea realm, a domain vital to global communications, international security, and the future of military and commercial technology.

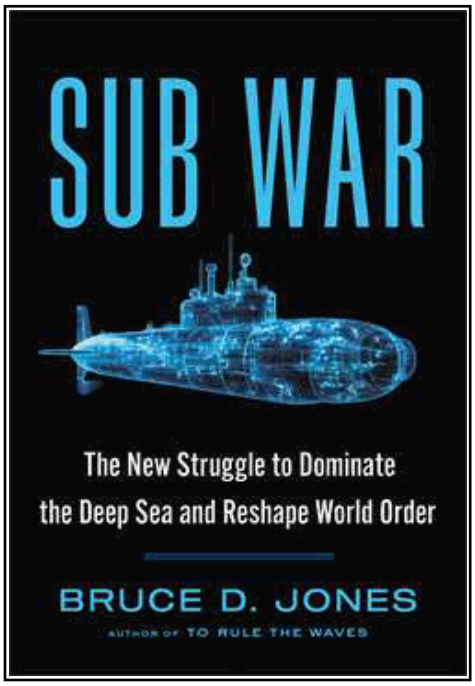

Told in part from inside a US nuclear submarine—the most advanced war machine in modern history—*Sub War* traces how America is fighting to maintain its edge undersea while rivals like China and Russia work to close the gap. The book details the evolving landscape of submarine warfare and the rapid rise of UUVs (unmanned underwater vehicles), alongside new frontiers in deep-sea infrastructure: from new threats to transoceanic data cables to seabed mining and mapping to rare earth extraction.

It highlights how China views the undersea domain as both its greatest strategic vulnerability and a potential treasure trove of critical resources. Meanwhile, Russia is deploying advanced submarine designs to revive its geopolitical influence and threaten vital US and European infrastructure on the seabed. The Suez Canal, Taiwan Strait, and other international waters have become flashpoints in a submerged power rivalry.

At the same time, the crown jewels of the American economy—Silicon Valley tech giants, AI firms, and global finance—depend increasingly on vulnerable undersea networks. Yet US commercial and infrastructure policy has lagged, allowing China to expand its influence in strategic ocean corridors. China is also on the verge of lapping the US in vital ocean sciences.

From secret naval bases to deep-sea battle plans, *Sub War* is a gripping tour of the technological, economic, and military frontiers shaping the future of naval power. Essential reading for those interested in international relations, defense strategy, maritime issues, submarine innovation, and the new great game beneath the waves that could determine the future world order.

The Blind Spot

How Oligarchs Dominate Our Democracy

Jeffrey A. Winters

BOOK DESCRIPTION

An urgent and shocking examination of how the ultra-rich dominate democracies, hoard political power, and maintain inequality—and how we might chart another path.

The wealthy and powerful few have dominated the masses throughout most of human history. This is starkly visible now more than ever—a time when the gulf between oligarchs and the average citizen is larger than any gap that existed during European serfdom or the slave society of Imperial Rome. We have arrived at the most blatant version of oligarchy that the United States has endured, with politicians bought and paid for across the political spectrum. One thing is clear: the world is heading even deeper into a state of inequality that oligarchs and elites of past eras could only have dreamed of.

In *The Blind Spot*, political scientist Jeffrey A. Winters delivers an urgent, incisive account of how we reached this era of in-your-face oligarchy, exposing how the ultra-rich have wielded power to preserve wealth and prevent democracies from threatening their advantages. By tracing the evolution of oligarchy across the globe and through modern history, we see how the rule of the wealthy isn't just a flaw in our democracy, it has been built into its very foundations. From the Founders to the present, the rules of the political process have been designed to allow the wealthy to set the agenda and determine the outcomes, dominating the marketplace of ideas and rewiring the law to defend, hide, and increase their money and power. Now, we exist in a state of "participatory inequality," a world in which the 99.99% of us participate openly and freely—democratically, even—in our own ongoing exclusion and disenfranchisement. When looked at carefully, Winters shows, it is clear that today's global crisis is earned and, if anything, long overdue.

But powerful change begins when we have a clear understanding of where we are and know the action we must take to get us where we deserve to be. *The Blind Spot* exposes just how bad our political reality has become and introduces bold ideas for how we might shift the balance of power. While the rich and powerful do not cede power quietly, this period of shocking inequality is an opportunity for change.

Jeffrey A. Winters is a professor of political science at Northwestern University and the Director of the Equality Development and Globalization Studies Program at Northwestern's Buffett Institute for Global Affairs. Renowned for his groundbreaking work on oligarchs and elites, Winters wrote the influential book *Oligarchy*, which reintroduced the term to modern audiences and won the 2012 Luebbert Prize for the best book in comparative politics. His insights have been featured in major media outlets including *The New York Times*, *The Washington Post*, and NPR.

In Defense of Sunlight

The Surprising Science of Sun Exposure

Rowan Jacobsen

BOOK DESCRIPTION

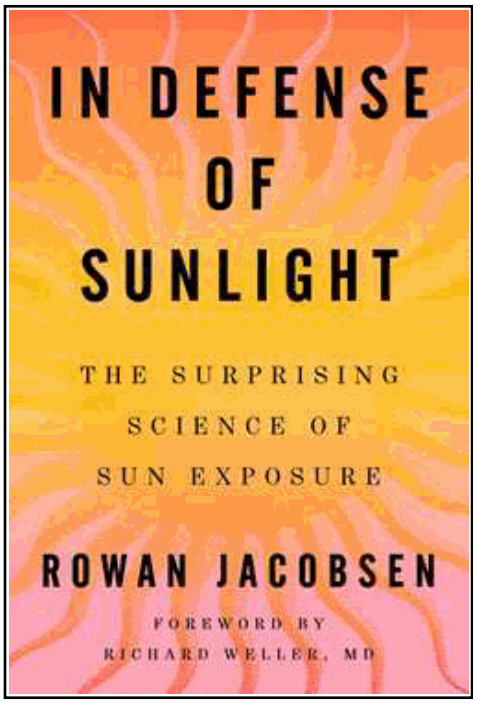

Upending everything we thought we knew about sun exposure, this trenchant investigation into the "zero-sun policy" sounds the call on the many health benefits of the sun, and what we risk when we minimize our exposure.

A quiet revolution is transforming our understanding of sunlight's effects on human health. For decades, a "zero-sun" policy has characterized our approach to sun protection, advising us to stay out of the sun whenever possible and apply sunscreen daily to any skin that might be exposed, rain or shine, summer or winter, indoors or out. But recent studies have proved that this policy is thoroughly mistaken and that this prolific misunderstanding is causing us to miss out on many of the health benefits of sun exposure.

In this incisive work, acclaimed journalist Rowan Jacobsen presents the growing case for the importance of modest sun exposure for our health and well-being. Aided by the most up-to-date studies on the effects of sunlight on human health, Jacobsen presents a much-needed, lucid assessment of not only what the sun can do for us, but how a lack of sun could actively be harming us.

In Defense of Sunlight sounds the call on what researchers have been sure of for years, and what health care providers and media outlets have been slow to take up: that sunlight is one of the simplest, and most equitable, treatments for a variety of health issues, from diabetes to dementia to multiple sclerosis. Laying out the new science of sunlight in a straightforward and responsible manner for mainstream readers, this book is an eye-opening story of scientific discovery, outlining not only best practices for sun exposure, but the story of how current recommendations became misguided, how a few inquisitive scientists glimpsed the truth and deciphered the mechanisms responsible, and how everyone can safely incorporate this new knowledge into their daily lives. It also exposes the implicit injustice underlying current approaches, which benefit the whitest people on earth (who are the most susceptible to skin cancer) at the expense of those with darker skin (who suffer extremely low rates of skin cancer and have the most to gain from sun exposure).

A call for a return to common sense in our relationship with our local star, *In Defense of Sunlight* offers its own seven words of advice: Get sun. Not too much. Go outside.

The Five Seasons Method

A Gentle Path Toward Emotional and Spiritual Balance

Leda Elliott

BOOK DESCRIPTION

A gentle yet powerful approach to restoring inner balance that blends ancient wisdom with modern wellness, showing how seasonal living can transform your emotional and physical well-being.

Did you know that achieving a deeper sense of calm and vitality might be as simple as tuning into the energy of the seasons? Drawing on principles from Traditional Chinese Medicine, QiGong, and Eastern philosophy, Tai Chi and Reiki master Leda Elliott invites readers to reconnect with the cyclical nature of life through her unique Five Seasons Method.

With decades of experience in holistic practices, Leda guides readers through five seasons of energy—each with its own emotional rhythms and restorative potential. Whether you're coping with anxiety, recovering from burnout, or simply looking for a reset, this book offers grounding tools like breathwork exercises, guided meditations, and energy movement techniques to support self-care and emotional resilience.

Structured around the five seasons—Spring, Summer, Late Summer, Autumn, and Winter—this wellness journey is filled with real-life stories from Leda's own life and her students' transformative healing experiences. Woven throughout are Japanese *kotowaza*, timeless proverbs that capture the spirit of the natural world, adding poetic insight to each season's wisdom. These heartfelt narratives demonstrate how ancient Eastern practices can meet the challenges of modern stress, providing support for those navigating grief, toxic stress, or mental fatigue.

Rooted in mindfulness, body–mind–spirit alignment, and a deep respect for nature's wisdom, *The Five Seasons Method* is an empowering companion for anyone seeking gentle self-improvement or daily rituals for mental clarity and peace. Perfect for readers drawn to breathwork, energy healing, and seasonal living practices, this is a timeless guide to personal growth through the rhythms of nature.

Leda Elliott is a Tai Chi Master, Reiki Master, and the creator of The Five Seasons Method, a wellness program that integrates Tai Chi, QiGong, breathwork, and seasonal energy principles to help individuals cultivate balance, vitality, and inner harmony. She trained under legendary Tai Chi Grandmaster Bow Sim Mark and is the owner of A Thousand Cranes Studio, where she offers in-person classes, private coaching, Reiki healing, and global online workshops.

AMMAZZA!

Culinary Adventures from New York to Italy and Back Again (A Cookbook)

Hillary Sterling with Theresa Gambacorta

BOOK DESCRIPTION

The long-awaited cookbook from four-time James Beard Award nominee Chef Hillary Sterling, featuring over 100 seasonal recipes showcasing the delicious dishes that have earned her acclaim at the helm of Ci Siamo, Danny Meyer's "flat-out fantastic" (*The New York Times*) restaurant.

A celebration of a life devoted to food, *Ammazza!* blends story, substance, and soul. Raised in a tight-knit Jewish household in Sheepshead Bay, Brooklyn—where her grandmother kept kosher downstairs and her family broke the rules upstairs—Sterling shares over 100 recipes that trace her path from her early days as a young cook, to her later love affair with Italian cooking, and her career spent in the kitchens of New York's most beloved restaurants.

Following the rhythm of the seasons, these recipes showcase Sterling's brilliance with flavor. Interspersed are menus rooted in family and tradition, with inspired twists—she brings an Italian spin to the Passover table, and shares a Mexican Thanksgiving feast influenced by her time at Bobby Flay's Mesa Grill.

A standout cookbook for home cooks, *Ammazza!* offers smart, encouraging tips throughout—from how to clean artichokes to frying at home without fear.

Whether you're searching for the best pasta cookbook, a gift for foodies, or a coffee table cookbook as beautiful as it is practical, *Ammazza!* is packed with bold recipes, culinary storytelling, and the know-how of a chef who cooks with both precision and heart.

Hillary Sterling is the four-time James Beard–nominated Executive Chef of Ci Siamo, a Danny Meyer restaurant with a focus on seasonal, live-fire Italian fare. After graduating from Chicago's Le Cordon Bleu, Sterling began her formal training in the kitchen of Bobby Flay's Mesa Grill, and continued with Flay at the acclaimed Spanish restaurant, Bolo. Turning her attention to Italy, she joined the team at Lupa Osteria Romana, where she developed a lasting respect for the unifying power of food and the importance of intentionality in cooking. In 2010, she assumed the role of chef de cuisine at Michelin-starred A Voce. Working under Chef Missy Robbins, Sterling fell in love with the regionality and traditions of Italian cuisine. She would later return to her domestic roots as the executive chef and partner of Vic's, where her menu of thoughtfully prepared dishes gained a loyal following. Sterling was born and raised in Brooklyn, where she continues to live with her wife and their son.

Everything Was Beautiful and Nothing Hurt

A Novel

Ben Reeves

BOOK DESCRIPTION

“This novel has all the ingredients of unforgettability: a plot you’ve never seen, characters you want to love, writing that glimmers on the page, and a spectacular ending that will smack you in the face with an aching joy. Days later, I’m still brimming.” —Monica Wood, bestselling author of *How to Read a Book*

For readers of Fredrik Backman and Virginia Evans, an unforgettable and exquisitely moving novel about finding beauty, hope, and meaning in the brevity of life, as narrated by the one who knows it best: Death.

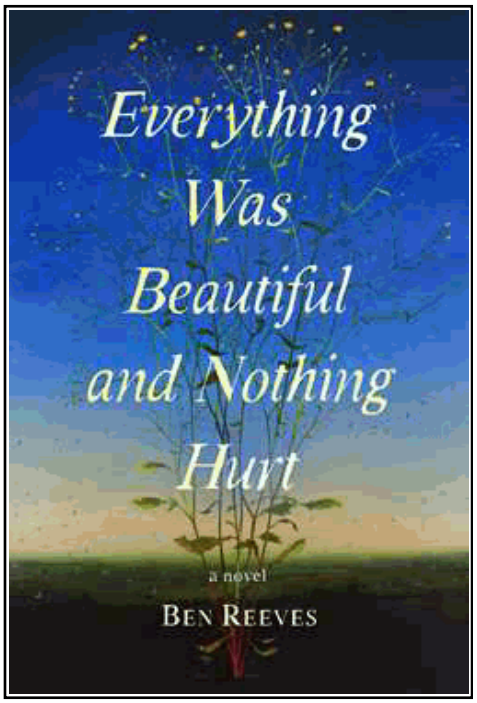

Travis is Death in the modern world. He wears jeans and a T-shirt and lives in a small, grey town. His job is to offer people comfort in their final hours of life. He’s stoic, gentle, and a little naive, despite everything he knows. He’s young and handsome, despite who he is. Each death he witnesses is meaningful to him; he listens, never judges, and most importantly, never tries to change anyone’s fate. He knows that every life must eventually end to maintain the balance of the universe and he respects the cycle.

Then he meets Dalia, a midwife, and her boisterous eight-year-old daughter Layla, who live across the hall. As Dalia and Layla come to embrace Travis, it becomes more difficult to maintain the detachment that’s allowed him to function for so long. Their time together teaches him what’s truly important in life—and what might be irrevocably lost in death.

Written with radiant warmth, wisdom, and compassion, *Everything Was Beautiful and Nothing Hurt* is a timeless story about appreciating life, accepting its end, and finding our place in the universe—especially when it feels most impossible—that will resonate with anyone who has ever loved and lost or worried at time’s passing.

Everything Was Beautiful and Nothing Hurt

A Novel

Ben Reeves

BOOK DESCRIPTION

“This novel has all the ingredients of unforgettability: a plot you’ve never seen, characters you want to love, writing that glimmers on the page, and a spectacular ending that will smack you in the face with an aching joy. Days later, I’m still brimming.” —Monica Wood, bestselling author of *How to Read a Book*

For readers of Fredrik Backman and Virginia Evans, an unforgettable and exquisitely moving novel about finding beauty, hope, and meaning in the brevity of life, as narrated by the one who knows it best: Death.

Travis is Death in the modern world. He wears jeans and a T-shirt and lives in a small, grey town. His job is to offer people comfort in their final hours of life. He’s stoic, gentle, and a little naive, despite everything he knows. He’s young and handsome, despite who he is. Each death he witnesses is meaningful to him; he listens, never judges, and most importantly, never tries to change anyone’s fate. He knows that every life must eventually end to maintain the balance of the universe and he respects the cycle.

Then he meets Dalia, a midwife, and her boisterous eight-year-old daughter Layla, who live across the hall. As Dalia and Layla come to embrace Travis, it becomes more difficult to maintain the detachment that’s allowed him to function for so long. Their time together teaches him what’s truly important in life—and what might be irrevocably lost in death.

Written with radiant warmth, wisdom, and compassion, *Everything Was Beautiful and Nothing Hurt* is a timeless story about appreciating life, accepting its end, and finding our place in the universe—especially when it feels most impossible—that will resonate with anyone who has ever loved and lost or worried at time’s passing.

Dad, Love, Me

Matthew Quick

BOOK DESCRIPTION

Written in the form of a letter to his ailing father, this debut memoir from the bestselling author of *The Silver Linings Playbook* explores the complicated burden of caring for an abusive parent who is dying—this is Matthew Quick's most personal and potent work to date.

HARDCOVER

On the surface, Matthew Quick seemed to have it all—a loving wife, a thriving career as a novelist, and a beautiful home. He'd traveled all over the world advocating for mental health awareness, standing before crowds as a success story. But secretly, he was depressed and some days, he didn't want to live.

Years earlier, when he first told his father he wanted to be a novelist, the response was immediate and brutal: "Idiot!" That voice—angry and belittling—would echo through Quick's mind for years. He channeled his pain into his debut novel, *The Silver Linings Playbook*, crafting a complex father-son dynamic drawn straight from his own life. The book became a *New York Times* bestseller and was adapted into an Oscar-winning film starring Bradley Cooper and Jennifer Lawrence. Still, the approval Quick longed for never came. His father remained cold and withholding. The deeper the rift between them grew, the deeper Quick sank into anxiety and addiction.

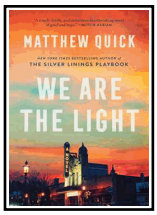

In this book, Quick takes readers deep into his psyche, as he wrestles with both his own mental health and his father's cognitive decline. A health scare finally forces Quick to get sober, but then, overcome by creative paralysis, writer's block threatens to end his career. The blank page is unbearable. As his desperation for healing peaks, Quick turns to a Jungian analyst he nicknames "Zeus." In the safety of analysis, as Quick's repressed pain and shame surface, he finally cracks. Just as he is putting himself back together, his father is diagnosed with dementia.

Suddenly, the clock is ticking. If there is ever going to be reconciliation, it has to happen now. Quick and his wife pack up their lives in coastal North Carolina, drive eight hours, and move into a house just around the corner from Quick's parents, on an island right outside of Beaufort, South Carolina. There, as his father slips further and further away, Quick races to make a healing connection.

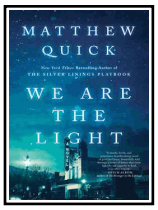

Dad, Love, Me is Quick's raw, vulnerable, and deeply moving account of what it means to forgive a parent who never really knew how to love you. It's about wounds that never fully heal, and the power of showing up anyway. This beautifully brave and life-affirming memoir is a must read for anyone who has been starved of love but wants to keep loving anyway.

AUTHOR BIO

Matthew Quick is the *New York Times* bestselling author of *The Silver Linings Playbook*—which was made into an Oscar-winning film—and eight other novels, including *We Are the Light*, a main selection of the Book of the Month Club. His work has been translated into more than thirty languages, received a PEN/Hemingway Award Honorable Mention, was an *Los Angeles Times* Book Prize finalist, a *New York Times Book Review* Editors' Choice, a #1 bestseller in Brazil, a Deutscher Jugendliteratur Preis 2016 (German Youth Literature Prize) nominee, and selected by Nancy Pearl as one of Summer's Best Books for NPR. *The Hollywood Reporter* has named him one of Hollywood's 25 Most Powerful Authors. Matthew lives with his wife, the novelist Alicia Bessette, in Beaufort, South Carolina.

The Nerd Reich

Silicon Valley Fascism and the War on Democracy

Gil Durán

BOOK DESCRIPTION

A fearless and urgent chronicle of the tech-authoritarian movement from its early days in San Francisco politics to its current moment on the international stage, exploring the wild and dystopian ambition of the technocrats at its center, and offering a road map to resistance.

When Silicon Valley says it is ‘‘moving fast and breaking things,’’ the world interprets the chaos as a necessary cost of innovation. Gil Durán reveals something far more sinister: a decades-long campaign to replace elected governments with corporate rule.

Drawing on insider political experience and new investigations, Durán traces this ideology from its philosophical roots in *The Sovereign Individual* by James Dale Davidson and Lord William Rees-Mogg. He introduces its modern apostles—some of Silicon Valley’s biggest names—and shows how the promise of technological liberation has transformed into a global movement for digital feudalism, powered by cryptocurrency, artificial intelligence, and the algorithmic propaganda of social media.

The Nerd Reich explains the origins, strategies, and ambitions of Silicon Valley’s war on democracy for the first time. From San Francisco’s weaponized elections and secret billionaire projects to the White House, Durán exposes how the world’s richest men are building a new political order.

The Nerd Reich is more than a hidden history, it’s an urgent warning: democracy is being dismantled not by coups or tanks, but by code, capital, and the illusion of innovation. Durán insists there is still time to fight back—if we act now.

Mastering Your Mental Game

Secrets from My Twenty-Five Years on the PGA Tour: A Practical Guide to Improving Your Performance in Sports, Work, and Life

Julie Elion

BOOK DESCRIPTION

A behind-the-scenes sage of the golf world and renowned sports psychologist reveals her methods to achieving elite performance in sports, work, and life, drawing from her experience with top PGA Tour earners and championship winners.

Over the past twenty-five years Julie Elion has been the silent force behind some of the most prominent athletes of our time. Her clients on the PGA Tour, who have included Justin Thomas, Max Homa, and Wyndam Clark, have racked up over $500 million in career earnings and twenty-five major championship wins. Known as “Stealth” for her discreet but potent coaching style, Elion has been honing her unique methods for decades. Now, she’s ready to share her winning strategies in this transformative guide that blends sport psychology and mindfulness to help improve the way you think, perform, and succeed.

Elion’s approach goes far beyond traditional sports psychology. Her philosophy is holistic. By integrating classical sport psychology tools focused on behavioral and cognitive cues with a deeper appreciation and understanding of oneself, she helps individuals unlock peak performance. Her clients gain insight into their personal history, character, family, and relationships and then use those insights to become stronger athletes and leaders. Elion has worked one on one to empower business leaders, executives, and teams across various sports including the NBA, NFL, MLB, WMBA, and LPGA.

Packed with practical tools, *Mastering Your Mental Game* will help you overcome mental blocks, build resilience, and reach your highest potential. Whether you’re a golfer chasing championships, an athlete pursuing greatness, or a professional striving for career breakthroughs, Elion’s insights will give you the edge you need to achieve excellence.

Julie Elion is the founder of the Center for Athletic Performance Enhancement and has developed one of the premier sport psychology practices in the professional golf world. She has worked with half of the top ten earners of all time, representing over $500 million in career earnings, 150 PGA Tour wins, and twenty-five major championship wins over the course of her career. As well as working extensively with golfers, Julie also provides mental coaching for business executives, athletes, and teams of other sports on both the professional and collegiate level, including NBA, NFL, MLB, WNBA, and LPGA athletes.

What Happened to College?

How Politics Broke Higher Education and What We Can Do to Fix It

Neil Gross

BOOK DESCRIPTION

How did college become such a minefield? A sociologist who has been tracking the polarization of higher education reveals how things went off track, what students are saying, and where we can find hope.

Imagine arriving on campus, full of excitement and anticipation, only to find that every other conversation can devolve into an ideological litmus test. Over the last ten years, politics has seeped into every corner of college life. From the moment students set foot in their dorms, they're navigating a morass of self-censorship and social exclusion. How can anyone hope to learn when the cost of speaking freely is so high?

A sociologist known for his groundbreaking work on campus politics, Neil Gross spoke to hundreds of students and faculty at America's top colleges and universities and polled thousands more to make sense of how epic polarization, cancel culture, battles over race and gender, administrative overreach, anxieties about the future of work, and intrusive political assumptions baked into the curriculum have remade the college experience. What he found was startling: To a degree unimaginable a generation ago, undergraduates are choosing their schools, friends, partners, activities, majors, and classes based on their political beliefs, with the goal of interacting as little as possible with anyone whose views don't line up with their own. Popular campus dating apps invite you to swipe left if you don't like someone's political profile—a metaphor for today's college experience writ large. Instead of resisting this development, faculty and administrators added fuel to the fire.

A must-read for anyone who cares about our kids, their education, and the future of our democracy, *What Happened to College?* paints a stark picture of an educational system in crisis-—and under assault. But it's not all doom and gloom. While some are questioning the value of an over-priced degree, there are places where open debate and friendship across political lines still thrive. What's their secret? And will our universities, once the envy of the world, have the courage and creativity to get back on track?

A sociologist known for his data-driven explorations of campus politics and American life, Neil Gross is the Charles A. Dana Professor of Sociology at Colby College. He is the author of *Why are Professors Liberal and Why do Conservatives Care?* which was based on the most comprehensive study of faculty politics since the 1960s. He has taught at Harvard, Princeton, Williams, and the University of Southern California and written for *The Atlantic* and *The New York Times.* His teenage son is applying to college.

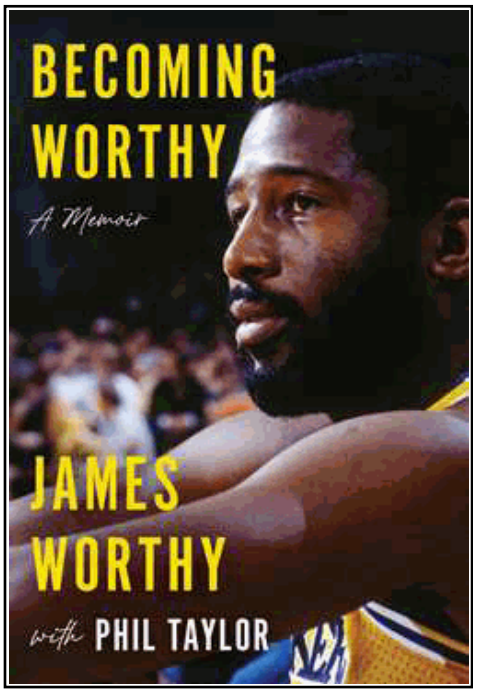

Becoming Worthy

A Memoir

James Worthy and Phil Taylor

BOOK DESCRIPTION

From hall-of-fame NBA legend James Worthy, a searing, intimate memoir that tells the story of a man at home on the court but unsure of his place in the world, who played alongside all-time greats like Magic Johnson and Michael Jordan, but privately struggled with self-worth and mental health; offering both an exhilarating glimpse into basketball's golden age and a reflection on how athletes are objectified but not taught, criticized but not mentored, and unprepared for the challenges of fame.

James Worthy is one of the best players in basketball history. He was a star in the sport's golden age, first for one of the NCAA's storied teams, then for the NBA's flashiest. For the Los Angeles Lakers of the '80s and early '90s, he was the go-to guy in clutch situations; they called him Big Game James.

And yet, he was the quiet man in that crowd. He wasn't a charming showboat like Magic Johnson, nor an enigmatic philosopher like Kareem Abdul-Jabbar. He was a soft-spoken man from rural North Carolina, at home on the court but unsure of his place in that chaotic and glamorous moment. He didn't know how to ask for help with finances or the media or his wavering sense of self-worth. Though it's hard to imagine a 6-foot-9-inch world-class athlete disappearing from view, James Ager Worthy didn't yet know his own voice.

In his memoir, *Becoming Worthy*, James Worthy tells his story for the first time. This is a basketball story. James was recruited by North Carolina coach Dean Smith, led the Tarheels to the 1982 championship, became the number one pick in the NBA draft, won three NBA championships, and is now revered as one of the top players in the league's history. He played alongside Michael Jordan in college, played against Larry Bird and Charles Barkley in the NBA, and worked with Lakers players after his retirement—including Kobe Bryant, who summoned James to the gym on a Sunday night because he needed to master a piece of Worthy footwork.

This is a story of fathers and sons—or in this case, the story of a son haunted by his father's brooding silence and the void it created in his heart. It wasn't until Smith took him under his wing at UNC that James even grasped what a father could be, and it has taken James a lifetime to come to terms with what he didn't have with his own dad, and what he needs to bring to his relationships with his children.

Giving the rare fresh glimpse of basketball's golden age, *Becoming Worthy* will draw hoops fans who watched *The Last Dance* and *Winning Time* and those who read Scottie Pippen's *Unguarded*, *West by West* by Jerry West, and *The Sixth Man* by Andre Iguodala. An inspiring, intimate, and heartfelt story for basketball fans and anyone who has struggled to find themself.

AUTHOR BIO

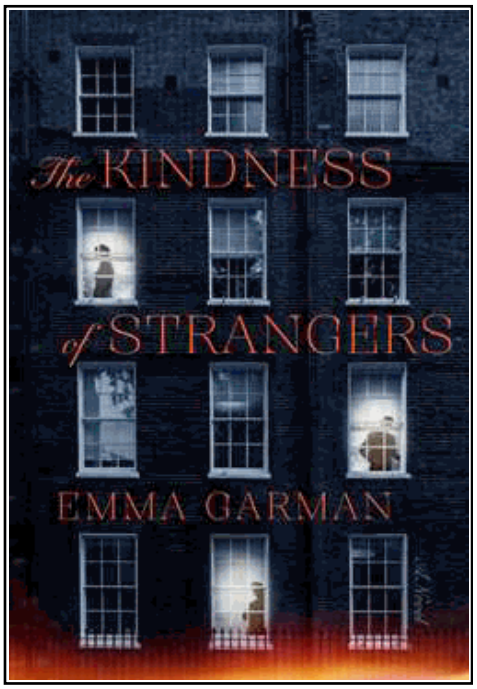

James Worthy, born in 1961 in Gastonia, North Carolina, is a retired American professional basketball player best known for his career with the Los Angeles Lakers. At the University of North Carolina, he won a National Championship and was Most Outstanding Player. He was first overall pick in the 1982 NBA Draft by the Lakers. Worthy quickly became an essential part of the “Showtime” era, known for his speed, smooth scoring ability, and clutch performances in big moments-earning him the nickname Big Game James. During his twelve seasons with the Lakers, Worthy won three NBA championships (1985, 1987, 1988) and was named the NBA Finals MVP in 1988. He was a seven-time All-Star with his #42 jersey being retired by the Lakers. His contributions earned him a spot in the Naismith Memorial Basketball Hall of Fame in 2003, as well as recognition on the NBA’s 50th and 75th Anniversary Teams. After retiring in 1994, Worthy transitioned into broadcasting, currently serving as a basketball analyst, as well as being a motivational corporate speaker. His legacy as one of the game’s most reliable playoff performers remains firmly intact in NBA history.

Phil Taylor is a former *Sports Illustrated* senior writer and columnist whose work has also appeared in *The New York Times*, *The Washington Post*, and *The Athletic*. His basketball commentary on television and radio has included appearances on CNN and on NPR’s *All Things Considered*. Taylor’s twenty-five years at *SI* included eight as its lead NBA writer, when he wrote extensively about such basketball stars as Michael Jordan, Shaquille O'Neal, and Kobe Bryant. He has covered some of the most famous sports events in recent memory, including the earthquake-struck 1989 World Series at Candlestick Park, Chris Webber’s infamous timeout in the 1993 NCAA tournament title game, and Jordan’s epic “flu-game” in the 1997 NBA Finals. Taylor has won awards from the Professional Basketball Writers Association and the Associated Press Sports Editors, as well as a National Headliner Award for his column writing.

The Kindness of Strangers

A Novel

Emma Garman

BOOK DESCRIPTION

A wildly entertaining debut and homage to the classic murder mystery set in post-WWII London where a stranger's arrival at a boarding house sets a deadly chain of events in motion—perfect for fans of Kate Atkinson, Agatha Christie, and Richard Osman.

London, 1953. Jimmy Sullivan lies dying on the drawing room floor while his housemates look on, their lives about to change forever.

One foggy night in the dead of February, a young man arrives unannounced at 42 Tregunter Road in Chelsea. Self-styled Bohemian Mrs. Honor Wilson—who runs a minor literary journal and lodgings from this timeworn Victorian house—introduces him to her "dear house guests": Robbie, the writer; Mina, the teenage sleuth; George, the debutante; and Saul, the haunted refugee. Jimmy Sullivan is a family friend, Honor says—yet clearly, something is not right. Despite everyone's misgivings, she lets the stranger move into the attic.

As they each try to disprove Jimmy's dubious account of himself, secrets, jealousies, and disturbing schemes come to light, fracturing the household's delicate allegiances and setting in motion, unstoppably, a tale of perilous self-invention, complicated love, and murderous revenge.

In a house built on lies, the truth will get you killed.

AUTHOR BIO

Emma Garman, a Brighton-based writer and critic, has been a columnist for *The Paris Review* and a contributor to *Literary Review*, *The Daily Beast*, *Lapham's Quarterly*, and History News Network. She has an MA in creative writing from the City College of New York and an MA in literature from Queen Mary University of London. *The Kindness of Strangers* is her debut novel.

First Summer

Ekin Oklap

BOOK DESCRIPTION

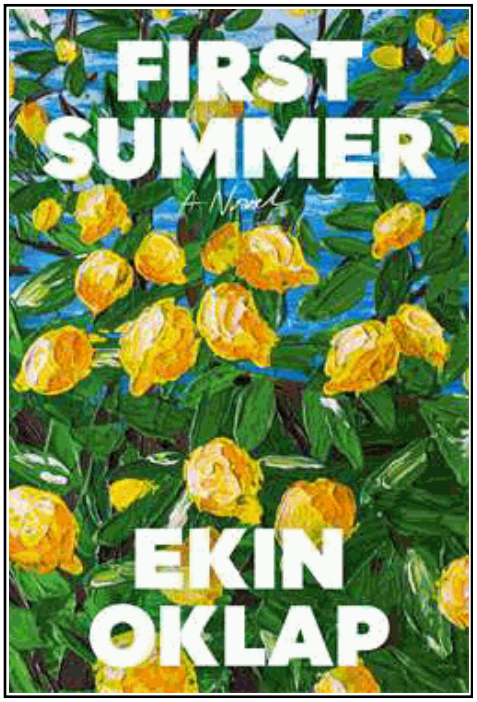

“An intimate story of self-discovery.” —Orhan Pamuk

A dreamy debut novel about the summer love that changes two girls at the edge of adulthood.

“In the heat and the green haze that seemed to surround us both like a physical presence, I felt intensely awake.” One afternoon at the start of summer, a teenage girl watches a new girl move in across the street. In Clara, she recognizes the same loneliness that she feels herself, but finds tenderness and laughter, too. Over hot, languid days spent talking and reading side by side in the garden, the narrator is awakened to the possibility of a true connection with another human being, free of the self-consciousness she feels with others. Meanwhile, in a distant fictional galaxy, Nadia the space explorer—the protagonist of a childhood book series beloved by both girls—traverses the known universe with her companion Rosa. Their imagined adventures make sense of new and powerful feelings. *First Summer* captures the innocence and agony of adolescence and the exquisite promise of love on the cusp of adulthood: a moment where fantasy is still vivid in the mind, even as adulthood looms. This story of the first summer of love echoes throughout the characters’ lives and will change them forever.

AUTHOR BIO

Ekin Oklap was born in Turkey, grew up in Italy, and lives in London. Her translations from Turkish and Italian have been shortlisted for the International Booker Prize and John Florio Prize, among others. *First Summer* is her first novel.

Children of Wolves

A Novel

Lawrence Osborne

BOOK DESCRIPTION

From the author of *The Ballad of a Small Player*—now a Netflix film starring Colin Farrell and Tilda Swinton—a thrilling tale of manipulation and deceit about an American private investigator who travels to Turkey to track down the daughter of a wealthy family, unwittingly setting off a sinister plot.

Four children from wealthy families are sent to a strict prestigious boarding school for troubled teenagers. Haunted by the horrors they experience, they vow to disrupt the status quo by all means necessary.

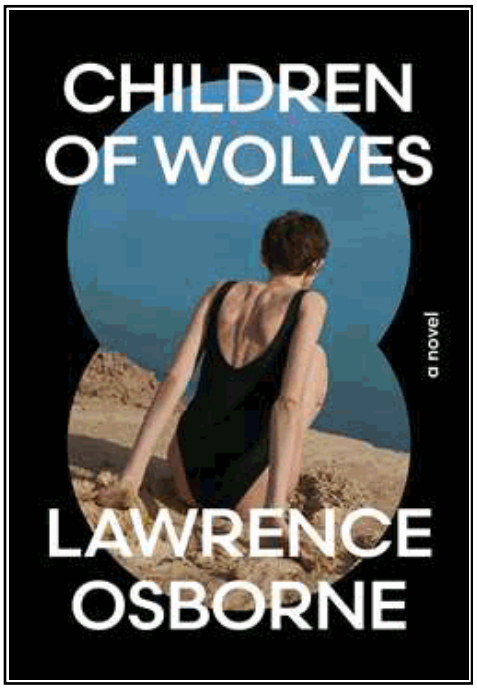

Years later, Tyler is a private investigator with a failing career who has been hired by petrochemical billionaire James Arthur Knight Jr. to find his run-away daughter, Chana. At a seaside hotel in Turkey, he finds Chana lounging with her three wealthy friends and living with a fake name.

Enthralled by Chana's shyness and elegance, Tyler decides to keep his discovery to himself, accepting Mr. Knight's payments while feeding him elusive information and partying with Chana and her friends over wine and raki. One night, when Tyler lets slip his relationship with the American consul, Chana lights up with interest and asks if he can orchestrate a meeting.

With a backdrop of of glitzy ex-pat parties, diplomatic galas, and the gritty underworld of Istanbul, Chana conjures a plot involving the consul that sets into motion a dark chain of events.

AUTHOR BIO

Lawrence Osborne is a critically acclaimed novelist, journalist, and screenwriter based in Bangkok. He is the author of eight novels, including *Ballad of a Small Player*, *Beautiful Animals*, and *The Forgiven*, which was adapted into a film starring Ralph Fiennes and Jessica Chastain. Osborne is one of only three contemporary novelists commissioned to write a new Philip Marlowe novel, *Only to Sleep*, which was a finalist for the Edgar Award. In the past decade, four of his novels have been *New York Times* Notable Book selections and chosen as Best Books of the Year by *The Economist*, *The Guardian*, *The New Yorker*, NPR, *The New York Times*, and *The Washington Post*.

Songs of the Dead

Brandon Sanderson and Peter Orullian

BOOK DESCRIPTION

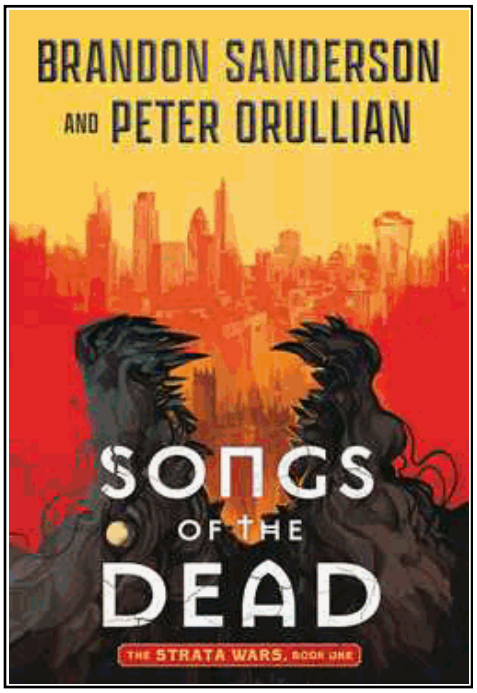

A London rocker is faced with a life-or-death choice when he realizes that a powerful society of magic wielders are the only ones keeping London safe in this deft contemporary fantasy cowritten by #1 *New York Times* bestselling author Brandon Sanderson with author and musician Peter Orullian.

When Jack Solomon, a struggling musician who works in London's West End, is killed, he awakens to a new reality in which light and music are used to create magic and where living eras of the past sprawl beneath modern London, layer upon layer, all the way back to recorded history.

Jack also soon discovers that many of those who reside in the stratums of London's past have grown angry with the present world, and that their anger is being channeled by a powerful society of light-and-music-based magic wielders who can cross the realms between life and death, between the present and the past. A past where the dead are sowing revolution against the living, and all of history is at stake.

Welcome to the Strata Wars.

In May 2005, Brandon Sanderson published his first novel, *Elantris*, followed by the Mistborn trilogy, its follow-up *The Alloy of Law*, *Warbreaker*, and *The Way of Kings*, the first in a projected ten-volume series called The Stormlight Archive. The fifth book in that series, *Wind and Truth* was an immediate #1 *New York Times* and *USA TODAY* bestseller. In 2022, Sanderson broke Kickstarter records by raising over $40 million to self-publish four "Secret Project" novels. Brandon won the Hugo Award in 2013 for his novella “The Emperor’s Soul”, and the David Gemmell Legend Award. His books have hit the *New York Times* Best Seller list twenty-five times and have been published in forty languages. At the end of each year, thousands of Sanderson’s fans gather at his Dragonsteel Nexus convention to celebrate his stories and to get a first glimpse of what Brandon will be writing next. Visit his website for behind-the-scenes information on all his books at BrandonSanderson.com.

Peter Orullian is an American fantasy author, composer, and performer. As a musician, he has toured internationally—fronting various rock and metal bands—written and released multiple albums, and recently founded his own symphonic rock group, Symphony North, which focuses on building trans-media properties to combine music and narrative. The first of these, entitled *The Bell Ringer*, was recently released as a full concept album, and will embark on a US tour in holiday of 2026. The novelization of *The Bell Ringer* will release in tandem with the tour. As an author, Orullian has also novelized chart-topping concept albums for Grammy Award–winning metal giant Dream Theater. In 2012, he was shortlisted for the David Gemmell Morningstar Award. He has written numerous short stories as well as several other novels, including *The Vault of Heaven*, all of which use music as a driving force for worldbuilding and magical systems. Since 2018, he has been collaborating with Brandon Sanderson on developing and writing The Strata Wars series. Visit Peter Orullian at Orullian.com.

The Rainshadow Orphans

The Rainshadow Series, Book One

Naomi Ishiguro

BOOK DESCRIPTION

The first novel in a dazzling fantasy trilogy inspired by Japanese folklore and Studio Ghibli films like *Spirited Away*, set within a mythical archipelago brimming with dragons and Sun Spirits, high-tech hackers and bubble tea.

Life is hard for the inhabitants of Rainshadow City, a place where poverty and corruption are rife and where they are terrorized by an underground criminal organization known as the Lucky Crows.

Toshiko, Jun and Mei Kawakami are a family, bonded through loyalty if not blood, who live outside the increasingly corrupt law and who are seeking revenge for the murder of their beloved "aunt" Reiko by the Lucky Crows. Haru is the son of the Emperor, destined to one day rule over the Archipelago and uphold his mother's ignoble legacy, but he is more interested in making friends with the magical Sun Spirits it seems only he can see. Theo, forced to leave his homeland, is a reluctant foot-soldier for the Lucky Crows. He doesn't want to be a gangster, but as an illegal immigrant to the city, his choices are severely limited.

When Toshiko steals a dragon pearl from the leader of the Crows, it sets them all on a thrilling path which will determine the future of Rainshadow City. Tightly set across two days and peopled with unforgettable characters, *The Rainshadow Orphans* blends the anime fantasy of works like *Pokémon* and Studio Ghibli and the anime science fiction of revolutionary cyberpunk like *Akira* to explore what it means to stand up to corruption and take charge of destiny.

AUTHOR BIO

Naomi Ishiguro is the author of the novel *Common Ground* and the collection of stories *Escape Routes*. She's a graduate of the University of East Anglia's MFA Creative Writing program, and has worked as both a secondary school English teacher and a freelance creative writing teacher. She also spent two lovely years in her early twenties working as a bookseller and bibliotherapist at Mr B's Emporium of Reading Delights in Bath.

We Dance Upon Demons

Vaishnavi Patel

BOOK DESCRIPTION

From the *New York Times* bestselling author of *Kaikeyi*, a galvanizing stand-alone contemporary fantasy following a burnt-out reproductive health care worker as she fights back against escalating attacks on her clinic and the malevolent forces in hot pursuit of her newly acquired power.

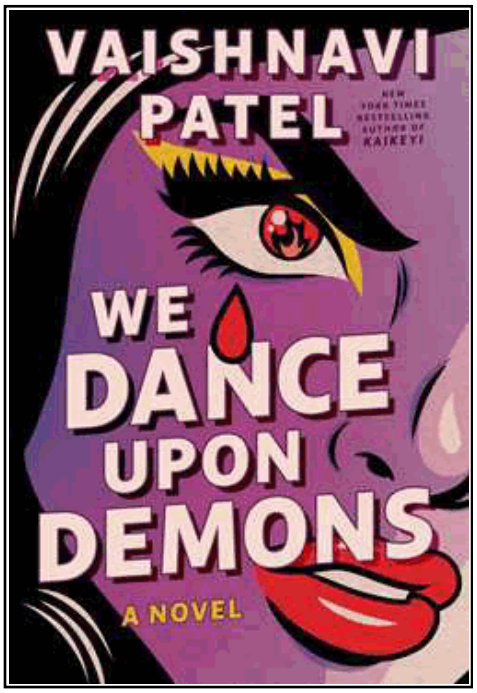

As a reproductive health care worker in Chicago, Nisha is barely staying afloat in the ocean of abortion bans, screaming protestors, and her own all-consuming depression.

When she escapes to the Indian art exhibit at her favorite museum for a brief respite, Nisha suddenly finds herself bleeding, disoriented, and collapsed on the ground. The last thing she remembers is the statue that beckoned her to touch it. In the days that follow, Nisha feels a strange power coursing within her, one that attracts a host of dangerous and enigmatic characters who covet it for themselves.

Facing threats both otherworldly and distinctly human, Nisha must navigate uncertain alliances to piece together the centuries-old mystery of her odd and terrifying abilities. And as danger closes in on her loved ones, community, and the clinic she's determined to protect, Nisha must make a choice about the life she wants—and fight all the demons standing in her way to get it.

AUTHOR BIO

Vaishnavi Patel is a lawyer focusing on constitutional law and civil rights. She is the author of the *New York Times* bestselling novel *Kaikeyi*, *Goddess of the River*, and *Ten Incarnations of Rebellion*.

The Sixth Nik

Daniel Kraus

BOOK DESCRIPTION

Perfectly aligned for readers of Ian M. Banks'sThe Culture series and Ursula K. Le Guin's "The Ones Who Walk Away from Omelas"*, The Sixth Nik* is a galaxy spanning adventure from the *New York Times* bestselling author of *Whalefall* and *Angel Down*.

Deep into space, far past the triworld outposts, beyond range of the lethal trollbot internet, soars *The Sickness*: a ship woven from biomatter and capable of reacting to every need of its human crew. Sisilla, a nine-year-old cultist with a brain enhanced by arcane tech known as "niks," has boarded to investigate the enigma of Fém—a plague-riddled planet that has abruptly gone rogue. The mysterious crew includes a faceless assassin, a beautiful engineer jigsawed by plastic surgery, a peyote-addicted medic, and—most lethal of all—a rugged, NonModded captain with a score to settle with Sisilla. Other dangers abound. A hacked robot begins to believe Sisilla is its daughter. *The Sickness* itself is mutating, possibly even pregnant. And the secret of Fém is more horrific than anyone could have imagined. To survive, Sisilla will need to forsake her predetermined fate and embrace the unknown.

AUTHOR BIO

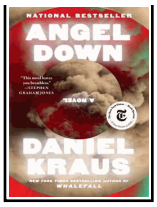

Daniel Kraus is a *New York Times* bestselling writer of novels, TV, and film. His novel *Whalefall* received a front-cover review in *The New York Times Book Review*, won the Alex Award, was an *LA Times* Book Prize Finalist, and was a Best Book of 2023 from NPR, *The New York Times*, *Chicago Tribune*, and more. With Guillermo del Toro, he coauthored *The Shape of Water*, based on the same idea the two created for the Oscar–winning film. Also with del Toro, Kraus coauthored *Trollhunters*, which was adapted into the Emmy-winning Netflix series. He also cowrote *The Living Dead* and *Pay the Piper* with legendary filmmaker George A. Romero. Kraus's *The Death and Life of Zebulon Finch* was named one of *Entertainment Weekly*'s Top 10 Books of the Year. Kraus has won the Bram Stoker Award, Scribe Award, two Odyssey Awards (for both *Rotters* and *Scowler*), and has appeared multiple times as Library Guild selections, YALSA Best Fiction for Young Adults, and more. His work has been translated into over twenty languages. He lives with his wife in Chicago. Visit him at DanielKraus.com.

Eyes of Kings

Chloe Gong

BOOK DESCRIPTION

“The only thing hotter than a character written by Chloe Gong is a betrayal written by Chloe Gong.” —Olivie Blake, *New York Times* bestselling author of *The Atlas Six*

The action-packed finale to Chloe Gong’s *New York Times* bestselling Flesh & False Gods trilogy—inspired by Shakespeare’s *Antony and Cleopatra*—brings readers the ultimate showdown for power among gods and men.

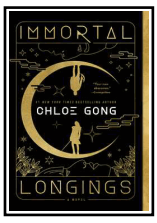

War beckons in the kingdom of Talin. On one side sits Calla Tuoleimi and Anton Makusa, and on the other, the recently dethroned August Shenzhi and Calla's own predecessor Sinoa Tuoleimi. Neither will rest until the opposition is buried. Calla assumed victory would be easy. She wears the divine crown after a violent coup, wielding the most powerful weapon in the kingdom. Then the provinces start to whisper of the old gods returning to earth, and suddenly the game board is flipped upside-down. Anton thought he aligned himself with victory. When he swore to serve as Calla’s general, he understood the battle they were waging. But he fears Calla is no longer herself with the crown. Rather, he fears that Calla is returning to who she once was. August would sacrifice anything for victory. He has waited his entire life for the throne, and surrender is not an option. In the face of age-old immortals challenging his terrain and the possibility of betrayal from his closest and most cherished guard, he must be careful who he trusts. Because when the war ends, there can only be one king.

AUTHOR BIO

Chloe Gong is the #1 *New York Times* bestselling author of the critically acclaimed Secret Shanghai novels, as well as the Flesh and False Gods trilogy. Her books have been published in over twenty countries and have been featured in *The New York Times*, *People*, *Forbes*, and more. She is a recent graduate of the University of Pennsylvania, where she double-majored in English and international relations. Born in Shanghai and raised in Auckland, New Zealand, Chloe is now located in New York City, pretending to be a real adult.

Valet

A Novel

J.P. Lacrampe

BOOK DESCRIPTION

For fans of Kevin Wilson and Andrew Sean Greer, a helper robot and his 35-year-old ward embark on a mad-cap adventure to save the fate of the family company in this whimsically speculative ode to Wodehouse's *Jeeves and Wooster*.

Cy wants nothing more than to be useful, raise his utility score, and receive the next update for his operating system. But that's easier said than done when he's tasked with helping his owner's 35-year-old son "get out of his funk." Grayson is nothing like his go-getter, CEO sister Charlotte. He didn't inherit the family robotics company when their dad passed last year, he doesn't have a master's degree, and he just can't seem to figure out the San Francisco dating scene. He'd rather eat synthesized mozzarella sticks and make pottery at his studio, Kilning Time.

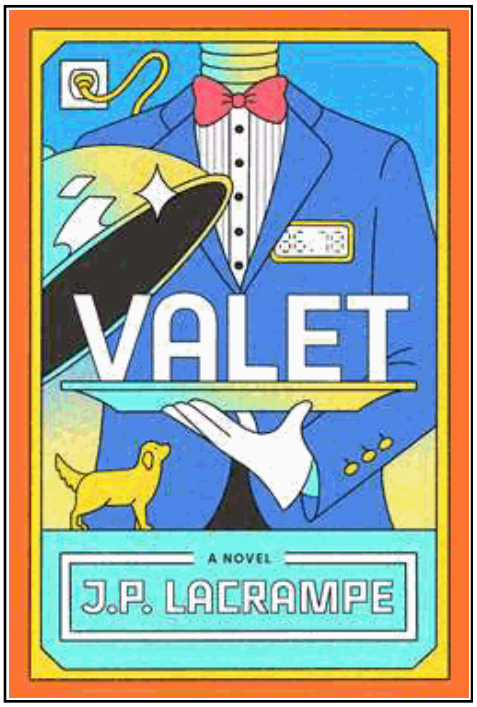

When Grayson learns of Charlotte's plan to sell the company to a tech conglomerate, he panics. It's not just the family business at stake, it's all the technology—like Cy—their dad invented over the years. So he does what anyone would do: he steals the flash drive with his father's most important work stored on it and plans a corporate takeover. If only he knew what that meant.

To make matters worse, a fellow VALET deserts his owner and asks Cy to help him hightail it out of town, Grayson's first real date—and her dog—keeping showing up at inopportune times, and the behemoth tech company wants this deal closed yesterday. Grayson, Cy, and their trusty golden retriever, Sasha III, must go on the lam until they figure out exactly what to do, and whom to trust.

A hilarious, mad-cap adventure that is as tender as it is insightful, *Valet* asks not just what it means to be human, but what it means to be family.

AUTHOR BIO

J.P. Lacrampe received his MFA in creative writing from Saint Mary's College. His short fiction has been published by *Glimmer Train*, *McSweeney's*, *Instant City*, and in *Howl: A Collection of the Best Contemporary Dog Wit*. He is a teaching professor at Santa Clara University, where he teaches courses in composition, fiction, and screenwriting.

The Castle & the Cloister

Laura E. Weymouth

BOOK DESCRIPTION

"An absolute triumph—Weymouth expertly blends politics, romance, and deep, profound meditations on motherhood into an intricate tale." —Hannah Whitten, *New York Times* bestselling author

***The Priory of the Orange Tree* meets *Black Sun* in the thrilling launch of a political fantasy duology following three people—a refugee, a heretic queen, and a priest—as they attempt to shape the fortunes of a continent shattered by war.**

Two hundred years ago, the warmongering Inver clan conquered the nation of Honoria, suppressing its pacifist goddesses, and ushering in an era of blood and battles. Now, after a brief but fraught peace, a king's whims threaten to reignite the engines of war.

At the sun goddess Raea's cloister, the last stronghold of Honoria's matriarchal religion, Fia and her infant daughter are in search of a safe haven. Fia aims to offer her child more than the poverty and abuse she was raised with, but the price of the cloister's protection will tear her from what she loves most and thrust her into a game more complex than she could imagine.

Within the Invers' mountain fortress, Ariana is known as the apostate queen. Once a follower of the goddess of stars, she left her faith for the sake of a king. But old loyalties are not easily severed. Ariana treads a dangerous path, striving for peace in a court made for conquest.

Deep in the heart of the mountain, the Inver Priest bides his time, presiding over his people's brutal religion. Blinded in the fight for the throne, he harbors a bitter grudge—one that could lead to Honoria's ruin or renewal.

Amid a treacherous landscape of enemies, allies, and intrigue, three lives will intertwine. Each will have to risk the wrath of gods and kings alike to alter the course of nations.

"At once achingly sweet and lavishly dark, Weymouth deftly weaves a tale of war, love, sacrifice and devotion." —H. M. Long

We Hexed the Moon

A Novel

Mollyhall Seeley

BOOK DESCRIPTION

***Bunny* meets *The Craft* in this speculative debut about four best friends who perform a ritual on the moon in a last-ditch attempt to hold onto one another but are forced to reckon with the consequences.**

It is the summer after high school graduation, and four island-grown best friends are about to be forced apart by their Plans for the Future. Rather than process the world of expectations bearing down on them or the secrets they've kept hidden even from one another, they perform a ritual on the moon in an impulsive fit of teen bravado.

They don't expect it to actually work.

But suddenly the moon is gone from the sky and at their sleepover, and she's not interested in going back where she came from. As the balmy August night unfolds, the girls scramble to find a human sacrifice to replace the moon before their world is plunged into chaos.

Equally tender and biting, *We Hexed the Moon* is coming-of-age at its best, cutting to the very quick of girlhood to reveal hilarious and brutally honest insights about friendship, gender, and desire.

AUTHOR BIO

Mollyhall Seeley is a writer and musician. She lives in Brooklyn, New York and can be found in various internet spaces under the name OfGeography.

The Republic of Memory

A Novel

Mahmud El Sayed

BOOK DESCRIPTION

***A Memory Called Empire* meets *Children of Time* in this Arabfuturist debut set on a generation ship on the brink of revolution as its crew begin to ask why they should toil for a people, and an empire, none of them remember.**

The Safina is a city ship halfway through its four-hundred-year voyage from the ruins of Earth to a new colony world. Its crew maintain the ship, generation after generation, while protecting their ancestors in cryostasis so that one day they will be able to enjoy a fresh start under clear blue skies.

But when blackouts start, unrest follows.

The ship can only continue running smoothly with the cooperation of the crew. And the crew has had enough. As coordinated acts of resistance coincide with a much more complex conspiracy, a chain of events is set into motion that will change life on the Safina forever.

Inspired by the real-world events of the Arab Spring, *The Republic of Memory* is a bold interrogation of empire and an energizing portrait of revolution.

AUTHOR BIO

Mahmud El Sayed is a British Egyptian science fiction and fantasy writer and translator. A former journalist, he won the 2023 Future Worlds Prize for Fantasy and Science Fiction Writers of Color for his work focusing on Arabic and Islamic–inspired themes in a genre he is calling Arabfuturism. He lives in East London where he spends his time pondering linguistic oddities and running story ideas by his cat.

The Farewitch of Foxe Holler

Ellen Pauley Goff

BOOK DESCRIPTION

***Steel Magnolias* meets *Practical Magic* in this charming contemporary fantasy about a thirty-something kitchen witch who is recruited to help a reclusive warlock and discovers love on the other side of the next bake.**

Honey Frost is Foxe Holler's dependable Farewitch. With a dash of flour and a pinch of charm, Honey carries on her family's legacy for healing any ailment with the right recipe. She just didn't expect to inherit the role twenty years early.

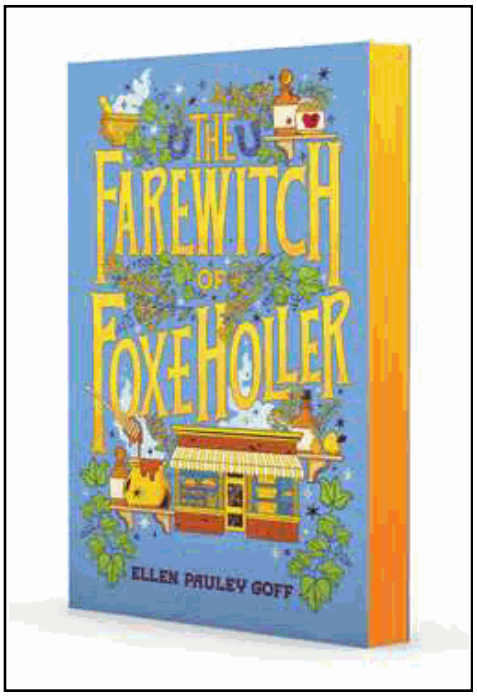

When the Holler's reclusive Warlock suddenly requests a Farewitch to cure his mysterious illness, Honey's ordered life turns upside down. Honey is reluctant to help—witches and warlocks do *not* get along. Then he tempts her with the one thing she can't resist: access to his infamous library of spellbooks and kitchen grimoires.

Soon, Honey is the newest resident of his moody farmhouse, which has one gorgeous kitchen. And a Warlock that maybe…isn't so frightful after all. Or old. Or bad looking.

Healing the Warlock would be simple if he weren't hiding a web of secrets. As Honey works to unravel his illness, a darker threat looms: the Widow Witch, who steals a soul from Foxe Holler every year, is due—and this time, she wants the Warlock.

AUTHOR BIO

Ellen Pauley Goff (she/her) was born and raised in the wilds of Kentucky. Her short fiction has appeared in the *Indiana Review*, *Hunger Mountain*, *F(r)iction*, and *New Millennium Writings*, among others. Her poetry can be found in the *Atlanta Review*, and her creative nonfiction in *The Inquisitive Eater* and *Karma Comes Before*. Ellen received her BA from the University of Chicago and her MFA dual degree in fiction and writing for children and young adults from The New School. When she's not writing or reading recipes, Ellen works in publishing and international rights. She is also the founder of a longstanding writing workshop and critique group in Manhattan, with the goal of providing publishing knowledge to emerging writers. *The Farewitch of Foxe Holler* is her debut novel.

Samantha Spük: Paranormal Wedding Planner

Aleese Lin

BOOK DESCRIPTION

Aleese Lin's delightful, spooky—or Spük-y?—contemporary romance debut is perfect for fans of *Legends & Lattes* and Netflix's *Wednesday*.

Samantha Spük is your go-to wedding planner, be it for werewolf, vampire, or fae!

...even if that's the last thing she would've imagined. Samantha "Sabby" Spük has spent her life trying to escape her family's legacy of supernatural chaos. She's finally graduated and landed a nice, *normal* 9–5 at a New York accounting firm. But then she gets the call: Grandma Rose is gone, and Sabby has been named executor of her (ahem, magically binding) will.

Now Sabby is stuck in her dreaded hometown of Salem, Massachusetts, taking on odd jobs—some very odd, like wedding planning for not-so-human locals—until she can sell the family home. At least this means a date with Hanry, the mysterious hottie Sabby meets in the neighborhood graveyard. With help from Hanry, a talking-head sidekick, and a manic pixie assistant, Sabby *might* pull these weddings off in time to salvage her accounting career…but is she ready to say goodbye to her paranormal one?

AUTHOR BIO

Aleese Lin is a fantasy writer who lives with her family in a hillside cottage overlooking Boston, Massachusetts. She is a 2022 Lambda Literary fellow, a Tin House workshop alumnus, and an educator. *Samantha Spük: Paranormal Wedding Planner* is her debut novel.

Push the Wall

My Life, Writing, Drawing, and the Art of Storytelling

Frank Miller

BOOK DESCRIPTION

From the all-time bestselling mind behind *Batman: The Dark Knight Returns*, *Daredevil*, *300*, and *Sin City*, *Push the Wall* is part memoir, part master class for budding artists and writers by one of the greatest living creators whose work has influenced pop culture for decades.

Frank Miller is our greatest living comic book writer and artist.

Frank Miller shares his life, and through, his artistic process. Miller's artistic influence is evident in so very much of our popular culture, perhaps most notably with Batman—every film adaptation from the past forty years has been influenced by Miller's work with the dark knight.

Simply, Frank Miller has transformed the way comics are told.

Here, Frank's mix of autobiographical lessons evokes Patti Smith's *Just Kids* as it weaves his struggles as a seventeen-year-old kid fresh from Vermont into a seedy 1970s New York City with his eventual success on reimagining *Daredevil* and *Wolverine*. From there to Miller's rescue and revitalization of *Batman*, to his time in Hollywood, the *Sin City* comics and film adaptations he would codirect, and the retelling of the Spartans' last stand in *300.* Miller, by constantly challenging himself as an artist and writer on his terms, built an iconoclastic career.

With over a dozen illustrations of Miller's art, *Push the Wall* is the work of his career—it is a masterclass as it encapsulates his life in sixteen lessons for the aspiring creative reader.

AUTHOR BIO

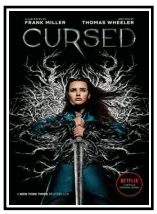

Frank Miller is an award-winning comic book writer, artist, novelist, inker, screenwriter, film director, and producer best known for *Daredevil*, *Batman: The Dark Knight Returns*, *Sin City*, and *300*, among others. He also coauthored with Tom Wheeler the young adult novel *Cursed*, which was adapted to a Netflix show. His projects have been nominated for the Palme d'Or and have won the Harvey and Eisner Awards, including those for Best Writer/Artist, Best Graphic Novel Reprint, Best Cartoonist, Best Cover Artist, Best Limited Series, and Best Short Story. In 2015, Miller was inducted into the Will Eisner Award Hall of Fame for his lifetime contribution to the industry. Miller resides in New York City. Throne of Ice and Blood

Marion Blackwood

BOOK DESCRIPTION

Selena and Draven are once more on opposite sides of a life-and-death struggle in this captivating sequel to *Empire of Flame and Thorns* that's *Fourth Wing* meets *Powerless*!

After the Atonement Trials, Selena is trying to navigate her new life outside the Seelie Court. The world is very different from what she imagined, but her mission remains the same. Using every skill she has, she is going to help the secret resistance take down the Iceheart Dynasty.

But that path yet again sets her on a collision course with Draven Ryat. While the rebellion plots a daring scheme, important people start turning up dead. Draven is tasked with solving the murders. Selena is trying to help the killer. If either one of them fails, they will face dire consequences.

When blood stains the ice and dangerous secrets are brought to light, Selena must decide if she is willing to doom Draven in order to achieve her own goals. After everything that has happened between them, their relationship is already complicated. But now, with their very lives on the line, their tangled feelings for each other might destroy them both.

AUTHOR BIO

Marion Blackwood is the author of The Oncoming Storm series, the Court of Elves series, the Ruthless Villains series, the Ruthless Enemy trilogy, and the Flame and Thorns series. She has a master's degree in English and history education, and she worked as a high school teacher before becoming a full-time author. When she's not busy writing fantasy books or traveling the world, she reads, binges shows, and loses at video games. Marion has previously lived in the US and China, but now she once again calls the beautiful country of Sweden home. To find out more, visit MarionBlackwood.com.

Throne of Ice and Blood

Marion Blackwood

BOOK DESCRIPTION

Selena and Draven are once more on opposite sides of a life-and-death struggle in this captivating sequel to *Empire of Flame and Thorns* that's *Fourth Wing* meets *Powerless*!

After the Atonement Trials, Selena is trying to navigate her new life outside the Seelie Court. The world is very different from what she imagined, but her mission remains the same. Using every skill she has, she is going to help the secret resistance take down the Iceheart Dynasty.

But that path yet again sets her on a collision course with Draven Ryat. While the rebellion plots a daring scheme, important people start turning up dead. Draven is tasked with solving the murders. Selena is trying to help the killer. If either one of them fails, they will face dire consequences.

When blood stains the ice and dangerous secrets are brought to light, Selena must decide if she is willing to doom Draven in order to achieve her own goals. After everything that has happened between them, their relationship is already complicated. But now, with their very lives on the line, their tangled feelings for each other might destroy them both.

AUTHOR BIO

Marion Blackwood is the author of The Oncoming Storm series, the Court of Elves series, the Ruthless Villains series, the Ruthless Enemy trilogy, and the Flame and Thorns series. She has a master's degree in English and history education, and she worked as a high school teacher before becoming a full-time author. When she's not busy writing fantasy books or traveling the world, she reads, binges shows, and loses at video games. Marion has previously lived in the US and China, but now she once again calls the beautiful country of Sweden home. To find out more, visit MarionBlackwood.com.

Court of Lies and Deceit

Marion Blackwood

BOOK DESCRIPTION

Selena struggles to navigate the Unseelie Court's tangled web of intrigue in this captivating third book in the Flame and Thorns series that's *Fourth Wing* meets *Powerless*!

A desperate mission takes Selena and her friends to the Unseelie Court. But making deals with the cunning fae of that realm is dangerous. When the Unseelie King forces them into a bargain in exchange for the help they so sorely need, they are pulled into a lethal scheme. To survive it, they must beat the Unseelie King at his own game.

However, their chances of making it out alive are slim when the deck is stacked against them and their own strained relationships are causing turmoil within the group. Winning would mean that they are one step closer to taking down the Iceheart Dynasty. But if they lose, it could mean the end of life as they know it.

Secret agendas, hidden truths, and complicated feelings push Selena and her friends to the breaking point. Can they survive this dangerous scheme, or will their ambition cost them everything?

City of Souls and Sinners

Kayla Edwards

BOOK DESCRIPTION

Loren and Darien are forced to keep secrets that threaten to tear them apart in the second book in the gripping urban romantasy House of Devils series, perfect for fans of Ilona Andrews, Sarah J. Maas, and Cassandra Clare.

Something wicked is coming…

Loren Calla and Darien Cassel have settled back into their old routines, grateful the whirlwind of dangers they'd faced on Kalendae and the weeks leading up to it are now behind them—or so they think.

Loren soon finds herself caught in a new storm of trouble when the Terran Imperator blackmails her into working for him. There's only one problem: he expects her to use her magic, and she doesn't have any left. To keep Darien and the other Devils safe, she agrees to everything the imperator asks of her. But the secrets she is forced to keep from Darien and her involvement with the imperator's son threaten to drive her away from Darien in ways she might never recover from…

As Randal Slade's successor, Darien wants nothing to do with his father's throne, but the city of Angelthene has other plans. The Magical Protections Unit asks for his help in taking down the illegal arms trade his father once dabbled in, and to do that, Darien must claim his place at the top of the Darkslayers—a crown the other circles are willing to kill to possess.

As he spirals deeper into the secrets his father kept, he makes enemies of friends and friends of enemies—and finds himself buried so deep in Angelthene's underbelly that he is uncertain he'll ever get out of it. And if that weren't enough, Darien fears he is going crazy when creatures appear that only he can see…

AUTHOR BIO

Kayla Edwards is the author of the new adult House of Devils series, including *City of Gods and Monsters*, *City of Souls and Sinners*, *City of Lies and Legends*, and *City of Smoke and Brimstone*. She also wrote the upper young adult romantasy novel *Dreams of Ice and Iron*. She started writing *City of Gods and Monsters* when she was in high school, so the characters and the world they live in are very close to her heart. When she isn't writing, she enjoys traveling, spending time in nature, and binge-watching her favorite television shows with her husband. You can connect with her Facebook readers' group Dare's Devils or follow her on Instagram, BookTok, and Pinterest @KaylaEdwardsAuthor.

Splintered Kingdom

Gretchen Powell Fox

BOOK DESCRIPTION

In this second epic romantasy in the Best of #BookTok Shattered Crown trilogy perfect for fans of *Throne of Glass* and *The Serpent & the Wings of Night*, Elyria and Cedric's consuming passion ignites as they work to maintain the fragile peace between their realms. Featuring bonus chapters, a book club guide, and a Q&A with Sir Cedric Thorne himself!

Elyria Lightbreaker may have survived the Arcane Crucible, but the scars of the deadly trials remain. Haunted by betrayal, Elyria must master the darkness within her and reclaim the Crown of Concord before the human and fae realms are plunged back into war. Yet every step forward brings her closer to Cedric Thorne, the human knight who poses an entirely new danger to her heart.

Cedric sacrificed everything to claim victory for humankind, only to be burdened with powers he cannot control—and bound to Elyria, the fae warrior he cannot forget. But as tensions rise and his kingdom splinters, the truth of his past may just be the hardest thing to face.

Secrets divide. Loyalties fracture. And desire, reckless and consuming, threatens to shatter the fragile alliance between Arcanis and Havensreach.

In a land where shadows whisper and enemies lurk in plain sight, Elyria and Cedric must decide whether their connection is salvation…or the spark that will set their world ablaze.

AUTHOR BIO

Gretchen Powell Fox grew up with her head in the clouds and her nose buried in books. Now she crafts fantastical stories, along with the fiery heroes destined to change them for the better. Her creative process involves sleeping fitfully and consuming copious amounts of Sour Patch Kids. You can usually find her crying when she's happy, sad, mad, or excited; singing along to Taylor Swift; eating xiao lóng bao; or strumming her ukelele. Gretchen lives with her husband and two wild, wonderful children in northern Virginia. Visit her online at GretchenPowellFox.com and follow her @GretchenWritesBooks.

A Bargain So Bloody

Vasilisa Drake

BOOK DESCRIPTION

For the first printing only! This hardcover features gorgeous sprayed edges while the special edition supply lasts.

A young woman confined in a magical prison must make a deal with the most dangerous prisoner inside if she hopes to escape in this first book in a spellbinding new vampire romantasy series perfect for fans of *From Blood and Ash* and *Shield of Sparrows*.

Imprisoned for a crime she didn't commit, Samara is bullied by guards and tormented by the screams of her fellow prisoners. She's resigned herself to enduring her fifteen-year term…until she learns the freedom she's been promised is nothing but a cruel lie.

Now Samara is faced with a brutal choice: die within the cold walls of Castle Greymere or do the unthinkable and escape. But no one leaves Greymere alive. So to break out, she'll need help from one of the undead.

Raphael is the worst kind of monster: a vampire with a thirst for blood—and the same breed that killed her mother. He's also unspeakably powerful, his supernatural strength tamed only by the enchanted cuffs forced on him. Most importantly, he is Samara's only chance at a life outside the prison walls.

The deal is simple: Samara unlocks his shackles, and Raphael helps her escape. But he never promised to let her go once they flee the castle…

This dangerously alluring fantasy romance is perfect for readers who love: a searing slow burn, morally gray heroes who fall first and hard, the touch her and die trope, the only one horse trope, and heroines who find their own strength.

Vasilisa Drake adores dragons, magic, and men who like to bite. She writes fantasy romance books with heroines that find their own strength and capture the hearts of morally gray men—just be warned, those cliffs are steep…but there's always a happy ending on the other side. She is based in New England and is constantly bouncing from city to city while she tries to find her home amidst overpriced rental apartments. She can be found staying up way too late reading, organizing her bookshelf over and over, and winning the imaginary arguments in her head at least thirty percent of the time. You can follow Vasilisa on TikTok and Instagram @VasilisaDrakeBooks.

It Could Have Been Her

A Novel

Lisa Jewell

BOOK DESCRIPTION

#1 *New York Times* bestselling author Lisa Jewell brings her "thrilling, chilling" (Chris Whitaker) suspense to this shocking new thriller about a lost dog, a missing woman, and a house of long buried secrets.

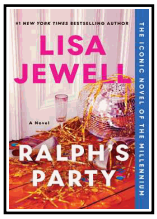

Jane Trevally is walking her dogs on her country estate one May afternoon when a small white dog appears. The teenaged girl that had been staying nearby with the dog is nowhere to be found, and Jane decides to return it to his registered owner hours away in London, in the deepest backwaters of Hampstead. But when Jane arrives, she is immediately unsettled—because she has a dark history with this house.

The man who answers the door tells her the dog, Hugo, must have been stolen from the Heath, but Jane very much doubts that is true. Through the window, she catches a glimpse of a haunted-looking woman, not the missing girl she'd hoped to find.

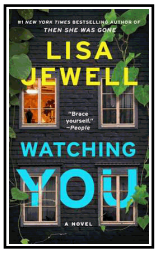

Facing a crossroads similar to the one that first led her to this home twenty-five years ago, Jane knows that the house holds the key—to the missing teenager, to the lost dog, and to dark secrets they'd all rather leave buried.

AUTHOR BIO

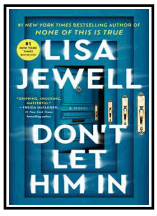

Lisa Jewell is the #1 *New York Times* bestselling author of twenty-four novels, including *Don't Let Him In*, *None of This Is True*, *The Family Upstairs*, and *Then She Was Gone*, as well as *Invisible Girl* and *Watching You.* Her novels have sold more than fifteen million copies internationally, and her work has also been translated into over thirty languages. Murder at the Spirit Lounge

A Novel

Jess Kidd

BOOK DESCRIPTION

In the second installment of the Nora Breen Investigates series—"perfect for cozy mystery lovers" (*Book Riot*)—beloved former nun Nora Breen returns, this time to track down a ghostly killer before it's too late.

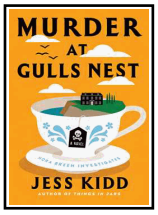

When Dolores Chimes, a famous medium, arrives in Gore-on-Sea, even surly Detective Inspector Rideout is lured in by her promises of messages for the afterlife.

But after a reading goes disastrously wrong, Dolores loses her life—and the six sitters at the séance with her fall victim to supernatural deaths themselves in the days following the nightmare of a reading.

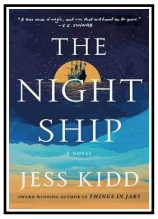

Determined to unveil the truth, Nora finds herself chasing a ghostly serial killer she believes to be responsible, before the sixth victim—Detective Rideout himself—perishes along with the others.

Habits of the Sea

A Novel

Shea Ernshaw

BOOK DESCRIPTION

The second adult novel from *New York Times* bestselling author Shea Ernshaw, in which a woman rediscovers the mythical island she stumbled upon as a child—and the man she once met who apparently hasn't aged—and must choose between the life she's built and a love that defies the laws of time and nature.

The night Clay Lockhart's wife dies, a violent storm tears their home—and the eight hectares of land beneath it—away from the Scottish coast, sending it adrift into the Atlantic. Thirty years later, twelve-year-old Ellie Mills discovers the fabled floating island off the coast of Nova Scotia and finds Clay still living in the weatherworn farmhouse perched on its highest hill.

When the island vanishes overnight, Ellie is left questioning whether it ever existed at all. But decades later, now in her thirties, the island resurfaces—and Ellie returns, determined to uncover the truth. What she finds is even stranger: Clay hasn't aged a single day.

Faced with the impossible, Ellie learns that some mysteries aren't meant to be solved—and that a life shaped by wonder may hold more promise than one bound by certainty.

Spanning centuries and coastlines, *Habits of the Sea* is a haunting, romantic journey through time, memory, and the invisible tides that pull us home.

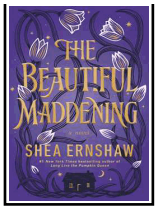

AUTHOR BIO

Shea Ernshaw is a #1 *New York Times* and *USA TODAY* bestselling author of *The Wicked Deep*, *Winterwood*, *A Wilderness of Stairs*, *Long Live the Pumpkin Queen*, and *A History of Wild Places*. Her books have been published in over twenty countries and repeatedly chosen as Indie Next Picks. She lives in a small mountain town in Oregon and is happiest when lost in a good book, lost in the woods, or writing her next novel. Visit her online at SheaErnshaw.com.

The Players Club

A Novel

Rachel Mills

BOOK DESCRIPTION

For fans of *Lessons in Chemistry* and *Eleanor Oliphant Is Completely Fine*, a bold, big concept debut about a secret club of women who risk everything to ask the question: *If you could be anyone…who would you dare to become?*

Beth Greenwood has spent her life playing it safe. She's been a graphic designer at the same company for a decade, she dutifully meets men from the apps for dinner and sometimes casual sex, she thinks about decorating her sterile, small apartment. Her comfort and joy are her Sunday catch-ups with her sister Elspeth, whose perfect life, very different from Beth's, has recently started to unravel.

One day, Beth meets a woman who invites her to join a secret club. It's not knitting or books; it's living out an experience you've always wanted to have. Cirque du Soleil acrobat, gonzo graffiti artist, performer in the BDSM underground scene: these women will get you everything you need in order to—temporarily—be the person you might have been, had your life taken one or two different turns.

At first Beth is dazzled by her new friendships and the opportunity they offer her to test the boundaries of her identity, to escape from her quiet, ordinary life. But even the best of clubs can offer only so much distraction, and when the stakes of Beth's real life become uncomfortably high, she must ask herself, really and truly, who she's going to choose to be, and who is going to nurture her when she needs it most.

The Players Club is a high-concept but grounded debut about the power of female friendship, the bonds that hold us in place, the human need for creativity, and the seductive possibility of reinvention. As immersive as it is incisive, it introduces Rachel Mills as a wise and warm chronicler of the human heart.

AUTHOR BIO

Rachel Mills is Director and literary agent at Rachel Mills Literary. She is a regular contributor across UK media, including The Telegraph, Front Row, The Times and as a columnist for the Bookseller.

The Fourth Option

A Novel

Jack Carr and M.P. Woodward

BOOK DESCRIPTION

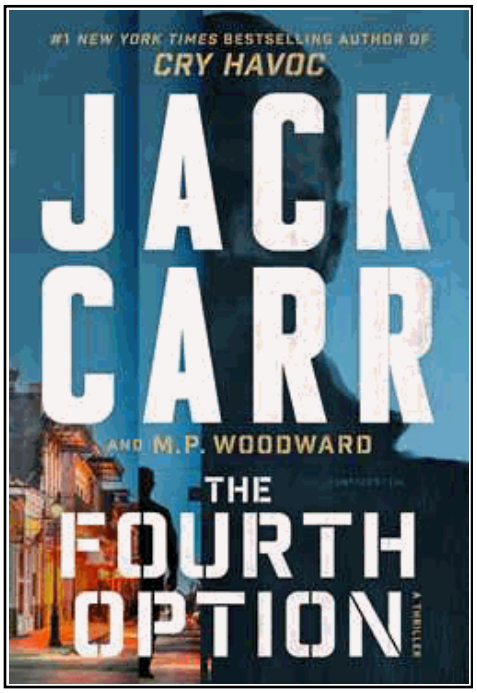

When law enforcement, the courts, and the prison system fail, there is a fourth and final option. #1 *New York Times* bestselling author Jack Carr launches a new thriller series cowritten with *New York Times* bestselling author M.P. Woodward.

Disillusioned by the government and institutions he dedicated his life to serving, former Navy SEAL and CIA ground branch operative Chris Walker is about to end his life when he receives a call that saves it. The wife of a teammate he lost in Afghanistan has now lost her son to the opioid crisis and needs Walker's help. Thrust into a conspiracy that goes deeper than he ever imagined, Walker must go up against the system and the very Constitution he once swore an oath to support and defend in order to find justice for his friend's widow.

With ambitious FBI agent Jarrett Stanton on his tail, Walker—accompanied by his loyal Belgian Malinois K-9 and using his off-the-grid VW pop-up camper filled with a hidden cache of weapons—takes justice into his own hands, exposing corruption and issuing a long-forgotten brand of lethal outlaw justice.

In the tradition of the great "stranger comes to town" Westerns of the past comes a modern interpretation of the mysterious vigilante gunslinger legend from "the hottest author on the thriller scene today" (*The Real Book Spy*). Get ready for a new kind of hero. Justice is coming.

Jack Carr is a former Navy SEAL who led special operations teams as a team leader, platoon commander, troop commander, and task unit commander. Over his twenty years in Naval Special Warfare, he transitioned from an enlisted SEAL sniper to a junior officer leading assault and sniper teams in Iraq and Afghanistan, to a platoon commander practicing counterinsurgency in the southern Philippines, to commanding a special operations task unit in the most Iranian influenced section of southern Iraq throughout the tumultuous drawdown of US Forces. Jack retired from active duty in 2016 and lives with his wife and three children in Park City, Utah. He is the author of *The Terminal List*, *True Believer*, *Savage Son*, *The Devil's Hand*, *In the Blood*, *Only the Dead*, *Red Sky Mourning*, and *Targeted: Beirut*. His debut novel, *The Terminal List*, was adapted into the #1 Prime Video series starring Chris Pratt. He is also the host of the top-rated *Danger Close* podcast. Visit him at OfficialJackCarr.com and follow Jack on Instagram, X, Facebook, and YouTube @JackCarrUSA.

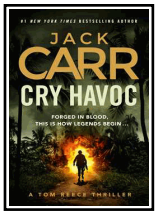

M.P. Woodward is the *New York Times* bestselling author of the Jack Ryan, Jr. series and The Handler CIA espionage series (*The Handler* and *Dead Drop*). He served as a US naval intelligence officer before going on to an international career in tech and streaming media. He lives in Redmond, Washington.

Choke Point

A Thriller

Brad Thor

BOOK DESCRIPTION

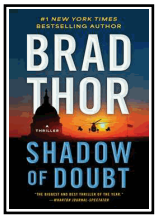

Every betrayal begins with a lie...

#1 *New York Times* bestselling author Brad Thor thrills with his new summer blockbuster starring Scot Harvath.

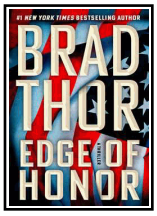

While all eyes are on Taiwan, China makes a stunning move against Thailand. Using a series of proxies, it plunges the country into chaos, looking to capture a narrow, but critical piece of land, which will give it the upper hand over the United States and help the Chinese Navy dominate both the Indian and Pacific Oceans. With the new American president unwilling to openly commit troops or intelligence personnel, Scot Harvath and his team are called into service. Their assignment: to track down an American turncoat—a former teammate of Harvath's who is assisting Beijing. What they will discover, however, is China's most elite espionage unit and their plans not only for Thailand's collapse, but also America's.

AUTHOR BIO

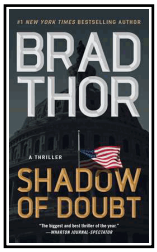

Brad Thor is the #1 *New York Times* bestselling author of twenty-five thrillers, including *Edge of Honor*, *Black Ice* (*ThrillerFix* Best Thriller of the Year), *Near Dark* (one of *Suspense Magazine*'s Best Books of the Year), *Backlash* (nominated for the Barry Award for Best Thriller of the Year), *Spymaster* ("One of the all-time best thriller novels" —*The Washington Times*), *The Last Patriot* (nominated Best Thriller of the Year by the International Thriller Writers association), and *Blowback* (one of the "Top 100 Killer Thrillers of All Time" —NPR). God's Country

A Novel

William Kent Krueger

BOOK DESCRIPTION

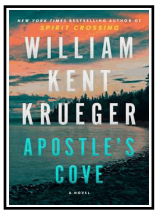

From the *New York Times* bestselling author of *The River We Remember*, a new mystery in the wildly popular Cork O'Connor series.

Cork O'Connor, preparing for a family trip into the Boundary Waters, is troubled by ominous visions about his future. Ignoring the warnings, he uncovers signs of violence while searching for his missing friend, Cordell Bishop. Soon, he is forced to negotiate with dangerous criminals, the Kennedy brothers, who are seeking their late father's hidden stash.

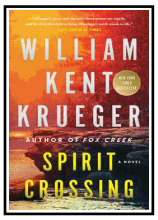

Facing escalating danger and difficult choices, Cork grapples with his darkest instincts as he helps others escape and eventually takes justice into his own hands. *God's Country* is an action-packed thrill ride that will keep readers on the edge of their seats.

AUTHOR BIO

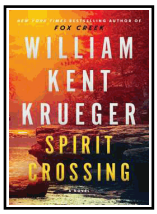

William Kent Krueger is the *New York Times* bestselling author of *The River We Remember*, *This Tender Land*, *Ordinary Grace* (winner of the Edgar Award for best novel), and the original audio novella *The Levee*, as well as twenty acclaimed books in the Cork O'Connor mystery series, including *Spirit Crossing*, *Fox Creek*, and *Lightning Strike*. He lives in the Twin Cities with his family. Learn more at WilliamKentKrueger.com.

A River Red with Blood

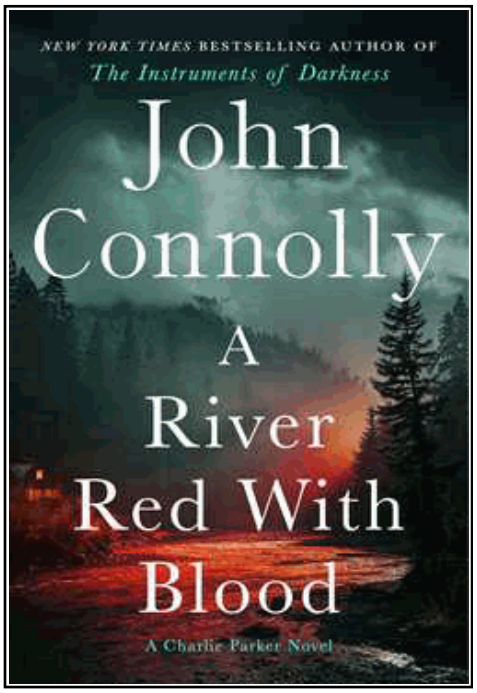

A Thriller

John Connolly

BOOK DESCRIPTION

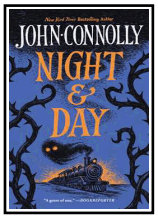

Two intertwined disappearances leave a rural community in shock in the latest gripping Charlie Parker novel from *New York Times* bestselling author John Connolly.

In a darkly brilliant thriller set in Maine's rural Kennebec River Valley, the body of a young runaway from a "troubled teens" school has been found in the water, seemingly drowned, while a teenage girl has gone missing, believed dead. Now it is up to one man, private investigator Charlie Parker, to find the connection, and bring two evils—one new and one ancient—to an end…

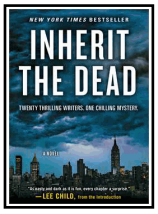

AUTHOR BIO

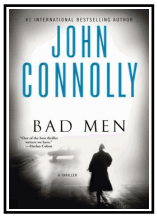

John Connolly is the author of the #1 internationally bestselling Charlie Parker thrillers series, *The Book of Lost Things* and its sequel *The Land of Lost Things*, the Samuel Johnson Trilogy for younger readers, and (with Jennifer Ridyard) the Chronicles of the Invaders series. He lives in Dublin, Ireland. For more information, see his website at JohnConnollyBooks.com, or follow him on X and BlueSky @JConnollyBooks.

Desert Heist

A Thriller

Alex Dekker

BOOK DESCRIPTION

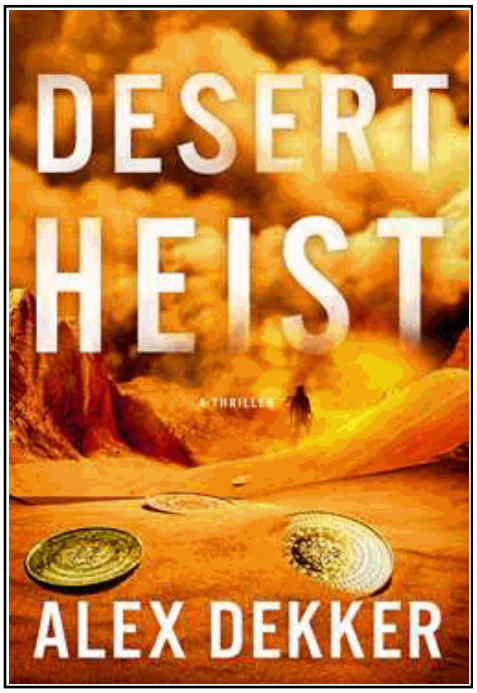

A former Green Beret and aspiring archaeologist's expedition to uncover a long-lost ancient civilization turns deadly in this explosive thriller teeming with adventure and discovery.

Nate Wilde is a former Green Beret and aspiring Harvard archaeologist. Leaving the military after a catastrophic deployment that ended with most of his team dead or injured, he chooses to pursue his passion for history. When his dissertation proposal to search for the legendary lost city of Ubar in Saudi Arabia is rejected by the Harvard examining committee and his expedition permit is denied by the Saudi government, Nate resolves to continue his research by any means necessary. And the only path left to him is to enter Saudi Arabia's Empty Quarter through war-torn Yemen, the same sands where his brothers lost their lives years ago.

Knowing he's going back into harm's way, Nate turns to the only men left alive that he truly trusts—Sergeant Benjamin "Wally" Walton, a medic formerly with the British Special Air Service; Shane Price, UFC fighter turned Green Beret and an affluent playboy; and Sergeant Tim McBride, Nate's former best friend and a true warrior. Along the way the group meets Ana Metry, a geologist of Egyptian heritage searching for her missing father, whose research is key to Nate's quest.

Hunted by a former Spetsnaz soldier who works for a shadowy organization with unknown goals, and chased through the desert by al Qaeda terrorists, the former commandos must utilize the skills of their past profession in a race to discover whether the city truly exists, as well as uncover a deeper geopolitical mystery with resounding global ramifications.

Alex Dekker served as a member of the United States Army Special Forces Green Berets for nearly twenty years, first with 5th Special Forces Group and then as a special operations team member assigned to the United States Army Special Operations Command. He has deployed multiple times to Iraq, Afghanistan, and other locations worldwide, and has attended multiple advanced tactical and technical schools within the US Special Operations community and interagency. Alex has traveled to dozens of countries for work and personal adventures and has spent years living abroad. He is an avid student of history who has participated as a volunteer in numerous archaeological digs, is an Arabic speaker, and holds a master's in applied Intelligence from Georgetown University. When not traveling, Alex lives in Northern Virginia with his wife Savannah, a former CIA operations officer, their children, and their German Shepherd Donovan.

The Silent Appeal

A Novel

Janice Hallett

BOOK DESCRIPTION

From "modern Agatha Christie" (*The Sunday Times*, London) Janice Hallett, a follow-up to her blockbuster debut novel *The Appeal*, featuring the Fairway Players as they put on Agatha Christie's play *The Hollow* and find themselves embroiled in murder, blackmail, and betrayal once again.

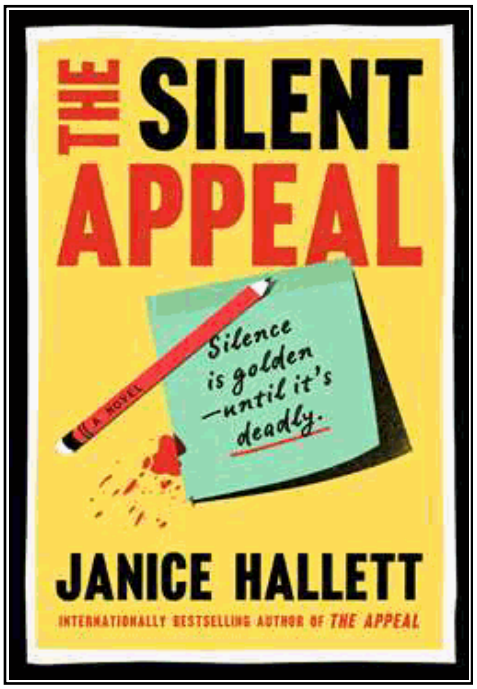

Welcome back to Lower Lockwood. The Fairway Players return with Sarah-Jane and Kevin MacDonald as committee cochairs. This year, they have chosen to stage Agatha Christie's *The Hollow*. But auditions aren't their only problem: Sarah-Jane's sister, Nicky-Rose, is suddenly back in town under mysterious circumstances, having sold her home in Barbados, left her business providing entertainment on cruise ships, and moved back into their mother Carol's house.

As always, they're short on men, and new Player Fran Elroy-Jones enlists a young married couple and the husband's cousin to join. But no one wants to play the part of the hated Gerda, leaving Kevin and Sarah-Jane with no option but to reach out to an old member they know would be happy to perform in any role.

As with any production, tensions run high, and our intrepid lawyers Femi and Charlotte are tasked with uncovering exactly what happened on the opening night of *The Hollow*—and whether the correct person has taken the blame.

AUTHOR BIO

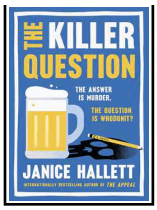

Janice Hallett is a former magazine editor, award-winning journalist, and government communications writer. She wrote articles and speeches for, among others, the Cabinet Office, Home Office, and Department for International Development. Her enthusiasm for travel has taken her around the world several times, from Madagascar to the Galapagos, Guatemala to Zimbabwe, Japan, Russia, and South Korea. A playwright and screenwriter, she penned the feminist Shakespearean stage comedy *NetherBard* and cowrote the feature film *Retreat.* She lives in London and is the author of *The Silent Appeal*, *The Killer Question*, *The Examiner*, *The Mysterious Case of the Alperton Angels*, *The Christmas Appeal*, *The Twyford Code*, and *The Appeal.*

The May House

A Novel

Jillian Cantor

BOOK DESCRIPTION

Three adult sisters inherit a beach house from their grandmother on the condition they return every May to spend one week together, unearthing family secrets, unrequited love, and the deep bonds of sisterhood in this shimmering new novel from the *USA TODAY* bestselling author of *The Fiction Writer* and *Beautiful Little Fools.*

No matter what's going on in the May sisters' lives, the one thing they can rely upon is seeing each other for one week each year, while staying at their grandmother's beachside home in gorgeous Coronado. As adults, Julia, Emily, and Nora aren't particularly close, spread out across the country and busy with careers, relationships, and the minutia of life, but their promise to Grandma Vera keeps them anchored together, if only for one week every May.

One year Julia, the oldest and most dependable sister, doesn't show. And suddenly Nora and Emily start to question how much they truly know about their sister's life. Told in alternating points of view, spanning from their time together with Grandma Vera as kids into their adult lives, *The May House* explores how a decades-long family secret has unknowingly shaped each sister and, ultimately, how it brings them closer together.

Funny, poignant, and brimming with heart, *The May House* is an irresistible story about the special bond between sisters and figuring out what matters most in life, in all its ups and downs.

AUTHOR BIO

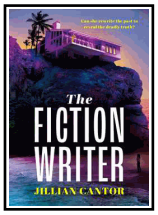

Jillian Cantor has a BA from Penn State University and an MFA from the University of Arizona. She is the *USA TODAY* and internationally bestselling author of fifteen novels for teens and adults which have been translated into fifteen languages. Cantor currently lives in Arizona with her husband and two sons. Find out more at JillianCantor.com.

The Tuxedo Society

A Novel

Paul Rudnick

BOOK DESCRIPTION

If Guy Ritchie directed an episode of *Queer Eye*, it might look something like this hilarious and action-packed spy thriller by Paul Rudnick, acclaimed screenwriter and author of *Farrell Covington and the Limits of Style*, that blends espionage and social commentary, with an elite, gay secret society.

They are fierce patriots. They are licensed to kill. And they are really, really gay. Welcome to democracy's secret weapon, the Tuxedo Society.

When Andrew Birnbaum, a struggling actor making ends meet by working in a candle shop, gets invited to have dinner with the exclusive Tuxedo Society by his best friend, Brock, his life takes an unexpected turn. What seems like a group of wealthy socialites gathering for gossip and cocktails quickly spirals into a world of espionage, danger, and hilarity.

Andrew soon meets Reggie O'Malley, a Navy SEAL with a penchant for black tie, who recruits Andrew to join the society's covert mission to protect national security. Armed with gadgets like an inflatable life raft backpack, a yoga mat that doubles as an assault rifle, and, of course, an AMEX Black Card, Andrew quickly finds himself tackling spies, thwarting assassinations, and facing a host of unexpected threats in settings from the White House to the Vatican to the Summer Olympic Games.

The stakes escalate when Andrew and his comrades are sent on a jet-setting mission to uncover the truth about an ancient artifact. Along the way, they clash with oligarchs, crooked senators, and a smarmy televangelist with sinister plans for world domination.

Packed with Paul Rudnick's signature wit, *The Tuxedo Society* is a wild ride through decadence, danger, and unexpected heroism, as Andrew discovers that saving the world might just be the role he's been waiting for.

When Mikan Road Was Ours

A Novel

D.K. Furutani

BOOK DESCRIPTION

Winner of Simon & Schuster's Books Like Us contest, a gripping, sincere debut novel set across four generations of a Japanese American family living in California's vibrant agricultural heartlands, exploring the sharp edges of inheritance and what it means to truly belong.

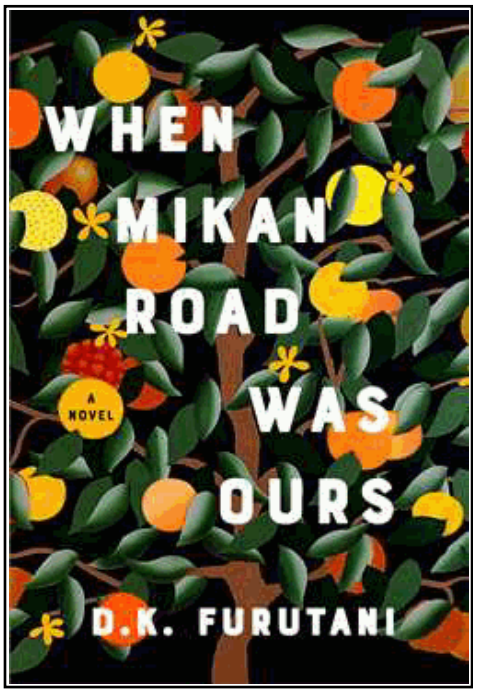

Amidst a sweltering Los Angeles heat wave, Murano, a reclusive high school English teacher, is muddling through life. Reeling from his father's sudden death as well as his own recent cancer diagnosis, he passes time hazily grading papers and appeasing disgruntled parents while counting down each day until summer vacation.

The monotony breaks when he inherits his great-uncle Benjiro's unpublished memoir. What Murano expects to be a grim reminder of his position as the half-white son of the family's outcast instead whisks him away to 1930s California, to a time when the Murano family was inseparable, relishing life together on their bucolic farm. As the memoir introduces him to relatives he never knew existed and unearths hidden complexities of the past, Murano is pulled close to the Japanese identity he's dismissed all of his life. Faced with the reality of his family's dissolution, Murano becomes determined to understand its breaking point following their incarceration in American concentration camps during World War II, no matter what hidden truths he might uncover about his ancestors or himself.

Lovingly crafted with poignant and profound attention to historical detail, *When Mikan Road Was Ours* is a rich meditation on belonging that seamlessly blends the intricacies of heritage, the resilience of family bonds, and the struggle to reconcile a past filled with both heartache and hope.

AUTHOR BIO

Born and raised in Southern California, D.K. Furutani is the author of *When Mikan Road Was Ours*, winner of Simon & Schuster's third-annual Books Like Us contest. His work has received support from the Periplus Collective and the Tin House workshops. He resides in Los Angeles with his wife and three cats.

Deathbringer

A Novel

Sonia Tagliareni

BOOK DESCRIPTION

For fans of Naomi Novik and Kerri Maniscalco, a dark academia romantasy steeped in necromancy, forbidden love, and a twisty murder mystery about a death mage who hates her magic and a poison mage who hates her that are forced to work together to stop a killer before one of them is next.

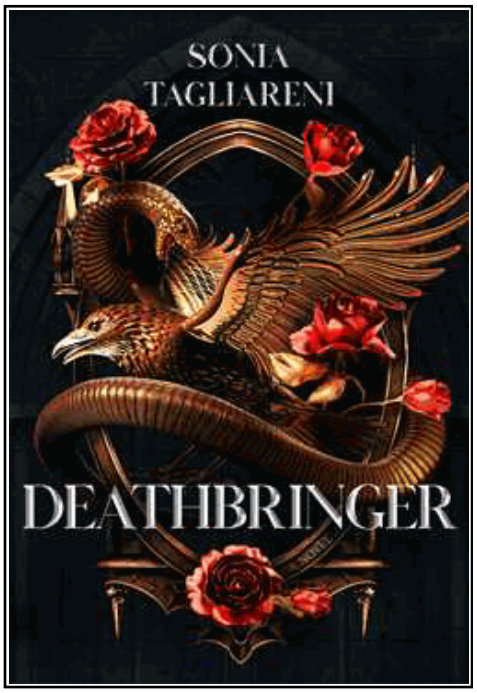

Born with the ability to speak with the dead, Viola's magic killed her sister, Olivia, and if she doesn't learn why, it will kill her too. Her only hope lies within the perilous walls of Gorhail Institute of Magic, where Olivia spent her final days.

There, Viola clashes with Sylas, a poison mage whose magic stems from three magical snakes. Immortal, tormented, and reckless, Sylas is tethered to a life he never asked for and haunted by guilt for his father's death. His hatred for death mages runs deep, and he's determined to keep Viola at a distance. But when an attack forces him to heal her, their fates become intertwined by a magical bond that threatens to upend his loyalties—and his common sense.

As more students start turning up dead, Viola and Sylas are drawn into an uneasy alliance that pulls them deeper into Gorhail's treacherous passageways, where secrets fester beneath the stone and the dead do not rest. And as enemy lines begin to blur and their undeniable attraction grows, Viola and Sylas uncover a chilling conspiracy: someone is hunting mages for their magical relics, and if they can't uncover the killer in time, Viola will be next.

AUTHOR BIO

Sonia Tagliareni is a fantasy author who's always looking for the next best cup of tea. The first story she wrote was a murder mystery for French class at thirteen, and rumor has it the murderer outsmarted her but also left her with a deep love of storytelling. Born and raised in Mauritius, she moved to the United States before deciding she prefers to hop around the world. If she's not glued to her laptop, you can find her dragging her husband and son to high tea. Visit SoniaTagliareni.com for more information.

The Devoted

A Novel

Catherine Cho

BOOK DESCRIPTION

In this emotionally transportive literary debut about family and fate, a young Korean woman whose father is a leader in an infamous crime organization becomes entrenched in the dangerous world she once sought to escape.

Raised in Hong Kong by their Korean grandmother in a quiet village, Eunha and her brother Solomon live a sheltered life. Their father is a Dragon Head, a leader within the infamous criminal organization of the Triads. While their beloved grandmother does her best to shield the children from the constant hum of violence and fear that surrounds their father and his world, Eunha only has Solomon and their one permitted companion, a boy named Kai, for company.

But as Eunha grows up and marries into a supposedly respectable Hong Kong family, the veneer of her careful life begins to crack. When her young son is kidnapped, she is cast into the city's criminal underground and back into the orbit of Kai, now a Dragon Head himself.

Will Eunha finally give in to the life she has strived so hard to rise above or was her future always fated?

The Devoted is at once a sweeping family drama, a moving account of forbidden love, and a story about a woman's determination to choose her own destiny.

AUTHOR BIO

Catherine Cho is the acclaimed author of *The Devoted* and the memoir *Inferno*. She was shortlisted for *The Sunday Times* Young Writer of the Year 2020 and shortlisted for the Jhalak Prize. Catherine also runs her own literary agency Paper Literary. Originally from the United States, she now lives with her family in London.

The Final Chapter

A Novel

C.B. Everett

BOOK DESCRIPTION

From the author of the "blackly funny" (John Connolly, *New York Times* bestselling author) *The Other People*, a gripping book-within-a-book thriller exploring the disappearance of a famous author through the pages of his coded espionage novel. Perfect for fans of Anthony Horowitz and Janice Hallett.

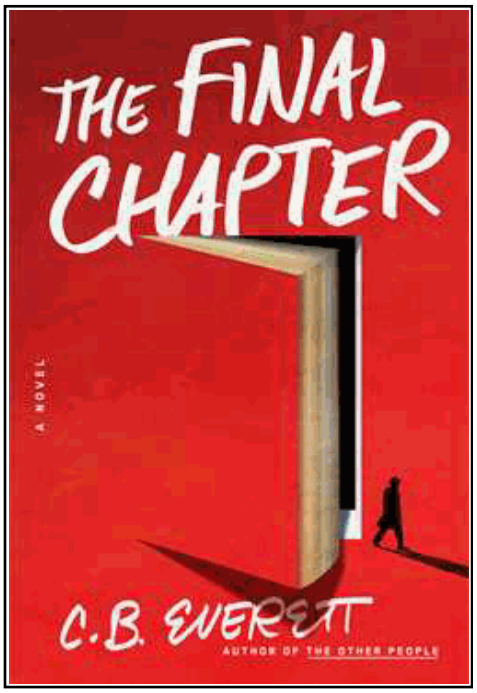

Ten years ago, a bestselling, critically acclaimed literary author disappeared without a trace…and without a final novel. In recent days, that missing manuscript has surfaced, but strangely enough, it's not another genius work of literary fiction, but an espionage novel full of all-too-stereotypical spycraft and James Bond-like twists.

His former publisher has asked the author's best friend—and fellow author named C.B. Everett—to annotate the novel with details from real life to give the strange novel context within his larger oeuvre. But as C.B. reads, he finds the espionage thriller is filled with references to events and people who feel a little too familiar, and soon he's wondering if the novel might in fact be a key to his missing friend's disappearance. There's text and subtext aplenty, and C.B. is determined to learn once and for all what happened to his friend through solving the mystery woven into the pages. But the final chapter may hold secrets darker and more threatening than anyone anticipated.

An unputdownable, twisty thriller, *The Final Chapter* asks us: how well do we really know our closest friends? And how well do we know ourselves?

AUTHOR BIO

C.B. Everett is the pen name for author Martyn Waites. He trained at the Birmingham School and worked as an actor for many years before becoming a writer. His novels include the critically acclaimed Joe Donovan series, *The Old Religion*, and *The White Room*. In 2013, he was chosen to write *Angel of Death*, the official sequel to Susan Hill's *The Woman in Black*, and in 2014 won the Grand Prix for *Born Under Punches*. He has been nominated for every major British and French crime fiction award and has also enjoyed international commercial success with eight novels written under the name Tania Carver.

The Last Time We Saw Her

A Novel

Jaclyn Goldis

BOOK DESCRIPTION

A long-buried disappearance and a long-lost treasure both reemerge over a summer in Portugal's remote Azores, in the new thriller from the critically acclaimed author of *The Chateau*.

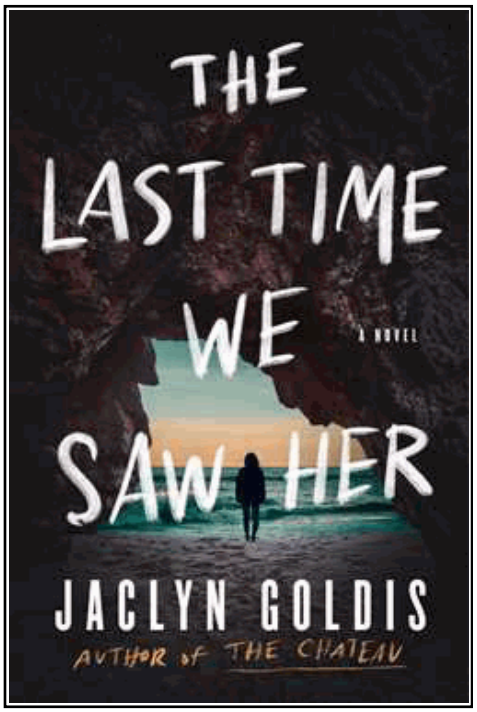

Ten years ago, a group of teenage American summer campers came to São Miguel, an island in the lush and isolated Azores archipelago, for a rugged five-week hiking and heritage trip. But a clue surfaced related to a local legend of buried treasure that would turn everything in the finder's life to gold. The summer devolved into a frenzied treasure hunt, and culminated in the disappearance of "it girl" camper, Sydney Azulay. Sydney was never seen again, rumored to have been murdered, and the treasure never found.

Now, a decade later, Sydney's father is hosting a memorial service on São Miguel, and Sydney's closest circle returns to honor her memory: fellow campers Olivia, Sydney's sister, once deemed the most likely to have been involved in Sydney's disappearance; the aloof, handsome Aiden, the supervisor of their trip; and Jules, the counselor so close to her campers she was like another best friend. They've also all agreed to participate in a documentary probing what really happened to Sydney. But not everyone has innocent motives for returning to the island all these years later.

The group reunites in paradise and retraces their old haunts, hiking along crater lakes, strolling the town's charming cobblestone streets, and submerging in thermal hot springs. But amidst the reunion, there are eerie sightings of a woman on the island who looks just like Sydney. And when the documentary filming reveals new, explosive truths, and fresh hints resurrect the tantalizing treasure hunt, the group begins to implode. Old feuds and betrayals reignite—and then one of them turns up dead.

Which means that a murderer has surfaced…again.

The Parisian Chapter

A Novel

Janet Skeslien Charles

BOOK DESCRIPTION

From the *New York Times* bestselling author of *The Paris Library* and *Miss Morgan's Book Brigade*, a charming and cinematic novel following a young woman from Montana who takes a job in the American Library in Paris, where she discovers the power of storytelling and her own dreams.

Paris, 1995: It's been five years since Lily Jacobsen and her best friend Mary Louise arrived in Paris from their small town of Froid, Montana. Determined to establish themselves as artists—Lily, a novelist, and Mary Louise, a painter—they share a tiny walkup and survive on brie and baguettes.

When Mary Louise abruptly moves out, Lily feels alone in the city of light for the first time and must find a new way to support herself. She lands a job as a programs manager at the American Library in Paris, following in the footsteps of Odile, her beloved French neighbor in Montana who told her stories of heroic World War II librarians when Lily was growing up.

Here in the storied halls of the ALP, she meets an incredible cast of characters—her favorite author, quirky coworkers, broke students, trailing spouses, haughty trustees, and devoted volunteers—each with their own stories... and agendas. Lily often seeks solace in the Afterlife, the library's attic that's home to hundreds of unpublished manuscripts, and there, she discovers a box of archives that may be a link to the past: to Odile's own Parisian chapter.

This moving, propulsive story offers a panoramic view of a real historic institution, and revisits characters from both of Janet Skeslien Charles's beloved novels. Lily's story is a love letter to the artist's life, friendship, and leaving home only to find it again.

AUTHOR BIO

Janet Skeslien Charles is the *New York Times* and internationally bestselling author of *The Paris Library*. Her work has been translated into thirty-seven languages. She has spent a decade researching Jessie Carson (*Miss Morgan's Book Brigade*) at The Morgan Library, the NYPL, and archives across France. Her shorter work has appeared in the *Chicago Tribune*, *The Sydney Morning Herald*, *LitHub*, and the anthology *Montana Noir*. In Stormy Weather

A Novel

Chelsea Curto

BOOK DESCRIPTION

From bestselling indie author Chelsea Curto comes an academic rivals-to-lovers romance about storm-chasing meteorologists during hurricane season in Florida—perfect for fans of Ali Hazelwood and B.K. Borison.

Nothing can rain on Quincy Monroe's parade. She's a woman-in-STEM with a PhD in atmospheric sciences, the host of a successful online weather show, and has one million followers on her meteorology Instagram.

Quincy has spent endless hours forging her path in this male-dominated field, becoming one of the best in the industry. And with a new job opportunity, nothing can derail her success. Except for the ill-timed arrival of Sebastian Dunn.

Sebastian is her best friend's brother, her long-suffering academic and professional rival, and a flashy TV weatherman from New York City that everyone swoons over. Everyone but Quincy.

Over a scorching Florida summer and record-breaking hurricane season, Sebastian and Quincy are forced into close proximity. Setting aside their grudges to chase storms and stay alive is one thing, but can they weather the inevitable collision of their hearts?

AUTHOR BIO

Chelsea is a flight attendant and romance author who writes fun, fresh, and flirty love stories with plenty of spice. When she's not making fictional characters banter for twenty chapters before they finally kiss or serving chicken or pasta on an airplane, you can find her at home, curled up on the couch with a good book.

Ideal Life

A Novel

Evelyn Skye

BOOK DESCRIPTION

In *New York Times* bestselling author Evelyn Skye's warmhearted and lightly magical novel, an opportunity to turn back time gives a scientist the chance to pursue her ideal life, only to realize it might keep her from truly living. Perfect for fans of Rebecca Serle and Taylor Jenkins Reid.

What if you could rewind the last 24 hours and perfect your life?

Talia Morgan has built her dream: a neuroscience startup poised for a $100 million acquisition that will validate years of relentless work to make the world better through technology. But when a glitch in her app leads to catastrophe, everything she's worked for crumbles in a single night.

Then Talia wakes up with a mysterious watch that lets her rewind the last twenty-four hours. Suddenly, she can prevent the glitch, ace that crucial meeting, and savor perfect Sunday afternoons with Sam, her brilliant best friend who's quietly loved her for nearly two decades. The watch feels like the ultimate optimization tool, a way to debug her life until every moment is flawless.

But Talia's addiction to rewriting her past comes at a devastating cost. Each rewind pulls her further from the people she loves most: Sam, who watches helplessly as she disappears into endless cycles of perfection; Libby, her globe-trotting sister who needs support that Talia is too distracted to give; and most dangerously, from her own true, authentic self.

When Talia discovers a conspiracy to turn her life's work into a tool for mass manipulation, she faces an impossible choice: use the watch to cheat her way to stopping it, or accept that the messy, imperfect version of her life might be the only one worth living.

From *New York Times* bestselling author Evelyn Skye comes an incisive exploration of ambition, perfectionism, and the modern pressure to optimize our way to happiness—a story that asks whether our relentless pursuit of an ideal life might be keeping us from truly living at all.

Winner Takes All

A Novel

Emily Martin

BOOK DESCRIPTION

When two rival music executives wake up married in Las Vegas with no memory of tying the knot, they have to recreate their night together while competing to sign the band of their dreams in this smart and sexy rom-com that combines *Book Lovers* with *The Hangover*.

Talent scout Eleanor Thompson arrives in Las Vegas with one goal: sign the popular alt-rock group Dempsey to her record label and subsequently save her job. Unfortunately for her, Adam Shaw—former colleague and the man who recently poached the top performing artist from Eleanor's roster—has the same idea. When Adam crashes Eleanor's dinner meeting with the band, it sets them off on a night of shot-fueled one-upmanship that ends with matching wedding rings. Some people might be able to laugh off a drunken Vegas marriage, but Eleanor and Adam are not some people.

They soon realize annulments are a lot easier to get on TV, especially when you factor in a missing ID, a run-in with casino security, and a band still expecting to be wooed before hitting the stage for the final show of their national tour.

With only a few hours until the party where Dempsey plans to announce their new record label, Eleanor and Adam embark on a wild dash around Vegas to fix the previous night's mistakes. Between meeting an attorney in the back of a strip club, getting blackmailed into playing the newlywed game, and a surprisingly deep moment outside a karaoke bar, Eleanor and Adam begin to fall for one another. Do they dare place a bet on love? Or will they keep their cards close?

AUTHOR BIO

Emily Martin is the author of the young adult novels *Five Ways to Fall Out of Love* and *The Year We Fell Apart.* When she's not writing, Emily enjoys painting, hiking, and watching (arguably) too much TV. Emily is originally from Michigan, but currently lives in Boston with her husband, two daughters, and Goldendoodle. You can visit her online at EmilyMartinBooks.com.

The Phone Swap

A Novel

Lia Louis

BOOK DESCRIPTION

An accidental phone swap finds a celebrity heartthrob falling in love with an ordinary girl. But falling in love in private is not as simple as falling in love in reality. Especially if the world is somehow still watching...

When never-been-in-love, ambitious scientist Allie, and romantic, golden retriever movie star Milo switch seats on a plane, they find themselves unintentionally stuck with the other's phone. Although now an ocean apart, they agree to help each other—just until they can meet to swap them back. As they trade back and forth on each other's phones, Allie and Milo can't help but notice there's more to their connection than just messages and digital practicalities. Something real.

But as the clock ticks down to them finally meeting, Allie and Milo discover that their meet-cute may not be as simple as their intimate messages and private video calls.

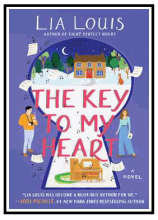

As two very different worlds collide, is the chance for true love even possible? After all, you can't escape reality forever. Right?

The Wash Ashores

A Novel

Hannah McKinnon

BOOK DESCRIPTION

With only one summer to turn things around, one woman finds herself fighting to hold together the one place that's always felt like home with the people who have become like family, in this summery novel from *USA TODAY* bestselling author of *The Sandy Page Bookshop*.

Thirty-year-old Holly has inherited the historic Cranberry Inn on Cape Cod from her grandmother, Francine. Only Francine is not dead. At least not yet. And she's not fully convinced the Cranberry Inn is the right fit for Holly; despite its rich maritime history, the Victorian beauty is showing its age and it's so much work. Besides, she has an offer from a developer that she's not sure she can turn down.

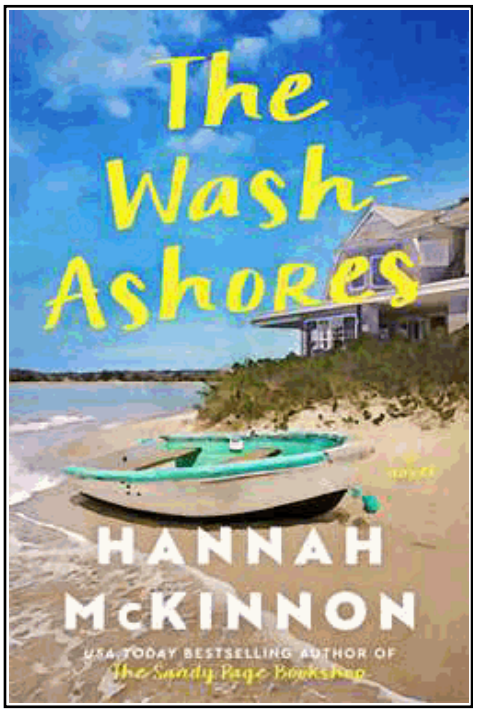

Unsure what to do, Francine decides she cannot let Holly take over without a dry run summer. As Francine tries to sequester herself to the sidelines, Holly finally has the chance to prove herself. And time is of essence because this summer they are hosting the Suttons, a prominent New York family of a famed social media influencer who expect no less than perfection for their only daughter's summer nuptials. A move that Holly is convinced will boost the inn's revenue and steer it back on track.

If that weren't enough, Ben is back. Ben's family has summered in the house across the cove from the Cranberry Inn since Holly and Ben were kids. Like her, he's starting his own family business: an oyster farm just up the shore. Only Holly hasn't seen Ben since he shocked her with news of his engagement to another woman several years ago. The way they left things was like a conversation unfinished, and one that Ben seems interested in revisiting.

With a wedding looming and a bride hedging and a staff feeling adrift, can Holly pull everyone together to ensure that the beloved Cranberry Inn will survive another summer?

AUTHOR BIO

Hannah McKinnon is the author of several acclaimed novels, including *The Lake Season*, *Mystic Summer*, *The Summer House*, *Sailing Lessons*, *The View from Here*, *Message in the Sand*, *The Darlings*, *The Summer Club*, and *The Sandy Page Bookshop*. She graduated from Connecticut College and the University of South Australia. She lives in Connecticut, with her family, a flock of chickens, and two raggedy rescue dogs.

The Lost Empire of Emanuel Nobel

Romanovs, Revolutionaries, and the Forgotten Titan Who Fueled the World

Douglas Brunt

BOOK DESCRIPTION

From the author of the *New York Times* bestselling *The Mysterious Case of Rudolf Diesel* comes the enthralling hidden history of one of the world's most successful business titans, a rival to the Rockefellers and the Rothschilds, whose legacy was erased in the aftermath of the Russian Revolution.

After the tsar, Emanuel Nobel was likely the wealthiest man in early 20th-century Russia—one of the wealthiest in the world. He and his family grew the Russian petroleum industry into a behemoth that surpassed even John D. Rockefeller's Standard Oil. The Nobels imported the best practices from America and built on them, transforming every aspect of the industry. Though Emanuel's uncle Alfred would become world famous thanks to his creation of the Nobel Prize, the more successful Nobels in Russia have been largely forgotten. The reason why is one of history's most gripping untold stories.

Working in the oil fields of southern Russia at the same time as Emanuel was a troubled young man from a peasant family in Georgia. Educated to be a priest, his life took a different path when he discovered the revolutionary ideas of Karl Marx. In and out of prison in Siberia, charismatic and committed, always at the center of a fight, this young man would become known to the world as Joseph Stalin, a leader of the Revolution and eventually one of the most brutal dictators in history. Directly in Stalin's crosshairs was Emanuel Nobel, who represented everything Stalin loathed about capitalism. As the world turned upside down, Emanuel began to plan a life-or-death escape from Russia. But would he make it out in time? And what would happen to the empire he and his family had built over three generations?

Sweeping across more than a hundred years of history, from the dawn of the Victorian Age to World War I and the Russian Revolution, this captivating book chronicles one of the most influential men in history, whose name has been stricken from memory, and returns him thrillingly to life.

AUTHOR BIO

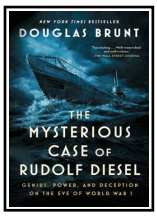

Douglas Brunt is the *New York Times* bestselling author of *The Mysterious Case of Rudolf Diesel* and *The Lost Empire of Emanuel Nobel*, and host of the top-rated SiriusXM author podcast *Dedicated with Doug Brunt*. A Philadelphia native, he lives in Connecticut with his wife and three children. Visit DouglasBrunt.com for more information.

The Small Stuff

How to Lead a More Gratifying Life

Ian Bogost

BOOK DESCRIPTION

From popular *The Atlantic* columnist Ian Bogost, a lively reflection about how we've become disconnected from the physical world—and how to reclaim gratification in your day-to-day life.

In an era dominated by convenience and efficiency, one would think that life would be simpler, easier, and most importantly, happier. After all, shouldn't all the time saved with machines and technology leave us with more time for ourselves? *The Atlantic* columnist Ian Bogost thinks not. From digital tickets to automated faucets, he argues that the simple pleasures of daily life have been stripped away, replaced by sleek, but soulless, design.

Through engaging anecdotes and sharp analysis, Bogost uncovers how modern conveniences not only fail to deliver on their promises but also rob us of small, satisfying tasks and moments that keep us grounded and human. He challenges us to rethink our daily interactions with the material world and illuminates how the loss of these tangible interactions has contributed to widespread feelings of disconnection and dissatisfaction.

But all hope is not lost. Bogost guides us to identify and appreciate the overlooked joys hidden in everyday life. By reforming how we approach ordinary tasks, we can rediscover the gratification embedded in the tactile world around us.

Humorous, thought-provoking, and practical, *The Small Stuff* reveals that finding joy isn't about achieving monumental happiness or prolonged satisfaction. It's about doing small things, deliberately and with attention, to unlock the basic pleasures that flavor our daily lives.

AUTHOR BIO

Ian Bogost is a contributing writer at *The Atlantic*. He is the Barbara and David Thomas Distinguished Professor at Washington University in St. Louis, where he is also a professor of computer science and engineering, film and media studies, and art and design. Bogost is the author of ten books, including *Play Anything*. Bogost is also an award-winning game designer whose work has been played by millions of people and has been held in collections internationally, including the Smithsonian American Art Museum. Find out more at Bogost.com.

Enter the Villa

The (Unauthorized) Reality Behind Love Island

Anna Peele

BOOK DESCRIPTION

STEP INTO THE VILLA AND OUT OF YOUR READING RUT

A captivating, unauthorized exploration of the global reality show phenomenon *Love Island*, revealing the secrets, drama, and behind-the-scenes stories of TV's most addictive show.

Can we pull you for a chat? Because Anna Peele's *Enter the Villa* could very well be *the* hottest pop culture book of the season, inviting readers into the chaotic and captivating world of the addictive hit reality show *Love Island*. With its exclusive reporting and sharp analysis, *Enter the Villa* peels back the artifice of the painstakingly produced reality show, giving readers insight into how a fake environment creates real feelings. The book features unprecedented access to the Villa, and the thoughts and processes of the producers and Islanders who have made *Love Island* a global phenomenon. Based on nearly a hundred interviews with cast, crew, and experts, Anna Peele has the chats and the bombshells to cover the show's evolution, from its inception to its sweeping international success, while also shedding light on pivotal moments and the inside-the-Villa operations. From make-outs to break-ups, challenge victories to Casa Amor crashouts, *Enter the Villa* is the ultimate deep dive into one of pop culture's most beloved and discussed phenomenons.

AUTHOR BIO

Anna Peele is a contributing editor at *Vanity Fair.* She spent the first eight years of her career as an editor at men's magazines and has received the ASME Next Award at the 2016 National Magazine Awards. She has also written for *The New York Times*, *The New York Times Magazine*, *New York* magazine, and ESPN. Her feature on Bravo was *Vanity Fair*'s most-read story of 2023, and her February 2025 cover story on Prince Harry and Meghan Markle broke traffic records for the publication. Peele graduated with a BA from New York University in 2010 and lives in Manhattan with her husband. She can be found watching astonishing amounts of reality TV or walking in Central Park. Find out more on AnnaPeele.com.

Cleanup on Aisle Five

Essential Work, Poverty Wages, and the View from Behind the Supermarket Register

Ann Larson

BOOK DESCRIPTION

In the tradition of bestselling classics such as Barbara Ehrenreich's *Nickel and Dimed* and Benjamin Lorr's *The Secret Life of Groceries* comes a character-driven exploration of the modern supermarket, unpacking what works and what doesn't, and delivering a blueprint for a better way to shop.

Unemployed and looking for work during the pandemic, journalist and activist Ann Larson found a job as a cashier at a supermarket in Utah. Though she had written about low-wage work for years, nothing could have prepared her for what she experienced.

Informed by her time behind the register, *Cleanup on Aisle Five* is Larson's deep dive into supermarkets and how they operate from the inside out: from the low-wage workers stocking the shelves and the customers coming through at all hours, to the communities these stores serve and the larger capitalist forces and corporate interests at play that control how we shop for food. In the process, she chronicles the evolution of the grocery store, unpacks the political implications of the battles between shoppers and staff, and invites us to imagine grocery stores as places where one can foster community and even equity—if we can separate food distribution from profit motive.

Deeply reported and refreshingly insightful, Larson follows the interactions between the workers, including Stanley who can't afford a sandwich, Nick who doesn't have health insurance, and Scarlet who is all out of patience, and customers, including the old lady who finds comfort in tidying the shelves to the one homeless guy who only comes in to use the facilities. From the unforgettable characters to the common challenges we face when it comes to food, *Cleanup in Aisle Five* will forever change the way we look at grocery stores.

AUTHOR BIO

Ann Larson's writing on education, debt, and low-wage work has appeared in *The New Republic*, *The Chronicle of Higher Education*, *Fast Company*, and *The Nation*, among other publications. She is coauthor of *Can't Pay Won't Pay: The Case for Economic Disobedience and Debt Abolition* and is a fellow with the Economic Hardship Reporting Project.

The Tribe and I Have Spoken

The Definitive (Unofficial) Lore and Legacy from the Game's Smartest Surviving Loser

Rob Cesternino

BOOK DESCRIPTION

The ultimate (unofficial) *Survivor* book for fans from the contestant-turned-host of *Rob Has a Podcast*.

Rob Cesternino has probably talked more *Survivor* than any other person on the planet. After playing in *Survivor*: *The Amazon* and *All-Stars*, Rob built a community amongst *Survivor*'s online fans with *Rob Has a Podcast*. Now, this foremost scholar of the show takes readers from the beaches of Borneo on the first season all the way to the landmark fiftieth season. This beautifully illustrated ode to the show includes "The Heroes and Villains Hall of Fame," the greatest "Watercooler Watershed Moments" in the show's history, and Rob's "Ultimate *Survivor* Playbook" (no refunds) to winning that million-dollar prize.

Whether you're a superfan or a first timer, *The Tribe and I Have Spoken* is a must-read celebration for anyone who counts themselves as part of this passionate tribe of fans from around the world.

AUTHOR BIO

Rob Cesternino, the two-time *Survivor* player referred to by Jeff Probst as "the smartest player never to win Survivor," is the creator and host of *Rob Has a Podcast.* Since 2010, Rob has covered reality TV shows such as *Survivor*, *Big Brother*, *The Amazing Race*, and more. The show has won five People's Choice Podcast Awards. Rob is a proud husband, father of two, and friend to thousands in the *RHAP* community.

The Romance Revival

Christina Lauren

BOOK DESCRIPTION

The instant *New York Times* bestselling authors of *The Paradise Problem* and *The Unhoneymooners* return with an unforgettable novel in which one fateful accident erases a troubled marriage from memory—and love gets one extraordinary do-over.

Three years ago, Emery Finch did something completely out of character: she got married. To Luca—the impossibly charming landscaper she met on one blistering night in Vegas who made her laugh, made her dance, made her *feel*.

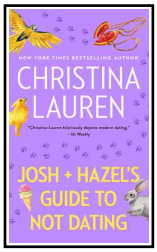

But now, Emery is consumed by her top-secret job, missing dinners, forgetting anniversaries, and promising herself Luca will understand once her cutting-edge research comes to light. Until the unthinkable happens: A tragic accident takes Luca from her.

Desperate not to lose him, Emery breaks every rule to bring him back. And Luca would probably thank her for it, if only he could remember her. Their first kiss, their Sunny Sundays at the beach, the life they built together...all of it is gone.

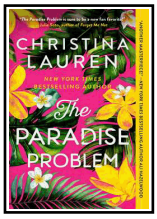

It may be a miracle of science, but for Emery it's her one shot at a second chance. And this time, she won't waste it—because true love is always worth reviving.

AUTHOR BIO

Hardcover: 9781668092538, CDN $41

Love Actually meets *The Notebook* in a tale of love, loss, and finding your way home, all set over the course of one life-changing week in Paris.

Julia Glover has brought her twenty-three-year-old daughter, Piper, to Paris for the first time—but they know it will also be their last trip here together. Julia is dying, and as the mother and daughter desperately try to make memories together as the clock ticks down, the world opens up around them. Piper meets a cute French waiter, who might just understand her better than anyone she's ever met, and Julia meets a man at a dive bar and struggles with how to tell him the truth about her future.

Rock star Jackson Quick's glory days are behind him. He had a handful of hit songs thirty years ago, but he hasn't toured in a decade. This week, he'll launch his reunion tour in Paris, the city where it all began. But he wants more out of life than being defined by fame. When he meets a woman who finally sees him for who he is at his core, the ground shifts beneath his feet.

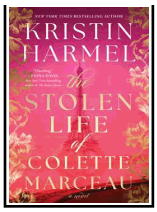

Henry McGee has been writing hit songs for decades—including Jackson Quick's biggest hit, *City of Light*. But his secret is that every love song he's ever written is for a woman named Celeste, whom he loved a lifetime ago, when they were both teenagers in Paris during World War II. He has spent eighty years believing she died—but when a letter arrives telling him the opposite, he's on the first flight to France. Can he break through the haze of her dementia, using the songs he's written all these years, to remind her of who they once were to each other—and to tell her he came back for her?

Henry's granddaughter, Melody, has just discovered that her husband of twenty years, Gilles, a French cosmetics executive, is having an affair. When she confronts him, he tearfully apologizes and begs her to forgive him. But can she? And, perhaps even more importantly, does she *want* to? Or is there a different kind of life out there for her if she chooses to be alone?

These intertwining stories—plus several others—unfold over a few breathtaking spring days, as an unforgettable group of Americans in Paris must find their way to their own versions of happily ever after in the City of Light.

Murder at the Hotel Orient

Alessandra Ranelli

BOOK DESCRIPTION

For fans of *The Maid* and *The Grand Budapest Hotel* comes this thrilling (and sexy) debut inspired by a real love hotel, which legend claims has existed forever, luring lovers inside for a night of debauchery…

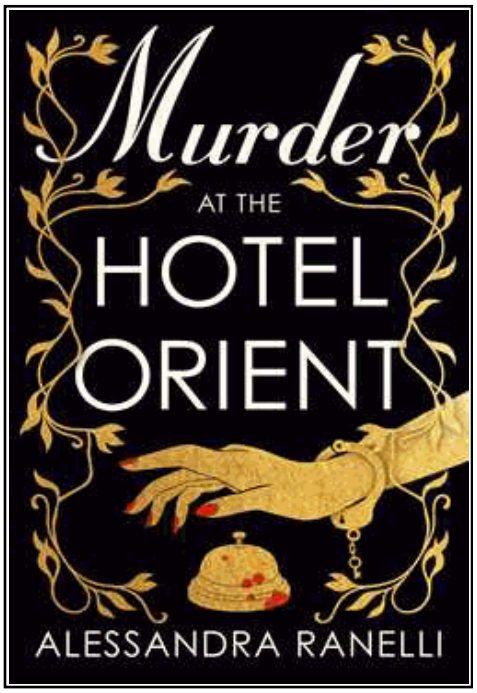

In modern Vienna, American Sterling Lockwood is the loyal concierge at the infamous Hotel Orient, where cameras are banned, aliases are required, and every guest has something to hide. After the double murder of two guests, including a tech mogul building an Austrian surveillance state, Sterling must turn detective. But finding the truth will require breaking the Orient's sacred code of secrecy, while keeping a few secrets of her own.

The police struggle when modern investigative technology proves useless at the old-fashioned hotel. Because clients use aliases, pay cash, and stay mere hours, all suspects have vanished. Sterling agrees to assist alongside her best friend and colleague, Fernando, if only to avoid arrest and the suspicion regarding her own movements that night. As enemies close in from all around, she risks everything to solve a case haunted by the past, in a city with a fetish for nostalgia.

Don't be shy darling, ring the bell...

AUTHOR BIO

Alessandra Ranelli is a queer American writer living in Vienna, Austria. *Murder at the Orient Hotel* is her first crime novel. She has the full support of the real Hotel Orient, and has been allowed access to all its rooms, even the secret ones. As part of her extensive book research, she left her career as a pastry chef and became a hotel receptionist. She is currently writing her second novel. Alessandra is known for her *New York Times* Modern Love essay "Two Kisses We Never Talked About."

The Forgotten Midwife

Laura Anthony

BOOK DESCRIPTION

Set in the dual timelines of present-day and 1950s Ireland and based on real historical events, a powerful, poignant novel of feminism and resilience that follows the life of a young woman consigned to work in a home for "fallen girls" who quickly realizes she must risk everything to protect them.

New Jersey, 2023. Riley Carmichael is getting married and finally joining a huge, loving family but can't help but feel the emptiness of her own side of the church. For most of Riley's life it's just been her and her wonderful grandmother, Betty, but as late-stage dementia overtakes her grandmother's mind, Riley knows she's losing her, too. On one of Riley's visits to Betty's nursing home, she encounters her grandmother in one of her increasingly rare moments of lucidity as Betty desperately hands Riley a tatty birth certificate for an unknown baby born in Ireland in the 1950s. Full of questions about her heritage, Riley embarks on a trip to Ireland to find that elusive sense of home.

Tipperary, Ireland, 1954. Margaret Lannigan's life is made up of weekly dances and spending time with the love of her life, Joseph. But when Margaret's older sister suddenly passes away, it falls to Margaret to fulfill the family's commitment to the Church: the eldest daughter of the Lannigan family has joined the Sisters of Mercy nuns for generations. Forced to part with Joseph and take the veil, Margaret is sent to a Home for Fallen Girls to care for expectant mothers who fell pregnant outside of marriage. With no training or midwifery skills, she must fight to provide compassionate care she feels these women deserve amid the cruelty and abuse they face.

When Margaret meets a young and terrified Delia O'Rourke, the sister of her childhood best friend, she must find the strength she needs to protect this young woman and her baby in the face of a system built to ensure they disappear.

Based on true historical events, *The Forgotten Midwife* is a powerful and emotional story of the women lost to Ireland's "mother and baby homes," as well as the young women forced to join the orders that ran the establishments. Told with courage and heart, it's a haunting, hopeful novel of feminine strength, found family, and love that transcends oppression.

New Jersey, 2023. Riley Carmichael is getting married and finally joining a huge, loving family but can't help but feel the emptiness of her own side of the church. For most of Riley's life it's just been her and her wonderful grandmother, Betty, but as late-stage dementia overtakes her grandmother's mind, Riley knows she's losing her, too. On one of Riley's visits to Betty's nursing home, she encounters her grandmother in one of her increasingly rare moments of lucidity as Betty desperately hands Riley a tatty birth certificate for an unknown baby born in Ireland in the 1950s. Full of questions about her heritage, Riley embarks on a trip to Ireland to find that elusive sense of home.

Tipperary, Ireland, 1954. Margaret Lannigan's life is made up of weekly dances and spending time with the love of her life, Joseph. But when Margaret's older sister suddenly passes away, it falls to Margaret to fulfill the family's commitment to the Church: the eldest daughter of the Lannigan family has joined the Sisters of Mercy nuns for generations. Forced to part with Joseph and take the veil, Margaret is sent to a Home for Fallen Girls to care for expectant mothers who fell pregnant outside of marriage. With no training or midwifery skills, she must fight to provide compassionate care she feels these women deserve amid the cruelty and abuse they face.

When Margaret meets a young and terrified Delia O'Rourke, the sister of her childhood best friend, she must find the strength she needs to protect this young woman and her baby in the face of a system built to ensure they disappear.

Based on true historical events, *The Forgotten Midwife* is a powerful and emotional story of the women lost to Ireland's "mother and baby homes," as well as the young women forced to join the orders that ran the establishments. Told with courage and heart, it's a haunting, hopeful novel of feminine strength, found family, and love that transcends oppression.

The Death Row Club

V.A. Vazquez

BOOK DESCRIPTION

A dark, dazzlingly original thriller about a woman invited to an annual weekend getaway for the adult children of serial killers...but when one of the participants ends up dead, they begin to wonder if someone among them might be carrying on gruesome family traditions.

When Nicola Fischer's father is arrested for the murder of five women—including her best friend—the entire world watches it unfold on *To Catch a Killer*, the hit true crime show hosted by Greer Woods. Overnight, Nicola becomes a pariah: fired from her job, drowning in debt, and shunned by everyone she knows. And to make matters worse, Greer—once a budding friend and fellow child of a serial killer—hasn't returned a single call since the show aired.

Then comes an unexpected invitation to the Death Row Club, a secret retreat for the adult children of serial killers—founded by none other than Greer herself. Desperate for answers and human connection, Nicola agrees to go. At first, it seems like exactly what she needs. The club members are strange but welcoming, and Greer seems eager to mend their fractured friendship.

But when a mysterious girl arrives, claiming her father is a killer too, the club's fragile peace is shattered. By morning, the girl has vanished. By afternoon, one of the club members is dead.

Now everyone is watching Nicola. After all, she's the daughter of a monster. And monsters raise monsters…don't they?

AUTHOR BIO

The Dorians

Nick Cutter

BOOK DESCRIPTION

The all-new novel of terror from "one of the hottest horror authors on the planet" (*Paste*) and writer of the #HorrorBookTok sensation *The Troop*!

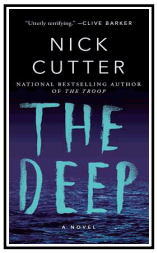

On a remote island in the Canadian wilderness, five elderly volunteers from different walks of life are given a tantalizing offer: to stall their biological clocks or even reverse them, restoring their lost youth. The chance to put death on pause—forever, perhaps. The remarkable secret lies in the high-tech harnessing of an ancient and extraordinary biological agent…one with no conscience, yet possessed with a single-minded purpose that has helped it persist for eons: the will to survive. The dark heart of unbridled human ambition finds its apex in an unholy experiment that now tests the limits of both creator and subject, eclipsing all bounds of morality and sanity….

AUTHOR BIO

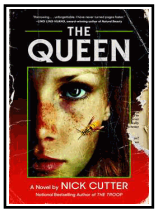

Nick Cutter is the author of the critically acclaimed national bestseller *The Troop* (which is currently being developed for film with producer James Wan), *The Deep*, *Little Heaven*, *The Queen*, and *The Handyman Method*, cowritten with Andrew F. Sullivan. Nick Cutter is the pseudonym for Craig Davidson, whose much-lauded literary fiction includes *Rust and Bone*, *The Saturday Night Ghost Club*, and, most recently, the short story collection *Cascade.* His story "Medium Tough" was selected by author Jennifer Egan for *The Best American Short Stories 2014.* He lives in Toronto, Canada.

Them

A Novel

W.H. Chizmar

BOOK DESCRIPTION

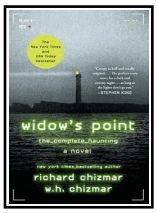

The solo debut from the *New York Times* bestselling coauthor of *Widow's Point: The Complete Haunting*, a post-apocalyptic/survival horror novel written in the bestselling traditions of Stephen King's *The Mist* and Josh Malerman's *Bird Box*.

A top-secret government project hits upon a revolutionary idea for transporting matter across the vast reaches of the universe, and it succeeds in bringing something back. Something alive. Soon, mankind's reign comes to an abrupt halt when a truck hauling a very special shipping container overturns and rolls off the highway, unleashing an otherworldly horror upon an unsuspecting New England countryside, where it cannot be contained…

Several years later, an unidentified man emerges from the rubble of humanity, seeking other survivors and a shred of hope amid an eerie and lonely landscape. He travels by night up the rural East Coast, discovering Americana ruins and encountering monsters the likes of which no one has survived. Scarred and molded by the cruel horrors of this new natural order, he must face his own dwindling humanity and pray that any others out there have not become monsters themselves…

AUTHOR BIO

W. H. Chizmar is the *New York Times* bestselling coauthor (with Richard Chizmar) of *Widow's Point: The Complete Haunting*, as well as numerous short stories and essays. He lives in Maryland with his Bernese Mountain Dog, J.J. (short for James Joyce).

Find Me

Holly Craig

BOOK DESCRIPTION

From the bestselling author of *The Shallows* and *The Rip* comes a terrifying survivalist thriller as two sisters navigate the eerie Tasmanian wilderness, perfect for fans of Jane Harper and *Yellowjackets*.

Don't stop until you find me.

When their brother Pete went missing two years ago on Mount Mercy, officials shook their heads. "He never should have been here; he was warned. Mount Mercy takes things." After a disastrous first attempt to locate him, they called off the search.

Estranged sisters Hallie and Gertie are drawn back together when their mother's dying wish is for her girls to find their brother. To bring him back home. Their brother was last seen at a mysterious commune at the foot of the mountain, where members perform strange rituals to keep a sinister presence that comes from deep in the woods at bay.

But this mountain has no mercy, and they shouldn't be there either.

The sisters must navigate treacherous terrain as they confront what lies between them and what lives on the mountain. When Gertie also vanishes, the line between reality and nightmare blurs. Hallie realizes she must face Mount Mercy, and whatever is lurking in the forest, all alone.

AUTHOR BIO

Holly Craig lives on the Western Australian coast. She spent her childhood on boats and on Rottnest Island, inspiring her second novel *The Rip*, and her debut #1 bestselling novel, *The Shallows*. She is also the author of the Audible Original *Mayday*. The beach and river were her playground and have shaped the settings in her stories. Holly is an English teacher and now teaches adults how to write their novels, preparing their manuscripts for publication through The Write Club.

Man Overboard!

A Novel

Kathleen Rooney

BOOK DESCRIPTION

From the nationally bestselling author of *Lillian Boxfish Takes a Walk*, comes a funny and moving novel in which a former college swimmer falls off a cruise ship and must keep treading water as memories and regrets wash over him—perfect for fans of *Where'd You Go, Bernadette*; *Florence Adler Swims Forever*; and *The Wedding People.*

"*Man Overboard!* is destined to be the best book of the summer." —Adriana Trigiani, *New York Times* bestselling author of *The View From Lake Como*

Patrick "Kick" Kilpatrick hates the ocean. Has always been terrified of it. And now he's in a real pickle.

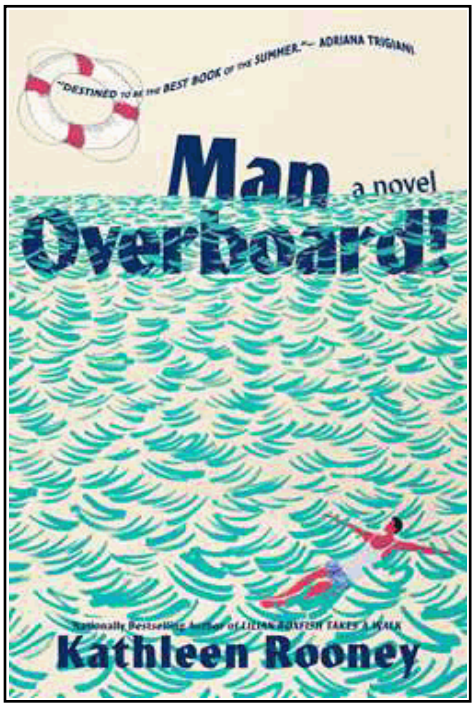

Drifting alone in the sea after falling (or jumping? He can't remember as the all-inclusive drinks on the cruise he was taking with his extended family were, well, inclusive) Kick must survive. Breath by breath, hour by hour in the lonely sea.

As the waves crash over him, so too do the thoughts and memories of just how he got there. A Thanksgiving cruise with an obnoxious brother-in-law he has to bite his tongue to keep from screaming at. A father who gives the Great Santini a run for his money. And a mother, who already left the family boat, so to speak, a long time ago. His family may be complicated, and the pains of life may seem unbearable—infuriating enough to leap from the deck—but maybe the will to survive is stronger.

Man Overboard! is an inventive, slyly hilarious, and inspiring novel about what it means to be alive, stay alive, and what keeps us going no matter how choppy the waves of our journey become. Hold on for dear life!

AUTHOR BIO

Kathleen Rooney is the nationally bestselling author of *Lillian Boxfish Takes a Walk*, as well as *Cher Ami and Major Whittlesey* and *From Dust to Stardust*. She has won the Ruth Lilly Poetry Prize from *Poetry* magazine and the Adam Morgan Literary Citizen Award from the *Chicago Review of Books*. Kathleen's criticism can be found in *The New York Times*, the *Star Tribune* (Minneapolis), *The Brooklyn Rail*, *Chicago* magazine, the *Los Angeles Review of Books*, and beyond. She lives in Chicago with her spouse, the writer Martin Seay, and teaches English and creative writing at DePaul University.

Every Version of You

A Novel

Natalie Messier

BOOK DESCRIPTION

From "one of romance's rising stars" (Carley Fortune, *New York Times* bestselling author) Reese's LitUp Fellow Natalie Messier, this debut follows a woman who gets a chance to relive her college years and win back the one that got away—for fans of *The Love of My Afterlife* and *The Seven Year Slip*.

Joey Vasquez's life is the definition of good on paper. At thirty-two, she's a Los Angeles lawyer on the cusp of making partner, but while she's a professional success, she's a personal disaster. Her social life mostly consists of nights spent watching TV with her elderly cat. Life isn't quite what she dreamed when she was younger, but really, whose life is?

But a dinner party with the best friend she's secretly pined after for years and its aftermath changes everything.

When Joey is given a second chance at life, she finds herself in college again. Armed with memories from her first life, Joey is certain she's come back to finally convince the one man she ever loved to love her back—so why does she find herself strangely drawn to the man she thought she hated?

AUTHOR BIO

Natalie Messier is a Reese's Book Club LitUp Fellow and Los Angeles-based screenwriter. She has worked as a writers' assistant for the series *Severance* and *Chicago Fire*, and her scripts have received recognition from NBC, Disney, Paramount, Final Draft, The Blacklist, NHMC, and the Austin Film Festival. Originally from south Texas, she is a proud Mexican-American. When she's not writing, she can be found searching for LA's best matcha lattes, reading romance novels, and cuddling with her two cats.

Stay Buried

A Novel

Jennifer McMahon

BOOK DESCRIPTION

From the *New York Times* bestselling author of *Children on the Hill* comes a queer folk horror in which a woman must confront decades of secrecy and superstition to learn the truth about her mother's death.

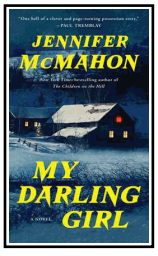

Some towns stay isolated for a reason.

1919: Frankie O'Massey has always been the black sheep of isolated Boone's Ferry, Vermont. Her uncle, Dr. Thomas Endicott, has been training her in the science of medicine, something the townspeople are wary of. When a mysterious illness strikes the town, and the community suspects supernatural forces, the two desperately search for a logical explanation. Patient zero seems to be the town's knackerman—a recluse who collects dead and dying farm animals to make use of their parts.

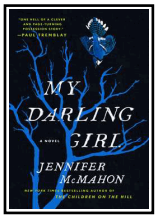

2016: Siblings Ashley and Malcolm lost their mother two years ago. When their grandmother dies, they inherit a property in Boone's Ferry—a place they've heard of but their grandmother has always refused to talk about—and embark on a trip to their ancestral home. The idyllic town is full of autumnal décor, picturesque farmland, and small-town charm. But some of the townspeople aren't very welcoming—and they have some unsettling traditions, like leaving offerings to a vengeful spirit four times a year.

AUTHOR BIO

Jennifer McMahon is the author of twelve novels, including the *New York Times* bestsellers *The Children on the Hill*, *Promise Not to Tell*, and *The Winter People*. Worse Than Strangers

A Novel

Kyleigh Leddy

BOOK DESCRIPTION

A debut novel for fans of Jane Austen, Elin Hilderbrand, and *Gilmore Girls, Worse Than Strangers* is a Nantucket-set retelling of Austen's *Persuasion* about finding romance, second chances, and a new path in life.

Rose and Lily are best friends first, mother-daughter second, which is good because right now, Lily could really use a friend. Recently fired from her NYC magazine job and heartbroken, Lily has fled to the family cottage in Siasconset. She is shocked when she stumbles across her first love at the grocery store holding hands with his new fiancé—a fiancé he never mentioned on their many, many late-night phone calls.

Rose has secrets, too. A therapist about to start her own private practice, Rose's world is rocked by the handsome renter staying in their guest cottage, Thomas Wentworth: the one person she thought she would never see again and the man who has always (unfortunately) held her heart.

A modern retelling of Jane Austen's *Persuasion* set against a backdrop of blue and purple hydrangeas, swollen brick sidewalks, tall sea grass, and uniform, shingled houses, Lily and Rose Gardner's summer journey of second chances, healing, and hope begs the question: Can you repeat the past, and is it ever too late to try again?

AUTHOR BIO

Kyleigh Leddy is the author of *The Perfect Other: A Memoir of My Sister*, which is based on her *New York Times* Modern Love essay, "Years Ago, My Sister Vanished. I See Her Whenever I Want." Her writing has appeared in *The New York Times, New York* magazine, *Parents*, and *QCODE*, among others. In 2023, she was named on the *Forbes* 30 Under 30 Media list. She holds a BA from Boston College and an MSW from Columbia University. She is a licensed therapist and teaches creative writing at Gotham Writers in NYC.

138 Main

Gavin Bell

BOOK DESCRIPTION

AN ADDRESS TO DIE FOR…

There's a killer on the loose. And he's targeting one specific address—138 Main Street. The problem? There are over 7,000 Main Streets in the USA. And the police and FBI have no clue which one will be next.

For FBI Special Agent Ben Walker and his rookie colleague, Officer Zoe Hill, the pressure to solve the case is unimaginable. There aren't enough police officers to cover every house, and vigilante residents are attacking anyone who rings their doorbell. Main Street might be one of America's most popular addresses, but for those living at number 138, it comes down to fight or flight.

Then a manuscript is sent to the *New York Times*, purporting to be the manifesto of the "Main Street Killer" and demanding radical social change. As the effect of the terror campaign takes hold across the nation, Walker and Hill find themselves in a race against time to stop the killer. But with their target always several steps ahead, and almost 3,800,000 square miles of ground to cover, they'll have to find him first…

AUTHOR BIO

Gavin Bell has published eight thriller novels under different names, and has also worked as a ghostwriter for bestselling authors in the genre. *138 Main* is his first novel written under his own name. He lives in Glasgow with his wife and three children.

Summer State of Mind

Kristy Woodson Harvey

BOOK DESCRIPTION

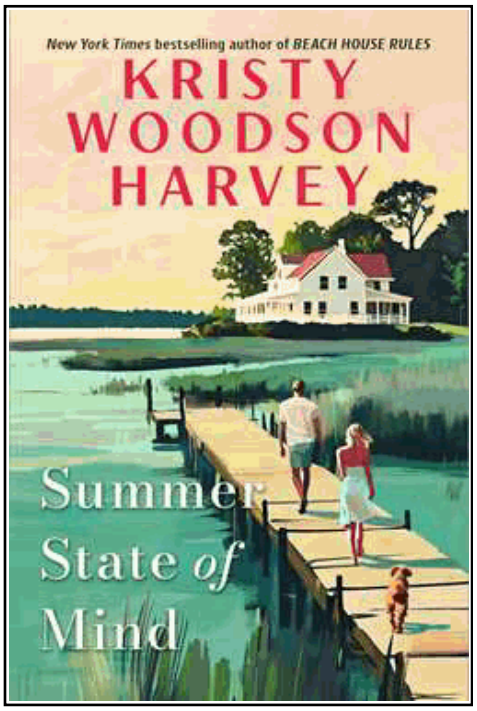

"Queen of the beach read," (*Cosmopolitan*) *New York Times* bestselling author Kristy Woodson Harvey returns with a heartfelt escape to coastal Carolina.

After the worst day in her professional life, burnt-out NICU nurse Daisy Stevens runs to Cape Carolina, North Carolina, looking for a new life—and possibly new romance. On her first day at her "simpler" job, high school baseball coach Mason Thaysden discovers an abandoned baby, sending ripples through the entire tight-knit town of Cape Carolina.

Mason is still struggling to reconcile the scars of the injury that kept him out of the big leagues, stuck in his hometown, and searching for a way out. This newcomer and the child they've saved together might be just the motivation he needs to stay put. Sparks fly as Mason acquaints Daisy with Cape Carolina, introducing her to his friends and family, including his batty Aunt Tilley, who is looking for relief from long-buried family secrets and her own fresh start.

But as Daisy becomes increasingly attached to this abandoned child, and begins facing her own demons in the process, a startling discovery is made that threatens to rip the entire town of Cape Carolina apart, placing Daisy, Mason, and Tilley in the center of the storm. In a novel that proves that "Kristy Woodson Harvey is (the) go-to for elevated beach reads" (*People*), they will each learn that with love, understanding—and a community theater production of *Hello, Dolly!*—sometimes life conspires to bring us just exactly where we belong.

The Last Lady B

Eloisa James

BOOK DESCRIPTION

Lady B *may have* married Bluebeard; she *may have* fallen in love with a gorgeous, grumpy solicitor; she *may have* met a ghost and survived to tell the tale! *New York Times* and *USA TODAY* bestselling author Eloisa James delights with witty historical romance with a gothic twist.

In the depths of winter, Lady Genevieve Hughes, her pet piglet, and her septuagenarian husband travel to a haunted abbey in the Scottish Highlands. Evie is excited to meet a ghost (perhaps one of her husband's three previous wives), but didn't expect the funny, quirky guests to become the friends she's never had. And she certainly didn't imagine meeting Sir Godric Everly, a sardonic, witty solicitor who loathes her husband.

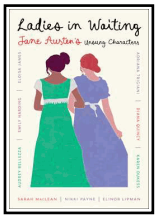

Yet as secrets and lies turn Evie's world upside down, Sir Godric becomes the one person whom she can trust.

When ghosts, multiple wills, and a shocking marriage certificate bring Lord Burnsby's past crashing into his present, Burnsby promptly dies, leaving Evie free to remarry…though as a virgin wife, now a virgin widow, she is more unnerved by the marriage bed than a spectral visit.

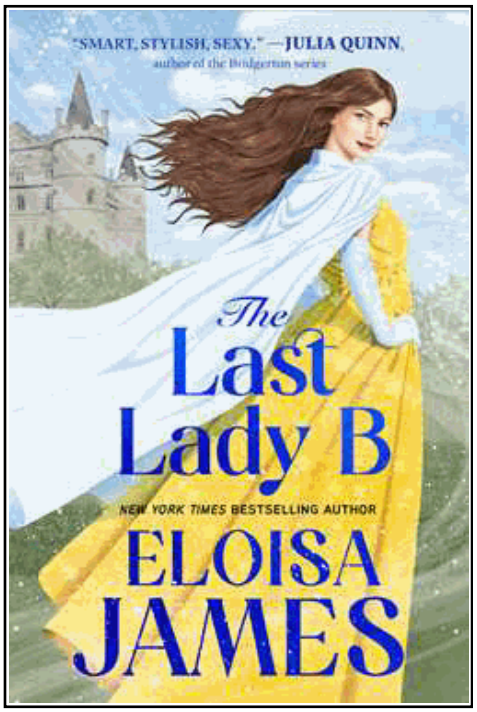

More importantly, she has to figure out whose identity is false, whose vows are dishonorable, whose truths could destroy her reputation—and where her heart belongs.

AUTHOR BIO

Eloisa James is a *New York Times* and *USA TODAY* bestselling author of historical romance novels. Her books have been translated into twenty-six languages with sales worldwide of seven million. As Mary Bly, she is a Shakespeare professor at Fordham University. She lives in New York City and Florence, Italy. Find out more at EloisaJames.com.

Kelly Creagh

BOOK DESCRIPTION

When the Grim Reaper develops feelings for the children's librarian whose soul he is supposed to collect, he finds that with feelings comes something far worse than death—life.

Helena Hart isn't having the best night. Her date just ditched her, her Halloween costume bombed, and her only sympathetic ear is a dead silent partygoer in a Grim Reaper get-up. But when she falls off a balcony and he catches her with a very *real* skeletal hand, she realizes he may not be a party guest at all. Before she can process the near-death experience, he vanishes, leaving her to wonder if she hallucinated the whole thing.

Grim isn't supposed to save souls. He's supposed to *reap* them. And while he's not sure why he spared Helena, he does know that if his superiors find out, he's as good as dust—which is saying something for a guy who's mostly bones. But keeping away from Helena is proving harder than expected—especially when she isn't the least bit afraid of his monstrous form.

Worse, to his horror, Helena makes him *feel*. And for a reaper, feeling is a fate far more dangerous than death.

AUTHOR BIO

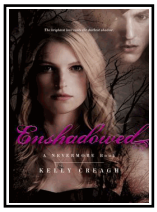

Kelly Creagh is a 2008 graduate of Spalding University's MFA in Creative Writing program. When not writing, haunting bookstore coffee shops, or obsessively studying Poe, Kelly's passions include the ancient art of belly dance. She lives with her squirrely, attitude-infused dogs—Annabel, Jack, and Holly—in the heart of Old Louisville, Kentucky's largest and spookiest Victorian neighborhood. Kelly is the author of the Nevermore trilogy. Visit her at KellyCreagh.com.

Blood & Betrayals

Jeanette Rose and Alexis Rune

BOOK DESCRIPTION

The first book in an epic new dark academia romantasy, perfect for fans of the *Zodiac Academy* and *Atlas Six* series, about a young woman named Summer Tuatha De Daanan who enrolls at the magical Avalon University, where she must uncover the secrets of her past, find the mysterious benefactor who paved her way, and stop a sadistic killer who threatens to drench Avalon in blood.

Fear, Fury and Fire.

To Know is Not Enough. Power flows through the ancient halls of Avalon University like a neverending flood. Admission to the elite institution enables students to hone their magic under the watchful eye of their icy headmaster. Summer Tuatha De Daanan planned to slide through her tenure at Avalon, unnoticed and inconspicuous. She has no interest in learning more about her past or why someone applied to the school on her behalf. Her emotional walls keep everyone at bay, and her sharp tongue makes people give her a wide berth. Yet, despite her best attempts, her emotional armor begins to melt from her feral vampire roommate to the angelic senior who is never dissuaded by her feigning disinterest. Maybe this could be good for her, a new life. Yet, dark secrets lurk in the halls of Avalon, and soon those same halls are drenched in blood. Summer finds herself as the obsession of the sadistic stalker with the warning: Seven lessons to learn. With the help of her new friends, she races against the clock to solve the mystery, hoping to save lives and catch the killer before it's too late.

AUTHOR BIO

Jeanette Rose became interested in writing when she majored in classical civilization with a minor in Latin from Tulane University. She then went on to get her law degree and obviously couldn't function in the real world, so she got a third degree.

Alexis Rune has been a lover of fantastical tales and morally grey characters since she picked up her first book in the genre years ago. Yet, she never thought to be an author of one. Until a chance meeting in a book club spawned an explosion of words and worlds, and a friendship stretching across the globe. Through writing, Alexis has found her voice, one that only keeps getting louder and stronger.

Transcendent

A Memoir

Laverne Cox

BOOK DESCRIPTION

Four-time Emmy-nominated actress Laverne Cox shares her journey as a transgender woman in Hollywood, confronting childhood trauma, shame, gender identity, her transition, body image issues, her search for romantic love, deep-seated feelings of unworthiness, and ultimately, healing.

Laverne Cox is a powerhouse in the fight for transgender rights and representation—but her path from a struggling trans actress to a cultural movement was anything but easy.

Surviving a childhood full of trauma, dealing with depression, and working at a drag restaurant in New York City for seven years, Laverne was turning forty and felt it was time to throw in the towel when it came to being a Hollywood star—then she booked the character of Sophia Burset in *Orange is the New Black*. Her world changed overnight.

She made history as the first openly transgender person nominated for a Primetime Emmy, starred in a range of high-profile shows, and became the first transgender person to win a Daytime Emmy as executive producer on *Laverne Cox Presents: The T Word*. A red-carpet fashion icon, podcast host, and fearless advocate, she uses her stardom to champion LGBTQ+ rights, whether on Hollywood's biggest stages, her personal channels, or at Supreme Court hearings. And she's only getting started.

In *Transcendent*, you will experience life in Laverne's shoes, from her childhood abuse to making her big break, dealing with Hollywood bureaucracy, feeling lonely in a world that is unaccepting, and finding her voice through the chaos of it all. With behind-the-scenes stories and personal reflection, we can heal and fight for equality, right alongside Laverne.

Laverne Cox is an Emmy-winning actress, producer, and LGBTQ+ advocate best known for her role as Sophia Burset on *Orange Is the New Black*, which made her the first openly transgender person nominated for a Primetime Emmy Award. Born in Mobile, Alabama, she studied at the Alabama School of Fine Arts before pursuing acting in New York City. Cox has been a trailblazer for transgender representation in media, using her platform to advocate for trans rights and visibility. She made history again as the first transgender person to win a Daytime Emmy as an executive producer for *Laverne Cox Presents: The T Word*. Beyond acting, she is a sought-after speaker and activist, working to challenge discrimination and promote inclusivity. She is also host of her own podcast by iHeartRadio and Shondaland: *The Laverne Cox Show*. She resides in New York City.

Marilyn and Her Books

The Literary Life of Marilyn Monroe

Gail Crowther

BOOK DESCRIPTION

Timed to the 100th birthday of Marilyn Monroe comes an investigation into the literary life of the Hollywood icon and actress, from the author of *Three-Martini Afternoons at the Ritz* and *Dorothy Parker in Hollywood*.

Far from the spotlights of the Hollywood film sets and the flashbulbs of the press, Marilyn Monroe was a great reader and lover of books. Her association with writers did not stop at reading their words on the page. She was, of course, briefly married to one of America's best-known playwrights, Arthur Miller, and met a number of other writers who moved in his literary world. But she also met authors independently of Miller, many of whom were fans of her films and keen to meet her. Through her deep research, Crowther delves into Marilyn's personal collection of books and recounts some of these meetings, like the time Monroe shared an apartment with Shelley Winters in West Hollywood, where they entertained Dylan Thomas and Christopher Isherwood for drinks (probably several drinks), after which Monroe arranged for Thomas to meet his childhood hero, Charlie Chaplin. Or when *Life* magazine arranged for Monroe to be interviewed by Dame Edith Sitwell at the Sunset Tower Hotel, and Sitwell was both charmed and blown away by Monroe's intelligence. *Marilyn And Her Books: The Literary Life of Marilyn Monroe* charts how Monroe, who left high school before graduation, embarked on an impressive and progressive program of self-education, hungry for knowledge, and devouring books as an active and engaged reader. Her personal library reflects this enquiring mind. In 2026, for her centenary, this book showcases Marilyn Monroe, the reader. Because at the end of her life, it was not her jewels or her furs, her shoes, or dresses that she cared about. It was her books.

AUTHOR BIO

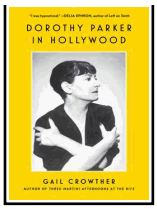

Dr. Gail Crowther is a writer, researcher, and academic. She is the author of *Dorothy Parker in Hollywood*, *Three-Martini Afternoons at the Ritz: The Rebellion of Sylvia Plath & Anne Sexton*, *The Haunted Reader & Sylvia Plath*, and the coauthor of *Sylvia Plath in Devon: A Year's Turning* and *These Ghostly Archives: The Unearthing of Sylvia Plath*. Gail divides her time between the North of England and London.

Fully Baked

A Messy Memoir

Rosebud Baker

BOOK DESCRIPTION

An astonishingly candid memoir that will make you laugh and cry while it steals your heart, from a renowned stand-up comedian and veteran *SNL* writer who is "an expert in making light of life's most devastating moments" (*Rolling Stone*).

Rosebud Baker grew up as a loudmouth who preferred to be more honest than polite, which is another way of saying she was unemployable. She spent her twenties trying to make it as an actor in New York like every other privileged millennial transplant cosplaying *Rent*, while gigging as a barista and as "the world's angriest yoga instructor." She was blackout drunk most of the time. She even tried to steal a bodega cat.

Eventually, she harnessed the qualities she once saw as defects—her dark humor and insistence on saying the awkward thing out loud—into a comedy career. She got sober. And she went from dating NYC's most emotionally unavailable artists to falling in love, getting married, and having a daughter.

Fully Baked is Rosebud's riotously funny and emotionally resonant memoir. Inspired by her pregnancy and early motherhood, it's also her quest to discover who she really is and how she wants to raise her kid. Every chapter is smart, self-deprecating, and laugh-out-loud funny, and no subject is off limits, from her famous yet unknowable grandfather, White House Chief of Staff James A. Baker III, to her youngest sister's sudden death. You'll speed through the pages to discover what happens next. Then, you'll look back on a remarkable book that felt like an intimate conversation with a friend who made you feel better by confessing all the ways they screwed up.

Rosebud Baker is a comedian, actor, and Emmy-nominated writer. Named to *Variety*'s "10 Comics to Watch," and *Vulture*'s "Comedians You Should and Will Know" lists, Rosebud wrote for *Saturday Night Live* from 2022 to 2025. She has written and performed on two Writers Guild Award–nominated shows, *That Damn Michael Che*, and *Inside Amy Schumer*, and won the WGA Award for her work on the latter. Her debut stand-up special, *Whiskey Fists*, premiered on YouTube in 2021, produced by Bill Burr and All Things Comedy. Her Netflix special, *The Mother Lode*, premiered in February 2025. Her acting work can be seen in *Life & Beth* on Hulu, *That Damn Michael Che* on HBO, and the horror-comedy feature film *Hell of a Summer*. She is based in New York, where she lives and works (when she's not on a plane to go live and work somewhere else).

Kate!

The Courage, Grace, and Power of the Woman Who Will Be Queen

Christopher Andersen

BOOK DESCRIPTION

The definitive portrait of Kate Middleton, the beloved and private Princess of Wales, tracing her rise from "commoner" to queen-in-waiting, with all the scandals and challenges along the way, from #1 *New York Times* bestselling royal biographer Christopher Andersen, author of *Brothers and Wives* and *Game of Crowns.*

Kate Middleton, Princess Catherine of Wales: She is one of the most photographed, most talked-about, most written-about women in the world. She is the heiress to Princess Diana's glamour and mystique, and she occupies a unique position as both the wife of one future monarch and the mother of another. But as the daughter of an airline attendant who grew up in public housing, Kate was not destined for this fate from birth. She had to fight for it—and for the love of the man who will be king.

In this illuminating portrait, master biographer Christopher Andersen chronicles Kate's life, beginning with her humble roots, her off-again, on-again love story with William that catapulted her to global fame, and the 2011"Wedding of the Century" that was watched by a global television audience of nearly two billion people. Over the course of their marriage, Kate has proven that she is more than just the wife to a prince—she is a selfless humanitarian championing a wide range of causes, the devoted mother of three children growing up in the white-hot glare of the media spotlight, an unparalleled fashion trendsetter, and, quite simply, the universally adored face of Britain's monarchy.

But her story is far more complex than the public knows. Behind the glittering façade, and with startling new details from his inside sources, Andersen reveals the full picture: including Kate's fight to repair the rift between William and Harry, the disintegration of her relationship with Meghan, her work to refute charges of racism leveled at the monarchy, the very real power she wields both on the world stage and behind palace walls, and Kate's bravery in the face of cancer—her diagnosis and treatment, and the bizarre conspiracy theories that swirled around her disappearance from public view.

Kate! is the definitive, all-encompassing account of the tireless advocate, style icon, wife, mother, and future queen. Her story is an against-all-odds romance, a glittering fairy tale, and a heart-tugging family drama—but most of all, an inspiring saga of one woman's grace and grit in the face of adversity.

The Wilder Way

A Memoir of Adventure, Freedom, and an Uncharted Life

Eva zu Beck

BOOK DESCRIPTION

From the internationally beloved YouTube adventurer and National Geographic TV host, a singular and fearless new travel memoir packed with inspiration for leading a more vibrant, wild, and authentic life.

HARDCOVER

On Sale: 06/02/26

Are you living with a capital “L”? When was the last time you truly felt you were your wildest, most free, most alive self? Eva zu Beck, professional storyteller and avid adventurer believes our best life is available to each of us, in every moment. But we have to seize it. The comfort we crave can also be “a silent killer of dreams.” Whether your dream is to scale a foreign mountain, hike a local trail, or pick up a paint brush, Eva’s message is clear: The world belongs to the brave.

But it wasn’t always this way: Seven years ago, Eva was a young, well-paid corporate executive living the high life in London, dressed in designer clothes with a handsome, equally successful fiancé on her arm. But as she walked down the aisle on the day of her wedding, the tears she shed were not tears of joy as their guests thought, but of a deep, unnamed sadness. Nearly a year later, Eva quit her high-paying job, left her picture-perfect marriage, and bought a one-way ticket to Nepal.

What she didn’t know then was that she was embarking on a seven-year journey that would take her from Mongolia’s wilderness to Yemen’s remote islands to the Arctic Circle—and ultimately to a life of profound meaning and purpose. This extraordinary memoir chronicles one woman’s transformation from someone living society’s idea of a best life to a person discovering the truth of her own.

Through heart-pounding adventures and raw, intimate storytelling, Eva reveals how stepping off life’s conventional highway—what she calls the path of “mortgage, marriage, lineage”—opened her world to experiences she never imagined possible: learning to trek solo with horses across Mongolia, surviving three months alone on a desert island in Yemen during COVID, driving an eighteen-year-old truck from Mexico to Alaska, and attempting a 300-mile ultramarathon in the Arctic Circle. But this isn’t just a collection of daring feats. Each chapter not only details a life-altering experience but reveals the hidden lessons Eva learned along the way. It’s a blueprint for anyone who feels trapped by society’s expectations and longs to create a life of genuine adventure, connection, and meaning.

Eva’s story arrives at a crucial moment, when many are questioning traditional definitions of success and seeking alternatives to lives spent largely indoors, in front of screens, disconnected from nature and authentic human connection. Through her experiences learning rare indigenous languages, living with remote communities, and pushing her body and spirit to their limits, Eva demonstrates that extraordinary lives aren’t just for the wealthy or specially gifted—they’re available to anyone brave enough to step off the beaten path and trust their heart.

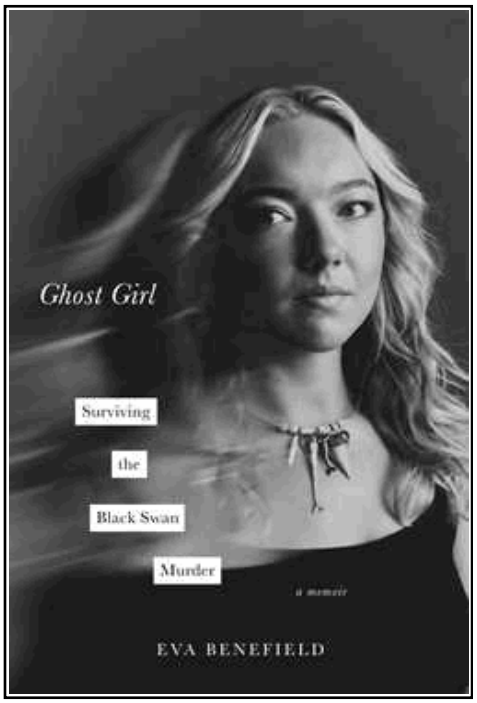

AUTHOR BIO

Eva zu Beck is an internationally beloved YouTube adventurer and National Geographic TV host whose authenticity and courage has inspired over four million followers across social media platforms worldwide. She has produced, filmed, and presented content for global platforms including the BBC, Deutsche Welle, Euronews, and National Geographic, where she currently hosts *Superskilled*, a show exploring human potential in remote locations worldwide. Her work has garnered partnerships with industry leaders like GoPro, DJI, The North Face, and Toyota. Originally from Poland and educated at Oxford University, Eva now lives a nomadic life, continuing to push boundaries and inspire others to live more wildly and freely. Although Eva is based in Europe, the majority of her audience is in North America. and she travels frequently to the US.

Ghost Girl

Surviving the Black Swan Murder—A Memoir

Eva Benefield

BOOK DESCRIPTION

Eva Benefield, the daughter of the victim of the viral "Black Swan Murder," tells her story about coming of age amid grief, violence, and a true-crime spectacle, in a poignant memoir brimming with dark humor and wisdom beyond her years.

Eva was still in high school when her mother died suddenly of a heart attack. Within a year, her father marries Ashley Byers, a twenty-four-year-old former bikini model he has only known for a few weeks.

"She looked sharp," Eva says of her strange new stepmother, "like if you touched her you might bleed." After a few months, Ashley convinces her new husband to open an international ballet company in Charleston, South Carolina. But soon the money runs out and Ashley shoots and kills Eva's father. The crime was dubbed in the news media as "The Black Swan Murder." Eva, now orphaned and in college, is suddenly "awash in tabloid gore" and must figure out how to make rent and survive.

Reeling from the sudden loss of both her parents and the looming criminal trial of her stepmother, Eva begins to navigate the confusing world of adulthood all alone. "You don't have a choice about a lot of stuff, especially when you're a girl," Eva says. "The things that changed my life were not my choices. They were other people's decisions, people who really should have known better."

From losing friends who can't understand the nature of her new reality, to processing her grief and anger as she slowly pulls herself together and begins to chart a new path forward, Eva confronts the triumphs and challenges of a truly incredible situation head on in this unforgettable memoir.

AUTHOR BIO

Eva Benefield is a TikTok content creator, an artist, and the owner of her own apparel company, Ghost Cowboy. She is based in Charleston, South Carolina.

Cancel Me If You Can

Dave Portnoy

BOOK DESCRIPTION

In his unfiltered style, Dave Portnoy details the journey of how he built his polarizing media empire, *Barstool Sports*, while refusing to bend the knee to those who tried to tear him down, staying true to himself and blocking out the haters.

Dave Portnoy is a gambler. From his days playing Little League baseball, he has always bet on himself and his future, which is exactly how he built his digital media empire, *Barstool Sports*. It all started in 2004, when Dave wrote what he knew and passed out a four-page broadsheet newspaper all over Boston. The idea was simple but revolutionary: not everyone wanted their sports takes from SportsCenter anchors in suits. Fans wanted something local, raw, and unapologetic—written in the same language and tone you might hear at your local sports bar. So, Dave gave it to them.

More than twenty years later, *Barstool* has grown into a nine-figure company with over 300 employees and 150 active brands. But the story doesn't end there. Dave continues to expand *Barstool* and his personal brand, launching into the world of sports betting, giving honest pizza reviews, building generational media stars, and giving back to dog shelters and small businesses with the help of his own famous rescue dog, Miss Peaches.

Though he didn't set out to be a political lightning rod, it happened—and he's fully aware that half the internet hates him while the other half loves him. The truth? He doesn't care, as long as people take interest. He's always been brutally honest, and he always will be. Dave's journey hasn't been perfect. He's failed—publicly and personally—and he's constantly willing to risk it all. Why? Because he already knows what it's like to lose everything and start over, time and time again. So why not?

In *Cancel Me If You Can*, Dave lays it all out: the hard work, the timing, the luck, the poisonous relationships behind the curtain, and the balls it took to get to where he is today. This isn't a memoir or a business book—it's another bet on himself. But honestly, would you really want to bet against him? The odds are against it.

Dave Portnoy, known as “El Presidente,” is founder of Barstool Sports, a digital media company known for its sports, humor, and pop culture content. Initially a four-page newspaper distributed in Boston, *Barstool* has grown into a multi-million-dollar company with millions of followers across the world. Along with his success as owner of *Barstool*, Dave is widely known for his candid pizza review videos and passionate dog shelter advocacy following his adoption of his pitbull Miss Peaches. Dave raised over $41 million through the Barstool Fund to support small businesses hurt by the COVID pandemic. He recently launched Lucky One Lemonade, an alcoholic beverage that supports animal rescue efforts. A strong, influential businessman and social media personality, he is known for his sharp wit, honesty, and bold, authentic voice. Dave splits his time between Nantucket and Miami with Miss Peaches and his beagle, Pete.

Advice No One Asked For

Essays

Jenny Hagel

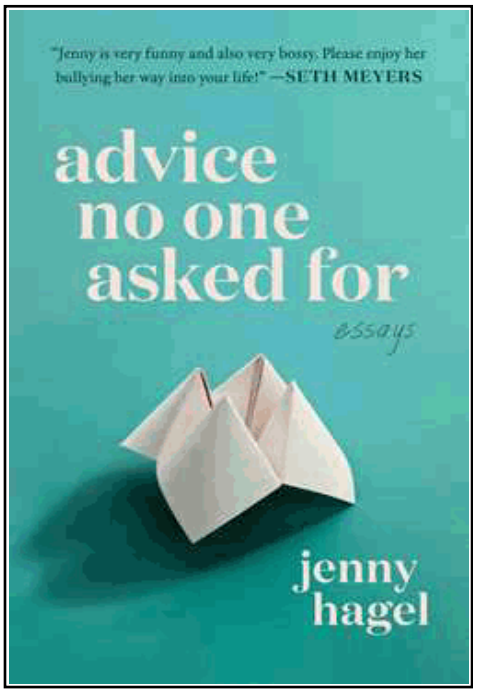

BOOK DESCRIPTION

From the Emmy–nominated comedian who created "the best segment in late night" (*Vulture*) comes this hilarious and practical collection of advice for how to live your best life in love, at work, and in comedy.

You'd think with a résumé like Jenny Hagel's—being a writer/performer for *Late Night with Seth Meyers*, and head writer/EP of *The Amber Ruffin Show*—she would describe her greatest accomplishment as something like sharing the stage with Hillary Clinton, or the six times she was nominated for an Emmy. Yet, for Jenny, landing a joke or going to a fancy award show pales in comparison to her true passion: giving people advice. Jenny is so obsessed with (addicted to?) offering unsolicited wisdom that she runs a sold-out live show in New York City called, appropriately, *Jenny Hagel Gives Advice*. With her debut essay collection, Jenny sets out to backseat drive for as many unwitting strangers as possible. The result is a heartfelt and funny journey through a list of life-changing recommendations, like: wear black when you travel, buy an analog watch, and just because you can go into the monkey enclosure while visiting Honduras doesn't mean that you should.

AUTHOR BIO

Jenny Hagel is an Emmy Award–nominated TV writer and comedy performer in New York City. She is a writer/performer on *Late Night with Seth Meyers*, where she created the recurring segment "Jokes Seth Can't Tell." She was also head writer and executive producer of *The Amber Ruffin Show*. Other writing credits include the *Golden Globe Awards*, *Impractical Jokers*, and *Big Gay Sketch Show*. Jenny has an MFA in writing for the screen and stage from Northwestern University, and has been nominated for two GLAAD Awards for her work addressing LGBTQ issues on TV. She lives in Brooklyn with her son and a large pile of unopened mail. Follow Jenny on social media @JennyHagel.

What Doesn't Kill You Makes You Hotter

Laura Clery

BOOK DESCRIPTION

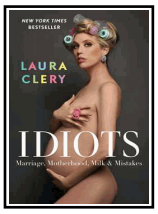

From the comedian and *New York Times* bestselling author of *Idiot*, a new essay collection about divorce, dating, and finding the funny even when your life is falling apart.

The world knows comedian and content creator Laura Clery for her hilariously unhinged characters, brutally honest storytelling, and ability to find humor in places most of us wouldn't dare look. But now, she's facing a few things even she didn't see coming: Her seemingly rock-solid relationship crumbling into a very public, very painful divorce (yikes!). Becoming a single parent to two children, one of whom has significant special needs (oof!). Worst of all? She even started *dating* again (ew!). But instead of pretending like her life couldn't be better, Laura's putting it all on the table: mess, madness, and middle fingers included. And this time, she's writing her own happy ending.

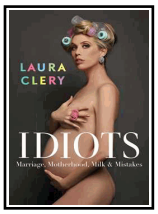

A survivor of addiction, abuse, and even a regrettable flirtation with bangs, Laura reveals how we can break down, rebuild, and still find a way to laugh during life's worst moments—whether it's waking up to find your career's work wiped from the internet, your date begging you to take a magic pill for your boobs, or turning 40 and having your life less together than ever before. Raw, real, and darkly funny, Laura proves that there is always joy to be found even when life serves you its absolute worst: and that what doesn't kill you really *will* make you hotter.

AUTHOR BIO

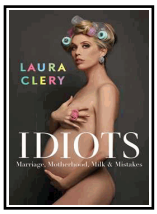

Laura Clery is an actress, influencer, and comedian best known for posting comedy sketches and vlogs about her day-to-day life on Facebook, TikTok, Instagram, and YouTube, where she has a combined following of nearly twenty-six million and upwards of ten billion views. She is the author of *Idiot* and *Idiots*. Laura lives in Los Angeles with her son and daughter.

The Terrible, Horrible, No Good, Very Bad Gay

Essays

Eliot Glazer

BOOK DESCRIPTION

From stand-up comedian and *Broad City* writer/star Eliot Glazer comes a hilarious and heartfelt essay collection for *Las Culturistas* listeners, *30 Rock* fanatics, and any reader who wishes David Sedaris were just a *tad* filthier.

Comedian and writer Eliot Glazer may occasionally get *some* stuff right, but being gay is *not* one of them.

Poppers make him dizzy. Parties make him panicked. And the term "guncle" makes him queasy. When it comes to being part of the LGBTQ+ community, Eliot just can't seem to find his shade of the rainbow, which is precisely why he repeatedly suggests a grayscale one instead (although no one seems to listen).

In a community built around the "chosen family," Eliot can't even get *adopted*.

The Terrible, Horrible, No Good, Very Bad Gay is for anyone who fully spirals while shopping for a throw pillow, does breathing exercises before entering a pool party, or has a full-fledged breakdown after accidentally dyeing their fake front tooth bubblegum blue amid a torrid affair with a guy under house arrest. (Okay, that might just be Eliot, but it's one hell of a story.)

This collection of essays is for *Las Culturistas* listeners, *30 Rock* fanatics, and any reader who wishes David Sedaris were just a *tad* filthier. Eliot's laugh-out-loud yet quietly heartbreaking stories capture the glory, chaos, and contradictions of queer modern life—a rallying cry for anyone who's ever felt like the odd one out, the minority within the minority, and the one who always seems to "do it wrong."

AUTHOR BIO

Eliot Glazer is a writer and comedian best known for his work behind the scenes of *Broad City.* He has also written for *iCarly*, *New Girl*, *The Boys*, *Billy on the Street*, and *Younger*. As a performer, Eliot can be seen opposite Seth Rogen in the film *American Pickle*, HGTV's *House Hunters: Comedians on Couches*, and alongside Rachel Bloom on Jane Fonda and Lily Tomlin's Netflix special *Ladies Night Live*. He lives in Los Angeles, California.

My Mother's Daughter

Finding Myself in My Family's Fractured Past

Tracy Clark-Flory

BOOK DESCRIPTION

From the journalist and author of *Want Me* (an NPR Best Book of the Year) comes a "tender, revelatory, and deeply moving" (Amanda Montei, *Touched Out*) story of family secrets, sisterhood, and the importance of untangling all that we inherit from our mothers.

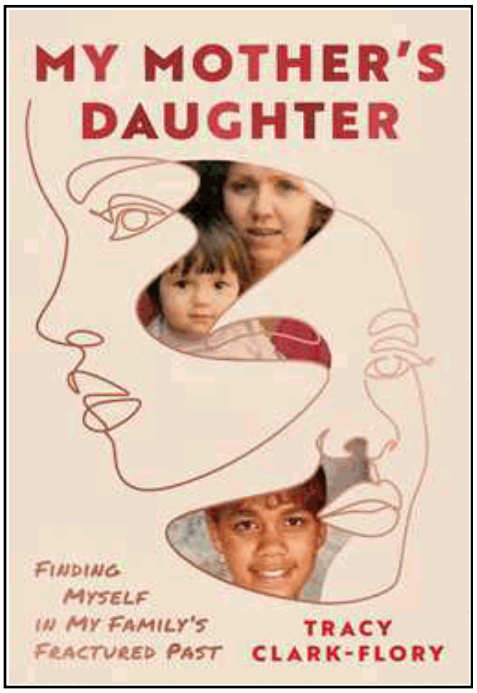

Tracy Clark-Flory had a sister out there, somewhere. She knew that her mom, Deb, was sent to a home for unwed mothers as a pregnant teenager in the Sixties. After placing her baby for adoption, Deb was committed to a mental institution in her grief. Decades later, she had Tracy, who grew up as an only child longing for her sister. Now, in her thirties and a mother herself, Tracy takes a DNA test in hopes of finding her sister—and she does.

Newly connected with her half-sister Kathy, both daughters start asking questions about the past that their mom, who had died years earlier, could no longer answer. Tracy sets out to make sense of what happened back in 1965. She learns that their mom was pulled into a racist and sexist system designed to turn "bad girls" into proper women and wives. Tracy realizes that her own life has been profoundly shaped by her mom's past, but she also uncovers a bigger story about patriarchal control, mother-daughter dynamics, and the way that shame keeps us divided—both within ourselves and from each other.

Blending powerful memoir with cultural criticism, *My Mother's Daughter* is a moving, intimate tale of traumatic inheritance and intergenerational healing.

AUTHOR BIO

Tracy Clark-Flory is a journalist, essayist, and author of the memoir *Want Me: A Sex Writer's Journey into the Heart of Desire*, an NPR Best Book of the Year. She has written for *Cosmopolitan*, *The Cut*, *ELLE*, *Esquire*, *Marie Claire*, *Glamour*, *The Guardian*, *The Washington Post*, *WIRED*, *Women's Health*, and many others. Previously, she was a senior staff writer at *Jezebel* and a staff writer at *Salon*. She writes a weekly newsletter and cohosts *Dire Straights*, a feminist podcast critiquing hetero love, sex, politics, and culture. You can find more at TracyClarkFlory.com.

Relegated

My Pints-and-Pies Journey from the Top to the Bottom of English Football

Todd Smith

BOOK DESCRIPTION

For fans of *Ted Lasso* and *Welcome to Wrexham*, this rollicking travel memoir by a middle-aged Midwesterner is a hilarious and heartfelt journey through the United Kingdom, its football clubs, and the rich traditions of English football culture.

Relegation, the devastating consequence English football teams face when they underperform, is something Todd Smith kept seeing in his own life. He grew up surrounded by soccer: his father was the head athletic trainer for the Minnesota Kicks of the 70s-era North American Soccer League, and Todd played into college. But while his family life was happy after that, his professional life didn't go the way of his dreams. He spent two decades working tirelessly in blue-collar jobs while trying to break through as a writer. He often felt discouraged, like he'd never really made it, like he himself had been demoted to a lower league.

In *Relegated*, Todd embarks on a trip of personal and professional discovery. Looking for a change and a chance to write about something that really matters to him, he takes off for a multi-month, immersive expedition through the world and culture of English football. He visits not only the best clubs but also the most out of the way and forgotten ones. In these places, like the Old Spotted Dog Ground in East London, the port town of Grimsby (once voted the worst city in England), and Arbroath on the north coast of Scotland, he begins to understand what it means to be a "true" supporter of this historic and cherished game. He meets pub owners, groundskeepers, fan club organizers, and professional and amateur players who show him a deeper love of the sport. He learns how communities rally around a club, how much joy and suffering they can take, and how football clubs—even the lesser-known ones—can bond people together in memories that last a lifetime.

A heartwarming account featuring pints, meat pies, a rainbow of team scarves and banners, and some very colorful slang, *Relegated* is the story of a man looking to transform himself while discovering the true meaning of English football.

Go With the Flow

The Definitive, No-Nonsense Guide to Breastfeeding

Katrina B. Mitchell, MD, IBCLC

BOOK DESCRIPTION

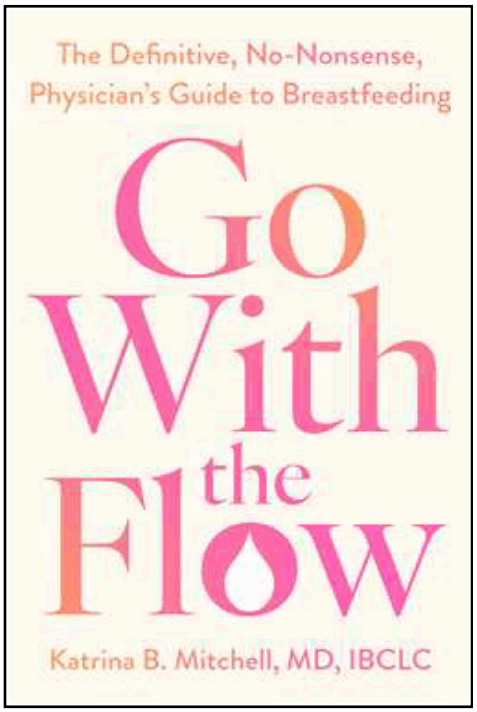

The only breastfeeding manual new moms will ever need, from the foremost expert in the field—filled with straightforward, evidence-based information and compassionate care.

Let's get real: a breastfeeding makeover is long overdue. From the creator of the popular lactation website *Physician Guide to Breastfeeding* comes a companion resource guaranteed to calm the postpartum chaos and stop lactastrophes before they start.

Forget the hacks, hashtags, and home remedies. Dr. Katrina Mitchell uses the no-nonsense approach of a surgeon and years of work as a breast and women's health specialist to fact-check the fake news of lactation and bring breastfeeding back to the basics. Whether a mom is suffering from recurrent "plugs" and mastitis or drowning in the dark depths of triple feeding, she'll no longer need to query Google nor question whom to trust.

With compassion, clarity, and common sense, Dr. Mitchell examines the status quo of making milk at all costs, shifting the focus from breastfeeding "success" to breastfeeding *sanity*. Learn why devoted patients, healthcare providers, and lactation consultants have called Dr. Mitchell the "boob whisperer," and you'll never click the breastfeeding search button again.

Trained in a rigorous New York City surgery program and later in breast oncology at the country's top cancer center, Dr. Katrina B. Mitchell was headed toward a career in academic medicine. But after becoming a single mother who returned to work at five weeks postpartum, breastfeeding provided the lifeline to her tiny infant at home and resulted in a career-altering turn. Alongside her surgical practice, she began to build a large breastfeeding medicine and lactation clinic as well as to pursue further training to treat perinatal mood and anxiety disorders. Today, she is the world's expert on the intersection of lactation with surgery and breast cancer, and has authored over fifty academic manuscripts and multiple book chapters. She has lectured in Canada, Europe, Asia, and Australia and is a frequent speaker with the American Society of Breast Surgeons. Described as a "force of positive disruption in the lactation world," Dr. Mitchell uses her unparalleled breast expertise to challenge age-old misconceptions and advocate for change in the field. Her website, *The Physician Guide to Breastfeeding*, has become a leading resource for physicians, lactation consultants, and new families alike.

The Half Life

A Novel

Rachel Beanland

BOOK DESCRIPTION

From the author of *Florence Adler Swims Forever* and *The House Is on Fire*, a novel set on a remote Italian island, about a navy wife's reckoning with power, love, and the price of staying silent in the Atomic Age.

"A captivating, whip-smart novel about love, loyalty, and a woman torn between two lives. I utterly adored it."—Clare Leslie Hall, *New York Times* bestselling author of *Broken Country*

When twenty-three-year-old Eileen O'Malley meets charismatic naval officer Paul Archer in a Charleston department store, she doesn't expect to fall so hard, so fast. But Paul is funny and ambitious, and soon, Eileen's got a ring on her finger and is following him to the tiny, sun-drenched Mediterranean island of La Maddalena, where Paul will be heading up Radiological Controls aboard a submarine tender.

In La Maddalena, Eileen joins a makeshift community of Navy wives, who are hell-bent on making the island feel a little more like home. But for Eileen, whose brother died in Vietnam, *home* is a loaded word, and as she settles into life on the island—taking Italian lessons and learning to make *culurgiones*—she begins to love the place for all the ways it is not like where she comes from.

Still, it doesn't take long for Eileen to be confronted with the complexities of being an American abroad. The decision to send nuclear-powered subs into the La Maddalena Archipelago was a contentious one, and the US government is doing whatever it can to ensure that the island—not to mention all of Italy—doesn't go communist in the next election.

When Italian activists and scientists begin to sound the alarm about possible nuclear contamination in the water, the island erupts in a series of protests, made worse by the ongoing mishaps of the US Navy. Soon, Eileen's marriage falters and her loyalties begin to shift as she is drawn into a web of secrets—and to a local journalist who forces her to imagine a life beyond the one she's been handed.

Atmospheric, sexy, and quietly defiant, *The Half Life* is a story of love, complicity, and awakening—of one woman forced to choose between loyalty to her husband and country and to the Italian locals who show her the high cost of American exceptionalism.

The Burning Side

A Novel

Sarah Damoff

BOOK DESCRIPTION

From the author of *The Bright Years*, the story of April and Leo, a couple on the brink of collapse. When their house goes up in flames, family secrets and thorny histories emerge as they are forced to decide what is worth salvaging.

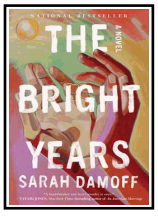

When April and Leo's house burns in the middle of the night, they escape with their two young children and the quiet knowledge that the fire is not the only thing threatening their family. They retreat to April's childhood home in Dallas, where her spirited parents and siblings provide both comfort and complication.

As the family reckons with the aftermath—grief, guilt, logistics, and memories scorched and intact—the fire exposes the cracks already forming in April and Leo's marriage. The novel unfolds in alternating perspectives: from April, who feels the crushing weight of motherhood, marriage, and self-blame; from Leo, a high school history teacher shaped by a lonely, fractured childhood; from Deb, April's generous and no-nonsense mother who has to contend with her husband's recent Alzheimer's diagnosis; and from flashbacks that trace April and Leo's relationship from its earliest days of connection to the devastating decisions that led them here.

A family saga suffused with humor, longing, and heartbreak, *The Burning Side* is about what we inherit and what we choose, about forgiveness and the ache of being known. It is, above all, about the meaning of home and the costs of long love.

AUTHOR BIO

Sarah Damoff is the author of *The Bright Years*, which was a *USA Today* bestseller and is being translated into eight languages. She lives with her husband and children in Texas, where she has been a social worker.

The Simp

A Novel Without a Hero

Roshan Sethi

BOOK DESCRIPTION

A razor-sharp novel about the rise and fall of an unemployed actor who lands the greatest role of his life when he's hired as a personal assistant to a demanding, highly absurd Hollywood family.

Raj Ladlani is a morose and unemployable actor. He has reasons to believe he is spectacularly talented, a legend in every way but for the success. But he leads an anonymous life in LA, working part time at a frozen yogurt store, fantasizing about stardom, and clinging to the encouragement of his aging and kindly acting coach.

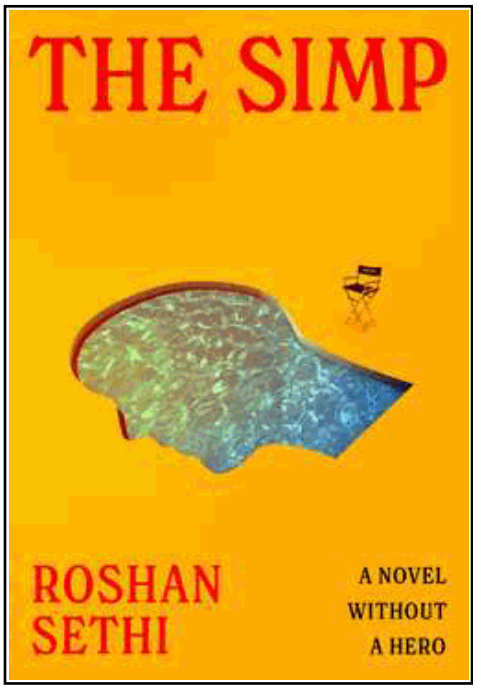

At his life nadir, Raj reads a job posting detailing a relentless, laughable parade of menial responsibilities for an organization blandly described as a "Hollywood Family."

The Simp tells the story of Raj's momentous employment with the H Family and the destruction that follows. Jim H is a massive and macho director in a creative rut. Anna H might uncharitably be described as his much younger trophy wife, quietly and neurotically seeking out her own independent sense of purpose as a screenwriter. Raj's work as their executive assistant becomes his new sense of soaring purpose. But he procured the job through a sea of lies.

The job itself is an absurdist walk through a landmine of affluent domestic chaos, identity politics, and petty Angeleno grievances. And things only get weirder when it turns out Anna H has been working on a secret project of her own—one that will change everything for Raj.

AUTHOR BIO

Roshan Sethi is a writer, director, and practicing oncologist. He is the cocreator of *The Resident*, which ran for six seasons on Fox. His directorial debut *7 Days* won the Independent Spirit Award for best first feature. He subsequently directed *World's Best* for Disney+ and cowrote the abortion drama *Call Jane*, which premiered at Sundance in 2022. His third film as a director, *A Nice Indian Boy*, recently premiered at SXSW to rave reviews. His next film, *The Surgeon*, starring Michelle Yeoh and Martin Freeman, is forthcoming. *The Simp* is his debut novel.

Where The Water Meets The Sky

A Novel

Diane Les Becquets

BOOK DESCRIPTION

For readers of *Wild Dark Shore* and *Heartwood*, *Where the Water Meets the Sky* is the story of a brave young woman seeking wholeness and love in the untamed forests of Michigan's upper peninsula—and answers about a fire that took away everything.

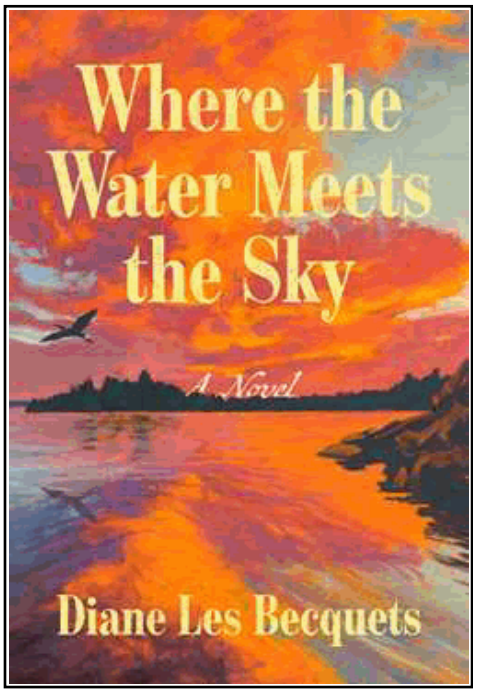

On a night in January, on the Garden Peninsula of Michigan, a farmhouse burns to the ground. A young child makes it out and flees into the woods with a book of matches in her hand.

Ten years later, Abby, a lover of birds and the natural world, returns to Garden, to the woods and lakes and farms and fisheries of her childhood, to assist her uncle on an environmental study of trees. Her best friend, Brew, invites her to a party where she meets a troubled girl named Seda, on the run from her abusive ex. Abby sets out to protect Seda and introduces her to an abandoned cabin that becomes a sanctuary for them both. Here, Abby begins to process her unrequited feelings for Brew while also discovering the person she is becoming. She wants more for her life, a hunger both spiritual and physical, and seeks to understand the trauma of her childhood that took her mother from her. Abby cares deeply for the people and flora and fauna around her and identifies with the wounds of the environment. She is desperate to remember what happened the night of the fire and as the summer of 1996 unfolds, Abby will be forced to reckon with the truth.

Perfect for fans of the lush and tender nature writing of Helen Macdonald and Richard Powers, *Where the Water Meets the Sky* is a coming-of-age novel that expertly delves into the connection between our perception of ourselves and our natural environs. It is a paean to the vast and beautiful wildscape around us and to the power of community and the wisdom of love.

AUTHOR BIO

Diane Les Becquets is the author of *Breaking Wild* and *The Last Woman in the Forest*. *Breaking Wild*, an Indie Next Pick and a national bestseller, received starred reviews from *Publishers Weekly*, *Kirkus Reviews*, and *Booklist*, and was featured on NPR's *Morning Edition*. It was the recipient of the Colorado Book Award in Fiction, the New Hampshire Outstanding Work of Fiction, and was shortlisted for the Reading the West Book Award in Fiction.

Artifacts

Natalie Lemle

BOOK DESCRIPTION

For readers of *The Cloisters* and *Counterfeit*, Natalie Lemle's debut novel offers an insider's view into the world of stolen artifacts and the hidden networks that link museums to organized crime, when a woman is forced to remember the summer she spent on an archaeological dig in Italy, as everyone she knew then may now be in danger.

Successful trusts and estates attorney Lena Connolly is asked by a colleague to assist on a case: the Italian government claims an artifact was looted and sold to a museum illegally and is seeking repatriation. The object in question is a cup made of dichroic glass, which would have been rare even in Ancient Rome, let alone thousands of years later.

Lena has done everything she can to put the study abroad summer she spent on an archaeological dig in the Italian Alps behind her. Her dreams of being an archaeologist shattered when her mentor Cyrille disappeared and her enigmatic boyfriend Giamma went dark, but with this new case, the past comes roaring back.

Told in alternating timelines, *Artifacts* follows young Lena as she falls in love with both archaeology and Giamma on the streets of Torino while her adult self pieces together what truly happened on the dig, now a fully restored Roman villa with World Heritage status. The dichroic cup, Lena discovers, may have been taken from the very site she helped unearth.

Powerful and exuberant, Natalie Lemle's *Artifacts* brings readers behind the museum glass and asks questions about cultural heritage and the historical preservation of our shared sense of humanity.

AUTHOR BIO

Natalie Lemle studied classics and art history at Tufts University and earned an MFA in creative writing from Emerson College. She is the founder of art_works, an art advisory connecting contemporary artists with global companies, and previously worked in corporate relations at the Museum of Fine Arts, Boston. She serves on the boards of the ICA/Boston and the Associates of the Boston Public Library. She lives outside of Boston with her husband and two kids. *Artifacts* is her first novel.

Song for Another Home

Bora Lee Reed

BOOK DESCRIPTION

***Pachinko* meets *Homegoing* in this powerful story of family separation and reunion amid love and war from a Reese's Book Club LitUp fellow.**

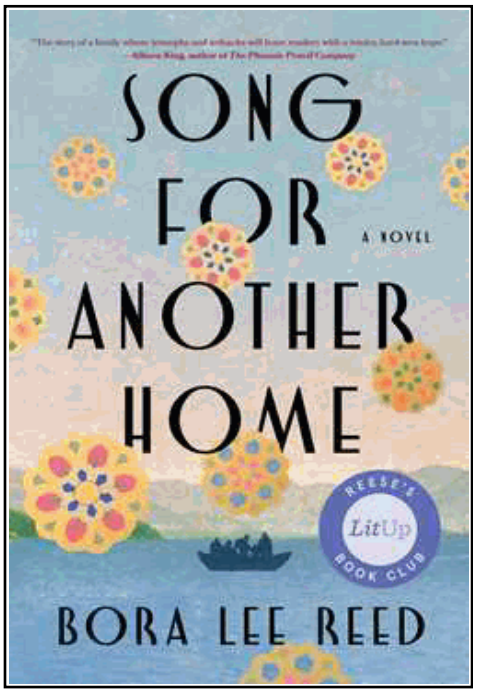

When news hits in 1950 that the Americans have entered the war between North and South Korea, Oksoon and her family believe the conflict will soon end. But then China joins the war, and they decide to flee their home in Pyongyang despite the freezing temperatures and lack of food. Journeying from the barren, war-torn streets of the North in the winter to the seedy back alleys of the South Korean capital of Seoul in the summer, the family falls in with an unlikely group of miscreants.

Meanwhile, far to the south, Oksoon's cousin Junho seeks refuge at an orphanage for abandoned children. As the institution struggles to keep its doors open, Junho, with his elementary command of English, is tasked with drafting letters to American missionaries and benefactors to ask for money. When the enigmatic director brings her aristocratic niece to the orphanage, Junho finds himself caught between his impulse for survival and his growing affections for the young woman, even though his feelings put him at risk of being expelled from the only safe place he knows.

Movingly rendered, *Song for Another Home* highlights the power of resilience, the tension between personal dreams and duty to family, and how choices made in a brief moment have consequences that reverberate across time and through generations.

AUTHOR BIO

Bora Lee Reed was born in Seoul, South Korea, and immigrated to the US as a young child. She grew up in Southern California among a vibrant Korean immigrant community. She holds an MFA from Warren Wilson College and has been awarded residences from Hedgebrook, Ragdale, and Ucross. Bora now lives in Berkeley, CA, where she works as the director of communications for UC Berkeley's public policy school.

Close Relationships with Strangers

A Novel

Krista Diamond

BOOK DESCRIPTION

***Close Relationships with Strangers* follows a Las Vegas wildlife photographer who moves to Los Angeles to become a paparazzo and in the process loses his relationships, his morals, and eventually his tether to reality.**

Reviled by celebrities and the public, Ben is one of the last remaining paparazzi scouring the streets of Los Angeles. Amateurs with camera phones, social media, and a lack of bonafide stars have slowly killed a once essential role in the Hollywood apparatus. Jack Whitlock is one of the last remaining A-listers, and Ben has followed his career since the years he spent bussing tables at a diner in Las Vegas where his most popular movie once filmed a scene.

When Jack Whitlock is suddenly embroiled in a sex scandal, Ben begins his pursuit, eager for both a big paycheck and a chance to be close to the elusive star. Along the way, he is haunted by mistakes from his past: the photos he took of a pop star that have led to death threats, the ghost of his failed relationship with a burlesque dancer named Ellory, and his abandoned dream of being a wildlife photographer.

Searing and propulsive, *Close Relationships with Strangers* is a behind the lens tour-de-force through the streets of Los Angeles, Las Vegas, and the desert in between, as readers follow Ben, unrelenting, obsessive, and wry, on a quest that will lead either to his redemption or demise.

AUTHOR BIO

Krista Diamond's writing has appeared or is forthcoming in *The New York Times*, *The Paris Review*, *Cosmopolitan*, and elsewhere. She holds an MFA from the University of Nevada Las Vegas and her work has been supported by Bread Loaf, Tin House, and the Nevada Arts Council. She lives in Las Vegas. *Close Relationships with Strangers* is her debut novel.

Buyer Beware

A Thriller

Catherine Ryan Howard

BOOK DESCRIPTION

From the internationally bestselling author of *56 Days*, a page-turning thriller about two women whose shattered lives come crashing together around a house whose secrets could bury them both.

If these walls could talk, they'd scream...

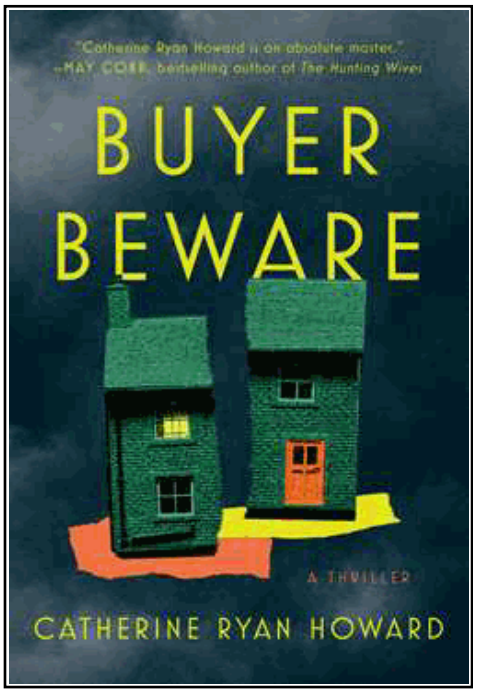

When Ellie moves to 1 Delaney Row, she hopes to find a fresh start—a place where no one knows her name, her history, or her secrets. But what she doesn't know is that her new home is already hiding someone *else's* secrets—and the people determined to keep them are watching her.

As Ellie starts to unravel the house's disturbing backstory, coming closer to the shocking mystery at its center, she unwittingly puts herself on a deadly collision course not just with her new home's history, but with her own as well.

A puzzle box of a thriller full of mind-boggling twists and turns, *Buyer Beware* is a chilling exploration of the dark secrets that any house can hold—and of the lengths we'll go to start over.

AUTHOR BIO

Catherine Ryan Howard is an award-winning, #1 bestselling thriller writer from Cork, Ireland. Her work has been shortlisted for the Mystery Writers of America Edgar Award for Best Novel, the UK Crime Writers Association John Creasey/New Blood and Ian Fleming Steel Dagger Awards, and the An Post Irish Crime Fiction Book of the Year multiple times. Her novels have been included in *The New York Times* Best Thrillers of the Year, *The Washington Post*'s Best Mysteries and Thrillers of the Year, and *The Sunday Times* Best Thrillers of the Year. She is published in twenty languages, and a number of her titles have been optioned for the screen. Catherine's fifth novel, *56 Days*, won the An Post Irish Crime Fiction Book of the Year and was longlisted for the Dublin Literary Award, the world's most valuable annual literary prize. A screen adaptation starring Dove Cameron and Avan Jogia will debut exclusively on Amazon Prime Video in early 2026. Prior to writing full-time, Catherine worked for a travel company in the Netherlands and in Walt Disney World, Florida. She lives in Dublin.

The Camino

A Novel

Anya Niewierra

BOOK DESCRIPTION

From the Netherlands's most popular crime writer, a literary thriller following a woman who walks the Camino de Santiago, searching for answers about her husband's death.

Forty-four-year-old chocolatier Lotte Bonnet has been living happily in South Limburg for years with her husband Emil, a former refugee from Bosnia. But when Emil unexpectedly dies by suicide while walking the Camino de Santiago, or Way of Saint James, Lotte is devastated.

Shocked and confused, Lotte resolves to follow Emil's exact path on the Camino one year later, hoping for answers, or at least insights into what could have compelled him to take his own life. While walking the arduous trail through central France, passing idyllic villages and meeting fellow pilgrims, Lotte's thoughts are also elsewhere, in Sarajevo, as she learns the terrors of a war and shocking secrets about her husband's identity.

Inspired by the natural beauty that surrounds her, forming new friendships, and possibly a romantic connection on the Camino, Lotte is distracted as the trail grows more treacherous, and as it becomes clear someone is following her, someone who does not want her to know the truth.

Fans of Louise Penny's Inspector Armand Gamache will be delighted by Lotte's easy charm and enthralled by the revelations on her journey. Anya Niewierra's blockbuster mystery *The Camino* has taken Europe by storm and is finally available in English for the first time.

Anya Niewierra is the number one bestselling author of the Netherlands, dubbed by the press as the new queen of Dutch literature. She has written six books, all of them immense bestsellers. Her breakthrough book *The Camino* has sold well over 800,000 copies in the Netherlands, won both the NS Reader's Award and the Hebban Crime Award, and was the bestselling and most borrowed book of the year in the Netherlands in 2024, spending over 170 weeks on the bestseller list. It's currently being made into an international television series and has been published in multiple languages. Niewierra was a director in the tourism industry for over thirty years, and lives and writes in South Limburg, close to the Belgian and German borders. Her childhood years within the serene abbey walls of Rolduc, as well as her life in Northern Catalonia, inspired Niewierra to write *The Flower Girl*, for which she won her first Hebban Crime Award. She's renowned for her research, love of nature, and her layered characters. Her latest book, *The Nomad*, was a number one bestseller on the day of release.

Something We Said

Richard Pryor, a Notorious Word and Me

Elizabeth Stordeur Pryor

BOOK DESCRIPTION

Part memoir by the daughter of the iconic comedian Richard Pryor, part exploration of the historical and contemporary use of the N-word, this hybrid book peels back the curtain on the life of Pryor and interrogates the most perplexing word in the American lexicon, a word he helped popularize.

The N-word is one of the most perplexing, controversial and misunderstood words in the American lexicon. It's a word that Elizabeth Pryor has not only contemplated, it's one that she has taught and observed up close.

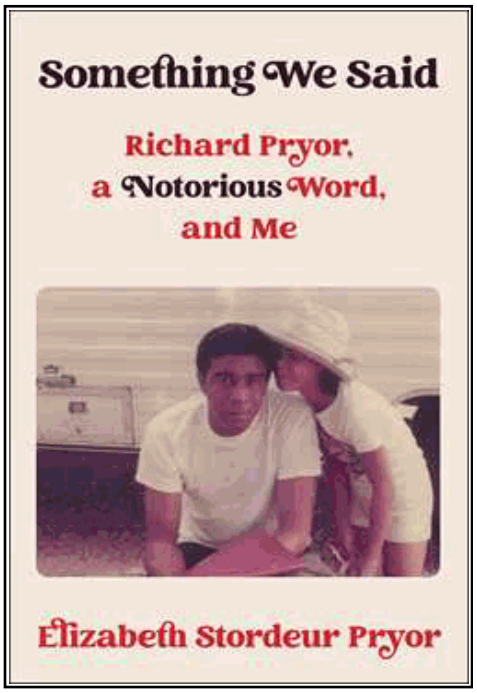

When a white student quoted her father and blurted out the N-word in the middle of a class she was teaching, Professor Pryor's worlds collided. In that moment, she was forced to confront the history of the notorious slur in the United States, and her complicated relationship with her father Richard Pryor, who made the word a trademark of his comedy in the 1970s.

As she dives into her research, her own memories of the N-word come flooding back in unprocessed memories that she hadn't thought about for decades. In reckoning with those memories, Elizabeth goes on a more public journey of discovery of the messy and sometimes surprising legacies of racism in the United States.

A braided narrative that seamlessly integrates the history of the N-word with Elizabeth's own story of growing up the Black Jewish daughter of Richard Pryor, *Something We Said* follows Elizabeth as she becomes a leading scholar and teacher of the very word her father put on the pop culture map.

AUTHOR BIO

Elizabeth Stordeur Pryor is a professor of history at Smith College where she teaches courses on race, slavery, and one on her father, comedic legend Richard Pryor. She is the award-winning author of the article "The Etymology of [N-Word]: Resistance, Language, and the Politics of Freedom in the Antebellum North" and a 2016 monograph entitled *Colored Travelers: Mobility and the Fight for Citizenship before the Civil War*. Her viral TED Talk on why it's hard to talk about the n-word inspired her forthcoming book—a hybrid memoir and historical exploration of the n-word. She grew up in Los Angeles and now lives in Massachusetts with her husband Jerry Stordeur.

Great and Unfortunate Things

Jason Arday

BOOK DESCRIPTION

With the power of *Educated* and the emotional sweep of *When Breath Becomes Air*, *Great and Unfortunate Things* is the inspiring, underdog story of how an autistic, non-verbal boy who society had all but given up on found his voice, literally and figuratively, became one of the youngest professors in the University of Cambridge's history and put himself in a position to give back.

Jason Arday was born the second youngest of three boys and grew up in a colorful and lively section of South London. At three years old, he was diagnosed with autism and development delays. Experts told his parents that he would never be able to speak, write, or live independently. An institution would best serve his needs, it was suggested.

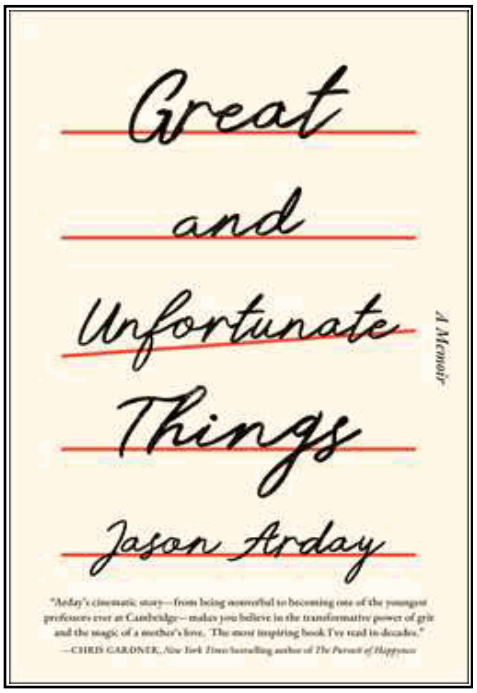

His parents would have none of it. Instead, thinking outside the box and drawing on her faith, his extraordinary mother Giff embraced his neurodivergence and fiercely dedicated herself to helping her son realize a potential few others believed was possible. Giff drew on proverbs from her West African culture, popular music by the likes of Enya, and comedic television shows and movies to help Jason make sense of the world.

In *Great and Unfortunate Things,* we see how Arday went from being nonverbal until he was eleven and illiterate until eighteen to becoming a professor at Cambridge. Without romanticizing the struggle, it's a story of a son's determination against insurmountable odds and how his family and a band of ordinary people with extraordinary compassion joined forces to encourage Jason to believe in himself and maximize his capabilities.

This is the story we need right now, and Arday, who believes in paying it forward, is the kind of figure the world can use more of now more than ever.

AUTHOR BIO

Professor Jason Arday is a social commentator, presenter, and public speaker. He is currently the Professorial Chair of Education (Sociology of Education) at the University of Cambridge, making him the youngest-ever Black academic to hold a Professorship at Cambridge and one of the youngest academics ever appointed to a Professorial Chair in Oxbridge's one-thousand-year history.

Backtalker

An American Memoir

Kimberlé Williams Crenshaw

BOOK DESCRIPTION

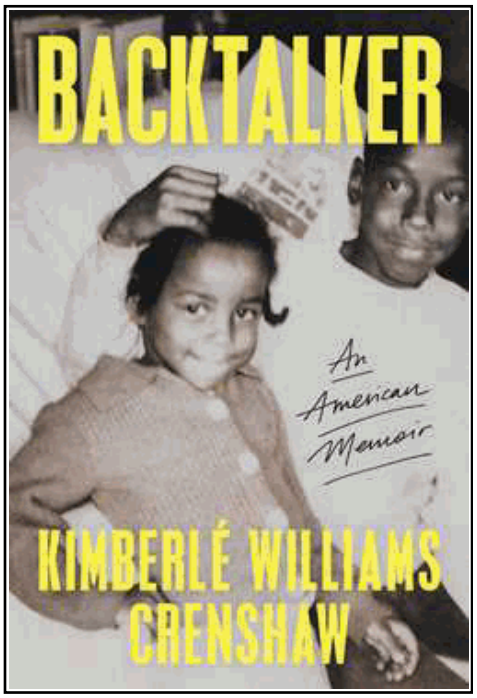

One of the most influential public intellectuals in the world and the architect of the two biggest ideas to reshape the American conversation about fairness offers the intimate story of how her life gave birth to these ideas.

It is not very often that someone comes along and permanently reshapes the way Americans think about two of the most important issues of the day. In this case: race and gender. But that is what Kimberlé Crenshaw did when she articulated two concepts that would forever change national and global debates about equality: intersectionality and critical race theory.

Backtalker is the powerful and intimate story of how a little girl from Canton, Ohio, came up with a new way to look at the world. Crenshaw's memoir traces the way her lived experience made her see things others didn't as the daughter of a strong-minded teacher and a pathbreaking public servant, and as the sister of a protective, yet bullying older brother. She starts to talk back, and that backtalking has continued throughout her life. It happens when she is denied a role in the kindergarten school play. When she is escorted to the back door of a private club. When Anita Hill is exiled for testifying against Clarence Thomas. When OJ Simpson goes on trial. When Obama launches My Brother's Keeper, a movement focused on boys of color only. When the movement against police violence overlooks Black women. Crenshaw is there for all of it.

In the vein of Ta-Nehisi Coates and Bryan Stevenson, Crenshaw evokes each time and place like a gifted novelist with extreme honesty and specificity, making her book a series of awe-inspiring, deep revelations. As a result of her work, Crenshaw has become a force to be reckoned with across America—at schools, in the workplace, at dinner tables, and, of course, in our public square.

Kimberlé W. Crenshaw is a pioneering scholar and writer on civil rights, Black feminist legal theory, race, racism, and the law. She was a founder and has been a leader in the intellectual movement called Critical Race Theory and is also known for introducing and developing the concept of intersectionality. She is a Distinguished Professor of Law at the University of California, Los Angeles, the Isidor and Seville Sulzbacher Professor of Law at Columbia Law School, and the cofounder and Executive Director of the African American Policy Forum. Crenshaw writes regularly for *The New Republic*, *The Nation*, and *Ms.*, hosts the podcast *Intersectionality Matters!*, and has appeared as a commentator on media outlets including MSNBC and NPR.

Grandma Joy and Me

A Journey of Healing, One National Park at a Time

Brad Ryan

BOOK DESCRIPTION

A heartrending, transformative true story following Brad Ryan and his grandmother Joy Ryan as they embark on a seven-year journey to visit every national park in the United States.

Raised in Appalachia, Grandma Joy lived a life shaped by constraints and hardships, while Brad grappled with the weight of family rifts and unresolved pain. Together, they embarked on a quest not only to witness the majesty of America's wild landscapes but also to heal generations of struggles and misunderstandings. Over seven years, they sought to visit all sixty-three national parks in the United States. From the towering peaks of Denali to the otherworldly beauty of the Everglades, each park became a classroom, teaching them profound lessons about nature, resilience, and each other.

Grandma Joy and Me follows a seven-year adventure of intergenerational healing, wherein a grandmother and grandson find themselves released from the injustices—real and imagined—that had long held them hostage. An emotionally charged exploration of love, forgiveness, and resilience, this unique bond between a young man and his 90-year-old grandmother—the oldest person to visit every US national park—is more than just any travel tale; it is a testament to what makes us deeply human.

AUTHOR BIO

Brad Ryan is a veterinarian, wildlife conservationist, social media influencer, mental health advocate, and writer from Southeastern Ohio. He earned his BA from Miami University, an MSc in mammalian biology from the University of Pretoria, and both a DVM and MPH from The Ohio State University, specializing in wildlife medicine and veterinary public health.

Not Built In A Day

How Slavery Made The Roman Empire

Emma Southon

BOOK DESCRIPTION

From acclaimed author of *A Fatal Thing Happened on the Way to the Forum* and historian Emma Southon, a groundbreaking history of Ancient Rome that explores how the empire was built, fueled, and shaped by its enslaved people.

When Julius Caesar conquered Gaul he boasted that he killed a million Gauls and enslaved a million more. This is the truth about the Roman empire: Rome could not function without slavery as it underpinned every single part of their economy. Without the millions of people snatched from their homes in the aftermath of war, kidnapped from the streets, sold into slavery as punishment, or born into it as “home bred slaves”, the Roman empire’s great aqueducts and temples could never have been built. There would be no coins or tiles to find in fields, no limitless manpower for the army and navy that conquered the Mediterranean, no marble palaces or underfloor heating, and certainly no life of unimaginable luxury for the one percent who didn’t even tie their own shoes. For the first time, *Not Built in a Day* tells their stories.

Not Built in a Day takes readers into the invisible spaces of the Roman empire, where the millions of enslaved lives perpetuated the excesses of the empire that owned them. From the fields of wheat required to give every Roman his daily bread, to the actors and gladiators who provided their circuses; from the guards who kept the streets of Rome safe and the mines which kept Rome a city of gold and marble, to the builders who placed every brick in the Colosseum. It traces how people entered, experienced, and left slavery, covering the little known story of slave revolts and the complex realities of enslaved people who themselves owned enslaved people. *Not Built in a Day* also explores the lives of those freed from slavery, finally able to choose their own destinies.

With humor, wit, and expertise, Emma Southon invites us into the absurdity of Roman life and completely upends our idea of the Roman empire.

Emma Southon has a PhD in ancient history from the University of Birmingham, UK. She is the author of *Agrippina: The Most Extraordinary Woman of the Roman* World; A *Fatal Thing Happened on the Way to the Forum: Murder in Ancient* Rome; and *A Rome of One's Own: The Forgotten Women of the Roman Empire*. Emma also cohosts the podcast *History is Sexy,* which has 800,000 lifetime listens. She has written for *History Today*, *All About History*, *Historia*, *Literary Hub*, and *British Museum Magazine*, and has appeared in documentaries on Channel Four TV and Netflix.

The Fallen

The Lost Girls of Ireland's Magdalene Laundries and a Legacy of Silence

Louise Brangan

BOOK DESCRIPTION

A haunting and brilliantly researched history which interrogates the culture of shame in Ireland, and tells the full story, for the first time, of the women confined within the walls of the Magdalene Laundries in the 20th century.

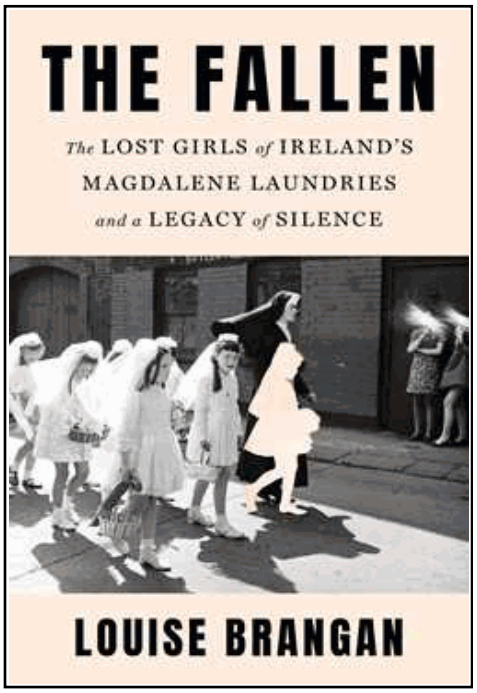

Everyone familiar with Ireland's history has heard of the Magdalene Laundries, places where "fallen" women were sent for reform, but few understand that the Laundries were part of a larger carceral system in Ireland. There were prisons, but also asylums, industrial and reformatory schools, Mother and Baby Homes, and County Homes, each of which operated alongside the Magdalene Laundries. Taken together, this system of confinement held over one percent of the Irish population, a staggering rate that outstrips the current rate of mass incarceration in the United States.

The Magdalene Laundries specifically targeted towards women, and the actions that could necessitate a woman's reform were vast: wearing a short skirt, smoking, defiance, or, most troubling, pregnancy out of wedlock. Women were taken off the street, admitted by their families, or sent by the state when a girl had no family. Once a woman entered the system, it was almost impossible to leave.

In writing this book, Louise Brangan has pulled the curtain back on the insecurities of a young nation, showing that Ireland believed that if women could be controlled, so could an entire populace. She shares the stories of the girls who were kept there: Eileen, who was born into a Mother and Baby Home; Carmel, who was forced to take a new name when she entered the Laundries; Brigid, so broken by twenty-seven years on the inside of a laundry, who discovered that once she was released she was completely unsuited to life in everyday society. These stories, taken directly from the historical record, restore the dignity of the women who were sent away and recontextualize the decades that the Laundries acted as a de facto carceral system for the women of Ireland.

This has remained one of the darkest and most misunderstood periods of recent history. The Fallen compels us not only to confront this shameful past, but to ask a deeper question: what do we choose to remember?

Dr. Louise Brangan is an Irish academic who researches injustice and punishment. She is a 2023 BBC/AHRC New Generation Thinker, the playwright of *The Ireland We Dreamed Of*, and winner of the 2024 RSL Giles St Aubyn Award. She lives and works in Scotland.

The Theater

Courage and Survival in the Defining Atrocity of the Ukraine War

James Verini

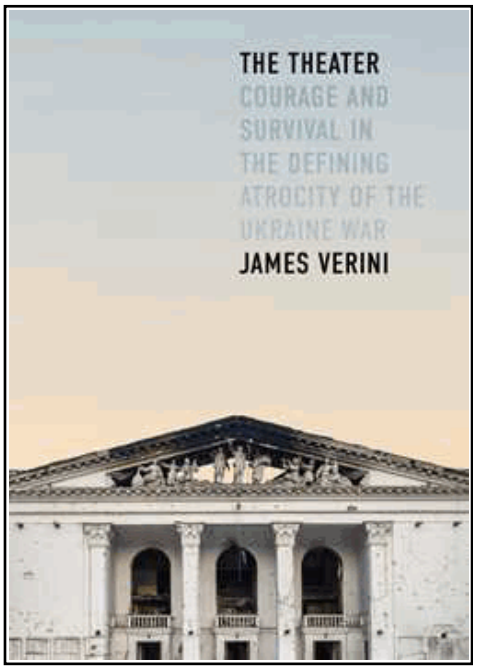

BOOK DESCRIPTION

In the tradition of John Hersey's *Hiroshima*, a terse and piercing look at a critical episode in the Ukraine War, from the award-winning author of *They Will Have to Die Now.*

In March of 2022, three weeks after invading Ukraine, Russian forces bombed the shelter housed in the Donetsk Regional Academic Drama Theater, in the city of Mariupol. The bombing stands, to this day, as the single worst act of mass civilian killing of the war. This book tells the story of the group of ordinary Ukrainians—workers, teachers, actors—who built that shelter, giving succor to thousands of their countrypeople, before it was destroyed. Their audacity and humor and humanity in the midst of the siege of Mariupol, against impossible odds, will leave readers inspired, amused, and devastated. Their story is the story of a young republic and its struggle to survive.

AUTHOR BIO

James Verini writes for *The New Yorker*, *The New York Times Magazine*, and *National Geographic,* among other publications. His journalism has received a National Magazine Award and a George Polk Award. He is the author of *They Will Have to Die Now,* about the battle that brought down ISIS.

How to Win a Trade War

An Optimistic Guide to an Anxious Global Economy

Soumaya Keynes and Chad P. Bown

BOOK DESCRIPTION

Two top trade experts with popular economics podcasts argue for a new way of operating between the biggest economic powers in the world.

We used to take trade for granted. No more.

Everything we know about trade has changed. With Trump's tariffs throwing everything up in the air, this is *the* book to explain the eruption. As we enter this new era of trade conflict, we need a new way of operating between the biggest economic powers in the world. Trade experts Soumaya Keynes and Chad Bown argue that now that the rules of the game have been abandoned, we need a different strategy. Yearning for the old approach to start working again isn't an option. Ultimately, the authors argue that a Western system that protects market-oriented democracies from China's one will require the embrace of some uniquely Chinese tools. If we want to avoid a war with guns, drones, and battles, then we need to understand these weapons better in *How to Win a Trade War*.

The authors give a tour of products and supply chains, from metals to sushi, and the impact of trade—and trade disruptions—on workers and consumers. They follow a lipstick with plastic casing manufactured in China, filled in Mexico, and then shipped to Canada after stopping off at a Texan warehouse. They trace an electronics supply chain from silicon sourced in the Appalachian Mountains, to "wafers" made in Japan, to chips made in Taiwan using equipment made in the Netherlands, to smartphones assembled in China and sent to America.

They speculate what all-out economic warfare might look like. What if the world's key shipping lanes got blocked? Or satellite communication went down? What about export restrictions cutting off supplies of key products? Tariffs could be the least of our problems.

This timely and accessible book helps readers understand how they, their company, and their country fit into the story at this precarious moment for the global economy.

Soumaya Keynes is an economics columnist at the *Financial Times* and host of the podcast *The Economics Show with Soumaya Keynes*. Before joining the *Financial Times* in July 2023, she spent eight years at *The Economist*, where she won an award from the Association of Business Journalists for her commentary on the first Trump administration's trade policy. She cofounded the *Trade Talks* podcast during the Trump administration's first term and cohosted *The Economist's Money Talks* podcast. She started her career as an economist working at the UK Treasury and then as a researcher at the Institute for Fiscal Studies. She has an undergraduate degree and masters in economics from the University of Cambridge.

Chad Bown is the Reginald Jones Senior Fellow at the Peterson Institute for International Economics and host of the *Trade Talks* podcast. He has performed public service in two US administrations, as Chief Economist at the Department of State in the Biden-Harris administration and as Senior Economist in the White House on President Obama's Council of Economic Advisors. He has also been on the research staff at the World Bank and World Trade Organization, and was on the faculty at Brandeis University for twelve years and was a tenured professor of economics. He received a BA magna cum laude in economics and international relations from Bucknell University and a PhD in economics from the University of Wisconsin-Madison.

How the Democrats Screwed Bernie

Tad Devine

BOOK DESCRIPTION

An explosive inside account of how the Democratic establishment used every weapon in its arsenal to subvert the will of the people and stop Bernie Sanders's presidential bid in 2016—told by his chief strategist who witnessed it all firsthand.

One question haunted the American left after the 2016 election: how could a grassroots movement that drew massive crowds and shattered fundraising records fail? The answer exposes fundamental flaws in American democracy itself.

In *How the Democrats Screwed Bernie*, Sanders's chief strategist in the 2016 Democratic primary unravels how the "Clinton Machine"—a network of operatives, Super PACs, and media allies—in consort with the Democratic National Committee deployed dark money and dirty tricks to stop a wildly popular outsider candidate. A candidate who may well have been the peoples' choice and beaten Donald Trump.

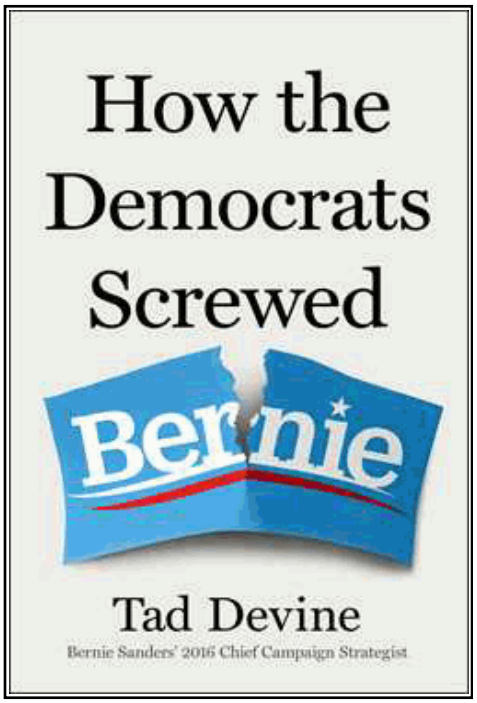

You'll discover how deeply the deeply entrenched Democratic establishment orchestrated opposition research campaigns, the true story behind the voter file crisis that nearly derailed the campaign, how Clinton's team pioneered bot campaigns later adopted by Trump's team, and why primary rules are deliberately structured to favor insiders over often more compelling outsiders.

This isn't just another campaign memoir. Nor is it just a reflection on the doomed Sanders's candidacy. It is a cautionary tale about American democracy that is becoming more urgent by the day. As voters grapple with growing distrust of political institutions, *How the Democrats Screwed Bernie* reveals how our democratic processes really work and how they can be manipulated by those with enough money and power to game the system.

This is the story the entrenched Democratic establishment doesn't want you to read.

AUTHOR BIO

Tad Devine is a Democratic political strategist with over thirty years of campaign experience. Prior to serving as chief strategist for Bernie Sanders's 2016 presidential campaign, he was a senior adviser in Al Gore's 2000 and John Kerry's 2004 presidential campaigns. In addition to his political work and media consulting, he has held academic positions at Boston University, the Harvard Kennedy School, and George Washington University, among others.

Capitalism is Sexism

Doortje Smithuijsen

BOOK DESCRIPTION

A bold and incisive manifesto on the ways sexism is used to exploit women in a capitalistic system through the personal lens of dating and influencer culture from a prominent journalist and cultural critic in the Netherlands.

Young women find themselves constantly pulled between opposing forces. The age-old divide between focusing on a successful career or building a family is now compounded by the pressure to resist unhealthy beauty standards and the influencer algorithm, but to start Botox before it's too late.

Within capitalism, the inequality between men and women is shamelessly exploited. Women are still seen as "natural" caregivers, even when they are the primary breadwinners in their household. They are expected to balance these roles all while navigating a world that continuously emphasizes wellness and self-care while women lose bodily autonomy, equality in partnerships, and the chances for meaningful, authentic connections.

Through her own experiences, Doortje Smithuijsen explores how seemingly innocent phenomena such as Trad Wives and spin classes are part of a system that continues to marginalize women. *Capitalism is Sexism* is not simply about finding body positivity in the age of Ozempic, but how these forces are here to captivate your attention, your earnings, and your labor. With her razor-sharp insights, she shows how difficult it is for women to make free choices within this system.

AUTHOR BIO

Doortje Smithuijsen lives in Amsterdam where she is a philosopher and journalist frequently featured on Dutch national television and hosts a popular weekly podcast. She has written several books, made documentaries, and regularly publishes in the *Volkskrant* newspaper.

Your Fellow Americans

Dispatches from Across the Country We Call Home

Peter Santenello

BOOK DESCRIPTION

Join an adventurous and charismatic independent journalist (perhaps you know him from YouTube) on a journey through the very best of America, reminding us of all the reasons we've got to love this place and one another.

Have you ever swapped stories on a porch with Amish snowbirds in Florida? Searched for reindeer with the Siberian Yupik in Alaska? Been a guest on a houseboat deep in the Louisiana bayou?

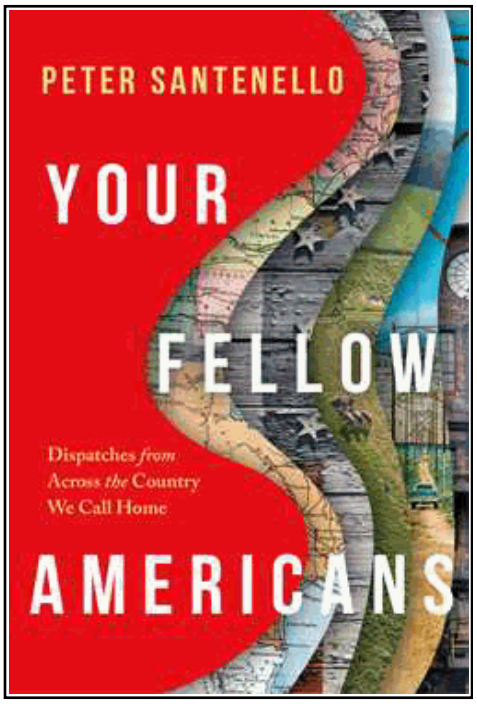

Peter Santenello hadn't either, until after years spent traveling through eighty-five countries and living abroad, he realized the most unfamiliar territory was often his own American backyard. And so, with a camera in hand and an open mind, he began visiting communities across the country that most media overlooks or misrepresents, from tiny towns in Appalachia to the streets of East LA.

What began as curiosity became—one story at a time—an intimate, revealing portrait of America today. From road trips and chance encounters to dinners shared in locals' homes, *Your Fellow Americans* captures what makes this country so dynamic, so resilient, and most of all, so very human. Because what Peter discovered on his travels wasn't a nation torn in two. He found something more complex and more powerful: people who want to be seen, who are willing to listen, and who still believe we're more alike than we are different.

With humor, exuberance, and reverence for the human spirit, *Your Fellow Americans* is a celebration of the United States that exists far beyond the headlines—and an invitation to sit down, open up, and rediscover the soul of this place that we call home.

AUTHOR BIO

Peter Santenello is an independent journalist and filmmaker with over four million subscribers on YouTube. He's traveled to eighty-five countries and lived in five, building a global audience by letting people tell their stories in their own words. These days, Peter's lens is focused squarely on the United States, where he explores the diverse, complex, and often misrepresented communities that make up the fabric of America.

The God Test

Artificial Intelligence and Our Coming Cosmic Reckoning

Robert Wright

BOOK DESCRIPTION

From bestselling author and Pulitzer Prize finalist Robert Wright comes a sweeping new view of artificial intelligence—as an evolutionary force that will pose deep political and spiritual challenges and could, in the process, give our species a unifying sense of purpose.

The God Test is the first book to capture the power behind the AI revolution—to clearly explain the breakthroughs that sparked the current wave of advance and compellingly show why this wave will grow in magnitude and meaning. Written by one of our foremost public intellectuals, and informed by his decades of chronicling the digital age, the book argues that we are about to witness the most abruptly dramatic social transformation in the history of our species.

Wright says that to truly understand this moment in technological history, we need to expand our perspective beyond the last century or even the whole history of technology and look back across billions of years of life on Earth. The advance of AI, he argues, is driven by evolutionary dynamics like those that led to intelligent life in the first place. And understanding those dynamics can empower us to confront our climactic challenge: Can we muster the political, moral, and even spiritual resources needed to guide this technology wisely?

If we fail, the consequences for the whole planet could be grave. But if we meet the challenge—if we pass "the God test"—we can live in a world where humanity thrives, finding not just happiness but deeper meaning and purpose. The very machines that might otherwise imperil or oppress us can enrich us, helping us transcend the psychological impediments to human concord and fulfillment.

AI For Good

How Real People Are Using Artificial Intelligence to Fix Things that Matter

Josh Tyrangiel

BOOK DESCRIPTION

In contrast to the wave of noisy polemics around AI, *AI For Good* explores how, in practice, it can actually improve our lives and tells the stories of everyday citizens at the forefront of this new "AI entrepreneurship."

AI is often framed as a force of radical transformation, either catapulting us into a utopian future or dragging us toward existential ruin. But this book tells a different story. It's not about high-profile tech CEOs who want to use AI to "break shit," but about a bunch of smart pragmatists using AI to make the world better.

Josh Tyrangiel's journey into AI began with a late-night YouTube video featuring General Gustave Perna, the retired four-star general who orchestrated the distribution of Covid vaccines during Operation Warp Speed. Perna's success—and the end of the pandemic—depended on AI's practical ability to synthesize and standardize vast amounts of logistical data. AI wasn't the hero of the story—it was the tool that helped real people get things done.

This book follows those people, who make up a kind of AI counterculture. It explores AI's quiet revolution in government services, medicine, education, and human connection—places where it's being used to amplify human judgment rather than replace it. It tells the stories of teachers, doctors, and bureaucrats who often stumbled into AI as a means to solve specific, tangible problems, often with no prior software expertise.

While the loudest voices in AI debate doomsday scenarios and trillion-dollar market opportunities, this book focuses on those working in the messy, incremental, but deeply impactful space of AI practice. However, there is one big caveat—success is not guaranteed. Change is hard. Institutions move slowly. But even in failure there are lessons for everyone who's interested in using AI—carefully, thoughtfully—to build a better world today.

AUTHOR BIO

Josh Tyrangiel is a writer for *The Atlantic.* He was previously the editor of *Bloomberg Businessweek* and chief content officer for Bloomberg Media. A twelve-time Emmy and Peabody Award–winning producer, he created *Vice News Tonight* on HBO and has produced numerous feature-length documentaries for HBO, Netflix, and Apple TV.

The Rush Bible

Secrets to Crush Sorority Recruitment and Find Your Forever Greek Home

Trisha Addicks

BOOK DESCRIPTION

A straight-talking, warm, and prescriptive guide for any panicked young woman (or, let's get real, her mom) facing rush, by America's top sorority rush consultant.

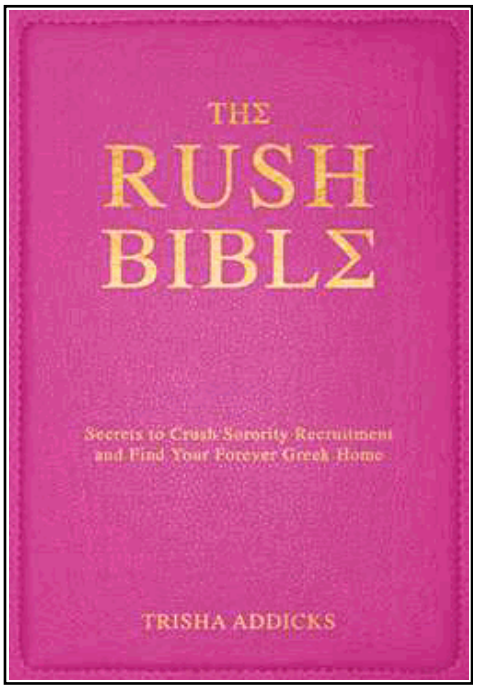

Sorority rush. Those two little words can bring up a lot. Beautiful houses, crazy money, fierce competition for bids, and heartbreaking cuts. Rush is all these things and more—none of them are easy. But the friendships and support you gain in a sisterhood last a lifetime, and they are worth fighting for.

The Rush Bible is a step-by-step guide that provides insider info and emotional support to help readers land a bid from their forever Greek home. Trisha Addicks is the country's foremost expert with a sorority consulting firm that's successfully helped hundreds of women. She knows every top-secret thing you need to prepare for, survive, and crush sorority rush. What you see on #RushTok or read about online isn't nearly enough to help a PNM effectively navigate rush. What even is a PNM? When should you start prepping? How much do recommendation letters matter? What should you pack in your rush tote? And do you really even have a chance if you aren't a legacy? Trisha Addicks and *The Rush Bible* are here to answer your prayers.

Readers will close *The Rush Bible* enlightened, entertained, and totally prepared to find their people without breaking their hearts, losing their minds, or going broke.

AUTHOR BIO

Trisha Addicks is the nation's top sorority rush consultant, garnering major national attention, from the front page of *The Wall Street Journal* to being featured in the hit 2023 MAX documentary *Bama Rush*. A graduate of the University of Georgia, she launched her rush consultancy firm, It's All Greek to Me, in 2017. She lives in Atlanta, and her favorite pastime is hanging out with her husband, two grown sons, and daughter-in-law.

Hating Women

A Memoir of Male Rage and Recovery

Sean Hotchkiss

BOOK DESCRIPTION

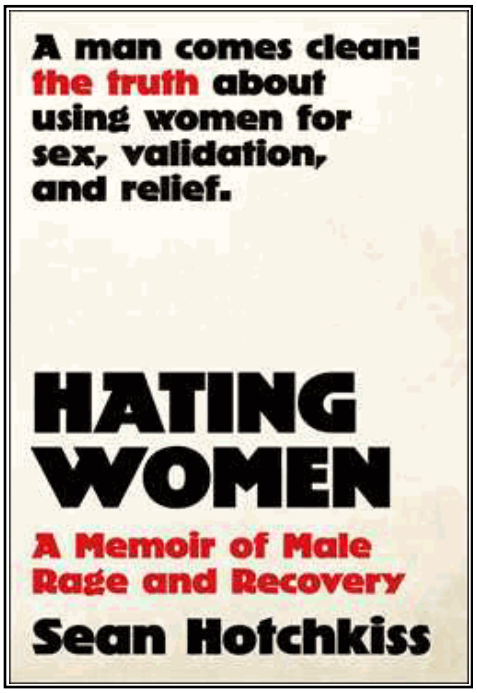

A brutally honest confessional that reckons with the darkest parts of the male psyche and provides a framework for men to heal themselves and their relationships.

When Sean Hotchkiss watched his father spiral after his second divorce and jump off a thirty-six-story bridge, the cause of his suicide to Sean, even at twenty-two, was clear: his father couldn't live without a woman. And following his father's death, Sean vowed to never find himself in the same position. He'd never be alone. Women became Sean's compass. They were the way he clocked if he was doing okay in the world: if women liked him, desired him, wanted to sleep with him, all was well. And he dated and slept with as many women as possible in the coming years, running away from himself and his pain. Then, in 2015, he hit rock bottom after another breakup. Like his father before him, he became depressed and finally, suicidal. It was the beginning of a decade-long odyssey towards healing.

A candid and vulnerable memoir, *Hating Women* is a book for men who are disappointed by dating or by relationships that stagnate and sour; men who are struggling to confront their demons and with the pain they've caused the women in their lives. By detailing the connection between his toxic experiences with women and suppressed rage, Hotchkiss offers a roadmap out. What begins as confession becomes initiation: a reckoning that each man must go through to reclaim a capacity for vulnerability and live a life grounded in core values, including loving and honoring the women in his life.

AUTHOR BIO

Sean Hotchkiss was a journalist for New York men's magazines like *GQ*, *Esquire*, and *Men's Health*. Since 2019, he's been a men's coach and facilitator dedicated to helping men live richer, more deeply fulfilling lives: reconnecting them to their emotions, their bodies, and healing their relationships with themselves and the people they love. *Hating Women* is his first book.

7 Habits of Highly Effective Teens - Graphic Novel

A Graphic Novel

Sean Covey

BOOK DESCRIPTION

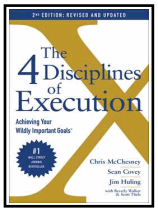

Based on the mega bestseller *The 7 Habits of Highly Effective Teens* with over 3 million copies sold—now available as a graphic novel for the first time—the fun, engaging story of seven high school students that offers the ultimate teenage success guide.

Sean Covey's landmark book *The 7 Habits of Highly Effective Teens* has helped millions of teens achieve success and self-esteem. Now available as a graphic novel for the first time, this classic book applies the timeless principles of 7 Habits to the tough issues and life-changing decisions teens face.

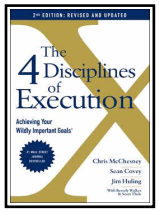

Join the kids of Canyons High School as they learn how to navigate life, from Fine, a senior who plays football to Victoria, a freshman in the entrepreneurship club; twin sisters Samantha and Sabrina; and DJ who wants people to join his band. Illustrated in a fun, engaging, and graphic way, this is a book that no teen will want to miss.

A Sudden Flicker of Light

A Revisionist History of Movies

David Thomson

BOOK DESCRIPTION

From cinema's most distinguished historian and critic comes a masterful one volume look at the whole sweep of movie history—perfect for fans of iconic films and modern classics, from *Citizen Kane* to *Anora*.

There are few greater film lovers than David Thomson who, over the course of fifty years, has built up a reputation as one of the wisest and most penetrating voices on the art form. But Thomson is also very much aware of the dark side of this art that he's devoted his career to and here he makes a full reckoning with it. In a very profound way, he argues in this book, the movies have been a destructive force—responsible for creating an alternate reality and fantasyland that has only deepened the isolation and disconnection of our society over the course of a century. Thomson explores the high and low points of film history with his usual brilliant insight—sharp and arresting readings of movies from *Metropolis* to *Rear Window* to *Anora* can be found in these pages. But he also shows the ways in which our love of voyeurism and villainy, and the passivity which the movies further engender, have led to a coarsening not just of a medium, but of the larger culture, including our political life. A bracing and polemical book, this is a powerful capstone to a distinguished career.

AUTHOR BIO

David Thomson is the author of more than twenty books, including biographies of David O. Selznick and Orson Welles, and *The New Biographical Dictionary of Film*. His writing and his books have been featured in *The New York Times*, *The Guardian,* the *Los Angeles Times*, *The Atlantic*, *Esquire*, *Slate,* and many more. He lives in San Francisco.

Unleashed

How to Bring Out the Best in Your Dog

Jaime Goodrich

BOOK DESCRIPTION

Our dogs are no longer just pets—they're family. This means, according to celebrity dog trainer Jaime Goodrich, that the way we train them needs to change.

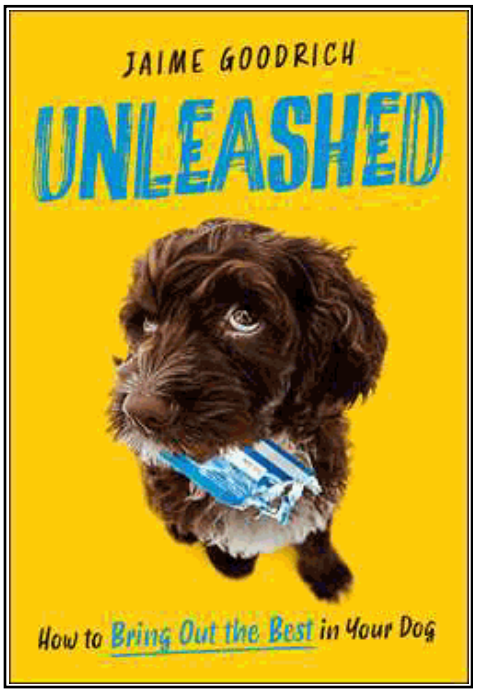

The role dogs have played in our lives has changed. No longer are they solely workers, bred to herd for or hunt with us. So it's time to change how we raise them too. In *Unleashed*, celebrity dog trainer Jaime Goodrich shows you how to understand your dog, provide support, and a create secure, lasting bond with one of the best relationships you could have in your life.

Unleashed argues that behavior problems worsen, not improve, with heavy discipline. If you instead address the source of a dog's anxiety or fear, problematic behaviors will naturally and permanently disappear. Goodrich provides techniques rooted in kindness and understanding rather than punishment and dominance. She addresses attachment in dogs—what normal attachment looks like and what it looks like when things go south. She teaches you how to identify your dog's particular coping strategy and how to identify stress signals your dog is giving you. You'll be able to recognize your dog's particular triggers and desires, and, most importantly, be able to figure out how to work within your dog's particular neurological level to make substantial change in their behaviors.

Unleashed teaches you how to:
-Curb your dog's reactivity toward humans and other dogs
-Walk your dog calmly and politely on leash
-Address hyper, shy, or aggressive behavior
-Teach essential house obedience skills for a balanced home life
-Eliminate destructive behavior like barking, chewing, and digging
-Treat phobias, separation anxiety, and fearful reactions
-Implement safety training for stress-free outings

Most importantly, *Unleashed* will give you the tools you need to fix any behavior problem, confidently and humanely. The result is that you will be able to nurture a more balanced, happy, and connected dog.

Jaime Goodrich is a renowned and certified dog trainer with over twenty-five years of experience training celebrity dogs in Hollywood. She has trained thousands of dogs and mentored hundreds of new dog trainers, dealing with the most random and obscure behaviors imaginable—dogs attacking the jacuzzi, eating drywall, and chasing helicopters! The owner of a fancy dog hotel and then the creator of the positive-only dog training franchise the Zoom Room, Jaime now runs a concierge dog care business catering to LA's wealthiest pups. She is also the training director for Paws for Life, a rescue organization that places shelter dogs in prison for training to become service dogs for veterans with PTSD. In addition, she is the founder of the Academy for Canine Behavior, a dog training school for trainers. She has been featured and published in *USA TODAY*, *Fox News*, ABC and NBC local news, *Entrepreneur*, *Daily Herald*, *Dog Fancy*, *The Bark* magazine, and more. She lives in LA with her family and a dog named Maude.

How to Win a Trade War

An Optimistic Guide to an Anxious Global Economy

Soumaya Keynes and Chad P. Bown

BOOK DESCRIPTION

Two top trade experts with popular economics podcasts argue for a new way of operating between the biggest economic powers in the world.

We used to take trade for granted. No more.

Everything we know about trade has changed. With Trump's tariffs throwing everything up in the air, this is *the* book to explain the eruption. As we enter this new era of trade conflict, we need a new way of operating between the biggest economic powers in the world. Trade experts Soumaya Keynes and Chad Bown argue that now that the rules of the game have been abandoned, we need a different strategy. Yearning for the old approach to start working again isn't an option. Ultimately, the authors argue that a Western system that protects market-oriented democracies from China's one will require the embrace of some uniquely Chinese tools. If we want to avoid a war with guns, drones, and battles, then we need to understand these weapons better in *How to Win a Trade War*.

The authors give a tour of products and supply chains, from metals to sushi, and the impact of trade—and trade disruptions—on workers and consumers. They follow a lipstick with plastic casing manufactured in China, filled in Mexico, and then shipped to Canada after stopping off at a Texan warehouse. They trace an electronics supply chain from silicon sourced in the Appalachian Mountains, to "wafers" made in Japan, to chips made in Taiwan using equipment made in the Netherlands, to smartphones assembled in China and sent to America.

They speculate what all-out economic warfare might look like. What if the world's key shipping lanes got blocked? Or satellite communication went down? What about export restrictions cutting off supplies of key products? Tariffs could be the least of our problems.

This timely and accessible book helps readers understand how they, their company, and their country fit into the story at this precarious moment for the global economy.

Soumaya Keynes is an economics columnist at the *Financial Times* and host of the podcast *The Economics Show with Soumaya Keynes*. Before joining the *Financial Times* in July 2023, she spent eight years at *The Economist*, where she won an award from the Association of Business Journalists for her commentary on the first Trump administration's trade policy. She cofounded the *Trade Talks* podcast during the Trump administration's first term and cohosted *The Economist's Money Talks* podcast. She started her career as an economist working at the UK Treasury and then as a researcher at the Institute for Fiscal Studies. She has an undergraduate degree and masters in economics from the University of Cambridge.

Chad Bown is the Reginald Jones Senior Fellow at the Peterson Institute for International Economics and host of the *Trade Talks* podcast. He has performed public service in two US administrations, as Chief Economist at the Department of State in the Biden-Harris administration and as Senior Economist in the White House on President Obama's Council of Economic Advisors. He has also been on the research staff at the World Bank and World Trade Organization, and was on the faculty at Brandeis University for twelve years and was a tenured professor of economics. He received a BA magna cum laude in economics and international relations from Bucknell University and a PhD in economics from the University of Wisconsin-Madison.

The 4 Disciplines of Execution for Educators

Helping Schools and Districts Achieve Their Wildly Important Goals

Sean Covey, Lynn Kosinski, Betsy Wierda, and Maria B. Fleming

BOOK DESCRIPTION

From bestselling author Sean Covey, a revolutionary operating system that helps educators achieve their most wildly important goals by focusing on what matters most, even amid the daily whirlwind of urgent demands—based on the groundbreaking 4 Disciplines of Execution framework.

In education, setting goals is easy—but achieving them is hard. It's easy to understand why. Every day, educators face an overwhelming whirlwind of urgent tasks, making it nearly impossible to focus on long-term objectives. *The 4 Disciplines of Execution* (4DX) offers a proven framework that has helped thousands of schools worldwide break through this barrier to achieve their most important goals.

This groundbreaking book shows educators at every level how to:

-Focus on the one or two goals that will make the biggest difference, using the principle of "less is more."

-Identify and act on high-leverage activities that predictably drive results.

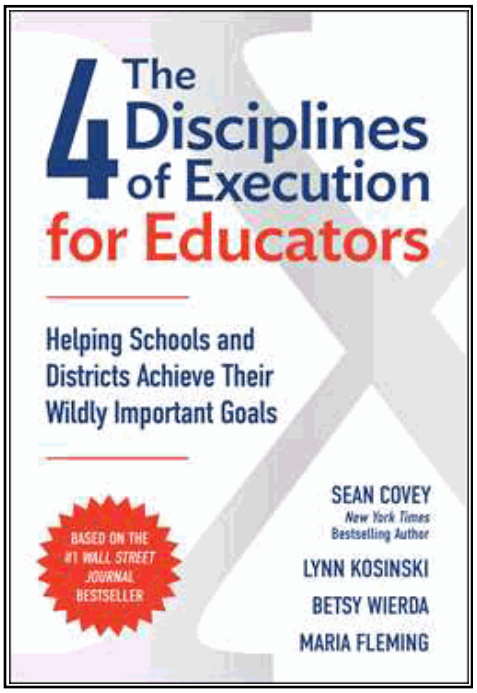

-Create visible, compelling score boarding that motivates students and staff.

-Build a culture of shared accountability that gets everyone engaged in the goal.

Through inspiring real-world examples—from improving graduation rates to dramatically boosting reading proficiency scores—the authors demonstrate how schools have used these four simple but powerful disciplines to achieve what once seemed impossible. Whether you're a superintendent, principal, teacher, or support staff member, this book provides the complete framework you need to cut through the daily chaos and consistently deliver on your most critical educational priorities.

Based on timeless principles of human effectiveness and backed by years of successful implementation in schools globally, *The 4 Disciplines of Execution for Educators* is an essential operating system for any educator serious about turning their biggest goals into reality.

Now We're Cooking

All-Purpose, Laid-Back Recipes

Matt Broussard

BOOK DESCRIPTION

In *Now We're Cooking*, Matt Broussard—known to millions as @ACookNamedMatt—brings the moves and mindset for making food faster, bolder, and better he honed as a professional cook to the home kitchen.

Matt Broussard proves that great food isn't complicated. With the same, no BS attitude that has attracted over eight million social media fans, *Now We're Cooking* brings weeknight-friendly meals with punch—and efficiency. Think recipes that level up, yet are totally doable:

- Warm Lacinato Kale Caesar with Crispy Chickpeas
- Spicy Cold Korean Noodles
- The Creamiest, Cheesiest Mac and Cheese
- Grilled Korean Short Ribs
- OG Beef Birria
- Cold Corn Soup
- Butter-Basted Steak
- Charred Broccolini with Cotija Dressing
- Crispy Salmon with Toasted Miso Corn
- Spatchcocked Roast Chicken with Hasselback Potatoes
- Pan-Roasted Brussels Sprouts with Pancetta and Pear
- Farro Risotto with Roasted Mushrooms and Squash
- Tender Biscuits with Honey Butter
- Chai Flan

Raised on the Texas-Mexico border, Matt mastered the basics at home before breaking out in Seattle's electric dining scene. Now, he shows home cooks how to make big flavor dishes, giving them confidence and the best ways to do things that he's learned in kitchens from his grandma's house and top restaurants alike. Anyone can do this, and Matt makes you want to learn.

AUTHOR BIO

Matt Broussard is the creator behind @ACookNamedMatt. Lauded as "The Most Fun Chef to Watch on TikTok" by *Forbes*, he was born in Brownsville, Texas, and learned to cook from his grandmother. He went on to some of Seattle's best restaurants, including Palace Kitchen. With videos both fun and cutting-edge, he has drawn more than 8 million followers and billions of views across social media. Matt lives in Seattle with his cat Ladybird.

Dig In!

Over 100 Easy, Delicious, and Stress-Free Recipes to Make on Repeat (A Cookbook)

Erin O'Brien

BOOK DESCRIPTION

Over 100 flavor-packed and simple recipes for every occasion and every craving from Erin O'Brien, one of social media's most beloved food content creators.

In her debut cookbook, content creator Erin O'Brien draws inspiration from three generations of women who taught her to create her own modern spin, with a stress-free approach to boldly flavored food. Erin has built a thriving community of over 1.5 million followers across platforms who turn to her for delicious, manageable, and creative meals, and are eagerly awaiting this book.

Dig In! is the ultimate collection of simple and delicious recipes that cater to every craving and occasion, from comfort food classics to weeknight dinners and family meals to share and savor. In the chapter called WTF to Make for Dinner, Erin solves the age-old dilemma with effortless recipes like **One-Pan Chicken Marsala & Orzo** and **Loaded Twice-Baked Broccoli Cheddar Potatoes**. You'll find easy bites like **Mom's Secret Salsa** and shortcut **Faux-caccia** in App-y Hour. The Pasta: My Love Language chapter includes **Erin's Spicy Garlic Shrimp Linguine with Crispy Panko** that guests will be begging you to share the recipe for. You'll learn that salads can be the star of the table with dishes like **Summer Stone Fruit Salad with Basil Mint Vinaigrette** and, of course, fan favorite **Nana's Iconic Crunchy Lemon Parm Salad**. Even Erin's cozy soups and standout side dishes recipes may steal the show with delightful options such as **White Bean, Corn & Chicken Chili** or **Honey & Chile Roasted Carrots with Labneh**. Lastly, you can't forget delicious desserts, or as Erin says, the Cherry on Top of any great meal, like **Key Lime Pie with Pecan Graham Cracker Crust** and **Loaded Brown Butter Chocolate Chip Cookies**. In addition, there are fun and approachable (sommelier-approved!) wine pairings throughout the book, as Erin's fans have grown to love in her posts, but for those occasions when you want to have a little more fun, her **Blackberry Bourbon Smash** is a must-try.

Packed with practical tips and foolproof methods, *Dig In!* is an essential companion for anyone hoping to elevate their home cooking and make every meal one to remember.

Erin O’Brien is a Southern California–based creator who has garnered the attention of millions by sharing simple and delicious homestyle recipes. She originally fell in love with cooking because of time spent in the kitchen with her mom and grandma, who owned a Mexican restaurant in La Jolla. Erin has always seen food as the ultimate love language and something that should be accessible to everyone, which is what prompted her to share her recipes on social media. Her platforms have grown but her authenticity and intention has never wavered—showing that when you have easy recipes, a stress-free approach, good music, and a glass of wine, cooking becomes something that everyone will enjoy. Erin lives in Los Angeles, California, with her husband, Andrew, and their dog, Izzy. Find out more at ErinOBrien.life and follow her on Instagram @ErinnOBrienn.

AC Barbeque: The Husky and Handsome Guide to Grilling

(A Cookbook)

Anthony Anderson & Cedric the Entertainer

BOOK DESCRIPTION

Anthony Anderson and Cedric The Entertainer, comedic royalty and hosts of A&E's *Kings of BBQ*, gather their favorite recipes into an accessible and entertaining cookbook like no other.

For both Anthony Anderson and Cedric The Entertainer, two of the biggest names in comedy of all time, barbeque is more than just food—it's a way of life. Recipes are passed down through generations at backyard cookouts, and pitmasters around the country carry on those traditions at their restaurants. That's what the television show *Kings of BBQ* on A&E (and now streaming on Hulu) captured as Anthony and Cedric traveled the country with the goal of launching their own spice and BBQ sauce product lines. Their AC Barbeque product line is now carried thousands of stores nationwide, and fans are clamoring for this cookbook to go with them.

Organized by regions of the country to best capture the soul of the food including St. Louis, Memphis, and the Carolinas, *AC Barbecue* showcases the charm of these brilliant actors and comics both in the writing and bold photography. Recipes range from pork belly burnt ends to dry rub beef brisket to jerk ribs, and other favorites like macaroni salad, baked beans, fried catfish, and hush puppies are included as well. There are even snacks and desserts like fried pickles and peach cobbler, and maybe best of all, a whole chapter of sauces and rubs.

Whether you're a seasoned pitmaster or just firing up your backyard grill, this book is a celebration of the rich traditions, bold flavors, and undeniable joy of barbequing. Packed with mouthwatering recipes, stunning photography, and Anthony and Cendric's infectious personalities, this cookbook is a must-have for anyone looking to bring soul and flavor to their own backyard gatherings.

Anthony Anderson is an Emmy Award and Golden Globe–nominated actor. He starred in (and executive produced) eight seasons in ABC's multi-award nominated sitcom *black-ish*. Most recently, Anderson hosted the 75th Annual Emmy Awards, hosted the FOX game show *We Are Family*, and guest-hosted *Jimmy Kimmel Live!* for a week. He also partnered with Cedric The Entertainer to launch their own barbeque label, AC Barbeque, and documented their journey to become barbeque masters on the A&E Network unscripted series *Kings of BBQ*. Anderson has become familiar to audiences through roles in prominent films such as the blockbuster *Transformers* and Martin Scorsese's Academic Award–winning *The Departed*. Anderson has hosted several culinary focused shows on the Food Network and served as a regular judge on *Iron Chef America*. In 2020, he was awarded a star on the Hollywood Walk of Fame. He lives in Los Angeles.

Cedric The Entertainer is an executive producer, director, actor, comedian, and novelist. Cedric is the star and executive producer of the CBS Television hit comedy *The Neighborhood*. He has also joined forces with Grammy Award–winning multiplatinum artist, actress, producer, and entrepreneur, Toni Braxton for a music and comedy experience with their joint residency at the Chelsea in the Cosmopolitan of Las Vegas. He starred in and executive produced the *Kings of BBQ* series on A&E, where he and Anthony Anderson tie in their love of BBQ with their lifestyle brand, AC Barbeque. In addition, Cedric reprised his role as Uncle Bobby in Disney+'s *The Proud Family: Louder and Prouder*—the long-anticipated revival of the groundbreaking animated series *The Proud Family*. Other noteworthy television credits include *The Last O.G.* with Tracy Morgan and Tiffany Haddish, *The Steve Harvey Show*, *Cedric The Entertainer Presents*, and *Who Wants to Be a Millionaire*. His versatile film work spans genres such as the hit Barbershop franchise and *The Original Kings of Comedy* concert film which chronicled his comedy tour with fellow comedians Steve Harvey, D.L Hughley, and the late Bernie Mac. He received a star on the Hollywood Walk of Fame in 2019. Cedric lives in Los Angeles.

More, Please!

Feel-Good Meals for Busy Families and Their Picky Eaters (A Cookbook)

Rachel Mansfield

BOOK DESCRIPTION

Delicious, stress-free meals for busy families, with flexible solutions for any dietary need, from food entrepreneur Rachel Mansfield.

Balancing a full plate of responsibilities—from work to home to kids—can be a handful. Add cooking three wholesome meals a day (plus snacks), and it can feel downright impossible. Social media may make it look effortless, but the truth is, it's not. *More, Please!* is here to help you feel less overwhelmed. With family-approved, kid-friendly meals, freezable options, and dietary flexibility to make the recipes gluten-free, dairy-free, refined-sugar free, and more, this book is the time-saving kitchen companion every busy parent needs.

Food entrepreneur Rachel Mansfield @RachlMansfield has accumulated more than 1.5 million followers from sharing her inspiring approach to family meals, which are as delicious as they are doable. As a mother of three boys, she knows firsthand how important it is to find smart shortcuts without sacrificing flavor. Featuring stress-free, repeatable recipes, this cookbook isn't organized by traditional meals, as Rachel understands that every day does not look the same in a busy household. Instead, *More, Please!* offers quick, reliable solutions for any time of day with chapters like Not-So-Boring Chicken or Yes, You Can Cook Fish.

Morning recipes such as High-Protein Cinnamon Raisin Quick Bagels can double as snacks, while versatile bowls like Crispy Rice Bowl with Ginger Sesame Dressing help keep energy up all day. You'll find approachable fish options including One-Skillet Lemony Shrimp and Baked Shrimp Cakes with Avocado Corn Salsa, craveable chicken dishes such as Chicken Parmesan-Stuffed Sweet Potatoes, and various ground meat recipes like tacos, meatballs, or casseroles. You'll also find low-effort one-sheet pan meals like Go-To Nacho Night Nachos, including many ways to cook a box of pasta like One-Skillet Cheesy Pizza Mac & Cheese. Sweet tooth? Discover treats like Sneaky Green Smoothie Pancakes and Chocolate Chip Cookie Granola that are so good you might eat them for breakfast too. Plus, Rachel includes a multipurpose section of condiments, sauces, and sides to elevate your cooking with ease.

Weeknight Winners, Family Dinners

Raise Curious Eaters with Kid Approved, Adult Loved Recipes

Jack and Emmy Zhang

BOOK DESCRIPTION

From the beloved family behind the internet phenomenon Cooking for Levi, a practical collection of 30-minute meals designed for the whole family—with eight keys to raising good eaters while also developing connection and language.

Weeknight Winners, Family Dinners does two things exceptionally well: 1) It delivers eighty recipes that come together in less than an hour—most in thirty minutes—and that will please kids and adults alike. 2) Provides key tips that give parents and caregivers ways to connect with their school age kids over the dinner process, even during the weeknight witching hour. They include Let Kids Eat Off Your Plate, Ask Open-Ended Questions, Make it Tender, Erase the Bogeyman, Don't Force It, and Let Your Kid Pick Out Stuff While You Shop. Each recipe includes a "What kids can do" idea and conversation starters that develop language and connection. Jack and Emmy Zhang show that all the things you are doing anyway, from shopping to prepping to lighting candles, are opportunities to connect and have fun with your child, while also naturally building language, confidence, curiosity, and kitchen skills.

Recipes for main dishes of all kinds, noodles, salads, sides, snacks, and desserts include the following:

- Shiitake Mushroom Stroganoff
- Five Spice Butter Chicken
- Bean and Onion Stir-Fry
- 5 Minutes Cheesy Garlic Toast
- Baked Potato Soup
- 30 Minute Chili
- Brown Butter Banana Brownies
- Salted Caramel Cupcakes

Dating in this day and age is *wild*.

(Wild enough to make people say “in this day and age” even though it makes them sound like a boomer complaining about QR code menus.)

Most single women will tell you that trying to find love right now is nerve-wracking, frustrating, and absolutely full of fishing pictures. Men are out here texting “u up” at two a.m. while refusing to actually schedule dates. They’ll plan a weekend trip but clam up about being a plus one to a wedding. They’ll say they’re not looking for anything serious but then make a dinner reservation at a place with nice tablecloths and those waiters that are kind of mean but in a way that feels fancy.

How is anyone supposed to tell what’s just a part of modern dating and what’s a legit red flag?

Enter Jared Freid. From decoding cryptic text messages to surviving first dates and figuring out what that “gym selfie guy” is really thinking, Jared delivers the ultimate guide to modern love.

Dubbed the “Dear Abby for dudes,” Jared brings his sharp humor, podcast expertise, and two decades of single guy experience to this hilarious, relatable, and surprisingly practical manual. With a candid mix of real talk and comedic storytelling, he covers:

- **Getting Dates:** How to meet people IRL, conquer dating apps (stop hiding your face in pictures!), and set boundaries.
- **Hooking Up:** Navigating first dates, the “ick,” and intimacy.
- **Milestones:** Holidays, birthdays, and all the tests of a new relationship.
- **Breaking Up:** Surviving heartbreak without alienating your friends.
- **Loving Singledom:** Why being single isn’t a red flag—it’s a power move.
- **Staying Hopeful:** Remembering that love is out there, you deserve it, and you don’t have to compromise to get it.

Packed with laugh-out-loud dating stories, insightful advice, and a refreshing dose of (sometimes brutal) honesty, *Walking Red Flag* is your must-have survival guide for today’s dating landscape. So get ready to swipe, laugh, learn, and fall back in love...with dating.

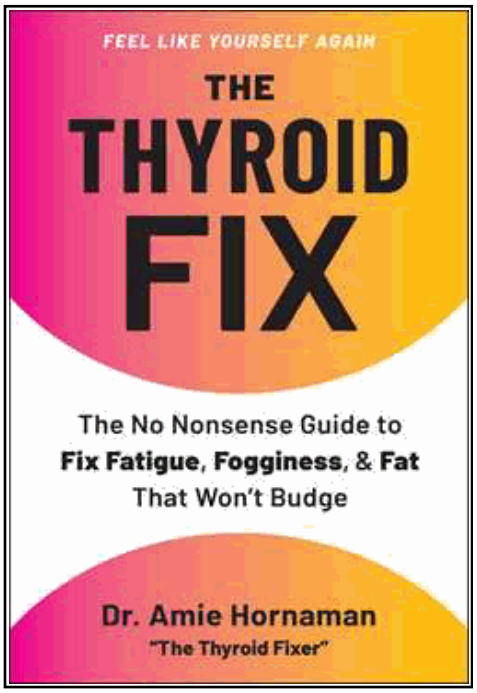

AUTHOR BIO

Jared Freid is a stand-up comedian and podcaster based out of New York City. His most recent stand up special, *37 & Single* premiered on Netflix to rave reviews and rose to the Top 10 most watched TV in the US and Canada on Netflix. In addition to his hectic touring schedule, Jared hosts two highly-rated weekly podcasts, including *The JTrain Podcast*. Find out more at JaredFreid.com.

The Thyroid Fix

The No Nonsense Guide to Fix Fatigue, Fogginess, & Fat That Won't Budge

Dr. Amie Hornaman

BOOK DESCRIPTION

A definitive and thorough handbook from the fun and personable Dr. Amie Hornaman (a.k.a. "The Thyroid Fixer") that brings functional medicine and self-advocacy to the underdiagnosed epidemic of thyroid issues, particularly in women.

It's not you; it's your thyroid.

If you feel like there's something wrong but you can't get a doctor to listen, don't have a diagnosis yet, or have a diagnosis and your treatment isn't working, this book is for you. People—especially women—are consistently being dismissed and encouraged to accept symptoms that are anything but normal: weight gain that won't budge, exhaustion that never lifts, hair loss, anxiety, brain fog, and mood swings.

Dr. Amie Hornaman is here to change that. *The Thyroid Fix* addresses what most doctors overlook: the real reason women feel fat, foggy, and fatigued isn't laziness, aging, or a lack of willpower—it's their thyroid. This book is a wake-up call—and a solution—for millions of women who are sick of feeling dismissed and misdiagnosed. It's direct, real, and filled with strategies that actually work.

In this book, Dr. Hornaman teaches you what your lab results *really* mean, why "normal" ranges are often meaningless, and how to get treatment that actually works for *your* body. With authority and empathy, she invites you to bust myths, understand your labs, and finally get real answers. Readers will walk away with a self-assessment, facts, and questions to approach their doctors with, and solutions that range from conventional and functional medicine to prescriptions, supplements, and lifestyle shifts.

The Thyroid Fix is the straightforward, clinically-backed thyroid health guide you didn't know you needed, but that might just change your life.

eBook: 9781668024409, CDN $20.99

As a primary care physician with her own healthcare struggles, Dr. Lucy McBride knows what it's like to feel powerless—caught between a health care system that rushes through appointments focused on testing and prescriptions, and a wellness industry full of expensive false promises. She understands the frustration of transactional encounters, not knowing who to trust, and the sense that nobody sees you as a whole person.

In *Beyond the Prescription*, Dr. McBride offers a solution: a proven five-step process to help you take charge of your health and shift the locus of control from external checklists to your own informed decisions.

The Five Steps to Becoming the CEO of Your Health:

1. **Redefine health on your own terms:** Move beyond narrow metrics like BMI and cholesterol to understand what health truly means for you
2. **Understand your broad health ecosystem:** Expand the aperture on your health to include nutrition, mental health, and crucial elements of your life story using Dr. McBride's four-quadrant framework (Informatics, Inputs, Infrastructure, and Insight)
3. **Reckon with your patient personality:** Discover how you naturally approach healthcare and how to leverage your strengths while addressing your blind spots
4. **Ask for—and get—the help you need:** Learn to navigate the medical system, ask better questions, and find trusted guides
5. **Accept what you cannot control:** Make peace with uncertainty and focus your energy where it matters most

This isn't about becoming your own doctor or rejecting modern medicine. It's about moving from awareness to acceptance to agency—transforming yourself from a passive patient into an empowered partner who knows how to advocate for comprehensive, relationship-centered care.

Beyond the Prescription is like having a trusted doctor by your side, helping you ask better questions, advocate for yourself, and reframe what it means to be healthy. Whether you're managing a chronic condition, navigating a new diagnosis, seeking better care, or trying to make sense of conflicting health advice, this book is your guide to getting the care you need.

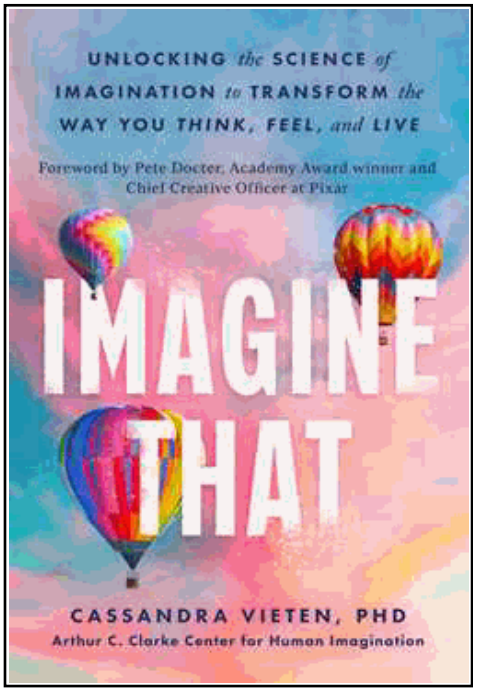

AUTHOR BIO

Lucy McBride, MD, is a primary care physician and cofounder of the Ackerly McBride Group in Washington, DC. For over twenty-five years, she has practiced evidence-based, relationship-centered medicine. A graduate of Princeton and Harvard Medical School, with a master's degree in pharmacology from Cambridge as a Fulbright Scholar, she completed her internal medicine residency at Johns Hopkins Hospital. She writes the weekly newsletter *Are You Okay?* and hosts the podcast *Beyond the Prescription*. Her work has appeared in *The Atlantic*, *The Washington Post*, and *USA TODAY*. She has contributed to CNN, MSNBC, and PBS, advocating for a holistic, patient-centered approach to health.

Imagine That

Unlocking the Science of Imagination to Transform the Way You Think, Feel, and Live

Cassandra Vieten, PhD

BOOK DESCRIPTION

The director of the Center for Human Imagination at the University of California, San Diego, reveals her original research behind the science of imagination as the key to human flourishing and progress, showing you how to harness it to transform your life.

What if the most overlooked key to mental health, innovation, and human connection wasn't a pill, a device, or a productivity hack—but your own imagination? In *Imagine That*, psychologist and imagination scientist Dr. Cassandra Vieten makes a radical claim: imagination is not just for artists and dreamers, it's the operating system behind how all of us think, act, and live. And it exists within everyone.

Drawing on her original, cutting-edge neuroscientific research, Vieten introduces the concept of imagination neurodiversity: the idea that each of us has a unique set of strengths and tendencies that can be understood and activated. This book is your map to that inner world, and the key to unlocking new possibilities in every area of life.

Vieten's research unpacks the neurological, cognitive, and social components of imagination, and uncovers how we can cultivate and apply it in our daily lives. Readers of this book will gain the ability to:

- Open their mind to new possibilities to help alleviate depression, anxiety, and other mental health struggles.
- Boost their workouts, sports, and physical training.
- Enrich relationships.
- Be more creative in work, school, hobbies, art, and music.
- Deepen spirituality or other existential explorations.
- Develop more joy and creative energy through a more colorful way of seeing and being.

This is the first book to offer a road map to determining your imagination strengths and how you can leverage them to invent, create, innovate, and lead a richer and more fulfilling life.

She has authored three books, is a three-time TEDx speaker, has published numerous articles in scientific journals, and is an internationally recognized keynote speaker and workshop leader.

Primetime

A New Vision for Midlife

Margie Lachman, PhD

BOOK DESCRIPTION

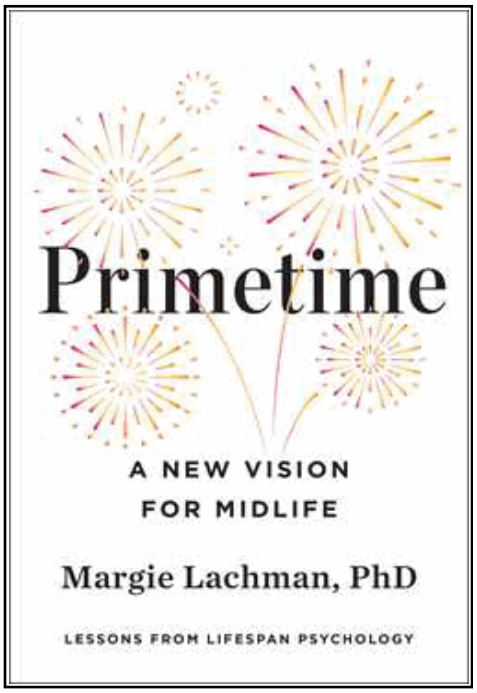

Leading lifespan psychologist Margie Lachman creates an inspiring new framework for midlife, based on her landmark thirty years of research and work on the MIDUS study, as the defining years of life.

We've all heard the term "midlife crisis" and the stereotypes that come with it. But what if everything you think you know about midlife is a myth?

In *Primetime*, Dr. Margie Lachman draws on her decades of research to debunk these myths and rebrand midlife as the optimal time for personal growth and satisfaction. A professor of psychology at Brandeis University and the director of the Lifespan Lab, Dr. Lachman has spent thirty years studying midlife from a lifespan developmental perspective. Her research reveals the myth of the midlife "crisis", and other misconceptions such as people in their middle years can't change and that it is the unhappiest time of life. In reality, only a small percentage of people report experiencing a midlife crisis; personality can change during midlife and many people have a higher sense of well-being and control. It is a time when most are still healthy, highly functioning, mentoring those younger and caring for those older combined with increased knowledge and experience and stronger emotion regulation.

This book reveals midlife as a critical time in the life cycle with high generativity and peak responsibility, as well as when we make choices that can impact our later years. With a focus on debunking myths, navigating changes, and planning for the future, she guides readers through making sense of the past and imagining future possibilities. She also covers the physical, psychological, cognitive, and social changes that accompany the middle years and illuminates the potential to harness a sense of control in the face of the challenges, constraints, and transitions.

Margie Lachman, PhD, is the Minnie and Harold Fierman Professor of Psychology at Brandeis University, where she directs the Lifespan Lab. She earned her AB from Boston University and her MS and PhD from The Pennsylvania State University. A leading expert on adult development and aging, Lachman is one of a small group of scholars who study midlife from a lifespan developmental perspective. Her honors include research awards from the American Psychological Association (APA) and the Gerontological Society of America. She has authored numerous scholarly articles and coedited key volumes, including *Multiple Paths of Midlife Development*, *Handbook of Midlife Development*, and the APA *Handbook of Adult Development and Aging*. Lachman was a member of the John D. and Catherine T. MacArthur Foundation Research Network on Successful Midlife Development, which launched the landmark *Midlife in the United States* (MIDUS) study. She is a coinvestigator on MIDUS and several other projects exploring cognition, health, and well-being in midlife and later adulthood. At Brandeis, she teaches courses on adult development and aging and lifespan psychology.

How Will I Ever Get Through This?

Evidence Based Tools to Help You Heal from Hardship, Grief, and Loss

Dr. Lucy Hone

BOOK DESCRIPTION

A compassionate and practical guide to living with loss and navigating grief from one of the world's leading voices in resilience, Dr. Lucy Hone.

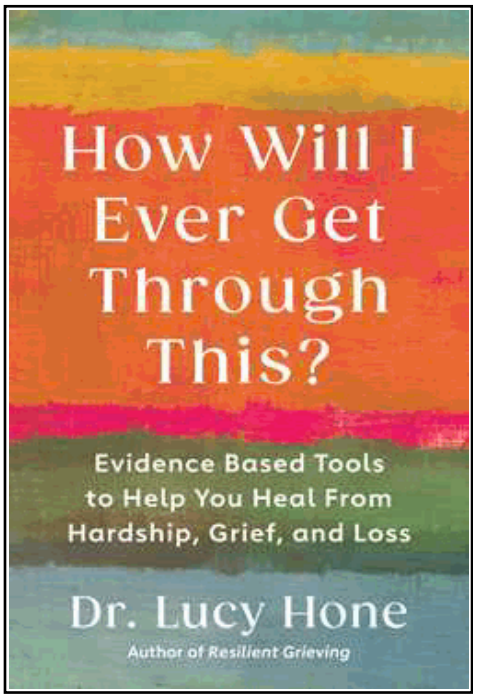

From internationally renowned resilience expert Dr. Lucy Hone, *How Will I Ever Get Through This?* is a powerful new guide for reclaiming life after tragedy and all types of loss. Building on her groundbreaking TED talk and first book, *Resilient Grieving*, Dr. Hone offers a deeply compassionate, profoundly practical road map through the most difficult seasons of grief, the kind that follows not only death but also divorce, illness, estrangement, job loss, infertility, or any other life upheaval. The "hidden grief" from these "living losses" profoundly alter our lives and our well-being, but may not be evident to those around us.

Organized around twenty transformative questions (derived from Dr. Hone's previously unpublished research) this essential book gently carries readers from the rawness of early loss—*Why am I so tired? Who am I now? Will I ever feel happy again?*—to a place of growth, meaning, strength, and renewal.

With a rare blend of scientific expertise, original research, moving personal storytelling, and poignant case studies, Dr. Hone delivers a hopeful guide that goes beyond survival—showing you how to live through loss with courage, grace, and purpose.

AUTHOR BIO

Born and raised in London, Dr. Lucy Hone now divides her time between New Zealand, Australia, the UK, and the US. Adjunct professor at the University of Pittsburgh and the University of Canterbury, she is an internationally sought-after professional speaker, a bestselling author, and award-winning internationally published "pracademic." Her clients range from Apple and Amazon to the United Nations, Hospice and the armed forces. She's regularly featured in international media, including *The Guardian*, the Hidden Brain, *The Washington Post*, the BBC, *The Sydney Morning Herald*, *Vogue*, CBS, and ABC, and she is also a columnist for *Psychology Today*.

Easy Discipline

An Unconventional Way to Achieve Ambitious Things

Jia Jiang

BOOK DESCRIPTION

From the bestselling author of *Rejection Proof*, a guide to making hard actions easy by using pleasure—not willpower—to achieve your goals. Work can be fun. Focus can be automatic. And success can be easy.

Most people think that because great achievements are difficult, they must also feel difficult. They resort to grind culture and sheer willpower, attempting to bully themselves into success, only to be left with broken dreams and diminished self-confidence. The truth is, great accomplishments are rarely achieved through mental toughness. Rather, the most successful people find a way to make hard actions feel easy.

Drawing on stories from his own battles with ADHD and procrastination, as well as twelve epic stories from history and pop culture, bestselling author Jia Jiang outlines the four pillars of *Easy Discipline*—Enjoyment, Artistry, Systems, and Yourself—so you can take hard actions on a consistent basis, love yourself in the process, and achieve life-changing results. You'll learn:

- How to harness the power of the One Action Goal system—and why it's the only system you'll ever need.

- Why creative constraints are your best friend, and how to use them to your advantage.

- How to generate momentum in your early actions so they generate asset-building resources that help you succeed later on.

- How to actively control and curate media consumption to educate and inspire you toward your goal, the way developers fine-tune AI machines.

This book won't change you from who you are already, but help you love your work and enjoy your journey so you can reach new heights. A love letter to ambitious people everywhere who are disorganized, undisciplined, and distracted, *Easy Discipline* will give you the mindsets and tools to turn flaws into assets, obstacles into stepstones, and dreams into realities. You aren't dumb. You aren't a failure. You just need *Easy Discipline*.

Big Time Off

The Transformative Power of Sabbaticals and How to Take One

DJ DiDonna

BOOK DESCRIPTION

A guide to transforming your well-being and your career through purposeful time off, from Harvard Business School Senior Lecturer and founder of the Sabbatical Project.

Our world of work prioritizes the *urgent*, but the most *important* moments of our life rarely happen at a desk. In *Big Time Off*, Sabbatical Project founder DJ DiDonna explores a simple but radical idea: sabbaticals help us avoid sleepwalking through life by giving us time to be present in moments of celebration, difficulty, and transition.

Integrating original research and compelling stories of sabbatical-takers from all walks of life—from teachers and nonprofit leaders to startup founders and Fortune 500 employees—*Big Time Off* explores why extended time away from work has such a profound effect on people's identity, relationships, creativity, and direction. You'll learn:

·When to take a sabbatical—and how to avoid waiting for a crisis to take off.
·Why sabbaticals—unlike vacations—help you forge a new career path, feel human again, and live a more authentic life.
·How to navigate your sabbatical using archetypes—the explorer, the seeker, and the achiever—and avoid common pitfalls.
·Best practices for individuals—no matter the circumstances—and organizations of all sizes to make extended leave possible and sustainable.

Whether you dream of making a big change, exploring the world, or simply carving out space to heal, think, and recalibrate, *Big Time Off* is your guide to creating a richer, more intentional life.

AUTHOR BIO

DJ DiDonna is a senior lecturer at Harvard Business School, where he teaches entrepreneurship. In 2019, he founded The Sabbatical Project to define, explore, and research sabbaticals. DiDonna has advised over a dozen organizations on the creation of sabbatical policies, including Zappos, Google, and DaVita, and from nonprofits to Fortune 500 companies, both in the United States and around the world. He attended Harvard Business School and cofounded an international credit-scoring company, EFL Global (the Entrepreneurial Finance Lab), based in Lima, Peru.

The Everything Easy MIND Diet Cookbook

175 Delicious Recipes to Combat Dementia, Improve Cognitive Function, and Support Overall Health

Christy Ellingsworth with Melinda Boyd

BOOK DESCRIPTION

The most comprehensive cookbook for a rising health and wellness trend! As more people are focusing on improving their overall brain health and decreasing the risk of Alzhemier's and dementia, this cookbook is a must-have for MIND diet beginners, with 175 healthy and delicious recipes to support cognitive health at every meal.

Improve brain health, support cognitive function, and feel your best with the help of these 175 easy and satisfying MIND diet recipes.

From improving cognitive function to reducing the risk of Alzheimer's disease, the MIND diet can be an important tool for those looking to improve their overall brain health. Yet it can be challenging to learn what foods are (and aren't!) recommended on the diet and determine a meal plan that works for you without guidance—which is exactly where this book comes in.

The Everything Easy MIND Diet Cookbook is here to help you find the brain-friendly meals that are right for you. You'll learn how the MIND Diet was created as a combination of two popular diet trends and explore the foods that are beneficial, as well as those to be avoided. You'll also find delicious recipes for every meal of the day, including:

·Delicious Zucchini Muffins that make a perfect breakfast on-the-go
·Mustard-Maple Chicken with Potato Wedges for a dinner the whole family will enjoy
·Chewy Pumpkin Oatmeal Raisin Cookies to satisfy every sweet tooth
·And many more!

With flexible meal plans, 175 easy and delicious recipes, and all the advice you'll need to get started, you'll have everything you need to create delicious, MIND diet-approved meals that will help improve your brain health every day!

The Dopamine Code

How to Rewire Your Brain for Happiness and Productivity

Dr. Sydney Ceruto

BOOK DESCRIPTION

***The Dopamine Code* is a game-changer for brains that are feeling stuck, scattered, or buried under a mountain of to-dos. If you're constantly chasing happiness or struggling with focus and time management, this book will be your new favorite tool. It's packed with science on dopamine, how it impacts our motivation and drive, plus strategies like creating dopamine menus to keep your life moving smoothly. You'll learn how to spark joy, reduce overwhelm, and actually get things done without burning out.**

Happiness and motivation aren't missing from your brain—it just doesn't work the same way for everyone. *The Dopamine Code* explores the neuroscience behind joy, drive, and follow-through in an engaging and approachable way, revealing why traditional productivity advice often fails to stick. Blending clear science with real-life examples, this book unpacks how dopamine shapes behavior—and how you can work with your brain, not against it, to get unstuck, stay focused, and actually finish what you start.

You'll also learn how to create a customizable "dopamine menu"—a dynamic toolkit of brain-friendly, energizing strategies tailored to how *you* function best. Whether you're navigating school, work, or parenting, or simply trying to make it through the day without burning out, this guide offers a fresh, practical approach to happiness and productivity that's doable, sustainable, and finally makes sense.

AUTHOR BIO

Dr. Sydney Ceruto, founder of MindLAB Neuroscience, has been at the forefront of integrating neuroscience into personal and professional coaching for over two decades. With two master's degrees in psychology and two PhDs in behavioral and cognitive neuroscience, Dr. Ceruto is widely recognized as an expert in the field of neuroscience. She practices personal coaching across the globe, with offices in New York, Miami, Beverly Hills, and Lisbon, Portugal. Dr. Ceruto is also a *Forbes* Coaching Council executive contributor, where she shares insights on neuroscience and leadership, and she has earned numerous prestigious awards and recognitions, including a 2024 Lifetime Achievement Award from the World Coaching Congress and a 2022 induction into the National Society of Female Entrepreneurs as one of the World's Top 3 Best Life Coaches.

Miss Bates

Emma Revisited: A Novel

Catherine Cliff

BOOK DESCRIPTION

A daring re-imagining of an Austen classic from the unflinching viewpoint of the misunderstood Miss Bates.

Henrietta Bates, the iconic bore of Austen's *Emma*, is the opposite of handsome, clever, and rich Emma: she is plain, ill-educated, and impoverished. An unmarried woman of quite a different order from that novel's proudly single heroine, she is an object of scorn and pity, whose survival depends upon the generosity of her neighbors which she barters for with an unrelenting shower of banal and grateful chatter.

But what if the woman we see in *Emma* were actually deliberately assuming a role, donning a mask, as a means of managing an untenable situation? What if there was a world of difference between her inward and outward voice? What would the Woodhouses's Highbury look like from *her* perspective?

Miss Bates by Catherine Cliff imagines answers to these questions as it chronicles Henrietta Bates's unexpected and, at times, violent life, navigating a world with no ready-made opportunities, where the stakes are of the highest order. In a debut that is by turns comedic, tragic, startling, and altogether brilliant, *Miss Bates* turns Austen's poignant and ridiculous side character into a feminist force who understands innately the life she has been dealt and how to slyly play it to her advantage.

This is no marriage plot; it is a spinster plot. Or maybe, the spinster's plot.

AUTHOR BIO

Catherine Cliff is an academic by training and lives in western Massachusetts. This is her first novel.

City on Fire

A Novel of Hong Kong

Simon Elegant

BOOK DESCRIPTION

A police detective in Hong Kong races to solve a vicious murder, while the city around him teeters on the brink of destruction.

Hong Kong is a city ablaze—its streets filled with protesters, its government in crisis, its people torn between rage and fear of what defiance might cost. At the center stands Superintendent Killian Tong, once a rising star in the police, now disgraced and haunted by a tragic accident at a protest. Exiled to a remote post, Killian is called back when a dismembered body is uncovered in a landfill. The gruesome murder could be his path to redemption—if he can withstand mounting pressure from superiors desperate to bury the truth, and the even more dangerous fractures within his own family.

His beloved younger sister Jun refuses to speak to him, devoting herself to the protest movement. Once inseparable, the siblings now face each other across barricades, Jun's fierce commitment pulling her closer to arrest and ruin.

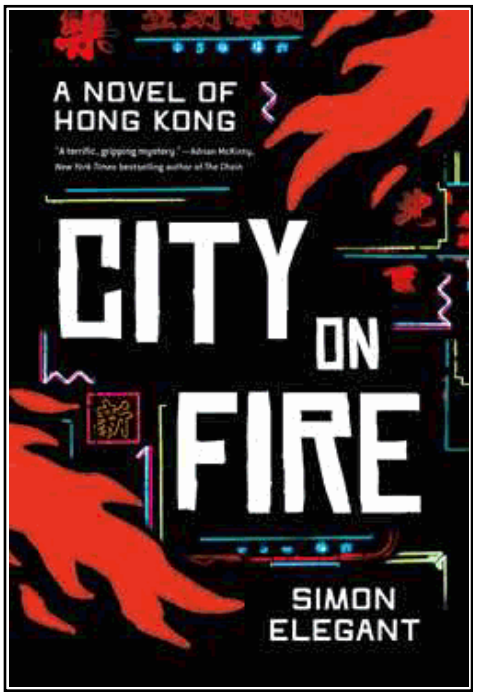

As Killian follows the murder trail into Hong Kong's highest corridors of power, he must confront not only the city's corruption, but the searing question at his heart: When politics ignites a family war, can love survive the flames?

City on Fire is both a taut thriller and a deeply human story of loyalty, betrayal, and the search for redemption in a city under siege.

AUTHOR BIO

Simon Elegant is China bureau chief for *The Washington Post*, based in Taiwan. Previously, he held a variety of reporting and editing jobs in Asia including Beijing bureau chief and Southeast Asia correspondent for *Time* magazine. Elegant was the founding partner and investor in Temple Restaurant Beijing, which won the 2019 readers' choice award from TripAdvisor as the world's best restaurant.

He is the author of two previous novels, *A Chinese Wedding* (Piatkus), and *A Floating Life* (Ecco/Harper), about China's greatest poet, Li Bai, a novel that succeeded "in *summoning up* the *man* and *his age* in ways that are both deliciously foreign and all too familiar," according to the *New York Times*.

Big Money, Small Town

A Ryan Tapia Novel

Thomas E. Ricks

BOOK DESCRIPTION

In this gripping and dynamic thriller, former FBI agent Ryan Tapia finds himself ensnared in the complex interplay of power, politics, environmental degradation, and resistance at a cobalt mine in Maine.

While building his career as a private investigator in the Maine countryside, Ryan Tapia takes the case of Dr. Ed Healey, a local physician suffering from an acute case of cobalt poisoning. A mine has recently opened in Pushaw county, extracting the valuable minerals needed for batteries in electronic devices and electric cars. But a deadly "Fan" of poison is seeping out . . .

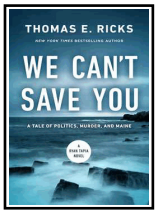

But there are dark legacies in Pushaw that go back to the Salem witch trials and the community on nearby Witch Island, where the Thornfoot family is turning the tables and exploiting the vagaries of modern life for their own ends.

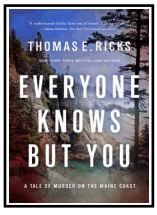

On the cusp of finding his personal happiness once more, Tapia is caught in the middle of this vortex of manipulation and money, desperation and deceit. Neighbors turn on one another and the people of Pushaw risk becoming as deadly to one another as the industrial poison simmering beneath the surface.

In *Big Money, Small Town,* Thomas Ricks has crafted a nuanced and enthralling novel that challenges our understandings of money and influence in every facet of modern life.

AUTHOR BIO

Thomas E. Ricks is the author of five *New York Times* bestsellers, including the number one bestseller *Fiasco*, a history of the beginning of the Iraq War. As a reporter at the *Washington Post* and the *Wall Street Journal,* he was a member of two teams that won the Pulitzer Prize. He worked in the Maine woods in his youth and trapped lobsters when living on an island in Penobscot Bay. He now divides his time between Texas and Maine. His other Ryan Tapia novels, *Everyone Knows But You* and the forthcoming *Big Money, Small Town,* are also available from Pegasus Books.

Behind Closed Doors

The Tragic, Untold Story of the Duchess of Windsor

Hugo Vickers

BOOK DESCRIPTION

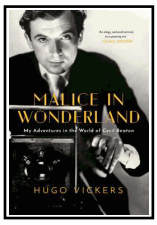

An illuminating and moving portrait of Wallis Simpson, the Duchess of Windsor, in her later years after the Duke's death.

The true story behind the film *The Duchess and I,* starring Isabella Rosselini and Joan Collins

Acclaimed biographer Hugo Vickers holds an encyclopedic knowledge of the Royal Family, but his his fascination with the Duchess of Windsor runs deeper, going back to his own youth. Long misunderstood, the Duchess of Windsor and her story has both fascinated and polarized. While there have been many books the doomed couple, *Behind Closed Doors* brings a new perspective to Wallis specifically by focusing on the later years of exile. While Vickers has his own theories about the Abdication itself—and he makes it very clear that Wallis did not lure the King from the throne—the drama of this narrative comes from the criminal exploitation of an old sick woman after the death of her husband. Readers will be shocked by the ruthless French lawyer known as Suzanne Blum and come to understand how the Duchess's precarious position once she was widowed only added to her plight. Her once-glamorous life quickly spiralled into one of desperation and fear. Using previously unpublished papers and other personal testaments, Hugo Vickers paints a resonant portrait of a complex and tragic icon and reveals the truth behind her final years.

AUTHOR BIO

Hugo Vickers is a writer, lecturer and broadcaster, and an acknowledged expert on the British Royal Family. He has written biographies of the Queen Mother, Cecil Beaton, Vivien Leigh, and Princess Andrew of Greece. His book *The Kiss* won the Stern Silver Pen Award for Non-Fiction and his recent bestsellers have included *The Quest For Queen Mary* and *The Sphinx*, the life of Gladys, the Duchess of Marlborough. His most recent book is *Malice in Wonderland,* also available from Pegasus Books.

A Golden World

How the Americas Transformed Tudor and Stuart England

Lauren Working

BOOK DESCRIPTION

A glittering new history of how the Americas transformed the Tudors and Stuarts that provides a fresh understanding the cultural exchange between the "Old" and "New" worlds.

From rumors of lost Amazonian cities of gold to the silver running through the mountains of Bolivia, hopes for dazzling wealth fueled the imperial fantasies of the Tudors and Stuarts. Stories of treasure ships and the feats of privateers from Francis Drake to Walter Raleigh have become entrenched in myth and legend—but what did Elizabethans actually know about Venezuela, or the Chesapeake? How did Indigenous people and ther knowledge enter the art, fashion, and literature of Shakespeare's time—and at what cost?

From tobacco leaves strewn in playhouses on the Thames to a bejeweled 'Indian hat' carried on the back of a wandering peddler in the English countryside, *A Golden World* uses tangible history and artefacts to illuminate the unexpected ways that the Americas and its people became a visible and material presence in English culture in the first era of colonization.

Showcasing Indigenous perspectives through texts and materials created by Native writers, elders, and artists, and bringing Aztec jaguars, blue-green Colombian emeralds, and feathered garments knotted by Indigenous hands in conversation with love poetry, baroque portraits, and plays about shipwrecks, this award-winning historian presents an altogether new history of the 'golden age' of the Tudors and Stuarts, shedding light on the craft and labor of those in the Americas who contributed to the English Renaissance as we know it, and investigating what this means for heritage today.

While England's fascination with eastern powers has been more readily acknowledged, *A Golden World* focuses on how Atlantic colonization provides a distinct and crucial part of this cultural history. From sight and sound to touch and taste in the 'golden age' of Shakespeare, Lauren Working gives new insight into the dynamics of power and desire for lands and resources in the Americas and how it changed the course of history.

She has given talks and seminars at museums on both sides of the Atlantic, from the Yale Center for British Art to the V&A. Her work on fashion and colonialism was recognised by BBC Radio 3 when she was selected as a New Generation Thinker in 2021. Working was born in Geneva and raised in Santa Barbara and Seattle. She lives in England.

Babylon

The Biography of a Metropolis

Lloyd Llewellyn-Jones

BOOK DESCRIPTION

A vibrant, colorful, and authoritative exploration of the world's first and most illustrious metropolis.

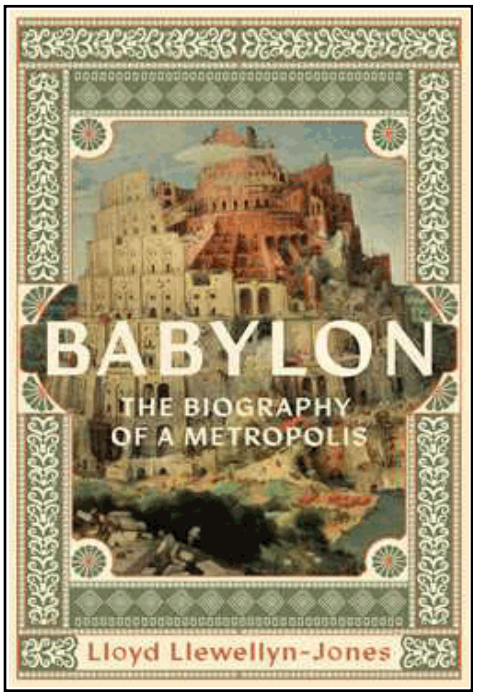

'Babylon' is a name that has a double life: it denotes the great ancient Mesopotamian city with a long and complex history, and it is also a fictive allusion with a wide variety of connotations, from the Hebrew bible's Tower of Babel, through the New Testament's 'Whore of Babylon' to the iconic song 'The Rivers of Babylon' in the 1970s.

The first royal dynasty of Babylon was founded by an Amorite interloper named Sumu-la-El a thousand years after the fall of the great Sumerian city states of Ur and Uruk, creating a new superpower in the Near East. Clinging close to the mighty River Euphrates, the city quickly grew in size and, thanks to its military prowess, soon expanded its territories, sweeping down to the Persian Gulf and advancing north into Syria.

The kingdom of Babylonia came in to being and, governed from mighty Babylon, setting the agenda for what civilization meant. This fascinating book explores Babylon's reputation as a city with a dual legacy by exploring its rich ancient past and its astonishing mythic legacy.

AUTHOR BIO

Lloyd Llewellyn-Jones holds the chair in ancient history at Cardiff University. The author of *Persians* and *The Cleopatras*, among other books, he has published widely on ancient history and lives in Taff's Well, Wales.

The Nazi Ghost Train

Evasion, Betrayal, and Escape during World War II

Greg Lewis

BOOK DESCRIPTION

The dramatic true story of the heroic rescue of Allied resistance fighters from a Nazi prison train after a devastating betrayal.

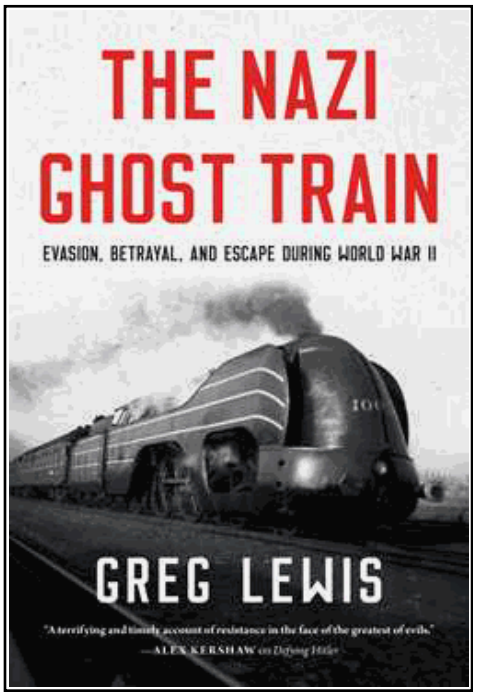

In the final hours before the liberation of Brussels in 1944, the Germans loaded more than 1,400 members of the Resistance, SOE agents, and Allied airmen onto a train bound for the Neuengamme concentration camp. What happened next came to be known as the miracle of “The Ghost Train,” as members of the Resistance rose up to delay, divert, and eventually derail the train and save the lives of all of those on board.

The book shines a light on everyday heroes who have been lost to history: such as New Yorker Ted Kleinman, a Jew who risked his life to carry out sabotage behind the lines; young Resistance heroines such as Michou Dumon, who ordered an attempt to kill one traitor and escaped to London to expose another to British intelligence; and Belgian businessman Gaston Masereel, who planned to parachute into his homeland as an SOE agent. Badly hurt when his plane was attacked, he killed all four German soldiers who came to arrest him.

As well as the heroes, there is a villain every bit as keenly drawn and despicable as any in a spy thriller: the most heartless double agent of all—Prosper Dezitter—a traitor of such cunning that he came to be seen as an almost mythical bogey man. A convicted rapist and swindler, he enlisted the aid of his Spanish-born mistress to create a false network of helpers to ensnare airmen and résistants. It was a process which made Dezitter a millionaire.

Investigative journalist Greg Lewis draws upon a wealth of primary sources and his own extensive interviews to bring to life a cast of unforgettable characters, as *The Nazi Ghost Train* unfolds in a tense and pacy narrative, describing the feeling of terror after being shot down on bombing missions, the fight to stay alive with the Gestapo on your trail, and the gut-wrenching horror of betrayal.

Greg Lewis has written extensively about espionage, resistance, fascism, and World War II. His book, *Defying Hitler* (written with Gordon Thomas), was a top-five pick in both *USA Today* and *New York Post*. Greg writes and produces award-winning history and true-crime documentaries, including two New York Festival Gold Medals and a BAFTA Cymru. He has contributed to many national and international newspapers, including *The Times* (London), *The Observer*, *The Wall Street Journal*, and the investigative pages of *Private Eye*. He lives in Wales.

Three Rivers

The Extraordinary Waterways that Created Europe

Robert Winder

BOOK DESCRIPTION

A fascinating exploration of the rich, varied cultural worlds shaped by three great European rivers: the Rhine, the Rhone, and the Po.

Three of Europe's greatest rivers share the same geological cradle: one fertile patch of Alpine ice in the jagged heights of central Switzerland. Coursing down through the peaks, the Rhine, the Rhone, and the Po gave birth to three different European cultures—German, French, and Italian—as they flowed across the continent.

From this shared geological cradle, these waterways have shaped the landscape, influenced the pattern of towns and cities, laid the foundation for economies and created an intricate network of transport, trade, and agriculture. From the Romanesque buttresses and vines of Provence to the Wagnerian music of the Rhine and the artistic miracles of Lombardy, the heart of Western Europe—its languages, religion, philosophy, science, politics, and art—has been nourished by these waters.

Setting off in the dramatic mountain landscape where this story begins, acclaimed historian Robert Winder traces the rivers' journeys from their increasingly fragile glacial sources, revealing in shimmering detail their impact on Europe's rich history as they flow toward the sea.

AUTHOR BIO

Robert Winder was the literary editor of *The Independent* (where he ran the Foreign Fiction Award for translated novels) and deputy editor of Granta. He is the author of several books published in Britain, including *Bloody Foreigners: The Story of Immigration to Britain* and *The Last Wolf: The Hidden Springs of Englishness*. The former helped inspire the Migration Museum Project, which aims to create a major museum on the theme of migration and for which he was a founder trustee. Robert lives in England.

American Crown

From Revolutionaries to Royalty: The Story of Prince William's American Ancestors

Stephanie Green

BOOK DESCRIPTION

The fascinating story of Prince William's American ancestors, and how this often-rebellious lineage will help shape the future King of Great Britain.

In this fresh and perspective-shifting narrative, *American Crown* is an absorbing blend of American history and royal biography that brings to life the past generations who will shape the Prince of Wales's role in the future of Britain, America and the world. For the first time, Britain will have a monarch whose ancestors fought against the very crown he bears.

It all goes back to the roots of Diana, Princess of Wales whose Spencer family has a friendship with the Washington clan of Sulgrave Manor that produced the founding father of America, but more fascinating is Diana's maternal side whose American ancestors fought in the Revolution in New England, became successful in the new nation, and then (like many Gilded Age families) sent a daughter across the ocean to marry into the British elite. Other Spencers on the British side had bucked social trends in the 1770s even raised funds for the American rebels themselves. Embodying more interconnected history than any of his predecessors, William's sense of his own role in the world is markedly different from anyone who's ever held the throne.

With sweeping locations from battlefields to Buckingham Palace and featuring grand personalities like Nathan Hale, Cornelius Vanderbilt, Winston Churchill, King George VI and Queen Elizabeth II, Stephanie Green's *American Crown* tells the story of a very new kind of royal family—one with the potential to bring two countries closer together in times of turmoil and bring the "special relationship" into next century.

AUTHOR BIO

Stephanie Green is a cultural journalist and features writer. A longtime contributor to *The Washington Post*, she is a former reporter for *Bloomberg News* and *The Washington Times.* Her freelance work has appeared in *Vogue, Vanity Fair, WWD*, and a wide variety of print and online publications. She lives in Washington, DC.

The Summer of Death

The Great Heat Wave of 1936 and the Making of Modern-Day America

Geoff Williams

BOOK DESCRIPTION

A riveting historic narrative that tells the iconic story of the great heat wave that ravaged the continent in the last gasps of the Dust Bowl.

In 1936, ironically after one of the coldest winters on record, North America experienced a heat wave that remains unmatched today. Thanks to a combination of an unusually warm sea surface in the Atlantic and Pacific, stagnating low-pressure, drought and poor farming techniques, temperatures soared across virtually every state (and the territory of Alaska) for months and killed more than 11,000 Americans and approximately 1,000 Canadians. Air conditioning was uncommon, workers' rights were few, and in an age before high blood pressure medication, a lot of middle-aged people, toiling in the sun, were literally working themselves to death.

This was a summer in which there was almost no escape from the heat, and woe to those who tried to flee it. Men, women and children rushed into rivers to cool off, only to drown. Others slept on roofs to cool off, only to roll over and plummet to their deaths. Young and old, rich and poor, but especially poor – it didn't really matter. If the heat wanted you, it was going to get you.

The heat wave of 1936 would spark massive social and technological advances, as well as improvements in health care, and it would also start an ongoing national dialogue about climate change.

Filled with history and characters as intense as the oppressive heat itself, The Summer of Death will be the first nonfiction book solely about this paradigm changing summer. In the tradition of Timothy Egan's *The Worst Hard Times* and Edward P. Kohn's *Hot Time in the Old Town, The Summer of Death* reveals a unique and vital chapter of American history, one that we ignore at our peril.

AUTHOR BIO

Geoff Williams is the author of *C.C. Pyle's Amazing Foot Race: The True Story of the 1928 Coast-to-Coast Run Across America* and *Washed Away: How the Great Flood of 1913, America's Most Widespread Natural Disaster, Terrorized a Nation and Changed It Forever,* also available from Pegasus Books. Empire and Frontier

Colonel Peter Schuyler and the Valiant Iroquois in King William's War: 1689-1701

Samuel Marquis

BOOK DESCRIPTION

The epic story of the alliance forged between Colonel Peter Schuyler and the Five Nations of the Iroquois as English forces joined with the Iroquois against the French and their Indigenous allies.

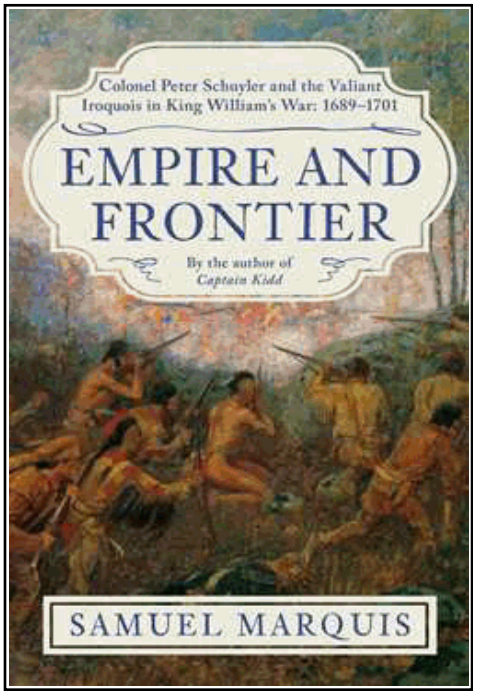

Empire and Frontier presents a powerful episode of early American history, revealing the very human story of friendship and alliance between Colonel Peter Schuyler and the Iroquois during King William's War (1689–1701). Like Philbrick's *Mayflower* and Gwynne's *Empire of the Summer Moon*, this new book reveals how fragile alliances and cross-cultural diplomacy changed the course of empires in North America.

At the heart of the book is Peter Schuyler, a Dutch-American mayor of Albany, Indian Affairs commissioner, and militia colonel who earned deep trust among the Iroquois. Decades ahead of his time in his respect for Native diplomacy and sovereignty, Schuyler helped forge and sustain a fragile alliance between English colonists and the Haudenosaunee (Five Nations of the Iroquois) during a decade of brutal warfare. That alliance, known as The Covenant Chain, not only blocked French ambitions in the region, but also shaped the political and military landscape of the American frontier for the next one hundred years.

Told through multiple perspectives, the book also follows two unforgettable Indigenous figures during the conflict. Lawrence, a Mohawk war captain, serves as Schuyler's compatriot on the battlefield, working for and navigating the survival of his people. Hilletie van Olinda, a biracial Mohawk-Dutch woman, becomes a key translator and diplomatic go-between, using her language skills and cultural fluency to mediate between the Iroquois and English.

Across a decade of war, espionage, and political intrigue—from the 1689 Leisler's Rebellion and 1690 Schenectady Massacre to the climactic Grand Settlement of 1701—these intertwined stories reveal the human cost and political complexity behind one of early America's most consequential alliances.

His historical titles have been #1 *Denver Post* bestsellers, received national book awards, and garnered glowing reviews from historians, bestselling authors, and U.S. military veterans. He and his wife live in Louisville, CO, where they raised their three children.

Tonight the Music Seems So Loud

The Meaning of George Michael

Sathnam Sanghera

BOOK DESCRIPTION

The story of the life and music of a pop superstar and a kaleidoscopic window into fame, homophobia, the 80s and 90s, creative genius, and addiction, revealing why the love for George Michael has only grown in the years since his tragic death on Christmas Day 2016.

There is no shortage of earnest books about the cultural significance of musicians like David Bowie, Bob Dylan, and John Lennon. But George Michael does not attract such attention. The music he produced is not generally deemed worthy of serious analysis, the man considered more noteworthy as a celebrity than a cultural figure. Yet such dismissals overlook how Michael's life and work broke extraordinary boundaries and, in so doing, helped define an era.

A second generation immigrant and child of a Greek-Cypriot restaurateur, Michael could barely read music, and was not trained on any instrument, yet would compose hit songs in a single afternoon and play nearly every instrument on recordings that have reached totemic status. He had the rare ability to master both rock and R&B; and was, following Freddie Mercury's death, seriously considered as a replacement frontman for Queen.

For many he became a symbol of eighties excess, played benefit gigs for miners and nurses, and was a prolific secret philanthropist. He had massive pop hits sometimes without any promotion at all, even after launching one of the most aggressive court cases against a record company in pop history. He was a teen crush for millions of girls, and stayed in the closet due to intense homophobia from his father and the media, but then became an impassioned campaigner for gay rights. A large part of his audience was suburban, middle-aged, female, and white, yet some of his most famous tunes were essentially R&B pop songs about casual sex in the city. He was wildly popular, at times ridiculed in the press, and fêted by some of the toughest critics, often simultaneously.

A deeply personal engagement with the life and music of George Michael, Sathnam Sanghera's groundbreaking *Tonight the Music Seems So Loud* offers a colorful, insightful story on immigration, homophobia, and fame; the glorious eras of the 80s and 90s; creative and musical genius; the tabloids; addiction; obsessive fans; and why the love for George Michael has only grown in the years since his untimely death.

Pink Floyd: Shine On

The Definitive Oral History

Mark Blake

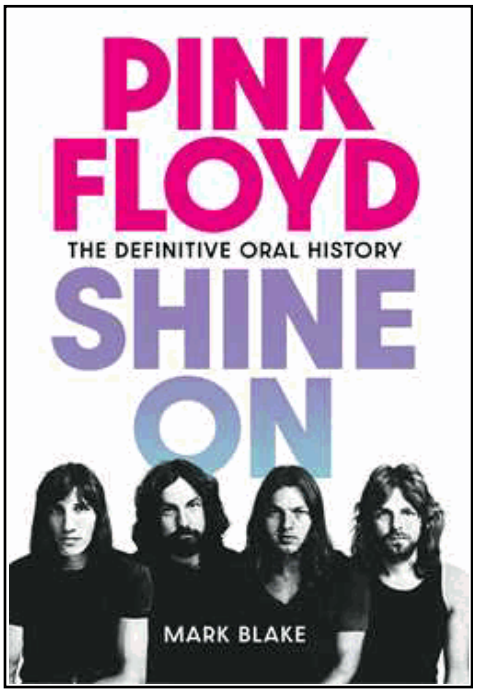

BOOK DESCRIPTION

The definitive oral history of Pink Floyd as told by friends, lovers, family members, and the band themselves through exclusive, never-before-published interviews.

In *Pink Floyd: Shine On*, acclaimed music writer and band confidant Mark Blake tells the definitive story of Pink Floyd for the first time in their own words.

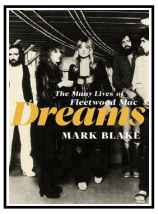

Based on Mark's own extensive archive—from talking to the band over a thirty-five year period and including extensive new interviews with band members and associates—the book will consist of much previously unpublished material and include contributions from all five members and their colleagues, friends, lovers, and contemporaries.

Featuring a front cover photograph licensed directly from the band's long time designers, giving the book an official, authoritative air, this is a fresh, revealing look at this groundbreaking band that opened new directions in pop music.

AUTHOR BIO

Mark Blake is the bestselling author of *Dreams: The Many Lives of Fleetwood Mac*, among other music books. He has worked closely with Pink Floyd for the past thirty years. Pink Floyd have sold over 275 million albums worldwide since their inception.

The Cure at Walden Pond

A Guide to Recovering Our Humanity

Thomas Moore

BOOK DESCRIPTION

From the #1 *New York Times* bestselling author of *Care of the Soul* comes a revelatory approach to healing and renewal.

Among the pages of Henry David Thoreau's journals and his legendary *Walden,* Thomas Moore, beloved bestselling author, psychotherapist, and public thinker, has found transformative ideas and approaches that promise to help us live better. As Moore writes, "We need to make the journey to our own 'Walden Pond' and find a cure for our cultural lostness."

Like Moore's own million-copy-bestselling *Care of the Soul*, *The Cure at Walden Pond* will be widely heralded among readers for its beautiful prose, accessible voice, and profound insights into the human condition.

Thoreau was disillusioned in his day by the same kind of frantic consumerism, round-the-clock work, and narrow imagination that trouble us today. Moore will help readers slow down, be more present and mindful in their relationships with their loved ones, and appreciate the beautiful world we share. For Moore, as for Thoreau, there is immense spiritual power all around us.

New Hampshire's Mount Monadnock is a "natural temple" for all New Englanders, a place of reverence and renewal, and Moore encourages us to find our own places of rejuvenation. There is neglected spirituality—and humanity—in the everyday objects that sustain us too. Moore explores his own memories of an old farmhouse, a grinding stone, and an out-of-tune piano that bring him back to his childhood and his family history.

The journey to Walden Pond is an essential American pilgrimage, and *The Cure at Walden Pond* embodies Thoreau's essence, guiding us through Thoreau's precepts so we can find more harmony in our communities and in ourselves. Immersing ourselves in the music of the natural world *The Cure at Walden Pond* is a resonate read that will move and inspire any one in search of a new way of being.

How Queer Bookshops Changed the World

A. J. West

BOOK DESCRIPTION

The remarkable tale of how queer bookshops built communities, nourished minds, redefined literature – and changed the world

For over a century, LGBTQ+ bookshops have been the unsung heroes of queer liberation

Home not only to books but chaotic community noticeboards, vicious rescue cats and countless meet cutes, queer bookshops have always been more than *just* bookshops, offering friendship, solidarity and sanctuary.

Travelling the world – Shakespeare and Company in Paris, Gay's the Word in London, the Oscar Wilde Bookshop in New York – A. J. West explores the remarkable history of these bookstores. Tracing their evolution from under-the-counter operations to beloved out-and-proud institutions, West reveals how the queer bookshop stood at the vanguard of LGBTQ+ rights, offering support and vital information through the AIDS crisis and bringing the fight to Section 28 and book bans.

A powerful testament not only to bookshops but to the courage of queer booksellers, from Sylvia Beach hiding books from the Nazis in laundry baskets to Craig Rodwell facing off against the police at the Stonewall riots, A. J. West celebrates the shops and booksellers that brought queer literature and lives into the mainstream.

Bookshops covered include: The Highlander & Dove, The Librarie Parisienne, Shakespeare and Company, City Lights Bookstore, The London Underground, Adonis Bookstore, The Oscar Wilde Memorial Bookshop, Glad Day, Lambda Rising, Giovanni's Room, A Different Light, Amazon Bookstore Cooperative, A Woman's Place Bookstore, Womanbooks, Sisterwrite, Modern Books, Housmans Bookshop, Prinz Eisenherz, Gay's The Word, Lavender Menace & West and Wilde, Vrolijk, Silver Moon, London, The Bookshop Darlinghurst, Paperxclips, Gay-on-Wye, Gayberystwyth Books.

AUTHOR BIO

A. J. West is an award-winning former BBC journalist and broadcaster from Buckinghamshire. He is the author of *The Sunday Times* bestseller *The Betrayal of Thomas True* and *The Spirit Engineer*, which won HWA Debut Crown Award. *How Queer Bookshops Changed the World* is his first work of non-fiction.

BOOK DESCRIPTION

When did we start trusting influencers over doctors?

You used to see a doctor. Now you go online.

'Uncomfortable but essential reading. Your definitive guide to separating medical facts from online fiction.' Adam Kay

Want to track your blood sugar? Your heart rate? Your sleep? You can. Need to focus? Want to lose weight fast? Everything is a click away.

But who is regulating this?

As waiting times to see doctors grow ever longer and patients are often priced out of medical care altogether, influencers have filled the gap. From doctors promoting new therapies, to entrepreneurs selling solutions, these self-styled experts glow with good health and guarantee results.

But they are not familiar with our medical history. They don't owe us a duty of care. And they're rarely either qualified or impartial. So why do we trust them?

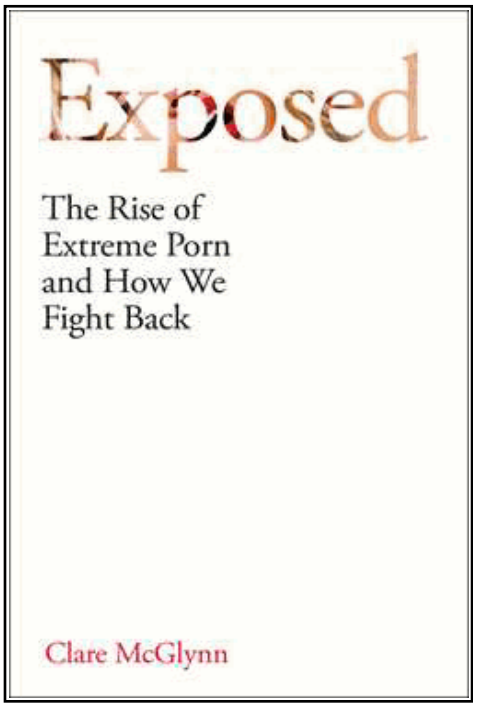

AUTHOR BIO

Dr Deborah Cohen is an award-winning broadcaster, journalist and editor, who has worked across mainstream and academic print, digital, TV and radio. Previously Science Editor for ITV News and Health Correspondent for BBC *Newsnight*, leading their COVID-19 coverage, she established the investigations unit at the *BMJ*, one of the world-leading medical and health policy journals.

Exposed

The Rise of Extreme Porn and How We Fight Back

Clare McGlynn

BOOK DESCRIPTION

An expert's exposé on the harms of Big Porn

We're watching it on the bus, the tube, on the plane instead of inflight entertainment.

We're watching it at the office, at home when we're supposed to be working.

We're watching it at school. We're even watching it in Parliament.

And with minimal content moderation, mainstream porn sites proudly display ever more extreme content, whether you're searching for it or not.

The consequences are substantial. Non-consensual porn is ruining women's lives – a threat only magnified by deepfakes and AI. It's distorting our most intimate relationships. An entire generation's sexual education is being delivered via Pornhub; fantasies moulded and manipulated by degrading, misogynistic and racist ideals, normalising sexual violence.

This isn't just any porn, it's patriarchal porn. And it's everywhere. If we want to reclaim our sexual freedom and achieve true gender equality, we have to confront this now.

AUTHOR BIO

Clare McGlynn is a Professor of Law at the University of Durham. A leading voice on women's rights, sexual violence and the regulation of pornography and online abuse in the UK, she has appeared on BBC *Woman's Hour*, BBC Radio 4 *Today* and ITV news and her work has been featured in *The Sunday Times* and *New York Times*. In 2020 she was appointed an honorary KC in recognition of her work championing equality for women in the legal profession.

Every parent wants to raise strong, confident kids who can handle life's storms. But what if the real secret to toughness isn't toughness at all?

As a Navy SEAL sniper instructor, Brandon Webb once believed mental toughness came from pressure and perfection. Then he became a dad—and everything changed.

He discovered that real resilience isn't built by pushing harder—it's grown through compassion, connection, and the words our kids hear from us every day. A steady "You've got this" or "Try again, I believe in you" plants confidence deeper than any consequence ever could. Webb admits he's had some incredible jobs in his life, but being a dad is by far the best one. It's where he's learned that strength and kindness aren't opposites—they're teammates.

Puddle Jumper Parenting: Raise Kids Who Aren’t Afraid to Get Messy

You don't have to choose between gentle parenting that feels too permissive and authoritarian discipline that damages connection. Webb offers a proven alternative that builds real mental toughness without breaking your child's spirit.

Puddle Jumper Parenting is about raising kids who leap, splash, and grow stronger with every mess. They're not afraid to make mistakes, take risks, or bounce back from failure. It's the opposite of raising box-checkers or perfectionists—it's about building true resilience and joy through high expectations and high support.

This approach works because it focuses on building genuine confidence from within, using the same mental-management principles that create elite performers in the most demanding environments on earth.

In This Book, You’ll Discover How To:

·Replace harsh criticism with positive self-talk that builds lasting confidence
·Use visualization techniques to reduce your child's anxiety and boost performance
·Help children handle stress, setbacks, and failure without falling apart
·Create clear boundaries while maintaining emotional connection
·Give kids the freedom to fail forward—the key to real resilience
·Build supportive structure that encourages independence instead of dependence
·Develop inner strength that serves children throughout their lives

This Isn’t Theory. It’s Proven.

Webb merges the discipline of elite training with the humanity of

raising three kids in a changing world. What he teaches isn't theory—it's lived experience, refined through years of showing up, falling short, and trying again. Now, with his kids grown and carving their own paths, he sees the real mission accomplished: they're grounded, joyful, and living lives on their own terms. And for any parent, that's the greatest victory there is.

This is what truly builds mental toughness—calm consistency, compassion, and connection. That's Puddle Jumper Parenting.

Ready to raise your Puddle Jumper? Your journey starts here.

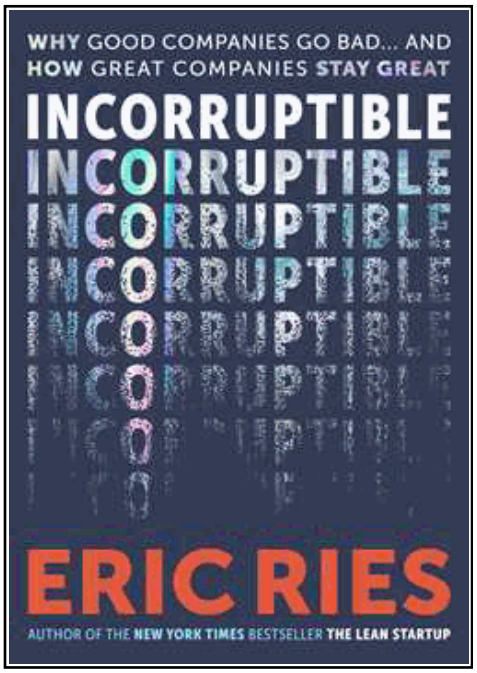

AUTHOR BIO

Brandon Webb is a father of three happy humans and a tactical toy poodle named Apollo. He’s also a combat-decorated Navy SEAL sniper, a multiple *New York Times* bestselling author, and a Harvard Business School alumnus.

Incorruptible

Why Good Companies Go Bad and How Great Companies Stay Great

Eric Ries

BOOK DESCRIPTION

"Indispensable!" —Kim Scott, *New York Times* bestselling author of *Radical Candor*

“Ries shows us, with rigor and optimism, how to build organizations that are worthy of our trust.” —Frances Frei, Harvard Business School

What if the most radical idea in business is that purpose is the best tool for unlocking long-term growth? And what if the secret to sustaining your organization's integrity is readily available if we look in the right places?

The Lean Startup transformed the way a generation of entrepreneurs built products, sparking a global movement for smarter, faster innovation. Now with *Incorruptible*, Eric Ries delivers "the book I wish I'd had while building" (Leah Busque, founder of TaskRabbit), and takes the next step by answering a deeper question: how can we build companies that stay true to their mission even after they become successful?

In *Incorruptible*, Ries reveals the hidden forces that cause even great organizations to drift from their original reason for being. Then he shows how to design businesses that can withstand that pressure. Drawing on two decades of work with founders, CEOs, and investors, he exposes the flaws that make companies vulnerable to short-term thinking. He offers a blueprint for "mission-controlled" organizations that can grow, prosper, and endure without losing their soul.

Using lessons from generations-old retailers and manufacturers to recently founded tech sector stars, *Incorruptible* reframes the ethical longevity of business as a practical design problem. It gives every builder—founder, executive, investor, or citizen—"a playbook to help avoid the inevitable pitfalls" (Mark Cuban, entrepreneur and investor) and the tools to create enterprises that uplift rather than exploit.

Success alone will not protect what matters most. Only incorruptible design can. "For any founder who truly wants to make a difference, this is a must read" (Vlada Bortnik, founder and CEO of Marco Polo).

Case studies in *Incorruptible* include:

Positive models: Bob's Red Mill, Cloudflare, Cost Plus Drugs, Costco, Devoted Health, Duolingo, Eileen Fisher, W.L. Gore, GitLab, Grundfos, H-E-B, Hershey's, John Lewis, Khan Academy, King Arthur, Mondragón, Novo Nordisk, REI, Shorefast, Tony's Chocolonely, Vanguard, Volvo.

Cautionary tales: American Apparel, Bank of America, Cadbury, Casper, Etsy, J Crew, Gateway, Hewlett-Packard, The Limited, Maytag, Nokia, Polaroid, Revlon, Sears, Toys R Us, Whole Foods, Zappos

AUTHOR BIO

Over the last two decades, Eric Ries's ideas about continuous innovation, long-term thinking, governance, and market reform have reshaped company building and management practices. He is the creator of the Lean Startup method, and the author of the *New York Times* bestseller *The Lean Startup; The Leader's Guide;* and *The Startup Way*. As a founder, he has put his own ideas into practice with The Long-Term Stock Exchange (LTSE); Answer.AI, an AI R&D lab; the Lean Startup Co, which teaches and supports the implementation of Lean Startup; Virgil, a legal services startup; and IMVU, where the ideas that became the Lean Startup method were forged. On his podcast, The Eric Ries Show, he talks to guests including world-class technologists, thought leaders, and executives working to build profitable companies for the long-term benefit of society. He lives in the San Francisco Bay Area with his wife and three children.

Master Your Emotions

A Practical Guide to Overcome Negativity and Better Manage Your Feelings (Mastery Series)

Thibaut Meurisse

BOOK DESCRIPTION

The practical guide 500,000 people have already trusted to master their emotions, now revised and expanded.

Make your emotions work for you, not against you.

Do you feel like you aren't good enough? Do you blame yourself for something you did in the past? Or perhaps, you resent someone for what they did to you?

Whatever you may feel, the solution to deal with negative emotions is to understand how your emotions work and use specific techniques to deal with them more effectively.

Master Your Emotions is the 'how-to' manual your parents should have given you at birth. It offers a clear process to help you understand what's behind your emotions. With practical exercises and personal examples, you'll explore techniques that will help you feel better.

In *Master Your Emotions*, you'll learn:

·The 8 key factors that impact your emotions
·An effective formula to rewire your brain and improve your mood
·27 simple strategies to manage your emotions
·How to turn negative emotions into a powerful tool for growth
·And much more

If you're looking for clear instructions and simple strategies to improve your mood, then you'll love this book.

AUTHOR BIO

Thibaut is the author of 20+ books including the #1 Amazon Bestseller, *Master Your Emotions* which has sold over 500,000 copies and has been translated into more than 30 languages.

Thibaut's mission is to help ordinary people attain extraordinary results.

If you like simple, practical, and inspiring books, and are committed to improving your life, you'll love his work.

Major Gift

An 831 Stories Romance

Tiffany Ezuma

BOOK DESCRIPTION

The widow of a tech mogul is determined to give her wealth away—and keep one secret from the journalist tasked with telling her story. A hot new take on the billionaire romance.

When Ndidi Davis's husband unexpectedly dies, she's left bereft—and with $2.1 billion in the bank. She channels her grief into launching a charitable foundation, but the endeavor is made more complicated by Geoffrey Campbell, an ambitious, perceptive journalist assigned to profile her philanthropic pursuit. Geoffrey's reporting slowly uncovers Ndidi's whole heart—and some parts of her past she's worked hard to keep out of the public eye.

AUTHOR BIO

Tiffany Ezuma is a screenwriter and novelist who lives and writes in Los Angeles. She has a BA in political science and English from the University of North Carolina at Chapel Hill and an MFA in screenwriting from the University of Southern California. She does not have a cat, but if she did, this is where she would mention it.

Self-Indulgence

An 831 Stories Romance

Alexandra Romanoff

BOOK DESCRIPTION

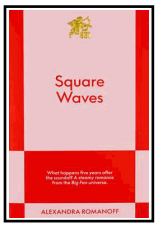

In the third book in the Big Fan series, love comes for Mischief band member Ramsey, a reformed rake.

This is Maggie's first real vacation in years. She's checking into a tucked-away Vermont enclave that lists its lack of TVs as an amenity, and for once, she isn't going to compulsively respond to work emails or drive back early to take on a last-minute florist job. All she wants is time to herself.

But what she gets is a run-in with Ramsey, a notoriously hard-partying pop star who retreated to the woods as part of his recovery and is now spiraling about his own life in the aftermath of his best friend's wedding. Are these two providing much-needed distraction to one another—or a disruption to each of their carefully mapped out plans for introspection?

AUTHOR BIO

Alexandra Romanoff is a journalist, a cultural critic, and the author of three novels (under Zan Romanoff), most recently LOOK, which O: The Oprah Magazine called "one of the LGBTQ books that will change the literary landscape." She also co-hosts the podcast On the Bleachers, which examines the intersection of sports and pop culture. Her favorite member of One Direction is Louis Tomlinson. She lives and writes in L.A.

Lessons in Falling

Selina Mae

BOOK DESCRIPTION

A forbidden romance and summer of self-discovery from Selina Mae, the author of *Lessons in Faking*, featuring gorgeous stenciled edges and art on the inside cover.

Valentina Rhodes has spent her life trying to please everyone, always putting her own needs aside. When she realizes her brilliant university degree is still not enough for her family, she knows something has to change. She plans for the summer at Oakport Island with her best friends to change everything. Armed with a bucket list of forbidden wishes, she's finally ready to discover who she really is.

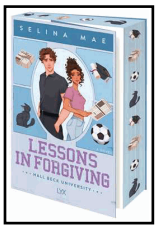

Then Caden Callahan crashes her plans.

The charismatic soccer captain wasn't supposed to be here, and he definitely wasn't supposed to move into her room. Valentina tells herself the night they shared was a one-time mistake—until she discovers he'll be a part of their friend group all summer long. Now every stolen glance and accidental touch threatens to shatter the one rule keeping their group intact: no dating friends.

Valentina knows staying away from Caden is the smart choice. The safe choice. But as she starts putting herself first for once, she faces an impossible realization: maybe standing on her own doesn't mean standing alone.

AUTHOR BIO

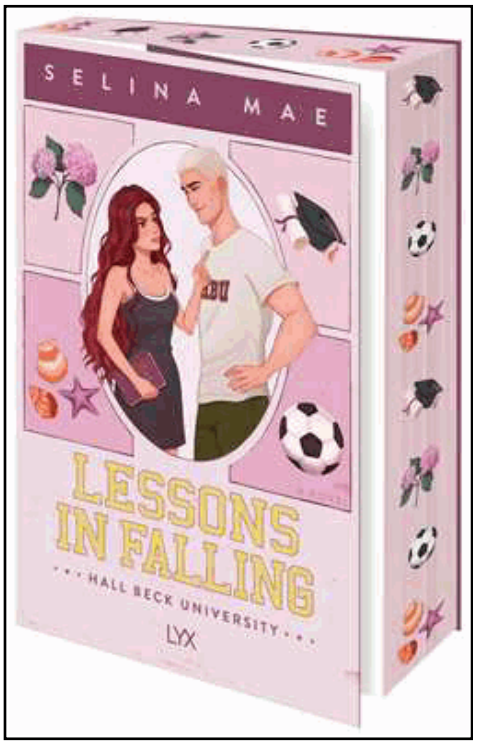

Selina Mae is a writer of romance and reader of (you guessed it!) romance and has been compensating her lack of meet-cutes by writing them into her rom-coms. When she's not writing, you will find her rereading her comfort books or crying at happy endings.

Stay Here

Anna Savas

BOOK DESCRIPTION

A deeply emotional, heart-stirring romance about finding home, healing, and love in unexpected places—set against the backdrop of elite ballet and the pulse of Boston's music scene, and featuring stunning stenciled edges.

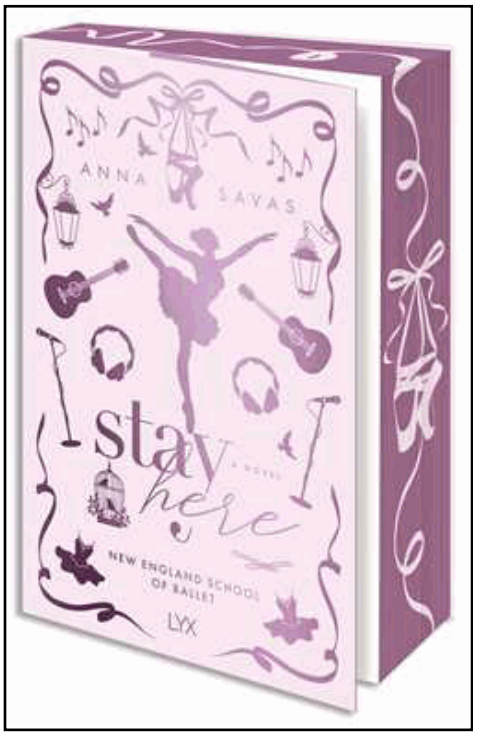

Rayne Bellamy came to Boston with one dream: to dance at the New England School of Ballet and honor her mother's memory. After losing her parents, the prestigious academy where her mother once studied feels like the only connection she has left to the life they shared. The fresh start she desperately needs proves harder than expected—until she connects with Easton, the singer who recently covered one of her father's songs.

Easton understands her like no one else in the world. In the house he shares with his band, surrounded by music and creativity, Rayne finds something like home for the first time in months. She feels safe with him, drawn to the way he sees straight through to her heart. The feelings he awakens in her are deeper and more genuine than anything she's ever experienced.

But Rayne is trying not to get distracted by the captivating musician whose band is on the verge of their big breakthrough. As she loses herself in his music, she faces an impossible choice: hold onto the path her mother set for her, or risk everything for a love that feels like coming home.

AUTHOR BIO

Anna Savas was born in 1993 and cannot imagine a life without books. Ever since her childhood writing has been like breathing to her and she always carries a notebook with her, just in case a new idea decides to visit her. The author loves to hear from her readers on Instagram (@annasavass).

Karla & Ash

Brittainy Cherry

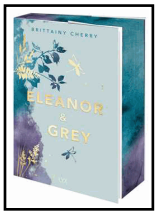

BOOK DESCRIPTION

The highly anticipated third book in the Chances series by USA Today bestselling author Brittainy Cherry.

Since her mother's death a year ago, Karla East feels as though life has forgotten her. Every day passes in emptiness—until a quiet morning in the cemetery changes everything. There she meets him: the boy with the saddest eyes she's ever seen. The boy whose silence speaks louder than words. In his grief, Karla recognizes a pain so similar to her own that it sparks something she thought she'd lost: hope. And for the first time in a long time, she wonders: Can two broken hearts create a new beginning? Is it truly possible to learn to live again when you believe you've lost everything?

AUTHOR BIO

BRITTAINY CHERRY is a USA Today bestselling author of more than twenty-five emotionally-charged romance novels. Her diverse narratives have reached readers in over twenty countries. A graduate of Carroll University (B.A. in Theatre Arts; minor in Creative Writing), Brittainy used her background in storytelling—spanning screenplays, acting, and poetry—to bring nuanced characters and powerful relationships to life. Now based in Wisconsin, she continues to write heartbreaking romance fueled by the companionship of her partner and their adorable pets.

Levels of Love

Anabelle Stehl

BOOK DESCRIPTION

A rivals-to-lovers forced proximity romance set in the competitive gaming world, featuring a sticker sheet to design your own cozy bookstore under the front cover and gorgeous stenciled edges.

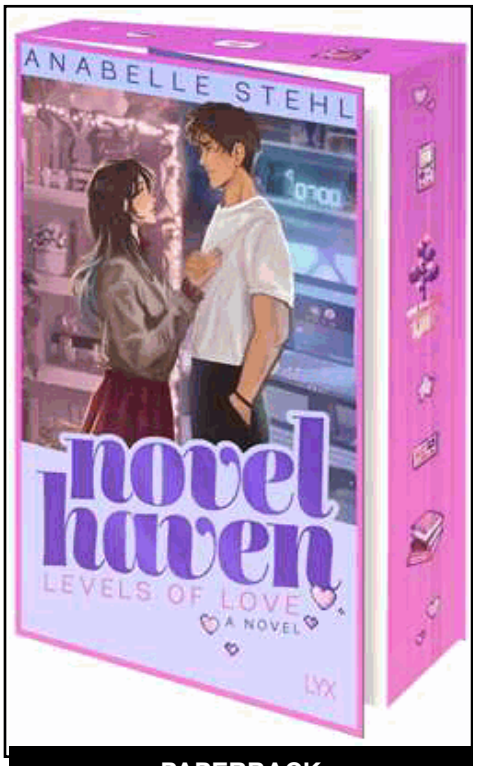

Lara vs. Luca.
Introverted vs Charismatic.
Cozy gamer vs. horror gamer.

Lara is a shy programmer pouring her whole heart into Novel Haven, a gentle pixel-art game about books, healing, and community. Luca is the confident developer behind Desolate Dread, a psychological horror game that mines his own nightmares for inspiration. They couldn't be more different, yet both are fighting for the same prize at the prestigious GameChanger Convention: recognition, visibility, and desperately needed prize money that could decide the future of their studios.

Thrown together at a glamorous country estate for the convention weekend, they keep colliding in hallways, backstage spaces, and after-hours events–where sharp banter slowly gives way to late-night honesty, shared vulnerabilities, and a connection neither of them saw coming. Behind the facade of competition, they're both secretly longing for someone who understands them off-screen. They could be perfect for each other, but with industry politics, viral scandals, and a single winner-takes-all award on the line, trusting the enemy might be the biggest risk of all.

AUTHOR BIO

ANABELLE STEHL has loved stories since early childhood—whether they're in books or video games. Her passion for gaming began at the age of six with the starter Pokémon Bulbasaur. She studied linguistics in Ireland, is a professional Swiftie, spends too much money in Hamburg cafes, and takes every opportunity to travel to London for musicals.

Beautiful Savage (Book 2 of the Dark Empire books)

Caroline Peckham

BOOK DESCRIPTION

A dark, mafia standalone from Wall Street Journal #1 bestselling authors Caroline Peckham & Susanne Valenti. This print re-issue includes an exlusive bonus chapter and a new foiled hardcover. As well as the stunning interior chapter pages which were included in the previous discreet edition.

I'll destroy them all to make her mine...

I want to forget the man I used to be. But violence just keeps calling my name. To avenge her, I'll become that savage again.

Dark.

Corrupted.

Brutal.

Hers.

She was broken by the men who took her, so now I'm going to make them bleed.

I might be her saviour, but I'm no valiant knight.

There's only one thing I want in return for helping the girl I found in the wilderness. And that's her.

Winter may not remember who she is, but she'll soon realise that the only thing she needs to be is mine.

I'm the shadow of two men and the total of none, though she might be what I need to rebuild myself.

So once I lay their heads at her feet, I'll cast my tattered soul down with them.

And I'll paint her a happily ever after in their blood.

Lightwing (Book 2 in the Crown of Hearts & Chaos series)

Caroline Peckham

Never listen to the pleas of the dead.

Never betray the oaths made to the spirits.

Never make a deal with a Hag.

Never trust the Fae.

The Great Elm placed a task upon my soul which only death or triumph can release me from.

I am more than I thought myself to be but less than fate seems to believe I might be.

Hendrix Bane has marked me for death as surely as I have marked him as my enemy. I am trapped in the castle of my adversary and all that passed between us before this moment has been cast aside like ashes from a fire that burned too hot and too fast to bask in.

My sister is lost to me once more and doubts gnaw at my insides. All the things I never wanted myself to believe have forced themselves to the forefront of my mind. Did I even achieve anything in those trees? Or will the world rejoice at my success only to curse my name for their downfall in the end?

I have an impossible task to fulfil and my accomplice in it has nothing but hatred for me in his heart. So now I'm at the mercy of the man who helped me survive the curse of the forest. And his wrath is nothing short of sinful.

I only pray I don't lose myself to the corruption which has taken hold of him. And I don't know if I will escape him before I'm consumed by it too.

But maybe that's what I'm hoping for.

*** *Lightwing* is a dark Romantasy from the bestselling authors of *Zodiac Academy*, Caroline Peckham and Susanne Valenti. It is a heady cocktail of Summoners, seduction and spirits, set to get your heart racing and feet kicking. There will be a ruinous, black hearted love interest, a rebellious, ruthless FMC, plot twists, cliff hangers, dark humour and a healthy seasoning of make-you-blush spice. It is not for the faint of heart. All those who enter the forest are bound by its terms – will you walk willingly into the dark? ***

Objects in Lakes

Rachael Ramas

BOOK DESCRIPTION

A tense and atmospheric Midwestern domestic suspense perfect for readers of *All Good People Here* by Ashley Flowers and *All The Dangerous Things* by Stacy Willingham.

On a warm Fourth of July night in Duck Lake, Michigan, the Wentworths' world shattered. As fireworks lit up the sky, Richie and Olive's four-year-old daughter was pulled from the dark waters of the lake, her death ruled an accidental drowning.

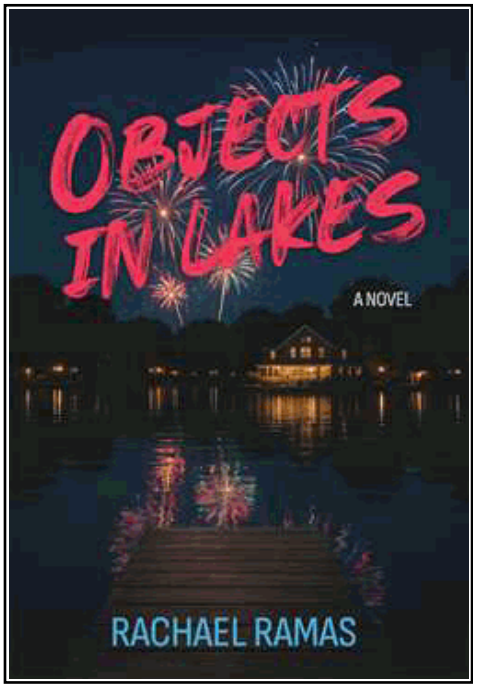

Seven years later, Olive still lives in the shadow of that night. Her grief is numbed by pills, while Richie, a celebrated oncologist, thrives in the spotlight of his career. But as another Fourth of July celebration approaches, the lake yields another body, and the chilling discovery suggests that the tragedy from years ago may not have been an accident after all.

Determined to uncover the truth, Olive digs beneath the polished surface of her picture-perfect neighborhood, where Midwestern smiles conceal dangerous secrets. Each revelation threatens to unravel not only Richie's hard-won reputation but also the very foundation of their tight-knit community.

In a town where appearances are everything, Olive must confront the terrifying question: who would take the life of a child, and how far will they go to keep their sins submerged?

AUTHOR BIO

Rachael Ramas is an American author, producer, and Michigan native who writes gripping thrillers rooted in emotional truth and moral complexity. A member of Mystery Writers of America and International Thriller Writers, she co-owns a law firm with her husband in Boca Raton, Florida, where the legal world offers endless story inspiration. Living with a rare autoimmune disease and partial hearing loss, Ramas advocates for authentic disability representation in literature. *Objects in Lakes* is her debut novel.

Cake Eater

Carl Radke

BOOK DESCRIPTION

For fans of raw celebrity memoirs, Bravo Summer House star Carl Radke gives readers a look into his unfiltered journey of recovery, resilience and transformation.

Sober Carl Isn't Fun—Or Is He?

Carl Radke's path from reality TV's party-loving star to a life centered around recovery has been anything but straightforward. Famous for his role on *Summer House*, Carl's journey in the spotlight has forced him to confront personal battles under public scrutiny. Beyond the cameras, he's faced struggles with addiction, the weight of toxic masculinity, the heartbreaking loss of his brother, and a quest to find real joy in a world that equates fun with alcohol.

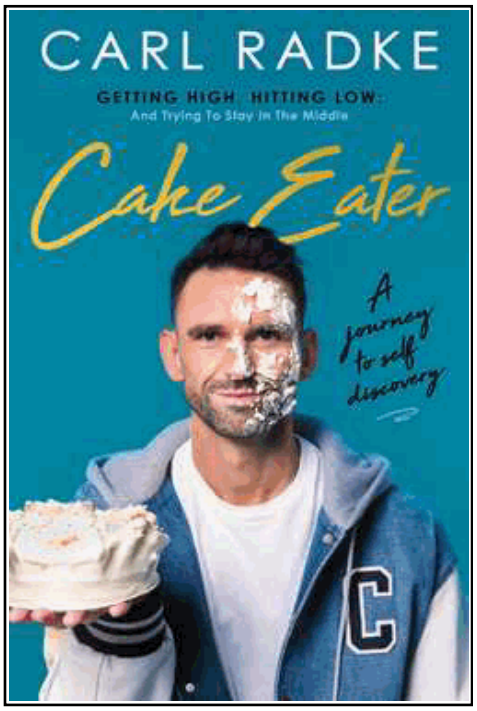

In this candid memoir, Carl opens up about a side of his life few have seen. With unfiltered honesty, he takes readers through the highs and lows, from career shifts and family dynamics to finding peace in his recovery. Each chapter dives into the hard-earned lessons he's gathered, proving that life can be fulfilling—even without a drink. His story shows that fun and authenticity aren't only compatible with sobriety; they can thrive because of it.

Whether processing grief, navigating sober relationships, or confronting the public's perceptions, Carl's journey is one of resilience, growth, and self-discovery. Through vulnerability and humor, Carl redefines "fun," reminding readers that the most meaningful transformations come from within. This memoir is a must-read for anyone seeking the courage to redefine their own path.

"In *Cake Eater*, Carl Radke invites us into a deeply personal journey through loss, growth, and finding hope again. It's an honest, heartfelt reminder that healing takes time and self-compassion, but it's within reach."
-Lori Gottlieb, Bestselling author of *Maybe You Should Talk To Someone* and New York Times "Ask The Therapist" columnist

• Launch of the book and an innovative audiobook featuring podcast-style discussions with clinical experts.
• A book tour enhanced with appearances from influencers, reality TV stars, and actors from Carl's network.
• Development of a dedicated website offering resources, links to interviews, and a subscriber list for updates on events and new content.

Originally from Pittsburgh, Carl Radke has carved out a notable presence in the entertainment industry through his career, which spans acting and production. Since its debut in 2017, he has been a key cast member of *Summer House.* Known for his authenticity, Carl's sobriety journey, which began on January 8, 2021, has deeply resonated with viewers and others facing similar challenges. Carl's commitment to mental health advocacy, his active involvement with organizations like Shatterproof and Headstrong, and his holistic approach to wellness, which includes meditation and fitness, reflect his dedication to making a positive impact. Furthermore, as an entrepreneur, Carl launched Soft Bar & Cafe, an innovative venue offering sophisticated non-alcoholic cocktails, catering to a community seeking meaningful social connections without alcohol. Through his public endeavors and personal achievements, Carl continues to lead and inspire, encouraging open dialogue and transformation in mental health and wellness.

The Heart You Kept

T L Swan

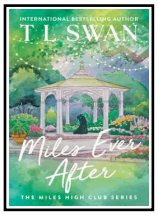

BOOK DESCRIPTION

From USA Today, BookTok, and #1 Amazon bestselling author T L Swan comes Edward Prescott's story, the highly anticipated first instalment of her brand-new series 'Kings of the Riviera' - in bookstores May 2026. Pre-order now to receive your stunning deluxe first print edition featuring sprayed edges, while supplies last.

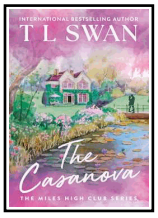

He was never meant to be anything more than a memory. But now he's back… and more magnetic than ever. Three years after a secret weekend in the Swiss Alps, Alora Sorenson thought she'd completely moved on from the mysterious man who turned her world upside down. That is until Edward Prescott walks back into her life: richer, more powerful, and even harder to resist. As the billionaire owner of the world's largest casino empire, Edward is the definition of untouchable. He's a dark, commanding force in a world of high society, luxury yachts, and ruthless enemies. Alora prefers a serene and simple life, surrounded by antiques and vintage fashion. She doesn't belong in his world, and yet… she's never stopped wanting him. But behind his intoxicating charm lie hidden dangers, and in the shadows of the Riviera, will the past reemerge and destroy everything? Secrets brought them together. But will they also tear them apart?

AUTHOR BIO

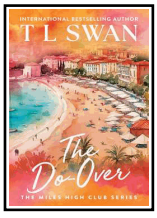

T L Swan is a USA Today, BookTok, International, and #1 Amazon bestselling author. With millions of books sold, her titles are currently translated into 11 languages and have hit #1 on Amazon in the USA, UK, Canada, Australia and Germany. Tee resides on the South Coast of NSW, Australia with her husband and their three children where she is living her own happy ever after with her first true love.

Eliza Raine

BOOK DESCRIPTION

Dark, seductive, and utterly enchanting, this fae romance follows a human heroine who defies the shadows—and the fae prince destined to claim her.

*****DELUXE LIMITED EDITION FIRST PRINT RUN—featuring beautiful sprayed edges. Special edition features only available for a limited time and while supplies last.*****

A defiant human woman. A dark fae Prince. Two enemies bound to a marriage that could destroy their world.

Reyna was born a valuable slave to the Gold Court, imprisoned her whole life in a glittering palace by sadistic, greedy fae.

When the palace is raided, she takes her opportunity to escape. But the raid is led by her worst nightmare. The Prince of the most feared fae of all; the Shadow Court. And he wants one thing.

Her. The copper-haired, rune-marked human.

Reyna doesn't know why the Prince has kidnapped her. But when he announces her as his betrothed, she knows that she must escape before she is eternally bound to the monster behind the mask.

Only, when he takes the mask off, he isn't what she expects. He's lethal, beautiful and exudes sin. And he needs her.

Drawn into a deadly world shrouded in secrets, and desperate to keep her own hidden, Reyna must find a way out. If she doesn't, she risks more than just death. She risks giving everything to her intoxicating captor.

This is the first book in the Shadow Bound Queen series, and is inspired by Norse mythology and Vikings. Sexy fae Vikings. It has Hades and Persephone, Beauty and the Beast vibes, and is slow-burn enemies to lovers fantasy romance with a burn-the-world-down-for-her hero. The series builds in steam and is filled with magic, myth, and delicious tension.

Brides of Mist and Fae is a brand new world from Eliza Raine, unconnected to the Dark Gods of Olympus.

Eliza Raine writes Greek mythology inspired fantasy that is fast paced, full of new worlds and creatures and sprinkled with a healthy dose of romance. She lives near Reading in England with her husband, three cats and outrageously cute puppy. She has a BA Hons in History and has a deep-rooted passion for mythology and stories about women who don't need rescuing.

She can usually be found reading fairytale retellings, playing board games or binge-watching Netflix shows.

Court of Greed and Gold

Eliza Raine

BOOK DESCRIPTION

Dark, seductive, and utterly enchanting, this fae romance follows a human heroine who defies the shadows—and the fae prince destined to claim her.

The threats are mounting in the Shadow Court, not just for Reyna, but for the mysterious shadow-fae Prince who has kidnapped her. Undead monsters, an insane Queen, magical curses and ancient secrets are all vying for the honor of ending their lives.

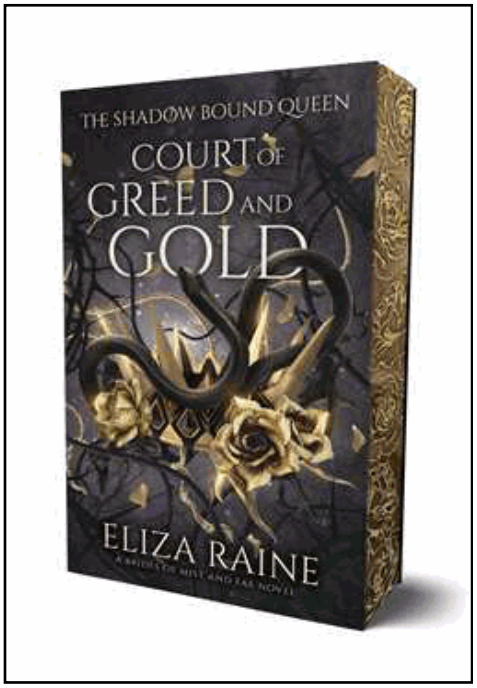

Forced to work with the famously monstrous Prince, Reyna soon learns that the fae warrior is dangerously different from the rumors. Passionately, fiercely, different.

And when the stakes are raised, she will discover that he is not the only one hiding who he really is.

Court of Monsters and Malice

Eliza Raine

BOOK DESCRIPTION

Dark, seductive, and utterly enchanting, this fae romance follows a human heroine who defies the shadows—and the fae prince destined to claim her.

Reyna's friends were supposed to be safe in the Shadow Court, but she has enemies everywhere. And unless Mazrith forgives her, he will join that number.

As hard as she wishes it were not true, Reyna's desire for the Prince grows as fierce as her need to win the games and find the staff that will set him free.

But she's about to find out who he really is, and what he has been keeping from her - and that will change everything.

This is the third book in the Shadow Bound Queen series, which is an adult fantasy romance inspired by Norse mythology. It is a slow-burn, enemies-to-lovers romance, packed with magic, mystery and above all - delicious romantic tension.

Court of Serpents and Secrets

Eliza Raine

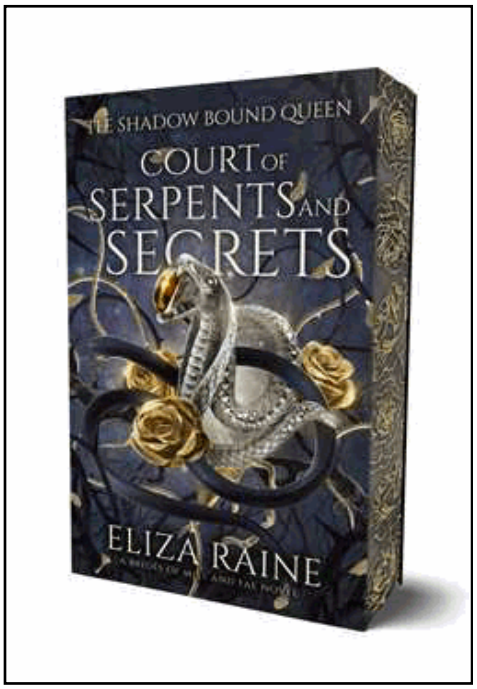

BOOK DESCRIPTION

Dark, seductive, and utterly enchanting, this fae romance follows a human heroine who defies the shadows—and the fae prince destined to claim her.

Reyna's secrets pale in comparison to what Mazrith has been keeping from her. And now she knows what he is, he has nothing to lose.

With the balance of power tipping, both Reyna and Mazrith will be forced to make choices. Save each other, or stop the monsters from ruling Yggdrasil.
But love can turn even the sanest crazy, and if they can't save each other, they may just become the monsters that threaten their world.

This is the fourth and final book in the Shadow Bound Queen series, which is an adult fantasy romance inspired by Norse mythology. It is a slow-burn, enemies-to-lovers romance, packed with magic, mystery and above all - delicious romantic tension.

Lost and Stolen Gods

Special Edition

Debbie Cassidy

BOOK DESCRIPTION

In this epic dark romantasy, mortals and gods collide, magic runs deep, and forbidden love could tip the scales of destiny.

*****DELUXE LIMITED EDITION FIRST PRINT RUN—featuring beautiful sprayed edges. Special edition features only available for a limited time and while supplies last.*****

Gods aren't born, they're made.

I should have died the same night that a monster murdered my grandmother, but I was saved, stolen from my world, and thrown into a realm ravaged by an endless war between ancient gods called Asura.

I'm told that I'm a demigod, that there are others like me, brought to this world to replenish their dwindling numbers. They want us to prove we're worthy of ascension and fight alongside them.

I don't give a damn about their war. All I want is vengeance on the monster that killed my only family. A monster from their world. And if the only way to kill it is to become a god, then I'm all in.

But the path of ascension is paved with dangerous tests, culminating in a lethal trial called the labyrinth of gods.

Only an ancient fire elemental has the power to help me survive it.

His wicked mouth sets my pulse racing, and his dark threats turn my blood to ice. Charismatic and terrifying, he attracts and repels me in equal measure, and I have no doubt he'd snap my neck in a heartbeat if freed from the magical bonds that compel him to aid me.

He hopes to be my undoing, and if I'm not careful I may not make it to the labyrinth alive.

To claim the vengeance that I desire, I'll need to protect my body and shield my mind, but most of all, I'll need to guard my heart.

Enter an Otherworldly realm filled with gods, monsters, and mystical beings. Opposites attract and love and conflict collide, in this forced proximity romance.

BOOK DESCRIPTION

Fans of epic mythology and dark romantasy will be enthralled by Cassidy's *The Labyrinth of Gods*, where mortals and gods collide, magic runs deep, betrayal lurks at every turn, and forbidden love could tip the scales of destiny.

DELUXE LIMITED EDITION FIRST PRINT RUN—featuring beautiful sprayed edges. Special edition features only available for a limited time and while supplies last.*

Destiny can't be forged until it is chosen.

Still reeling from the loss of a treasured relationship, I'm thrown into a fresh vat of revelations. Turns out, I'm not just a regular demigod, but one that has royal asura blood in her veins.

As the last of the royal lineage, I have a claim to the throne.

I can change things. I can make a difference. I can free the drohi and all the beings that the gods have under their control…

If the throne accepts me.

The seat of power awaits in the Shahee Kshestra, and I won't be going alone. Araz, my drohi, my reluctant anchor, will be going with me. Bodyguard, protector, companion and…maybe even a friend? But nothing more, because once I ascend our deal will be done, and I'll be forced to set him free.

I can't risk giving him my heart, no matter how much I ache to hand it to him. Because now that he's no longer against me, now that his golden eyes burn with longing, not contempt, maintaining a boundary is going to be near impossible.

Enter an Otherworldly realm filled with gods, monsters, and mystical beings. Opposites attract and love and conflict collide, in this forced proximity romance.

Wings of Life

Deluxe Limited Edition

Meghan Le Fay

BOOK DESCRIPTION

Fans of enemies-to-lovers romance and epic dragon-filled fantasy will be swept into Le Fay's *Wings of Life*, where duty, danger, and forbidden desire collide.

DELUXE LIMITED EDITION HARDCOVER with stenciled edges, a beautiful foil-stamped hardcover, exclusive interior design with full-color endpapers Only while supplies last.

They cast me off to Rihtlond as a bride.

They don't care if I come back alive.

Too sharp-tongued and too curious, I am my mother's greatest lament and my father's constant frustration. Unwilling to bow to their will, I've become expendable, worth sending on a mission doomed to fail.

Armed with nothing but a coded journal, a quill, and my wits, I'm thrust into the kingdom of our oldest enemy—a land of storms and warriors—to wed their high dane's son. Trapped on their ruthless continent, I am no blushing bride. I'm a spy sent to unlock Rihtlond's weaknesses… a cuckoo in the robin's nest.

But my heart still bleeds red when the weaponmaster of these strange people steals it away. Through him, I learn to unlock their secrets. What I uncover is more dangerous than I ever imagined: magic thrumming in the roots of Rihtlond, a dragon hidden in plain sight, and a love I was never meant to feel. Holding this knowledge, I am meant to return home and bind myself to a future I was given long ago.

Now, as war rises and alliances crumble, I must choose between duty and desire, between the family who cast me aside and the bond that awakens who I truly am. To protect what I've found—and who I become—I must risk everything. Even if it brands me a traitor. Even if it costs me my life.

Meghan Le Fay hails from present-day Earth, despite her lifelong dream of being born as an elf in Middle-earth. A constant and consummate fan of fantasy, she lives, breathes, and dreams in the spidery language of the magic. Her works are inspired by her obsessions with mythology, medieval history, and all things magical and mystical—especially dragons.

When not writing or daydreaming of other realms, Meghan can be found avoiding the Arizona desert heat through reading, crafting, music, or dance. Or having wild adventures (both real and imaginary) with her family.

Not on the Same Page

Allie Samberts

BOOK DESCRIPTION

An opposites attract romance set in the publishing world, perfect for fans of Emily Henry and Colleen Hoover.

DELUXE LIMITED EDITION FIRST PRINT RUN—featuring beautiful sprayed edges. Special edition features only available for a limited time and while supplies last.*

They agreed on no strings. But their hearts keep landing on the same page.

A year ago, literary agent Trina McBryde and editor Casey Endersen ended their no-strings arrangement. It was perfect for two people who didn't want a relationship. But what started as a way to blow off steam and have a little fun almost put their careers at stake, along with their feelings for each other.

When an important publishing conference brings them together again, the desire they tried to deny is back, and stronger than ever. But the real challenge comes afterward—Casey needs Trina to sign a promising new writer, which means that after a year of avoiding each other, they'll be forced to work together again. Late-night calls, whispered strategy sessions, and stolen glances make every professional interaction dangerously personal.

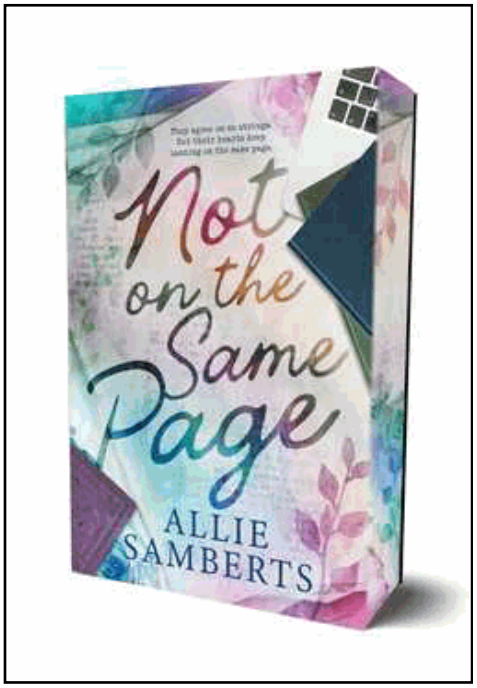

Every secret meeting carries the risk of exposure. If anyone finds out, they could lose more than just their jobs—they could lose their reputations.

But Casey has already fallen…again. And Trina is running out of ways to resist.

As professional boundaries blur, they'll have to decide if being on the same page means following the rules—or finally writing their own.

Not a Strong Enough Word

Allie Samberts

BOOK DESCRIPTION

A slow-burn second chance romance set in the publishing world, perfect for fans of Emily Henry and Colleen Hoover.

Five years apart. One unfinished love story.

Scarlett Frye was once a literary genius. With two bestselling novels, a million-dollar book deal, and a love story of her own, she had it all—until the pressure broke her. Five years ago, she canceled her book tour, shredded her contract, and disappeared. She left everything behind, including Ryan Whitlock, the editor who believed in her… and the man she loved.

Now, after years of healing, she's ready to write again.

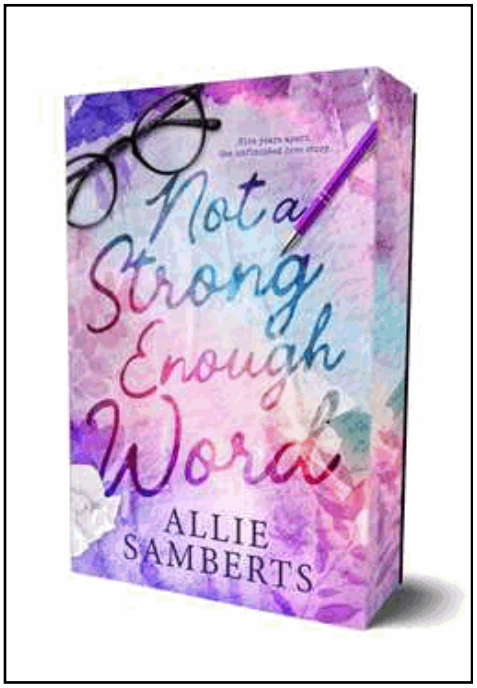

For Ryan, Scarlett's disappearance wasn't just a professional loss, it was personal. It shattered his heart and sent him into a slump. That is, until an anonymous manuscript lands on his desk. The writing is brilliant, raw, and achingly familiar—it can only be Scarlett's.

As fate brings them back together, Scarlett reluctantly agrees to let Ryan edit her comeback novel, even though it means working with the man she never stopped loving. Old passions reignite, but when pressure builds and buried secrets resurface, Ryan fears history will repeat itself.

Scarlett walked away once. But as they navigate love, loss, and the weight of the past, she and Ryan must be strong enough to rewrite their story before it's too late.

Birds of Prey

BOOK DESCRIPTION

The world's greatest thriller writers prove they're up to a unique challenge in this action-packed collection.

It all started with a simple, yet sneakily difficult challenge from global best-selling author Harlan Coben: Pick a bird of prey, then use it as the inspiration for a brand-new story.

The response from some of the best writers on the planet: Game on!

The result: Eleven stories that are twisty, scary, surprising, and bursting with imagination. An egg worth more than its weight in gold. A mysterious operative known only as Owl. An eagle-watcher who sees more than she should. Even a story that somehow places the Maltese Falcon in a nursing home.

Contributors include:

·Tess Gerritsen
·C.J. Box
·Kathy Reichs
·Ace Atkins
·Heather Graham
·S.A. Cosby
·Hank Phillippi Ryan
·Robert Dugoni
·Allison Brennan
·Gregg Hurwitz
·Kelley Armstrong

Commissioned by the International Thriller Writers Association, *Birds of Prey: The Harlan Coben Challenge* is a highly bingeable anthology that's a treat for thriller fans.

Icarus 17

Charles Cumming

BOOK DESCRIPTION

In the newest entry in Charles Cumming's bestselling BOX 88 series, master spy Lachlan Kite heads to Athens, Greece, after an old flame asks for help locating her missing son.

A threat to the lives of his wife and daughter in London forces elite intelligence agent Lachlan Kite to move his family to safety. Meanwhile Kite's former girlfriend, Martha Raine, comes to him with a plea for help. Her twenty-year-old son, Max, has vanished without trace in Greece. Can Kite help to find him?

Analysts at Anglo-American intelligence agency BOX 88 discover that Max was in a relationship with an Israeli woman, Jessica Morrow, who has links to the Mossad. Morrow is being hunted by a ruthless criminal gang. Fearing the worst, Kite and Martha set out for Athens in a desperate attempt to locate Max and Jessica.

A thrilling, complex tale, the depth of which is matched by its page-turning suspense, *Icarus 17* once again proves Charles Cumming to be one of the greatest writers of the modern day spy novel. As *Financial Times* notes, he excels at "taking the spy thriller to a new level of storytelling, one that illuminates the darkest corners of our modern world."

AUTHOR BIO

Charles Cumming is a British writer of spy fiction. He was educated at Eton College (1985–1989) and the University of Edinburgh (1990–1994), where he graduated with 1st Class Honors in English Literature. He had been described as "the best of the new generation of British spy writers who are taking over where John le Carré and Len Deighton left off."

Red Verdict

James Comey

BOOK DESCRIPTION

Federal prosecutor Nora Carleton is drawn into international intrigue as she investigates the assassination of a weapons manufacturer in this latest thriller from the former director of the FBI.

Nora Carleton is hitting her stride as Deputy US Attorney for the Southern District of New York when a high-stakes counterintelligence case pulls her into a deadly game with global implications. A Russian-style hit on an executive at an American drone manufacturer sends a chilling message—but what exactly is it? Was the victim a Russian mole or just a convenient target?

Teaming up with her longtime friend, Special Agent Benny Dugan, Nora launches a criminal investigation that takes them from New York to Las Vegas with the hopes of prosecuting a traitor who has put their country at risk. But as they dig deeper into the tangled web of Russian intelligence and those who profit from its reach, Nora finds herself in the crosshairs of powerful forces determined to keep their secrets buried.

AUTHOR BIO

Since graduating from the College of William and Mary in 1982 and the University of Chicago Law School in 1985, **James Comey** has been a prosecutor, defense lawyer, general counsel, teacher, writer, and leader. He most recently served in the US government as the Director of the FBI. His best-selling book, *A Higher Loyalty: Truth, Lies, and Leadership* was published in 2018 and was made into a 2020 television limited series. His second book, *Saving Justice: Truth, Transparency, and Trust*, also a *New York Times* best-seller, was published in 2021. His debut crime novel, *Central Park West* (2023), was a national bestseller, the first of a planned series of crime novels featuring attorney Nora Carleton. His newest book is *Westport* (2024), also a crime novel.

Liars in Paradise

Olesya Lyuzna

BOOK DESCRIPTION

With five days to clear her partner's name after a horrific crime, private detective Ginny Dugan infiltrates a cultish secret society on Long Island's Gold Coast in this champagne-soaked followup to *Glitter in the Dark*.

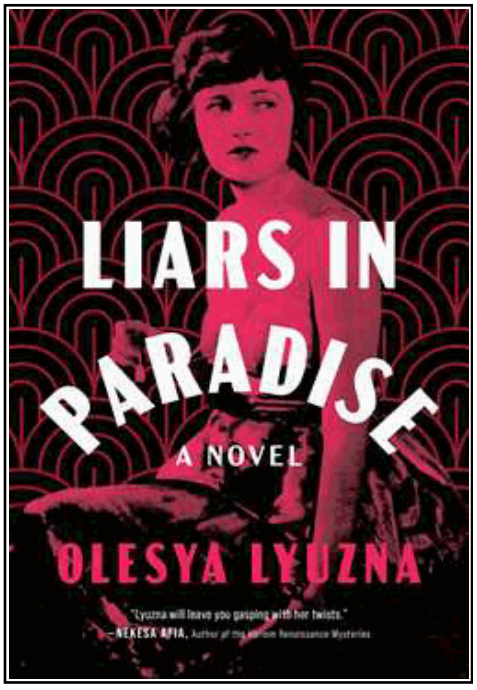

New York City, 1925. A night of high-stakes gambling at the Empire Club ends in gunfire and Jack Crawford is found at the center of the carnage—covered in blood, gun in hand. The club's ruthless owner offers Jack an ultimatum: find the real shooters within five days, or die for their crimes.

Ginny Dugan hasn't known Jack long, but as his partner in their detective agency, she needs to believe she's trusted the right man this time. Their only lead is Lila, the sole survivor of the massacre. They follow her to a queer dance hall in Glen Cove, a Long Island Gold Coast town whose glittering summer estates now stand empty in the November chill. Among those who knew Lila, one name keeps surfacing: Echelon, a seductive society where fortune is promised to those who surrender everything. Convinced the answers they seek lie within, Ginny and Jack infiltrate its ranks, where they encounter silent masked attendants, serpents sliding over bare skin, and members who seem to know more than they should—especially about Jack.

As the body count climbs and Jack's past resurfaces in unsettling ways, Ginny begins to doubt everything: her instincts, her partner, even her own reality. Maybe she was never in control. Maybe she was brought here to play someone else's game.

AUTHOR BIO

Olesya Lyuzna is a historical fiction writer with a passion for queer noir. Her debut novel *Glitter in the Dark* was selected for a 2020 Pitch Wars mentorship by Layne Fargo and Halley Sutton. She lives in Toronto and spends her free time hosting murder mystery parties and scouring the archives for unsolved crimes.

Vengeance

Wilbur Smith

BOOK DESCRIPTION

A brand-new Courtney Series adventure and book 8 in the Birds of Prey sequence by Wilbur Smith.

ENEMIES BY BIRTH. BROTHERS IN BLOOD.

Van Diemen's Land, 1835

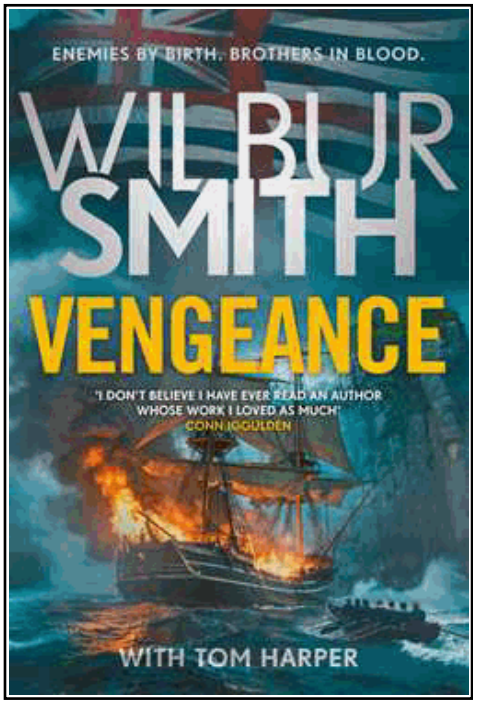

Ralph Courtney has had everything taken from him - his wife, his son, his fortune, his freedom . . . Chased from the hills of Zululand, he had found refuge with Ann and Harry at the mission station at Mahikeng. Behind the great Barrier of Spears, out of reach of King Shaka's murderous brother, they had been safe for a time. But even here, a hundred miles north of the Orange River and British justice, Ralph could not escape his past . . .

Captured. Convicted. Sentenced. Transported six thousand miles - to the end of the world, the worst prison on earth. Ralph knows that escape is impossible. All is lost. But one day, a ship comes in over the bar and he is brought back to life by a man he believed dead.

Meanwhile, Ann and Harry are trapped in Mahikeng, their fate tied to that of the mission station. When new orders come from London, they have no choice but to return to the Zulu court and face the enemy they thought they'd left behind . . .

Blood, vengeance and destiny collide in the latest thrilling novel from the bestselling master of adventure, Wilbur Smith.

Crossfire

Wilbur Smith

BOOK DESCRIPTION

A race against time Courtney series thriller from the Master of Adventure, Wilbur Smith

Wilbur Smith returns to his legendary Courtney Series with a brand new World War II thriller.

1943. The tide of the Second World War is turning. The Russian victory at Stalingrad - the bloodiest battle in history - has opened the door for the Allies. Now, they must strike decisively at the heart of Hitler's Reich. But military success cannot be guaranteed without total secrecy.

Special Operations Executive, Saffron Courtney, is sailing from the west coast of Scotland to New York on the Queen Mary. Her mission - to identify the mole in the British Embassy in Washington, DC before Churchill and Roosevelt begin the talks that will determine British and American military strategy in the wake of the Russian victory.

Haunted by the ghosts of her previous mission in the Low Countries, and with dangerous agents on her tail, Saffron must find the spy who could derail the Allied advance. Time is running out. Will Saffron complete her mission? Or will she succumb to the shadows of her past?

BOOK 25 IN THE LONG-RUNNING EPIC HISTORICAL SAGA OF THE COURTNEY FAMILY AND THE FOLLOW ON FROM WORLDWIDE BESTSELLERS COURTNEY'S WAR AND LEGACY OF WAR.

Mother Tongue Tied

Malwina Gudowska

BOOK DESCRIPTION

Linguist and writer Malwina Gudowska unpicks the myths surrounding multilingualism and the political, emotional and gendered weight of passing down language to your children.

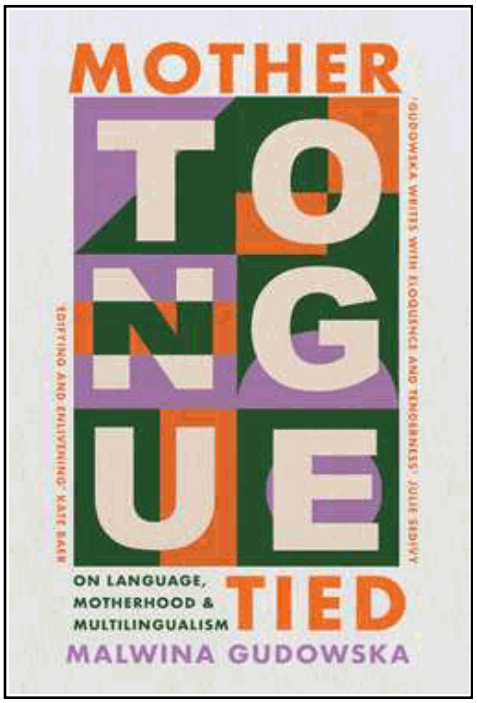

'Brilliantly illustrates how multilingual mothers are disproportionately tasked with preserving linguistic heritage on one hand and preparing children for public society on the other - all while finding a language for their own new maternal identity' Eliane Glaser, author of *Motherhood: A Manifesto*

It is estimated that more than half of the world's population communicates in more than one language and over a third of the population in the United Kingdom is multilingual. And yet life in multiple languages is rarely discussed publicly, myths and misconceptions prevail and the pressure to keep heritage languages alive has become a private conflict for millions. Linguistic diversity is more prevalent than ever, but so is linguistic inequality.

Linguist Malwina Gudowska, herself trilingual, sheds light on the ways in which we navigate language, its power to shape and reshape lives, and the ripple effects felt far beyond any one home or any one language. It takes one generation for a family language to be lost. One generation - like mother to child. *Mother Tongue Tied* explores the emotional weight of raising multilingual children while grappling with your own identity and notions of home. At what cost does a mother save a language? Or does she let it slip away and, with it, a part of herself her children may never know.

AUTHOR BIO

Malwina Gudowska is a Polish-Canadian writer, editor and linguist living in London, UK. A National Magazine Award winner, her writing has appeared in *Financial Times*, *Vogue*, *Literary Hub*, *The Globe and Mail* and several book and magazine anthologies. She is a PhD researcher in applied linguistics exploring the emotions of mothers raising multilingual children. Her newsletter, *Motherlingual* examines the intersection of language and motherhood.

From D.J. to Dad

Roles of a Lifetime

Michael Fishman

BOOK DESCRIPTION

Beloved former child actor Michael Fishman details his versatile life since his *Roseanne* success, from becoming a youth baseball coach to bounty hunting, then returning to the screen for *The Conners* all before the age of forty in his debut memoir.

Michael Fishman grew up in front of the world.

Cast at just six years old as D.J. Conner on *Roseanne*, he became America's little brother—visible, beloved, and successful long before he had the language to understand who he was becoming. But even when the cameras stopped rolling, life didn't simplify. It fractured, expanded, and demanded reinvention.

From D.J. to Dad: Roles of a Lifetime is not a traditional celebrity memoir; it is a deeply human reckoning with identity told through the many roles life demands: child; sibling; provider; black sheep; unhoused teen; crew member; husband; father; coach; caretaker; advocate; artist. Some roles are chosen. Others are inherited. Many are survived.

With unflinching honesty and hard-earned compassion, Fishman takes readers behind the scenes of fame and into the unseen labor of becoming whole. He writes about his early life as a child actor, homelessness in downtown Los Angeles, blue-collar work behind the camera, the quiet dignity of crew culture, the rise and fall of marriage, reestablishing his actor career, and emerging as a director and writer. It's a journey that explores the humility of starting over, and the courage required to remain soft in a hard world. Threaded throughout every chapter is his reflection on a lived philosophy rooted in accountability, emotional intelligence, service, and love as action. This book isn't just for fans who grew up with D.J. Conner—it's for anyone who has ever felt unseen, displaced, or forced to rebuild. It is for parents, partners, leaders, creatives, and survivors. Ultimately, it asks a universal question:

Who are you when the role changes—and can you choose to show up with integrity anyway?

From D.J. to Dad is a story about resilience, repair, and the radical power of becoming.

Michael Fishman is best known for his iconic role as D.J. Conner on the historic sitcom *Roseanne* and its long-running successor, *The Conners*. A child actor turned director, writer, coach, and humanitarian, Fishman has spent nearly four decades in entertainment while quietly building a parallel life of service, leadership, and advocacy. From Hollywood soundstages to youth sports fields, from homelessness to fatherhood, his work reflects a lifelong commitment to resilience, integrity, and love in action. *From D.J. to Dad* marks his most personal and expansive work to date.

Valhalla Burning

A Novel

Michael Pogach

BOOK DESCRIPTION

For fans of *The Witcher* and the novels of Joe Abercrombie and John Gwynne, comes a bloody Norse tale of grief, vengeance, fear, and fate from emerging SFF writer Michael Pogach.

It's 9th century Norway and Rúnr Njalson has been gifted supernatural warrior abilities as Odin's chosen Berserkr. Enemies and allies quake in fear at his approach. But when the unbeatable hero cannot save his own daughter Yrsa during a rival clan's raid, his only choice is to seek vengeance to gain her entry into Valhalla.

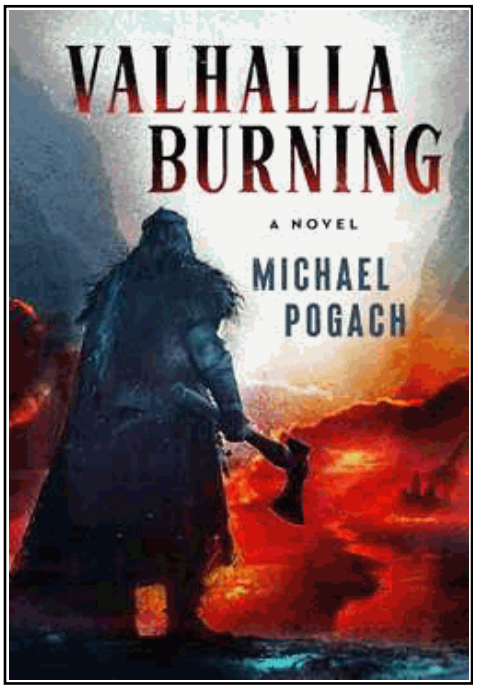

Plagued with horrific visions and grappling with the loss of his precious child, whose ghost torments his nights, Rúnr seeks the direction of a seeress's prophecy, and is told he must find a mysterious red temple and there face Yrsa's killer to save her soul from a fate with Hel. He abandons his homeland on a hunt spanning the dark forests of the Slavs and the Rus to the fabled city of Constantinople, along the way throwing in with a motley band of Viking raiders: Captain Garmr's ferocity fits the namesake of Hel's hound; the nervous merchant Erasmus hides secrets he'll never tell; the warrior Ingimar whose quick temper is going to get them all into trouble; and the fierce shieldmaiden Ingirid who may be the only one able to break through Rúnr's tough exterior.

While Rúnr's love for Ingirid grows, his Berserkr rage become more volatile, testing the crew's bonds and leading him to face an impossible sacrifice.

Lift a horn of ale and taste sweat and blood in this rich and brutal dark Viking adventure.

AUTHOR BIO

Michael Pogach is the author of the Gothic thriller, *Slip*, a 2023 PenCraft Award runner-up, as well as the Rafael Ward dystopian series beginning with *The Spider in the Laurel*, a Kindle Book Award finalist. In addition to his studies of Anglo-Saxon and Norse literature and mythology, he is a professor of English in Pennsylvania's Lehigh Valley where he lives with his wife, two children, and their black cat, Wednesday.

Tales of a Monstrous Heart

A Novel

Jennifer Delaney

BOOK DESCRIPTION

An instant *Sunday Times* bestseller and love letter to the Brontë sisters, *Tales of a Monstrous Heart* is a delicious gothic fantasy, filled with forbidden romance, magic, and monsters.

Be careful of the dark and those that call it friend.

Katherine Woodrow is fey, and all she wants is to graduate from the Institute of Magic. But when the prejudiced mortal council threaten her position at the institute, she is left with only one option: accept a Mage Partnership with the elusive Lord Blackthorn.

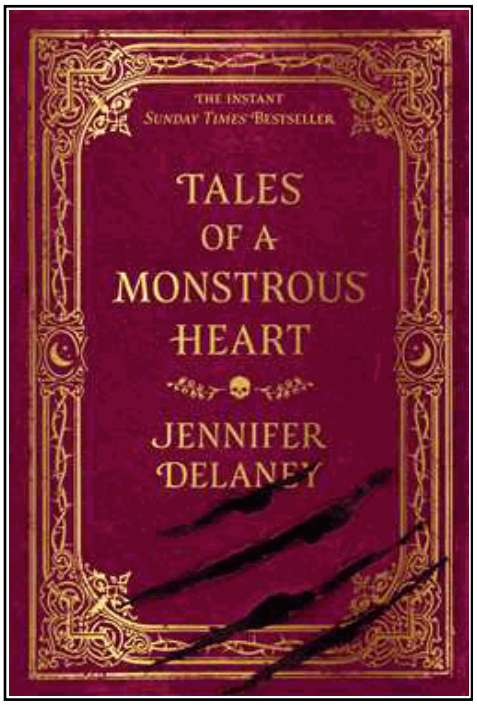

Emrys Blackthorn is a riddle Kat is fearful of solving. The mysterious, cursed war hero with his stormy eyes and unpredictable ways leaves Kat with more questions than answers. What she does know is that she is irresistibly drawn to him . . . no matter how forbidden it might be.

In this intoxicating gothic fantasy where passion collides with peril, and sorcery awakens monsters, a string of murders and fey disappearances herald the return of dark magic. Kat and Emrys are thrown into a world of ancient books that hide hideous monsters, dark fiends who play with nightmares, and mortal men who wish nothing more than to see them both burn.

But what haunts them both are secrets even ghosts dare not whisper, while insidious shadows lick their teeth and sharpen their claws, waiting for the moment that all tales will come to light—even the monstrous ones.

Tales of a Treacherous Fate

A Novel

Jennifer Delaney

BOOK DESCRIPTION

From the *Sunday Times* bestselling author of *Tales of a Monstrous Heart*, the stunning conclusion to this gothic romantasy trilogy, perfect for fans of Sarah J. Maas and Rachel Gillig.

Trust is fractured and our heroes are separated across Elysior as war looms closer. Fey flee to the north to try and rouse the ancient power that sleeps beyond the mountains. Nothing is as it seems and as demons are unleashed upon the earth, Kat and Emrys must call upon the last resort for help... the Old Gods themselves. For not all darkness is as it seems and fate is about to begin its final deadly game.

Tales of a Deadly Devotion

A Novel

Jennifer Delaney

BOOK DESCRIPTION

From the author of the instant Sunday Times bestseller *Tales of a Monstrous Heart* comes the highly-anticipated sequel, with slow-burn romance and forbidden magic, perfect for fans of Sarah J. Maas and Rachel Gillig.

As Fey wage hopeless war against the oncoming storm of mortal conquest, Fairfax Manor lies in ruins. The first witches of Blackthorn forged the ancient fortress from their very souls to keep those of their bloodline safe. No one is safe now.

Katherine Woodrow might have survived persecution at the Institute of Magic and journeyed across the divided lands of Elysior to study magic with the legendary Lord Emrys Blackthorn himself, but losing her heart and almost her life wasn't on the curriculum.

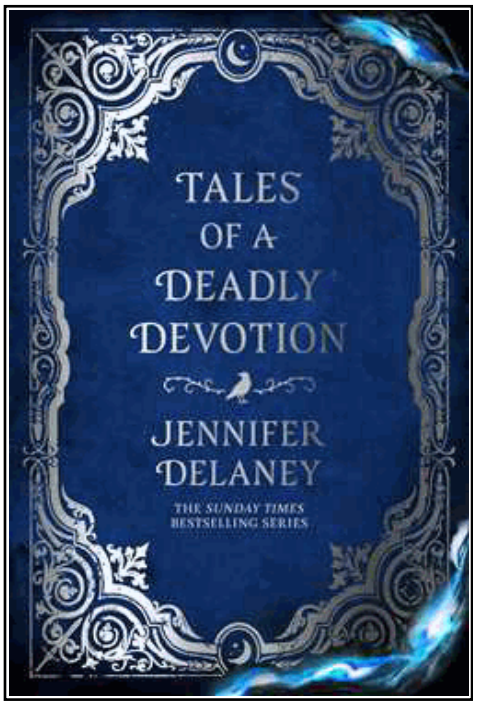

All magic has a price, and in this irresistible tale of gothic allure, shadowed by sorcery and slow-burn desire, it's a price so steep that Alma would rather have died than see Kat pay. But the dark isn't finished with Kat yet. And Alma, a shapeshifter, will stop at nothing to save her, drawing on the power of the beasts that simmer beneath her skin and even facing the secrets of her own past to help her friend.

And there's no time to lose. Because more demons are escaping from the cursed texts the mortals failed to guard. The world is slipping back into darkness. And something is returning. . .

A tale of deadly devotion.

Rhythm & Fire

A Life in Harmony with Earth, Wind & Fire

Ralph Johnson

BOOK DESCRIPTION

Embrace over fifty years of Earth, Wind & Fire through percussionist and vocalist Ralph Johnson's profound memoir. Ralph has seen it all and, for the first time, shares the inside story of their rise to fame through uplifting music, the challenges of the music industry, and the iconic mega band's mission to ascend themselves and listeners to greater heights. With 30 exclusive color photos inside!

Rhythm & Fire is a roadmap of music, resilience, and reflection as Ralph Johnson digs deep to tell the motivational story of Earth, Wind & Fire, from humble roots to worldwide fame and success.

Ralph began his drumming craft absorbing the vibrant energy of the '60s and '70s Los Angeles music culture where family and faith built the band's strong foundation. With the aid of founding vocalist Maurice White, they swear off the era's vices of excessive drugs and sex, instead aspiring to create powerful music of spirituality, hope, and soulfulness. Through this artistic exploration and their goal of spreading positive influence, their music propelled them around the world.

While the band was as strong as Earth and ascended like the Wind, they faced their share of Fire as Ralph provides real insight into the band's struggles (such as Maurice's abrupt hiatus, leaving their future uncertain) and the years of personal evolution needed to reclaim their triumphs. As Ralph and the other bandmates learned to persevere individually, they found a renewed purpose and reignited the band, keeping their shining star ever bright.

Ralph Johnson's genuine and inspiring stories delve into the deeper meanings of fame, success, faith, and community, proving why, even after fifty years of Earth, Wind & Fire, the band and its message still resonates with fans around the world today.

Ralph Johnson is the percussionist and vocalist for the legendary band Earth, Wind & Fire. As an original member, he has witnessed five decades of thrills and awards including ASCAP, NAACP, BET, and Grammy Lifetime Achievement Awards, Rock ’n’ Roll Hall of Fame induction, a star on the Hollywood Walk of Fame, Kennedy Center Honors, and eight number one hits, leading to seven Grammys and 100 million albums sold globally.

Ahmir Khalib Thompson, who uses the stage name Questlove, is an American musician, producer, director, author, and DJ. He's best known as the drummer and co-frontman for the Grammy-winning hip-hop band the Roots, who have been the house band for *The Tonight Show Starring Jimmy Fallon* since 2014. He has published eight books including *Mo' Meta Blues, Soul Train, Creative Quest,* and *Music is History* among others.

Experienced

On the Road with Jimi Hendrix and Beyond

Eric Barrett

BOOK DESCRIPTION

Jimi Hendrix road manager and confidante Eric Barrett breaks fifty-five years of silence, revealing what it was like to live inside the rock legend's orbit—at Woodstock, on the Isle of Wight, at a Toronto drug bust, and in the private moments when Hendrix let his guard down—set against the backdrop of Barrett's full rock 'n' roll career . . . a rock odyssey for the ages.

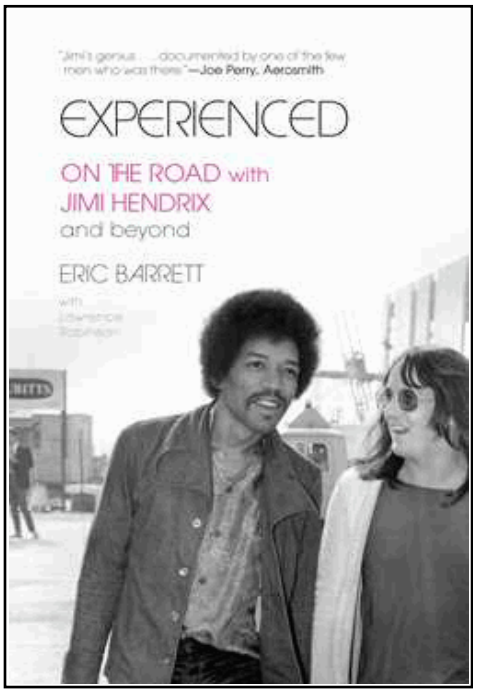

As Jimi Hendrix's road manager, Eric Barrett was there when the amps blew out in Milan, when Hendrix unleashed fire at Woodstock, when paranoia set in at the Toronto airport, and in the quiet hours backstage when Hendrix revealed the insecurities behind his genius. Hendrix confided in few people. Barrett was one of them.

No one was closer to Hendrix's supernatural talent—or his demons.

Experienced is Barrett's long-awaited, unflinching memoir: the definitive inside account of Hendrix as friend, bandleader, and phenomenon. It strips away the mythology to reveal the man in all his musical wizardry and human contradictions—volatile, generous, insecure, incandescently creative, and always in pursuit of the next sound.

While his journey with Hendrix provides the book's spine, Barrett's decades on tour with David Bowie, Madonna, George Michael, and others add depth, parallels, and a sweeping sense of how Hendrix's short life set the template for rock 'n' roll excess—and survival—through the decades. The result is not just another rock memoir, but a once-in-a-lifetime backstage history of music's most transformative years, told through the prism of Barrett's ride on Hendrix's incandescent rise and tragic fall.

Eric Barrett was Jimi Hendrix's road manager and confidant from 1968–1970 and spent nearly five decades on tour with music's biggest names, from the early Beatles to Madonna. Known within the industry as a fixer, manager, and trusted insider, he lived through rock's most legendary highs and lows. He now lives in Santa Monica, California, with his wife.

Lawrence Robinson is a British author and journalist based in Los Angeles and London. He has ghostwritten numerous nonfiction titles for major publishers and worked as a screenwriter for DreamWorks and Universal. His journalism has appeared in *The Face, Arena, LA Weekly*, and more.

Tech Money

A Guide to the New Game of Technology Investing

Igor Pejic

BOOK DESCRIPTION

A chart-driven, practical guide from award-winning tech-finance expert Igor Pejic that shows investors how to beat the market by mastering the cycles of technology.

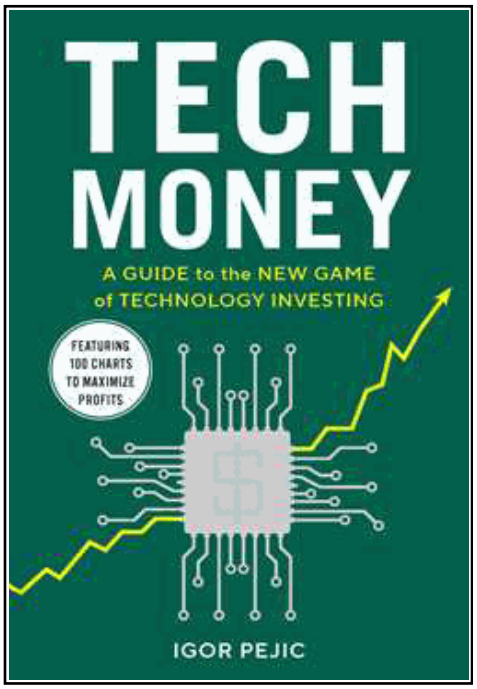

Technology has redefined the global economy and created trillion-dollar companies at breakneck speed. From AI and blockchain to crypto and Big Tech, fortunes are being made—and lost—every day. But for most investors, figuring out how to ride the next wave remains a mystery.

In *Tech Money*, Igor Pejic—internationally recognized expert on the intersection of technology and finance—provides a clear, evidence-based roadmap. Through 100 carefully curated charts, Pejic explains how to recognize and realize "technology alpha": the outsized returns generated by tech-driven investments. He demonstrates how to distinguish winners from hype, identify the sweet spot in the technology life cycle, and manage the risks of volatile sectors.

Pejic combines rigorous research with insights from top investors, entrepreneurs, and technologists to reveal the rules of the new investment game. From spotting asymmetric opportunities in crypto to timing entries into frontier tech, readers will learn to harness the very cycles that confound even Wall Street veterans. Whether you're a retail investor, financial advisor, or executive deciding where to place tech dollars, *Tech Money* offers the systematic framework to grow wealth in the innovation economy.

AUTHOR BIO

Igor Pejic reaches thousands of devoted followers through his Substack newsletter *The New Frontier* and other direct outreach. He speaks globally on tech trends and tech investing at multiple venues, including conferences, corporations, banks, and universities, and his articles and interviews regularly appear in *Bloomberg, Forbes, The New York Times, American Banker,* and more. As part of his extensive marketing campaign, Pejic plans to leverage the networks of the high-profile individuals he's interviewed to further promote the book—reaching a potential audience of millions of investors. Pejic's two previous books, published by Kogan Page and targeted at specialized audiences, received tremendous acclaim. His first book, *Blockchain Babel,* was a finalist for the prestigious Bracken Bower Prize awarded by McKinsey and the *Financial Times.*

A Mind of Your Own

Independent Thinking in the Age of Misinformation

Warren Smith

BOOK DESCRIPTION

From Warren Smith—the former educator whose viral classroom lesson on critical thinking (33M+ views) made him a sought-after voice on *The Joe Rogan Experience*, *The Jordan B. Peterson Podcast*, and *The Rubin Report*—comes an urgent guide to reclaiming your mind in an age of manipulation.

In a world drowning in misinformation, half-truths, and polarized narratives, clear thinking is no longer optional—it's survival. Whether you're analyzing social movements, cultural shifts, or your own personal beliefs, this book provides the tools to think for yourself in a world of mass media saturation and groupthink.

A Mind of Your Own is a battle plan for independent thought at a time when divisiveness and confusion rule. Warren Smith arms readers with a practical, five-step method to cut through spin, expose deception, and make decisions with confidence.

With powerful insights and real-world examples, you'll learn how to:

·Recognize the hidden stories shaping your worldview.
·Separate reality from social constructs and media distortion.
·Identify logical fallacies and misinformation in real time.
·Break down any claim with a clear, systematic approach.
·Ask the kind of questions that win debates without arguing.
·Spot the subtle ways language frames and manipulates perception.

This isn't just a book about intellectual sparring—it's about protecting your career, your relationships, and your freedom to think clearly when it matters most. Those who master these tools will thrive; those who don't will be swept away by every new ideology.

AUTHOR BIO

Warren Smith is a leading advocate for independent thinking in an era of groupthink and ideological conformity. A former educator, filmmaker, and storyteller, he gained national attention when his statement—*"Critical thinking should be the first thing taught in schools"*—went viral, sparking 33M+ views. He has since become a go-to guest for top podcasts, including *The Joe Rogan Experience*, *The Jordan B. Peterson Podcast*, and *The Rubin Report*, with hosts rallying behind his mission and urging him to write this book.

Home Sick

Rhiannon Grist

BOOK DESCRIPTION

A troubled woman seeking a fresh start in the Scottish countryside believes her neighbour may be behind the strange disturbances in her home in this psychological horror debut for fans of *The Lamb* and *We Used to Live Here*.

"The symmetry should have tipped me off."

After a violent incident at work, Tamsin goes looking for a fresh start in a remote cottage far away from her old life. Here she could make real friends, find a job she loves, become a whole new person, even.

But the solitary cottage is actually a semi-detached, with only a thin wall separating her from a total stranger. Her neighbour is an enigma. Dowdy one moment, vivacious the next, but always wearing an unnerving smile. Tamsin can't shake the feeling that there's something wrong with her, especially when she starts experiencing disturbances in her own home.

As the locals share strange stories about her house, and her barely contained paranoia spirals out of control, Tamsin begins to suspect that the past she was so desperate to escape might never let her go.

AUTHOR BIO

Rhiannon A Grist is an award-winning Welsh writer of Weird, Speculative and Dark fiction. Her novella, The Queen of the High Fields (Luna Press), won the British Fantasy Award for Best Novella 2023.

Two soldiers are transported to a world of magic, cultivation and stat screens and have to rely on old skills and newly learned ones to survive.

Erik West served as a combat medic alongside his marine buddy Jimmy 'Rugrat' Rodriguez.

After being marked with the two week curse, they have just 14 days until they're teleported from their lives. No one else that has been 'cursed' has ever returned. All of them have started seeing stat screens and being able to do things that should only be possible in games.

When the curse teleports them to the first realm they're going to have to learn and quickly. Strength is security here and they'll have to use all of their newfound skills and abilities combined with all their training and knowledge to forge their own path.

With over 1.5 Million Books Sold, the Ten Realms series by international bestseller Michael Chatfield is sure to scratch that LitRPG itch.

PRAISE FOR THE TEN REALMS series

“Strap yourself in, collect some monster cores, and let Erik and Rugrat take the wheel. Once this crazy ride starts, you’ll never want to get off.” - Matt Dinniman, *New York Times* bestselling author of *Dungeon Crawler Carl*

“*The Ten Realms* is a rip-roaring adventure with a pair of hyper-competent protagonists who make the best of every opportunity in this LitRPG portal fantasy.” - Tao Wong, Author of *A Thousand Li*

“Gritty, gutsy, and a mess of fun!” - Andrew Peloquin, Author of *Darkblade*

“An addicting Fantasy where soldiers are pulled to a new world to, level up, and conquer realms.” -Dakota Krout, Author of *Completionist Chronicles*

"*The Ten Realms* is a thrilling take on fantasy built on brotherhood and exploring both new worlds and the worlds within us all." - J.M. Clarke (*Mark of the Fool* and *Rune Seeker*)

‘I was always a fan of fantasy stories, and as ex-military protagonists go, you’ll not beat Eric and Rugrat. They’re excellently realised, fully fleshed out, and incredibly fun, join their no-nonsense approach with wonderful world building and growth, and you’ve got a recipe for a series that’ll always be one of my favourites. Add in the ever wonderful performance of Neil

Hellegers and the audio is even better. If you're looking for something different, solid and well written, and characters that live and breathe, then yeah. The Ten Realms is a fantastic story.'
-Jez Caijao, author of *Rise of Mankind*

AUTHOR BIO

Michael Chatfield is a Canadian Army veteran and international bestselling author with millions of books sold over nearly ten series, with books that have achieved #1 in Fantasy and Science-Fiction on Amazon. He writes the kind of books he always wanted to read, character-driven,gritty, tactical, and grounded in reality.

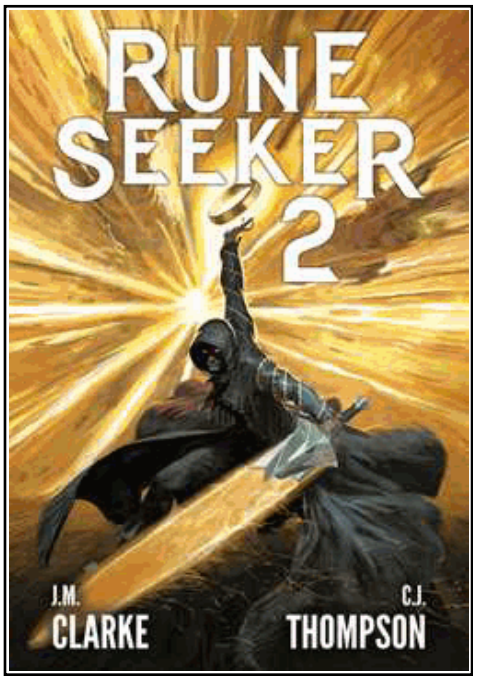

And the pacing? It's locked at two hundred percent. From alleyway brawls to starship armadas clashing over galactic sovereignty, from tactical dungeon assaults to city-states warring over a continent's fate, Chatfield commits to every battle like it's his last.

With millions of books and audiobooks sold, and tens of thousands of reviews his work spans fantasy, sci-fi, LitRPG, military and post-apocalyptic survival. He writes for readers who value systems that make sense, loyalty that lasts, and power that's earned, not handed out.

Rune Seeker, Vol. 2

Legacy of Ur'thul

J.M. Clarke

BOOK DESCRIPTION

From bestselling author J.M. Clarke (*Mark of the Fool*) and C.J.Thompson comes *RUNE SEEKER*, *Book 2 Legacy of Ur'Thul*, the next installment in this hot progression fantasy adventure, where the weakest person among his people will rise to unimaginable power.

Hiral must grow before a sky-island plummets.

Fallen Reach is in danger, and only Hiral and his surviving teammates can save it.

Gathering their strength after the loss of their friends, the Builder and Growers race across a hostile landscape to save their homes and obtain the power they need to battle their nigh-unstoppable enemies.

The companions must survive dungeons gone wild, the hunger of the dead, and the wrath of an ancient power that was once the hope of an entire people.

Still, Hiral will not be deterred, and is ready to cut a path of destruction through his enemies and achieve the loftiest goal of all…

…to become overpowered.

And probably explode.

Don't miss the next exciting installment of ***RUNE SEEKER,*** the Progression Fantasy series from J.M Clarke, bestselling author of ***Mark of the Fool,*** written with C.J. Thompson. Continue a weak-to-strong progression into power and a detailed LitRPG system with unique classes, skills, dungeons, achievements, survival and evolution. Explore a mysterious world of fallen civilizations, strange monsters and deadly secrets.

Dungeons and Dragons: Honor Among Thieves* meets *My Hero Academia!

AUTHOR BIO

J.M. Clarke is a Canadian author that watched way too much Godzilla as a kid. He has worked with children and families over his career, volunteered in hospice, and failed to learn how to play the bass three times.

Having written stories for twenty years, he started sharing them online during the pandemic and—next thing he knew—he was a bestseller on Amazon. He is still half-convinced this is all a dream.

He is best known for his *Mark of the Fool* and *Rune Seeker* series (cowritten with Carter J. Thompson), and has had short stories published as well.

Seriously, this *has* to be a dream, right?

Carter writes books, drinks coffee, and obsesses over shoes; just don't ask him to do that all at the same time – he's terrible at multi-tasking. And punctuation.

Hailing from the Canadian Maritimes, he's been from far north to far south in North America, and even to the other side of the world, but is now living in Vancouver BC with his smart, beautiful, and wonderful wife (yes, she could be reading this).

Writing somewhere between science-fiction and fantasy, he loves a good story, and if you want to find out more about his work, the latest series Rune Seeker, co-authored with the pretty awesome JM Clarke, is a good place to start.

“Includes an all-new, exclusive bonus story ‘When Farrah Met Gary’!”

What’s it like to wake up in a mysterious world of magic and monsters?

It’s not easy.

For Jason, making the career jump from office-supplies-store middle manager to heroic interdimensional adventurer is surreal. Jason tries to be heroic, but it's hard to be good when all your powers are evil.

He’ll face off against cannibals, cultists, wizards, monsters...and that’s just on the first day. He’s going to need courage, he’s going to need wit, and he’s going to need some magic powers of his own. But first, he’s going to need pants.

He Who Fights with Monsters cemented itself as one of the best-rated novels on Royal Road of all time, with an astonishing 13 million views and has sold staggering numbers of both eBooks and audiobooks. Now, ***He Who Fights with Monsters*** gets a new life and levels up with a deluxe hardcover!

***"Exciting, hilarious, irreverent, and action-packed."* -- Matt Dinniman (*New York Times* bestselling author of *Dungeon Crawler Carl*)**

About the series: Experience an isekai culture clash as a laid-back Australian finds himself in a very serious world. See him gain suspiciously evil powers through a unique progression system combining cultivation and traditional LitRPG elements. Enjoy a weak-to-strong story with a main character who earns his power without overshadowing everyone around him, with plenty of loot, adventurers, gods and magic. Rich characters and world-building offer humor, political intrigue and slice-of-life elements alongside lots of monster fighting and adventure.

For fans of *Dungeon Crawler Carl, Cradle, Defiance of a Fall, The Primal Hunter, The Wandering Inn, The Dresden Files, Kaiju Preservation Society,* and *The Murderbot Diaries.*

PRAISE FOR *HE WHO FIGHTS WITH MONSTERS*

"***He Who Fights with Monsters*** helped define a genre with it's well-crafted magic system, incredible characters, and awesome worldbuilding."**—** Zogarth, #1 Overall Audible Bestselling author of *The Primal Hunter*

*"*A rare mix of action, world-building, and discovery that accelerates hard on page one and never truly lets off the gas." -- Drew Hayes (*Superpowereds* and *NPCs*)

AUTHOR BIO

Travis Deverell, A.K.A. Shirtaloon, was working on a very boring academic paper when he realised that writing about an inter-dimensional kung fu wizard would be way more fun.

It all begins with an idea. Maybe you want to launch a business. Maybe you want to turn a hobby into something more. Or maybe you have a creative project to share with the world. Whatever it is, the way you tell your story online can make all the difference.

To his surprise and delight, Deverell found a warm and welcoming audience in the world of online serialized fiction. Transitioning his work into actual books, he is continually startled at the appetite for his particular blend of high magic, wild adventure and absurd nonsense.

Success has allowed Shirtaloon to fund an excessive board game collection he doesn't have time to play because he's always writing. The unplayed games sit on the shelves behind him as he works, silently judging.

Born in Fire (Demon Days, Vampire Nights, Book 1)

K.F. Breene

BOOK DESCRIPTION

The Romantasy smash, *BORN IN FIRE (Demon Days, Vampire Nights, Book 1),* from *USA TODAY* bestselling author K.F. Breene is now in hardcover for the very first time!

This beautiful hardcover features striking stenciled edges, never-before-seen custom endpapers, and a spot gold-foil cover!

Heart pounding and laugh out loud funny, *USA TODAY* and *Wall Street Journal* Bestselling author K.F. Breene will take you on a magical joy ride you won't soon forget.

"Supernatural Bounty Hunter isn't the sort of thing you see on LinkedIn. But with a rare type of magic like mine, I don't have many options. So dangerous or not, the job is mine. And it was going fine, until an old-as-sin vampire stole my mark, and with it, my pay day.

Knowing I'm poor and desperate, he has offered me a job. I'll have to work by his side to help solve a top secret case.

Everyone knows not to trust vampires. Especially a hot elder vampire. But without any other jobs coming up, I'm stuck.

As I uncover a web of lies and treachery, revealing an enemy I didn't know existed, the truth of my identity is threatened. I might make it out alive, only to end up in a gilded cage." - Regan Somerset

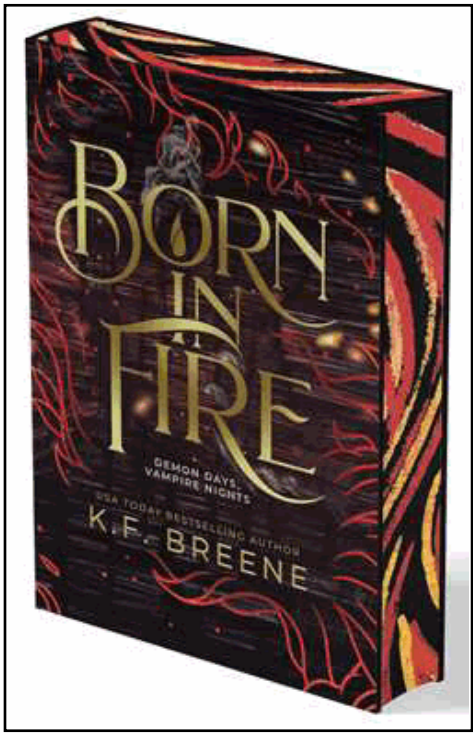

If you like Laurell K. Hamilton, Kim Harrison, Shannon Mayer, Patricia Briggs, Ilona Andrews, Jennifer Estep, Jennifer L. Armentrout, and Dannika Dark, you'll feel right at home with this fun and exciting thrill ride!

·Awards/Recognitions

·Bestselling Author Status: She is a USA Today, Wall Street Journal, Washington Post, Amazon Charts and #1 Kindle Store bestselling author.

Cromwell

Parliament's Crusading Politician

Michael Naseby

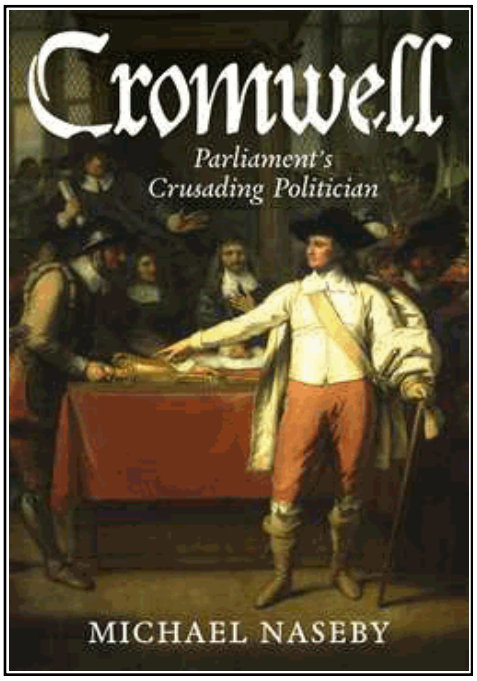

BOOK DESCRIPTION

***Cromwell: Parliament's Crusading Politician* is unique, an account of one great parliamentarian written by another great parliamentarian, with an insider's perspective on what Oliver Cromwell in Parliament achieved and how he achieved it**

Cromwell: Parliament's Crusading Politician is unique, an account of one great parliamentarian written by another great parliamentarian, with an insider's perspective on what Oliver Cromwell in Parliament achieved and how he achieved it.

AUTHOR BIO

The author Michael Naseby has spent over 50 years in Parliament, firstly 23 years as Michael Naseby MP for Northampton South, including being elected Deputy Speaker in the House of Commons, and latterly 28 years as Lord Naseby in the House of Lords. He chose Naseby as his title name due to his life-long interest in Cromwell and the Civil War, and the history of the great battle being associated with his constituency there. Accessing Parliamentary records and archives, and visiting original sources, Lord Naseby brings a fresh perspective to Cromwell's influence on political life from his own times right up to the present day with the demise of the hereditary peers in the House of Lords.

Welcome to the Revolution

The Ongoing Story of the Bipartisan Alliance to Make America Healthy Again

John Klar

A firsthand account of how an unlikely bipartisan alliance is challenging corporate power and reclaiming America's health, freedom, and future.

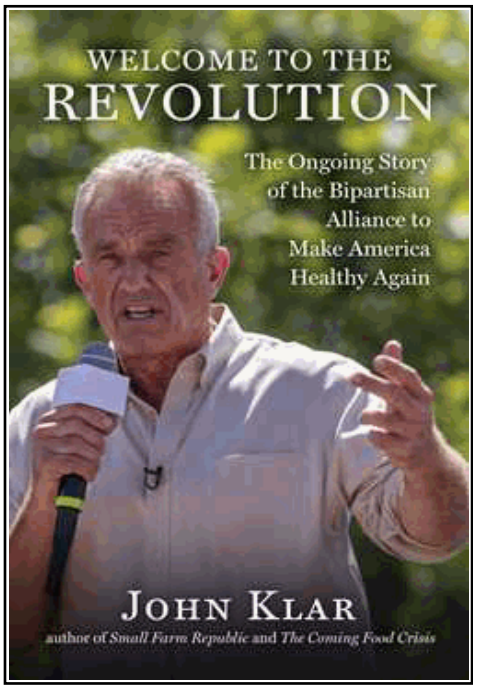

In an era of bitter political division, one unlikely alliance is reshaping America's future.

When Robert F. Kennedy, Jr. broke from the Democratic Party and joined forces with Donald Trump, it shocked the political establishment and ignited a movement no one saw coming. Out of that moment came MAHA—Make America Healthy Again—a bipartisan revolution uniting farmers and homesteaders, conservatives and progressives, skeptics and visionaries around a shared mission: healthier food, stronger communities, and freedom from the grip of Big Pharma and Big Ag.

Told by an attorney-turned-farmer-turned-activist with a front-row seat to these extraordinary events, *Welcome to the Revolution* pulls back the curtain on how a grassroots coalition challenged entrenched power, battled corporate capture of government agencies, and fought to return food, health, and sovereignty to the people. From kitchen-table organizing in Vermont to the halls of Washington, this is the untold inside story of a political and cultural earthquake still unfolding.

At once memoir, manifesto, and call to action, *Welcome to the Revolution* is for anyone ready to cross old partisan lines and join a growing movement for health, liberty, and renewal.

The fight is here. The time is now. Welcome to the revolution.

AUTHOR BIO

John Klar is an attorney-turned-homesteader and grass-fed beef farmer, a food rights activist, and a fervent member of the MAHA movement. Klar's book *Small Farm Republic: Why Conservatives Must Embrace Local Agriculture, Reject Climate Alarmism, and Lead an Environmental Revival* advocated for a conservative environmental political platform premised on local, regenerative agriculture. John writes and farms from the same Vermont mountaintop his family has called home for nine generations.

Revolution

The Birth of the Greatest Nation in the History of the World

Eric Metaxas

There has never been a nation like the United States of America.

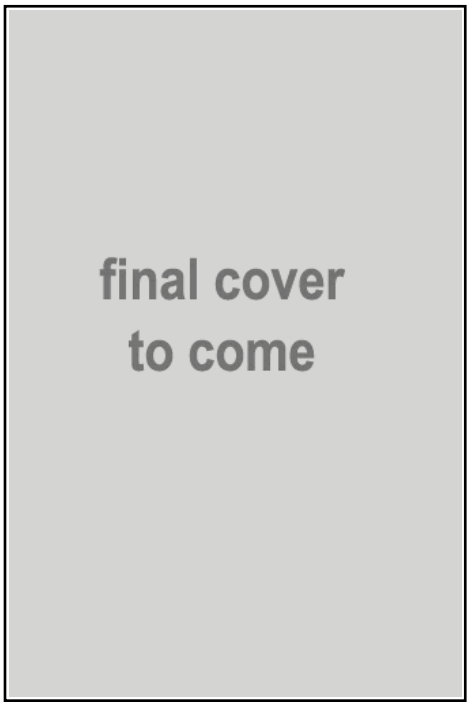

Its impact on the world is unprecedented in all of human history. After two and a half centuries of existence, it is difficult to imagine what the world would be like without it.

But how did it come into existence? Who has really done justice to this astonishing story? Innumerable books have been written about the American Revolution, but the definitive treatment of the full story simply does not exist—certainly not in our generation. And it's a story, actually a host of stories, that every single American really must know and celebrate.

Who better to tell it than Eric Metaxas, historian and author of seven *New York Times* bestsellers, including the million-selling biography of Dietrich Bonhoeffer? And what better time for such a book to appear than the 250th anniversary of America's birth?

The Bicentennial in 1976 fell at a rather awkward cultural moment, following the debacles of Vietnam and Watergate and smack-dab in the middle of the especially unexciting presidency of Gerald Ford. The contrast with where America is now could hardly be greater. There is an undeniable explosion of patriotism and a concomitant hunger for the grand and sweeping epic story of our fabled founding. Millions of Americans have adopted the slogan "Make America Great Again." But in order to do that, we must go back to the beginning and must retell the great story that made us great in the first place.

Metaxas's *The Revolution* will do precisely that. At more than 500 pages—including photos, maps, and illustrations—it will be definitive and sweeping, but it will also be fabulously entertaining, containing the dazzling array of extraordinary stories every American should know, ranging from the many events that led to Lexington and Concord, all the way through the twists and turns of the war itself, until Yorktown and beyond.

Eric Metaxas is the #1 *New York Times* bestselling author of *Bonhoeffer* and many other books, including *Is Atheism Dead?*, *Martin Luther*, *Amazing Grace*,and *Letter to the American Church*, which was made into a full-length documentary by the same name. Metaxas's latest book is *Religionless Christianity: God's Answer to Evil*. He has written more than thirty children's books, including the bestsellers *Squanto and the Miracle of Thanksgiving* and *It's Time to Sleep, My Love*, illustrated by Nancy Tillman. His books have been translated into more than twenty-five languages. He is the host of Socrates in the City and the nationally syndicated *Eric Metaxas Radio Show*—"The Show about Everything!"—which also airs as a weekly television program on TBN. Metaxas has conducted interviews with an eclectic mix of guests, including film director Ron Howard, Mel Gibson, and Morgan Freeman, as well as such figures as Peter Thiel. His writing has appeared in the *New York Times, The New Yorker, The Atlantic*, and many other publications.

Why We Eat, Why it Matters, and the Seven Forces that Shape Our Food

Lee Cadesky

We eat multiple times a day, yet most of us have no idea what food actually is, where it comes from, or what forces will shape our meals in the future.

What is food? Why do we eat what we eat? And what kind of food will nourish us in the future? *Grub: Why We Eat, Why it Matters, and the Seven Forces that Shape our Food* is a deep dive into the cultural and scientific influences that shape our food, probing the past, present, and future of what, how, and why we eat. Told from an industry insider's perspective, *Grub* explores the science, history, and technologies that have defined our relationship with food. With the lived experience building an insect protein start-up as a backdrop, this book dives deep into the real nature of food, thoughtfully examining what it really is and how food connects people and life on Earth. *Grub* unearths the roots of the modern food industry and the innovations that are changing how we'll eat and understand food in the future.

AUTHOR BIO

Lee Cadesky is a food scientist, strategist, and engineer. A former entrepreneur in the insect protein sector, Lee invented and commercialized novel insect-based ingredients in Canada, the US, and Europe. A former food researcher, she holds a M.S. in Food Science from Cornell University and her work has been featured in *WIRED, Scientific American, NPR,* and *PBS*. She lives in Toronto with her wife Kit, daughter Eve, and dog Kuzon where she's an active member of the Canadian food industry, working to advance technology and sustainability with a focus on protein.

More Frequently Asked Questions About the Ancient Greeks and Romans

By Garrett Ryan

Could a Roman bridge carry a modern freight train? How much would it cost to build the Colosseum today? What if the Romans had grown potatoes?

In a series of fast-paced essays, *Leaky Aqueducts, War Pigeons, and Mystery Cults* answers 45 questions that ancient historian Garrett Ryan has been asked in the classroom and through his popular YouTube channel *Toldinstone*. As in the two previous books of this fun and fascinating series, the emphasis is on the surprising details of daily life in the classical world.

Discover the answers to:

• Were there pigeons on the streets of Rome?

• Did the Colosseum cost more than St. Peter's Basilica?

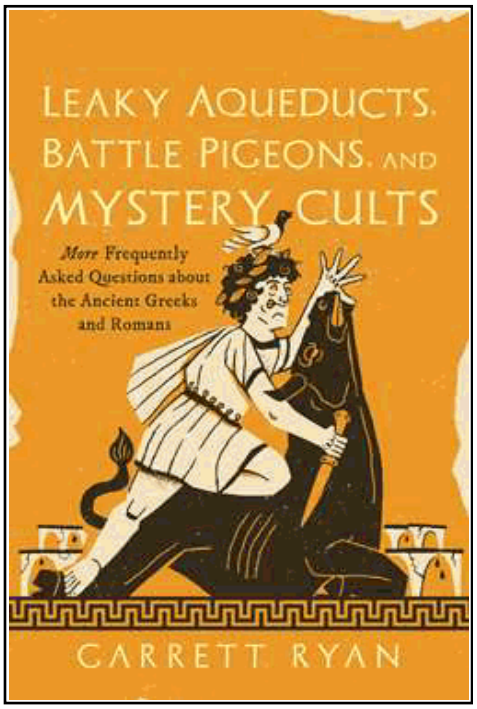

• What did gladiators do after they retired?

• How did the Egyptians forget hieroglyphs?

• Could potatoes have saved the Roman Empire?

Unfaithful Minds

The Science and Psychology of Infidelity

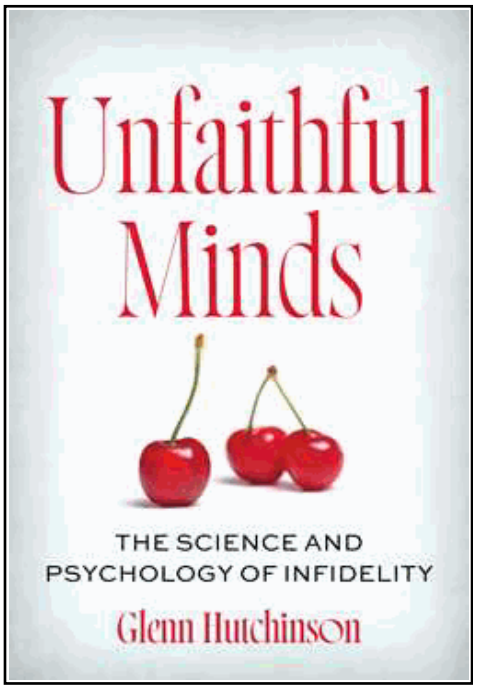

Glenn Hutchinson

Every year, millions of people are unfaithful in their romantic relationship— risking the integrity of their families, finances, and reputations. In surveys, approximately half of unfaithful individuals report that they were happy with their primary relationships when their affairs began. Why would so many people engage in behavior that's so obviously self-defeating?

Unfaithful Minds chronicles the discovery of key hidden brain processes, explains their functions, shows how they interact with other factors, and reveals the specific ways that they influence— and sometimes hijack— unfaithful individuals' conscious decisions.

Couple therapists and self-help books tell us that infidelity results from familiar factors— like stress, poor communication, anger, and substance use. Such factors do play a role, but they are, at most, half the story. What these explanations leave out is the human brain— along with the last few decades of psychological science, which have done nothing less than revolutionize scientists' understanding of the origins, or sources, of a person's behavior. Application of the new paradigm can transform our understanding of infidelity, and it makes a fascinating story. Yet remarkably, to date, no book has told it. *Unfaithful Minds* is the first book to address the role of hidden brain processes in infidelity; it provides an entirely new understanding of unfaithful behavior— and even explains why happy people cheat.

NBC Today (emphasis on the

Glenn Hutchinson earned his PhD at Indiana University (Bloomington), where he conducted research that straddled experimental social psychology and clinical psychology. He has been in private practice in Atlanta since the late 1990s. Over the years, he has pursued other career interests, as well.

In the early to mid-2000s, Hutchinson served as Vice President of Scientific Development for WeAttract, Inc., where he led research and development of personality tests that were used by Match.com and Yahoo! Personals. The tests were taken by more than ten million users. While at WeAttract, Hutchinson also co-authored a white paper on the false promises made by many online dating sites. The work that Hutchinson and a colleague did at WeAttract was featured in a major article in *U.S. News and World Report.*

Subsequent to his work at weAttract, Hutchinson founded Psyc.TV, an online educational platform with streaming video. The goal of Psyc.TV was to improve the quality of continuing education that is available to mental health professionals. Training modules featured top clinical researchers across the United States. Due to time constraints, Hutchinson eventually discontinued Psyc.TV, but, periodically, he features clips from the videos on his private practice website: glennhutchinson.net. He lives in Atlanta, GA.

Attention is the New Currency

The Ultimate Guide to Standing Out and Getting Paid on Social Media

Marissa Rachel

BOOK DESCRIPTION

A savvy, real-world guide to creating a profitable social media presence that stands out in an oversaturated industry

Today, when the average American spends around 4.5 hours a day on their phones—including 2.5 hours scrolling social media—it is undeniable that a well-crafted social media platform is a powerful lever when it comes to credibility, visibility, and opportunity in any professional field.

But how do you create a lasting platform that can thrive in a swamp of competing content?

A practical guide to smart social media strategy, *Attention Is the New Currency* breaks down the complex ins-and-outs of the influencer industry into a step-by-step plan to stand out, get paid, and leverage your platform to make a difference. Sisters Marissa Rachel and Shanna Lisa—veteran creators with billions of views and past brand deals with Disney, Marvel, and Amazon—share candid advice to help you:

·Identify your niche and authentically connect with your audience
·Stay on top of trends, understand your analytics, and strategically go viral
·Gracefully navigate online hate and create a cancel-proof personal platform
·Establish steady business practices for yourself and healthy, burnout-free boundaries
·Reach out to brands, write winning pitches, and land your dream partnerships

Whether you're starting from scratch or scaling an existing platform to a larger audience, *Attention Is the New Currency* will help you invest your time wisely and create a confident online presence that resonates with the right audience and stays as lucrative and reliable as any 9 to 5.

She has also spoken on the TEDx stage and at the United Nations General Assembly, USC School of Cinematic Arts, as well as numerous panels with Google and YouTube.

How to Live Authentically

The Surprising Cure for Loneliness and Disconnection

Judd Shaw

BOOK DESCRIPTION

Reclaim your life by reconnecting with the one person you've been avoiding: your true self.

When everything around you feels broken, the way out isn't to fix what's outside of you—It's to rediscover the truth within.

Attorney and storyteller Judd Shaw had the success most people dream of: a thriving law firm, a yacht, private clubs, his face on billboards across town. But beneath the surface, he was drowning in addiction, isolation, and despair. When an arrest landed him in jail and contemplating suicide, he discovered a profound truth that changed everything: the greatest pain doesn't come from what happens to us—it comes from being disconnected from who we really are.

Now, Judd shares a revolutionary path for transforming shame, loneliness, and self-doubt into courage, clarity, and connection. Rooted in trauma research and lived experience, the **Connection CURE Framework** offers a clear, compassionate roadmap back to yourself:

C - Connection: Recognize when you've abandoned your authentic self

U - Understand: Identify the patterns that keep you stuck in disconnection

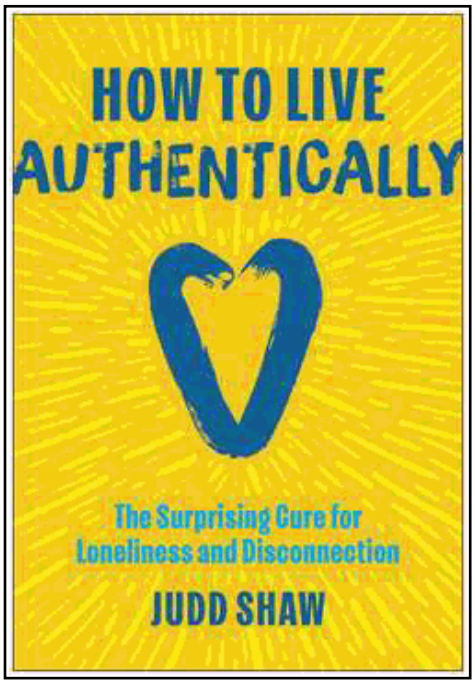

R - Renew: Reclaim your true self through self-compassion and healthy boundaries

E - Expand: Create ripple effects of authenticity that transform every relationship

This isn't another clinical self-help manual written from a distance—it's a lifeline from someone who's climbed out of the same holes you might be in today. Judd's message is clear and hard-won: authenticity is your superpower, and *How to Live Authentically* offers the surprising cure for loneliness and disconnection you've been searching for.

You don't have to be "fixed" to be free. You just have to be real.

Judd Shaw is a visionary keynote speaker, award-winning author, agent of change, serial entrepreneur, lawyer, and CEO. As the president of Judd Shaw Injury Law, he combines two decades of leading one of New Jersey's most successful law firms with a profound passion for fostering human connection. Driven by ambition, Judd achieved remarkable professional success at a young age—but it came at a cost. His journey toward success led to increasing isolation, prompting him to seek therapy and explore human connection theory. This transformative experience not only helped him realign with his core values and embrace vulnerability, but also enhanced his leadership skills.

Today, Judd is a sought-after speaker on authenticity and resilient workplace culture. He hosts the podcast *Behind the Armor* and is the author of the award-winning children's book series Sterling the Knight. Through his CURE frameworks, he empowers individuals, organizations, and leaders to adapt, innovate, and thrive where they live, work, love, and play. Judd's mission is to share his insights and experiences to help others unlock their superpowers.

·**Freddie Smith** is the Daytime Emmy Award–winning actor best known for his role as Sonny Kiriakus on *Days of Our Lives* (viewership: 1.7M). More recently, he has appeared as a financial expert on NewsNation and Fox

BOOK DESCRIPTION

Our economic system has changed, and younger generations are being locked out of the opportunities our parents once had. *Generation F*cked* exposes how the system broke, why the old rules no longer work, and what Millennials and Gen Z can do to reclaim their financial futures.

Cancel your subscriptions. Make coffee at home. Go to college. Don't rent. Buy a house to build equity. That advice was built for a different economy. Today, those choices come with far less certainty.

With rising inflation, unaffordable housing, stagnant wages, and crushing student debt, the traditional 'rules of success' for many working- and middle-class young adults no longer lead to the outcomes once promised. This leaves younger generations searching for strategies that actually work in today's world.

Drawing on Freddie Smith's personal journey and data-driven insights, *Generation F*cked* explores the uncomfortable reality of how the American Dream—homeownership, family, and a secure retirement—has become increasingly difficult for people under forty-five. With a frank, solutions-oriented approach, this modern guide to our financially f*cked reality will help you:

·Understand how the economy became so unequal and which institutions profit as the cost of living rises
·Talk about the generational wealth divide with older generations in ways that encourage empathy, understanding, and productive conversation
·Decide whether renting or homeownership makes sense for your life, and take meaningful steps toward clearing debt, investing, and saving
·Build a retirement plan without relying on Social Security or sacrificing your work–life balance
·Stay informed, advocate for change, and redefine success on realistic, modern terms

The current system isn't sustainable. By pairing big-picture clarity with actionable, ground-level guidance, *Generation F*cked* offers a path toward a more stable, fair, and achievable future, serving as a guide for generations navigating a radically different economy.

Freddie Smith is an Emmy Award–winning actor turned economic storyteller with a mission to decode the rigged systems holding Millennials and Gen Z back. With over a billion views on social media, Freddie has become a leading voice on wealth inequality, housing, and the future of work. Known for turning complex economic concepts into viral, relatable content, Freddie blends his Hollywood background with real-world insights to spark a movement toward economic justice. *Generation F*cked* is his debut book.

You Do You

100+ Endlessly Adaptable Recipes to Boost Your Culinary Confidence

Serena Wolf

BOOK DESCRIPTION

When it comes to creating the perfect meal, the best cooks know when it's time to go off the book.

Culinary expert Serena Wolf returns with a celebration of individualism in the kitchen, designed to boost creativity and confidence, one recipe at a time.

Nothing kills appetites—and enthusiasm—faster than following rigid rules for cooking. But changing things up can also feel risky. What if you end up ruining a meal by changing something in a recipe? Crafting a delicious meal should be an activity that, first and foremost, *feels good*.

You Do You features flexible, flavor-packed recipes that are incredible as written but designed to be tweaked endlessly, with tons of substitution options to help get your creative juices flowing and encourage customization. With Serena's warm guidance, you'll feel like you have a trusted friend and teacher in your kitchen, helping you fix any hiccups as you have fun making each recipe your own.

On your adventure through fluffy frittatas, crispy quesadillas, and juicy reverse-seared steak, unlock your inner culinary genius by:

·Understanding how to tailor any recipe to personal tastes and dietary restrictions
·Getting innovative with the ingredients you have on hand (instead of letting them go to waste or needing to run out to the grocery store)
·Confidently tweaking meals and reimagining dishes in countless ways
·Learning a variety of "little lessons to live by"—foundational techniques, tips, and tricks that will equip you to cook amazing meals on the fly with *no* recipe

With recipes from staple breakfasts and one-pan meals for busy weeknights to cocktails and fancier fare, *You Do You* is a cookbook for everyone, from beginners to seasoned home chefs alike. Because everyone is different—and that's a beautiful thing!

·**T. Colin Campbell**'s first book, *The China Study*—which has sold more than 3 million copies across formats and editions—was based on a landmark study between China and the US and laid out the

exhaustive evidence for the whole

BOOK DESCRIPTION

What we eat is a leading factor in our health and quality of life. Research has proven that a plant-based diet can prevent and sometimes reverse chronic diseases like heart disease, type 2 diabetes, and cancer.

Yet this message has been ignored, distorted, or suppressed by people and organizations with a vested interest in the status quo.

In a compelling new analysis, Dr. T. Colin Campbell, coauthor of *The China Study* and author of the *New York Times* bestselling follow-up, *Whole*, brings to light a series of first-hand experiences that starkly demonstrate how corporate influence in academia, government and the media determines—and sometimes actively suppresses—public access to nutrition research.

Providing an eye-opening look behind the scenes of nutrition policy, Dr. Campbell recounts the story of his life and research, and then tells eight riveting stories in *The Whole Truth* about instances in which vital information was misrepresented or concealed, including:

·A national nutrition “supreme court” quietly organized by industry-affiliated scientists to control public messaging—and the attempt to expel Dr. Campbell from his own professional society when he challenged it.
·Manipulation of the U.S. Dietary Guidelines to permit consumption of animal protein at levels posing a higher risk of deadly chronic diseases.
·A research paper on the impact of nutrition on immunity—vital information for the COVID-19 pandemic—that was rejected from academic journals without professional review.
·An infant-feeding scandal in which a heavily marketed commercial product displaced breastfeeding—leading to widespread infant malnutrition and deaths around the world.
Coauthor Nelson Campbell, a filmmaker, health advocate, and Dr. Campbell's son, broadens the lens in the book’s third part, examining why the plant-based movement has stalled and how it can be renewed through more effective messaging and a grassroots strategy to empower people everywhere to participate in building a healthier world. His suggested approach is provocative, inspiring and hopeful. Together, he and his father have authored a book that will infuse new energy into the plant-based movement.

AUTHOR BIO

T. Colin Campbell, PhD, has been dedicated to the science of human health for more than 60 years. His primary focus is on the association between diet and disease, particularly cancer. Known for the China Study—one of the most comprehensive studies of health and nutrition ever conducted, and recognized by the *New York Times* as the “grand prix of human epidemiology”—Dr. Campbell’s profound impact also extends to education, public policy, and laboratory research. Dr. Campbell is the Jacob Gould Schurman Professor Emeritus of Nutritional Biochemistry at Cornell University. He has received more than 70 grant years of peer-reviewed research funding and authored more than 350 research papers. *The China Study* was the culmination of a 20-year partnership of Cornell University, Oxford University, and the Chinese Academy of Preventive Medicine

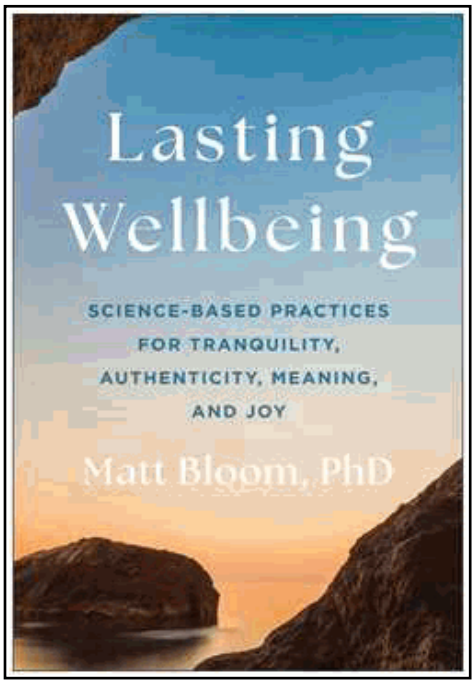

On the heels of writing and directing the 2015 documentary film *PlantPure Nation*, **Nelson Campbell** founded the nonprofit PlantPure Communities (PPC) in early 2016. Released in theaters in over one-hundred cities, the *PlantPure Nation* film (now on Amazon Prime and Apple TV) highlights the dramatic healing power of a plant-based diet and examines the political and economic factors that have suppressed information about these healing benefits, while making connections to public policy, medical practice, food deserts, and farming. In addition to his work in the nonprofit sector, Nelson founded the PlantPure foods and education business. PlantPure has been working on a strategy in western North Carolina to partner with local communities to share the healing benefits of plant-based nutrition. This strategy also includes a commitment to waive 100 percent of its profit margin on sales of certain of its products in under-resourced communities.

Most recently, Nelson has launched a Substack publication at NelsonCampbell.com, where he writes about many of the same issues shares in *The Whole Truth*. Finally, Nelson has also had extensive experience in public speaking, mostly focused on issues surrounding plant-based nutrition, but also touching on public policy, economics, and social concerns. Prior to his involvement with *PlantPure Nation*, Nelson worked for twenty-five years as a business entrepreneur. He graduated from Cornell University with a bachelor’s degree in Political Science and a master’s degree in Economics.

Lasting Wellbeing

Science-Based Practices for Tranquility, Authenticity, Meaning, and Joy

Matt Bloom

BOOK DESCRIPTION

With so many competing voices, how do you know what's for real, what's just a trend, and what will actually be helpful *for you*?

Dive into an accessible field guide for better emotional, mental, and spiritual health—based on an expert psychologist's in-depth research

Whether you're looking for more joy in your life or sustainable ways to thrive in hard times, *Lasting Wellbeing* will help you assess your well-being in five essential dimensions and identify which research-backed practices will open up your life to long-term happiness, clarity, and peace of mind.

Drawing on data collected from more than 10,000 people across 25 countries, psychologist Matt Bloom distills three decades of research into clear, science-backed strategies for coping with the stress, burnout, and anxiety in our increasingly demanding world. **Explore dozens of practices to build a tailored wellness toolkit that will empower you to:**

·Boost resilience and cognitive flexibility with exercises like **conscious disobedience** or **strategic self-distancing**
·Reengage your focus in positive, meaningful activities through mental tricks like **temptation bundling** or **mental contrasting**
·Uphold your core convictions through dedicated practices like **centered prayer** or **drafting a table of contents for your autobiography**
·Cultivate daily calm and release stress through **walking meditation** or **breathing exercises**
·Create joy by learning to more **intentionally savor** moments of wonder and pleasure

Today, prioritizing self-care can take many forms. *Lasting Wellbeing* isn't a one-size-fits all wellness approach—it's a repository of time-tested, easy-to-adopt mental health practices, and a guide to finding your individual path to true wellbeing.

·**ML (Matt) Cavanaugh** is a writer, a retired lieutenant colonel, and US Army Strategist who earned two Bronze Star Medals and a Combat Action Badge for his time overseas in Iraq, and most recently served as the president and CEO of the

BOOK DESCRIPTION

An award-winning military strategist and top West Point professor unlocks the secrets to success in the wars that mattered most, offering fresh insights from history about leadership, power, and the art of better decision making in our modern world.

What makes a general great? What should strategic leadership look like? What are successful supreme commanders made of?

In answering these questions, retired Lieutenant Colonel ML Cavanaugh traces the campaigns of America's greatest commanders at war. By following Washington, Grant, and Eisenhower, we can see the key winning ingredient in their leadership wasn't technology, resources, or luck—but superior judgment, empathy, and grit.

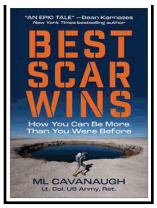

Supreme commanders make decisions; decisions make history.

With the social scientist's eye and storyteller's sensibility, Cavanaugh pries open the minds of America's greatest military leaders and brings readers inside the art of the better decision to pinpoint the difference between success and failure. Its implications impact competitive fields like business, sport, and politics.

Who Wins Wars matters to cadets and colonels but equally to CEOs, coaches, and all citizens. Its key contribution is for those who recognize how crucial strategic leadership is in the fight for the fates of people, organizations, countries, and history itself. This book breaks open a key ingredient in what—and *who*—wins wars.

AUTHOR BIO

ML (Matt) Cavanaugh, PhD, is a retired US Army lieutenant colonel who earned two Bronze Star Medals for his time overseas. He's also an award-winning US Army strategist, having earned acclaim as the top professor at West Point and was previously named the US Army's Athlete of the Year. As a proud living kidney donor, he most recently served as the president and CEO of the National Kidney Donation Organization. His writing has been featured in *The New York Times, Washington Post, Wall Street Journal, Los Angeles Times, USA Today, Chicago Tribune, Colorado Springs Gazette,* and *Sydney Morning Herald*. Cavanaugh makes his home in the mountains of Manitou Springs, Colorado.

The Love Producer

My Unscripted Journey from A Reality TV Career to My Own Happily Ever After

Julie LaPlaca

BOOK DESCRIPTION

A former *Bachelor* producer flips the script in this vulnerable memoir about her own journey to finding love after her job turned into a real-life rom-com.

Julie LaPlaca spent years crafting some of reality TV's most iconic and swoon worthy romances, from hot tub heartbreaks to heartfelt proposal speeches. But behind the scenes, her own love life was unraveling. The end of a five-year relationship, one too many bad dates, and months on the road left her wondering if she'd ever get the happy ending she helped curate for others.

Then came the headlines. The tabloids speculated Julie was the love interest of the very Bachelor she was producing. Suddenly, her life mirrored her own creation, as she was pulled into the spotlight, started to question her feelings, and lines became blurred between her and the show's leading man. She began to wonder: What is real, and what is fantasy?

Once back behind the cameras, a mid-thirties meltdown forced her to reevaluate what is most important in life. In this candid and revealing memoir, she shares the messy fallout of her time as a producer, and her journey to reclaim the script of her love life and become her own leading lady.

The Love Producer explores pop culture's influence on romance, desire, and the idea of happily ever after. With wit and vulnerability, Julie shares stories of heartbreak, shame, aging, dating, and spiritual transformation. Readers will feel empowered to reimagine the stories we've been led to believe, as Julie begins to uncover a love far deeper than what you see on the screen.

AUTHOR BIO

Julie LaPlaca is a seasoned television producer, with over two decades of experience working in the entertainment industry. Most notably, she spent years crafting some of reality TV's most iconic love stories as a supervising producer on The Bachelor franchise. Julie is an author, a certified life coach, hypnotherapist, and founder of The Love Producer, a personal development brand devoted to helping others produce the love they desire in their lives. Now, she's flipping the script, guiding others (and herself) on the greatest journey of all, that of finding the love within.

Ten Attitudes

A Primer for Developing a Warrior Spirit

Cory Zillig

BOOK DESCRIPTION

From retired Navy SEAL Cory Zillig comes a spiritual field guide for warriors navigating high-stakes operations, intense training, and everyday challenges. Empowering those striving for greatness, in battle or in life, this primer speaks one essential truth: greatness begins with attitude.

The selection courses forging our most elite warriors share one common goal: to see what you're made of when your mind and body breakdown. When that happens, one thing propels you forward. One thing gives you strength to face your enemies. One thing keeps you from quitting and giving up on dreams.

Your *warrior spirit*.

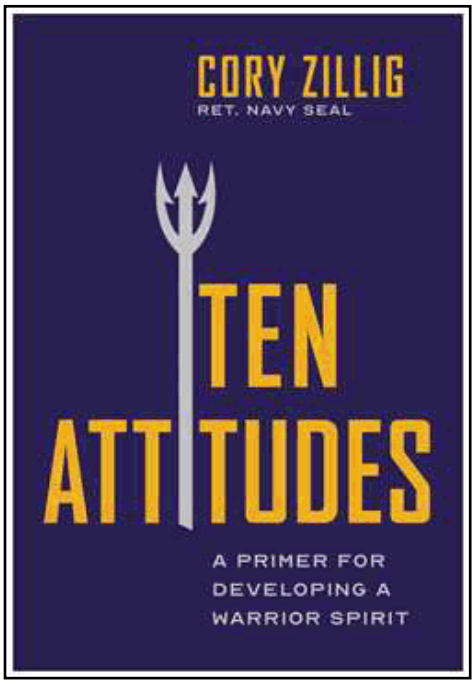

A warrior spirit is not exclusive to professional warriors. We all have enemies. Apathy, complacency, doubt, fear, and insecurity attack when we pursue our highest goals. Combat these dark enemies by anchoring yourself in attitudes that cultivate your warrior spirit.

Zillig's twenty years' experience as a SEAL, thirteen at SEAL Team SIX, taught him that the right attitudes are critical to realizing dreams and achieving success. Drawing from experiences in combat, training, and personal life, he selected *Ten Attitudes* that strengthen your warrior spirit and crush enemies to your growth and freedom.

·Devotion
·Discipline
·Discernment
·Trust
·Courage
·High standards
·Ferocity
·Forgiveness
·Vigilance
·Love

From soldiers and first responders to business leaders, parents, artists, and athletes—anyone can possess a warrior spirit that enriches both personal and professional life. *Ten Attitudes* is your no-nonsense guide for strengthening resolve, rooting your life in service, sharpening your awareness, and keeping you focused on your highest goals.

·**Cory Zillig** is a 20-year Navy SEAL veteran, whose military career included 12 combat deployments, mostly in Afghanistan, and 13 years as an assaulter on the only maritime counterterrorism unit, SEAL Team Six.

Cory Zillig is a 20-year veteran of the US Navy SEAL Teams, 13 years of which he spent with the Tier One maritime counterterrorism unit (SEAL Team Six) as an assaulter. He completed twelve combat deployments in various theatres, most in Afghanistan, and was honored and privileged to be an assault team leader on the raid that killed Osama Bin Laden.

Becoming a Principle-Driven Leader

41 Principles to Build an Enduring Business

Charles Koch

BOOK DESCRIPTION

***Becoming a Purpose-Driven Leader*reveals the timeless ideas and proven strategies that turned Koch Industries into a global powerhouse—offering a practical blueprint for anyone who wants to create lasting value through principled leadership.**

Ever wonder how Koch became one of the largest private companies in the world? It was by continually transforming itself for more than six decades. *Becoming a Principle-Driven Leader* tells that story through a powerful, two-generation lens.

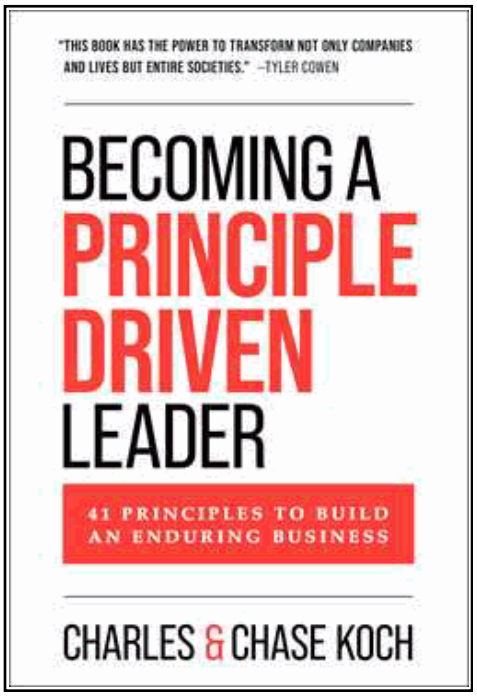

In this deeply practical and personal book, Charles and Chase Koch reveal the proven principles that helped turn Koch Inc. into one of the world's most enduring private companies. They offer a practical blueprint for anyone who aspires to lead in business, their community, or any aspect of their life.

In this deeply practical and personal book, they share 41 proven Principles of Human Progress that powered Koch's 9,000-fold growth, shaped their philanthropy, and transformed their own lives and leadership.

Tested over 60 years of experimentation, failure, discovery, and continual learning, these principles show how anyone can turn setbacks into success by empowering others and accomplish more than they thought possible. Father and son illustrate this by using real stories from business turnarounds to personal transformation.

Whatever your situation or path, *Becoming a Principle-Driven Leader* offers a clear and effective framework for turning obstacles into opportunities, unlocking your potential, and applying proven principles to create enduring success.

Charles Koch, **Chairman and Co-CEO—**By the time Charles graduated from high school, he had attended eight schools ("but only got kicked out of one"). Despite earning three engineering degrees from MIT, he claims he is "a lousy engineer" but excels at making mistakes—"lots and lots of them." By learning from those mistakes and implementing a principle-based framework, the company he leads has grown 9,000-fold since 1960. Utterly rejecting retirement, even at the age of ninety, Charles continues to push for a principle-based approach to life, business and society. His wife of fifty-plus years and their two children are on board with this passion, and his three grandchildren are well on their way.

Chase Koch, **Executive Vice President of Origination and Partnerships—**As a child, Chase was an average student who slept through his father's Sunday afternoon philosophy lessons. He is the only Koch executive to ever fire himself from a role as president of a Koch company. But after discovering his strengths as a builder rather than an operator, he founded Koch Disruptive Technologies to invest in companies that are helping Koch transform. KDT gave rise to "Koch Labs"—an application of the Republic of Science principle—accelerating the company's transformations. His role has expanded to include building partnerships that will help Koch endure. Today, his North Star is uniting and empowering people to create disruptive solutions.
