

# CREATE YOUR OWN FINGER PUPPETS!

Time to create your own hooting, tooting roaring friends!

- First, colour in Elephant, Bear and Lion.
- Then (with a parent's help) cut each one out.
- Next, stick them to a piece of card.
- Now for the tricky part, when they are dry, cut them out again and ask an adult to help you out the finger holes.

THE BEST  
WORST DAY EVER
